### Lake Pleasant Or Is It?

While we are enjoying the beauty of our unspoiled rivers, it has been brought to our attention that the name beauty does not apply to nearby Lake Pleasant. A considerable portion of the lake shore is owned by the county and state. The unbelievable amount of debris, driftwood and other unsightly masses should be cleaned up. This area should be available to our local residents as well as having a great potential as a tourist attraction. There are said to be some bunkers in residence in the lake for the fisherman and with a permanent recreational installation the waters could be used for swimming and water skiing as well.

Many of our public spirited service organizations have offered their help and support on this project. There will be a meeting on Thursday night, June 15th at the Sportsmen's Club for the purpose of letting your county commission know your wishes, and to determine the best methods of fitting together the available man power and offers of equipment. The county has recently done work on Lake Aldwell and Lake Southerton. The County Commissioners will hold a meeting on Tuesday, June 20th and it seems a good time to make known our wishes to develop Lake Pleasant.

Come and bring your neighbors! Let's make a strong showing. Efforts have been made in the past to clean up the lake, but without a strong united front nothing can be accomplished.

Many of our young people are graduating with high honors at this time. Among the eight students who graduated Magna Cum Laude from Western Washington State College at Bellingham was Jean Kathryn Anderson of Forks. Jean is the daughter of Mr. and Mrs. Charles Anderson, Star Route 1, Forks. Also graduating were Kathleen Braithwaite Dewey, daughter of Mr. and Mrs. T. Braithwaite Mitchell, J. Schostak, Jr., son of Mr. and Mrs. Mitchell Schostak also of Forks, James Bell Lucken son of Mr. and Mrs. Maynard Lucken of Beaver and Richard Beck, son of Mr. and Mrs. Ernest A. Beck of Forks.

Mr. and Mrs. Tom Cook are among the many Forks area folk who are vacationing. The Cooks left for Sitka, Alaska on June 1st. They are looking forward to seeing many old friends and will take advantage of the prime fishing and hunting in the area.

**OUR BOYS IN THE SERVICE**—Communications Yeoman Third Class BOY E. ROBINSON, USN, son of Mr. and Mrs. Norman E. Robinson of Forks, returned to San Diego, Calif., aboard the attack aircraft carrier USS Ticonderoga after an eight month deployment to the Gulf of Tonkin.

During the deployment, the carrier made over 11,700 combat sorties against the enemy. Ticonderoga is the first carrier to complete three combat deployments in the Vietnam conflict.

Seaman LEONE P. AMSDILL

USN, son of Mr. and Mrs. Frank A. Amstell of Forks, is in Long Beach, Calif., serving aboard the Pacific Fleet support aircraft carrier USS Kearsarge.

The 1500 ton "Hattog" has returned from conducting anti-submarine warfare exercises off the coast of California.

For their performance in the Gulf of Tonkin last year, personnel of the Kearsarge have received more than 400 Air Medals, as well as Silver Stars, Navy Crosses, Distinguished Flying Crosses and Purple Hearts.

Earlier this year, the carrier received the Battle Efficiency "E" Award for scoring the highest number of points, for overall combat readiness, while in competition with other support ships of its class.

Members of the Auxiliary helped the American Legion Auxiliary make wreaths for the graves of veterans in the cemeteries. Fletcher-Wittenthorp Auxiliary also made wreaths for the graves of members of the Auxiliary.

The convention of the Department of Washington VFW and Auxiliary will be held in Tacoma June 14th through 17th. Headquarters will be the Tacoma Motor Hotel for the Auxiliary, with meetings to be held in the Fellowship Hall. Mrs. Harmon Baer will be presiding officer for the Ladies National Officers who will attend are: Mrs. Lora Waters of Seattle, Jr. Vice President and Mrs. Alex Miller of Des Moines, Iowa, a Past President.

New officers will take command of the Auxiliary on June 10th, in the VFW Hall. Twenty year pins will be presented to eight members at this time. Mrs. Barwick presented gifts of appreciation to her Officers and Chairman, as this was her last meeting. She thanked them for helping to make her year as President a success.

Tentative plans for a "Hot Dog" stand during the Fourth of July festivities were made.

The Sewing Club will meet at the home of Daisy Klahn on June 27, Potluck lunch at noon.

Members of the Auxiliary were happy to welcome Lauretta Murphy, a member who now resides in Seattle. Mrs. Murphy thanked the Auxiliary for the 35 year pin presented to her. She said she would treasure it always—and it would remind her of Forks.

LETTER To The Editor

June 13, 1967 Editor, Something that should be of interest to all tax burdened persons is the Export-Import Bank Bill...

The Ex-Im Bank was set up to make loans to other nations and called for 25% down and 18 months credit. Now it seems it has been insured...

These deals are handled by bankers and businessmen behind the scenes so Congress and the taxpayers have a hard time finding out what really is going on.

Several members visited the Sequim Lodge on June 8. Initiation for one new member, Peggy Lettner, will be held June 25.

About 10 members journeyed to Fort Angeles on June 14 to entertain the Mt. View Past Noble Grands. A memorial service was held in remembrance of our noble member who has recently passed.

The easiest way to find out who you are paying the enemy to kill your son. How do you see it?
