TRADE AND SHIPPING.

Review of Seattle Market for the Past Week.

BUT FEW CHANGES IN PRODUCE.

Hops Weaker and Wheat Firmer — Eastern Butter Cheaper — Oranges Advance— Clearing House Balances.

SEATTLE, April 6, 1894.

Exchanges at Seattle, Tacoma and Portland clearing houses to-day were:

	Clearances.	Balances.
Seattle	$145,925.36	$47,190.06
Tacoma	80,756.00	17,389.00
Portland	243,000.00	90.000.00

The prices of agricultural products have remained almost unchanged during the week. Hops have declined slightly, and wheat for milling purposes is quite a little firmer, although there is no change in the export situation.

Potatoes, hay, grain and feed are sold at the same prices as last week, although there is a wide margin in the price of potatoes, on account of the large quantity of stock in the market, much of which is poor.

There is a decline of 1 cent per pound in Eastern butter, and the dairy market is generally weak.

Eggs have gone down 1 cent per dozen since last week, and the best ranch stock now brings but 13 cents at wholesale.

In fruit oranges have been advanced while apples have weakened, except for fancy.

The changes in vegetables are in green goods, which are generally lower. Asparagus, now sells from 8 to 10 cents, green peas at 6½ to 7 cents, and pie plant from California rt $1.25 per box. Shipments of these goods from Calffornia are increasing rapidly.

FAREWELL RECEPTION

Tendered Mr. and Mrs. Ed. Campbell on Eve of Their Departure East.

Last Monday evening a number of the particular friends of Mr. and Mrs. Ed. Campbell, of this city, tendered them a farewell reception in the Link building, on Front street extension, on the eve of their departure for their future home in Perry, Iowa.

The evening was most delightfully and pleasantly spent with dancing, which continued uninterruptedly until a late hour. Sincere regrets were expressed that Mr. and Mrs. Campbell found it to their advantage to remove from Angeles, and it was the express wish of all present that the change would prove advantageous to both.

Those present were: Mr. and Mrs. D. E. Campbell, Mr. and Mrs. Otto Shields, Mrs. M. Courteny, Mrs. M. Taylor, the Misses Jennie Crockett, Maggie Fend, Maude Wrigley, Julia Ferguson, Minnie Hoole, Agnes De Morris, Zoa Shields, Messrs. J. A. Wilson, S. A. Hall, Frank P. Fisher, Morris Fisher, Chas. Beam, Ed. Hatch, Jos. Myers, B. C. Keller and H. R. Pringle.

An Excellent Program.

At the last Monday evenings' meeting of the Minerva Society quite a large attendance was present and an excellent program was produced.

Quotations were from "The Tempest."

A valuable and what proved to be an intensely interesting paper on meteorology was read by Mr. Wm. Bell.

A biographical sketch of Elizabeth Barrett Browning was read by Mrs. Jenkins, and very keenly appreciated by members.

Mrs. A, N. Taylor read one of Elizabeth Barret Browning's choicest productions in a very creditable manner.

A recitation by Mrs. Geo. W. Meagher was warmly applauded, the rendition of which was really meritorious.

Who Says Rheumatism Can Not Be Cured

My wife was confined to her bed for over two months, with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regular she was soon able to get up and attend her house work. E. H. Johnson, of C. J. AFFAIRS OF THE COUNTY

Two Voting Precinct Established in the West End.

OUTSIDE ADDITIONS VACATED.

New Road District—Jefferson Wants to Assist in Connecting the Inter-County Road—Taxes Refunded That Were Illegally Assessed—Important Road Matters Considered and Reports of Road Supervisors Examined and Approved.

The board of county commissioners met last Tuesday morning, with Chairman O'Brien, Commissioners Knapman and Geo. Lamb and Clerk John W. Troy present.

Geo Winters appeared before the board and asked a reduction in the assessed valuation of his land in section 17, township 30 n, range 5 west. After due consideration the board decided that no action could legally be taken at this time.

The matter of the petition for the vacation of plats of additions to the city of Port Angeles was set for hearing Thursday afternoon at 2 o'clock.

The clerk read communications received from the provincial secretary of British Columbia with reference to the petition of the county commissioners and other county officers, which were placed on file.

A communication was read from the auditor of Jefferson county, notifying the commissioners of this county that Jefferson county had completed a road from the head of Port Discovery bay to the Clallam county line, and expressing willingness of said county to co-operate with Clallam county in connecting it with the Clallam county road. It was ordered by the board that, whereas, the county of Clallam, more than two years ago, at a great expense, completed a road to the Jefferson county line, therefore this county has fulfilled its duty, and it was the sense of the board that Jefferson county should stand the expense of making connections.

The claim of Henry Lesure for work on the Lesure road was allowed and ordered payed in warrants on the general road fund.

The claim of Richard S. Vickery and Charles M. Truitt for a reduction of the assessed valuation of certain lands in township 30 north, range 6 west, and for a rebate on taxes paid on land in said township, was rejected on the grounds that the board had no authority to reduce the valuation of property after the board of equalization had completed its labor.

WEDNESDAY.

Henry Maguire and E. R. Gerhke appeared before the board and objected to the location of the Geraghty road, and requested that the board authorize the county surveyor to locate same. As the county surveyor had already located the same, the request of petitioners was refused.

It was ordered that the county treasurer be directed to return the taxes assessed for 1891 against certain lands in township 30 north, range 6 west, as final proof had not been made until September 18, 1891.

The treasurer was directed to refund taxes paid upon improvements assessed against property in township 30, the land in question belonging to Fred Roberts, it having been proved to the satisfaction of the board that such improvements had not been made upon the tract of land in question.

The board examined and approved the reports of a number of road supervisors.

The matter of the claims of Pat Carragher was laid over until the next meeting, and the auditor was directed to obtain affidavit from said Carragher as to the payment of his full taxes.

THURSDAY.

It was ordered that the treasurer refund to Henry Landes the taxes assessed against improvements on lot 7, block 16, N. R. Smith's subdivision for 1893, as said property belongs to Frank McGill, said money, however, not to be refunded until said Landes returns to the county treasurer his receipt for the same.

Hoko Falls voting precinct was ordered established, as follows: The territory bounded as follows: The N ½, tp. 31, r 13 w; E½, tp 38 n, r 14 w; and east four miles of tp 30 n, r 14 west, the polling place to be at the residence of L. W. Adams.

Road district No. 42 was ordered established, bounded as follows: All of tp 31 n, r 10 w, and the N½ of tp 30 n.

L. E. Murphy was appointed supervisor of road district No. 42.

Lewis Levy having given the required notice according to the law for the vacation of a certain addition to the city of Port Angeles, known and designated as Smith & Holcomb's addition to the city of Port Angeles, and it appearing to the board that said Levy owned the addition aforesaid, and that it had not improved, and no objections having been filed to the prayer of the petitioner, it was granted and the addition was declared vacated.

Robert Wingate having given notice according to law for the vacation of an addition known and designated as "Croft's Addition to the City of Port Angeles, and having provided good and substantial reasons why said addition should be vacated, and there having been no objections filed against the vacation of the same the commissioners hereby declare the said Croft's addition vacated.

Suez voting precinct was created, and is bounded as follows: All of township 42, ranges 15 and 16 west. The voting place will be at the Suez postoffice.

W. R. Hoole appeared before the board in the interest of citizens of road districts Nos. 27 and 34, and requested an appropriation for the opening of the Port Angeles-Quillayute road. After consideration of the matter the board decided to lay the matter over.

COUNCIL NOTES.

Mayor Refuses to Sign Cemetery Ordinance—Then Council Withdrew It.

Ordinance No. 209 which provided for the removal of bodies in the old cemetery by May 1st next, was withdrawn, the mayor refusing to sign it, until it was definitely determined whether or not the general government would donate a tract of land in townsite reservation for cemetary purposes.

The action of the city treasurer in remitting to New York money to meet the interest due upon the city's bonds, light series 1, was approved by the council.

Ordinance No. 207, providing for an agreement between the Port Angeles Water Company and the city of Port Angeles, after being amended, was laid over until the next regular meeting.

The nature of the agreement is that the city shall obligate itself to take water exclusively from the aforesaid company for city purposes for a period of ten years at $5 per hydrant, said rate to obtain throughout that period, provided, however, should the city of Port Angeles construct water works, above ordinance to be null and void.

The manager of the electric light plant was instructed to file with the clerk his statement showing receipts and disbursements for each month.

The Superior Court.

The case of B. F. Van Lehn et al vs. S. G. Morse et al, came on for trial last Monday in the superior court. A motion was introduced by attorneys for the defendants to either abate or suspend action which was taken under advisement by the court. The jury was discharged until the 24th inst., unless otherwise notified by the court.

A Large Amount of Bacon.

Last week Mr. Geo. Lotzgasell, of Dungeness, was the victim of a bacon theft, the culprits succeeding in getting away with six hundred pounds of this thrifty farmer's choicest bacon. Mr. Lotzgasell has not as yet apprehended the thief or theives, but has, doubtless, strong suspicions as to whom the guilty parties are.

THE BURLINGAME STEAL

Further Developments of this Fraudulent Contract.

DISCLOSES THE STARTLING FACT

That the County Was Defrauded Out of $5,282.84 in the Middle Division, This, Together With $6,677.46 Stolen From the Western Division, and the County Was Relieved of the Princely Sum of $11,960.30.

Five Thousand, Two Hundred Eighty Two Dollars and Eighty-four Cents.

That is the size of the Burlingame steal on the middle division of the county road. Add to this $6,677.46, the amount of the steal on the Western division and you have the princely sum of $11,960.30 out of which the county has been defrauded.

The contract with the Burlingame Contract Company specified that said company should commence the construction at the Eastern end of the "Middle division" of the county road, which was fixed at the East bank of the Elwha river. It was to receive $13,600 for the construction of the first mile of the same and $2,200 for each subsequent mile going westward until the funds to the credit of said road was exhausted.

Now, last October, those conversant with the conditions of county affairs commenced to suspicion that Mr. Burlingame had received pay for more miles of road than he has built.

Especially was this the case as to the Western division of the road. The Burlingame Contract Company had received for work there $22,109.50, and it was not believed that he had earned this amount. That the truth might be known, County Surveyor E. A. FitzHenry, by direction of County Commissioner George Lamb, measured the Western division of the county road, and according to his report filed in the auditor's office October 10th last, there was but nine miles, three thousand two hundred feet. At $1,785 per mile, the contract price, this only amounted to $17,146.70, but as the road had never been completed or finally accepted by the terms of the contract the county should have held back ten per cent. of the sum so due, or $1,714.67—thus leaving the net balance to which the Burlingame Contract company was entitled to $15,432,04 which deducted from $22,109.50 the amount the Burlingame Contract Company actually received, left a balance—a steal—of $6,677.46.

This lead to the suspicion that all was not right in the Middle division. The county commissioners finally directed the county surveyor to measure the Middle division and report the actual amount of road completed.

This he did, filing his report yesterday Mr. FitzHenry reports that the Burlingame Contract Company completed just eight miles and twenty-one feet in in this division. At the contract price above mentioned, $13,600 for the first mile and $2,200 for each subsequent mile, the company earned just 29,007.16, giving him credit for the 10 per cent. and all.

Yesterday County Auditor Troy and County Commissioner Lamb checked up the Middle division of the county road bond fund and it was ascertained that there had been paid the Burlingame Contract Company $34,290. The difference between these amounts—or $5282.84 is the size of the steal.

Bilious Colic Prevented.

Persons who are subject to attacks of bilious colic can almost invariably tell by their feelings when to expect an attack. If Chamberlains Colic, Cholera and Diarrhœa Remedy is taken as soon as these symptoms appear, they can ward off the disease. Such persons should always keep the remedy at hand, ready for immediate use when needed. Two or three doses of it at the right time will save them much suffering. For sale by J. C. Hansen.

There can neither be law nor reason in assessing land for taxation at a higher figure than it can be sold for.

The Republican organ at Port Angeles should now come to the front and endorse the Quillayute harbor improvement in the strongest terms. The city of Washington is a long way off and we must make a lot of noise to attract any attention at the national capitol.

We were presented Monday with a nice wash tub, made by Mr. C. E. Brenton, of Tyee. Mr. Brenton is a first-class cooper, as is attested by the fine workmanship in the make-up of the tub, and the article is greatly appreciated by us. It is made entirely of well seasoned spruce and nicely painted and is as stanch and well finished as any "store" tub you will run amuck of in a long time.

The are three separate movements on foot at Port Angelei to inaugurate co-operative establishments of different kinds. The hard times all over the country and the stagnation of individual enterprise favor the consideration of co-operative schemes. Wheter these theories can be made a working success in practical experience in Clallam county remains to be seen. The progress of the movements will be watched with general interest. The creation of wealth in this county is something that is needed whether it is done by individual or co-operative enterprise.

PATENTS

FOR INVENTIONS.

Equal with the interest of those having claims against the government is that of INVENTORS, who often lose the benefit of valuable inventions because of the incompetency or inattention of the attorneys employed to obtain their patents. Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With the view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, we have retained counsel expert in patent practice, and therefore are prepared to

Obtain Patents in the United States and all Foreign Countries, Conduct Interferences, Make Special Examinations, Prosecute Rejected Cases, Register Trade-Marks and Copyrights, Render Opinions as to Scope and Validity of Patents, Prosecute and Defend Infringement Suits, Etc., Etc.

If you have an invention on hand send a sketch or photograph thereof, together with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are seldom necessary. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the matter.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted, as will be seen by the following from James Lambert, of New Brunswick, Ill: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days I am all right today; and would insist on everyone who is afflicted with terrible disease to use Chamberlain's Pain Balm and get well at once."

THE MISTAKE.

There is no doubt but that none but the best motives prompted President Cleveland to veto the seigniorage coinage bill. There is no doubt but that he regarded the measure as vicious and detrimental to the public welfare. Mr. Cleveland has always been courageous and honest. He, doubtless, deemed it to be his duty to the American people to prevent the Bland bill from becoming a law, and never yet has Mr. Cleveland flinched from doing what he believed to be his duty. He is a fearless man who lets consequences look out for themselves.

Yet it seems strange that a man of Mr. Cleveland's mental grasp and of his undoubted Democratic ideas as to self government, should not show more deference to the opinions of others, and to the wishes of his party and the masses of the people. It were not as though this matter was something new. The silver legislation has not been sprung suddenly on the people. Like the tariff question it has occupied puclic attention for years. It was considered by the last Democratic National Convention, which not only demanded tht repeal of the Sherman make-shift but it demanded also legislation looking to the coinage of silver. The Democrats there assembled understood that more money was needed. Understanding full well what was expected of them, the Democratic congress first past the Wilson repeal bill and then, as the best thing that could be done without international agreement, the Bland bill was passed by a tremendous majority of the Democrats. It received the vote of nearly every congressman from all the states that gave Mr. Cleveland their electoral votes in 1892, except New York, New Jersey and Connecticut. It was clearly a party measure. Considering it thus, Mr. Cleveland certainly should have signed the bill.

The next Democratic candidate for president must be a Western or Southern man.

HIGH TAXATION.

The Beaver Leader is hardly fair in its comments on the the position of THE DEMOCRAT-LEADER as to high taxes. We did not pretend to defend the equalization of the board of county commissioners, and we plainly said so. It is possible and even probable that the people of the Quillayute country are paying taxes unproportionately high. However, what we do mean to say is that the people from Eagle creek to the Pacific ocean are all being taxed to death; the complaint is general and the necessity for it is in the careless, wasteful and extravagant administration of the county from 1891 to 1893. The debt of the county became so great that it was absolutely necessary for the protection of even a semblance of a credit that taxation should be high. It is simply the reward of favoritism and extravagance. We danced and now we are paying the fiddler.

But there must be an end to this, and the sooner it comes the better.

Fortunately, the increase of assessable property furnishes the county assessor an opportunity to make material reduction this year.

A good working basis will permit the county to fund its present debt, then we must insist on the county commissioners limiting the expenditures to suit the income.

This is the only sure road to a low taxation and a good credit at the same time, and we repeat:

Taxes must be reduced.

A STEAL.

According to the measurements of the county surveyor, the Burlingame Contract Company is $11,-960.30 ahead of Clallam county on his road contracts. This does not include discrepancies in the manner of his construction, but it is a pure steal. It is just as if some one had broken into the county treasurer's safe and lifted that much gold out.

The next thing is what is going to be done about it? Nothing should be left undone in the effort to recover the money, at least.

THE Telegraph puts it in a new way. It refers to land holders as tenants who pay annual rent to city, county and state.

This is not far from right. Many Dungeness farmers pay more taxes than he should pay as rent. It is the same with property owners in this city and elsewhere throughout the county.

Taxes must be reduced.

THE Democratic candidate for President in 1896 must come from the west and he must be a man of western ideas. No western man with Wall street sympathies, like the Republicans have given us for a quarter of a century, will do.

THE New York Herald complains of "the uncertainty of senate action." It seems to be taking unnecessary alarm. There is no apparent danger of uncertain or any other kind of action from that distinguished body as yet.

How would the citizens of Gettysburg and vicinity like to have the $5282.50 that should be to the credit of their division of the road bond funds about now?

The Treacherous Elwha.

Messrs. Van Allen and Jas. Gould returned from the Elwha today having completed an abutment or causeway, to confine the waters of the treacherous Elwha within its natural channel and prevent the washing away of W. Thompson's ranch.

During a freshet the waters of the Elwha tumble down the valley with tremendous force through its winding channel, in many places piling timber and other refuse in the bends in its course, which forces it to make a new channel which it does with alarming rapidity, frequently washing an acre of ground away during the night, ultimately ruining the ranch before the new channel is made.

Cannot Remit Taxes.

In answer to the question whether county commissioners have authority to remit penalty and interest upon delinquent taxes for the year 1893, the assistant attorney general says: "I know no power given to any officer to remit taxes or any incident thereof, except the power conferred on the state auditor by section 89 of the Revenue Law of 1893, and the auditor in exercising such power as is conferred by section 89 can authorize remission of a tax only for a legal cause."

Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., "none impress me more than **my own case. PIONEERS PASSING AWAY.

The Death of Two of Clallam's Old Settlers During the Past Week.

Clallam's old settlers are one by one passing from this stage of action.

During the past week citizens of Clallam and the lower Sound were shocked and startled with the sad announcement, although not altogether unexpected, of the death of Hall Davis, which occurring in Seattle last Saturday night and Sunday evening the passing away of William C. Garffeld, removing two of the pioneer residents of this county, who in years gone by have been prominent in public affairs and in commercial pursuits.

William C. Garfieid, the eldest son of Selucious and Sarah E. Garfield was born in Kentucky forty years ago.

When a child his parents removed to California, subsequently they removed to this state in the '60's, during which decade his father represented the territory of Washington in Congress, and was famed as the "silver-tongued orator," and was so fervent, eloquent and magnetic that when on a campaigning tour people would travel for miles to listen to his matchless addresses.

The earlier years of young Garfield's residence in this state were spent at Olympia, eventually going to Townsend where he entered the law office of C. M. Bradshaw and began the study of the law. The past twenty years of his life have been spent in Clallam and Jefferson counties.

During the period extending over his residence in this county, he has had quite an active public career.

Early in the '70's he was appointed deputy auditor and deputy sheriff.

In 1876 he received the nomination for school superintendent, but was defeated.

He also received the nomination for representative in '78 and again was defeated.

In 1885 he was appointed county auditor to fill the vacancy caused by the death of William King, and received the nomination at the hands of his party for that office, but again suffered defeat.

Last December he received the nomination on the citizen's ticket for mayor of this city, but was defeated by a small majority for his opponent.

Under the Bradshaw regime of collector of customs of the Puget Sound district, he filled the position of statistical deputy.

Deceased was married in 1877 to Miss Annie L. Whittacre, who, with six children, survive him.

He was a member of Clallam Lodge, No. 72, I. O. O. F. and Port Angeles Lodge No. 60, A. F. and A. M., Mt. View R. D. No. 34 and the Encampment of Port Angeles and the Eastern Star.

The funeral services were held in Dungeness last Tuesday afternoon, under the auspices of Port Angeles Lodge No. 69, A. F. and A. M., Clallam Lodge No. 72, I. O O. F., being present at the services.

The funeral was one of the largest ever held at Dungeness, a large number of prominent citizens attending from this city.

Mrs. Garfield and family have the heart-felt sympathy of a large circle of friends in this city, the county and throughout the state in their sad bereavement.

JUDGE DAVIS.

Hall Davis has been a familiar figure in Clallam for a quarter century past, he settling in the Dungeness valley more than twenty years ago, engaging in the pursuit of stock raising and dairying achieving with close attention and unremitting industry, remarkable success, accummulating an independent fortune.

During his residence in this county he took an active interest in public affairs. In 1884 he was elected probate judge of this county, a position he filled very creditably.

In the management of his Brook Farm Dairy, he took a deep, abiding interest, the product from which was famed over the Sound for the excellence of its quality, commanding a ready market at a higher price than obtained for any other brand.

About three years ago he removed with his family to Seattle, where he proposed to spend the remainder of his days in peace, comfort and quiet, removed from the scene of the triumphs of his earlier manhood, and had just completed an attractive cottage on Queen Ann hill, when stricken with that dread malady, apoplexy, to the fatal effects of which he finally succumbed, at the age of 69 years.

He leaves a wife and six daughters: Mrs. George Kelley, of Seattle; Mrs. William Delanty and Mrs. Geo. Cooper, of Port Discovery; Mrs. Allen Weir, of Olympia; Mrs. W. B. Seymore, of Port Washington and Mrs. Edward Von Tobel of Seattle.

A man of strong personality, positive convictions, high integrity, he was universally respected by those with whom he came in contact, and will be mourned by many friends, who extend sympathy to the sorrowing family in the loss of an affectionate husband and a kind, considerate father.

Garlick's Red Rose Potatoes.

Almost two years ago Mr. Garlick of Lost Mountain precinct, planted a few hills of the potato known as the California Red Rose, with the view of introducing it into this county if it proved to be a prolific bearer. His success was astonishing. He did not know but the "year" had something to do with it, so he tried it again last year. The result was even better than the first year. From his start of a few hills the year before he harvested about two tons last year, and had no trouble in disposing of nearly all he had to his neighbors at five cents per pound. He has placed a few sacks for sale with the Farmers' Mercantile Co., of Dungeness.

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. It has made me well and strong."—T. D. M., Norcatur, Kans.

Speaks through the Boothbay (Me.) *Register*, of the beneficial results he has received from a regular use of **Ayer's** Pills. He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old reliable **Ayer's** Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are in need of a laxative to try **Ayer's** Pills. They will do good."

PRICE LIST.

April 1. **COOPER & LEVY** Seattle, Wash

IT IS A WELL-KNOWN FACT That owing to our being the largest cash buyers we receive the benefit of many bargains. These our customers share. Buying from us after adding all freight charges means a savink of fifteen to thirty cents on the dollar.

USE COMMON SENSE. Naturally our low prices have caused consternation among many of the dealers who are using all kinds of foolish arguments against us. The more these dealers misrepresent us, the more we grow. Intelligent people are not influenced by such stuff, but use their own judgment.

WE ARE THE LEADERS, We don't wait for the other fellows to publish their lists—ours is out first every month. If competitors attempt to imitate us they may, but we believe our customers appreciate our efforts in bringing down groceries to the right prices, and know if we were not here the old war prices would still prevail.

REGARDING POSTMASTERS AND OUR MAIL: Unfortunately some of the postmasters in this section do not perform their swern duty. Some of them wilfully do away with our price-list, and prevent them being distributed. To all our customers we mail monthly a price-list. If you do not receive them kindly report the matter to us and we will investigate.

WHY YOU OUGHT TO TRADE WIT I US We have circulated our prices very thoroughly. It has had the effect of opening the eyes of the buying public. The old cinch prices have been knocked sky-high, We claim every consumer has been benefited by our efforts and we should receive your patronage.

TERMS—All orders must be accompanied by cash. Remittances can be made by express, money order, postal note or registered mail.

☞ N.B.—Send no checks on interior banks. We can only use checks on Seattle banks and cannot send out goods unless these terms are complied with. Give post-office address and shipping point with each order. Do not omit to sign your name plainly to orders or letters.

SPECIAL NOTICE—Send your full name and address with proper shipping instructions. Send all remittances direct to the house, as we have no traveling agents. WE MAKE NO CHARGE FOR PACKING OR DELIVERY TO RAILROAD STATION OR WHARVES.

We quote only a few articles, and will cheerfully furnish prices on anything in the grocery line. Reference, Dexter, Horton & Co., bankers, Seattle, and Scandinavian-American Bank, Seattle.

Our Best—This is the name of a brand of Baking Powder put up expressly for us—It is the very best baking powder that money and brains can manufacture. We claim it equal to the "Royal" or "Prices" and offer it for much less money. In place of spending thousands of dollars in advertising, and adding this cost to the price of the Powder, we have decided to introduce it among our customers. Royal and Prices baking powder are first-class, still these people spend hundreds of thousands of dollars in keeping their names before the people. Who do you suppose pays for all this? You and everybody who buys their powder. Try a can of OUR BEST POWDER in your next order; if it is not fully as represented return it and we will cheerfully refund your money. SPECIAL NOTICE—We have been for a long time and are still opposed to oleomargerine. We believe two thirds of the grocers plam off the stuff for butter every time they can. We will not handle oleomargarine and believe the farmers in this state should be protected from a compound that can be manufactur d at a big profit and sold at 8 to 10c per pound. We would like to see a law enforced prohibiting its sale entirely. Our specialty is PURE BUTTER.
