This summer at the Forks Branch of the North Olympic Library System (NOLS) kids can create art in a series of workshops for children. These fun introductory art workshops take place from 3pm to 4:30pm the first Thursday of each month in July and August.

Each *Kids Create Art* session will offer participants an opportunity to explore various artistic materials. Workshops are recommended for ages 7 to 12. Due to limited class sizes, **pre-registration is required**. To register, visit the Forks Branch Library events calendar at www.nols.org, call 360.374.6402, or send an email to youth@nols.org. All materials will be provided.

Summer Schedule

For the **July 6** program, participants will learn to use air dry clay and simple tools to form a pinch-pot candy monster.

On **August 4**, young artists will have an opportunity to work with pencils, paints, print blocks and rollers to create a pop-art-styled, multi-imaged animal print.
