THE DEMOCRAT-LEADER.

VOL 14, NO 23 PORT ANGELES, CLALLAM COUNTY, WASH., FRIDAY, SEPTEMBER 12, 1902. PRICE FIVE CENTS

The general call for the regular convention of the Democratic party of the State of Washington, has just been received at this office and we are advised that the convention is to convene in the city of Tacoma on Tuesday, September 16th. at 10 o'clock, a. m., for the purpose of nominating candidates for three members of Congress, one Supreme Judge and one United States Senator.

According to the basis of representation there will be 555 delegates of which Clallam will send seven.

Delegates are directed to demand a receipt for fare paid in going in order that they may be entitled to one-fifth fare on returning.

Mr. Kirschberg is on his way home. He writes that he has selected an excellent stock of Dry Goods of the latest designs. A fine line of Fall and Winter wraps and has added to his stock a magnificent line of Trimmed Millinery of the very latest fashion. A chance to save money by waiting a short time. The goods were purchased at extraordinary low prices and will be sold accordingly.

KILL THE OTHER ONE.

Council Decides To Start All Over With a Clean Slate.

The city council met in regular session Wednesday evening with all members present. There proved to be little business to transact outside of a large grist of bills being read and referred and the business of the evening was closed up promptly.

In the matter of the ordinance killed last meeting the mayor was of the opinion that it could be revived by a motion to reconsider. Mr. Grubb moved to reconsider, but the ordinance granting to John Cain and Al. Filion the right to construct and operate an electric lighting plant in this city, was up for consideration. Mr. Miller woved that action be indefinitely postponed. The motion was lost.

Mr, Lauridsen stated that he understood the ordinances were in such a shape that grantees wished that they go to c mmittee for revision. He, therefore, moved its reference to the franchise committee and city attorney. Before the motion was put the city attorney stated that ordinary parliamentary rules did not govern in the case of a city ordinance. Therefore, the council having voted against passage of ordinance on final reading could not at this time reconsider. He considered that if council should now pass this ordinance grantees would get nothing of value.

This advice was taken the mayor acquiescing, and the lease ordinance being killed, upon motion of the same gentleman the franchise ordinance was put upon its final passage and killed, thus leaving the boards clear to commence all over with the deal.

Ordinance empowering mayor to enter into a contract for the furnishing of water power came before council, but it was decided that the ordinance was in the hands of the committee of the whole, which had not yet reported. Mr. Miller explained that the committee did not wish to report on such ordinance at this time. He therefore move that the committee be given another week in which to report. The motion carried.

Bill of street commissioner and men for street work, $29 70, was allowed.

A resolution was read instructing the city attorney to draft an ordinance repealing ordinance granting franchises to Messrs Martell and Lehman, [the P.A.E] Isaac C. Atkinson, C. A. Cushing, Frank B. Chapman and Julius Singer. The resolution was introduced by Mr. Lauridsen and referred to the ordinance committee and city attorney.

A large grist of bills aggregating $892·12 were read and referred.

Mr. Miller stated that the fill of ditch at 1st and Francis streets had settled, necessitating a refill at cost of $5; that $5 was needed to repair crossing at 1st and Albert and another at 2nd and Albert. The amounts were allowed.

The filling in of hole at Lincoln street sewer was called up. Mr. Miller wanted the street committee to be given power to act; the mayor objected. Mr. Grubb thought the job should be let by contract. Matter was referred for report.

It was estimated that at least $300 would be necessary at once for repairs on Peabody street bridge, and should be figured on. Mr. Hallahan stated street committee would bring in report on this work next week.

Adjournment was then taken.

DEMOCRATS IN CONVENTION ASSEMBLED

Nominate a Ticket That the People Can Support With Confidence.

Some of the Strongest Men in the County are Named, Many of Whom are Absolutely Certain of Election Despite the Alleged Handicap—A Platform Adopted which the Tax-Payers Should Read and Ponder Over.

The Democratic County Convention convened at the opera house yesterday promptly at ten o'clock. State committeeman, Dr. F. S. Lewis, called the meeting to order, and was chosen as temporary chairman. A. J. Cosser was elected temporary secretary and read the call for the convention. Without any preliminaries the convention immediately got down to business.

Mr. Richardson moved that a committee on credentials be appointed, one member from delegation of each precinct represented. The motion carried unanimously.

The same gentleman moved that a committee of five be appointed on permanent organization and rules and order and on platform. Mr. Hallahan thought the committee should be segregated and two committees of five be named on platform and rules. A motion by him to that effect carried and the chair named the following:

Rules, Order and Organization—A. A. Richardson, J. P. Christensen, H. M. Fisher, Thos. Clark, M. W. Dunten.

Platform—Jno. Trumbull, L. M. Ford, F. Chambers, Sr., H. Malchau, Wm. Ward.

The convention then adjourned to meet at 1.30 p. m.

Reconvening after lunch the convention listened to the following reports which were adopted as read:

FORD, Chairman; J. P. CHRISTENSEN, Secretary.

The committee on rules recommend that temporary organization be made permanent and that the order of business be taken up as the following account. The platform committee reported as follows:

Your committee respectfully reports the following:

PLATFORM.

We, the Democrats of Clallam Co., in convention assembled, renew our declaration of adherance in the principles of Democracy enunciated in the National platform adopted at Kansas City in 1900.

We hereby express our grief and great loss in the demise of the Hon. John R. Rogers, governor of the state of Washington, whose administration as a Democrat and as governor was so universally commended irrespective of party. The commonwealth lost much through his death.

In common with all good law-abiding citizens we sincerely deplore the shooting and death of President Wm. McKinley.

We especially commend the Hon. George Turner, United States Senator, for his splendid efforts in behalf of the State of Washington, and we hereby express the pride that the state has in the splendid record he has made and the national reputation his abilities have won for himself. The citizenship of the state cannot afford to lose his services.

The Democracy of Clallam favors an economical administration of the affairs of the county and we condemn the action of the Republican party and its officials in the favoritism shown by it and them to the corporations in the assessment and readjustment of taxes on their property in this county.

We insist that s public office is a public trust and that the public offices of the county should be administered with the least expense possible to the most efficient administration. The Democracy further insists that in the assessment and levy of taxes there shall be no partiality or favoritism shown to the person or corporation; but that all shall be assessed and levied according to the intent and object of the law.

We, as Democrats, unreservedly condemn the system of an endless chain in office holding, whereby the county offices are parceled out to a set of office hunters who, after filling an office for the constitutional limit, think they have a vested right to fill all the offices in turn in the gift of the people.

We believe that a just and honest administration of our affairs cannot be had under such a system, that a change in the officials from time to time is necessary for an honest and efficient administration of the county affairs; that it was to guard against combinations and rings among office-holders, that the highest law in the land prohibited the holding of an office by one incumbent for more than two successive terms; that this is violated in spirit when the office holder merely steps from one office to another; that the evils intended to be guarded against by the constitution are merely aggravated by such a system.

We cordially invite all the voters of this county, without regard to politics, to co-operate with us in placing the seal of their condemnation upon this pernicious system. JOHN TRUMBULL, Ch'r. FRANK CAMBERS, SR; WM. WARD; H. MALCHAU; L. M. FORD.

Mr. Trumbull then moved as an aid to the proper selection of a strong and full ticket that a committee of five be appointed by the chair to confer with prospective candidates, in order that there would be no danger of those nominated withdrawing, and that the rules might be followed as closely as possible.

Mr. Richardson, mistaking the intent of the motion, opposed it as undemocratic and declared that it was the very thing that was condemned in the opposing ranks. He thought the whole convention could do the conferring, stating that the difference between a Democrat and a Republican is that the Democrat ever and always voices individual liberty, while the Republican is taught to vote for party irrespective of principle.

The convention then proceeded without the appointment of the committee and the name of Frank Chambers, Sr., was placed in nomination after some delay for representative. He was named by acclamation.

An attempt was then made to nominate Al. I. Filion for treasurer, but that gentleman declining he was not pressed and the naming of candidates for auditor, treasurer and clerk was passed for time being.

For sheriff, Mr. Murphy named L. H.

THE Democratic County Convention has met and adjourned and the results of their deliberations are given in this issue. The ticket named is composed of men of integrity, fully capable of filling the offices for which they have been chosen, and by their election only can the state of affairs that now exists be broken up during the next two years. The platform adopted should be read by every tax-payer, for therein is meat for much conscientious thought. Contrary to the predictions of the opposition the convention was well attended despite the fact that harvest is in full blast in all parts of the county.

Some of the nominees are as good as elected, while others will have considerable work to do to pull through and the sooner they recognize the fact and get off their coats and rustle the better.

THE DEMOCRAT-LEADER will do what it can for the success of the ticket, and in turn asks the hearty support of all who believe there should be a change.

THE McBride forces seem to have the best of the fight at Tacoma this week for they have succeeded in having the governor's position fully endorsed. If Republican platforms count for aught the governor has somewhat revolutionized the party in the state. A combination of McBride, Preston and Congressman Cushman with King county control, and the present representatives with W. E. Humphrey, of Seattle, are named for congress, and Judge H. E. Hadley for Supreme Justice. The platform is very brief and touches only the railway commission and anti-pass questions.

WHEN it is known that one man and a very large horse were killed outright, the driver thrown 25 feet and knocked unconscious, the president's secretary considerably wounded about the head, and the carriage demolished, one begins to realize what a narrow escape President Roosevelt did have in the collision last week. "A miss is as good as a mile," however, and we are all thankful for the miss.

SENATOR CLAPP won out in Jefferson county by four votes—49 to 45 for Wm. Bishop, and has the nomination as surely as though the senatorial convention had already convened. Schultz, the San Juan man has withdrawn. Clallam is not exonerated.

A GOOD MOVE.

Special Washington dispatches state that President Roosevelt has issued a sweeping order to be submitted through the various subordinates in effect that not only all in the classified service but that custom house men, revenue officers, judges, marshals and postmasters shall keep out of politics.

This is just the kind of an order that should be issued whether it has been or not, and Congress should make provision for its enforcement. To give the president the appointment of such a vast horde and allow him to not only order their active participation in the securing of his reelection, but to contribute part of the funds received from the government for this purpose, as has been done so much in the past, gives the party in power such an advantage that it is well nigh impossible to dislodge it.

We hope President Roosevelt has issued the above mentioned order and we hope he will see that it is rigidly enforced.

YE editor and his beloved wife became the proud parents of a twelve-pound boy today at 12:20, and as a result of meeting the young stranger the DEMOCRAT-LEADER appears a little late this week. The arrival of a son, handling of a county convention and the auditor's annual report herein published, all in one week, is enough to delay any country paper; we therefore have no apologies to make.

The question before the voters is whether the senator to be elected next winter shall represent the people of Washington, or whether he shall be the representative of trusts, combines, mergers and monopolists.—Spokane Review.

GOV. ODELL, of New York, says removal of tariff will not kill trusts while President Roosevelt thinks such action would be most disastrous to these thugs and the people at large. How we do agree!

THE SEATTLE TIMES says the general election takes place November 8th. This is a very bad break for a much-heralded "only newspaper in the state" to make.

THE County Central Committee selected by the delegates at yesterday's convention will be published next week.

A Communication.

Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the brouchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. THE AX of toughest steel becomes dulled by constant use and must have a new edge if it is to do good work. Constant work dulls a man as does an ax, makes him sluggish of body and dull of mind. He needs a tonic something that will restore the keenness of mind and activity of body.

Dr. Pierce's Golden Medical Discovery puts new life into weak, worn-out, run-down men and women. It strengthens the weak stomach, purifies the blood, and effectively stimulates the liver. The whole body is built up with sound, solid flesh by the use of "Golden Medical Discovery."

"I was confined to my bed for four months from January 1st, 1899, and commenced to take your medicine January 26th, 1899," writes Mrs. Sallie L. Sheppard, of Poplarbluff, Mo. "I took eight bottles of Dr. Pierce's Golden Medical Discovery, four of 'Favorite Prescription,' two vials of 'Pleasant Pellets,' and one bottle of Doctor Pierce's Compound Extract of Smart-Weed, as a liniment. Indigestion, obstinate constipation, and hardening of the liver was my trouble. I am at this time able to do almost any kind of house work. Your medicine saved me from my grave. Thanks to you for the benefit. My case was hopeless when I began taking your medicine."

Don't be fooled into trading a substance for a shadow. Any substitute offered as "just as good" as "Golden Medical Discovery," is a shadow of that medicine. There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show.

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

WEEKLY CROP BULLETIN.

Summary of the Weather and Condition of Crops in All Parts of the State.

U. S. Department of Agriculture Climate and Crop Bulletin of the Weather Bureau, Washington Section. Week Ending Sept. 8.

The weather of the week was moderately warm, and favorable for harvesting and other farm work, as well as for ripening vegetables, fruit and hops. There were light showers in the western section on the afternoon of the 3rd, but there was scarcely enough rain to be of material benefit to pastures or potatoes and other late crops, which are in much need of moisture. There was no rain in the eastern section, although it was cloudy and threatening at times, and high winds did some damage to fruit, blowing it off and breaking trees.

The warm, dry weather has been exceptionally fine for tomatoes, melons and cucumbers, and there has probably never been so large a crop. Corn is now ready to cut in Klicikitat county. In other counties it has not done very well. The sugar beet harvest will begin in about two weeks. Hop picking will now begin in the earlier yards, and be general and under full headway in a week. The crop is a very promising one, and will be excellent if it can be picked before wet weather comes.

Potato digging is hardly begun yet, except in a few early fields. It is thought the crop will not be above average, and will fall considerably below expectations. Foggy nights and days with hot sun caused some blighting. Oat threshing is under way on the oat flats. According to reports the yield is below average, and there is more smut than heretofore.

The wheat harvest is practically over in Spokane, Walla Walla and Adams counties, but continues in the late districts of Whitman county. The yields are from fair to good in quantity and of good quality. It is, altogether, about an average crop, but not up to the high expectations that were formed earlier in the season. Fruit is turning out better than it was thought it would some time ago. The trees hang very full, although late apples are in many instances small.

Democrats in Convention

Continued from Page One.

Smith and Charles A. Wood was placed in nomination by Tom Trumbull. The ballot resulted: Wood, 16, Smith, 44.

Mr. Murphy in a strong and somewhat eloquent talk named A. A. Richardson for county attorney and the nomination was made by acclamation. Mr. Richardson thanked the convention and stated that if elected he would serve honestly and fearlessly and would conduct the office economically and to the best of his ability.

The office of superintendent was passed and that of surveyor taken up. E. A. Fitz Henry was given the nomination by unanimous vote, with the feeling manifest that he was a sure winnner.

Richard McDonnell then named Levi H. Cays, of Dungeness, for the office of county assessor, and Mr. Hallahan named Geo. Lotzgasell of the same place. Mr. Lotzgasell withdrew in favor of Mr. Cays and that gentleman was named by acclamation with considerable enthusiasm; it being believed that the voters of this county will never consent to being assessed by a boy, when a man of mature years, ability and a knowledge of values is before them,

Dr. Lewis was named against his will for coroner and Olaf Johnson was nominated for wreckmaster, both by acclamation.

A recess was then taken to allow the East and West End delegations to select their candidates for county commissioner.

Upon re-assembling the convention was thrown into a spasm of enthusiasm when the names of David Govan, of Dungeness and S. G. Tuttle, the veteran commissioner of the West End were announced as the nominees. Both these gentleman are certain of election, though both were named against their desires. The clamor for their nomination, by citizens irrespective of party, however, demanded that the men be named. The convention endorsed the nominations whoop

H. M. Eisher was then named for auditor but declined. Mr. Lotzgasell nominated Geo. Cameron of Dungeness, and he was declared to be the nominee.

For treasurer C. E. Nailor was placed in nomination by Mr. Richardson. The young man declined and Chas. A. Bork, city treasurer for two terms, was chosen.

Guy Lesure, of Beaver, was selected by acclamation as nominee for county clerk upon motion of Mr. Richardson.

For superintendent of public instruction—an office which should not be of partizan choice, but which our Republican friends insist shall be—Mrs. Victoria L. Trumbull, the retiring efficient clerk of this school district was chosen by a unanimous vote of the convention.

Thus the ticket was completed and the following were named for delegates to the state convention which convenes next Tuesday: F. Chambers, Sr.; Thos. Clark, J. Hallahan, M. W. Dunten, A. Henderson, Jno. Trumbull, H. M. Fisher, J. P. Christensen, T. J. Murphy, To save a vote the first two named withdrew and the other seven were chosen by acclamation, each one pledging himself to attend. No alternates were elected, but in the event of any delegate not attending the others were empowered to cast entire vote of delegation. Inasmuch as it has been recommended that the Joint Senatorial convention meet at Tacoma on same date, the same delegation was elected to act in conjunction with delegations from Jefferson and San Juan counties for the selection of a candidate for Joint Senator. The following resolution was presented by Mr. Richardson and adopted by the convention:

Resolved—That the Democratic County Central Committee be and is hereby empowered to fill any vacancy that may occur on the Democratic county or legislative ticket.

Members of the county central committee were then announced by the delegates of the various precincts.

The thanks of the convention was then tendered the chairman and secretary and gracefully accepted and the convention adjourned at 4:30 p. m. Immediately after adjournment the county committee met and named T. J. Murphy chairman and A. J. Cosser secretary, and the chairman was empowered together with the candidates to choose an executive and campaign committee of seven.
