Tyce-Beaver-Sappho News

By MRS. J. E. MFRITTT

Mr. and Mrs. John Merritt returned home Monday from a 12-day trip to Shelton and Spokane and Priest River, Idaho. They were accompanied on the trip by son-in-law and daughter, Mr. and Mrs. Herb Welch of Shelton.

Mr. and Mrs. Mack Campbell of Tacoma became the parents of a baby daughter Wednesday, March 13, making Mrs. Martin Engquist of Tyce a great-grandmother for the 16th time. The new little girl is being Mrs. M. G. Campbell's granddaughter. Mrs. Engquist's youngest daughter, in addition to the 16 great grandchildren, Mrs. Engquist also has 20 grandchildren and three sons and three daughters.

Arvid Nordman came over from Seattle Saturday to visit his parents, Mr. and Mrs. A. M. Nordman. He brought with him two of his coworkers at Boeing's in Renton, who had never before seen an airplane. They enjoyed a tour of the plant and on Saturday Mr. and Mrs. Nordman enjoyed a pleasant auto trip to Moclips sight-seeing the places where they had lived before coming to Tyce.

The Catherine May Bridge over the Quetzal River, a bridge to nowhere has long been without the necessary approaches which would connect the north and south ends of the road through the Quinault Indian reservation, and cutting off many miles of Highway 101 between Quetzal and Hoquiam. It seems that parts of the approaches had been built some years ago, but had been sadly neglected, until now the road is all grown up to older and, as Mrs. Nordman remarked, if, as seems likely, the road is ever built the older and other kinds of brush will all have to be cleaned out before work can begin on it.

OES Officers of 1967-68 Hold Final Meeting

Mr. and Mrs. Lowell Nash, Worthy Matron and Patron of Mt. Olympus Chapter No. 253, OES, presided over their last meeting Monday, March 18. The meeting was beautifully decorated with a backdrop of orange with the theme "Let The Peace of God Rule in Our Hearts" in gold lettering. In the center was an original painting of a lake with white doves painted by Mrs. Jack Rooks especially for the Worthy Matron. Baskets of camellias were in front of the East and West.

Sunshine report was given by Mrs. Albert Nagel. A sympathy card was sent to Mrs. Lolita Airey, Past Grand Matron, on the loss of her husband. A gift was presented to the new little daughter of the Walter Seely, Jr.'s. Mrs. Douglas Howell, Rainbow Mother Advisor, stated that plans were already being made for Grand Assembly in June.

It was announced that an open installation will be held on March 22, at 8 p.m. in the IOOF Hall. Mrs. Howard Gagnon will be installed as Worthy Matron and Robert Cunningham as Worthy Patron.

Those having birthdays in March were James Scarlett, Albert Nagel, Shirley Meisner, Mrs. Ray Ellis, Henry Geist and Mrs. Harold George, with Mrs. George winning the birthday cake baked by Mrs. Wayne Huling.

In a touching address Mrs. Cunningham as Worthy Matron expressed her appreciation and thanks to all the officers and her husband for making her year such a happy one, ending with a poem entitled "A Prayer For Peace". Lowell Nash, Worthy Patron also added his thanks in a short address.

Mrs. Arthur Maxfield and Mr. Sander Swalling of the Past Masters and Patrons Club presented the Worthy Matron with a charm and the Patron with a pillow, as he had found the chair in the East to be pretty hard.

An address was given by Mrs. Howard Gagnon and other officers wherein the Worthy Matron was presented with some household supplies for her retirement. She was also given an engraved plate with the officers names on it. It had a large bouquet of calla lilies. Robert Cunningham presented Mr. Nash with a Masonic pin.

The meeting was adjourned and refreshments were served in the dining room by hostesses Mrs. Pat Ismay and Mrs. Bernice Keeley. Mrs. Nash's colors for her year were apparent everywhere, in the huge cake with orange roses and white doves, the candles and orange placemats and napkins, Camellias and flowering quince bouquets decorated the tables. Mrs. Bernice Keeley was in charge of the decorating.

CAPTIVE SUGAR DADDY!

Have you been wondering why your dollar doesn't seem to go as far as it did a few years ago? Even though we are aware of the effect of inflation on the price of everything we buy, how many of us realize what the total cost of government is today and how this huge figure affects our lives. Federal, state and local government spending has reached an estimated \$250 billion annually, not counting the billions going for defense. But it's difficult for Mr. and Mrs. Public to conceive of the total dollars they put in these three different government pockets. Uncle Sam's pocket accounts for 33 per cent of public spending, the states account for 24 per cent, and local government units 43 per cent—on the average. However, regardless of what level of government spends the money, the fact remains that it comes first out of your pocket.

More control of government programs and spending is assured when services are handled and financed at state-local levels. Then Mr. and Mrs. Public have a better chance to say something about the relative priority of specific projects. They can keep a better check on spending when it's close to home. One way to reduce the total drain is to make each dollar work harder—preventing duplication and waste in programs and personnel—and this can best be done right here where taxpayers can take a good look at what's happening.

Have you been wondering why your dollar doesn't seem to go as far as it did a few years ago? Even though we are aware of the effect of inflation on the price of everything we buy, how many of us realize what the total cost of government is today and how this huge figure affects our lives.
