Short Comings

Local citizens looking forward to a continuation of the warming trend and rainfall. Loggers need to get back to work.

Lonnie Archibald and I went on a big beachcombing expedition from Rialto to Starbuck Sunday. Found lots of items washed up on the beach, but the glass floats were hard to come by. On one point about a mile north of Cape Johnson we saw a big bull elk feeding on salmon berry bushes. Scored in three departments, wet, cold and tired.

Water holes created by melting snow being dammed by snow piled along roads creates a driving hazard and motorists should use caution when approaching bridges and intersections.

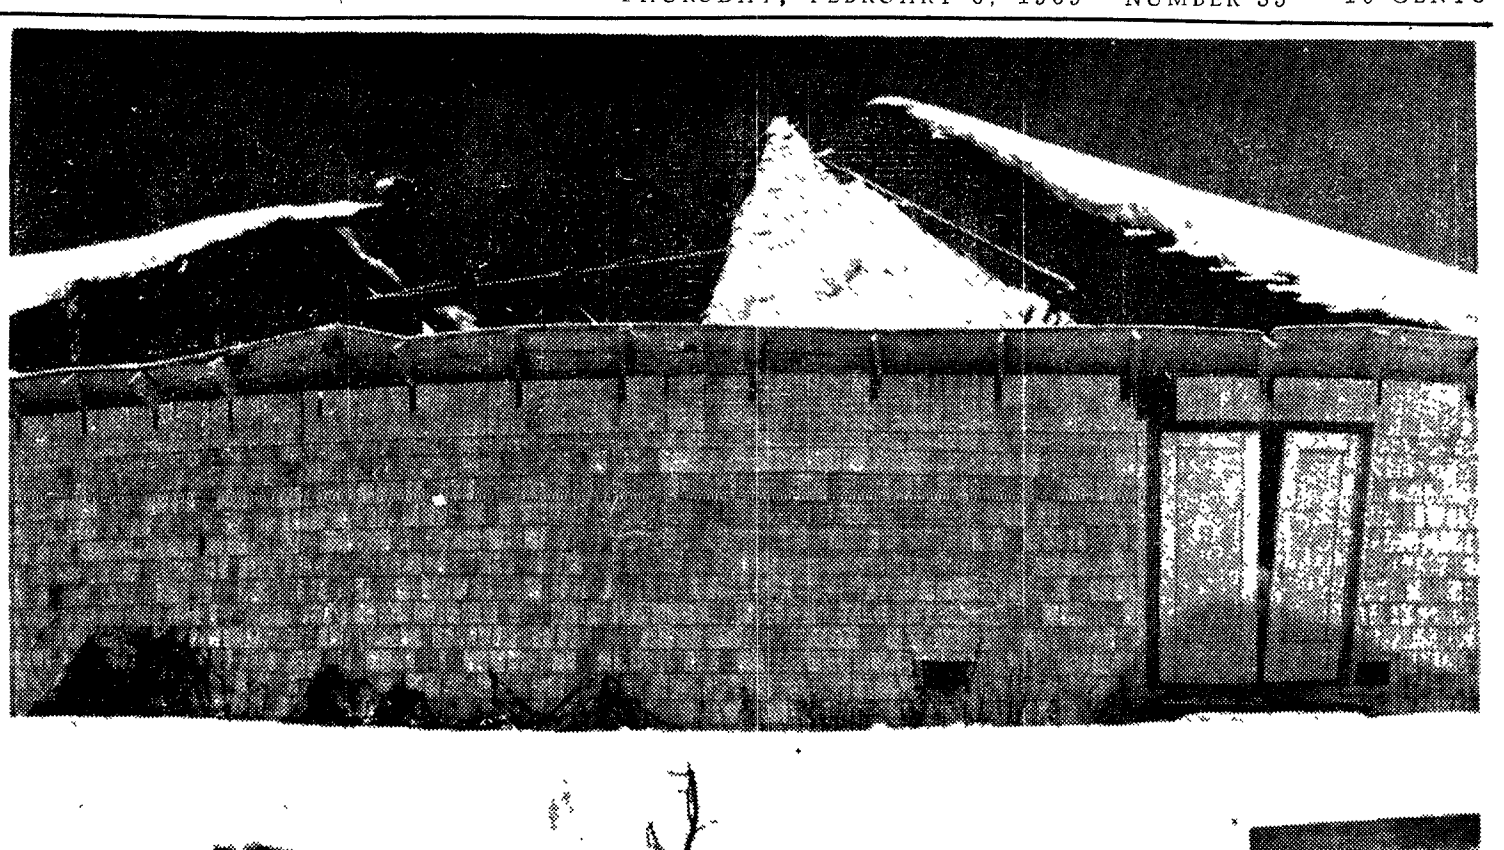

Sweet music to the ears as more logging trucks began to roll down the highway this week. Some operations will be down another two to three weeks because of snow depths in the higher elevations.

Alice's shop will be moved to its new location soon.

Clubs and other organizations have had numerous meetings cancelled due to the weather. They should be back on a normal schedule soon.

Forks Lions Club cancelled its Ladies Night affair, rescheduled for Saturday, February 8th because of the rescheduling of the Forks-Port Townsend basketball game. The event was to be held in the Legion Hall, but of course if it is rescheduled a new location will have to be found.

Wise guys at a certain Chevron Service Station in town put a "for sale" sign on Lonnie Archibald's Kruon Wagon while he was at the beach. His wife had a few phone calls from interested buyers.

SNOW + RAIN - TRAGEDY
 After three weeks of snow, two hours of rain added the final touch of tragedy to this old Forks landmark. The Legion Hall is silent now and will soon vanish leaving only memories of yesterday. By Lonnie Archibald

Legion Hall Roof Collapses Under Wet Snow

Sometime early Saturday, February 1, 1969 a landmark in the history of Forks met partial destruction as the roof of the American Legion Hall gave way to the rain-soaked snow.

The building was constructed by Forks Post 106 Legion members in 1935 and became the headquarters for Legion and Community activities.

The American Legion Forks Post 106 had its birth with a charter issued in the spring of 1933 by District Commander Frank Michael from Port Angeles.

Boyd Schaefer was elected Commander of the original fifteen members. The membership rapidly increased to

87 by 1934 when Bryan Crow was the Commander and reached its greatest point with approximately 136 before WW II.

The Forks Legion Post was an active group with exciting ideas. The Forks Post was credited with helping the District earn many Legion awards. They carried on an active convention attendance schedule and rated high in District membership contests.

They organized a Post band that attended conventions and performed for parades throughout the state. The Legion organized the 4th of July Celebration and sponsored numerous

community programs. It didn't take long for the group to get around to the idea of constructing a meeting place. It became evident that the Legion Post was to become the activity center of the community.

Plans were underway to build for the needs of the Legion and the community. Property was purchased from William Hendricks in 1934 for \$225.00. William Collins designed the building and was appointed building boss.

The land was cleared in 1934 and construction began. Benedict-Donovan Lumber donated 35,000 board feet of logs which

were taken to a mill on a 50-50 cutout basis. The members cut cedar and worked out a 50-50 deal on shingles with the Forks Shingle Company for 126 square amount needed to roof and side the building.

The building was completed enough to hold a public dance November 9, 1935. The official dedication took place December 7, 1935. According to records compiled by Basil Hoke in 1935-36 the following list covers the members that got the job done: Hatfield, Dobson, Collins, Perkins, Sheffield, Crow, Linder, Lanway, McDonald, Hendricks, Guimannson, Hegges, Gaydeski, Hoesok, Palmer, Cooper, Shearer, Schlaefer, McGrew, Floe, Ely, Geller, Kilgore, Peeff, Senter, Jeppson and Hoke.

Two general changes have been made since the original construction, a ceiling was added to the dance hall and a meeting room was constructed upstairs. Legion members have held many work parties over the years keeping the building up.

The American Legion Forks Post 106 has been inactive recently and the operation has rested with the Legion Auxiliary. The building has been used by the Auxiliary and other organizations for meetings, dinners, dances and receptions. The loss of the Legion Hall is a community loss. It may not have been the most highly building in town in recent years, but it fit the needs of this community.

A Quillayute Valley school bus ended up in this position after the driver, Theodore Hudson, pulled over to the right shoulder of the roadway as a snow plow approached. The right front wheel caught the soft shoulder putting the bus off the road. The accident took place approximately 1.5 miles south of the old Huling Shingle Mill on Highway 101 as the 110b bus was transporting the students home after the school day. There were no injuries to the students or driver. The kids were transported home in automobiles.

The University of Washington basketball team's toughest weekend of Pacific-8 action awaits them when they meet the Southern Cal Trojans and UCLA Bruins Friday and Saturday night in Los Angeles.

The last time the Huskies beat the Trojans in LA was in 1946, and invincible UCLA last fell down south in the 1953 season, the year the Huskies were third in the NCAA basketball tournament.

Much of the Trojan success in compiling an 8-6 record through their first 14 games has been through the services of 7-1 center Ron Taylor. He currently is averaging 16.3 points a game, topped by only 5 Ernie Powell's 17.2 mark. Going forward it would seem

The Forke Spartans have a tough weekend schedule ahead with a trip to Belfair Friday to play the North Mason Bulldogs and return home to meet the Port Townsend Redskins Saturday night.

Forke and Port Townsend are tied for the league lead with 3-1 marks. The two teams were scheduled to break that tie last Friday, but the game was rescheduled because of the weather.

The Spartans will be going for wins number 13 & 14 and the junior varsity will be out to extend its record to 14-0 for the season.

The Bruin bench also could make a formidable lineup. Center Steve Patterson (6-8), forward Lynn Shackelford (6-5) and guard Ken Heitz (6-5 1/2) see plenty of action, and probably could start for any other team in the country.

Winter probably will choose from 6-0 Dave West, 5-9 Rafael Stone and 6-0 Dave Willenborg at the guards, and will go with 6-4 Pat Woolcock, 6-5 1/2 George Irvine at forwards and 6-9 Jay Bond at center.

FIRESCREEN MESH SAGGY AND SOOTY?

We can replace it... easily and inexpensively!

If the firescreen frame is sturdy and in good condition, but the mesh curtaining has "seen better days"—let us install new mesh and make your firescreen look new again. Phone 457-9412 and we will call on appointment to measure for new mesh and give you an estimate.

Don Weytman, Mentor Washington, fishing out of Boggsel Resort scored with a nice 18 lb buck during the cold snap from the Boggs.

SPORTS WANDERINGS . . .

The Forke basketball program offers local fans something to get excited about. The varsity Spartans are in the thick of a title race and a possible trip to the Class "A" tourney. They support 12-1 record with two big games this weekend, North Mason Friday and Port Townsend at home Saturday.

The Spartans moved from 13th to 9th in the high school rating pool.

The junior varsity is sailing along with a 12-0 record and will fight hard to finish the season undefeated. They have a balanced 12-man squad and play an exciting pressing and running style of basketball.

The combined NFL-AFL pro football draft has been completed. O. J. Simpson was the first pick as expected by Buffalo. Buffalo got first choice by turning in the worst record in pro football.

Running backs and ends topped the list of pro prospects with no less than 10 running backs having cracked the 1,000 yard mark last season.

Behind O. J. Simpson the list includes Eugene "Mercury" Morris, West Texas State; Paul Gipson, Houston; Bill "Earth Quake" Bryant, Oregon State; Ron Johnson, Michigan; Chris Gilbert, Texas; Ed Foddisak, Iowa; and Bob Gladieux, Notre Dame.

The best defensive back on the pro list was Washington's Al Wootley. Wootley set a major college record last year with 14 interceptions. He was passed in the pro draft.

Baseball is just around the corner as teams prepare for the opening of spring training. The new expansion teams of Montreal, Kansas City, Seattle and San Diego will have real problems trying to come up with a winning record the first season.

The California Angels have the best expansion team record to date. They are the only expansion team to finish in the upper division.

Two baseball casualties will return this season. Rico Carty to Atlanta and Tony Conigliaro to Boston. Carty boasts a lifetime batting average of .305 for Atlanta and missed last season because of tuberculosis.

Conigliaro, the Boston sensation, will attempt a comeback after an eye injury.

With a break in the weather, local rivers should begin to support a large run of steelhead for the anglers. The rivers should be high and colored by today and when they begin to drop and clear up the anglers should score heavy.

Short Comings continued . . .

Thank the efforts of some people for building Forke on level ground. The lack of effort, funds or what-have-you on the part of the Town of Forke in opening the city streets leaves something to be desired.

Frank Lyda and Ernie Christensen did everything possible with the equipment available to them.

A handful of rock salt here and there goes a long way. Right Ernie!

Talk of the town Friday was the warning trend that began in the area Thursday evening after four weeks of the beautiful white stuff.

It's not often that people in the Forke area ask for rain. Everyone expressed fear of a rapid warming trend called a Chinook Wind which creates acute water problems.

Service News

Six young men from the Forke-Beaver area went to Seattle recently for induction physicals, "Coats Cash", after 45 minutes Anderson, Lloyd Carlson, John Spade and Mark Ryne.

Duncan and Anderson passed the induction physical and are in Army training at Fort Lewis, Washington at the present time.

The Forke Forum would appreciate news concerning sons, husbands, etc., serving in the Armed Forces of the United States. Send us a note, Forke Forum, Box 300, Forke, Washington 98331 or phone 374-8130.

KVAC Color T-V Contest

Beginning the 10th of February, it's KVAC's First Annual Color TV Mystery Voice Contest. All you have to do to enter is go to one of the participating stores, ask for an entry blank, fill it out and deposit it in the box provided. If your name is drawn, you will be called. Several times throughout the day till May 10th, the mystery voice will be played so you can get your guess ready. The entry blanks will be collected every Saturday for the following week, so you must enter every week. Also, each week a new clue will be added. This is how it works: A name will be drawn for each contest at 7:30 a.m. and 7:00 p.m. Monday thru Friday. The person whose name is drawn must make the guess. There will only be one name drawn each contest, and only one minute allowed to answer. So enter the First Annual KVAC Mystery Voice Color TV Contest. You might win a \$500 Satchell Carlton color TV! Get your entry blanks at: Forke Builders Supply, Forke Forum, Alice's, Olympic Pharmacy, Paul's Serve-U, Pay & Save Foods, Wes' Chevron, Coast-to-Coast Store, Fletcher Electric, and Forke Telectable.

Salvation Army Local Program Outlined

The local Salvation Army volunteer committee headed by Al Fletcher is in existence in this area to meet the emergency needs of the community.

Virgil Getchell, service extension director, of the Salvation Army was the speaker of the committee meeting February 2nd at the Vagabond.

Mr. Getchell outlined the Salvation Army program for the committee. He emphasized that the monies collected here are spent locally if needed. It is also possible to receive more funds than are collected locally if the need arises.

The major problem faced by the Salvation Army is locating the needs of the community that are not met.

The local committee consists of chairman, Al Fletcher, treasurer, Jim Erickson, and members Phil Riebe, Harold Groneth and Mrs. Eileen Henslering.

Eastern Star

Mrs. Howard Gagnon, Worthy Matron and Robert Cunningham, Worthy Patron, of Mount Olympus Chapter #253, O. E. S., warmly welcomed members and guests at the meeting Monday night January 20, 1969. Distinguished guests introduced were Past Grand Patron Robert Cunningham and Deputy Instructor Mrs. Thomas Braithwaite, of the Grand Chapter of Washington O. E. S.

Mrs. Braithwaite was honored by the Chapter for her appointment as Deputy Instructor and presented with an orchid corsage and many gifts. Many of the expected guests were unable to attend due to the inclement weather. The East was decorated with baskets of pink roses against a backdrop of white crossed with a wide violet ribbon and gold lettering. In her address, Mrs. Braithwaite told why she chose the violets as her flower and compared them to the Eastern Star—lovely, fragile flowers growing in protected areas, purple being the color of royalty. Her motto "to look for the good in others and live and practice the Obligation", and closed with a prayer. Robert Cunningham, Worthy Patron, in his address, stated that Mount Olympus Chapter was proud to have a Deputy Instructor and to be represented

in Grand Chapter by Mrs. Braithwaite. An addenda was given by the officers and the honored guest was presented with a bag "filled with good thoughts, love, health, comfort, and joy," followed by an addenda presented by Mrs. George Warneck, President of the Past Matrons & Patron's Club—an arrangement of violets in an old shoe with the instructions to "distribute seeds of friendship in her visits to other Chapters."

Balloting was held and report was given by Mrs. Albert Nagel, Sunshine Committee Chairman, that Mrs. Bruno Sarnewski had been hospitalized and that a new baby boy had been born to Mr. & Mrs. Lindquist, nee Patricia Fitts, on January 1, 1969. It was reported that Jane Baker had been installed as Worthy Advisor of Rainbow for Girls and Virjeanne James had been elected Faith. Mrs. Don Lamb, Mother Advisor and Dr. Robert Baker, Rainbow Dad.

It was announced that the next meeting would be Feb. 3, 1969, "Friendship Night". Feb. 17, 1969 will be the Chapter Birthday and also initiation. The Mason's are planning a dinner dance at the American Legion Hall on February 15, 1969 for the Masons, their wives and Eastern Star members. Sander Swalling read a poem in tribute to the Chapter.

SPECIAL NOTICES

Joint installation of the Odd Fellow and Rebekahs' will be held Saturday, Feb. 8th, at 8 P. M. The public is invited.

Ni Wauna Club will meet at Mrs. Bill James' on Feb. 10th. Each member is asked to bring a gift or a Valentine card for the adopted girl in Buckley.

Anyone wishing to nominate someone to receive the Honorary P. T. A. Life Membership please send names and qualifications to Mrs. Henry Halverson, Box 66, Forks, Wash., before Monday Feb. 10, 1969. The person selected need not be a member of P. T. A. but must have given time and service to the youth of the community. This award will be given at the February meeting of the Forks P. T. A.

WOMEN'S FELLOWSHIP NOTICE
The Women's Fellowship of the Forks Congregational Church will hold their annual Valentine Day luncheon on February 14th in the Fellowship Hall of the church.

All women of the community are invited to attend. This year the program will consist of a reading by Judy Fraker and a group of musical numbers by the members of "The Rainbeats". Also, Jeanine Kelm will play her harp.

Luncheon will be served from 11:30 to 1 P. M. Reservations may be made by calling Paula Lyda at 5169 or Eve Callaway at 5791.

Foster—Keeney Wed

Jody E. Foster, daughter of Mr. and Mrs. Art Allen, Forks, and Clayton Foster, Eureka, Calif., became the bride of Larry R. Keeney, son of Mr. and Mrs. Kenneth Keeney, Forks, in a single ring ceremony performed by The Rev. Eldon Iverson at 8 p. m. Jan. 3, in the Forks First Baptist Church. Approximately 25 guests were at the ceremony.

Mrs. Norman Bagby sang "I Love You Truly" and "Because" with Mrs. Fred Rosmond as piano accompanist. The bride, who wore a green and beige two piece outfit with pink and white flowered bouquet, was given in marriage by her stepfather.

The maid of honor, Shelly Whitehead, wore a blue A-line dress accented by a pink

rosebud corsage. The bride's mother wore a pale green suit with a white carnation corsage and the bridegroom's mother wore a beige and brown dress with white carnation corsage. The bride's going away costume was a green suit. Best man for the ceremony was Jack Kennedy. A reception was held at the home of Mr. and Mrs. Ralph Warren. The couple made a wedding trip to the Kalaloch Lodge and are now making their home in Ford's Trailer Court in Forks.

Both are attending Forks High School. At the same time, the bridegroom is working as the projectionist at the Olympic Theatre and is employed by the Pay and Save Shell gas station in Forks.

Meditation

The Answer
By Rev. Eldon Iverson

We in America have made phenomenal gains in every science except in the social science. In this area we are pagan. Race riots, student riots, demonstrations, crimes of violence, assassinations, dope and alcoholism are increasing at an alarming rate. This will continue until there is a basic change in our thinking.

John, The Baptist, preached 2,000 years ago that the Nation of Israel needed to repent, have a complete change in their thinking and actions. The ax was already laid at the top root of Israel and 70 years later she fell and ceased to be a nation until recently. Is this true of America today?

We ask "What shall we do then?" (Luke 3:10).

The Answer:

1. Become generous. Instead of how much can I get; how much will I give.
 2. Be honest in our dealings with our fellow man. Remember I did not say legal but honest.
 3. Do no violence to any man or accuse or criticize.
 4. Be content with what we have.
- This is the answer that John, The Baptist, gave. It is as applicable today as then.
- We are not just to live and let live but to help our fellow man live a better life!

What can you lift?

God has a way of teaching spiritual truths through physical facts.

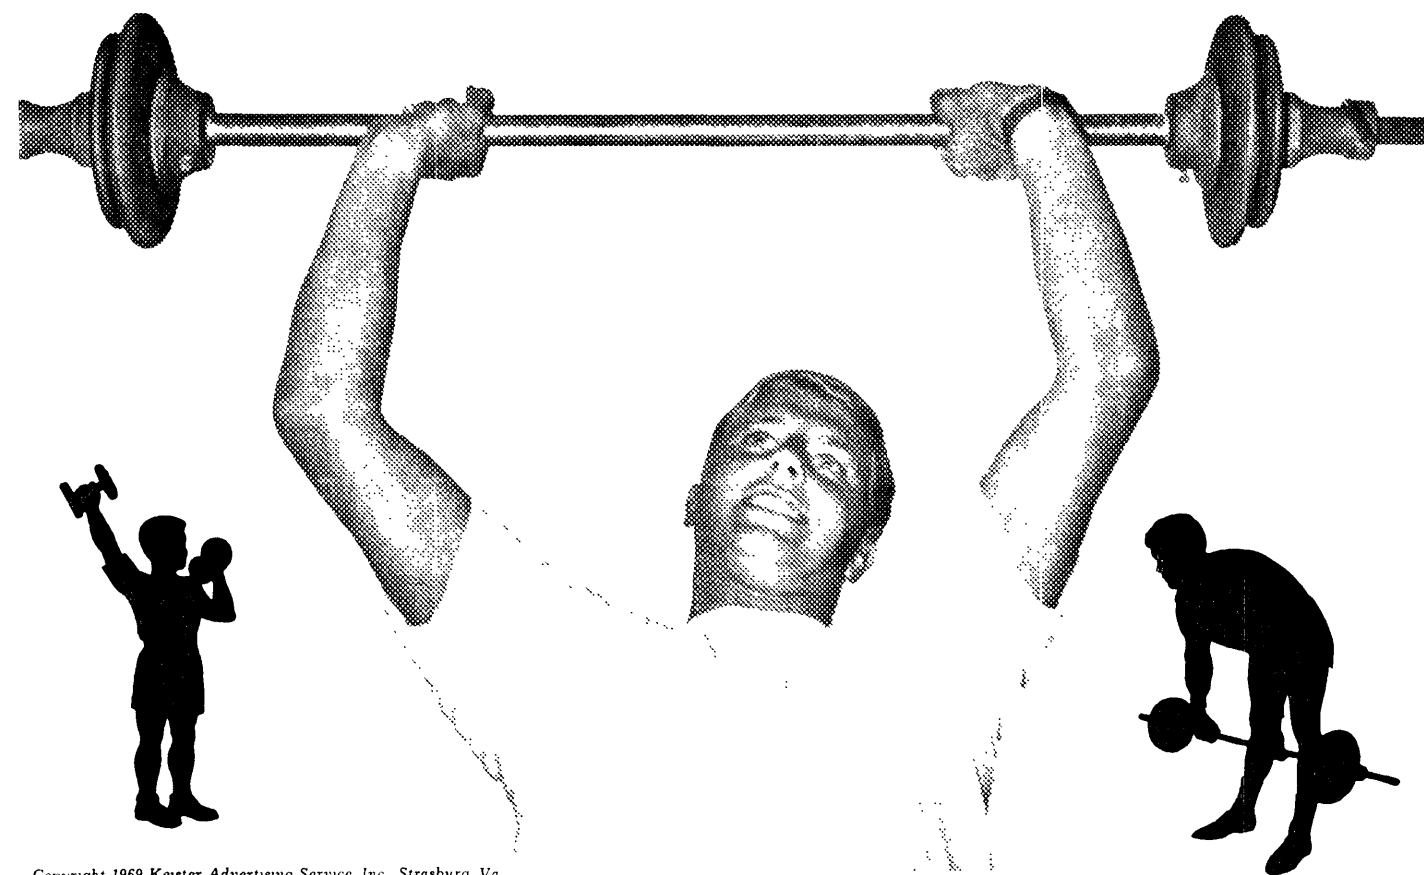

Tom used to have trouble lifting his mother's shopping bag—not any more!

That smile on his face isn't triumph—it's confidence. Given a few weeks, Tom will be lifting even heavier weights.

The first time you try to lift someone's burden, it's an awkward effort. Until you discover that physical development and spiritual growth work the same way.

Only practice makes one a friend, a helper, a partner to others in their troubles . . . and, incidentally, better able to bear your own.

Every Sunday that open church-door is an invitation to you to discover what needs to be lifted . . . and how best to begin.

LEGAL PUBLICATION

STATE OF WASHINGTON
DEPARTMENT OF NATURAL RESOURCES
BERT L. COLE
Commissioner of Public Lands
NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Notice is hereby given that on Tuesday, the 25th day of February, 1969, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Clallam, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

Application No. 32737
Wentworth Lake No. 2 located approximately 12 miles by road west of Forks. The sale is composed of all timber bounded by sale area boundary tags and property lines in Unit No. 1 on part W½ NW¼ of Section 16, part NE¼ of Section 17, in Unit No. 2 on part N½ NW¼, part SE¼ NW¼ of Section 17; all timber bounded by property lines in Unit No. 3 on the SW¼ SW¼ of Section 17; plus all timber bounded by right of way boundary tags on part SW¼ NE¼, part SE¼ NW¼ of Section 17, all in Township 29 North, Range 14 West, W.M., containing 188 acres, more or less, comprising approximately 2,270,000 bd. ft. of hemlock, 2,240,000 bd. ft. of cedar and 1,400,000 bd. ft. of spruce and others or a total of 6,910,000 bd. ft.

Minimum acceptable bid per thousand bd. ft.: \$24.50 for hemlock, \$34.00 for cedar and \$25.00 for spruce and others.

Timber will be sold on a log scale basis. Timber must be removed prior to September 30, 1971.

On or before February 25, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$19,127.50 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. The purchaser must, on the day of sale, make an additional payment so that the total amount deposited, exclusive of fees, will equal 10% of the full bid price based on the cruise estimate, plus a \$75.00 deposit on 3 branding hammers and a \$5.00 bill of sale fee. This additional payment may be by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$70,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc. are to be made payable to the Commissioner of Public Lands.

ACCESS ROAD REVOLVING FUND: \$0.63/M bd. ft. Mercantile logs (net), \$0.32/M bd. ft. Call logs (gross).

Accessibility: via private and Department of Natural Resources access.

Purchaser must enter into a road use permit with ITT Rayonier, Inc.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, February 25, 1969 at 10 o'clock a.m. Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Said timber on said land will be sold for not less than the

Tyee-Beaver-Sappho News

BY MRS. J. E. MERRITT

M/3C Randy Dawkins came home last Thursday to spend the balance of a 30-day leave with his parents, Mr. and Mrs. Dale Dawkins, who met him in Port Angeles. Randy completed a 9-month tour of duty in Viet Nam and leaves on Tuesday, Feb. 18th for Port Hueneme, Calif. He had been given his choice between being sent to Alaska or returning for another tour of duty in Viet Nam, and he chose the latter.

James Scarlett returned Friday night from a four day trip to Corvallis, Oregon, where he attended a Sky-Line Logging Symposium at Oregon State University.

Mrs. A. R. Kenney of Wellpinit, Stevens Co., wrote last week to her brother-in-law and sister, Mr. and Mrs. Ray Hull, and told of the weather they had been having this winter. At the time she wrote Mrs. Kenney said there was a depth of four feet of snow and a temperature of minus 10 degrees—which is plenty cold, but still considerably warmer than it had been a few weeks earlier. Mrs. Kenney's husband is the pastor of the Assembly of God Church on the Colville Indian Reservation and had not been able to conduct Church services for several weeks. The Hulls' son, Rev. Ray Hull is

appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

Publish Thursday, January 30, February 6, 13, 20, 1969 in the Forks Forum.

pastor of the Assembly of God Church at Winthrop in the heart of the Cascades, and there too, the weather has been bitterly cold with several feet of snow, so it has been impossible for any church services to be held.

Mr. and Mrs. Hull at Bear Creek have had her mother, Mrs. O.M. Tomlin, with them the past few weeks as she lives alone and the Hulls thought it better for her to be with them.

Safety Patrol members Nancy Sutherland, Don Whitehead, Kim Borde, Pat McReynolds and Terry Handerson leave the elementary building for patrol duty. McReynolds is the patrol captain.

The noon patrol of Forks Elementary School reporting for duty wearing the new apparel recently purchased from funds awarded to the patrol by the Forks Chamber of Commerce. The money has been used to purchase 12 plastic helmets, 12 raincoats, 12 vests, 40

pair of lined gloves and new belts. All the new apparel is a bright fluorescent orange and will provide motorists excellent vision of the patrol members. A dozen overshoe boots have been ordered and should arrive soon.

Mr. Terry Sullivan is the

Safety Patrol supervisor and he has approximately 40 students in patrol this semester.

Motorists are urged to approach intersections with caution when the patrol is on duty. They are there to provide assistance in crossing roadways.
