Council Notes.

At the council last Wednesday evening acting Mayor Kron called the meeting to order. All the councilmen were present.

A committee comprising Councilmen Crockett and McGill was appointed to confer with Manager W. C. Williams and strive to effect an equitable settlement for the labor performed on that crowning farce of the present century, the city's electric lighting pipe line.

A number of bills were allowed after which the council adjourned.

RAGING FOREST FIRES

Destroy Vast Stretches of Timber,

HOUSES, BRIDGES, FENCES

And Public and Private Property in Western Washington—Destructive Fire at Beaver—The Public Cemetery—Democrats of Wenomah Entertain With a Delightful Social Dance—The Yacht Typhoon Violates Navigation Laws.

Destructive forest fires have raged over Western Washington during the past few weeks, causing enormous loss of valuable merchantable timber, dwellings, bridges, fences and crops, and filling the air with dense, impenetrable smoke that is not only a menace to humanity generally but to navigation as well.

The greatest destruction has been wrought in Whatcom county. The palatial Eldredge residence costing $35,000 was totally destroyed by fire, having caught from cinders fanned from a forest fire raging over a mile distant from the scene of destruction. Quite a number of cottages were also burned in the suburbs of that city. Throughout that county thousands of dollars worth of public and private property was destroyed.

Timber has been damaged to a considerable extent in this county while the damage to improvements fortunately has thus far in the aggregate been slight.

The people of Western Washington so sorely inflicted with this heavy, oppressive fog of smoke, fervently hope that it will soon rain, as nothing else will so quickly dispel the smoke.

Destructive Fire at Beaver.

Mr. W. R. Hoole received a letter from Beaver yesterday morning announcing that a destructive fire had occurred at that place a few days since totally destroying his country home, variously estimated to have cost from $1,500 to $2,000, also a smaller cottage valued at $700, all the household contents and 20 tons of hay.

Upon these dwellings there is an insurance of $1,300, placed with the Scottish Union and National and the Caledonian by the local agents, Messrs. Wilson and Fisher.

The total loss is estimated at about $4,000.

WENOMAH DEMOCRATS

Entertain Their Angeles Friends With a Delightful Social Hop.

Undoubtedly the largest and most enjoyable social hop ever given at Wenomah was participated in last Saturday evening by fully fifty couple, a number of which were from this city.

The evening delightful, the floor in splendid condition, the music excellent and the company in the best of spirits, it would indeed be a strange phenomenon if a social gathering did not prove decidedly pleasurable under such conditions.

In the banquet hall fully fifty couples gathered at 12:30 and relished a delicious supper.

The party was given by the Wenomah Democrats.

Much credit is, however, due Messrs. Wm. Leonard and Alex Watt, for the splendid success of the dance.

An observing spectator casually remarked that the gathering was decidedly Democratic.

With others the following were present:

Mr and Mrs H B Crockett, Mr and Mrs J W Troy, Mr and Mrs W O'Brien, Mr and Mrs J McGan, Mr and Mrs Chas Russell, Mr and Mrs Geo Jackson, Mr and Mrs A McFarland, Mr and Mrs W R Hoole, Mr and Mrs Otto Shields, Mr and Mrs W R Dodge, Mr and Mrs Chas Peters, Mr and Mrs F Madison, Mr and Mrs H Miller, Mrs McKissick; Misses Jennie Crockett, Zoa Shields, Ida Hulquist, —— Hulquist, Julia Ferguson, Carrie Maclay, Hattie Fend, Ella Guptill, Maggie Guptill, Alice Eacrett, Emily Johnson, Agnes McGurdy, Jennie Johnson, Mattie McGill, Luella Hall, Alice McFarlan l, Alice Nailor, Susie Nailor, Joe Lusk, Stevens, Garland, Buchannan, Belle Shearer; Messrs. Wm. Leonard, Alex Watt, Geo White, Frank P Fisher, Cliff Crockett, Jack Wilson, H M Fisher, Chester Shields, Louis Van Lehn, Jos Burrows, Harry Greenberg, Albert Goldwater, Hiram Love, Wm Poquet, Chas Lusk, Lusk, Thomas Harrington, Ray Madison, Frank Erickson, Elmer Kelts, John and Roy Wilson, Chas Hulquist, Chas Forsberg, Paul Pfister, Wm Fenn, Peter McGeof, Richard Eacrett, Wm Eacrett, Albert Eacrett, Frank Harris, Meridith, Doyle, D Earle, E A FitzHenry, Miles Waite, Buchannan, Geo Splicer, Frank Long, Herbert Beach, James Galagher, Albert McFarland, Wm Gould, Alex Rose, Pat Kelley, James Welsh, Walter Gay, James Love, Philip Hays, Del Drum, Lucien Madison, Jas Yuen, Wm Rex, Russell, sr, Dave Balford, Geo Wood, Disque, J Bayer.

The Public Cemetery.

Last Wednesday evening the council took the initiative steps to acquire by patent the public cemetery dedicated by the general government to the city of Port Angeles, which is situated near the western limit of the government townsite reservation and comprising an area of about ninety acres.

The city clerk and the city attorney were instructed to write to the secretary of the interior in recognition of the generous gift of the general government and take such other preliminary steps as may be deemed neceesary to the acquirement of the aforesaid tract for a public cemetery.

Yacht Typhoon Seized.

The Everett yacht Typhoon, Capt. Goldfinch, was seized by Deputy Collector Clark last Monday evening for violating the navigation laws. It appears that a coasting permit had been issued the Typhoon by the deputy collector at Everett. This permits her to navigate only American waters. In entering Victoria, a foreign port, the Typhoon violated the revenue laws, and was therefore seized.

The captain gave $1,000 bonds and the vessel was released, after which she proceeded to Townsend, where the matter will come before Collector Saunders for an official decision.

It is generally believed that the collector will exercise leniency and release the yacht, as undoubtedly the revenue laws were unintentionally violated, the captain of the Typhoon not realizing his permit restricted him to American waters.

Yachting Party.

A yachting party comprising about 36 ladies and gentlemen from Everett and this city sailed over to Victoria last Sunday on the yacht Typhoon of Everett, Capt. Jas. Goldfinch, leaving Morse's wharf at about 11 a. m. and not returning until 5 p. m., Monday evening. Very little wind was prevailing at the time, and the little craft consequently made very slow progress, as they did not arrive at Victoria until 7 p. m. And the weather on the return trip was equally as unfavorable for sailing as no better time was made.

With the exception of this disagreeable feature they all unite in declaring the trip exceeding enjoyable. With others the following comprised the party:

Capt. Jas. Goldfinch, Mr. and Mrs. Harry Goldfinch, Mr. and Mrs. H. S. Ballou, Mr. and Mrs. A. M. Johnston, Mr. and Mrs. A. N. Taylor, Mr. and Mrs. Friday, of Everett, Dr. and Mrs. W. W. McGeorge, Mr. and Mrs. Len Raymond, Mr. and Mrs. Chas. Raymond, Mrs. Jenkins, Mrs. S. P, Raymond, Miss Fronie Raymond, Messrs. Wm Graham, Ed. Graham, Ernest Graham, A. J. Adams and —— Dorie.

Improvements at Central School.

Quite a number of improvements are being made at the central school. An eight-foot sidewalks is being constructed around the building and to connect it with the First street sidewalk.

The base or foundation is being enclosed which will greatly increase the warmth of the building.

The city should be urged to finish the uncompleted portion of the First street sidewalk between the Methodist and Congregational churches. No sidewalk in the city is more generally used than this during the wet season, the central school children tramping over the ground several times each school day.

Death of Mrs. John A. Lutz.

Mr. Harry E. Lutz received a telegram Monday morning from his father, Mr. John A. Lutz, of Circleville, Ohio, stating that his mother died Sunday evening of hemorrhage of the lungs. She had been an invalid for some years, but had shown wonderful patience and fortitude in resisting the progress of the dread disease. She leaves three sons, Messrs. John E. Lutz, of Port Crescent; Samuel J. Lutz, of East Clallam, and Harry E. Lutz of this city, and one daughter, the youngest of the family, Miss Katherine

The deceased was 62 years of age. She was born at Springfield, Ohio, her father being one of the pioneers of Clark county. She was a cousin of Gen. J. Warren Keifer, speaker of Congress in Arthur's administration, and also a cousin of the New York sculptor, J. Q. A. Ward. She was married in June, 1855, and has resided at Circleville ever since then.

The several counties under the apportionment will be represented at Yakima as follows:

LEGITIMATE INDUSTRY

Should Receive Generous Encouragement

FROM EVERY PATRIOTIC CITIZEN.

Jefferson County Republicans Force Hoole and His Friends to Give Them Proper Representation in the Joint Senatorial Convention—Under the New Apportionment Jefferson Now Has Seven and Clallam Six Votes

The coal proposition submitted by Mr. M. J. Carrigan at an informal meeting of the Board of Trade last week, it now transpires had been but partially unfolded.

Mr. Carrigan, who is innately modest, left many who had attended in doubt at the close of the meeting as to whether the coal syndicate wanted a bonus together with the mineral right to 2,000 acres of land. A more definite explanation, however, has proved this to be the case. The syndicate wants a $10,000 land bonus, together with the mineral right to 2,000 acres of land, as adequate and substantial returns for the labor performed in behalf of the community as well as of the syndicate.

The sentiment seems to be strongly in favor of granting the mineral rights to the syndicate; but the reception accorded the $10,000 feature of the proposition woefully lacks in warmth and fervor.

Love of home is one of the noblest sentiments in the human breast. And an intelligent conception of that truly patriotic feeling must certainly contemplate the protection of the home as well as of the ties and interests which unite humanity in indissoluble bonds.

There is not a citizen worthy the name who does not favor substantial encouragement to ligitimate industry.

In granting mineral rights to 2,000 acres of land a large number of representative business men maintain substantial recognition has been accorded.

Above all else the aim sought should be earnest and unselfish labor for the material advancement of the city and county.

If it can be clearly demonstrated to the bonus-giver that the concessions made him on the part of the coal syndicate adequately and materially protects him in receiving something substantial for what he has given, it would seem he then would be justified in making the sacrifice.

The bonus-giver should exact compliance with two specifically stipulated conditions before the bonus will have been earned. First, the discovery of a well-defined, paying deposit of coal. Second, the development and the operation of the newly discovered mine. This is purely business. For no less substantial considerations should a bonus be given to any enterprise whatsoever.

A meeting of the general public was held in the opera house last Wednesday afternoon for the purpose of further discussing the proposition.

The meeting was addressed by Messrs. Carrigan and Coolican and a number of citizens urging unity of action and liberal donations to the bonus.

A number subscribed to the bonus, and the committee reporting encouraging progress having been made during the week, and are very hopeful of early success.

Jefferson Wins.

The joint Republican senatorial committee, from this county to confer with a similar committee from Jefferson, proceeded to Townsend last Tuesday to adjust the unequal, impartial and unfair apportionment which had been cutely fixed in the interest of Clallam by W. R. Gay at the recent meeting of the Republican State Central Committee.

Jefferson Republican's were justly indignant as it had cast a larger vote than Clallam for the Republican presidential electors at the last national election. For this reason they rightfully maintained that they were entitled to the larger number of senatorial delegates.

Messrs. Hoole, R. C. Wilson, H. White, Hatch and Chas. D. Ulmer, sr., comprised the committee which carried the flag of truce from this county.

The matter was finally settled by adopting the old basis of representation which gives Jefferson 7 and Clallam 6 delegates in the senatorial convention.

The time was also fixed for holding the joint senatorial convention in this city on the 12th day of September, for the purpose of nominating a candidate for state senator.

The claim is made that Jefferson accedes the nomination to Clallam.

The Fall Term of Court.

The fall term of court will necessarily have to be postponed until the middle of November next, for the reason as Judge McClinton explains, "the session would otherwise convene on election day," Tuesday, November 6th.

Mr. Thomas Battle, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhœa Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. W. C. T. U. ITEMS

BY MRS. C. B. MAXFIELD.

The regular meetings of this Union will be held on the first and third Fridays of each month at 2 p. m., and on the second and fourth Friday evenings at 8 o'clock. The gentlemen members are requested to attend the evening meetings. All are cordially invited to all meetings of the union.

The W. C. T. U. pledge: "I hereby solemnly promise, God helping me, to abstain from all distilled, fermented and malt liquors, including wine, beer and cider, and to employ all proper means to discourage the use of and traffic of the same."

For God, and home and native land.

The next meeting of this Union will be held Sept. 7th. Further notice next week.

Turn back the leaves of history, and read that all the great nations of the earth have gone out from one great cause; bad laws made possible, bad laws enacted, bad laws wickedly administered, because the people were steeped in drunkenness. Look forward and behold the promise to our land, to our people, and to our nation, and then let me ask, shall we sit supinely by in home, in school, in politics, in church, or elsewhere and see this great black cloud of darkness spread over the land, and turn to a darker hue, finally settling down upon us, destroying every hope, shutting out law, until at last it shall be said of us: "Weighed in the balance and found wanting," until the nation, like all the great nations of the past shall go out in darkest night? There is no question before our people that compares in importance, measured by any line financial, commercial, or political, with the one question of saving this nation to sobriety; that compares with the annual saving of a hundred thousand lives; that compares with the annual saving of two billion dollars, spent through the drink traffic in the nation, not to speak of the hunger and wretchedness of little children and helpless women caused by this horrid traffic.

Intemperance not only destroys health, but inflicts ruin upon the innocent and helpless, for it invades the family and social circle, and spreads war and sorrow all around; it cuts down youth in all its vigor, manhood in its strength and age in its weakness; it breaks the father's heart, bereaves the doting mother, extinguishes natural affection, erases conjugal love, blots out filial attachment, blights parental hope, and brings down mourning age in sorrow to the grave. It makes wives widows, children orphans and fathers demons. It produces fevers, feeds rheumatism, nurses the gout, welcomes epidemics, invites disease, imparts pestilence, embraces consumption, cherishes dyspepsia and encourages apoptexy. It covers the land with idleness, poverty, disease and crime; it fills our jails, almhouses and asylums. It engenders controversies, fosters quarrels and cherishes riots, it condemns law, spurns order and furnishes the victim for the scaffold; it is the life blood of the gambler, the prop of the highwayman, and the support of the midnight incendiary and assassin, the friend and companion of the brothel. It countenances the liar, respects the thief and honors infamy, it hates love, scorns virtue, and slanders innocence; it invites the father to butcher his child, helps the husband to murder his wife and aids the child to grind the parricidal axe. It bribes votes, corrupts elections, poisons our institutions, and endangers our government. It degrades the citizens and the legislature, and dishonors the statesman. It brings shame, terror, dispair and misery, and now as with the malevalence of a fiend it calmly surveys its frightful desolation, and insatiate with havoc, it poisons felicity, kills peace, ruins morals, blights confidences, slays reputation, and wipes out national honor; then curses the world and laughs at the ruin it has wrought upon the human race.—Dr. J. C. Gunn.

PATENTS

FOR INVENTIONS.

Equal with the interest of those having claims against the government is that of INVENTORS, who often lose the benefit of valuable inventions because of the incompetency or inattention of the attorney employed to obtain their patents. Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With the view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, we have retained counsel expert in patent practice, and therefore are prepared to

Obtain Patents in the United States and all Foreign Countries, Conduct Interferences, Make Special Examinations, Prosecute Rejected Cases, Register Trade-Marks and Copyrights, Render Opinions as to Scope and Validity of Patents, Prosecute and Defend Infringement Suits, Etc., Etc.

If you have an invention on hand send a sketch or photograph thereof, together with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are seldom necessary. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the matter.

A Dairyman's Opinion.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—four bottles in all—as occasion required, and always keep a bottle of it in my home. I believe I know a good thing when I get hold of it, and Pain Balm is the best liniment I have ever met with. W. B. Denny, dairyman, New Lexington, Ohio. 50 cent bottles for sale by J. C. JOHN W. TROY.....Editor

THE TARIFF RECORD.

The Republican press of the country is preaching pretty good doctrine these days. Catching their cue, as always, from the New York Tribune, these papers are fighting the new tariff bill, which they have pleased to call the "Havemeyer" bill, because of its protection to the sugar and other trusts.

The tirades of these papers are partly based on fact, yet every word they utter counts doubly against their own Republican party, Everyone knows, that the McKinley bill furnished more than twice the "protection" to the sugar trust than does the new tariff bill. This abandonment of the long used arguments of the protectionists cannot fail to work to the advantage of the Democratic party. The Republicans see that all the dissatisfaction with the Democratic party is on account of its failing to reduce the tariff enough, and not because of its free trade tendencies. But the people understand why the conditions are as they are. They understand that a united Republican minority stood all through the great contest for a high tariff and the trusts. Had it not been for this, a handful of Democratic traitors in the senate could not have dictated the tariff bill. It was only because the Republican vote stood ready at all times to vote for the retention of that worst trust fostering tariff that any nation ever had upon its statute books, the McKinley bill, that four or five "conservatives" could say "give us what we want or take the McKinley bill." The great majority of the Democrats in both senate and house are on record against the sugar trust, the iron trust, the coal trust and the barbed wire trust, as well as for lower tariff rates all along the line.

The efforts of the Republicans to profit by the dissatisfaction with the tariff bill will not avail. Every one knows that that party stands for higher tariff and trust protection, while the people want lower tariff and trust destruction. Which party has the better record?

REPUBLICAN METHODS.

Tomorrow at the Republican primaries, the Republicans will settle the fight between the "ring" and the "reformers," but they will have to settle it all over again before the close of work of the convention one week later, as each faction has so many candidates for nomination that it it will be hard to say what conflicting interests will develop, as after all the main fight of both "ringsters" and "reformers" is for the offices. The methods of both factions are largely similar. They are both for the strongest combination whatever that may turn out to be, and that is the way with many of the candidates for nomination, though each of the candidates is pulling his wires more or less under cover for one or the other of the two principals in the senatorial contest.

Whatever may be the result of tomorrow's primaries, there promises to be one of the most disgraceful Kilkenny factional quarrels a week from tomorrow that has been witnessed in this state. The ticket will be without question the result of bickering and barter. The offices will be sold to the candidate who will be able to deliver to the 'ring' or the 'antis' the largest vote.

At the present time it seems that the "ring" will win, but would-be Senator Hoole will have the hardest battle he has ever had in Clallam county, or appearances are not a guide.

IN HARD LINES.

The political editor of the Post-Intelligencer continues to neglect reading the news columns of that paper. The following news item from Tuesday's Post-Intelligencer is similar to many that that paper has recently published:

The Tremont and Suffolk (Massachusetts) mills started up today in all departments except the color and blanket rooms. The Middlesex wool mills, in the carding and spinners rooms and in a portion of the weaving rooms, also resumed, as did the Appleton mills in all departments. The total number of operatives set to work is about 3600.

Yet in the editorial columns of the same issue the following is found:

The new tariff has become a law. The wool industry, with its 1,250,000 participants is wiped out; our lumber and timber market is opened to Canadian invasion. Woolens, glass, pottery and metals are given such greatly reduced protection that in most of the industries employers will be obliged to close their doors or cut wages.

Truly Republican campaign issues have fallen in hard lines.

It is well to again and again call attention to the fact that the four or five trust owned Democrats who cheated the people out of the tariff bill they voted for could never have succeeded, had it not been for the fact that they were backed up by the entire Republican trust owned party and the two Populist senatorial freaks, Peffer and Stewart. Republicans, more than all else, are responsible for the misfits of the tariff.

Too cowardly to write itself down a liar direct, the Beaver Leader takes this contemptible method to prove that its disposition is not at fault:

"When a man commits a theft and is afraid of being caught he will sometimes yell "stop thief!" This will have a tendency to throw suspicion on someone else. The auditor's organ insinuate that the old administration were thieves."

Now that Commissioner Lamoreux has given them a favorable ruling, the Beaver Leader unmasks itself, and appears as a Republican paper straight.

Of Interest to Mothers.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhœa in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnston, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhœa very badly. I got some of Chamberlain's Colic, Cholera and Diarrhœa Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by J. C. Hansen.

POPULISM LEADS TO ANARCHY.

An Editor's Eyes Opened—He Leaves the Party of Lawlessness.

F. F. Lischke, formerly editor of the Sprague Populist and an officer of the local Freeman's Protective Silver Federation, didn't know what Populism meant The murder of Gloystein and other lawles acts have opened his eyes. He has changed the name of his paper to the Democrat, and in his issue of August 8th, says:

"In the eternal fitness of things, an explanation is in order, for the benefit of those whose mental calibre does not permit of their realizing why a person should drop a hot stove poker which he has accidently grasped, remove a shoe that pinches or retreat from the brink of a yawning pit. I have, in the past six months, sailed far out in the sea of Populism, and gazed into the seething vortex which in the very nature of things will be the future abiding place of the Populist party. On the voyage I discovered the bloody billows of anarchy outlined on the horizon. I saw the angry breakers of prejudice, ignorance, injustice, cowardice and demagoguery beat against the bulwarks of the social fabric that surrounds all that which is held dear by the American people—liberty patriotism, equality, prosperity and happiness. Having become thoroughly convinced that the Populist party is a menace to the perpetuity of our republic—a republic that is the outcome of over 100 years of popular will and statecraft—I have steered my bark away from the treacherous seas of Populism and am anchored in the harbor of Democracy, where the beacon lights of Americanism cast their rays of conservativeness statesmanship, and loyalty over the children of this broad nation, and guide them up the incline of material and social progression. Hereafter I shall advocate the pure and undefiled principles of Democracy, which have been promulgated in the interests of the masses.

"I have started the Lincoln county Democrat on my own responsible, in an endeavor to atone for my mistake in embracing Populism—to atone by presenting to the people of this county a paper that will point out to those who have been ensnared into the Populist fold, the fallacy of the third party doctrine. I have received no aid or encouragement from any source; should the Democracy see fit to aid this paper in proportion to its merits, their aid will be appreciated."

And From a Republican, Too.

The man who fathered the provision of our revenue system exacting 10 per cent. penalty and 20 per cent. interest on delinquent taxes is discreetly keeping his paternity of this legislative moon-calf in the back ground. Imagine him basing a claim for political preferment in these times on the strength of this achievement!—Coupeville Times.

The Toothsome Burglar.

Although not seriously or alarmingly inflicted with petty thieves, Port Angeles citizens are occasionally the victims of these contemptible midnight visitors.

Recently Mr. H. B. Crockett, of the New Albany, suffered the loss of a number of pillows, blankets and quilts and a quantity of preserves which were stored on the second floor of the Arlington hotel.

The burglar effected an entrance through the back door, gathered the bed clothing, carefully packed the choice preserves and removed them to his demicile for some future rainy day.

Mr. Crocketts says that he will cheerfully contribute the preserves to the, no doubt, well filled larder of the plunderer, if he will only be generous enough to return the bed clothing, as he anticipates better things in the hotel line before the ides of March.

Trade and Shipping

Review of Seattle Market for the Past Week.

SEATTLE, August 28, 1894.

Exchanges at Seattle, Tacoma and Portland clearing houses to-day were:

	Clearances.	Balances.
Seattle	$ 84,232.92	$26,280.48
Tacoma	90,111.00	22,272.00
Portland	236,071.00	88,641.00

There was quite a fair movement in the Seattle produce market yesterday, but prices generally remain low and weak. Receipts yesterday were large and in some lines excessive. There were a few changes prices, with a disposition on the part of dealers to shave, asking prices to meet the demands of buyers. Strictly fancy peaches are in moderate supply, and the sellers are holding fairly firm, but the medium stock is so plentiful and cheap that it is not easy to maintoin any standard of value. The best quality is rather scarce, but the demand is of small proportions Bartlett pears are freely offered, and supplies are so excessive at present that prices have a downward tendency.

The best grades of butter are a little easier. Ranch eggs sell well. Cheese unchanged. Poultry is dull.

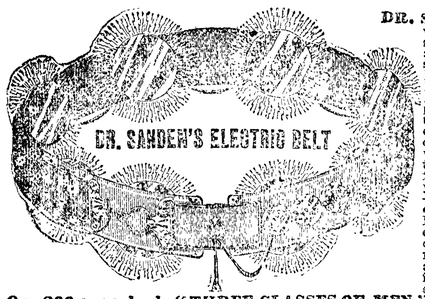
HAVE YOU TRIED DRUGS AND FAILED

TO FIND A CURE FOR

RHEUMATISM, LUMBAGO, SCIATICA, KIDNEY, LIVER and BLADDER COMPLAINTS, DYSPEPSIA, LAME-BACK, &c.



DR. SANDEN'S ELECTRIC BELT with Electro Magnetic Suspensory will cure without medicine all of the above troubles. Those who suffer from Nervous Debility, Lassee, Drains, Lost Manhood, Nervousness, Sleeplessness, Poor Memory, all Female Complaints, and general ill health, the effects of abuses, excesses, worry or exposure, will find relief and prompt cure in our marvelous invention, which requires but a trial to convince the most skeptical. In ignorance of effects you may have unduly drained your system of nerve force and vitality—which is electricity—and thus caused your weakness or lack of force. If you replace into your system the element's thus drained, which are required for vigorous strength, you will remove the cause and health, strength and vigor will follow at once. This is our plan and treatment, and we guarantee a cure or refund money.

Our 200 page book "THREE CLASSES OF MEN," should be read by every young, middle-aged and old man, sent sealed, free. Dr. Sanden's Electric Belt is no experiment as we have restored thousands to robust health and vigor, after all other treatments failed, as can be shown by hundreds of cases throughout this and other States, who would gladly testify, and from many of whom we have strong letters bearing testimony to their recovery after using our Belt.

WE HAVE CURED THESE—WE CAN CURE YOU!

GENERAL DEBILITY CURED.

San Francisco, Cal., August 14, 1892.

Dr. A. T. Sanden, Dear Sir:—Before I used your belt I was troubled with lost vigor, vital weakness, and almost a complete loss of power. I would get up with a very tired feeling, bones aching, etc.; since using your belt I have had a new lease of life. I now enjoy life better than I have for ten years past. I have the utmost confidence in your treatment. You can publish this statement, also have others write or call on me. Truly yours, H. A. BOWEN, 23 and 28 Turk St.

RHEUMATISM AND LAMENESS CURED.

Portland, Oregon, April 18 1892.

Dr. A. T. Sanden, Dear Sir—I got one of your belts two weeks ago for rheumatism, from which I suffered for several years. For the past six months I had not been able to work. Your belt has placed me in almost perfect health in the two weeks I have used it. I can walk comfortably, and feel like a new man generally.

M. E. HUGHES, Proprietor International Hotel.

NERVOUS DEBILITY—LOSS OF VIGOR.

Tacoma, Wash., October 24, 1892.

Dr. A. T. Sanden, Dear Sir:—I have been using your Electric belt for general nervous debility, and to-day feel better than I have for five years. I have gained in vigor daily, and am strong in every part.

Yours gratefully, CHAS. LUETKA.

LAME BACK AND RHEUMATISM.

Portland Oregon, September 26, 1892.

Dr. A. T. Sanden, Dear Sir:—Years of exposure and hard work, combined with the strain coming from the jar of an engine, gave me a severe case of lame back, from which I suffered for seven years. I was so bad that I could not bend my back. Was all doubled up with it. I bought one of your belts. It helped me inside of two days, and I continued to wear it for four months, being perfectly cured. That was two years ago, and I am as well to-day as I ever was in my life. I know your belt well, and I know lots of people who have been cured by it. Many others need it, and if they would try it they would find it the same as I did—the best remedy in the world. I am located here permanently, and will be glad to talk with any one who wants to inquire about it.

ROBERT BURREL, Engineer Hotel Portland.

LOST VITALITY AND STRENGTH.

Everett, Wash., June 18, 1892.

Dr. A. T. Sanden, Dear Sir:—Since wearing your belt I have been greatly benefited. I feel my old energy fast returning; and after a month's use of the belt I find myself twice as vigorous as before. My memory is now nearly perfect, and each day shows for the better. I feel much stronger than before using the belt. Yours truly, HENRY SCHULTZ.

THE DR. SANDEN ELECTRIC BELT

is a complete galvanic battery, made into a belt so as to be easily worn during work or rest, and it gives soothing, prolonged currents which are instantly felt throughout all weak parts, or we forfeit $5,000. It has an Improved Electric Suspensory, the greatest boon ever given weak men, and we warrant it to cure any of the above weaknesses, and to enlarge shrunken limbs, or parts, or Money Refunded. They are graded in strength to meet all stages of weakness in young, middle-aged or old men, and will cure the worst cases in two or three months. Address for full information.
