Democratic State Convention Does Its Work Nobly.

CLEVELAND HONEST AND FEARLESS

The State Convention Meets at Tacoma and Adopts a Ringing Platform For Free Silver and the Monroe Doctrine and Praises President Cleveland For His Integrity, Americanism and Patriotism.

The Democratic State Convention convened at Tacoma Tuesday for the selection of delegates to the Democratic National Convention.

James Hamilton Lewis was elected as chairman. On taking the chair, Colonel Lewis made a half hour speech, which was one of the best efforts of that eloquent gentleman. After the appointment of committees on credentials, rules of order and resolutions, the convention adjourned to give the committees time to make a report.

After a warm and earnest discussion lasting for more than three hours, the resolutions committee decided upon the platform that was subsequently adopted. It was the platform offered by the free silvermen and Gilmar, of King, drafted it. The platform is:

"Recognizing that honest men may differ on questions of party policy and principles, we differ from the president on financial questions. We commend the administration of President Cleveland as honest, able and fearless, and we now reaffirm our unshaken confidence in the integrity, Americanism and patriotism of the great chief magistrate of the nation.

"We believe in the Monroe doctine, as interpreted by President Cleveland and his able secretary of state, Richard Olney.

"We demand the free and unlimited coinage of silver at the ratio of 16 to 1, without waiting for the intervention of any other nation."

The contest over the platform developed three factions, the straight gold men, the silver men who were favorable to the administration and desired both an unequivocal endorsement of the president and a free silver plank and the silver men straight, who offered the platform as above. Mr. Hugh C. Wallace, as leader of the administration men, finally surrendered to the straight free silver men, and the gold men offered as the sentiment of the minority of the committee an anti-silver substitute.

The gold substitute was rejected by a vote of 297 to 89.

The following were elected delegates to the National convention:

Wm. H. White, of Seattle; James E. Fenton, of Spokane; H. C. Wallace, of Tacoma; Thos. Malony, of Port Angeles; R. C. McCroskey, of Whitman county; J. F. Girton, of Aberdeen; Dr. C. A. Darling, of New Whatcom; John L. Sharpstein, of Walla Walla.

Of the delegates all are pronounced free silver men except Wallace, Girton and Sharpstein, and these are pledged to stand upon the Washington platform, which is strongly free silver.

At the Council.

The council met in regular session April 1st.

Street committee was empowered to repair A street on Tumwater hill.

Quinn stated that he had seen Bowman in regard to putting in piles on Front street and that he had stated that he had complied with the request of the council at the time and had put in stringers.

The electric light committee reported the managers report correct.

Council allowed $25 to complete zigzag on C street.

Bill of W. E. Burnside for labor on Valley street was referred back for the purpose of inserting names of the parties who did the work.

Rosa Rohl was allowed $2 in cash and $3 in groceries for her support.

On motion of Munro the matter of piling Front street was referred to street commissioner with power to act.

Messrs. Hunt, Taylor and Mona were granted privilege of piling Front street in front of their property.

A motion prevailed that council, clerk and treasurer meet at 7:30 p. m. Thursday evening.

The council then adjourned Thursday evening.

K. of P. Excursion.

The Grand Lodge of the Knights of Pythias convenes at Seattle, May 10th. The members of the local lodge have made arrangements to run an excursion to the convention. They have secured a $2 rate for the round trip, good for three days.

The New York World.

The twice-a-week edition of the New York World has been converted into the Thrice-a-week. It furnishes three papers of six pages apiece, or eighteen pages every week at the old price of one dollar a year. This gives 156 papers a year for one dollar, and every paper has six pages eight columns wide or forty-eight columns in all. The Thrice-a-Week World is not only much larger than any weekly or semi-weekly newspaper, but it furnishes the news with much greater frequency and promptness. In fact it combines all the crisp, fresh qualities of a daily with the attractive special features of a weekly. THE DEMOCRAT-LEADER and THE THRICE-A-WEEK WORLD will be mailed to any address at $2 a year.

During the winter of 1893, F. M. Martin of Long Beach, West Va., contracted a severe cold which left him with a Cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy, which relieved me almost instantly, and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constantly grown in favor and popularity. For sale at 25 and 50 cents per bottle by J. C. Hansen, Druggist.

LOOKS LIKE A GO, SURE ENOUGH.

A Large and Enthusiastic Meeting Held at East Clallam at Which a Good Proposition Is Made to the West End People—Those Present Jump In and Raise One Quarter of the Subsidy On the Spot.

Special to THE DEMOCRAT-LEADER:

EAST CLALLAM, WASH., April 15th—A very enthusiastic railroad meeting was held here yesterday afternoon in Odd Fellows' Hall at which every one for a radius of 20 miles were present and listened with marked attention to the different speakers.

The promoters of the enterprise, Messrs. Earles, Kellogg and Constans of Seattle, together with a party of surveyors and photographers were present, and made the people a very fair and, apparently, a bona-fide proposition.

Mr. Constans, one of the chief representatives of the Peninsula Railroad Co., outlined the proposition in a very pretty speech, the substance of which is as follows:

We, the representatives of the Peninsula Railroad Co., agree to build, equip and put in operation, a railroad from Clallam Bay to the forks of the Quillayute and Bogacheil rivers, a distance of forty miles, provided a subsidy of 25,000 acres of land or its equivalent can be raised.

We agree also to have the road completed and in running order within eighteen months after the subsidy is raised. We also agree to start actual construction work on the road within thirty days after the right of way is secured.

We also agree to have the road completed and in operation before demanding any deed or any part of the 25,000-acre subsidy.

This, the people think, is a very fair proposition, and one and all express themselves as highly pleased with the outlook for a railroad in the near future. Already a quarter of the subsidy has been raised and more is assured in this vicinity.

The promoters and their canvassers left this morning on a cruise through the back country. Meetings will be held at Sappho, Beaver, Forks and La Push, and before returning will have canvassed the entire west end of the county.

There is not a particle of doubt but what the subsidy will be raised in a very short time and that the Clallam Bay & Quillayute Railroad is an assured thing in the near future.

Experienced land cruisers say that over thirty-six billion feet of fir, spruce and cedar timber will be tributary to the proposed road and will find a market via Clallam Bay, thereby making this port the greatest lumbering center on the coast.

They Should be Encouraged.

The block of buildings on the north side of Front street just east of Oak street has passed into new hands. Mr. Ernst Wirth, Mr. Alonzo Hunt and Mr. L. W. Taylor are the new owners, the latter having purchased the east portion of the block only a few days since.

These gentlemen have decided to improve the street in front of their property. They will put in additional piling and plank up to Oak street, so that the entire width of the street can be used for traffic. They will ask the city council to finish planking Oak street, thereby securing access to all sides of the block. It is their intention also to make some improvements in the buildings and will then christian it "Dakota Block"

The owners of this property are all men who have recently settled here from the east and they cannot be too highly praised for their enterprise.

Impovished blood causes that tired feeling. Hood's Sarsaparilla purifies, enriches and vitalizes the blood, giving new life and increased vigor and vitality. Hood's pills are easy to take, easy to operate. Cure indigestion, biliousness, headache.

Notice.

We positively will not deliver washing until it is paid for.

LITTLE GEM LAUNDRY.

CLALLAM COUNTY OBELISK.

A Relic of Former Ages Within Our Borders.

Clallam county is fast becoming famous for its natural wonders. The fame of its beautiful lakes, stupendous mountains, and georgeous waterfalls is spreading from the Pacific to the Atlantic. But all this lavish richness of nature is as nothing to the latest wonder found within its borders. Egypt is noted the world over for its exceeding fertility of soil, its world famed pyramids, its Cleopatra's needle, but she hasn't the bulge on Clallam county except in the trifle of pyramids, and before we get through we may be able to rival her on that score.

Jesting aside, we have a wonderful tale for our readers.

Frank Jones, the indefatigable mountaineer, tells a remarkable story of a discovery he has made in the very heart of the Olympic mountains. It is nothing more nor less than the existence of a mammoth obelisk, which has apparently stood for ages as a beacon or a shrine for some unknown and unknowable race of beings. He found it about thirty-five miles southeast of Port Angeles, or almost directly south of the main branch of the Dungeness river.

It stands at the south end of a beautiful little lake formed by the eruption of a volcano at some remote period. The lake lies on the south slope of the mountain and is about three-quarters of a mile long and 300 yards wide. It is of unfathomable depth and its water of the deepest cerulean blue.

The old mother mountain in her fiery convulsions seems to have had an enormous mass torn from her side, as her ribs of rock tower 1,500 feet straight up from the level of the lake, which apparently is the crater of the extinct volcano.

Its greatest length is from north to south. Mr. Jones, when he discovered the monument, says he was on the western edge of the lake watching the magnificent trout sporting in the water and happening to look to the right, noticed something unusual at the end of the lake, something straight up and overtopping the growth of small trees around the lake. He hurried around the point and made a strange discovery.

There before his wondering eyes, in the very heart of a wild and desolate region that neither sign nor tradition had ever given assurance of the presence of a human being stood a mass of stone that reared its form to a height of 150 feet, bearing every evidence of having been constructed with all the skill of the most skillful artisan.

Mr. Jones, after catching his breath, made a close examination of the wonderful affair. It was constructed of black granite rock, taken from the side of the mountain. The foundation piece was a cube of stone about ten feet each way and each ascending block was of the same depth, but tapering on the sides until the top piece was, as estimated by Mr. Jones, four feet across at its base and was chiseled away on all four sides to an apex.

These different blocks of stone were fitted snugly as almost to hide the lines of contact and at a casual glance one would think it was a solid pillar of stone.

On the south face of the foundation stone is some sort of an inscription. There are five lines of these hieroglyphics, the top line reaching nearly across the face of the stone and each decending line shorter than the preceding one.

Mr. Jones tried to describe these inscriptions. The nearest he could come to it was to say that they resembled in some respects Chinese printing. He is quite sure it is a written language, as the characters in no wise looked like any animal, instrument or utensil. They were chiseled out with a round pointed tool, as the channels are rounding at the bottom and display great skill.

Mr. Jones says that the monument, obelisk, or what-you-may-call-it, stands about 200 yards from the precipitous face of the mountain, and it is a puzzler to him as to how those immense cubes of granite were raised up and placed on top of each other.

It opens up a world of speculation and should prove a rich field for the archaeologist. Mr. Jones says he can reach it in two day's travel and will take anyone to the place that desires to see it.

Simon S. Hartman, of Tunnelton West Va., has been subject to attacks of colic about once a year, and would have to call a doctor and then suffer for about twelve hours as much as some do when they die. He was taken recently just the same as at other times, and concluded to try Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says: "I took one dose of it and it gave me relief in five minutes. That is more than anything else has ever done for me." For sale by J. C. Hansen, Druggist.

NOW IT'S A FLOUR MILL

The Immigration Association Tackles a New Proposition.

CITY IMPROVEMENT CLUB ADVICE.

A Large and Interested Crowd Meets at the Board of Trade Room and Discusses Plans For Beautifying Ourselves—Property Owners Urged to Begin Work at Once and Not Wait For Any Official Action.

The Clallam County Immigration Association held its regular weekly meeting last Saturday afternoon at the Board of Trade rooms, with Vice-president Carrigan as chairman.

Secretary Gale read a letter from President Coolican, with copies of correspondence relative to the establishment of a flour mill at Port Angeles.

Mr. Alonzo Hunt thought this was a splendid site for a flour mill and that wheat could be brought here as well as to Seattle, and other up-Sound ports, as we have to bring our flour here any way.

G. V. Smith said that Alaska was the bonanza of Port Angeles. The product of the gold regions would find their final lodgment here, but he thought the most important point was a railroad. It is a great necessity to the town.

Mr. Carrigan said that for a milling point this was the best, owing to the growing importance of the China and Japan trade.

The rolled oats made from La Conner oats took first prize at the state fair.

Mr. Banks said that all the wheat used by the Victoria mill was secured from California and Vancouver, B. C., and it was a success.

Mr. Jordan thought that the Dungeness wheat would make whole wheat flour.

A committee of three, Messrs. Fuller, Hunt and Banks, was appointed to look after the matter and to answer the inquiries.

Mr. Carrigan suggested that all reports should be made in shape for publication so that they may become part of the literature of the association.

The meeting indulged in some extended remarks as to a railroad for Angeles. Mr. Carrigan assured those present that the railroad people knew all about Angeles and it was only a question of time when they would build to this place.

The C. B. & Q. people, particularly were looking to this place as they were deeply interested in finding the best terminal on the Pacific.

But what we want is people. He contended that the Alaska excitement is the best immigration movement, and that we should seek to catch the main tide and not the overflow.

There is no longer any doubt that there is gold in the Olympics; prospectors do not have to incur any extra expense, being only forty-eight hours from the mining district. The specimens that have come in are not only encouraging, but exhilerating and everyone should get out and prospect.

On motion of Capt. Bradley the secretary was instructed to prepare an alphabetical list of members to be posted on the walls so that everyone may know who are "wid us."

Meeting adjourned to meet next Saturday, the 18th.

The City Street Improvement Association met during Saturday afternoon, President Geo. V. Smith occupied the chair. Secretary Wm. Banks read the minutes of the previous meeting, which were approved as read.

The committee appointed to formulate a plan of action reported that it was not ready to suggest a plan and asked for further time, which was granted.

Captain Bradley addressed the meeting at some length, setting forth the necessity for careful research as to the best legal method to adopt. He advocated the duty of every citizen and property owner to join in this movement for good streets and he thought that the work of clearing the streets of stumps could be done by the residents in each block and that the obstructions on the street in such block owned by those who refused could be declared a nuisance and the expense charged to the property.

Capt. Morrisey and Judge Smith spoke in the same strain. The chairman was of the opinion that by correspondence with non-resident owners of city property it might be possible to collect considerable funds to aid in the work of improving and beautifying our streets.

Prof. Tiffany was of the opinion that if the streets were cleared and simply graded regardless of excavation and filling, the result would be beneficial in many ways and enhance the value o everyone's property. D. C. Hibbard and others spoke much to the same effect.

Mr. Carrigan urged on every owner the duty of getting to work at once, in clearing and rough grading the street fronting his property, as the expense of grading ultimately to official grade would certainly be much less as a consequence of such work.

Meeting adjourned to meet Saturday, April 18, 1896.

ELOQUENT AND TRUE.

There is at least one man in the State of Washington who never forgets the common people and who never misses an opportunity to advance their cause. No matter where he is, whether in his Seattle office or whether he is being entertained in New York or Washington City, James Hamilton Lewis is ever a patriot and ready and willing to acknowledge the debt of of party or nation to the plain, common masses who have ever been the trust and stay of the nation in its hour of need.

Col. Lewis is a Democrat—a Democratic Democrat, yet he sees clearer than a less patriotic citizen the evils that threaten Democracy in this country. In his recent speech in New York City, delivered at a banquet of the Democratic society of New York, which society includes as members the leading Democrats of New York City, he did not hesitate to "brave the lion in his den." In plain language he pointed out to those wealthy New Yorkers the real cause of the present position of the Democratic party, and indicated very clearly what is necessay to again make the Democratic party truly Democratic.

Col. Lewis closed his splendid and eloquent address with the following well-chosen words:

"Why have we continued to ignore the only safe, secure, and permanent system of currency, that recommended by Jefferson, adopted by Hamilton and endorsed by Jackson. What mean these new beguilers, cajoling us off to squabbling conflicts, serving only the good of the less patriotic and of the less deserving of our nation, while in the meantime we forget, even desert the basic principles of the party's existence, and all the while are forfeiting the love and losing the support of a free nation's greatest charge—her hope, her strength, her saviors—the people, the plain people, those who were ever the solicitude of Jefferson, the regard of Jackson, the love of Lincoln, and the stay of Tilden? Who has persuaded us from these gods? Whither are we trending?

"I charge that it all is due to those who of late have assumed to lead the party, not as Democrats, but in the way they chose as beneficiaries of a system they would use us to perpetuate, of personal gain to them, and no public good, and we silent? Shall I say with Baynim, 'What, Syracusans, do you sleep?' Come, gird on your armors to-night, let's to the front, the battle's on! We drive from the country's places of blessing those who are defiling her institutions and slaying her grandeur. Let's purge our holy temple of the false apostles who come to our altars to worship with a sword.

"Defeat has never dismayed you, and failure only strengthened you to new assaults. You were as they around Troy—twenty years besieging the walls before they fell then—you planted your colors on the crumbled battlements of your enemy. Shall we now, that we merely have been repulsed from a position, yield the fort? Not if the old life is within us. We shout out to the waiting masses, 'we are coming, as of old, our banners stream and blaze with the fire of a new faith in 'the old creed'—the eternal hope'—'patriotism and country' — 'sovereign citizenship and freedom to the weakest of earth,' these first, second, and forever—and even now their welcoming shouts is the music of our step and with them, and for them, their cause and their country, history yet will write us as the true deliverers of oppressed man on earth."

THE PROPOSED RAILROAD.

The proposed railroad from East Clallam to Quillayute seems a feasible proposition. Such a railroad would open up a section of the richest territory in the State of Washington. The timber and farm produce that would be handled by such a railroad would, without doubt, pay dividends on the investment. And the advantages that would accrue to the people of the Quillayute valley and the country surrounding East Clallam would be so great that the subsidy of 25,000 acres of land should be raised by the people without delay. It should receive every encouragement from the people of Clallam county.

FOR FREE SILVER.

The Tacoma Democratic Convention did its work well. The free silver men had their way. It is true the short time allowed for the convention worked to the disadvantage of the people, and the gold men made a better showing than would have been the case had the date of the convention been set later.

However, there is nothing uncertain about the platform adopted. The State of Washington demands the free coinage of silver and its eight votes will be cast for free silver coinage at Chicago.

On the 9th of April, the New York Journal asked leading Democrats in all states what candidates for the presidency were popular in their states and what those partisans thought of a third term for Cleveland. Hon. Hugh C. Wallace answered:

"Mr. Cleveland would in my opinion make a stronger race than any other Democrat. He can beat McKinley."

Mr. Wallace could have answered for the rest of the people of this state better on about April 15th.

THE Seattle Press-Times does not want to run away with the idea that the vote of the Washington delegation will be divided at Chicago on the money question. Washington will cast eight votes for free silver coinage.

MISSOURI Democratic primaries and county conventions were all carried by the advocates of free silver coinage, as a consequence the Missouri municipal elections all resulted in favor of the Democratic party.

The New York, Ohio and Missouri municipal elections show large Democratic gains this month as those in Iowa, Pennsylvania, New Jersey, Minnesota and Michigan did last month.

HON. JAMES HAMILTON LEWIS added much to his great popularity at the Tacoma convention.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

McGinitie, involving the west half of the southeast quarter of section 20, township 29 north, range 3 west, situated at Blyn, Clallam county. One of the points raised in the motion was that T. M. The motion is accordingly denied. —Post-Intelligencer.

The Democrat-Leader.

FRIDAY, APRIL 17, 1896.

LOCAL PARAGRAPHS.

Mrs. James G. McClinton entertained Mesdames Miller, Lutz, McDougall and Harding at a luncheon yesterday.

Chas. Gilmur, assisted by Messrs. Gardner and Van Brunt have been making some repairs to the Mead wharf.

A wee bit of femininity came to the home of Mr. and Mrs. Edson H. Foster Tuesday night. Mother and child are doing well.

Captain and Mrs. Thomson, of the British ship Arrowmore, were entertained at dinner by Mr. and Mrs. Young Thursday evening.

Alonzo Hunt is in receipt of a letter from Major Harding which says that a car load of people will leave St. Paul on the 21st for Port Angeles.

The W. U. Band gave a most delightful concert Sunday afternoon. The day was a beautiful one and a large crowd was out to enjoy the music.

The bicycle fever is assuming a most virulent form here. There will be about one dozen new wheels on the streets within the next fortnight and it is proposed to form a club.

Captain and Mrs. Thompson, of the British ship Arrowmore entertained on Thursday evening on board Mr. and Mrs. Young, Mr. and Mrs. Beardsley, Miss Beardsley and Mr. and Mrs. Cooper.

In the case of Thomas H. Bradley vs. Francis M. Waite, the decision of the general land office of June 11, 1895, has become final, and the case is closed. Wait's homestead entry is approved for patenting.

Rev. Horace W. Houlding Congregational Evangelist for this state, will preach at the Congregational church Sabbath, April 19th, morning and evening. All are cordially invited to attend and hear him.

The county commissioners finished up their work Wednesday. They got through an immense amount of it in a very short time. They are to be commended for the way they expedited the business of the county.

Mr. and Mrs. M. J. Carrigan gave a "Pe no-chee" party Saturday evening. It goes without the saying that all present had a jolly good time. There were present Mrs. Cross, Misses Beasley, Crooks, Cook and Carrigan, Messrs. Ed. Hatch, Meagher, Cole and Zimmer.

A small number of friends were entertained at the home of Mr. and Mrs. Geo Meagher Tuesday evening at a candy making party. It was a very enjoyable affair. There were present Miss Carrigan, Miss Crooks, Miss Cook, Mr. L. R. Cole, Mr. Ed. Hatch and Mr. Horace White.

Lou Smith has lately invested in a new instrument called a Humaniphone. He has kindly consented to play at the enterfainment to be given by the Good Templars on Friday, April 24th. All lovers of music will not fail to be interested by this last and most famous invention of Edison.

We have been requested to suggest that the board of trade should have better quarters. The room used at present is an unsightly place and illy suited for the purpose. The room vacated by Hansen's drug store would be much better, as it is more central and could be fitted up so as to make a very attractive rallying point.

A rather interesting episode occurred at the board of commissioners meeting when the bill of Assessor Cook was presented to cover the extra clerk hire made necessary by the errors in the assessment rolls. The commissioners thought the assessor should pay it himself and he retorted that the work had been done cheaper by him than by any predecessor and that the county should stand the extra expense. The commissioners justified their position by claiming that was by their action that the work had been done cheaper than ever before, in cutting down the pay of the deputies, and that they and not the assessor should have the credit for the reduction in the cost of the work.

The I. O. G. T. of this city are arranging for a grand entertainment in the opera house on Friday, April 24th. It will be chiefly musical and Mrs. L. A. Mason will have charge of the music. Something novel in that line is promised and the leading talent of the city will participate. The full program will be published in our next issue.

Harry Fletcher is making an effort to secure a position in the engineer department of the marine service. Mrs. Fletcher has secured a long list of names in this city recommending him for an appointment. He has already had considerable experience in the service and for the past year has been hard at study preparing himself for examination. He is a very worthy young man and deserves to get the appointment.

Fred Thompson won't know his home when he gets back again. Messrs. Stoops and Wright have revolutionized it throughout. The fine residence has been treated to new paper within and paint without so that it would hardly know itself. The inside wood work has also been grained in a most artistic manner, and reflects much credit on the workmen. Neither has the fence escaped and is looking bright in its new spring coat of paint.

Dr. Brown's Insect Destroyer and Tree Soap needs an investigation. It is sold too high, J. C. Hansen, druggist sells it at a big discount.

Flour 75 to 90 cents per sack at Lauridsen's.

Munyon's Homopathic medicines of all kinds to be had at J. C. Hansen's drug store.

R. T. Smith, of Pysht, came down to attend the railroad meeting.

S. J. Lutz & Co's. show window displays a minature railroad train complete made up of groceries, hardware, etc., and is quite an artistic advertisement for that enterprising firm. The author, Mr. Haswell, is quite enthusiastic on the railroad proposition.

The different merchants in town have their places of business neatly decorated in holiday attire, in honor of the railroad.

The hotels expect a rush of business railroad week.

Col. W. H. Rowan, Wm Carpenter, John Clarkson, George Talbert, George Laeub, Sam Wilkinson and several Seikou ranchers are in town this week talking railroad.

Some Large Lumber.

We frequently note the scaling of some of the big trees and logs in the state of Washington, but the full appreciation of their size is lost by local comparison. It is only when we see the records of the big logs of eastern points that we realize what monster trees grow around Puget sound. The following item is from the Maple Leaf of Albert, New Brunswick, Canada, in one of the lumbering counties of the maritime provinces:

Some large lumber has recently been referred to in these columns, but the following cut at West River, on the land of Geo. D. Prescott, gives a still better record: One 3-log tree contained 912 ft, and a 12-ft. pine log contained 600 ft. of sawed lumber.

Compare this with the item given by the Trade Register last week of a log 172 fee long that scaled 60,000 ft. and another fir in Clallam county 100 ft. long, 13 feet at the butt and 7 feet at the top that scaled 84,100 ft. of clear lumber. The latter would more than make a cargo for some of the schooners that carry lumber from Albert to St. John. It is only a little over 92 times as large as the big tree the Maple Leaf boasts about, and which is figuratively a toothpick compared with Washington timber.—Trade Register.

The Odd Fellows of Forks will give a big ball on the evening of the 25th, which date is the seventy-seventh anniversary of the establishing of the order. The ball will be a complimentary one and everyone is cordially invited to be present. Good music has been secured for the occasion and the management will be of the best. Supper will be served by Mrs. William Behner for 25 cents each, 50 cents per couple. In all other respects the ball will be free. A short but interesting literary exercise will precede the ball and the mysterious goat will do its share toward entertaining the visitors. Every one should attend the anniversary ball.—Leader.

CHURCH NOTES.

What the Different Churches of the City are Doing.

FIRST CONGREGATIONAL CHURCH, Corner First and Vine Streets.—Rev. G. W. Nelson, Pastor.

Preaching every Sunday at 11 o'clock, a. m., and at 7:30 p. m. Sunday school at 12 o'clock or immediately after the morning sermon, Young Peoples' Society of Christian Endeavor at 6:30 p. m. Prayer meeting or mid-week meeting on Thursday eve at 7:30.

The Junior Christian Endeavor Society meets at 2:30 p. m. every Saturday.

Rev. Nelson preached a very interesting sermon last Sunday morning on the subject "Resurrection With Christ" from a text found in Ephisians 2; 4-5. Showing in a clear and emphatic way that fallen humanity, dead in sin, dead to all the hope and joys of the Godly, must be resurrected to a spiritual life with Christ before true happiness and hope for eternity can gladden our lives and make us say with the apostle "by Grace we are saved."

The evening sermon was also a very good one and was enjoyed by a large and attentive congregation. The text Prov. 4:23 "Keep Thy Heart With all Diligence; for Out of it Are the Issues of Life" was again forcibly portrayed. People who profess Christianity should guard their every action whether it be toward God or man, lest they fall, and what is worse cause others to fall.

We are informed that the Rev. Horace W. Houlding, state evangelist for Congregationalism, will preach next Sunday morning and evening in the Congregational church. This will be a great treat for the people of Angeles and we venture to say that the house will be crowded.

FIRST M. E. CHURCH, First Street Between Vine and Peabody.—Rev. W. H. Wilson, Pastor.

Services every Sabbath morning at 11 o'clock; Sunday school at 10 a. m.; Epworth League services at 6:30 p. m.; evening preaching 7:30 p. m.; prayer meeting every Thursday at 7:30 p. m.

BAPTIST CHURCH, Rev. F. O. Lamoreux, Pastor.

Sunday school 10 a. m. each Sunday. Preaching, 11 a. m., Young People's meeting 6:30 p. m., preaching, 7:30. p. m. Prayer meeting, Thursday at 7 p. m. All are cordially invited.

There are good prospects for different seating arrangements for the church. The members have been considering the advisability of taking out the chairs, which are now used, and substituting pews instead, and they have about made up their minds to the change.

PORT ANGELES BOOM.

The Pacific Squadron to Spend Several Weeks There.

WHICH MAKES PEOPLE JUBILANT

Aghast at the Enormous Supplies Required and a Belies That Seattle Will Be Called Upon.

Port Angeles is in a state of great jubilation, and the cause of it is a letter from Admiral Beardslee. Some such letter was expected from that gentleman, as Port Angeles had done her best possible to give him pleasure when he called there with the Philadelphia. She had taken him out fishing and photographed him with a string of fish of his own height and weight, and had driven deer under the noses of his sporting officers, and had them drop dead there.

The letter, therefore, was not unexpected, but its contents, stating what Admiral Beardslee purposed doing in return for the courtesies shown him, was beyond the reasonable expectations of Port Angeles. The admiral says that he will be there on June 1, with his flagship, the Philadelphia, and will also bring with him and have anchored in the pretty bay the battleship Oregon, the coast defense ship Monadnock, the monitor Monterey, the cruiser Alert possibly the cruiser Ranger. The admiral makes a special note of interest in regard to the Alert. It is now in South American waters, and has not been paid off for eleven months. The admiral tells his Port Angeles friends that he is trying to have her paid off at Port Angeles, and probably no part of his communication evoked as much enthusiasm as this.

These vessels form the Pacific squadron, and during its stay of a month to six weeks the admiral proposes to have extended maneuvers on shore, sham battles, marches far into the interior, building up intrenchments and hastily constructed defenses on the spit and, of course target practice. In regard to the latter, Admiral Beardslee says that Port Angeles is the finest port for artillery practice in the United States, because you can there fire the heaviest guns without interfering with commerce.

Why the Port Angeles people are so jubilant is because of the profit they will make out of the visit of the Pacific squadron. When about the same sized squadron was at Montevideo for seven weeks, the caterer for fresh meats, vegetables, ice and general supplies made a profit of $40,000. Port Angeles, with the experience gained during the recent visit of the Philadelphia is already counting her profits The crews of these vessels will be about as follows: Philadelphia, 375 men; Oregon 550; Monadnock, 175; Monterey, 175; Alert, 170; Ranger, 155. This will be 1,600 men to be fed, and 1,600 to spend their wages on shore. This latter is a more important point than can be estimated at a glance. Port Angeles is what Admiral Beardslee, with his old-time naval notions, calls a liberty port. If a blue jacket gets shore leave for a limited number of hours, and in the pleasures of the moment oversteps the time limit, whoever returns him to his ship gets a reward of $10, which is supposed to come out of the blue jacket's pay. Many hard-soul police officers, therefore, "lay" for the blue jackets in some towns. When the Philadelphia was in Port Angeles the blue jackets were made free of the town and when one was returned to his ship the officer refused any reward. No order therefore, that the blue jackets had ever had for Port Angeles.

How the little town will supply provisions for 1,600 men is a problem the Port Angeles people are wrestling with. When a warship orders, it orders by the ton. When last there the Philadelphia gave an order for potatoes, and the order had to be filled from Seattle, and in all probability the merchants of this city will benefit largely from the squadron's stay at Port Angeles.—Seattle Post-Intelligencer.

What charming, ingenuousness! What free handed simplicity! It really makes one feel like loving the callow youth that wrote the foregoing article! And it all hinges on "spuds." Spuds. Ye Gods and little fishes! As though Clallam county wasn't a world beater in raising these apples of the earth Why, you poor thing, didn't you know that there is plenty of land around Dungeness that has produced 800 bushels to the acre? And that your boasted Seattle gets all of its choicest "spuds" from this self same county. We would seriously advise you not to work yourself up to such a pitch of concern until you have had time to learn something of the real conditions, and a slight knowledge of your own state and you could then possibly aspire to real journalism. Don't be alarmed about Port Angeles, she will be able to take care of her visitors and ship you all the "spuds" you need in the bargain.

We thank you for the many kind words you have for us, even though they did come from you second handed, but we could have wished you had not marred it all by such a display of ignorance.

When we shall have the U. S. navy rendezvousing here, with the world's yacht race taking place in our matchless harbor, we will invite you up and give you a few pointers on the banner county of the state, and the coming metropolis of the northwest. Until then, get thee to a kindergarten and learn something.
