Good Templar Entertainment.

The Good Templars held their regular weekly meeting Wednesday evening, November 7th. Installation of officers was part of the program. After adjournment the members partook of a supper which was in waiting that would tempt the appetite of the most delicate epicure. Many thanks to D. Burness, the baker, for his six gallons of coffee, it was pronounced by all to be of the best quality

After supper the members enjoyed themselves with instrumental and vocal music and such other amusements as best suited them. All went home feeling it was exceedingly fortunate to be a Good Templar.

COUNTY NEWS.

Henry W. Newby, of the U. S. land department is now inspecting the survey of fractional township 31-12 south of the bay. He will examine a number of other surveys in the county during the next month or two.

Allen P. Folger, one of the passengers on the missing ship Ivanhoe, now supposed to be lost at sea, was known here. He spent several months with W. B. Reynolds on his ranch near the Hoko last year and stopped in town for some time. Young Folger was studying navigation with the captain of the Ivanhoe.

The farmers of the state of Washington market sell their wheat in Liverpool and their hops in London. The lumberman sells his lumber in Austrailia and South America. Verily, the tariff has proved a blessed thing in creating a home market.

Earl Peterson stepped off the end of the wharf last Monday night in the darkness and while he did not get to the bottom of the sea, like McGinty, he did get very wet. The Farralon was at the dock at the time and he was rescued with the aid of a rope from the steamer.

W. W. Ulin was tried last Saturday before Justice Marlette and a jury on a charge of assault and battery on Will and John Whiting. Judge W. H. Rowan conducted the prosecution. The accused was found guilty and sentenced to pay a fine of five dollars and costs. The fine has been paid.

BRITISH SHIP LAWHILL.

The Largest Ship Ever in These Waters

ANOTHER RAILWAY PROPOSITION

Submitted at the Board of Trade Last Thursday Evening—Citizens Asked for a $350,000 Land Subsidy and $25,000 in Labor—Resolution Adopted Requiring of Proposed Company a $10,000 Earnest, to Be Forfeited in Event of Failure.

The largest iron ship which ever rested at anchor in Port Angeles bay, is the fourmasted British ship Lawhill, Capt. P. Singer, which arrived from Kobe, Japan, early last week.

The Lawhill was launched from the marine ways of Belfast, Ireland, in 1892 and is a comparatively a new vessel.

Her length is 317 feet, breadth of beam 45 feet and depth of hold 25 feet. Her gross register 2,900 tons and she will carry 4,700 tons deadweight. She carries four masts, three of which are square-rigged. The lower masts and top masts are of one piece and are constructed of steel, and the yards are of the same material. Each of the main yards are 92 feet long, while the top sail yards measure 85 feet. The top gallant yards are double there being no royal yards, which gives a greater spread of canvas. The top gallant-masts, instead, as is usual, being fitted to the forepart of the top masts, are placed behind the masts so as to permit of the lowering of the top gallant-masts.

In arrangement, appointment and equipment the Lawhill is modern in every particular. He water tanks have a capacity sf 6,000 gallons, and in the event this large supply becomes exhausted, she is provided with an hourly productive capacity of 30 gallans of fresh water. Two powerful steam wenches have been adjusted on the deck to handle the cargo and the after one has been equipped to operate the ships pumps. There are four powerful capstans on the main and one on the forecastle deck. Four ship's boats are adjusted on skids before the after hatchway. Her ventilators are of the latest design and for all purposes required. He signal lamps are securely adjusted in miniature lighthouses on the forecastle deck.

The quarters for the officers and the crew's are commodious, comfortable and even elegant in point of finish. These apartments are as usual under the poop deck, and to avoid the possibility of being flooded have but one entrance which is from the poop deck. The vessel is also provided with a spacious cabin, a saloon, a model apartment the finish of which is oak and maple in panel, French polish, the arrangement and appointments of which is in striking harmony.

The captain's apartments comprise three rooms—a sittingroom, sleeping apartment and bathroom. The officers are provided with a stateroom and a bath room is provided for their use. The seamen's apartments are under the bridge deck.

The Lawhill is under charter for a cargo of wheat from Tacoma for Great Britian and left last Saturday in tow of the tug Tacoma for the port of destination.

Captain Singer expressed himself as delighted with Port Angele's admirable commercial situation, and said that during his seafaring career he had not visited a port which could boast the excellent harbor facilities possessed by this. In safety, anchorage-depth and searoom it was incomparably the finest harbor in the world.

It is rumored that upon Captain Singer's return to Scotland he will lead to the altar one of Scotland's fairest daughters.

ANOTHER RAILWAY PROPOSITION

Partially Divulged at the Board of Trade Last Evening.

The public announcement that another railway proposition would be made at the Board of Trade last evening for the consideration of citizens has been, during the past week, aside from the all-absorbing question of politics, a prolific subject of discussion.

Agreeable thereto a large, eager, anxious, curious crowd of citizens had come together at the Board of Trade rooms early in the evening, for the purpose of giving the promoters of the scheme a respectful audience.

Col. Coolican called the meeting to order and briefly announced that Mr. M. J. Carrigan would state the purpose of the meeting. Mr. Carrigan tersely reviewed the past history of railway endeavor in Clallam county, which, unfortunately, extended over a barren expanse, the reason why human effort had not prevailed in that direction was so clearly apparent, it would simply be a waste of time to review the causes to which every intelligent person attributed the failure of that indispensible agency to commercial and industrial advancement.

While in St. Paul several months ago Mr. Carrigan learned ot a wealthy syndicate of eastern capitalists that were soon to begin the construction of a railway in Texas. The syndicate was possessed of unlimited idle capital and was very anxious for its safe and permanent investment. Mr. Carrigan immediately communicated with the syndicate, and drew its attention to Port Angeles as a point offering superior inducement for the safe investment of capital. Matters have progressed to the point where the sydicate will send a representative to Port Angeles, and if a favorable report results from his visit, a railway company will be organized with sufficient capitalization to build the Angeles-Everett railway.

As to the inducements citizens would extend in lien of transcontinental railway connections, Mr. Carrigan had assured the syndicate that a $350,000 land subsidy and $25,000 in labor donations could be raised.

Citizens would not, however, be asked to contribute either of land, money or labor until the proposed railway company positively and satisfactory demonstrated its financial ability to build the railway.

Furthermore, the company would be required to deposit an earnest of $10,000 as evidence of good faith, to be forfeited in the event of failure on its part to redeem its agreement with subsidy-givers.

An agreement to this effect which had been prepared was submitted by Col. Coolican and endorsed by the meeting as binding on the part of the company and amply protecting the rights of bonus givers.

The proposed company is also to defray the expenses incident to the raising of the bonus, make the preliminary survey, and the bonus is to be raised along the line of the proposed road, a distance of 43 miles—the objective point being Oak Harbor, opposite Port Townsend. A steam ferry will connect Oak Harbor with Everett.

A resolution was then submitted embracing the foregoing agreement and pledging citizens to raise the land and labor bonus in the event of the compliance therewith on the part of the proposed railway company.

A committee was appointed by the chair empowered to represent citizens in this matters which was comprised of the following persons: J. S. Coolican, Capt. Wm. Morrissy, D. W. Morse, Jonas Bushell, John M. Martin and Norman R. Smith.

An impatient public will now await further developments.

MODEL MERCANTILE

Establishment—Responsive Market for Dungeness Products.

Should a resident of this county think that the mercantile business is dead or not improving, they should take a trip to Dungeness and watch the great volume of business done by the Dungeness Trading Company.

This entire business is now owned by Messrs. C. F. Seal, recently cashier of the Merchants Bank of Port Townsend, and H. J. Lipsett, one of the best known business men of Clallam county.

The financial part of the business is personally attended to by Mr. Seal and the handling of the large crops of the Dungeness valley is done through Mr. Lipsett.

A pleasing feature of confidence in our Clallam county products is best told by Ham Lipsett during a recent interview with our correspondent: "Dungeness is fast regaining her market for choice produce. We are finding ready markets for all kinds of nice products. During the last 3 or 4 years the farmers of Dungeness and vicinity have not been over careful in selecting for market only their best products, which necessarily made buyers cautious. Apples have not sold so readily before, simply because more care is being taken in packing. Their boxes this year are uniform and the apples are graded and assorted to suit the market. The apples raised in this county are as yet free from the "Codlin moth," but great care must be taken to permanently keep this insect away. Our orchards need cleaning up very much and the old trees replaced by better quality. Gravesteins for a choice apples.

We are to-day supplying Victoria with peas, from which are manufactured split peas.

"We have stopped Yakima hay from being sold in Victoria, and placed our local hay in its place.

Yakima and Bonaparte potatoes are not in it, as compared with Dungeness White Star, Burbank and Early June. The leading hotels of Victoria are to-day using these last named varieties.

"We also find ready markets for oats having shipped the bulk of the crops raised in our vicinity.

Wheat is a drug on the market, but the farmers in this county are better off than the farmers of Palouse, where the sum of $5 buys a ton of wheat. We have found a market for this product through personal operating and are pleased to say that we are buying all the wheat offered us.

"We do think, however, that we would like your deputy collector of customs located in our city, as the exports from Dungeness this season will greatly surprise those interested.

"Business in Clallam county is improving and the outlook is very promising. More land has been cleared and cultivated around Dungeness during the last year than has been done during four previous years and the crops are improving, both in quality and quantity.

"The farmers have the reins in their own hands to make Clallam county products the banner products of this state, by carefully preparing their products for market, and selecting for seed only good quality. Sugar beets have been raised this year and only this week have been shipped to our state chemist for analysis. Should the proper percentage of sugar be in the beet, land here will quadruple in value."

NEW INDUSTRIAL EPOCH

Capt. Johnson, of the W. F. Jewett, Tendered

A BANQUET AT THE NEW ALBANY

On the Eve of His Departure for Honolulu With the First Foreign Cargo of Lumber Shipped from This Port—It Marks the New Industrial Epoch in Port Angeles—A Number of Brilliant Toasts Proposed—Notes From Dungeness and Vicinity.

The banquet given at the New Albany last Saturday evening by the Board of Trade and the business men of the city to Captain Johnson of the schooner W. F. Jewett, on the eve of the departure of that vessel with the first cargo of lumber ever shipped foreign from this port, was not only a magnificent success, a unique entertainment, an outburst of patriotism of home, but it signifies as well the solidifying and the harmonizing of the business and commercial interests of Port Angeles. The business men of this city have been taught a truth as old as humanity itself and as incontrovertible as the laws of nature, that a community can only hope to reach commercial and industrial greatness; its people prosper, be happy and contented by getting together, pulling together and laboring with zeal and earnestness for the establishment of any legitimate enterprise calculated to subserve the welfare of the general public.

The dining hall of the New Albany was tastily decorated with bunting and evergreen and presented an inspiring scene, which was intensified with the animated gathering of public spirited business men, forty of whom had responded to the invitation to attend the banquet.

Col. James S. Coolican, in a neat, pointed address appointed Mr. A. A. Smith toastmaster, an honor that could not have been more worthily bestowed, and one which was discharged with that easy grace, ability and originality of manner, peculiarly Smithonian.

The presentation of an honorary life membership in the board of trade to Capt. Johnson, of the W. F. Jewett, was a feature of the evening.

Capt. Johnson feelingly responded. Thanked the members of the board of trade for the honor bestowed; said that his heart had been completely won by the open-handed hospitality extended him by citizens during his brief sojourn here; he was charmed with the admirable situation of Port Angeles, its superior harbor, which was in fact, the finest, he believed, in the world. The future of this port he firmly believed was a brilliant one, from a commercisl point of view. The speaker sincerely hoped that it would be his good fortune to continue in the Angeles-Hawaii trade for years to come.

Capt. P. Singer, of the magnificent four-masted British ship Lawhill, followed with a few remarks. The genial captain said that of all the ports into which he had ever sailed none, in his judgment, compared with this in safety, anchorage-depth and convenience. An important shipping port was its certain destiny.

Mayor J. E. Beam sent his regrets, pressing private matters made it impossible to attend. He, however, extended his heartfelt sympathy with the public commemoration of the new industrial epoch in Port Angeles.

The following are the toasts responded to:

Dungeness Notes.

The newly elected Board of Directors of the Groveland Improvement Co., held a meeting for organization at the company's office in Dungeness on the 1st inst. Wm. Bishop, jr, was elected President, C. F. Seal Manager, and H. J. Lipsett Secretary and Treasurer.

W. W. Felger and Wm. Bishop, jr, came down from Townsend on the Monticello last Thursday and returned same day.

The Groveland Improvement Co., are asking for bids on piling in order to make repairs to the outer end of the long wharf.

A grand ball will be given in Dungeness on Friday of this week under the direction of Dick Blake and Mark Miner.

Mr. Thos. Miner and daughters have purchased the Hart cottage on Groveland Avenue and will take possession shortly.

Mrs. James B. Dick returned from Port Townsend on Tuesday, after visiting with her daughter for a week.

The ladies of the M. E. Church will hold their annual bazaar on Tuesday and Wednesday of next week.

Mrs. Merchant from Forks, after accompanying her daughter Miss Maude to Port Townsend where the young lady will attend school, stopped off at Dungeness on her return home and visited several days with Mr. and Mrs. Seal.

Mrs. Wm. McKinney's sister Mrs. Armstrong, and little daughter, from Nanaimo, are visiting in Dungeness.

The schooner Geo. W. Prescott took a load of hay from the wharf at the old town for Hall & Bishop at Gettysburg. In going out of the old harbor through the narrow and circuitous channel the vessel grounded and was gotten off with difficulty. The channel is yearly filling in more and more and eventually all shipping must of necessity be done from the long wharf.

Resolutions of Respect.

Inasmuch as it has pleased God to take unto Himself our esteemed sister and fellow worker, Leora A. Rollins, be it

RESOLVED, That, we, The Ladies Aid Society, of Dungeness, do tender to the bereaved husband and family of deceased in this, their recent affliction, our deepest and most heartfelt sympathy and condolence.

JOHN W. TROY.....Editor

THE RECENT STATE ELECTIONS.

The country experienced one of those political revolution Tuesday that have become characteristic of the politics of the last decade. Every northern state but California has gone Republican. That party will probably have full control of both branches of the national legislature, with a good working majority in each.

There are many causes for this result. The greater cause was Democratic dissatisfaction with its leaders and with the action of its public servants. The Democratic voters had become disgusted, to a large extent, and stayed at home. Then there can be no doubt but that many people charged the Democratic party with being responsible for the hard times.

This caused a great many who had voted for the Democrats two years ago to again vote the Republican ticket.

But probably as great in importance in the causes that lead up to the result was the use of money. Millions of dollars of the money wrung by the protection beneficiaries from the people were used to accomplish the result.

FORECAST OF LOCAL ELECTION.

On account of the bungling, indefinite manner in which the returns have come in, it will take the official canvass to decide who have been chosen to manage the county offices.

However, enough is known to insure the election of John W. Troy county auditor; A. A. Richardson, county clerk; and E. A. FitzHenry, county surveyor; on the Democratic ticket, while the Republicans have elected W. J. Dyke, sheriff; A. B. Dorsey, county treasurer; possibly James Stewart, prosecuting attorney; and W. W. McGeorge, coroner. The Populists have elected T. M. Graybill, county commissioner; Ella Guptill, school superintendent. While the assessorship and the west end county commissionership is in doubt.

THE editor of Tribune-Times is now a humble supplicant at the Republican altar. The old prodigal candidly admits that "the sell-outs and betrayals of the past campaign in this county were dirty, outrageous and exceeded all former campaigns. "An honest confession is good for the soul."

IF Republicans imagine the result of Tuesday's election distinctively a Republican victory, let them dare to restore the McKinley tariff, and then await the verdict of the people. McKinleyism is dead.

Now for a business administration of municipal affairs. This should not be a question of partizanship. A rigidly economical and strictly honest municipal administration should be sought by all patriotic citizens irrespective of political affiliations.

Dr. Price's Cream Baking Powder
Awarded Gold Medal Midwinter Fair, San Francisco.

MR. ULMER says SOME of the old soldiers did not fully support the Republican ticket. As an old soldier, speaking for himself, Mr. Ulmer, no doubt, has a solid basis of calculation.

THE incoming municipal administration should be conducted strictly on a business basis. Only men pledged to rigid reform should be nominated. Then elect them.

IT is of infinite importance that citizens elect able, reliable men to administer the affairs of the city during the incoming municipal year.

CITIZENS should unite in nominating a clean, strong municipal ticket. Their duty does not cease here. They then should unite in an effort to elect it.

THE demand of the hour is sweeping retrenchment in municipal expenditures. Heed the demand.

MARK the fate of Tammany. Profligacy in public administration has received a crushing rebuke.

Now that the Republican party controls both branches of congress, what is it going do with it?

THE editor of the Tribune-Times has been writing poetry. And such poetry.

Lost Mountain Items.

Mr. Editor:

DEAR SIR—As it has been some time since we have seen any item in your paper concerning affairs happening in our pleasant "Michigan Valley" situated here on Lost Mountain, I thought I would write you about the picnic and exercises attended here at the close of school for this term, ending October 26, and taught by Miss Lizzie Burrows, of Blyn.

There were present about thirty scholars and twenty visitors. The exercises were as follows:

Vacation Song.....School
Recitation.....Joseph Garlick
Recitation.....Leona Daniels
Song.....Jos. Garlick and Earl Gage
Recitation.....Roscoe Garlick
Dialogue.....Clara Eck, Earl Gage, Roscoe Garlick and Joseph Garlick
Recitation.....Fannie Stone

Song, "Star Spangled Banner"...School
Recitation.....Sidna Morris
Recitation.....Exa Morris
Reading and singing.....Fannie Stone
Recitation.....Clara Eck
Dialogue....Roscoe Garlick and Lee Eck

Closed by singing "When He Cometh.' All the exercises wese rendered very nicely after which the teacher presented each scholar with a sack of nuts and candy the visitors were remembered also and enjoyed the treat of nuts and candy.

At the close a nice luncheon was served. The school house was decorated with evergreens and maple leaves and a motto, "Last Day of School" which was printed on the blackboard by one of the scholars.

I wish also to make mention of our Literary Society, which is being held at the school house every Saturday evening and although it is yet in its infancy we are pleased to say that most of the people living here are willing to aid us in making it a success. Thanks for their kindness and assistance.

DEATH OF REEVS P. WALLIS.

An Old Settler Suddenly Succumbs to an Attack of Neuralgia of the Heart.

The sudden death of Reevs P. Wallis from an attack of neuralgia of the heart at his home in this city on the corner of eight and Race streets, last Tuesday afternoon at 2:30 was a severe shock to the entire community.

For some weeks past Mr. Wallis had been in exceedingly ill health, and was confined to his bed part of the time with incipient pneumonia. He returned last Monday evening from the Elwha and was more or less exposed to the severe weather prevailing at the time. Early that evening he was suddenly seized with excruciating pains in the region of the heart. Dr. Lull was immediately summoned and did all in his power to overcome the inroads of the terrible malady, but without avail, and the patient hovered between life and death until 2:30 the following day when he succumbed to the inevitable.

Deceased was a native of Canada, was 59 years of age and had been a resident of the county for the past seven years. He leaves a wife and four daughters to mourn the loss of a loving husband an affectionate father and a worthy citizen.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. It has not only saved us worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by J. C. Hansen, druggist.

SUMMONS.

In the Superior Court of Clallam County State of Washington.

Sallie A. Darnell, Plaintiff.
vs.
Andrew J. Darnell, Defendant.

State of Washington, } ss
County of Clallam. }

The State of Washington to Andrew J. Darnell, the above named defendant:

You are hereby summoned and required to appear within twenty days after the service of this summons, exclusive of the day of service, answer the complaint in the above entitled action and serve a copy of your answer on Benton Embree, the person whose name is subscribed to this summons as the attorney for the above named plaintiff, at the place specified following his said name, that is to say, at the city of Port Angeles, in Clallam county, State of Washington, in which place there is a postoffice, and defend the above entitled action in the above entitled court; and in case of your failure so to do, judgment will be rendered against you, according to the demand of the complaint which is now on file with the clerk of said court.

The first publication of this summons will be made on the 24th day of August, 1894, and will be published once each week thereafter for six consecutive weeks, and the service of this summons will be deemed complete at the expiration of said six weeks.

BENTON EMBREE,
Plaintiff's Attorney.

Notice for Publication.

United States Land Office, }
Seattle, Wash., Sept. 7th, 1894. }

Notice is hereby given that in compliance with the provisions of the Act of Congress of June 3, 1878, entitled, "An Act for the sale of timber lands in the states of California, Oregon, Nevada and Washington territory," as extended to all the Public Land States by act of August 4, 1892,

JAMES G. McCLINTON,

of Port Angeles, county of Clallam, state of Washington has this day filed in this office his sworn statement No. 6469, for the purchase of the Lots 2 and 3, of section No. 28, in township No. 30 north, range No. 9 west, and will offer proof to show that the land sought is more valuable for its timber or stone than for agricultural purposes and to establish his claim to said land before the Register and Receiver of this office at Seattle, Washington, on Thursday, the 29th day of November, 1894.

He names as witnesses: Edward A. Barnes and Paul Barnes, of Fairholme, and Arthur A. Smith and William W. Dedman, of Port Angeles, all of Clallam county, Washington.

Any and all persons claiming adversely the above described lands are requested to file their claims in this office on or before said 29th day of November, 1894.

Wm. D. O'Toole, Reg.

THE COUNTY ELECTION.

Inaccurate Returns from Outside Precincts Require an Official Count to Determine the Vote Received by Each Candidate.

It was confidently expected that complete official returns from all of the outside precincts would have been received by the county auditor not later than Saturday morning. But for some reason over which, doubtless, the election board had no control, the returns from Suez precinct did not arrive from the west on the Willapa thus (Saturday) morning, in consequence the official canvass will necessarily be delayed until next Tuesday morning.

From the incomplete, therefore necessarily inaccurate returns, sufficient data is at command to at least venture the following result of the election:

DEMOCRATS.

Auditor.....John W. Troy
Clerk.....A. A. Richardson
Attorney (doubtful).....D. W. Bryan
Surveyor.....E. A. FitzHenry
Commissioner (3rd district)..S. G. Tuttle

REPUBLICANS.

State Senator.....R. C. Wilson
Representative.....Benton Embree
Treasurer.....A. B. Dorsey
Sheriff.....Walter J. Dyke
Assessor (Doubtful).....O. J. Austin
Justice of the Peace (P.A.) C. W. Brewster
Constable (Pt. A.).....Chas. Beam

POPULISTS.

Commissioner (this district).T M Graybill
Superintendent of Schools..Ella Guptill
Justice of the Peace (P. A.)..S. P. Carusi
Constable.....P. Davis

The Vote for Commissioner.

Below is given the approximate vote for commissioner in the Third District, as given by the East Clallam Record. Tuttle, Democrat, is undoubtedly elected. The returns from Suez, for some unaccountable reason, have not arrived. They will not, however, change the result, and are more likely to increase Tuttle's plurality:

	TUTTLE	WHITTIER	VANHORN
Beaver	8	22	12
Clallam Bay	26	2	2
East Clallam	46	2	5
Fairholm	4	4	3
Hoko Falls	..	..	19
La Push	3	6	11
Ozette	11	3	4
Quillayute	2	8	29
Suez	..	..	..
Solduck	1	19	2
Shuwah	3	17	4
East Dickey	3	1	5
Forks	4	20	1
Gettysburg	24	6	3
Neah Bay	4	..	3
Pysht	3	13	1
Total	142	123	109

The exact vote for commissioner at Forks and Shuwah is not known here but the estimates given largely favor Whittier.

THE RESULT.

The Swift and Sure Reward of the Betrayal of Public Trust.

The returns from the East, indicated sweeping Republican victory. That party carries nearly every Northern and Western state. The following is the result:

We May Divide Thinkers

Into those who think themselves and allow others to think for them.

Those who think themselves have trouble to see our Price List. They have compared our prices and they have been pleased, settled it. They are regular customers and are well satisfied.

The other kind are those who think, but don't think long enough to think much about it, are a little slow in sending for our Price List.

It costs you nothing and if you will send us your name and address we will be glad to send you the November Price List. It's by all means the best and most complete ever published in this state.

A Marvelous Showing.

The U. S. Government, through the Agricultural Department, has been investigating the baking powders for the purpose of informing the public which was the purest, most economical and wholesome.

The published report shows the Royal Baking Powder to be a pure, healthful preparation, absolutely free from alum or any adulterant, and that it is greatly stronger in leavening power than any other baking powder.

Consumers should not let this valuable information, official and unprejudiced, go unheeded.

Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., "none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

For the cure of all diseases originating in impure blood, the best remedy is

AYER'S Sarsaparilla

Saved Her Life.

MRS. C. J. WOOLDRIDGE, of Wortham, Texas, saved the life of her child by the use of **Ayer's Cherry Pectoral.**

"One of my children had Croup. The case was attended by our physician, and was supposed to be well under control. One night I was startled by the child's hard breathing, and on going to it found it strangling. It had nearly ceased to breathe. Realizing that the child's alarming condition had become possible in spite of the medicines given, I reasoned that such remedies would be of no avail. Having part of a bottle of **Ayer's** Cherry Pectoral in the house, I gave the child three doses, at short intervals, and anxiously waited results. From the moment the Pectoral was given, the child's breathing grew easier, and, in a short time, she was sleeping quietly and breathing naturally. The child is alive and well to-day, and I do not hesitate to say that **Ayer's** Cherry Pectoral saved her life."

Proposed Constitutional Amendment.

Notice is hereby given pursuant to the provisions of an Act of the Legislature of the State of Washington, entitled "An Act to provide for voting on a constitutional amendment at the general election to be held in November, 1891, relative to the investment of the permanent school fund," approved February 6, 1893, that the following amendment to Section 5, of Article XVI, of the Constitution of the State of Washington will be submitted to the qualified electors of said state for their approval at the next general election:

Section 5.—None of the permanent school fund of this state shall ever be loaned to private persons or corporations, but it may be invested in national, state, county, municipal or school district bonds." That there shall be printed on all the ballots supplied for said election the words, "For proposed amendment to Section 5, Article XVI, of Constitution, relative to investment of permanent school fund. Against proposed amendment to Section 5, Article XVI of Constitution, relative to investment of permanent school fund." At said election each elector shall vote for or against said amendment by crossing out part of the ballot in such a manner that the remaining part shall express his vote on the question submitted.

SEAL. IN WITNESS whereof I have hereunto set my hand and affixed the seal of the State, this 24th day of July, 1894.

PATENTS
FOR INVENTIONS.

Equal with the interest of those having claims against the government is that of INVENTORS, who often lose the benefit of valuable inventions because of the incompetency or inattention of the attorneys employed to obtain their patents. Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With the view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, we have retained counsel expert in patent practice, and therefore are prepared to

Obtain Patents in the United States and all Foreign Countries, Conduct Interferences, Make Special Examinations, Prosecute Rejected Cases, Register Trade-Marks and Copyrights, Render Opinions as to Scope and Validity of Patents, Prosecute and Defend Infringement Suits, Etc., Etc.

If you have an invention on hand send a sketch or photograph thereof, together with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are seldom necessary. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the matter.

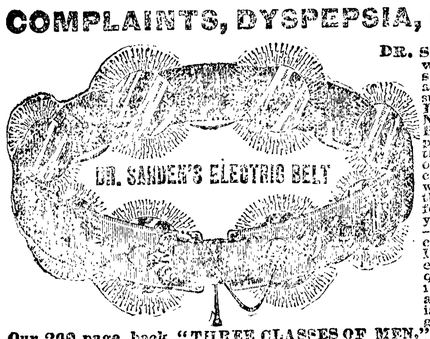
HAVE YOU TRIED DRUGS AND FAILED
TO FIND A CURE FOR
RHEUMATISM, LUMBAGO, SCIATICA, KIDNEY, LIVER and BLADDER COMPLAINTS, DYSPEPSIA, LAME-BACK, &c.



DR. SANDEN'S ELECTRIC BELT with Electro Magnetic Suspensory will cure without medicine all of the above troubles. Those who suffer from Nervous Debility, Losses, Drains, Lost Manhood, Nervousness, Sleeplessness, Poor Memory, all Female Complaints, and general Ill health, the effects of abuses, excesses, worry or exposure, will find relief and prompt cure in our marvelous invention, which requires but a trial to convince the most skeptical. In ignorance of effects you may have unduly drained your system of nerve force and vitality—which is electricity—and thus caused your weakness or lack of force. If you restore into your system the elements thus drained, which are required for vigorous strength, you will remove the cause and health, strength and vigor will follow at once. This is our plan and treatment, and we guarantee a cure or refund money.

Our 200 page book "THREE CLASSES OF MEN," should be read by every young, middle-aged and old man, sent sealed, free. Dr. Sanden's Electric Belt is no experiment as we have restored thousands to robust health and vigor, after all other treatments failed, as can be shown by hundreds of cases throughout this and other States, who would gladly testify, and from many of whom we have strong letters bearing testimony to their recovery after using our Belt.

WE HAVE CURED THESE—WE CAN CURE YOU!

GENERAL DEBILITY CURED.
San Francisco, Cal., August 14, 1892.
Dr. A. T. Sanden, Dear Sir:—Before I used your belt I was troubled with lost vigor, vital weakness, and almost a complete loss of power. I would get up with a very tired feeling, bones aching, etc.; since using your belt I have had a new lease of life. I now enjoy life better than I have for ten years past. I have the utmost confidence in your treatment. You can publish this statement, also have others write or call on me. Truly yours, H. A. BOWEN, 26 and 28 Turk St.

RHEUMATISM AND LAMENESS CURED.
Portland, Oregon, April 15, 1892.
Dr. A. T. Sanden, Dear Sir:—I got one of your belts two weeks ago for rheumatism, from which I suffered for several years. For the past six months I had not been able to work. Your belt has placed me in almost perfect health in the two weeks I have used it. I can walk comfortably, and feel like a new man generally.
M. E. HUGHES, Proprietor International Hotel.

NERVOUS DEBILITY—LOSS OF VIGOR.
Tacoma, Wash., October 24, 1892.
Dr. A. T. Sanden, Dear Sir:—I have been using your Electric belt for general nervous debility, and to-day feel better than I have for five years. I have gained in vigor daily, and am strong in every part.
Yours gratefully, CHAS. LUETKA.

LAME BACK AND RHEUMATISM.
Portland, Oregon, September 26, 1892.
Dr. A. T. Sanden, Dear Sir:—Years of exposure and hard work, combined with the strain coming from the jar of an engine, gave me a severe case of lame back, from which I suffered for several years. I was so bad that I could not bend my back. My pain doubled up with it. I bought one of your belts. It helped me in side of two days, and I continued to wear it for four months, being perfectly cured. That was two years ago, and I am as well to-day as I ever was in my life. I know your belt well, and I know lots of people who have been cured by it. Many others need it, and if they would try it they would find it the same as I did—the best remedy in the world. I am located here permanently, and will be glad to talk with any one who wants to inquire about it.
ROBERT BURRELL, Engineer Hotel Portland.

LOST VITALITY AND STRENGTH.
Everett, Wash, June 13, 1892.
Dr. A. T. Sanden, Dear Sir:—Since wearing your belt I have been greatly benefited. I feel my old energy fast returning; and after a month's use of the belt I find myself twice as vigorous as before. My memory is now nearly perfect, and each day shows for the better. I feel much stronger than before using the belt. Yours truly, HENRY SCHULTZ.

THE DR. SANDEN ELECTRIC BELT

is a complete galvanic battery, made into a belt so as to be easily worn during work or at rest, and it gives soothing, prolonged currents which are instantly felt throughout all weak parts, or we forfeit $5,000. It has an Improved Electric Suspensory, the greatest boon ever given weak men, and we warrant it to cure any of the above weaknesses, and to enlarge shrunken limbs, or parts, or Money Refunded. They are graded in strength to meet all stages of weakness in young, middle-aged or old men, and will cure the worst cases in two or three months. Address for full information.
