Burglary Suspects Held

Two men and a woman were taken into custody by the sheriff's department Saturday in connection with five burglaries and two larcenies in the West End recently. Clallam County Deputy Sherrifs Vic Talvi and Billy Keys and State Trooper Dave Smith recovered over \$1,000 in stolen goods, according to Sheriff R. H. Bishop. Bishop said investigation in the case is continuing. He added that he has California warrant for one of the men arrested, charging him with parole violation and robbery.

Directors Join Quillayute Dist. In Two Law Suits

The Board of Directors, Quillayute Valley Schools, joined two law suits in the interests of the district in action at the regular meeting November 21. Superintendent John Hitchcock and elementary principal Tom Winsor have held meetings with the architects, discussing the building. They have also met with the state elementary building site. Superintendent John Hitchcock and elementary principal Tom Winsor have held meetings with the architects, discussing the building. They have also met with the state elementary building site. Superintendent John Hitchcock and elementary principal Tom Winsor have held meetings with the architects, discussing the building. They have also met with the state elementary building site.

The state is deducting 85% of the forest funds from the districts allotted state support funds. The second is an anti-trust suit brought by the State of Washington vs. Haper Row, Inc., Children's Press, Golden Press and numerous publishing companies supplying library books to schools in the State of Washington.

Some publishing companies have been over charging for library books and if the suit is successful, school districts have an opportunity to recover funds.

In other business, the board was informed that soil tests will begin December 6th at

What Is A Gyppo Logger?

In answer to the question, where did the term "gyppo" originate in reference to logging?

The term means contract logger. After the turn of the century, the logging business witnessed a revolution in the introduction of power equipment.

Eventually logging reached the point where smaller crews were used in a logging show with the use of modern equipment, so the rise of the small contract logging companies -- "gyppo".

Obtained from "This Was Logging" by Ralph W. Andrews.

CONDEMNED--This old Shaker Church built in 1917 served LaPush for more than 45 years both as a house of worship and a community hall. Lumber for this structure was purchased at Iversons Mill near Forks with contributions by Jim Ward and many people of the Quillayute Reservation. Lumber was taken by horse team from the mill at Mill Creek to the Bogachiel River then by canoe on to LaPush. Hal George who at that time was manager of the Quillayute Braves baseball team, still recalls the long journey down river and the many hours spent with his hall team constructing their new church. Standing somewhat unstable, this old landmark will someday crumble under the powerful Pacific winds. by Lonnie Archibald

The lady on the Freedom Share.

She came to our shores in 1886, gift of the French people, inspired by our 100th anniversary as a nation. She stands in New York harbor, beacon to a free world. Miss Liberty. The lady on the \$50 Freedom Share.

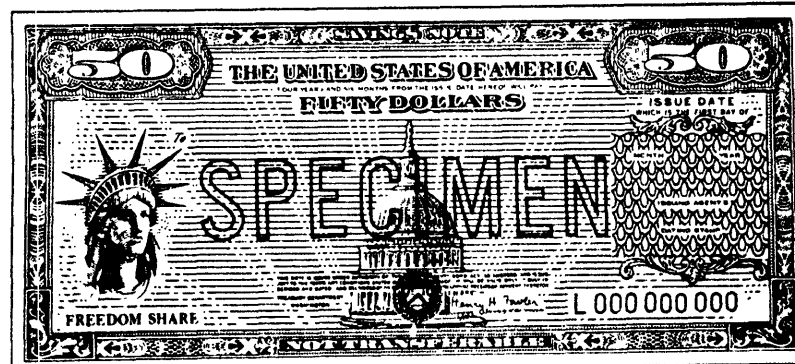

Freedom Shares—new U.S. Savings Notes that pay more, faster

Freedom Shares are a bonus opportunity for the millions of Americans who buy U.S. Savings Bonds. Bonus opportunity because they pay a higher rate of interest—5% when held to maturity. They mature in just four-and-a-half years, and are redeemable after one year. When you buy Bonds where you work or bank, you can buy

Freedom Shares of the same or smaller denominations.

Sign up for Freedom

The best way to buy Bonds and Freedom Shares is through a Bond-a-Month or Payroll Savings Plan. The payroll people where you work or any officer where you bank will give you the facts. You decide how much you want to save . . . whether you want Freedom Shares as well as Bonds . . . and sign the authorization card. The rest is automatic. Your money will be growing. And you'll be helping your country as you help yourself.

U.S. Savings Bonds
New Freedom Shares

Happy Thanksgiving

LETTER TO EDITOR

Editor of the Forks Forum: The seventh and eighth grade science classes were very much favored earlier this month when about half of the class was taken to Seattle to the Science Center, to the Woodland Park Zoo and to see the movie, "2001: A Space Odyssey." The remainder of the class is expected to make the trip at a later date. The children enjoyed this outing and learned so much from this experience that surely a word of appreciation is due Mr. Traver and the junior high and high school science departments for arranging this trip for the children.

Our children seldom realize how much effort it takes to make a trip such as this possible. They also have a tendency to take for granted most things that are given to them. So as a parent of two junior high school students who made this trip and so thoroughly enjoyed it, I say thank you, Mr. Traver, Mr. Hummel, Mr. Borde, Miss Benson, Mrs. Hummel, Mrs. Nash and Mrs. Lehman. Very truly yours, Betty Soderlind

Children's Society

The 60th annual Christmas Red Stocking membership subscription which aids the Children's Home Society of Washington has begun with the mailing of the familiar red and green envelopes to donors throughout the state who annually aid Washington's largest and oldest child-care agency.

"For the 21,700 children cared for in the past 72 years, the Society has been both parent and home. Just as the children are dependent on the Society for care, so, too, are we dependent on the generosity of others to meet the ever-increasing demand for service," Perry B. Johanson, Northwest Branch Chairman said.

Red Stocking funds have helped provide care, counseling and treatment for 1,179 children throughout the state the first nine months of this year -- 815 children were from counties within the Puget Sound area. Statewide, over 400 children have already been

BE THOU THANKFUL

THANKSGIVING 1968

What have we to be thankful for? Did the original celebrators of the feast of Thanksgiving have more cause for gratitude than we do today?

Their life was demanding. They had to work hard to provide the necessities of life, clothing and food, and to build schools and places of worship. Yet they set aside a day for joyous celebration to thank God for the munificence of His gifts.

We have come a long way since that first celebration in the Massachusetts Bay Colony. As one generation gives way to another, the scientific and technical advances have made us the bread basket and the supplier of the world. The luxuries of yesterday have become the necessities of today.

Wouldn't it be a sound idea for all of us to reflect a bit on that original scene of Thanksgiving? History is a great teacher, and a quick flashback to the first Thanksgiving might help us to rededicate our lives to sound principles, good deeds, human values, cooperation, peace, prosperity for all mankind.

placed in adoptive homes -- 300 in the Puget Sound area. Statewide, 409 unwed mothers have received care and counseling -- 290 from Puget Sound.

Children's Home Society, a member of 29 Statewide United Funds offers multiple services in adoption and foster family care, maternity care and counseling, group living for school age youngsters in four facilities: Cobb Hall in Seattle, Jeff's Home in Kent, Galland Hall in Spokane and Blue Mountain Boys' Ranch in Walla Walla.

EDITORIAL

Help Wanted?

How many people realize (1) the West End has 6 out of 7 fatalities record this year in Clallam County, (2) the vast area law enforcement officers in the West End are expected to cover, (3) the high number of parolees in residence in this area?

The West End has 3 law enforcement officers from the County and State levels. Clallam Bay and Forks each have a deputy sheriff. One state trooper is expected to patrol the area from Fairholm to Queets. The Clallam Bay area has no trooper in the area.

Forks has a full-time marshal and one part-time marshal. The council has considered a second full-time marshal.

The deputy sheriff in any rural area has his hands full serving civil papers, a duty overlooked by many people.

When one of the officers has a day off, this area is left with one law enforcement officer and on occasion none. On numerous occasions, one officer has to be in Port Angeles for a trial or enforcement business and the area is left with only the Forks Town Marshal here. The marshal has found it necessary, all to often, to respond to calls outside his territory of responsibility.

Western Jefferson County has been without a deputy and may have one at this time. The Clallam County deputy can only respond to calls in Jefferson County on an emergency basis.

The time is right for the people of the West End to stand up and be heard. A second deputy sheriff and a second state trooper are needed in the West End. The way to accomplish this is for people, clubs and other organizations to write letters to Senator Gordon Sandison, representatives Paul Conner and Charles Savage pointing out the need for a second trooper. Write to the county commissioners and Sheriff Harley Bishop requesting a second deputy and pointing out reasons necessitating such an addition.

Help is wanted and definitely needed. You are urged to respond today.

A Day Of Thanksgiving

Thanksgiving is the oldest observance, unique to the United States, which we now commemorate as a national holiday. It began with the pilgrims at Plymouth after their first harvest in 1621. From their tenuous foothold on the edge of an unknown continent, whose limits they were never to know, grew the English colonies, the conviction that government derived its powers from the people, the American Revolution and finally the United States of America.

What happened then through the years of our national history and what we have the opportunity of carrying forward today should be remembered with humility and thanksgiving on the 28th of November, 1968. We defend again the principles of human freedom on the battlefield. We should be thankful that we have the strength to do so. Our harvests were never more abundant, and our material wealth never greater. Our original dedication to the worth of the individual is intact, and our institutions in these fast-changing times are proving equal to the task of living up to this dedication. The faith of our forefathers was strong, and it built the land that we live in today. Let us give thanks that we have been able to fulfill that faith to this point in our history and continue in our common purpose to pass it onward with courage and with wisdom for generations yet to come.

THANKSGIVING

Sunset Highlites

By FRED JARVIS

Sunday:

Sure wish I knew where the weekend went so fast. Went to Sequim with Mother Saturday, bowled Monte Carlo here that night, sat around today watching football on the idiot box, and it seems like I just got off work. Still think a two-day work week and a five day weekend would work out better for my bowling. Like most bowlers, I need much more practice. At my age, it won't make for perfection but sure helps the average.

If you could take the bowlers in Forks and give them plenty of spare time for practice and league competition, you'd find one heck of a lot of darned good high average leglers amongst them.

Read where Darrell's longtime friend, Cal Ray, bowled up a storm in Seattle a few days ago. Whipped out a 224-221-278 for a whopping big 723. Congratulations, Cal, on some beautiful bowling. Next time you and Ruth are down, let us in on the secret.

In the Tue. afternoon league, Barbara Windle joined the growing list of women hitting their first 200. She had a 206 Hi 10 and also had a nice 510 series. Sally Nagel tossed a 200 and had a 538 for Hi 30.

Frank Goss had a Hi game of 234 to lead the Sunset League for the second straight week and Fred Jarvis a 610 for Hi series. Save some of those for the City Association Tournament, Frank, my ol' doubles partner!

Helen Thomas and Sally Nagel led the Wed. Powder Puffs with 189 and 504 respectively.

In the Wed. Boys Bantams, Rocky Cofelt led all boys with a Hi 10 of 174 and Hi 20 of 296. Randy Henry came in with a 171-287.

Wed. night Hoot Owlers had Shirley Halverson's 176 and Linda Gott's 471 as best for the night.

Mark Henry rolled a 173-462 high for the boys and Patty Laswell again topped the girls with her 133-365 in the Jr. mixed.

Sally Nagel continued her good bowling with a 205 and a 552 in the Thur. night Women's League. Jody Pruefert's 205 tied her with Sally for Hi 10. Leta Rondeau had a 543 and Anine Lehman a 530.

John Brooks missed a Century Award by five pins, as with a 140 average, he splattered 235 pins for the West End League's high game of the night. Duke Streeter's 588 was the high series.

Peninsula Logger's Supply set a new high team game of 904. Butch Humphres 211 and 597 was high for the men and Paula Lyda's 179-471 led the women in the Early Fri. Mixed.

Wayne Cline pulled an oddity when he picked the 2-4 off the 1-2-4-7 leave.

Barb Kelso and Harold Kennedy led the men and women of the Late Fri. Mixed. Barb shot a 204-552 and Harold a 223-572.

There will be no bowling for the Late Fri. group this Fri., Nov. 29.

Saturday's Mini-Squad was ruled by Darlene Engeseth again with a Hi 10 of 125 and a Hi 20 of 214. Connie Joutsen had a 111-192.

Sally Nagel's name keeps popping up. She had the big jackpot shot at Monte Carlo Sat. night. No luck. Hit the head pin right on the snoot and left a durned split. Soothed her feelings somewhat with a 560 plus series.

Lou Bigelow had her name drawn for half the jackpot but also missed and so the pot keeps getting bigger and better.

Vern Rondeau whipped out a 624 scratch series. Had a big game of 230.

Because of Thanksgiving Day, Monday's Forks Prairie League scores will be posted next week. See you then.

Spartans Open Dec. 3rd

Seven returning lettermen will lead Coach Roy Mohondro's Forks Spartans into the 1968-69 basketball season with jamboree action opening at Sequim Tuesday, December 3rd.

The Spartans will depend upon a pressing zone defense and a fast break attack this season. They have good rebounding strength in Jerry Price, 6'5", Rich Liles, 6'3", Mike Price, 6'2", and John Spoelstra, 6'2". Jim Rosmond at 6' even is as tough on the boards as some of the taller timber.

Mike Price heads the list of

returning lettermen as a 2-year man. Other senior lettermen are John Spoelstra, Larry Baker, Bob Seigle and Jim Rosmond. Juniors are Dennis Perry and Jerry Price.

Other members are Steve Perry, Ed Rondeau, Ken Holz, Russ Gale, Rich Liles and Chuck Keeley.

The Spartans will tangle with Sequim and Port Townsend in jamboree action. The first game will find the Quilcene Rangers invading Spartan territory Saturday, December 7.

800,000 people leave the farm each year—* To make a national problem even greater!

The problem is not, "who will produce the food?" Tremendous technological development, and efficient farming methods, see to that.

The problem is this: Many of these people come to the city. Many are untrained for city living. But they must live; and they must work. Often they add to the explosive economic and social problems of the city.

Yet their backgrounds fit them for agri-business pursuits, at a time when agri-business jobs, vital to national survival, are being USDA.

*official USDA estimate

CARD OF THANKS

Our heartfelt thanks to all our friends who paid respects by their kindnesses, floral offerings and sympathy during the recent loss of our beloved husband and father. Eileen Perkon, Victor, Raymond & Donald Perkon

Bruins Host Red Devils

The Clallam Bay Bruins will host the Neah Bay Red Devils Tuesday, December 3rd, as both teams open the 1968-69 basketball season at Clallam Bay.

This is a non-league encounter for the two North Olympic League teams. Neah Bay has a rebuilding job facing them. They are the defending league champs and played in the state "B" tourney in Spokane last year. They lost almost the entire squad via graduation.

The Bruins have three returning starters, Don Wilson, Dan Wilson and Brent Youlden, from last year's team which posted a 16 win, 4 loss record. Don and Dan were the two top scorers and among the top three in the rebounding department.

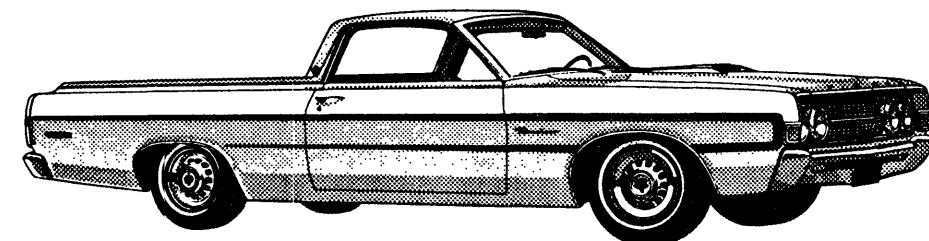

Clallam Bay is coached by Harold Van Riper, assisted by Dennis Jones and play a fast-breaking type of basketball.

According to coach Van Riper, this could be the year for the Bruins if they can come up with a couple of ball players to replace the two starters lost via graduation. The two replacements must come from the squad of Ken Sternbeck, Rob Tulloch, Dan Hansen, Charles Hartman, Allen Hamilton, Jim Murray, Dave Stock, Brian Wittala and Tony Hernandez.

Seattle Pilots List 81 Home Games

The Pacific Northwest's first major league baseball season will feature the Seattle Pilots against 11 American League opponents in a schedule that offers 81 home games in 79 dates at Sicks' Stadium here. Marvin Milkes, general manager of the Pilots said that

Seattle would play a total of 17 day games, with 58 regular night contests and three two-night double-headers.

Seattle will be the focal point of the nation on Memorial Day weekend when the Pilots host the world champion Detroit Tigers for a three-game series. Detroit's Memorial Day weekend visit will be the first of two meetings with the Pilots at Sicks' Stadium. The Tigers will also be in Seattle on August 19, 20 and 21.

Seattle opens its home schedule April 11 against Chicago and winds up the season on October 2 with a three game set against Oakland.

Boston's Red Sox, A.L. champions of 1966, show in the Northwest for two games May 6 and 7, and return for four contests July 24-27 to open Seattle's Seafair celebration.

The New York Yankees make their first appearance May 12, 13 and 14 and come back August 1-3 as the windup to Seafair.

The Pilots most formidable opponents in the Western Division appear to be Oakland and Minnesota. The former, in addition to closing out the season in Seattle visits here April 26-27 and July 15-17. The Twins steam into town for a single contest on April 16, reappear July 18-20, and again Sept. 25-28.

Seattle day games will begin at 2 p.m. PDT. Night contests are slated for 8 p.m. PDT, and the three two-night double-headers will get under way at 6 p.m. PDT.

Requests for ticket information concerning Seattle's home schedule should be directed to: Director of Ticket Operations, Sicks' Stadium, 2700 Rainier Ave. S., Seattle, Washington, 98144.

The Forks PTA met Nov. 20 at the school multi-purpose room. The meeting was presided over by president John Leppell. The flag ceremony was conducted by Cub Scout Den 9 and "America" was sung accompanied by Mrs. Roger Addleman on the piano. The invocation was given by Mrs. Arvil Silcox representing Prince of Peace Lutheran Church.

Mrs. Earl Kennedy, chairman of the Calendar Committee, reported the calendar is now at the printers and will be back for distribution in late December. The total raised by the sale of the Birthday Calendar was \$1,262.50.

Membership chairman, Mrs. Ron James, conducted a contest between parents of first and second grade students attending the meeting. The room with the most parents attending will receive a treat. The room winning was Mrs. Waters second grade with Mrs. Spade's first grade coming in for a close second. Next PTA meeting there will be a contest between the third and fourth grades.

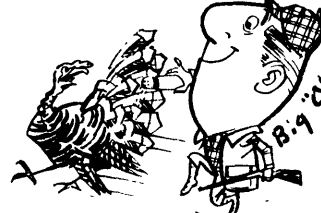

Art Munson gave a report on financing problems facing school on the state level. He

briefly covered levies, the 50% value property tax, sales tax and state income tax.

John Hitchcock announced the basketball jamboree will be in Sequim on Dec. 3, and the first home basketball game will be with Quilcene on Dec. 7. Mrs. Henry Halverson reported the next community council meeting will be Nov. 26 at 8 p.m. at the Congregational Church Hall. Mrs. Richard Haberman reported on the results on the areas UGN Drive. A total of \$3,578.90 was raised with 415 contributors giving to this year's campaign. She thanked all those who gave and all those who worked on the campaign to make it a tremendous success surpassing the goal of \$3,000.

The program for the evening was a film of teenage smoking shown by Mr. Bull, the school audio-visual director.

Following the meeting, refreshments were served by the second grade room mothers.

Members of Fletcher-Wittenborn Auxiliary met Monday, November 18th, for their regular meeting. Edith Woody, Senior Vice President, presided in the absence of President Jeanne James.

Reports of committees were given and evaluated. Sewing Club will meet at the home of Leta Klahn on December 3rd instead of the regular date, Nov. 28th.

Following the meeting, members packed and wrapped Christmas boxes for the local servicemen in Vietnam. They were mailed the following day. Members are reminded of the District #14 meeting in the Veterans Center, Port Angeles, on December 8th. This will be the Official visit of the Department President, Evelyn Seeley. All members are urged to attend.

Pioneer Club

West End Pioneers Club will meet the evening after Thanksgiving, November 29, at 8:00. Joan Anderson will show her slides of Europe. Potluck supper will follow, and guests are welcome.

Alcoholism Information & Referral Center To Open Here Part-Time

Port Angeles Alcoholism Information and Referral Center director, Richard Price, announced that a part-time center will be open in Forks commencing Thursday, December 5th.

A member of the center will be in Forks every Thursday from 1-4 p.m. in the I. W. A. office in the Sandar Building.

The Alcoholism Information and Referral Center is a bi-county program between Clallam and Jefferson Counties with the Center in Port Angeles. A part-time office is open in Port Townsend and the second is the office opening here in Forks.

Alcoholism is a sickness and not a crime. These people need help in some form or another.

Many persons who are not ready to accept help are willing to obtain information. This step does not obligate them to

admit the existence of a problem or commit them to a treatment program.

The Information Center serves not only the alcoholic, but members of his family. It is not a treatment center. Its services are unique and not offered by any other facility.

The Center has 4 goals:

- (1) Prevention of alcoholism
- (2) Early treatment and identification of the alcoholic.
- (3) Integrated community services to meet the needs of the alcoholic
- (4) Education of the alcoholic, professional personnel and lay public to the concept of alcoholism as a disease (physiological and psychological) in the State of Washington and the United States.

Clallam County has the highest rate of alcoholism in the State of Washington at 7.8% of the known adult alcoholics.

Simply Wonderful Christmas Cake

Rich, filling, and easy-to-serve right from the coffee table while friends visit — packages are opened and gifts exclaimed over. Christmas morning cake can be prepared in the less hectic days before Christmas and frozen for the big morning. Handy, too, to have several on hand for drop in guests — for those evening card addressing and wrapping activities. Top with S&W strawberry or apricot-pineapple preserves, or tangy orange marmalade and use the handsome tumbler jars for spare drink glasses or to pack full of tiny cookies, spiced nuts or buttons and pins.

- Makes Two 8" round cakes
- 1 cup butter
 - 2 cups sugar
 - 2 tsp. almond extract
 - 1 lemon rind, grated
 - 2 eggs
 - 3 1/2 cups pre-sifted flour
 - 1 tsp. baking powder
 - 1/4 tsp. baking soda
 - S&W Preserves-Marmalade, Apricot-Pineapple and Strawberry
- BEAT butter and sugar together until fluffy. ADD lemon rind, almond extract and eggs and beat again. STIR in flour, baking powder and soda. Mix well. PAT into Two 8" cake tins. DENT dough with spoon and fill holes alternately with the three preserves. BAKE at 350°F. for approximately 1/2 hour. Handsome S&W reusable tumbler jars also are available filled with delicately spiced cocktail onions, midget pickles, maraschino cherries, pimiento-stuffed olives and watermelon preserves.

DEAR JANE

DEAR JANE:

What do I do with a husband who gets a big thrill out of nude pimps, slides or pictures, black and white or colored! I just discovered that he recently spent the evening with one of his men friends and they sat around and looked at his nude slides. I just about died laughing when I found out what he and his friend did all evening. Why the thrill over pictures?
Pin up's Wife

Dear Pin UP:

It doesn't take much to entertain your husband does it? Infidelity is far more costly than pin ups. It also indicates the mental plane of thought that your husband has reached.

DEAR JANE:

I have a friend who can never talk about anything without mentioning its cost. If she describes anyone else who she knows to other people, she always describes the person by the price tag of her home, car, clothes, etc. Then she name-drops like: I know so and so who only owns a new such and such, or who is absolutely "loaded with money". Well, this goes on and on and on. The group of gals that we all pal around with have had it up to here with Miss Money Minded. How do we cheer her in that she is definitely getting on our ...

Nerves

Dear Nerves:

When will women learn that good taste is not "how much", but what quality -- of friendship, thinking, speech and manner. Perhaps she will read your letter!

DEAR JANE:

I know a gal who spends the entirety of her day causing trouble for anybody and everybody. She uses a continuous string of snide comments to those with whom she comes in contact. She is suspicious of anyone who is not a life long resident and she brags with pride that she has "never left this town"! Even the expression on this persons face is bitter and cold. This person has no real friends, she is unpleasant and rude, and just how do you treat people like that?

Observant

Dear Observant:

Do not waste your time observing someone like this. People who give nothing of themselves receive nothing from others; narrow minded people also live narrow existences! It is like a fly on the sidewalk; you don't make a big deal out of that do you?

DEAR JANE:

Our family has been invited out for Thanksgiving dinner with some friends. Our hostess told me she did not want me to bring anything for the dinner. I feel so guilty going there for that big dinner and bringing nothing. Should I bring something anyway?

Dinner Guest:

Dear Guests:

Respect your hostess's wishes; do not bring anything for the dinner. A hostess gift would be in order, though.

put on a pretty face
BY
Aubrey McDonald

Does YOUR mirror reflect the radiant look of good health? If so, your complexion has a moist, fine-textured look. Obeying Mother Nature's rules of drinking plenty of water, getting adequate rest and breathing good fresh air is important. However, if you are adhering to these good health factors and are still disappointed in your complexion, perhaps the fault lies in improper cleansing of your face.

Proper cleansing is of the utmost importance. It prepares the skin for the moisturizer and make-up or night cream. If the complexion is not thoroughly clean, your night cream will not be effective because it will be applied to clogged pores. When make-up is applied to a face which is not scrupulously clean, it lacks the morning-fresh look and distorts make-up tones. Today's fashions are geared to the "girl-on-the-go." Let me help you achieve a "girl-on-the-go" complexion. It's as easy as counting to five!

1. Apply Fashion Two Twenty Cleansing Cream to your forehead, chin, nose and cheeks. Massage this creamy liquid into your skin with gentle upward and outward movements. 2. Moisten fingertips and continue to massage cream into the skin. Be sure to raise elbows to shoulder height. This will give you greater leverage and will make your massage more effective. 3. Massage your throat with your entire hand, cupping it to fit around throat and chin. 4. Begin at the center of the forehead and massage drawing your fingers toward the temple. 5. Apply a moist face cloth to the complexion and gently

wipe off cleansing cream, using upward and outward massage stroke. Repeat until cloth is free of makeup and complexion is sparkly clean. Yes, it's really that simple! Let me remind you to always use upward and outward massage strokes. Circular or downward strokes stretch the skin. However, avoid massaging the under-eye area. This is extremely delicate tissue and must be pampered by gently patting. You'll be pleased with your vital, new look. Think pleasant thoughts and your "inner glow" will be as luminous as your radiantly clean complexion!

University Board Of Regents Take Stand

The University of Washington Board of Regents Friday reaffirmed its stand that it will not condone actions on the University campus which threaten to disrupt the functioning of the University. In commenting on this announcement, the President of the Board of Regents, Robert J. Willis of Yakima, indicated that the regents were making explicit what had been previously implied

because they have observed activities on other campuses in which individuals have attempted to inflict their will on others by violent or disruptive methods. "The Board of Regents recognizes and approves efforts of University administrators, faculty members, and students to open and keep open channels of communication and to review regulations and procedures of the University in the light of changing conditions," Mr. Willis said. "The Board itself has accepted and expects to continue to accept changes in University policies, regulations and procedures and in its own policies in the light of reasoned and justified recommendations."

Disruption, as outlined in the Regents statement, includes "actions on the University campus by students, faculty, staff or others from outside the University, which threaten the destruction of University facilities, records or property, or which prevent the University from carrying forward its regular activities and responsibilities."

Such action, the Regents stated, "will not be tolerated, whatever the sponsors of such interfering acts may claim to be their objective, moral or otherwise."

The Regents statement continued: "The very excesses to which individuals have resorted on some campuses require that the Board of Regents make it clear that the President and his authorized representative, are empowered, at their discretion, in emergency situations, pending University discipline or court action, to suspend from participation in any or all University privileges, offending members of the University community, either for the protection of the offenders or of other members of the University community or to assure the University's ability to function."

MEETINGS

VETERANS OF FOREIGN WARS Fletcher-Wittenborn Post No. 9106, V.F.W., meets each 2nd and 4th Wednesday of each month at their clubhouse.

FORKS FIRE DEPARTMENT Meets every Tuesday night at 7:00 at Forks Fire Hall.

If you wish to have your club meeting dates listed in the Forks Forum please send us your meeting schedule.

Church News

Why art thou cast down, O my soul? and why art thou quieted within me? hope thou in God: for I shall yet praise him, who is the health of my countenance, and my God."

This confident expression of faith from Psalm 42 is included in the Bible Lesson-Sermon titled "Soul and Body" to be read in all Christian Science churches this Sunday.

SPECIAL NOTICES

Notice is hereby given that at 11 o'clock A.M., Pacific Standard Time, on the third day of December, 1968, the Board of Directors of the Quillayute Valley School District No. 402, Clallam County, Washington, will hold a special meeting in the office of Robert J. Clark, Clallam County Treasurer, in the Clallam County Court House, Port Angeles, Washington, for the purpose of opening bids for the purchase of \$600,000.00 of General Obligation Bonds of the District and taking action with respect thereto.

Among related passages to be read from the denominational textbook is the following: "Knowing that soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation." (Science and Health with Key to the Scriptures by Mary Baker Eddy) Services begin at 11 a.m. in the VFW Hall, A Street S. E. All are welcome.

Betty J. Silcox, Clerk Board of Directors Quillayute Valley School District No. 402

Jehovah's Convene In Port Orchard

Anticipation is running high among Jehovah's Witnesses as they prepare to leave for their three-day convention in Port Orchard. Charles Meinzer, of Forks, reports that practically everyone in the local congregation will be in attendance when the sessions open at 6:45 p.m. Friday in the Marcus Whitman Junior High School auditorium. The art of teaching will be highlighted in Friday's program. The session beginning at 7:15 will portray a series of short sermons, each followed by counsel for improving the teaching quality of both the material and the delivery. At 8:15 p.m., the "Service Meeting" will begin presenting material in support of the scriptural theme, "We Ought to Be Teachers in View of the Time," (Heb. 5:12). Meinzer commented on the program, saying,

"All this stress on teaching and education is a result of the feeling of urgency Jehovah's Witnesses have. People need to be aware of the truth that leads to everlasting life, and time is growing short in which to gain it." Saturday's program will include a baptism talk and immersion service beginning at 1:30 p.m. A meeting will be held at 3:45 p.m. for those delegates who are interested in joining the ranks of full-time ministers doing missionary work in the United States. The Watchtower Society's special representative will conduct the evening sessions and will make clear to all delegates the value of the new six-month teaching campaign now being promoted by the Witnesses. The high point of Sunday's program will be the public lec-

ture entitled, "God's Way Is Love." Harry C. Good, a traveling official of the Brooklyn, New York headquarters of the Watchtower Society, will deliver the discourse at 3 p.m. Mr. Good has been associated with Jehovah's Witnesses since 1940, and has served in many areas of the United States during his ministry. His message will point out the opportunity being offered for individuals to make a stand for righteousness and peace. He will explain the urgency and the shortness of time. All who can do so are urged to hear this talk. There will be no charge, and the public is welcome.

Some students drink deeply at the fountain of knowledge. Others only gargle.

Church News

CHRISTIAN SCIENCE MTG.

Paul's advice to the Ephesians, "Put on the whole armor of God, that ye may be able to stand against the wiles of the devil," (Chapter 6:1) is part of this week's Christian Science Bible Lesson-Sermon. Titled "Ancient and Modern Necromancy, allas Mesmerism and Hypnotism, Denounced," the Lesson-Sermon will be read in all Christian Science churches throughout the world. Services in VFW Hall, A St., S. E., begin at 11 a.m. Related passages from the denominational textbook are part of the Lesson-Sermon and will include the following: "Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, if virtue and truth build a strong defence." (Science and Health with Key to the Scriptures by Mary Baker Eddy)

SDA EVANGELISTIC CRUSADE Again this year members of the Seventh-day Adventist Church will be visiting every business and home in Forks, Port Angeles, and Sequim, in their annual Ingathering Evangelistic Crusade. This intensive evangelistic program will be conducted between the dates of November 23 and December 22. The international magazine, "Signs of the Times", gives a world report of the work of the church in regards to Disaster and Famine Relief. We are sure that this report will be both interesting and informative to you. If you have further questions in respect to this humanitarian work, you may dial the following number. (683-5239)

In addition to visiting, every business and home in the community, the Seventh-day Adventist volunteer worker will be leaving Christian literature, encouraging people to study the Bible more by enrolling them in a national Bible Correspondence Course, praying for them, watching for opportunities to give or gather food or clothing for the needy, and giving each individual an opportunity to donate to the worldwide work of the church.

Meditation

By Art Morlin

Thanksgiving has become in many ways one of America's most characteristic national institutions. Whatever it may have started out to be, we now have in our calendar a unique and colorful holiday that has thoroughly sold itself to the people. Its recognized components consist of a long weekend, proclamations about prosperity, the gathering of the clan, a turkey with cranberries and pumpkin pie, and a football game on television. What all this has to do with giving thanks to the heavenly Father is not quite clear. In action, many resist the idea that Thanksgiving should be viewed as a religious occasion. We seem to accept it as a pleasant interlude between the seasons of leaf-raking and snow-shoveling.

How does one come by a grateful heart? Too often our reflections on Thanksgiving are limited to the sighs of relief we are not like the other guy. We pause while waiting for a traffic light to change, eye a battered up car and murmur, "Maybe I haven't made it to the top yet, but I'm better off than that poor devil, thank God."

Real Thanksgiving can never start with a measurement

of the human factor; It always starts with God, the giver. God is associated with his quality of "givingness". The air we breathe, water we drink, food we eat, the natural resources under our feet, are the real sources of our wealth, and are His provisions for our needs.

If there is one human fault more universal than any other, and possibly more irritating to God than any other, it is our habit of assuming credit for things that can only be ascribed to the goodness of God. To boast about such things or complain about them is to expose ourselves to divine disfavor. What the world needs today is people who are ready to give thanks to God for things as they are, much in the spirit perhaps of the little old lady who only had two teeth left and rejoiced in the Lord because they "hit". These are healthy souls, who don't waste precious energy day in and day out defending themselves. These are the radiant spirits who can still do the Lord's work on this planet.

No finer Thanksgiving experience could come to America than for all 200 million of us to sit down quietly and read or listen to the One Hundredth Psalm.

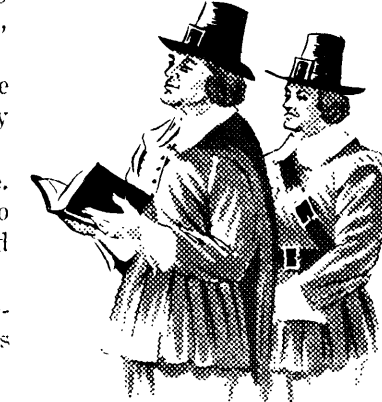

To Be Thankful

It used to be that a picture like this could only mean harvest time — big orange pumpkins, shiny red apples, colorful stalks of Indian corn. And, of course, a turkey in the pantry.

But what about today? You can buy apples almost any time. Pumpkins are available in a can twelve months of the year. And you can buy a frozen turkey as easily in July as in November.

We Americans take for granted what was a real treat in our parent's time. But in the midst of this material plenty, there is a danger of spiritual famine. To keep the proper perspective, to appreciate the gifts of life to the fullest we need the Church and the story it has to tell us.

Maybe you can't be a pioneer — a Pilgrim. But you can follow your forefathers' example at Plymouth that first November. You can utter genuine thanks in the church of your choice.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

RE: DOUGLAS FOSTER

Honorable Henry M. Jackson
United States Senate
Washington, D. C. 20510

Dear Senator Jackson:

This is in further reply to your letter of 4 October 1968, regarding the late Corporal Douglas G. Foster, 2221643, U. S. Marine Corps.

The Commanding General, III Marine Amphibious Force has reported that Corporal Foster is being recommended for the posthumous award of the Silver Star Medal by his Commanding Officer. The Silver Star Medal is a personal decoration awarded to an individual who has distinguished himself conspicuously by gallantry and intrepidity in action in connection with military or naval operations against an enemy of the United States in a manner over and above those performing similar duties.

So that decorations and medals will retain proper meaning and value, it is necessary that there be restrictive regulations which control their issue. Therefore, administrative processing of recommendations of this nature are necessarily time-consuming. Be assured that the decision to approve or disapprove the recommendation of Corporal Foster's Commanding Officer, that he be awarded the Silver Star Medal, will be made in accordance with the merits of his case.

As a matter of information, Corporal Foster's Commanding Officer has reported that Mr. and Mrs. Foster can take immense pride and perhaps find some consolation in the knowledge that their son made a real contribution in Vietnam. Corporal Foster was bright, alert and highly motivated for his work with the Combined Action Program. He had a remarkable understanding of the Vietnamese people and a sincere interest in helping them. The villagers of Binh Thuy mourned his death as if

he were one of their own. In addition, Corporal Foster was an aggressive and skillful patrol leader and had recently caught the local guerrilla leader who had harassed the area for over two years.

It was a pleasure to be of service to you, and I trust the above information will be satisfactory for your purposes.

Sincerely,
J. O. Blackwell
Colonel, U. S. Marine Corps
Assistant Director of Personnel

TERRANCE L. DIMMEL
USS Robert L. Wilson, at sea, November 13:
Seaman Terrance L. Dimmel, USN, 20, son of Mr. and Mrs. Martin Dimmel of Forks, Wash., participated in night ambush operations off the coast of Vietnam aboard the destroyer USS Robert L. Wilson.

Twenty seven miles southeast of Hue, the Seventh Fleet Destroyer teamed up with ground forces in a night ambush. With its five inch guns Wilson provided night illumination of the area while the troops ashore ambushed the enemy force in the open.

Later Wilson recorded four direct hits on an enemy cave hideout and sealed off the entrance.

Wilson has been providing gunfire support for the 101st Airborne Division, operating on moonless nights when enemy operations are usually more active.

District Auxiliary President Visits

Katherine Echernkamp of Port Townsend, President of District #14 Ladies Auxiliary VFW, made her official visit to Fletcher-Wittenborn Auxiliary on Wednesday, November 13th, in the Sportsmen's Club. Mrs. Echernkamp was happy to welcome the four new members, Norma Burr, Lenna Johnson, Sharla Fox and Virjeanne James, who were initiated into the Auxiliary.

The District President congratulated the Unit on being in "good working order" and gave instructions on new business and methods used in the work of the Auxiliaries.

Mrs. Echernkamp presented Jeanne James, President of Fletcher-Wittenborn Auxiliary, a gift of a VFW cup and saucer for being a member of her team. Mrs. James, in turn, presented a gift of appreciation to the District President on behalf of the Auxiliary.

Christmas gifts for the local servicemen in Vietnam are being readied and will be shipped in the near future.

Membership chairman, Edith Woody, announced 1969 dues are now payable. The dues committee will be contacting members in the next week, in order to get the dues in early. This is necessary to be eligible for the awards given by National and Department. Dues MUST be paid in December to insure the payment of your Cancer Insurance before the 1st day of January. Keep your Cancer Insurance in effect; pay your dues early!!!

Guests of Fletcher-Wittenborn Auxiliary were: Esther Boettcher, District #14 Senior Vice; Myrtle Lemley and Mildred Morgan of Henry Echernkamp Aux. #4760 Sequim; Nadine Tucker, District Patriotic Instructor; Dot Lonn, District Sec.; Laverne Meek, District Treas.; Nellie Baker, District Historian; and Lois Conrad, all of Clyde-Rhodefer Aux. #1024, Port Angeles. Each spoke in turn. They congratulated the new members and urged them to take an active part in the Auxiliary.

Following the meeting, members and guests of Post #9106 joined the Auxiliary for lunch and a social hour.

SCHOOL LUNCH MENU
MONDAY: Macaroni-tomato soup, ground meat sandwich, celery sticks, fruit, milk.
TUESDAY: Turkey & noodle casserole, buttered spinach, buttered bread, fruit cobbler, milk.
WEDNESDAY: Weiners on buttered bun, buttered green beans, carrot & celery sticks, red devil food cake, milk.

It used to take two bales of cotton to make a woman's dress. Now a silk worm can do it on his day off.

Tyce-Beaver-Sappho News

By MRS. J. E. MERRITT

Mr. and Mrs. Henry Schauer of Port Angeles visited at the George McCain home on Friday, Nov. 15. The Schauers lived in the Tyce-Beaver area and moved to King County about 25 years ago.

Mr. and Mrs. Claude Cooper returned to their home in Everett on Wednesday of last week after spending several days at the Martin Dimmel home in Forks. Coming over they visited Mr. and Mrs. Frank Conley in Sequim, Mrs. High Bloomquist (formerly) Mrs. Norman Erwick in Port Angeles, and a number of former neighbors in this area, among them the George McCains at Sappho, the Walter Mason's and Mrs. Maynard Lucken in Forks, and the John Merritt's and Leo Price at Tyce. They went to Clallam Bay Monday and met relatives and friends there.

Mrs. Mary Johnson and Mrs. Ida Eaton, Beaver and Sappho postmasters, accompanied Henry Bechtold, Forks postmaster, to a postmasters Christmas training session in the Port Angeles post office Thursday forenoon. The object of the session was to instruct the various post masters in the most practical and expeditious methods of handling the forthcoming Christmas mail which the postmasters request be sent as early as possible, the sooner the better.

Mr. and Mrs. Martin Engseth returned home on Thursday of last week after visiting for several days with her daughter, Mrs. M. G. Campbell in Tacoma, and with their son, Ron Engseth and family in Seattle.

Mrs. Maynard Lucken was hostess at a family dinner last Thursday, Nov. 21, honoring the first birthday of her granddaughter, Marcella Halvorson, daughter of Mr. and Mrs. Richard Halvorson. Present to help celebrate the occasion were Marcella's great grandfather, Ivor Lucken, her parents, the Richard Halvorson's, grandparents, Messrs. and Mmes. Henry Halvorson and Maynard Lucken, and her four year old cousin, Brad Halvorson. Later in the evening

Marcella's mother served ice cream and cake with coffee to the adults. Others present were Mr. and Mrs. Laurence Eaton, Mr. and Mrs. "Codge" Pooler and their three daughters, Mr. and Mrs. John Halvorson and three children, and Gene Halvorson, Brad's father, who had come late to the party.

Correction: In the obituary of Jack Norkool in last week's Forum, mention was made of a surviving granddaughter. That was an error as Mr. Norkool had no grandchildren at all.

Adventist Churches Collect Relief Offering

Members in Forks, together with those of other Seventh-day Adventist churches around the world, will take a special relief offering on November 30 to aid suffering war victims in East Nigeria. An advance of \$50,000 has already been sent to the famine stricken areas of Biafra, making a total of \$100,000 given by the church to date for this purpose.

Action designating the relief offering came at the close of a firsthand report given by Dr. Sherman Nagel at the church's biennial council in Toronto, Ontario. Nagel, a veteran of 22 years of medical work in Africa, returned to the U. S. last month.

Nagel told the church's top 300 officials that quite apart from the tremendous need for food, the people in East Nigeria have suffered immense material deprivations. Many of them have only the few rags they wear, having fled from their homes, traveling many miles on foot before the advancing armies.

"Their needs are staggering," the Dr. said. "You've got to see it to believe it."

Dr. and Mrs. Nagel have been operating the church's 60-bed Northern Ngwa County Hospital in the secessionist state since 1964. The in-patient list had swollen to 90 and the out-patient clinics brought in a daily flow of from 200 to 300,

25% Amendment Big Issue

The 25% Amendment, one of the first bills prefiled in Olympia Monday, has been hailed as the most important measure for homeowners that the 1969 legislature will consider, according to Emmet Nist, Seattle, president of the statewide Citizens for 25% Amendment committee.

The 25% Amendment bill, Senate Joint Resolution No. 1 was prefiled by State Senator Martin J. Durkan. It is a Constitutional amendment to set property tax assessment at 25 per cent instead of the present 50 per cent of true and fair value required by the Constitution.

Nist said, "the measure is urgently needed to stop doubled property taxes. This tax explosion can result from the announced enforcement next year of the Constitutional 50 per cent ratio. At present, property is assessed at 25% or less in all counties."

"The threat of doubled taxes is so serious that homeowner, farm, senior citizen, service, business, and labor groups are joining in the plea for passage of the 25% Amendment as a separate priority measure."

Volunteer speakers bureau for the 25% Amendment have been formed throughout the state. Nist announced. A 15-minute presentation explaining the 25% Amendment highlights Washington's property tax dilemma and stresses the need to head off doubled property taxes.

Groups wishing a 25% Amendment speaker should contact the local 25% committee in their area. Vern Basom is chairman of the Clallam County Committee. His address is 1233 E. 2nd, Port Angeles.

nearly all the patients being civilians suffering from more or less advanced stages of starvation.

The Nagels left their post only when three other Adventist physicians and a male nurse arrived to relieve them.

4-H News

Debi Otos was elected president of the Handy Dandy 4-H Club when they met October 29th. Other officers are: Donna Olson, vice president; Cheryl Ulin, secretary; Rolinda Ronish, reporter; Thea Elliott, treasurer.

Other members are Jane Baker, Kristie Johnston, Willa Witherow and Wendy Mast. Leaders are Mrs. Henry Halvorson and Mrs. Gordon Otos.

The Prairie Dogs 4-H Club held their first meeting of the new year at the home of their leaders, Mr. and Mrs. Warren Paul.

Bernie Nash was elected president. Other officers are: Bill Brager, vice president; Ron Archer, secretary; Ron Paul, treasurer; and Greg Archer, reporter.

Members then chose their projects.

Mr. and Mrs. Henry Halvorson received a note and picture from their 1957 IFYE from the Philippines, Mauricio Alcantara Jr. He writes that the picture will remind them of their IFYE son who will never forget them, and that he is president of "Norlupescan," The Northern Luzon Pest Control Service, specializing in general pest control, landscaping, termite proofing and agriculture and industrial sanitation.

Mauricio is now 30 years old and thinks it's now time to think about getting married.
