### Short Comings...

Legion was faced with a scheduling problem last Saturday. A local dance club had reserved the hall for their yearly dinner dance and the West End Democratic Club had made reservations for a game night the same evening. Commander Pat Tierney was faced with a dilemma. The hall was reserved for the dance club because no event was scheduled according to the records. The Democratic Club reservation was apparently made thru an individual who is not in communication with the Legion at this time. It would have been more convenient for the dance club to use the hall because of the food catering service and band facilities but they graciously consented to renting the Sportsman's Club. Politics prevailed over a social club in this instance.

The Antlers and Pay & Save Coffee Shop have been crowded the past week because of the remodeling at the Vagabond. This exemplifies the necessity of the private restaurant here in Forks.

Competition in third enterprise is the customers salvation.

Couldn't hardly believe my eyes as I returned home after a business trip to P.A. last Saturday. While driving past Stevens Trailer Court, I noticed something in the roadway which I averted the car to avoid hitting. Upon closer observation the object turned out to be a can of "County Dump" periodically to deposit garbage scattered along the road by careless people.

Must give credit where credit is due. The Rebeckas planted the geraniums in the triangle. It was reported earlier as a project of the Bogachiel Garden Club.

If the Forks Fire Department needs some practice they could do a little shack burning around town. It would fit right in with the "Clean Up and Beautification" program. There are a few vacant shacks around town that could use burning. They are an eyesore for the public and a hazard for youngsters.

Mr. and Mrs. Lawrence Braver went to Burlington last Thursday to attend the funeral of Lawrence's aunt, Mrs. Lena Ericson who was 91 years old.

Lawrence's mother who is in a nursing home in Port Angeles is the list of 6 brothers and sisters that come from Norway as young men and women—while away they visited a cousin of Lawrence's in Enumclaw and there two daughters (Betty) Mrs. Alan Kitchel and family in Seattle. (Donna) Mrs. Arthur McSherry in Bremerton and Jessie's father and a sister in Olympia.

The Forks Memorial Library Association will hold their annual meeting at the Library on May 24 at 8 p.m. All members and friends of the Library are welcome to attend this meeting.

West End Piano Club will meet May 24th, a week earlier than usual, due to high school commencement on May 21st. Fourth of July plans will be discussed. Mothers will be honored; bring photos of your mother.

Colored slides will be shown by Roland Anderson, Potluck supper of foods your mother used to make. Guests welcome.

The West End Republican Club will have a dinner meeting at the Vagabond Room, Monday, May 27. The dinner will be at 6:30, followed by the meeting at 8.

Mike Odell, candidate for Congress from the Second Congressional District, will be the guest speaker. For reservations call 5479 or 6705 or 6538.

Nine members of the Forks Lions Club made a visitation to the Lake Quinalt Lions Club Monday evening. I had the pleasure of riding with Pat Tierney, Russ Thomas, Lee Cheek and Jon Erickson in the new L-T-D Pat recently purchased.

Jon, Lee and I sat in the back seat and received a real education from the two older statesmen. We know how long a good bull will last, how to make money, why we don't have money and the ups and downs of the real estate business.

The members of this car also witnessed the professional art of pilfering some paraphernalia belonging to the Quinalt Club. They must visit our club to get it back.

Also attending were Frank Horton, John Hill, Ray Shelton and Earl Simonson. Earl is a charter member of the Quinalt Club.

Bad habits place a mortgage on a man's individuality.

### ENGAGEMENT ANNOUNCED

MR. AND MRS. PAUL G. WESTLUND OF SEATTLE, ANNOUNCE THE ENGAGEMENT OF THEIR DAUGHTER SUSAN TO JAMES MICHAEL GORHAM, HE IS THE SON OF MR. AND MRS. JAMES M. GORHAM OF FORKES, WASHINGTON. BOTH ARE PRESENTLY ATTENDING CENTRAL WASHINGTON STATE COLLEGE. DATE HAS BEEN SET FOR THE WEDDING.

### VOTER TO Encourage Registration

Three more major organizations have endorsed the goal of the non-partisan VOTER organization to register to vote some 500,000 eligible Washington residents.

Mrs. William Collins, Jr. of Tacoma, Chairman of the statewide VOTER organization, said the Association of Washington Industries, Washington State Council of Churches, and the Washington State Federation of Business and Professional Women have informed VOTER they endorse it.

VOTER was formed earlier this year by 18 endorsing and cooperating organizations whose members believe every citizen should be registered to vote.

The three organizations endorsing VOTER, bring 21 the number of statewide organizations supporting VOTER. Included in VOTER are representatives of the Junior Chamber of Commerce; Washington State Labor Council, AFL-CIO; both political parties; League of Women Voters; the Washington State Grange; the Washington Education Association; and Washington State Congress of Parents and Teachers.

VOTER has more than a dozen local committees in operation throughout the state and expects to have operating local VOTER committees in at least 29 of the 39 counties by the month of June. All of the heavily populated areas in the state have active VOTER committees.

It is during June that VOTER members will attempt to get the bulk of the 200,000 non-registered residents to sign the registration rolls in order that they may be able to vote in the fall elections.

Approximately 53.4% of the eligible voters in Clallam County are registered.

The "VOTER" registration drive will be conducted at the VFW Hall 11:00 A.M.—7:00 P.M., May 25th and June 1st.

Self-confidence is the first step in solving any problem.

Girls who string a man along are only trying to find out if he's fit to be tied.

### Morse Creek Bridge May Be For Summer

Port Angeles: If all goes well the Department will be able to open the new Morse Creek Bridge for summer tourist traffic on State Highway 101 just east of Port Angeles. The structure was completed in April, according to the office of Project Engineer E. R. Smith.

However, before traffic can roll on the new span, temporary approach ramps must be built. These will carry eastbound traffic over the new bridge, and westbound traffic will have extensive use of the old bridge. The temporary ramps will serve until State Highway 101 is widened to four lanes between Port Angeles and Sequim. Construction of additional lanes on this route is scheduled to begin next year. The new span, 50 feet wide, will replace a narrow bridge only slightly more than 20 feet wide. It will eliminate a bottleneck, especially bad during the summer months when the highway carries an excessive number of campers and trailers. The structure was built by Del Guzzi Construction, Inc., Port Angeles, under a contract for \$172,700.

### Vic Ulins' Attend Conference

Mr. and Mrs. Vic Ulins of Forks, recently attended a three day Conference of Champions for nearly 250 leading independent insurance agents from the United States and Canada at Le Chateau Frontenac, Quebec City, Quebec, Canada.

The Conference was sponsored by the Safeco Insurance Companies, Seattle, Washington, and included a series of workshops and seminars on subjects ranging from advanced automation in the insurance industry to commercial insurance marketing of mutual funds and mass merchandising—all keyed to the management and sales efforts of the local independent insurance agency.

Mr. Ulins represents the Safeco Group of insurance companies through the W. C. Gallor and Son Agency, Forks, Washington.

### Mrs. Braithwaite Appointed To Deputy Instructor

Mt. Olympus Chapter No. 253, O.E.S. met on May 20 in a Chapter room filled with bouquets of Rhododendrons, white lilacs and roses. Mrs. Howard Gagnon, Worthy Matron presided in the East. Robert Cunningham, Worthy Patron, and Past Grand Patron of the Grand Chapter of Washington O.E.S. was presented in the East and introduced and given Grand Honors.

Mrs. Gagnon announced that Mrs. Thomas Braithwaite had also been honored by the Grand Chapter of Washington, O.E.S. by being appointed to the office of Deputy Instructor, District No. 1. This is the third member of this family to be so honored this year.

Resolutions were read that are presented at the "Chapel Garden Session" of the Grand Chapter of Washington, in Tacoma, on June 27 to 29. Mrs. Albert Nagel, Sun-ill Wore Mr. and Mrs. Isaac Gagnon. Mr. Quick is much better and is home again. Mrs. Victor Udd and Mrs. Pat Lemay, and Mrs. Bernice LaGambina, Brad Kennedy, Joe Morin, Ron Howell, Mark Anderson and Vincent Johnston.

Team No. 4, Russell's Rustlers, coached by Clayton Russell and Bob Swartz won a 4 to 2 game over Team No. 2, The Dodgers, coached by Bill Tubbs. Picking for the Rustlers was Sanford Wende, Ron Bagby and Don Hunley. Other players are Ron Swerin, Ronnie Moran, Robbie Frank, Jeff Hebert, Tom Lingvall, Ron Williams, Buddy Sanford, Jeff Hedelin, Jim Sanford, Brad Parker and Steve Bunge.

Picking for the Dodgers were Scott Birdwell. Others playing were Bill Tubbs, Curt Self, Ken McFall, Glen McFall, Daniel Soderling, Preston Isaac, Tommy Cook, Bobbie Hoke, Tom Stevenson, Scott DeWoe, Marty Whiteloid, Danny Greene, Robbie James, Jerry Clausen. One casualty suffered in this game—bloody nose—result of contact with a ball.

### Wear A Buddy Poppy

Commander Charles Archer of the Veterans of Foreign Wars Post 9106 urged all citizens of this area to wear a V.F.W. Buddy Poppy on Memorial Day as a symbol of respect and appreciation for the men who have given their lives and health in the service of their country.

The Poppies will be sold by the Ladies Auxiliary on May 21 and 22, 1968. This will mark the 48th anniversary year of their sale by the Veterans of Foreign Wars.

The funds derived from the sale, under V.F.W. rules, must be used exclusively for welfare of disabled and needy veterans, and the widow and orphans of deceased veterans.

The first reports of highway traffic and vacation action will be in at 3:30 p.m., May 29. Five minute wrap-ups will be carried throughout each day of the holiday.

Auto Club reporters, stationed in the southwest beach area from the Columbia River to Moclips, in the North Central Washington area, along Interstate 5 bet-ween Everett and Olympia, will make frequent contact with Auto Club headquarters and what the the action is.

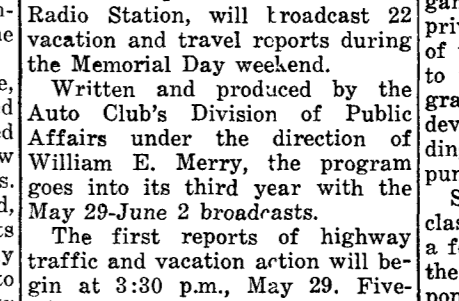

Auto Club staffers will be in constant touch with Park officials, city police, state patrol offices and ferry officials across the state.

For the past three years, KIRO Radio Station (710 on the dial) in Seattle has donated the time for each holiday weekend broadcast. Sixteen other radio stations around the state twice will carry similar broadcasts from Auto Club headquarters aimed at residents and vacationers in their particular areas.

The 107,000-member Auto Club was the second Club in the country to sponsor such programs during summer holiday seasons. The concept has been widely acclaimed throughout the nation and many auto clubs across the continent have their own "Bring 'Em Back Alive" programs.

Put off until tomorrow the worshipping you might do today.

### Bring em back ALIVE!

Operating under the banner of "Bring 'Em Back Alive," officials of the Automobile Club of Washington in cooperation with KIRO Radio Station, will broadcast 20 vacation and travel reports during the Memorial Day weekend.

Written and produced by the Auto Club's Division of Public Information, the reports will be broadcast on KIRO Radio Station (710 on the dial) in Seattle as far east as Pasco, in the mountain passes, at Birch Bay and along Interstate 5 bet-ween Everett and Olympia, will make frequent contact with Auto Club headquarters and what the the action is.

### Obscene Phantom Strikes Again

Many people in this community have spent countless hours planning the Clean-Up and Beautification of the area and many citizens have carried out the performance of the program.

Yet, what have some of the youth of our fair community seen fit to do to the beautification.

Maybe some of you are unaware of the obscene writings on various buildings around the school, at the intersection of Highway 101 and the La Push Road and at the back of West Chevron.

The Phantom Painters have been a campaign of destruction of private and public property. Each of the sign painting had been held to the traditional painting of the graduating class year, but it has developed from a program of "wild vandalism" to a program of punitive action.

Some seniors of the graduating class of 1968 are guilty of painting a few "68's" on a sign or two. But the seniors should not be held responsible for the repulsive actions of others.

The idea of painting the class year in a few choice places is not new, but it doesn't have to reach the point of being destructive. The graduate class is usually painted for all painting.

The class of 1965 had a revolutionary idea when they decided to construct a large "P" on the hillside northeast of Forks. Several class members collected materials and constructed the "P" on two consecutive Saturdays. They intend also to place the class number near the "P" at the same time, but neglected the difficulty of this latter.

Members of the "65" graduating class hoped that successive classes would be interested in bettering the "P" in legible condition. The success of "66", "67", and so far the class of 1968 have not expressed the interest to do so.

The phantom painters are not members of the senior class. They are students of other classes striking out. At What, Who, Knows?

They have demonstrated a lack of good sense and judgment.

EDITORIAL

A THANK-YOU TO THE QUILLAYUTE VALLEY SCHOLARSHIP FUND INC. FOR THE LETTER IN REPLY TO THE EDITORIAL ON SCHOLARSHIPS. THIS LETTER WAS PUBLISHED IN THE MAY 16TH ISSUE OF THE FORKS FORUM AND JUSTIFIED IT'S SO.

THE EDITOR POINTED HIS FINGER IN THE WRONG DIRECTION. IT WAS EVIDENT HE SENIORS WERE NOT OVERACTIVE IN MEETING THE SCHOLARSHIP FOLDER DEADLINE FOR APRIL 15.

UPON INQUIRY AS TO THE SCHOLARSHIP FOLDER REQUIREMENTS AND THE DEADLINE FOR SUBMITTING FOLDERS, IT WAS POINTED OUT TO ME THAT VERY FEW FOLDERS WERE TURNED IN ON TIME. REPEATEDLY, ANNOUNCEMENTS WERE PLACED IN THE SCHOOL BULLETIN AND THE COUNSELORS CALLED STUDENTS INTO THE OFFICE TO INQUIRE IF THEY INTENDED TO SUBMIT A FOLDER. ONE MONTH AFTER THE DEADLINE THE LIST OF FOLDERS RECEIVED HAD MORE THAN DOUBLED.

THROUGH THE LIST OF THOSE WHO SUBMITTED FOLDERS, ONE CAN SEE THAT ALL BUT TWO OR THREE ARE SCHOLASTIC STUDENTS. IT OCCURRED TO THIS WRITER THAT THE COUNSELORS HAD TO PROUD STUDENTS CONSTANTLY TO GET THEIR FOLDERS IN OR EVEN TO SUBMIT THEM AT ALL. IF THIS IS THE CASE, THEN THEY SHOULD HAVE ACTIVELY ENCOURAGED MORE OF THE NON-ACADEMIC STUDENTS AS WELL. THEY ARE THE ONES WHO NEED TO BE ENCOURAGED.

WITH OVER \$4,000 IN SCHOLARSHIP MONEY AVAILABLE TO FORKS HIGH SCHOOL SENIORS, THE SENIORS WERE NOT VERY ENTHUSIASTIC IN COMPLETING APPLICATION FOLDERS. THE MAJORITY OF APPLICANTS CERTAINLY DID NOT DEMONSTRATE THE ACADEMIC ATTITUDE THEY SHOULD POSSESS.

SCHOLARSHIPS ARE OFFERED IN AN ATTEMPT TO ENCOURAGE STUDENTS TO PURSUE THEIR EDUCATION AND IN MOST INSTANCES THEY DO THAT. THE TRADITION OF REWARDING STUDENTS FOR OVER-ALL EXCELLENCE IS FADING OUT. WHAT SHOULD BE DONE TO COMMUNICATE TO STUDENTS THE IMPORTANCE OF PERSONAL RESPONSIBILITY FOR APPLICATION? ONE CANNOT WIN THE PRIZE ONE DOES NOT TRY FOR.

IS COMMUNICATION THE PROBLEM? PERHAPS NEXT APRIL ALL CLUBS, ORGANIZATIONS, AND THE QUILLAYUTE VALLEY SCHOLARSHIP FUND INC. SHOULD BE GIVEN AN OPPORTUNITY TO EXPLAIN TO THE SENIORS THE SCHOLARSHIPS BEING OFFERED, THE CRITERIA FOR SELECTION, AND THE IMPORTANCE OF THE STUDENT'S OWN RESPONSIBILITY.

SPORTS Wanderings

Sports Wanderings in the Forks High mile relay team for the tremendous effort at the district meet. Three times they shattered the old school record held by the '65 team of Bob Wentworth, Rich Goon, Dave Breithaupt and Bill Peterson. The new marks, established by the team of John Spolstra, Steve Perry, Dennis Perry and Dick L. stands at 3:47.1.

Forward Posa won the Freeland and will shoot for the triple crown of horse racing at the June 1st running of the Belmont Stakes. Danvers Image was disqualified for the second straight race. The disqualification in the Prearkness resulted from lurching another horse.

The big question will be can Danvers Image find some way to go disqualified for the third race in the triple crown?

Optimism is prevalent among pro football coaches at this time of year. And John Rauch of the Oakland Raiders is no exception. Oakland was the champions in the American Football League last season and Rauch feels that his club can do it again. In short, he feels he has the best team.

Says Rauch—"It's been said before but the players are the ones who make a coach look good. I don't want to belittle the coaching profession but if you have the right players you win."

During two years at Oakland, Rauch has compiled a record of 21 victories, six losses and one tie. In regular season play last year, Oakland ran up a record of 13-1 and then routed Houston 40-7 in the AFL championship game.

The two most prominent additions to the Raiders are a pair of outstanding college quarterbacks, Eldridge Dick of Tennessee State and Ken Stabler of Alabama. However, Oakland has an outstanding quarterback in Daryle Lamonica and both may play at other positions.

Says Rauch—"We didn't draft them strictly as quarterbacks. They're exceptional athletes and they can help the club in other ways."

A tight race down to the wire appears in store for the American League again this season.

That was the prediction before the season began and there's no reason to change it now.

Spartans Place At District

Seven members of the Forks Spartans track squad won ribbons at the district meet Friday, May 17 at Sumner.

The mile relay team, John Spolstra, Steve Perry, Dennis Perry and Dick Pitt, placed second in the 880 to place in the existing school record for the three mile season, with a time of 3:37.1. The team soundly trounced the Lakeside relay squad which had beaten them in three earlier meetings. Percentage of winning favorites was 35% (238 wins of 680 races). This is a little bit over the previous season.

Some new "BESTS" for the '68 racing season will appear in the record books. The only horse with a chance to repeat in Hanford, the best Washington-bred. He will campaign again this year and has a chance. He won the Governor's and British Columbia Handicaps in open competition and finished second in three other stakes.

Mustie, the 1967 \$1600 claim and "best player" in winning 7 races is not likely to repeat in fact he may not even campaign this year. Ahead Tiger, best three-year old and Longeacres Derby winner will be replaced as will Pataha Prince, best two-year old Washington bred. He was the Washington Futurity winner in '67 and the payoff was larger in this \$35,000 race.

Quina Reigh, bred by Washington State University Hilltop Stables and best Washington bred two-year old filly will be replaced as she fought it out with the older horses.

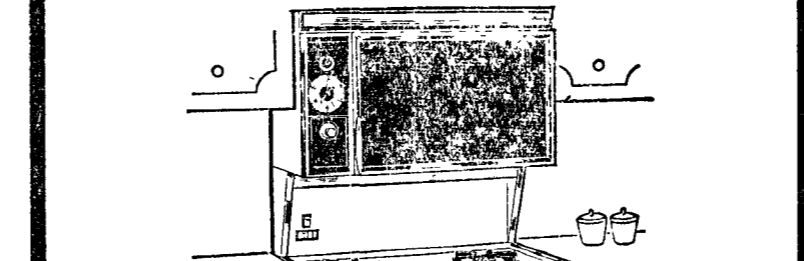

Lennie Knowles and Paul Frey are both riding at other tracks but will be back and these two, leading riders for several years, could stage their usual ding-dong battle for top honors.

FOR AN OPENING HAND, try these for the first weekend of racing.

Seafair Queen Stakes on Friday, May 24th, at five and one-half furlongs for three-year old fillies for \$5,000 added. William E. Boating Tips...

Safety comes, sense dictates that you remove your "valve foot tank" from the boat whenever you go ashore. This means that no gas will be spilled into the harbor. Use Mercury boating authorities. It also facilitates proper mixing of the oil and gas. When filling your remote gas tank, pour in a small amount of gas and an equal amount of oil.

Mix thoroughly by shaking or stirring vigorously; then add balance of oil (follow the manufacturer's recommendation) and gasoline and mix again.

Through last year 17,141 races had been run at the Repton oval and this year could see the total exceed 17,500. All ages and there are no cancellations.

Nineteen sixty-seven was a year of records for Longeacres. Attendance was up 5.08 percent and the mutual handle was boosted 8.8 percent. Percentage of winning favorites was 35% (238 wins of 680 races). This is a little bit over the previous season.

### Garden Club Holds Luncheon

Many beautiful and novel flower gifts were modeled by the members of the Bogachiel Garden Club at their annual Hat Luncheon at the home of Mrs. Robert Rosmond, May 16th.

A lovely crab salad luncheon was hosted by Mrs. Robert Rosmond, Mrs. Pat Tierney and Mrs. John Westman. The tables were decorated with shells and coral brought home by Mrs. Tierney from her recent visit to the Eleuthera Island in the Bahamas.

Marsh told of several projects being carried on by different groups in the Clean-Up and Beautification Campaign.

Mrs. Warren Paul novel hat won first prize. It was made of mossam sticks, fish hooks, live worms and a trout.

Mrs. E. C. Gockereil had the most beautiful hat made of pink flowers and wire.

Arrangements were made by Mrs. Henry Halverson, Mrs. Clarence Kiehl and Mrs. Richard Kalmus. Mrs. Ernie Christenson reported on the history of herbs, "How to plant and dry them."

Mrs. Pat Tierney talked about her trip to the Bahamas and explained the shells, sands and corals decorating the tables.

### Bogachiel Garden Club News...

Has anyone noticed the beautiful Rhododendrons blooming in front of the Forks High School? If not, please drive by.

This area was planted by the Bogachiel Garden Club with their own funds and funds received from Sara Roebuck Foundation for Urban Beautification.

The past week Mr. Thompson's Vo-Ag classes and the landscaping class has been busy weeding and digging, to help finish the project.

Mrs. Henry Halverson collected \$100 for them to plant as a ground cover between the sidewalk and the shrubs, from garden club members.

The plantings around the Forks Memorial Library were also planted with funds from Sara Roebuck Foundation by the Garden Club.

### Changes In Social Security

Recent changes in the Social Security Law provide an important change for many children under age 22. It means that some of them may now be eligible for child's social security benefits based on the earnings of a retired, disabled, or deceased mother.

To qualify for child's social security benefits the child must be dependent on an eligible or deceased parent. If the child was not actually dependent on his mother, he was said to be dependent if the mother under social security for 1 1/2 years out of the three year period prior to retirement, disability or death.

This requirement of recent work is what formerly ruled out payments to many children of mothers who had worked long enough to qualify for retirement or disability benefits, but had not worked recently, and were not providing one-half of the child's support.

With the recent change in the law, the child can now be said to be dependent, if the mother had worked long enough under social security for retirement, disability benefits or payment of the death benefit to help pay the funeral expenses. Parents or guardians of minor

### Changes In Social Security

The change in the law is retroactive with benefits for February 1968. Nationally, an estimated 175,000 children have become immediately eligible for benefits beginning with the month of February 1968. Anyone having knowledge of children who might qualify under this provision should have the child's parent or guardian get in touch with the representative who visits Forks on the last Friday of each month (except leap holidays). The office hours are 10 a.m. to noon and the office is located at the Forks City Hall, City Council Chambers.
