BIG FISH CONCERN

Incorporated at Augustus, Me., Headed by Well-Known People.

Augustus, Me., Aug. 23.—A certificate of incorporation has been filed here by the Craig Fisher Products Company, with a capital of $1,000,000. David Craig of Port Angeles, Washington; Havell T. Wood, W. Wayne Belvin, Boston; Arthur Shute, Ellsworth; C. B. Smith, Fitchburg; H. Lemmons, H. Mitchell and Hiram Thompson, of Kittery, are the incorporators. The company will engage in fisheries and fish packing and deal in all kinds of fish foods.

Mr. Craig's idea is to erect a cold storage plant in addition to the cannery and ship fish east in cold storage cars. Besides canning fish the purpose is to use the refuse matter in the manufacture of fertilizer. As yet no site for the new establishment has been selected, and, while, of course, Port Angeles is the desired point, conditions will govern to a large extent in the selection.

POSTMASTERS ASKED FOR MONEY

The Republican state committee, through its chairman, has knowingly or ignorantly violated the national law by addressing to the postmasters of the state a letter asking for contributions to the state campaign fund. Few have responded, but none gave the snap away until one of the letters fell into the hands of a postal inspector at Everett.

As a rule third-class offices like Port Angeles were assessed $50, but the state chairman evidently was apprised of the fact that Postmaster Harding recently received a raise of $100 in his year's salary and he proceeded to touch him for it. Mr. Harding, it is said, has been asked to contribute $75.00.

BASE BALL.

A good number of Hadlock people, with a good sized band organization in green uniforms, accompanied the Hadlock ball team to this city on the steamer Dauntless Sunday. They arrived at one p. m. and the band gave several selections in front of the Merchant's Hotel.

The ball game was considerable one-sided, the score at the end of the ninth inning totalling 10 to 2 in favor of Angeles. The fans were pleased to see catcher Ed. Shields again in harness.

The next game will be with the famous Rainiers of Seattle and the local team will have its hands full to keep from getting worsted.

DUNGENESS.

Special to THE DEMOCRAT-LEADER.

Dungeness has two new buildings in process. Mr. Ed Payne and Alf Cays are putting up a residence, each.

Mr. Noble Turk is doing business on a cash basis and prices are correspondingly low.

Mrs. Rollins, Miss Nellie Rollins and Miss Francel Rollins are visiting friends and relatives in Dungeness.

Many Seattle people have been taking a summer outing in this vicinity this summer. It is a great disappointment to all who come here that neither Dungeness nor Seguim have hotel accommodation for travelers or tourists.

The line man has been busy putting up new lines for some days; many new phones will be put in the coming week.

Harvesting is on and many machines are busy cutting wheat Seems as if the wheat growers will be in the swim, as the prices are good and chances of being better. This is ideal harvest weather.

Miss Florence Tripp was sixteen last Thursday. Her friends gave her a surprise party and presented her with some pretty gifts.

LeRoy Darnell has enlisted in the navy on the training ship Philadelphia at Bremerton.

Mrs. Alex Henderson is very ill at the hospital in Angeles.

Seguim and Dungeness gave a dancing party at Seguim hall last Saturday evening for the benefit of Mr. Bushnell of Port Williams who is very low with cancer. A neat sum was probably raised as the attendance was large.

Mrs. Dawson raffled off a cow and calf. Dave McCooms drew the lucky number.

Mrs. Cays is back home from a Seattle visit.

M. C. Hunt returned Monday from an up sound trip.

C. F. Seal rode up to Angeles Monday to take the steamer for Seattle. He returned on Wednesday Gertrude.

Frank Lotzgasell returned today from a visit to Seattle.

Mr. and Mrs. Hays Evans returned on today's Gertrude from Seattle where they have been visiting Mr. Evan's brother.

Messrs. A. N. Taylor and Thos. Knoph drove down to Angeles on Thursday.

Miss Rachel Martin was a visitor to Angeles Monday.

A white turnip, raised by Rev. J. A. Baldridge, without irrigation assistance was brought to this office this week. It measures 29 inches in circumference.

MUCH GOOD WORK DONE

Two Blocks on Second Street Back of School House Opened.

The ladies of the Civic Club are again to be congratulated upon the success of their efforts on Stump Day Thursday. There was in all about fifty workers out, not as many as was desired, but still enough to encourage the ladies in their good work, and a most gratifying amount of work was accomplished. Second street from Peabody to past Vine, taking in all the street just south of the central school building, was opened up, making a continuous open highway clear through to Race street. The portion cleared was very much grown up with high rose-bushes, young trees and covered with logs and debris and the street now presents a very creditable appearance.

Besides the good work done here, considerable clearing and grubbing was done on Oak and Seventh streets and individual work was done at other places.

The ladies served a notable dinner to the workers and are much pleased with their labors.

NO PLACE LIKE HOME.

A card just received from T. L. Henderson, who left two weeks ago to "enjoy" a trip to the exposition and among southern friends, says:

"I am enjoying some of the good things of St. Louis, namely, three electrical storms, one cyclone, and last but not least, the cholera morbus. May say, I was just thinking there's no place like home."

RHEUMATISM

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House El Reno, O. T., writes: "I take pleasure in recommending Ballard's Snow Liniment to all who have rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c, $1. Sold by C. E. Nailor & Co.

Baby Costs Too Much

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter.

Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks.

By the use of Dr. Pierce's Favorite Prescription maternity is made practically painless, and a quick convalescence is assured in almost every case.

$500 Reward for Women Who Cannot be Cured.

The proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay $500 in legal money of the United States, for any case of Leucorrhea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"There are thousands of sick women dragging out a weary, miserable existence, who would be well and happy did they but have my experience with Dr. Pierce's Favorite Prescription," writes Mrs. Annie Lenman, Lady Commander Star of Bethlehem, Lodge No. 27, of 106 Jackson Street, Atlanta, Ga. "Four years ago I was nearly dead with inflammation and ulceration. I endured daily untold agony, and life was a burden to me. I had used medicines internally and externally until I had made up my mind that there was no relief in sight for me. A friend of mine endorsed your 'Favorite Prescription,' and I determined then to give it a trial. It took patience and perseverance for I was in a bad condition, and had to use your medicine for nearly four months before I was cured, but what a change it brought; from despair to happiness, from misery to the delightful, exhilarating feeling that only health brings. I would not change back for a thousand dollars. Your 'Prescription' is a grand medicine. I wish every sick woman would only try it and be convinced."

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics.

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss; therefore, accept no substitute.
