The *Family Flicks* movie series brings another season of great family entertainment at the Sequim Branch of the North Olympic Library System (NOLS). Offered at 2pm on the first Saturday of every month, October through April, the *Family Flicks* series provides fun family entertainment, popcorn, and movie trivia at an affordable price—free!

The 2017 series kicks off with a screening of ***The Adventures of Tintin*** at 2pm on Saturday, **October 7**. Directed by Steven Spielberg, this PG-rated film was released in 2011 and is based on Herge's *Crab with the Golden Claws*, *Secret of the Unicorn*, and *Red Rackham's Treasure*. *The Adventures of Tintin* was the first non-Pixar film to win a Golden Globe for Best Animated Feature Film.

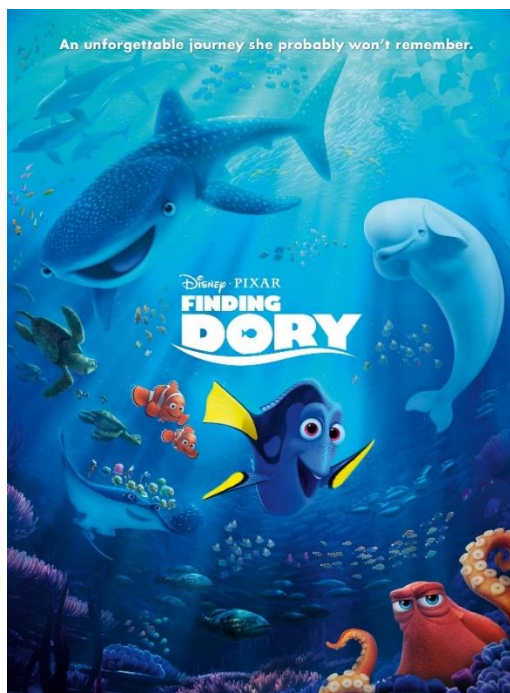

On Saturday, **November 4**, the library will show ***Finding Dory***. Released in 2016, this PG-rated sequel to *Finding Nemo* is Pixar's seventeenth feature film and celebrates their 30<sup>th</sup> anniversary. In this movie Dory is a wide-eyed, blue tang fish who suffers from memory loss every 10 seconds or so. The one thing she can remember is that she somehow became separated from her parents as a child. With help from her friends Nemo and Marlin, Dory embarks on an epic adventure to find them.

The series will continue on **December 2** with ***The BFG***, a PG-rated film directed and produced by Steven Spielberg and based on the book by Roald Dahl. Ten-year-old Sophie is in for the adventure of a lifetime when she meets the Big Friendly Giant. Understandably scared at first, the young girl soon realizes that the 24-foot behemoth is actually quite gentle and charming. Sophie and the BFG journey to Giant Country where they attempt to stop the man-eating giants that are invading the human world.
