IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America.

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

# FORKS FORUM

VOLUME XXXVII FORKS FORUM, FORKS, WASHINGTON 98831 THURSDAY, JUNE 23, 1966 NUMBER 2

## About This - That and Those...

This was a quite a first day of almost appalling corruption in this west-almost rained us under! Oh, well, we couldn't very well live in this country without the help of our dear friend Juniper Pluvius. Right? RIGHT!

The Roy Black family had a most pleasant surprise last Thursday. Their son-in-law and brother-in-law, James (Tex) Moley from Plano, Texas, came to see the family while on a business trip in this state.

Mrs. Elmer Dachs received the sad news Tuesday of the sudden death of her sister, Mrs. Iolene Booth at Ennis, Okla. The Dachs and their son, Terry, will be attending the funeral services Friday.

Walter Jackson, son of Mr. and Mrs. Oliver Jackson of La Push, received the good news this week of his acceptance to enrollment at Haskell Institute, Lawrence, Kansas. He will report on campus for the regular fall term in August. He will major in business administration.

Just cogitating in the office of President of the United States well have more news about the individual in good old Uncle Sam's pants, as we all know. What may not be realized is the fact that the Secretary of Defense today has attained the position of second in command to the President.

The Secretary of Defense has announced that he will be on a shooing these days-trip.

## TV DUES

Dues are now payable for the year, 1966 in the Forks TV Club. For those who desire to continue to use the facilities of the TV Club you should pay your dues promptly. The Club will remain in existence and continue to operate as long as there are finances to do so. It is only through your prompt payment that this will be possible.

## 4th of July Arts and Crafts Show
