The Democratic County Convention, which met in this city Saturday last as per call, was an harmonious affair and considerable enthusiasm was manifest. A good county ticket was named and there was considerable confidence among the Democrats present that a portion at least of the men nominated would be elected. Everything was unanimous and went with a whoop, with not a dissenting vote or a discording note, and each nomination was accepted with thanks where the candidate was present.

The convention convened in the council chamber promptly at 11 o'clock, chairmam Trumbull reading the call.

T. F. Trumbull was named temporary chairman by acclamation, A. J. Cosser temporary secretary likewise, upon motion of H. M. Fisher and L. Levy.

Upon motion of Jno. Trumbull the chair named the following committees:

Platform—Jno. Trumbull, Dr. Lewis, Dr. Hartt.

Credentials—H. M. Fisher, Dr. Mead, Lewis Levy.

Order of Business — A. J. Cosser, Geo. Cameron, Jno. Malchau.

J. Trumbull then moved that the convention adjourn until 2:00 p. m. to allow committees time to report. Carried.

Washington State Will Again Elect Dem. Governor.

State Convention a Business-Like Platform That Declares for Relief to Masses

The Democratic State Convention which convened in the city of Bellingham on Tuesday and adjourned at 11 o'clock that night, was characterized by harmony, enthusiasm and large numbers in attendance. All these were noted and commented upon after adjournment and the delegates left for their homes pleased with the result of their labors and with confidence that the ticket named would be generously recognized by the voters of Western Washington and will sweep the Eastern part of the state from Governor down. They confidently believe that they will elect the Governor and his lieutenant, the State Treasurer and a Supreme Justice, with a possibility of several others pulling through, despite the fact that the state has in the past four years elected Republican officials with the exception of governor. The platform adopted is short, but to the point and easily comprehensive, It deals with live local issues which the people of the state are now demanding shall be settled right. It reads:

We hereby endorse and ratify the nomination for president and vice president of Alton B. Parker and Henry G. Davis, and the platform of the national Democracy as announced by the St.

BLACK-DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCHELLE, GA., Jan. 30, 1902.
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent. better.

LANDS ARE RESTORED

Mayor Lewis Receives Word That City's Petition Is Granted.

The following letters relative to the restoration of certain lanos at the head of the bay to the public domain are self-explaining and will be read with interest. The lands, which are a very desirable portion of the ten-acre blocks to the west of the city open to purchase by anyone who will pay the appraised value placed thereon—$80 per acre—were set aside at request of city during the Bradley administration. Later it was thought very unwise to have fortifications so close to the city that in case of war would be more of a menace than a protection, and the departments were asked to restore these, and establish fortifications at Porcupine hill, just this side of Crescent, where the Straits are but nine miles wide. The vacation and restoration is ordered, but the question of fortifying the straits of Juan de Fuca seems to have been lost sight of.

The letters, read:

DEPARTMENT OE THE INTERIOR,
UNITED STATES LAND OFFICE,
SEATTLE, WASH., Aug. 3, 1904.

MAYOR OF PORT ANGELES, Port Angeles, Wash.,—DEAR SIR:—This office is in receipt of letter "G," of July 27, 1904, from the Commissioner of the General Land Office, transmitting a copy of decision by the Department of the Interior, dated July 14, 1904, revoking the order of temporary withdrawal of August 27, 1898, covering certain suburban blocks, and under his instructions I hand you herewith a copy of said order.

Very respectfully,
J. HENRY SMITH, Register.

DEPARTMENT OF THE INTERIOR,
UNITED STATES LAND OFFICE,
WASHINGTON, D. C., July 14, 1904.

THE COMMISSIONER OF THE GENERAL LAND OFFICE:—SIR:—On the 8th instant the Acting Commissioner reported on a petition from the mayor and citizens of the city of Port Angeles, Washington, for the restoration to the public domain of the lands in the city of Port Angeles, Washington, temporarily withdrawn from sale or entry on request of the Acting Secretary of War on August 25, 1898, pending a determination of the definite location of works of defence of Puget Sound.

The petition was referred to the Department by the Lieutenant-General, Chief-of-Staff, in absence of Secretary of War, who stated in the reference that the "War Department disclaims any authority over the supposed military reservation at Port Angeles, Washington."

In view of this disclaimer, the Acting Commissioner recommended that the order of August 27, 1898, temporarily withdrawing the blocks described in the report from entry be revoked, and that they be restored to the statue they were in prior to the withdrawal.

In compliance with the recommendation, the temporary withdrawal mentioned is hereby revoked and the lands are hereby restored to their status prior to the withdrawal.

I return herewith all the papers submitted with the report and direct that you issue proper instructions in the premises to the local land officers, and that you inform the petitioners of this action.

Very respectfully,
THOS. RYAN,
Acting Secretary.
