Claim of T. J. Appleton re inquest Philip Kaufman, rejected.

Board allowed Gus Newman $2 00 extra per month, as county charge, making a total of $10.00 per month dating from July 1, 1902.

It appearing that there was an error in the assessment of s½ of nw1-4, sec 1, 31-13, board ordered the treasurer to reduce the valuation of same on the 1901 tax rolls from $640, to $480, and to so correct said rolls.

Resignation of G. W. Hart as supervisor of road district No. 39, was read and accepted and commissioner Thompson empowered to make a pointment filling such vacancy.

Board authorized the auditor to return to John and Alex. Grant the certified check of $165.00 which was deposited with their bid for the construction of a bridge across Dungeness river.

Board adjourned to meet at 1:30 p. m.

1:30 p. m.

Board met pursuant to adjournment, all being present.

Board ordered the county treasurer to transfer the sum of $5 000 from the current expense fund to the credit of the county bridge fund, and also the sum of $10,000.00 from current expense fund to the credit of the county general road fund, and such transfer to be considered as a loan and further ordered that the county treasurer make an immediate call for $5,000.00 on bridge fund and $10,000.00 on the general road fund of the county.

H S Hansen requested the board to make an order authorizing the auditor to sign warrant No 1242 on General road for the amount of $2.00, issued June 3, 1893, being convinced that said warrant was of legal issue and registered the

## WEEKLY CROP BULLETIN.

**A Brief Summary of the Condition of Crops in All Parts of the State.**

U. S. Department of Agriculture Climate and Crop Bulletin of the Weather Bureau, Washington Section. Week Ending July 7, 1902.

The week was quite cool, averaging 4 or 5 degrees below normal, and almost continuous rain fell on three to six days of the week. It began on Tuesday, July 1st, and continued, with some cessation, until after the 4th, in some localities until the 6th. In some districts it was the heaviest rain ever known in July.

It was very unfavorable weather for haying; some hay was badly laid down by heavy rain, and some that was caught in the windrow was spoiled. The unprecedented heavy rain in Whitman and the southeastern counties badly beat down and lodged heavy fall wheat and barley, and the injury will be considerable. Probably much of what is down will spring up again before cutting time, although that is only about ten days distant. The injury to fall wheat and barley was more than offset by the great benefit to spring wheat and oats. A long dry spell, with fresh winds, had seriously threatened late wheat; indeed, some on light soils and clay patches had been a little injured by "firing." It is thought that all grain will fill well now, and most farmers consider a fine wheat crop assured.

Another crop that was greatly benefitted is the potato crop. A large yield is now considered almost certain. Corn is also improved. All vegetables are now growing finely. The wet weather has caused cherries to crack open and rot badly. Hops are not doing as well as two weeks ago.

Cut this out and take it to C. E. Nailor & Co.'s drug store and get a box of Chamberlain's Stomach & Liver Tablets. The best physic. They also correct disorders of the stomah. Price 25 cents.

**The Best Liniment for Strains.**

Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." For sale by C. E. Nailor & Co.

## WATER COMPANY HAS A PLAN

**Branch Main From Pine to Lincoln Hill if City Will Double Rent.**

At Wednesday's session of the city council Mr. Seymour, of Seymour, Barto & Co., Tacoma financiers and owners of the Port Angeles water system appeared, stating to council that he had spent a few days in the city and wished to make a statement regarding the extension of water mains. He didn't suppose the fire protection furnished was of the best, but the plant cost originally in the neighborhood of $60,000 and was constantly depreciating at the rate of $2,000 per year, which together with interest on investment and $400 annual taxes made it a very poor investment.

Insurance rates are now very high in the city and to extend mains from those down town would greatly reduce the fire protection and raise these rates; besides such a plan would be impracticable, in that to furnish proper pressure on hill would necessitate a terrific pressure on the flat.

Rates charged here are also but one-half what are charged in other cities and the company could therefore ill afford to make any extensions unless city could contribute. He therefore thought if agreeable he could arrange to expend about $4,000 in extending a branch main from Pine Hill across gulch on to Lincoln Hill to supply that district if city would double its rent, making it $50 per month. This would entitle the city to ten hydrants for fire purposes and they could place them where they pleased.

The gentleman was requested to make a definite proposition to council.

The city marshal reported that Mrs. Mona was conducting her saloon business in a disorderly manner. He had repeatedly spoken to her regarding her violation but to no avail, and now notified council. An effort was made to have the matter referred to the city attorney, but that gentleman very properly protested, stating the marshal should know his duty, the ordinance on the subject being very plain.

The city treasurer's report for second quarter was read showing following balances:

| | |
|---|---|
| Indebtedness fund | $1,080 50 |
| Mun. bond int. fund | 3,173 53 |
| Elec. light bond int. fund | 1,650 83 |
| Current expense fund | ,282 08 |
| Lighting fund | 83 29 |
| First st. imp. fund | 49 87 |
| Cemetery fund | 54 75 |
| | $6,374 85 |

Messrs. Taylor & Woods petitioned council for right to pile bark for shipment on Valley street extension. Referred to street committee with power to act.

A communication was read from Councilman Gould, who is now visiting relatives in Herrick, Vt., setting forth that it would be impossible for him to return before sometime in August. He therefore desired council to act as they saw fit in the premises, such action being satisfactory to him in any event. The communication was filed, Mr. Gould still having one week's grace before council could declare the office vacant.

Contracts for furnishing wood for city lighting plant during coming year was read. Bond accompanying same was returned for correction.

The report of street committee laid over from last meeting was taken up. The report was as to the condition of Lincoln street tunnel and best method of repairing Fourth street east of Race. Fifty feet of tunnel will have to be rebuilt and considerable new floor and siding will have to be placed; tunnel through bluff is in fair shape.

Fourth street, between Race and Chambers, could best be put in shape by placing puncheon 16 feet in length and 6 inches thick, with a foot of dirt on top.

Mr. Smith had no experience with puncheon and thought a foot of dirt in center of street, with cost of puncheon put in gravel on top would make a very good road. In this he was supported by the mayor, who called attention to the Little river road and the evil effects of puncheon. Matter was referred back with Mr. Smith added for conference.

Tunnel proposition was also referred back to committee to confer with engineer and bring in estimate of cost.

Need of new commutators was mention by mayor, and Mr. Teachman explained that old commutators would possibly not last another week, and it'll take four weeks at least to get new ones No action was taken and the mayor vowed he would let the lights go out before he would mention the need again.

Stairway leading up from beach at C street was ordered repaired at cost of $10

Condition of Peabody street bridge was referred to street committee, it being reported that planking was dangerously worn and new material would have to be placed. Adjournment was then taken.

Seats for the Rag Time Outing go on sale Saturday at Keller's drug store. Admission 50, 35, and 25 cents.

## Sequim.

Special to THE DEMOCRAT-LEADER.

A movement is on foot to complete the pack trail from Sequim to the Olympic mountains for the purpose of turning part of the tourist travel this way. The Sequim at Ola have promised to give a round trip ticket for two dollars and no easier or better point on the Sound can be found than this for those who desire to make a mountain trip. Sequim also offers unique sport for the enthusiastic fisherman. Several silver salmon weighing as high as thirteen pounds have been shot in the Sequim ditch. The fisherman at this fishing point has the advantage, he can spear the fish, shoot them or run them down.

Mr. Leslie Grant made a flying trip to Seattle during the week.

Miss Mary McInnes is down from Seattle spending the Fourth at home.

Miss Emma Knapman is another of Sequim's fair daughters who is spending the Fourth at home.

Miss Alice Grennan came in on Saturday's boat from Townsend where she has been for the last few months.

Mr. H. Womacks arrived from Whatcom on Wednesday's boat and intends to remain.

Mr. Wm. Dick is the pioneer silo man of Clallam county. His new silo is an up-to-date affair. He intends to fill it about August 1st., with oats and peas.

Wrs. Wright, mother of Mrs Mullen, Mrs. Carpenter and Wm. Wright quietly passed away at the home of her daughter Mrs. Miller on Monday, June 30.

Be sure and see the girl from the moon. Wednesday and Thursday.

## CANNERY STARTS UP.

**New Machinery Installed and Season's Pack Expected to Be Good.**

The Manhatten Packing company's plant at the head of the bay was put in operation last Saturday utilizing the first few hundred pounds of fish received this season in getting the new machinery in good running order for the commencement of the season's pack this week The new machinery which includes a soldering machine of large capacity, and a large circular cutting machine, together with the other machinery is now in first class working order and the plant will be able to take care of large quantities of fish on short notice.

Wednesday morning about 1000 large Sockeye salmon were received from the islands by the company's own steamer and scows and were immediately put in cans. Another batch of Spring or Tyee salmon was received yesterday morning from the cape. These kept the large force employed very busy until 4 o'clock yesterday.

The company's steamer is now at the islands and is expected in the morning with about 1500 fish. A good haul is also expected on the Gertrude

This is an off year in the salmon run but from the contracts held by the company and present prospects the management expects the plant to be kept very busy during the season.

All the buildings of the company have been thoroughly overhauled and now present a very pleasing appearance in a fresh coat of white paint President Farmer also has a private telephone system in operation between the cannery offices and his private residence

CLALLAM COUNTY in the future will be noted for its fine fruit, excellent dairy products, big yields of potatoes, wheat and oats, its fisheries, and its manufacturing industries. Push them all.

THERE is a fine howl going up among Republicans who see in the early convention called by the ring the gaging of the citizenship of the party. The court house crowd wants the nominations made before other aspirants can canvass the county.

THE editorial scribbler of the Courier had a nightmare after reading our issue of two weeks ago. We forgot that the mention of Cleveland touched a tender chord in the office of our contemporary and humbly apoligize for exciting the gentleman.

THE administration has blocked in the senate the admission of the new states, and there is a faint suspicion that these territories will have to await a Democratic Congress before they are admitted, despite the favorable plank in the Republican platform.

IT seems that Mr. Gould will have to travel the same route that Mr. Hunt was compelled to take though, for different reasons. Mr. Hunt was opposed to light plant lease and was disposed of quickly. Mr. Gould favors lease but will be away too long, and it looks like he will be released next week. It takes five votes to lease. Two are now known to oppose, but it is thought with the new man favorable—he will have to be to be named—the necessary five will be secured.

To follow the precepts of the constitution of the United States may not be progressive enough to suit some people of the "more worlds to conquer" type, but it remained for a local brain to perceive that such a course was un-American.

"Since the civil war the Democratic party has never proclaimed a distinct constructive national issue," says a local ex-Democratic Republican writer. We don't know the fellow's exact meaning, but it seems he should apologize for staying with such a party until 1896.

THE proposal of the Dairymen's Association to hold a stock fair at the enterprising town of Dungeness should receive the hearty co-operation of all stock-raisers in the county and all other good citizens. Clallam county, and particularly the eastern part, is fast coming to the front as a dairy and stock-raising district and an exhibition of this nature will awaken an interest that cannot but be beneficial

IF the rank and file of the Republican party in Clallam county are to have anyvoice whatever inthe coming convention they must be up and doing and must name delegates opposed to the ring who will attend the convention and who will not send proxies to the ringsters in the city. The slate is made up and outside aspirants stand about as much show as a snowball in Hades unless proxies are ruled out or kept out of the ringsters' hands.

### CITY IN A FLUTTER.

**Wire that Tracy Was Headed this Way Awakens the City.**

Sheriff Smith was notified by a wire from Cudihee Sunday stating that Tracy left Port Madison Saturday night at 9 o'clock in a boat, heading up Dog Fish bay for Hoods Canal. The telegram caused quite a commotion when generally known, especially so when it was rumored next day that the outlaw was at Port Williams.

Sheriff Smith immediately arranged for the organization of a posse and awaited developments. The next heard Tracy was at West Seattle.

Outlaw Tracy has been leading the peace officers a merry chase this week. After shooting the policeman and detective at the Van Horn house he has been followed to Port Madison, back of the Indian reservation through the woods into the Johnson house where he forced the hired man Anderson to accompany him, back across the sound to West Seattle; then on to Renton where he is surrounded in the Jarrell house, but all to no avail.

When he gets ready he walks away as quietly as though no one was in the vicinity. He is trailed by the hounds toward Seattle and throws them off the scent by sprinkling cayenne pepper and crossing and re-crossing Green Lake. He next held up a family near Auburn compelling the husband to go to town and procure a big revolver and cartridges, riding away on the family horse with a week's grub. Sheriff Cudihee perfects plans for his capture but before that longed for event takes place some fool steps in and spoils it all, or some other fool disobeys orders. The outlaw has his pursuers thoroughly scared.

# ENGAGED.

Marriage is very largely an accident. In few cases do men or women set up a standard of manly or womanly excellence and choose by it. In most cases people become engaged as the result of propinquity rather than because of any deep rooted preference. And so it often happens that the wife enters upon the obligations of maternity just as thoughtlessly as she entered on the marriage relation, because no one has warned her of the dangers she faces.

Thousands of women become invalids for lack of knowledge of themselves. It is to this large body of women that Dr. Pierce's Favorite Prescription comes as a priceless boon, because it cures womanly ills.

"Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

"After my first child was born," writes Mrs. Jordan Stout, of Fawcettgap, Frederick Co., Va., "my health was very poor for a long time, and last winter I was so bad with pain down in back I could hardly move without great suffering. My husband got me a bottle of Dr. Pierce's Favorite Prescription and a vial of his 'Pleasant Pellets,' which I used as directed. In four days I was greatly relieved, and now, after using the medicine three months, I seem to be entirely well. I can't see why it is that there are so many suffering women when there is such an easy way to be cured. I know your medicines are the best in the world."

Dr. Pierce's Pleasant Pellets the favorite family laxative. One 'Pellet' a laxative, two 'Pellets' a cathartic dose.

# THE FOURTH IN ANGELES

**Day Very Windy Though No Rain Was Had as in Other Sound Cities.**

July 4th broke bright and clear Friday morning and there was promise of a good day. Young America was awake with the sun. As the morning progressed the wind rose to a gale and the dust began to fly in such quantities that it was evident that little interest could be taken in the day's program.

The first thing on the program, the horse and bicycle races, were called off because of the inability to secure entries on such a day and as a consequence the committee still holds the prize money. What they will do with it is a question. It was suggested that it be used in fireworks in the evening, but this was thought too dangerous by some.

An Indian dressed up to climb the greasy pole, but backed out before undertaking the job, and this fell through. Little interest was taken in the minor sports.

The streets were crowded all day however, and the 1,500 visitors from Victoria made the best of it all good naturedly. The city band from Victoria proved one of the most enjoyable features of the day. This, too, though, was stopped all too soon.

At the ball park every available seat was occupied and standing room crowded to witness the lacrosse and base ball games. The latter was very interesting despite the fact that the Victorians were badly worsted, as the following score shows:

| | | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| Victoria.. | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 0 | 0 | —1 |
| Angeles.. | 5 | 0 | 3 | 0 | 1 | 2 | 1 | 8 | * | —20 |

It seemed impossible for the Victoria men to hold the balls that came their way or to get farther than 3d when on the run. They got even though next day when the Angeles team visited Victoria and got walloped to the tune of 18 to 1.

In the evening the wind died down some and it became much more pleasant, although rather chilly for the light dress of some. Fireworks were very liberal and much enjoyed. The Gate City Orchestra were assisted by the Victoria band in the evening and drew a very good crowd at the ball given at the opera house.

The steamer City of Nanaimo left on her last trip after 11 o'clock p. m., and everybody returned home seemingly satisfied though some disappointed.

### The Same Old Story.

J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others. He says: "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Cholic, Cholera and Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson, N.C. For sale by C. E. Nailor & Co.

Fears are entertained that the steamship which carried among other passengers to Nome, Alaska, Mr. and Mrs. G. Ellsworth Petterson of Pine Hill, has been lost at sea. They sailed from San Francisco on May 24, on one of the first boats to leave for the north. There are two boats that left about that time which have not been heard from since.

J. M. Bell is in receipt of a letter from our former citizen J. E. Reid, who is now located at Hecla, Mont., in which that gentleman states that they celebrated the 4th at Hecla with eight inches of snow! Eight inches of snow at a season when ordinarily the citizens are prostrated with heat. Truly if we had nothing else our climate should make us all happy.

Mrs. J. G. McClinton entertained a few young friends Monday afternoon in honor of her guest Miss Edith Cook who is visiting in the city from San Francisco. A guessing contest and games were the features of the entertainment, and at luncheon each guest was provided with a pretty bouquet in addition to delicious eatables. There were present, besides the host: Mrs. W. B. Smith, Mrs. A. J. Cosser, Miss Edith Cook, Miss Mary Willson, Miss Lizzie Mitchell, the Misses Cochel and the Misses Hogan.

### Alumni Re-union.

The second annual re-union of the Port Angeles High School Alumni was held in the Masonic hall on Monday evening. After the new graduates were received as members of the association, a motion was made and carried that a page in the minute book be set aside to the memory of Charlotte Sanford, the first member of the organization to be removed by death.

An interesting program, in which all participated, was followed by a unique contest in which Prof. Ullery and Mrs. C. E. Nailor carried off the honors. Ice cream and cake was the next item on the program; then toasts were proposed to—

"Our Guests"—Herbert Babcock.

"Our Representatives Abroad"—Alice Henson.

"Our Aim"—Belle McLaughlin.

"The Ladies"—Ralph Lutz.

The officers elected for the ensuing year are:

Pres dent—Roy McClinton.

V. President—Lottie Buck.

Sec. and Treas.—Mrs. C. E. Nailor.

When the time for closing arrived, all formed a circle and sang "Auld Lang Syne." The roll call showed the following present:

Class of 1895—Roy McClinton, Ray McLaughlin.

Class of 1896—Herbert Babcock.

Class of 1897—Edith Cook, Alice Henson.

Class of 1898—Mrs. C. E. Nailor.

Class of 1900—Winfield Woods.

Class of 1902—Belle McLaughlin, Lottie Buck, Addie Thomas, Helen Hopkins, Sarah Fowler, Tillie Bernard, Ralph Lutz, Frank Babcock.

Guests: Mary Willson, Grace Wilcox, Susie Wilcox, Anna Fields, Charlotte Cochel, Prof. Ullery.
