LAKE CRESCENT.

LAKE CRESCENT SEASON OPENED TODAY, 15TH

VISITORS ROUTED VIA ANGELES

Navigation Company Announces Special Rate of $6.00, which Includes the $2.75 Stage Fare.

The Puget Sound Navigation Co. has announced the inauguration, beginning May 15th, of its special service and rates for tourist traffic to Lake Crescent. The circular states that the Whatcom will leave Seattle at midnight, arriving at Port Angeles at 9:30 a.m. Round trip ticket including stage fare, $6, good until September 30. Passenger rates on lake steamers vary from 25 to 50c. Hotel rates are from $10 to $15 per week.

"At Port Angeles, a city of about 4000 inhabitants, a stop of nearly four hours is made, giving an opportunity for travelers to obtain dinner, buy fishing tackle, etc., and at 1:30 p.m., stages leave on the 18 mile trip through the mountains, a drive of four hours, to Fisher's Landing, at the northeast end of the lake. Launches are here in waiting to take passengers to points on the lake, all of which may be reached before dark. Returning, stages will leavs Fisher's Landing daily at 7:30 a.m., arriving at Port Angeles at 11:30, giving 1-1½ hours for rest and dinner before boarding the steamship Whatcom at 1 p.m., which vessel proceeds to Seattle, arriving at 7:30 p.m. On Monday there is no steamer out of Port Angeles for Seattle, although stages leave the lake Monday. On Sunday night, passengers may take the steamer Bellingham from the City Dock at midnight for Port Angeles, thus getting a daily service out of Seattle to Lake Crescent.

"At Port Angeles are several hotels, also good special stores which can furnish the intending camper or sojourner with all outing requisites. At Lake Crescent are the following hotels: Piedmont, Crescent, Anderson's, Fisher's Beach, Marymere, and Beardslee Bay. Hotels have boat houses at which motor and row boats may be secured. Camping sites are plentiful and at convenient points on the lake.

"Lake Crescent is situated in the Olympic Range, in Clallam county, 600 feet above the level of the sea, 18 miles southwest of Port Angeles. The lake is 12 miles long and from three-fourths to three miles wide. The fishing is unequaled; probably more different varieties of trout inhabiting this lake than any similar body of water in the world, not less than ten being tabulated, the prominent species being the Beardslee, Crescentii, Dolly Varden, and Cutthroat. Neighboring streams also furnish fine fishing. The principal method of fishing is with spoon and trolling line, from boats.

Fourteen miles from Lake Crescent are located the Soleduck Hot Springs, the waters of which are said to be equal in curative power to any in the world.

"Lake Sutherland is separated from Lake Crescent by a narrow neck of land and is about two miles long and one-fourth to three-fourths mile. Lake Sutherland is an excellent fishing ground and has one hotel, the Wilson."

THIRD DIVISION TO VISIT PORT ANGELES

MINNESOTA A 16,000 TON SHIP

Fleet Leaves San Francisco on the 18th and is Expected to Arrive at Port Angeles Early on the 21st.

The Third Division of the Atlantic battleship fleet, which is scheduled to arrive at Port Angeles on the 21st, consists of the Minnesota, 16,000 tons, Capt. John Hubbard, the Nebraska, 14,948 tons, Capt. R. F. Nicholson, the Ohio, 12,300 tons, Capt. C. H. Bartlett, and the Missouri, 12,300 tons, Capt. G. A. Merriam.

The Minnesota, of the same class as the Connecticut, Louisiana, Kansas and Vermont, which go to Bellingham, is 450 feet in length, 74 guns, and carries 41 officers and 840 men. The Nebraska, 435 feet length, carries the same number of men and guns, while the Ohio and Missouri, length 388 feet, have each 35 officers and 772 men. Three ships of the Fourth Division, the Illinois, Wisconsin and Kearsarge, 11,565 ton ships. go to Townsend, while the fourth ship, the Kentucky, will dry dock at Bremerton. Rear Admiral Thomas, in his official announcement to Mayor Seevers, does not give the destination of the Second Division, but it is understood it will accompany the First. On the 23rd all the ships except the Kentucky will rendezvous at Townsend and leave for Seattle. The fleet will again rendezvous at Frisco on July 3rd and leave for Honolulu on the 7th. The Alabama and Maine, detailed as special service service squadron to precede the fleet to the Orient, were replaced by the Wisconsin and Nebraska from the Puget Sound station. The Relief will accompany the fleet to the sound, but not the Panther or store ships.

Advices received yesterday stated that the Nebraska would not stop at Port Angeles, but would go on thru to Bremerton.

SMITH CASE IN COURT

The case of the State vs. Harvey B. Smith has been occupying the attention of the Court yesterday and today and promises to take up the balance of the week and perhaps longer. The jury was selected at yesterday's sitting, the regular panel being exhausted and a special venire ordered.

The following witnesses in the case are in attendance at the trial: H. B. Smith, O. W. Smith, A. W. Smith, Orin Smith, Joseph Marsh, Leeman Parker, W.F. Parker, James Smith, Robert Anderson, Wm. Iverson, C. B. Sippey, M. T. Jones, Carl Jones, Pearl Jones, Alvin Muhtaupt, Mrs. Babcock, Wm. Murray, S. Powell, Louis Oliver, for the defense; Miss Christine Miller, Mrs. Jennie Leonard, Mrs. Helen Nash, Ben. Hagadorn, Dr. McGillivray, J. F. Leonard, E. A. FitzHenry, Miss Maggie Lyondecker, for the prosecution.

THE CALIFORNIAN SPIRIT

It is to be honed that proprietors of hotels, restaurants and boarding house keepers will not advance the price of meals or lodging during the visit of the four battleships to Angeles. Everyone should be anxious that visitors, as well as the officers and men of the fleet, shall carry with them from this city the best impression possible concerning the method of doing business here, and no one will care to have our restaurant men and boarding house keepers accused of practicing extortion, and thereby casting a cloud over the fair name of our city, as was the case when the Fleet visited a certain city in Southern California. The Olympic-Leader sincerely hopes that visitors will have no occasion for complaint from this direction.

The Life Insurance

muddle has started the public to thinking. The wonderful success that has met Ballard's Horehound Syrup in its crusade on Coughs, Influenza, Bronchitis, and all Pulmonary troubles—has started the public to thinking of this wonderful preperation. They are all using it. Join the procession and down with sickness. Price 25c, 50c. $1.00.

"INSIDE HISTORY" OF THE P.A.R.& T.CO.

Line to Be Built in Response to Administration's Request for a Road to Facilitate Transportation of Troops.

One of the generally best informed citizens of Port Angeles, a gentleman who has kept in touch with railway matters so far as they pertain to the peninsula, but whose name, for obvious reasons, we are not at liberty to divulge, gives the following "inside history" of the Milwaukee's stolen march on the Northern Pacific, which has resulted in its securing the best railway franchise that was ever granted to any company on this Coast. He says it appears that when the unpleasantness with Japan, arising from the San Francisco school question, took place last year, the Administration at Washington requested the officials of the Northern Pacific to construct a railway from their main line to some point west of Port Angeles suitable for fortifications, and at the same time touching the forts in the vicinity of Port Townsend, and the navy yard at Bremerton.

At about that time the Administration turned on the light on the corrupt practices indulged in by various railways in the way of rebates and stock manipulation. This exposure not being relished, the reply from the Northern Pacific officials was uusatisfactory, so that finally the company had to be notified that unless a definite reply was received as to the time when the extension of that road would be made, the government would look elsewhere for relief. Shortly after, the roads which had been engaged in preliminary work on the peninsula made an agreement not to enter upon any new railway construction for a definite period.

The time given the Northern Pacific by the Administration to begin construction on an extension of the road down the strait expired a few weeks ago. Friends of the Milwaukee immediately set to work and their proposition to give the government relief by supplying communication with the navy yard, forts and down the strait of Juan de Fuca to any point desired within the next twelve months was accepted a few days before application for a railway franchise was made to the city council of Port Angeles.

Our informant says if the information is correct, and he has every reason to believe it is, the P.A.R. will be completed within twelve months, or by May 1st, 1909.

TO ENCOURAGE SETTEERS

On June 1st the electors of Oregon will have an opportunity to vote on a proposition in which the name of the late Henry George is inseparably connected. The measure to be submitted to the popular vote is entitled: "An Act to exempt from taxation factory buildings and machinery, homes and home improvements, but not the lots nor the farms." The proposed enactment is as follows:

"That all dwelling houses, barns, sheds, outhouses and all other appurtenances thereof; all machinery and buildings used exclusively for manufacturing purposes, and the appurtenances thereof; all fences, farm machinery and appliances used as such; all fruit trees, vines, shrubs, and all other improvements on farms; all live stock; all household furniture in use, and all tools owned by work men and in use, shall be exempt from taxation."

TRUCK BY BROKEN PULLEY

Martin Wait was seriously hurt at the mill of the Wait Brothers south of the city on Friday last. A large piece of wooden pulley, which connects by belt with the saw pulley, flew to pieces without any warning and Mr. Wait was struck two times on the forehead, and rendered insensible for over half an hour. He was taken to the hospital where it was found that the outer shell of his skull was slightly fractured. His many friends will be pleased to learn that he is around again seemingly little worse for the terrible experience. Another pully was put in place of the broken one and on Tuesday it too went to pieces, but no one was hurt.

MEMORIAL DAY SATURDAY, MAY 30

ADDRESS BY REV. A. L. LODER

Rev. A. Davis Will Deliver Oration on Memorial Sunday, May 24th, at Opera House, 2:30 P. M.

Boys for over a third of a century; his address will be well worth hearing. Clergymen of all denominations and all patriotic organizations and citizens are cordiallly invited to attend.

On Memorial Day, May 30th, the parade will form at 1:30 p. m. on First street, right resting on Laurel. Band on the right. G. A. R., W. R. C., Mayor, Council and City Officers, civic societies, school children, in order named. Parade will march on First to Oak, Oak to Front, Front to Laurel, to wharf, where W. R. C. strew flowers on water; return to opera house. Services at opera house at 2:30 p. m., address by Rev A. L. Loder. All are invited.

Joint Conference Committee.

THE STATE CONVENTION

Senator Ankeny's Friends in Control. McBride Favorite of Delegates. Judge Ballinger to Head Delegation.

A special dispatch to the Seattle Times says that the Republican State Convention which met in Spokane yesterday was under control of friends of Senator Levi Ankeny and former Governor Henry McBride, a majority of the delegates in attendance being both Ankeny and McBride men, Gov. Mead's machine was a ridiculously small factor. In fact Whatcom county was not consulted at any time in the organization of the convention.

The platform adopted endorsed both national and state administrations and approved of the work of the congressional delegation. Other features were a strong good roads plank; a demand for a Pacific Coast fleet of twelve battleships and eight cruisers; a commendation of the work of the state railroad commission; the recommendation of a law guaranteeiug national and state deposits; approval of the postal savings bank theory; a request for a commission named by the agricultural department to protect natural resources, and particularly forest reserves; a recommendation of a law granting the interstate commerce commission authority to investigate rate advances before they become effective; endorsement of the direct primary pledge for legislative candidates; endorsement of A. Y. P. Expo-

BARBECUE FRIDAY AT CIVIC PARK

Dinner Will Be Served to Men of the Fleet at Noon on Friday. Everyone Urged to Assist in Entertainment.

It has been decided to have the barbecue for the sailors and marines at the Civic Park, that being the most central point and provided with every convenience, including city water. Every citizen is requested to do his share towards maintaining the reputation of Port Angeles for hospitality, in order that our guests may look back upon their visit to Port Angeles as the most pleasant of any enjoyed while on the Coast. While the chief feature of the barbecue, which is in itself the chief event of the coming visit, will be the roast steers, it must be remembered that large quantitiea of coffee, milk and cooked viands must be provided. The committee is particularly desirous of receiving milk and pastry. Everyone who visits the ships will become indebted to the boys for courtesies received, and should take this opportunity of returning the favor. Of course the barbecue is only for the men from the ships and not for the public, but the number of men that can be invited to participate will depend wholly upon the efforts of the citizens.

It is also requested that every citizen show his loyalty to the flag by decorating both business houses and residences. The city's efforts in this line will be concentrated on the arches and lighting, the business men decorating independently.

Should the ships arrive early enough on Thursday, the base ball grounds will be turned over to the visitors for a matched game between teams from the ships. On Friday there will be a game between a team from the fleet and the home boys.

The visit of the fleet to Puget Sound is an affair of national importance, and the fact that Port Angeles is visited by one-fourth the fleet will be noted by every reader of the daily press in the country. Seattle is doing her best to eclipse anything ever attempted in the way of entertainment, and Port Angeles will not be far behind, considering the relative size of the towns.

County surveyor Ware and Deputy Sullivan, with a crew of surveyors, left on Tuesday for a month or six weeks stay in the west end where they will map out considerable new road work, including the Beaver Falls hill cut-off. Good road work is now being done on the Beaver Prairie road and grade from the bridge up by Contractor Govan, and Seth Tuttle has the right of way clearing on the Maud Smith hill cut-off well under way.

SENATOR ANKENY'S POSITION

The Seattle P.-I. and other Jones papers in the state have been very much concerned because Senator Ankeny has not seen fit to publicly define his position on the direct primary law. Senator Ankeny has been in Washington, attending to the affairs of the nation and was daily called upon to help shape the destiny of the greatest country upon earth; while he may not have taken time to look after his political fences, he always finds time to look after the interests of his constituency and to answer the requests of the old soldiers and others with kindness and helpfulness, no matter how humble the writer or how frivolous the request it never suffers by discourtesy at his hands.

Senator Ankeny's friends have all along felt that when the proper time came he would state his position in this matter in no uncertain terms. The fact that he did not do so a few days earlier was no reason to condemn him as some papers have done.

C. W. Horr, presideut of the Direct Primary League, recently addressed letters to Senator Ankeny and Congressman Jones asking for a statement of their views on the application of the pledge contained in the primary law, by statiug that candidates for the legislature shall follow the wish of the people in the direct primary election vote . for United States senator. Both candidates have replied, endorsing the direct primary law without reserve or equivocation.

In this connection it is to be noted that an effort is being made to settle the senatorial question by counties, rather than by a majority of the voters of the state, as contemplated by the direct primary law. The senatorship is as clearly a state office, so far as a majority vote is concerned, as is the office of governor. It is said the Jones supporters hope to win out, if at all, by securing a majority of the legislature, which may or may not represent the wishes of a majority of the republican voters of the state. Candidates for legislative honors should pledge themselves to vote for the senatorial candidate who proves to be the choice, not of the voters of his county, but of the state.

The Olympic-Leader would humbly suggest the propriety of having a cleaning-up day before the arrival of the battleships. There is not much time to lose and whatever is done must be at once. There are several unsightly places about town that could be greatly improved with a little work. The piles of old lumber and rubbish together with the broken down conditition of the planking at the foot of Lincoln street is an ugly eye-sore that could easily and inexpensively be remedied. Dressing our streets with bunting in holiday attire with a lot of old rubbish lying near would look entirely out of place.

By all means let us have a cleaning-up day all over the city, removing all old lumber left lying around after repairing walks, and other rubbish from the streets. We have asked the men of the battleships to visit us, now let us "put our best foot forward" and greet them with as tidy an appearance as possible.

A dispatch from Olympia under date of May 8th, says that under the direct primary law the country districts may be cut out of representation on the board of county commissioners, according to Assistant Attorney General Knickerbocker, who is preparing an opinion on the matter. Mr. Knickerbocker said that under the old law commissioners were nominated from each district, although elected by the entire county. This law was repealed, but by courtesy each district has been given representation on the board. Under the direct primary law, however, the nominee with the highest number of votes will be elected, irrespective of districts.

Secretary Payne of the A.-Y.-P. Exposition has requested representatives from the boards of commissioners and the mayors of all cities of the state to meet in Seattle on 21 to 23 for the purpose of determining how much space will be required to adequately demonstrate the resources and industries of the state.

The republicans of Pacific county refused to endorse Cushman and Jones on the grounds that an indorsement would be inconsistent with primary law. The convention adopted a local option plank in its platform.

The Board adjourned to meet at 1:00 p. m.

The Board met pursuant to adjournment all members being present.

A communication from A. Fairservice regarding the opening of a trail from East Clallam to the coal mines, was read and referred to the commissioner of the Third District.

The bills of Andrew Carlson, Nels Roose and L. K. Albstrom, amounting to $165 60, for labor in Road District No. 3, were laid over for investigation.

The Board refused to cancel the taxes on lots 5 and 6, block 316, Townsite of Port Angeles, owned by the Lincoln Heights M. E. church, for the reason that said lots were not used for church purposes.

The time having arrived for opening the bids to construct that portion of Road No. 59 commencing at station No. 129 running thence along the line of survey and ending at station No. 154, and the following bids being on file, the Board opened same which were as follows:

Harry Coventon's bid,	$2375.00
L. G. McBurney's bid,	1925.00
J. F. Leonhardt's bid	2710.00

After due consideration the Board awarded the contract to Harry Coventon as being the safest and best equipped bidder to perform the work within the specified time.

The time having arrived for opening the bids for the construction of the Beaver Creek bridge on the Fork-Clallam road, near Beaver Prairie, and there being only one bid on file, the Board opened same, which was as follows:

David Govan's bid, $1891.00.

After due consideration the Board laid over the matter of awarding the contract until their next meeting.

The Engineer having reported that Fred Mackenheimer had completed his contract on the Mackenheimer Road, the Board ordered the Auditor to draw warrants in favor of said contractor, for the amount due him according to his contract.

The time having arrived for opening the bids to do county printing, and there being one bid on file, the Board opened same which was as follows:

Webster Publishing Co.'s bid:

"We will publish all official publications, including proceedings of the Board of County Commissioners, Calls for Bids, Treasurer's Notices, etc., same to be set in ordinary newspaper type (brevier) at fifty cents per inch each insertion.

We will publish the treasurers's delinquent tax notice and summons in foreclosure at the rate of ten cents each description, as provided by law, the head and tail of such notice to be charged for at same rate as other official matter."

The Board awarded the contract to do the county printing for the year ending June 30th, 1909, to the Webster Publishing Co.

The Board approved the bond and granted the petition of Earl Wilson et als for county road commencing at a point on or near where west boundary line of Sec. 12-28-14 crosses the main county road, running thence in a southwesterly direction to a point at the ¼ post between section 20 and 21, township 28, N. R. 14 W, and ordered the engineer to survey the same and make his report.

The Board approved the bond and granted the petition of R. R. Carfield et als. for a county road commencing at the 1-8 post between sections 13 and 24, township 30 N R 4 West, on the east half of said sections, running thence due west and ending at an intersection of the Long Prairie and Lost Mountain road.

The Board approved the bond and granted the petition of R. M. Wood et als. for a county road commencing at Dungeness and ending at Jamestown.

The Board approved the official bonds of the following persons:

Ray L. Haynes, Supt. of Westphal County Home.

W. T. Belford, Justice of the Peace Port Angeles precinct.

O. J. Ford, Justice of the Peace Forks precinct.

The Board approved P. J. Wood's bond given to secure the county for his contract in constructing Cabin Creek bridge on Road No. 59.

It appearing from the records tha Paul Violete had been charged with a poll tax for the year 1907, and it furtner appearing that said Paul Violete was over fifty years of age and therefore exempt from poll tax, the Board ordered the Treasurer to cancel said poll tax on the tax rolls.

It appearing from the records that C. D. Green, a married man, had not been allowed an exemption for the year 1907 on his personal tax assessment, the Board ordered the Treasurer to correct the tax rolls and allow said exemption.

The county engineer's report on the proposed route for a road connecting the Winter's and Mount Pleasant roads was read and filed, the report being as follows:

In accordance with your instructions I have made an examination of the proposed route for a road connecting cost of bridging Morse creek. The proposed place of crossing is a canyon approximately 250 feet wide and 170 feet deep.

The cheapest crossing for such a place would be a suspension bridge at a cost of six or seven thousand dollars.

A proper approximate estimate could not be given of this proposed road and bridge without a preliminary survey at least.

The board took up the matter of the hearing of the petition of Henry McAlmond and Glendale Creamery Co. petitioning the board to vacate all of block 16 of Dungeness and that portion of Fir street lying west of said block and all of the alleys in said block.

And it appearing to the board that all requirements of law had been complied with,

And it furthering appearing that no objections to said petition or the vacation of said lands had been made or filed.

It is therefore ordered that all of the lots and alleys in block 16 of Dungeness, and that portion of First street lying west of said block as the same appears of record in volume 3 at page 69 of records of plats of said Clallam county, be vacated, and the same is hereby vacated accordingly.

The remainder of the proceedings, relating to the revocation of Conley's license, grant of streets to Railway & Terminal Co., and a matter of red tape procedure in regard to the State road, are omitted for lack of room.

Have You a Cough

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? Try it for whooping cough, for asthma, for consumption, for bronchitis. Mrs. Joe McGrath, 327 E. 1st St., Hutchinson, Kans., writes: "I have used Ballard's Horehound Syrup in my family for five years, and find it the most palatable medicine I ever used."

Sold at Mathewson's Drug Store.
