We've all learned a lot in 2020—about ourselves and about the world. The North Olympic Library System (NOLS) invites adults to tune in to KSQM to listen live to a special radio program, *Winter Stories: Hindsight in 2020*, on Thursday, December 10 at 6pm. Local storytellers will share their own stories about learning things that only seem obvious with the benefit of hindsight. Tune in on your radio at 91.5 FM, or listen live online at [ksqmf.com/live](https://ksqmf.com/live). These stories are intended for adult listeners. Thank you to *Out Loud Story Slam* for recruiting and coordinating these local storytellers. Find out more about *Out Loud Story Slam* at [outloudstoryslam.com](https://outloudstoryslam.com).

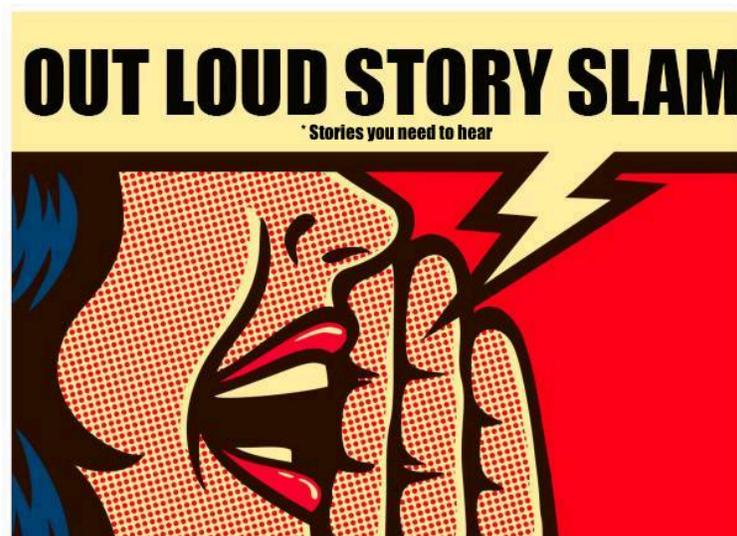

Listen carefully to each story and be ready to participate. Between each story, listeners will have the opportunity to call in to answer a trivia question related to the previous story. Correct answers will be entered into a prize drawing. Winners will be announced at the end of the program.

Before the program, stop by your local NOLS branch to pick up single-serve packets of hot cocoa mix, while supplies last. Cocoa Raccoon from Goodness Tea is a bitter-sweet hot

chocolate which pairs organic fair-trade cocoa with organic maca, infused with richly sustaining fair-trade white cocoa butter.

Support for this radio program was provided by Friends of the Library groups at all four NOLS locations.

Curbside library service is available 10am-6pm Monday and Wednesday, and 10am-4pm Tuesday, Thursday, Friday, and Saturday, although the Clallam Bay Branch remains closed on Saturdays. For more information on this or other library programs, visit [www.nols.org](http://www.nols.org), call 360.417.8500, or email [Discover@nols.org](mailto:Discover@nols.org).
