Re: Investigators Club at the Forks Branch Library

Join the *Investigators Club* at the Forks Branch Library! This weekly after-school club geared towards students in grades 2-6 will meet on Wednesdays at 2:30pm. The *Investigators Club* is an after-school STEM program where participants will explore a different topic each week in science and technology. Participants will have the opportunity to try their hands at coding, engineering challenges, science experiments, robotics, and other fun projects. STEM at the library offers opportunities for children to creatively explore science, technology, engineering and math through interactive activities.

The *Investigators Club* will run from February 7 through March 28. All sessions are free to attend. This program is generously supported by the WSU Extension Clallam County 4-H.

Additional Information

The Forks Branch Library is located at 171 Forks Avenue South. For more information about this and other programs for youth, visit www.nols.org, call 360.374.6402, or email Youth@nols.org.
