The North Olympic Library System (NOLS) offers Summer Family Storytime and other special Storytimes from mid-June to early August, all part of the Summer Reading Program. Listen to great books, learn new songs, and shake those wiggles out with plenty of movement and fun! Storytime is open to all ages and geared toward children age 5 and younger with activities such as talking, reading, playing and singing that support early childhood development. Each event is free and runs for 30 minutes. View the full schedule at NOLS.org/storytime.
