G.A.R. HALL AND LIBRARY

Commendable Effort of the Local Post.

A PUBLIC ENTERTAINMENT WILL

Be Given, the Net Proceeds of Which Will be Devoted to the Advancement of This Undertaking—Impressive Address by Capt. Thos. H. Bradley—Committees Appointed for the Management of the Entertainment.

Comrades of Pacific Post No. 48, G. A. R.; ladies of Pacific Corps No. 21, W. R. C. and members of Camp No. 28, Sons of Veterans, held a grand mass meeting on Monday afternoon last, at which everyone present displayed extraordinary zeal, enthusiasm and determination of a progressive character.

Post Commander H. M. Guptill occupied the chair and Post Adjutant C. B. Blake officiated as secretary of the meeting.

Addresses were made by Mrs. Malony, Mrs. Haynes and other ladies of the Relief Corps as well as by several veterans of the G. A. R., and by the Sons of Veterans.

By unanimous vote the assembly heartily seconded the previously laid plans of Pacific Post No. 48, to give entertainments, make and ask voluntary contributions at home, and solicit help from abroad in order to raise funds to establish and maintain in the city of Port Angeles, a building to be designated and known as the Lincoln Memorial Hall and Library, which shall be for the use, benefit and comfort of old soldiers, the Women's Relief Corps and the Sons of Veterans and for the use of their benefactors friends and successors.

Captain Thos. H. Bradley, U. S. Army, retired, made an impressive address. He said in substance, among other good things, that Pacific Post No. 48 was now incorporated under the laws of the state; that it has three trustees who have grave responsibilities and are in duty bound to have charge of and account for any and all property of the post, real, personal and mixed, including funds; and whatever reached the possession of these trustees, whether derived from donations of articles, however great or small, or from profits of entertainments, or from voluntary contributions of money, which would be acknowledged as received, all receipts—save purchase of necessary petty expenses—would be sacredly applied to the work of establishing and maintaining the hall and library; that the most wealthy men of the world attempted to perpetuate their names by having them inscribed on huge toombstones, on plate glass windows of churches, on marble columns in public halls, and in various other ways devised by skilled lawyers drawing wills for large fees; that expensive tombstones would crumble and decay, that private undertakings for perpetuation of names would end, but that in erection of chairtable institutions, or great public beneficial works the names of men and women were booked in history and placed on the shelves of libraries where they would live until time shall be no more; that the most humble citizen and artisan as well as the most exalted of our day and generation, here and now had a chauce to set his or her name upon a record by his or her becoming a contributor or a co-worker in this undertaking for that name in these records would live as of a public benefactor and would shine in history far ages to come, because the work would not die with the last veteran soldier of the G. A. R., the last of the Relief Corps or the last of the Sons of Veterans, but would go on as a hall and library in Port Angeles which the Act of Congress of 1863, said was destined to be a great centre of population.

The assembly agreed to give a grand ball and supper at the opera house in Port Angeles, on Wednesday evening, November 15, 1893, to raise funds to advance this enterprise—the supper to be of the soldier's ration of hard tack, beans, and black coffee and any chicken fixings the refreshment committee decided upon—and the price of ticket (including ball and supper) to be for each lady 25 cents and each gentleman 50 cents, the free list to be suspended for all, including managers and committeemen, everyone to purchase a ticket or stay out in the cold.

The assembly appointed committees and adjourned to meet Saturday next at 2 o'clock p. m., the committees being as follows:

1. Advertising and Printing—Messrs. Bryant, Banks and Mrs. Haynes.
1. Refreshments—Mrs. Bryant, Mrs. Armbrust and Messrs. Armbrust, Richard, Fowler and McFarland.
3 Hall and Rooms—Messrs. Guptill, Doty and Fowler, Jr.
4. Transportation—Messrs. Orin Mason, Frank Chambers, Sr., and Edwin Phelps.
5. Decoration—Mrs. Place, Mr. Phelps and Mr. Ed. Hoove and R. J. Fowler.
6. Music and Programme—Miss Sarah Chambers, Miss Cora Umer, Mr. Sydney Bradley and Mr. Buchanan.
7. Floor—Messrs. Ralph Mathews, Edwin Phelps, W. A. Gay and Ed. Hoove.
8. Reception—Messrs. Fowler, Jr., Lloyd Doty, E. W. Merrill, Mrs. Mathews, Miss Lila Bowman and Miss Ellen Hoove.
9. Doorkeeper—Messrs. Hill, Doty, J. G. Banks, C. B. Blake, Decker, Derickson, Kellogg and Mr. Boland.

PUBLIC ENTERTAINMENT.

Grand Ball and Supper to be Given by the G. A. R. and Auxiliary Societies.

Next Wednesday evening, the 15th inst, the G. A. R., the W. R. C. and the S. of V., will give a grand ball and supper at the opera house in this city. The net proceeds from the entertainment will be devoted towards the establishment of a Lincoln Memorial Hall and Library.

The price of admission, gentleman, including lady will be only 75 cents. Excellent music has been engaged, and a delightful evening's pastime is anticipated. A general invitation is extended.

IT INCLUDES MINORS.

Question of Interpretation Regarding Port Angeles Townsite Lots.

Captain W. D. O'Toole, register of the United States Land office, recently asked United States Attorney W. H Brinker for an opinion in regard to allowing minors to prove up on the lots in Port Angeles, which they have improved and on which they have established their residence. Captain O'Toole when recently approached on the subject by a Seattle Telegraph reporter, said:

"There are quite a large number of minors, young men and women, who have built houses and made improvements on the lots on the reservation, under the representation by parties having their fullest confidence, no doubt, under the wording of the statutes relative to the title to the lots, that may be entitled to make improvements, establish their residence thereon and prove up. These people have spent from $50 to $500 on these lots and I have received many communications as to whether I should accept their filings or not. The statute governing this case uses the words 'any person' and I was inclined to think that it meant persons of legal age. However, my sympathies are with these people and I referred the whole matter to Judge Brinker and he returned me this opinion. I have made up my mind not to reject but simply to suspend these final proofs for people under age and tornight I have written a letter to the honorable commissioner of the general land office setting forth the hardships which would have to be endured by these people in case their proofs were rejected. I strongly recommended to him that these parties be allowed to obtain a title to the property upon which they have made improvements and established a residence. I am of the opinion that the commissioner will so decide, though, of course, I am not positive."

The opinion of Judge Brinker in full is as follows:

Captain W. D. O'Toole, Register U. S. Land Office, Seattle, Wash.—Sir: Reprying to your inquiry as to who are included within the meaning of the word 'person' in the act of congress allowing the purchase of additional lots in the townsite of Port Angeles, Wash., (27 Stat. 369), I will say that I am of the opinion that it includes all persons who are capable of making and maintaining a residence and improvements as required by the act, whether male or female, adults or minors. In the absence of a statutory defination, or limitation, other than found in Section 1 of the revised statutes (ed., 1878) of the word under consideration, I can see no good reason for limiting that word to such persons only as are in law capable of contracting, i. e., adults. There are no contractual relations intended to be established between the proposed purchaser and the government out of which questions of the power of the purchaser to bind himself or herself may arise, but the sole purpose of congress seems to have been to bestow a bounty, or a quasi bounty, upon the purchaser, and I can imagine no good reason why the recipient of a bounty should possess the legal qualifications of a person capable of contracting. A minor may take and hold property by purchase, devise or decent from a naturul person. There seems to be no good reason why he may not have from the government.

Very Respectfully,
WM. H. BRINKER,
U. S. Attorney.

The Band Concert.

The concert given last Saturday evening by the Gate City Band at the opera house, was quite largely attended, and for the most part meritorious. The program published in THE DEMOCRAT-LEADER was produced without change.

THE DEMOCRAT-LEADER regrets exceedingly that a rush of final proof publications forbids the extended mention the concert justly deserves.

A Resolution Introduced Providing for the Payment of Street Improvements Assessments With City Certificates—The Surveyor's Report—Bid for Electric Light Bonds—A Communication Received From the Mayor.

At the regular meeting of the city council last Wednesday evening the mayor being absent Councilman Krueger was called to the chair. Councilmen Krueger, Rose, Beam, Metcalfe, Ristine, Carver and Reed were present.

The following report from the city health officer was read by the clerk:

PORT ANGELES, WASH., Nov. 7, 1893.
To the Mayor and Common Council of Port Angeles:

GENTLEMEN: I submit the following report in the case of Nina Pearl Stoops, daughter of D. F. Stoops. I was the attending physician. There was a fracture of the right arm close to the shoulder. It did as well as could be expected for a fracture at that place. The patient was discharged in about five weeks. The care, anxiety and nursing of the child caused injury to the mother's health, from which she has not yet recovered.

W. W. MCGEORGE, M. D.,
Health Officer.

The foregoing report of the health officer was received and filed.

The following communication was read:

PORT ANGELES, WASH., Oct. 30, 1893.
To the Mayor and City Council Assembled:

Hearing that you were considering clearing land for cemetery purposes, I hereby offer you one or two acres of land already cleared at $200 per acre, two miles east of town with good roads to it; or if the city would rather buy as required, they may have it at $5 per lot, cleared and graded, as I am now clearing land to lay out a cemetery on my place.

Respectfully submitted,
W. W. MALTBY.

The above communication was filed and referred to the health committee.

Councilman Beam introduced the following resolution which was laid over for one week.

Provided, Said payment or payments are made in the amounts of ¼, ½, ¾ or all of said tax on or before July 1st, 1894; and the city treasurer is authorized and directed to receive from said county treasurer and ex-officio tax-collector, said warrants and certificates of indebtedness in settlement of all of the above named taxes when properly presented to him; and the proper city official is authorized and directed to receive city certificates in one-half payment of all saloon licenses now in force when same is renewed; and in full payment of all commercial lights in said city. All books and records of every kind, and receipts given under authority of this resolution shall show that payment (or part payment) was made by arrants or cerificates.

The following telegram from M. J. Carrigan was read:

NEW YORK, Nov. 3, 1893.

The clerk was instructed to write Mr. Carrigan that the city was not ready as yet to dispose of its light bonds for eighty-six cents.

CAN NOT ACCEPT.

The Secretary of Agriculture Does Not Favor Establishing the Precedant.

Quite a number of prominent citizens have persistently urged that Mr. Wm Bell permit his name to go before the citizen's convention, for the mayoralty. The latter had, however, steadfastly declined, partly for the reason that he believed it might seriously interfere with his duties as clerk of the weather bureau, the policy of the government not being favorable to its employes participating in the affairs of politics.

Feeling deeply interested, however, in the material interests of the city, and to evidences unmistakably appreciation of the honor shown him, he agreed to bring the matters to the attention of the Honorable Secretary of the Interior and if no objections were urged against his acceptance of the nomination, he then would consent to his name going before the convention.

Agreeing thereto the following telegram was sent to Secretary J. Sterling Morton, Department of Agriculture, Washington, D. C: Am offered office of mayor. No salary. May I accept.

WM. BELL.

The following is the printed reply:

WASHINGTON, D. C. Nov. 8, 1893.
Wm. Bell, Port Angeles, Wash:

There is no objection to your acceptance, but a precedent will be thus established which can but demoralize the service. Use your own judgment. Mine is adverse. But you are a free man.

J. STERLING MORTON,
Secretary.

The foregoing telegram positively settles the question. Mr. Bell is not a candidate for the mayoralty. The consideration and kindly interest of his friends is none the less appreciated however.

Nearly All Proving Up.

During the past week sixty squatters a day made final proof upon their lots, establishing their right to purchase at the appraised value, says the Post-Intelligencer of Monday. For the next thirty days from forty to sixty proofs will be taken regularly. The proofs are taken by County Clerk Richardson and Court Commissioners W. R. Gay and H. E. Lutz. These officers state that although it was estimated that not more than 60 per cent. of those that advertised would be able to make their proofs owing to the hard times, yet it is found that fully 95 per cent. are coming forward with their proofs, getting the money from one source or another. All proofs must be completed by January 1st next, at which time the remaining portion of the townsite will be sold at public auction by the register and receiver of the Seattle land office. Already much interest is being taken in the public sale, and it is expected that it will attract a large number of capitalists, as more than 1,000 acres will be sold, besides many lots and blocks, all well situated and valuable.

A Pound Party.

The Rev. J. M. and Mrs. Baxter, of the 1st M. E. Church of this city, were the recipients of a "pound" surprise last Saturday evening, a large number of the members of the church and friends of the pastor and his wife gathering at the latters home, leaving substantial evidence of their kindly remembrance.

These visits must certainly be appreciated.

Petty Jury Impanelled.

The following list of petit jurors for the fall term were selected last Tuesday by Sheriff Morse, County Clerk Richardson and County Auditor Troy:

Jas. Burrows, Jas. W. Hooker, William Carpenter, A. Meyers, M. Albright, Thos. Eacrett, Frank Gestring, Chas. W. Dennett, S. G. Tuttle, John Place, Frank P. Bonney, Ben Crockett, R. T. Smith, D. Ferguson, Ray T. Haynes, Richard Bennett, Ed. Herrick, B. F. Stoops, D. Campbell, M. E. A. Lasley, John Morresey, W. S. McLaughlin, E. H. Foster and George Meyers.

The U. S. Commissioners, Gay and Lutz and County Clerk Richardson, have been authorized by Receiver Lyons to accept Northern Pacific money orders, in payment for reserve lots. These orders can be obtained from J. H. Young the agent of the company. The cost being less as well as the time consumed in obtaining them. They are preferable to Postoffice orders.

CTTY POLITICS AGAIN.

Citizens Take Steps to Nominate City Officers.

THE NOMINATING CONVENTION

Will be Held on Saturday Evening, November 18th,—Mayor, Five Councilmen, Clerk, Treasurer and Marshal to be Elected—Unusual Interest Already Being Manifested.

The municipal election is slowly but surely approaching. It will occur on Tuesday, the 5th of December.

Because of the fact an unusual amount of interest is being awakened over the available timber for the various offices to be filled, four of which are salaried, and the possibilities of the candidates offering.

The proclamation issued provides for the election of a mayor four ward councilmen, a councilman-at-large, clerk, treasurer and marshal, the latter three being salaried offices.

As a matter of course the salaried offices develop a greater number of aspirant, and intenser rivalry for the nomination. There will doubtless be two tickets in the field, the citizen's and populist's.

Last Saturday evening a mass convention was held in the old council chambers pursuant to call, for the purpose of taking initial steps to nominate a citizen's ticket.

The meeting was called to order by Mr. Horace White.

Mr. Donald McInnes was elected chairman and Mr. R. A. Grimes, secretary. It was the expressed sentiment of the meeting that a citizen's ticket be nominated for the city election which will be held in this city Tuesday, December 5th, 1893.

It was declared the sense of the meeting that a call be issued for primaries to be held in each ward next Saturday evening at 7:30 o'clock, polls to remain open one hour, for the election of delegates to a general convention, that six delegates be allowed from each ward, provided that if only the Republican and Democratic parties take part in such ticket, the representatives must consist of three Republicans and three Democrats.

It was decided that the time for holding convention of delegates be set for November 18th, 1893, at 7 o'clock p. m.

It was resolved that each ward nominate its own councilman at the primaries and report the nominee to the convention. The meeting adjourned.

There will be two hold over councilmen from the Sixth ward and the First ward.

File Without Delay.

All claimants who have not already done so should file without further delay, as there is certainly great danger in longer delaying this important matter. All final proofs of publication should be in the printing office not later than the 24th of the present month, consequently claimant takes desperate chances if he delays filing later than the 17th inst. So file at once.

THE ELECTION.

There was not much encouragement for Democrats in the result of Tuesday's election; yet there was naught that should discourage.

There are many apparent causes for the result, which was not, as a matter of fact, except in McKinley's large majority in Ohio, a triumph for the Republican party in any of the states. It must not be forgotten that last fall, when Harrison was so badly beaten in the country, that he carried Massachusetts by over 26,000 majority and Iowa by more than 22,000. These appear to be about the size of the majorities given the Republicans on the 7th inst. Both Massachusetts and Iowa have always shown themselves to be Republican states on National issues. The personal strength of Governor Russell has alone carried the state against Republican odds in Massachusetts.

This year the Republican candidate for governor was a man equally popular with the Democratic candidate and the result was a Republican majority.

In Iowa, the hope of the Democratic party was the popularity of Governor Boies and the unsavory record of the Republican candidate together with the party's position on local issues would out-weight the Republican majority of 20,000 or more in the state. In this they were disappointed and the returns indicate that Republicans in Iowa voted their ticket.

In New York, no one pretends to call the result a party victory. It was a defeat for a man who should never have been nominated for any office and a rebuke to "machine" politicians.

The leading Democratic papers of New York supported the Republican ticket with all the energy at their command. The Democratic lawyers in New York city denounced Judge Maynard and heartily supported Judge Bartlett, who lead the Republican ticket. The issues in New York were purely local. There is no reason in the world to doubt but that New York would again register herself as Democratic on National issues were the opportunity afforded.

In Ohio the result was a one on which Republicans can well afford to congratulate themselves, as the campaign there was more or less fought on National issues. However, the issues that presented themselves and a full advantage of which the Republicans took, were there, as elsewhere, to a great extent transitory, and in all probability will not appear in the campaigns of next year.

The "hard times," the recent great fight within the Democratic party with the unsettled condition of the policy of the Democrats for a great part of the campaign unquestionably all played their part in the result. All these, with the many heatburnings resulting from the scramble for office under the administration and with the general unrest of the times counted against the Democrats.

There is nothing at all in the result of the election that should in the least discourage the administration.

By the time another campaign rolls around, the Democratic policy will have been firmly established. The tariff, which had been lost sight of for the time being, and which played an unimportant part in the election of this week, will have again become the one great issue, and there is nothing to fear from the result if it does. There is every reason to believe that the congress will remain Democratic in both branches throughout Mr. Cleveland's adminstration and that Mr. Cleveland will be succeeded by a Democrat.

THE Tribune is mistaken, the DEMOCRAT-LEADER has anticipated the election of McKinley as governor. What we do say is that McKinleyism is doomed, and if Ulmer will keep tab on the congressional record he will have opportunity to measure the correctness of the prediction.

REVIEW OF THE FIELD.

City politics is becoming the cheif topic of local interest. Tomorrow evening the "citizens" will choose delegates in each of the wards to a convention to meet one week from that day at the city hall for the purpose of nominating a city ticket. The near approach of the time for these proceedings has as usual developed candidates in plenty for most of the offices. The chief interest so far seems to center in the clerkship, for which Mr. C. K. Humphries, the gentlemanly and efficient incumbent, is a candidate for renomination. In this Mr. Humphries is just finishing his second term, and he leaves a record that is creditable both for the efficiency and for the ever courteous bearing of the gentleman. His renomination is contested by A. C. Hatfield and R. A. Grimes. Both of these gentlemen are well-known and are capable. From present appearances the fight seems to lay between Mr. Grimes and Mr. Humphries as Mr. Hatfield certainly appears to be third in the race. Of Mr. Grimes it may be said that he would make a good official, being a man well qualified for the duties of the office, and one having all of those affable and gentlemanly qualities that go into the make-up of the popular official. Mr. Humphries and Mr. Grimes are Democrats and Mr. Hatfield is a Republican.

For the city attorneyship, F. O. Lamoreux stands first. He will certainly receive the nomination unless there is a radical change in the situation. Mr. Lamoreux is popular and is possessed of the qualifications necessary for the city attorney of this young municipality. He is a bright young lawyer, industrious and ambitious to merit the good will he has earned since becoming a citizen of this city. However, it is three weeks until the election and other candidates might develope ere that time. Mr. Lamoreux is a Democrat.

Mr. Horace White, thus far, seems to have the fight for the treasurership nomination all his own way. Mr. White is secretary of the Republican county central committee, and is a gentleman of splendid abilities. He would make a good candidate. But life is full of disappointments and surprises—especially so political life—and who can tell that the unexpected will not happen in the treasurership?

For the marshalship Mr. C. W. Cook, Mr. Ben Chambers and Mr. W. D. Stivers are mentioned. All are well known and any one of them would make a good officer. Mr. Cook is at present on the police force and has made a remarkably good officer. Mr. Chambers is a constable and is a good official. Mr. Stivers has served creditably in the capacity of city marshal before. Of these Mr. Cook is a Democrat and Messrs. Chambers and Stivers are Republicans.

There is a number of names mentioned in connection with the mayorality. Amongst others, we may mention E. H. Foster, Wm. Bell, James Stewart, John Dyke, W. C. Garfield and Edward Metcalfe. Messrs. Bell and Metcalfe are Democrats and the others Republicans.

They are all representative citizens and any one would make a good mayor.

George W. Meagher, Jas. Stewart and Jas. Meagher are spoken of as candidates for councilman-at-large. The first mentioned is a Democrat and the others are Republicans. All three are men of large business experience, up-right character and worthy of public confidence and trust.

Space permits us to but mention those spoken of for ward councilmen as follows:

Second ward—Edward Metcalfe, the present councilman, Louis Rockman, George E. Fisher, Jas. F. Meagher and Donald McInnes.

Third ward—John Reed, present councilman, C. M. Raymond, C. L. Babcock and N. R. Smith, present mayor.

Fourth ward—John Rose, present councilman, Wm. H. Smythe, William Banks and Charles E. Gay.

Fifith ward—J. E. Beam, present councilman. P. J. Williams, James Fitzgerald and Charles O'Neill.

At the present time it is not anticipated that the Democratic or Republican organizations will take any part in the election, but it is thought the individual members of both these parties will act with the citizens movement. This latter has invited the members of all parties to act with it, but it is not anticipated at this time that the Populists will act with it as they seem to think they can carry the city by themselves.

The Populists have called primaries for November 18th, and a convention for the 20th inst.

THE SOUTH ALL RIGHT.

Despite all rumors as to a new love, the South has again shown her affection for the Democratic party. Further, there seems no doubt but that the administration will receive the endorsement of the South at the first opportunity it has to show its colors.

The result in Virginia and Kentucky were both administration victories. In Kentucky either Congressman McCreary will be chosen senator or Senator Lindsay will be re-elected—probably the latter, but no matter which way it goes, they are both warm friends of the administration. In Virginia the result will be the same.

Every Southern state will vote for the next Democratic candidate for president as they have since the carpet-baggers carried them for Grant in 1872.

Are Your Children Subject to Croup?

If so you should never be without a bottle of Chamberlin's Cough Remedy. It is a certain cure for croupe, and has never been known to fail. If given freely as soon as the croupy cough appears it will prevent the attack. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this remedy in large and frequent doses, as it contains nothing injurious, 50 cent bottles for sale by J. C. Hansen, the Fisher Pharmacy.

The Best Plaster.

Dampen a piece of flannel with Chamberlain's Pain Balm and bind it on over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying flannel bandage dampened with Pain Balm. 50 cent bottles for sale by J. C. Hansen, The Fisher Pharmacy.

COUNTY NEWS.

Interesting Paragraphs Gathered From the County Press.

Beaver-Leader:

Postmaster A. G. Collins called on the Leader this week. Mr. Collins has the contract for rolling logs out of the Port Angeles-Quillayute road and will begin work on the same in a few days.

Messrs. Garland, Eihelzer and Cable, among other Solduck nimrods, have had rare luck lately. They have succeeded in getting several elk, bear and other game, and report large herds of elk on the "burn" and along the valley of the Calawa.

Messrs. L. W. Cable and Hermann Kopp returned today from the vicinity of Pysht where they have been hunting for several days. They found game plentiful, and bold in their eagerness to bag a good supply, lost their bearings and for four days didn't know where they were. However, they got out with several elk and other smaller game.

School District No. 33, in the upper Solduck settlement, was recently organized and officers elected. The directors are Messrs. I. E. Franklin, W. F. Hopkins and D. D. Vail. Mr. I. W. Garland was elected clerk. Better men for these offices could hardly have been selected, and, without seeking to pose as punsters we may say that the district's welfare will fare well under their efficient management.

The world's fair is over. Now let the tide of immigration from the east begin. Clallam county has the greatest area of government land yet open to the homeseeker and we should obtain a large percentage of the new comers. For soil and timber Clallam county cannot be surpassed anywhere in the Puget Sound country. The Quillayute has thousands of acres waiting for the settler to come. Uncle Sam's domain is getting limited, and the homesteaders must soon find location or they will lose their opportunity.

A Favorite in Kentucky.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the last twelve years, says: "Chamberlain's Cough Remedy gives better satisfactien than any other cough medicine I have ever sold." There is a good reason for this. No other will cure cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in case of whooping cough. For sale by J C Hansen, the Fisher Pharmacy.

Womankind.

Has won its fame because it deals with what really interests the women of America.

It leaves the discussion of the great questions of religion and politics to other papers, and fills its pages with practical articles regarding home life, how to live delightfully yet economically.

Its Fashion Department is complete—the work of experienced editors—and profusely illustrated, but it deals with fashions suitable to the homes of women of artistic tastes and modest incomes. Its stories are bright and inspiring. It is full of hints for the self-supporting woman, and aids those who seek to add to their incomes by brain or hand.

Elizabeth Cherry Haire is the editor, and the contributors number many of best writers known to the American press.

This paper will be sent free of charge to all paid-up subscribers for one year to the DEMOCRAT-LEADER.

Invalids should remember that the causes of sick and nervous headache may be promptly removed by taking Ayer's Pills. These pills speedily correct irregularities of the stomache, liver and bowels, and are the mildest and most reliable cathartic in use.

Perhaps some of our readers would like to know in what respect Chamberlain's Cough Remedy is better than any other. We will tell you. When this remedy is taken as soon as a cold has been contracted, and before it has become settled in the system, it will counteract the effect of the cold and greatly lessen it's severity, and it is the only remedy that will do this. It acts in perfect harmony with nature and aids nature in relieving the lungs, opening the secretions, liquefying the mucus and causing its expulsion from the air cells of the lungs and restoring the system to a strong and healthy condition. No other remedy in the market possesses these remarkable properties. No other will cure a cold so quickly. For sale by J. C. Hansen, The Fisher Pharmacy.

PRICE LIST.

November 1. **COOPER & LEVY** Seattle, Wash

TO OUR OUT-OF-TOWN PATRONS:

Order what you want by letter We ship the Groceries by rail, by boat or any way desired No greater aid to buy Groceries *at the very lowest rates* has been devised than our order system. Persons living out of town can not always find time to visit the city when in need of goods. In addition to this loss comes the important item of *expense.*

YOU MAY LIVE FIFTY MILES FROM HERE OR FIVE HUNDRED.

It is immaterial. You can sit quietly at home, making your selection, depending upon getting the best goods at the lowest prices. Every article that you order is sold at the same price as if you were purchasing personally at our store.

HERE'S A DELUSION WE DESIRE TO DISPEL.

Some intended purchasers may have an idea that the freight adds materially to the cost. This is a mistake Your local merchant must pay his freight (his groceries don't fly to him) and he pays the same rate as you do.

IT IS A WELL-KNOWN FACT

That owing to our being among the largest cash buyers we receive the benefit of constant bargains—these our customers share—consequently we sell Groceries for less than the ordinary dealer pays for them. Buying from us, even after adding the freight, *still means a saving of fifteen to thirty cents on every dollar.*

THIS IS THE TIME OF YEAR WHEN YOU ARE LAYING IN SUPPLIES.

Therefore it will pay you to compare our prices and order from us.

TERMS—All orders must be accompanied by cash. Remittances can be made by express, money order, postal note or registered mail.

☞ N.B.—Send no checks on interior banks. We can only use checks on Seattle banks and cannot end out goods unless these terms are complied with.

SPECIAL NOTICE—Send your full name and address with proper shipping instructions. Send all remiitances direct to the house, as we have no traveling agents. WE MAKE NO CHARGE FOR PACKING OR DELIVERY TO RAILROAD STATION OR WHARVES.

We quote only a few articles, and will cheerfully furnish prices on anything in the grocery line. Reference, Dexter, Horton & Co., bankers, Seattle, and Scandinavian-American Bank, Seattle.

Our Best—This is the name of a brand of Baking Powder put up expressly for us—It is the very best baking powder that money and brains can manufacture. We claim it equal to the "Royal" or "Prices" and offer it for much less money. In place of spending thousands of dollars in advertising, and adding this cost to the price of the Powder, we have decided to introduce it among our customers. Royal and Prices baking powder are first-class, still these people spend hundreds of thousands of dollars in keeping their names before the people. Who do you suppose pays for all this? You and everybody who buys their powder. Try a can of OUR BEST POWDER in your next order; if it is not fully as represented return it and we will cheerfully refund your money. Compare these prices with Royal and recollect what we say regarding the quality of OUR BEST BAKING POWDERS. Full weight—guaranteed.
