Income Tax Forms with his parents. will be a close race between the first three places. Don's Chevron leading or able streams conditions, incoming with Edwards & Rhyne second and Pay & Save Foods in third place.
Only '& point separate the second and third place toams; Don's Chevron has 39½ points, Edwards & Rhyne 35½, and Pay & Save Foods 35 points.

Talk On Balloon

The North Olympic Chapter of the Society of American Foresters met Monday evening December? 20 at Aggies Motel, Port Angeles.

The third weekend of the second showed fish having moved from the Society of American Frank Mosher of th In a preliminary speech, Mr. Mosher explained some of the difficulties that have been encountered in balloon design and structure. Most of these problems have been corne of the situations where a balloon has been used. The example loon has been used. The example showed clearly that the balloon the situations where a balloon design and structure and put rivers high, loon has been used. The example showed clearly that the balloon the situations where a balloon design and structure. Week could well provide ideal tree farms in 48 states.

That tree farming benefits the citizens of the Northwest is obvious. But IFA knows tree farming is of national significance. More than 66 million acres in 48 of the 50 states are now managed by their owners as tree farms. Also, IF'A points out, all tree farms are on taxrolls. Not Forks. Washington loon has been used. The example showed clearly that the balloon system allowed logging of areas inaccessible to regular high lead systems.

After his speech, Mosher presented a film showing actual use of the balloon system. It was evident the balloon system could not the balloon system. It was evident that although this system could not tendency of the balloon system could not the future of this country, they also provide many economic and social benefits today.

Centainly, because of its national significance, the tree farm movement deserves the recognition of a commemorative stamp. The Industrial Forestry Association at ital Her fiance is a senior after the film, the floor was opened for questions.

In Phil Atkinsons and Dale Gilmore's spent Christmas in Dec. 27 45 32 1.96 Gilmore's spent Christmas in Dec. 28 39 33 .25 Seattle, with relatives.

Br. Warren urged taxpayers to be sure that all items on their returns are filled in accurately and social benefits today.

Centainly, because of its national significance, the tree farm movement deserves the recognition of a commemorative stamp. The Industrial Forestry Association at ital Her fiance is a senior after the film, the floor was opened for questions.

After his speech, Mosher present a belief in the future of this country, they also provide many economic and social benefits today.
