

SPORTS WANDERINGS . . .

Date: Saturday, February 8, 1969-Result: Redskins bite the dust under Spartan attack 72-45.

The Port Townsend Redskins journeyed to Forks to battle the Forks Spartans for first place in the Olympic A League in a rescheduled, (due to Nature's work) game.

Two fine basketball teams, excellently coached, matched basket for basket in a spirited battle for the league lead. The Redskins played brilliantly for three and one-half quarters and the outcome was still in doubt at the halfway point of the final quarter. The Spartans managed a 5 point spread at that point. Bob Seigle, Spartan "Reserve", intercepted a Redskin pass, dribbled the length of the floor and blew the crumple, but the Spartans intercepted another Redskin pass and got a big 3-point play to move ahead by 8. From that point on the Redskins, with time a key factor, employed the tactic of going for the ball with vigor, result; 16 personal fouls called against them the final quarter, 12 in the final three minutes.

At this point the Redskin basketball team had it in more ways than one. The team effort had vanished, the fan support flipped and their personal sports editor-photographer was dreaming up some needed excuses to convey to the readers of his paper why the Redskins lost.

Redskins don't lose to Spartans, victory gained by trickery of roughshod giants from the Twilight Zone.

The Port Townsend sports writer failed to reiterate the Redskins didn't bring the tomahawks, but the statistics bare out the fact, Redskins don't need tomahawks to chop, hands accomplish the task.

Spartan fans were happy with the first victory over Port Townsend since 1960 and the Townsend fans were unhappy with the defeat, but a frustrated sports writer is a frustrated sports writer!

Mr. Sports Writer was lest when attempting to justify the Redskin defeat. They were not out-hustled. He did concede they were out-muscled by roughshod Forks Spartans, however. He managed to find fault with the crowd, officials, an elderly photographer and a Spartan team with a fine basketball record.

It must sadden him greatly to realize his favorite basketball team is the third best team in the league. Could the problem be that "he can't believe it"?

Tyee-Beaver-Sappho News

BY MRS. J. E. MERRITT

The residents of Beaver were happy to hear the whistle blow on Monday morning at M. R. Smith mill. The first time it has blown since the last week in December. Mr. and Mrs. L. R. Eaton are the grandparents of a baby boy born, Feb. 12th, in Olympic Memorial Hospital, to Mr. and Mrs. Loyd Johnston. Mrs. Johnston is

Mrs. Olive King, cooperative observer, Forks, Wash.

Short Comings

Only a trace of snow remains in the Forks area and logging operations are at it again. Road restrictions between Forks and Queets have halted hauling from that direction.

The sight of increasing numbers of trucks hauling to market have given merchants from the West End to Port Angeles hopes of a rapid return to normalcy in the business world.

Spartan fans rallied to the plea of school officials for extra transportation to the two weekend road trips.

The depositing of empty beer bottles around town in both whole and shattered form is in very poor taste. Proper containers are located throughout the town for such use.

Fair weather and a glimpse of sunshine resulted in numerous beach visitors Sunday.

So many river boats in Forks this past weekend one visitor ask if the community was holding a riverboat race.

Our remark, nothing organized but a trip to the correct stream and one can witness the fishermen racing down stream to beat one another to the next good section of water.

Forks Volunteer Fire Department answered a call at the Gordon Otos home Tuesday morning.

Firemen found an overheated fuse box.

Fireman's Ball, Saturday night in the old gym. Music by "Rudy, Ken & Larry".

Garbage Collection Problem Heads Council Agenda

Councilman Don Kallman presided as Mayor pro-tem at the regular council meeting Monday, February 10.

A discussion of garbage collections in Forks and granting a license to Olympic Disposal topped the agenda.

Mr. and Mrs. Aldrich, owners of Olympic Disposal, were present at the meeting to discuss the garbage collection problems faced by the community and apply for a new license from the council for garbage pickup.

Merchants and homeowners have expressed displeasure with the garbage pickup since the takeover by Olympic Disposal. The Town of Forks has had problems getting the waste recepticals around town emptied. Two town employees have been taking care of this because Olympic Disposal has failed to do the job. It was noted the previous owner carried out this routine on a regular basis with reimbursement from the Town council.

Mr. Aldrich said he had employed an experienced man to handle the service in this area and feels he will do a good job. The council agreed to grant the one year license.

Councilman Robert Hall was appointed to the auditing committee by Kallman.

In other business, the council approved payment of January bills and payrolls.

Accident Involves Four Vehicles

A 2-car accident in Forks Monday evening involved two additional vehicles in a chain reaction crash.

Robert Sandison, Port Angeles, driving a 1957 Rambler, south on main-street when it struck a parked car owned by Clint Smith, Forks. The Smith car was forced ahead making contact with a Ford pickup owned by J. B. Edwards. The Edwards truck rolled into a Pontiac GTO forcing it forward approximately 20 feet in the chain reaction event.

Damage to the Sandison car was estimated to be \$300.00 to the right front. The Smith car sustained approximately \$700.00 damage. Damage to the Edwards vehicle and the Pontiac was minor.

Spartans Victors Over Wolves Earn Trip To State Tourney

Wolves and Spartans battled gallantly at Sequim Tuesday for the Olympic A League title and the Forks Spartans gave it the big second half effort for a 59-52 victory.

Eldonna Klein Betty Crocker Homemaker Winner

Eldonna R. Klein has been named 1969 Betty Crocker Homemaker of Tomorrow for Forks High School here because she achieved the highest score in a homemaking knowledge and attitude test which she took along with other senior class girls in her school. Dec. 3, it has been announced. She will be awarded a special Betty Crocker silver charm.

Also, her paper has been entered with those of other school winners in the state in competition for the title, State Homemaker of Tomorrow. The winner of this honor will be granted a \$1,500 scholarship from General Mills, Inc., sponsor of the annual program and her school will be awarded a complete set of Encyclopaedia Britannica by Encyclopaedia Britannica, Inc. The state runners-up will be granted \$500 scholarships.

The victory earned the Spartans the league title and a direct entry to the State A Tourney in Tacoma beginning March 5th. Sequim settled into a tie for second with the Port Townsend Redskins.

Forks jumped to an early lead only to fall behind 12-11 at the quarter. Larry Baker connected on a pair of free throws with 32 seconds left in the half to give the Spartans the lead at 30-29. John Spoelstra followed with a jumper to give the Spartans a 32-29 halftime advantage.

The Spartans increased the lead to 12 points 58-46 with 2:58 remaining and held off the final vain efforts of the Wolves.

Rich Liles had a big night for the Spartans with 20 rebounds and 14 points. Jerry Price had 12 rebounds and 14 points, playing most of the second half with four fouls. Al Millet held game scoring honors with 22.

THE WILDERNESS BEACH

Rather the beach lies South or North of LaPush, all beaches on this 33 mile National Park coastline have one common feature that rates them high above other Pacific Coast Beaches. They are wilderness beaches. No cars, no motels, no restaurants and no pollution. These beaches contain only the raw materials of our natural resources with the exception of floats, bottles and other materials tossed ashore by the powerful Pacific. Walk these beaches which change with each new tide. Observe the small which are too often overlooked. There are agates on this beach. As you wade small creeks the gold rushes beneath your feet. Climb a headland and feel the breeze against your face as you reach the peak. Stop now and rest. Below you on the next bay a seal searches for food. You are thirsty now, drink from the creek as it falls from the cliff. Above the cliff an eagle soars. Continue on as the sun rises. What was that reflection in the rocks? Glass, green glass, Japanese glass. Your first glass float. Walk on now. Ahead are antlers in the sword fern. An elk beds down. Check your watch. It is an hour past low tide so you start back. This was your first beach hike. Next trip you will hike farther. Perhaps another mile or maybe two. You see and hear that which you had missed. It was an interesting and enjoyable day. One to remember. You pray that these beaches remain wilderness for your children and grandchildren to enjoy as you did. If so, all the enjoyment you had on this day will be there for them when they are ready for their first beach hike. By Lonnie Archibald

Would You Drive One?

The continuing controversy over brand name versus generic name drugs has been more than a little confusing to a lot of people. And yet the principle involved in the controversy is comparatively simple. Political investigators of the prescription drug industry have, for several years, endeavored to sell the public on the idea that a drug is a drug, regardless of who manufactures it. Thus, a generic drug, which bears only the name of the active ingredient it contains, is said to be automatically just as good as another drug compounded for a similar purpose bearing the name of a reputable pharmaceutical house.

It is not too much of an exaggeration to say this is something like producing nameless autos on the theory that a car is a car and that is the end of the matter. It is doubtful if anyone would wish to buy an anonymous car, and yet, this could well be a lot less serious than buying an anonymous generic drug. Not long ago, two photographs appeared of two different drug laboratories. One of the pictures showed a modern facility of a major drug firm. The other showed a "laboratory" of a nameless drug manufacturer that was later closed by federal inspectors. The compounds it produced were no doubt distributed under their generic name alone, since the law does not require that the name of the manufacturer be given.

As a spokesman for the pharmaceutical industry points out, "... If your prescription gives only the generic name of a drug product, neither you nor your doctor--and maybe not even your pharmacist ---will know what company manufactured it!" It makes sense to know the manufacturer who made your medicine, just as it does to know the name of the company who produced the car you are driving.

Closing The Generation Gap

In the depression years of the early and middle 1930's, a college education was a privilege, often reserved for those with the stamina to work and go to school at the same time. It is exceedingly difficult for people of that generation to view with a great deal of tolerance, the riots and vandalism that are making a shambles of college campuses today--a condition that seems to go along with the assumption that higher education is an inalienable right. How inalienable this right remains may depend on the course of inflation.

The cost of going to school is soaring, and education is among all the other fine social goals threatened by the declining value of the dollar. For example in Oregon, the State Board of Higher Education has revised upward the cost estimates of building projects proposed in 1967. Rising construction costs caused the Board to boost its recommended outlay by hundreds of thousands of dollars in the space of one year, and eventually these additional outlays will be reflected in higher tuition fees and other costs of going to college.

Present day affluence may partially explain the generation gap we hear so much about. But, rising costs of inflation may help close that gap as young people begin to learn that a college education is something to be respected, treasured and earned--not taken for granted.

Order your copy now of a handsome, three-dimensional 8 x 10 inch color photograph of President Richard M. Nixon. It's an official inaugural souvenir and will come to you in an attractive portrait folder suitable for framing or for display. You'll want to own or give his tribute to our new President. LENTON SERVICES
 Lenton Services at St. Anne's Catholic Mission will begin Wednesday, Feb. 19, with Ash Wednesday Service and Mass at 7 p.m. Throughout Lent there will be Mass every Wednesday at 7 p.m., and Stations of the Cross every Friday at 7 p.m.

Ashes will also be distributed at the regular Sunday services, Feb. 23 at 8 a.m., and 7 p.m., for those unable to make Ash Wednesday Service.

VISITORS
 Mr. and Mrs. Monte Porter of Toledo, Washington were over night guests at the home of Mr. and Mrs. Al Rhyne, Monday, Feb. 17th.

Ellsworth Whitehead enlisted in the U. S. Navy February 7, and is presently at boot camp, San Diego, California.

Ellsworth is a 1968 graduate of Forks High School. His wife Shelba is attending school at Forks.

Property Tax Increase

Fifty percent property tax assessment, more than twice the present level, was ordered today to begin no later than January 1, 1970 in King and Snohomish Counties.

Passage of a 25% Constitutional assessment level by the legislature, for voter approval, was also suggested in a memorandum decision by King County Superior Court Judge George R. Stuntz.

Judge Stuntz also noted that the 50% assessment law will likely be enforced in all counties of Washington State.

The decision, in the case of George J. Carikonen et al., vs. Melvin J. R. Williams et al., read in part:

"I find, therefore, that the assessors of King and Snohomish Counties have not complied with the Constitution and I direct the assessment to all property in each of the respective counties shall be placed on the tax rolls at 50% of the true and fair value not later than January 1, 1970.

"... The net effect of all my rulings would be to increase taxes on all property within King and Snohomish Counties and hopefully, if my decision is upheld, the Director of Revenue will insist under his rule-making powers that the same must be done in all counties of the state or perhaps the Legislature can eliminate the 50% provision in the Constitution and substitute a 25% value and submit the matter to the people."

Two bills proposing a 25% assessment level are being

School Problems

Port Angeles and the school levy problem is not an example for any community to be proud of and the people will go to the polls Tuesday shooting for number twelve or passage.

The problem of school finance is not just a Port Angeles problem or even a state problem, but a universal problem in the United States.

Schools in Youngstown, Ohio were closed this year because the district was broke. Philadelphia is finding its schools in the same situation today.

Seattle Schools were headed in the same direction and the people interrupted the situation with a 76 per cent vote for the \$29.451 million special school levy.

Dr. Forbes Bottomly, Seattle Superintendent, stated, "I seriously doubt the citizens will support another special tax levy. They want tax reform.

Now we have to turn our attention to changing this ridiculous way of financing schools. It's gone far enough."
 The statement by Dr. Bottomly has been the echo of school administrators throughout the state.

Let's hope the state legislature accomplishes something concrete in regards to school finance problems.

What happens to the schools in communities voting down the levy such as Everett? It's later than the people think in Everett and little time is left to vote any relief for the 1969-70 school year. A special levy voted now will not help the 1968-69 budget and if not voted in before July will not help the 1969-70 school year financial problem.

Good luck Port Angeles, North Kitsap, Everett, Kennewick and all the other school districts in pursuit of special levies.

considered in Olympia; Senate Joint Resolution No. 1 presently in the Senate Revenue and Taxation Committee, and House Joint Resolution No. 3 presently in the House Revenue and Taxation Committee.
 The decision for enforcement of Washington's 50%

Sunset Highlites

Either somebody goofed or I've lost a couple months somewhere. This is supposed to be winter, but we're having spring weather. No complaints, of course, especially from Mother, now that the old man has gone back to work. Maybe she'll bake me a blackberry pie to celebrate, I hope, I hone.
 Sponsor of the week is Wes DePew of Wes' Chevron, who sponsors a team on Weds. Powder Puff League and one on the Sunset League. Wes doesn't bowl but hopes to this coming season. We're looking forward to having you with us, Wes.
 June Kepford led all Tues. Afternoon League girls with her 200-498. Frances Estabrook had a 189.
 Pete Spigarelli comes all the way from Sekiu every Tuesday night to bowl in the Sunset League and made it pay off last week with a 231. Not bad, with a 147 average. Duke Streeter had a 608 and Darrell Thomas a 606.
 Jerry Beebe swept the boards with a 199-537 in the Powder Puff League. Paula Lyda rolled a 531, and Della Joutsen a 192-525.
 Jim Rondeau again in the Bantam Jrs. with 176-342. Jim Blair had a 175-308.
 Lotus Huling out bowled sister Leta Rondeau for HI 10 for the Weds. Hoot Owls, 198 to 196 and took HI 30 with a 499.
 Penny Olson had her first 400, a 437, and Fern Johnson picked off the 6-7 split.
 Thursday Nite Women's had Barb Kelso with HI 10 at 209, June James 207, Annie Lehman 200-539 and Joyce Mueller 529.
 Al Nagel, with 221, and Darrell Thomas at 566, led the West Enders
 Ruth Ray, subbing in the Early Fri. Mixed, shot a 214-550, Lou Bigelow had her highest game ever, a 196, and was robbed of her 200. Jean Streeter had a 519.
 Claude Clark and Dean Helfrich both rolled a 224, and Darrell Thomas a 223-612.
 Duke Streeter, Andy Anderson, and Gayle Helfrich all picked off the 6-7-10 split.
 Gwen Genson tossed a 214-535 for the female half of the Late Fri. bunch and George Richardson a 210-594 for the other half. Mother Jarvis picked off the 5-10 split.
 Big Al Genson had some tough luck at Sat. Nite Monte Carlo. Couldn't seem to find the pocket on his Jackpot shot. Next time, get Gwen to shoot it for you, Al. Max Lewis couldn't do any better, and Chuck Hamby picked up some free games on his shot. Lucky me won most of our little sidepot and picked up a couple bucks later in the pot games.
 Half the Men's Traveling League bowled here Sunday with Clark's Vagabond the only local team in action. Darrell rolled a HI 10 of 235 with George Richardson tossing ten strikes in one game and only having a 229. Better learn to pick up those spares, George. For the un-informed, those other two frames were big wide splits.
 Duke Streeter had the best series with a 573.
 Rex Crist led all bowlers in the Sunday Mixed with 218-598. Linda Gott threw a 204 and Kathy Hamby a 503. Penny Olson rolled a rare triplicate, three games of 123, for which she'll receive a shoulder patch from the W. I. B. C.
 Some good bowling in the Forks Prairie League Monday Nite. Sandy Floe knocked over a 235 single and 612 pins for three, Duke Streeter 234-598, Wayne Cline had the big game of the evening, a 246, and a 584 series, while Darrell Thomas tossed a 236 game on his way to the high series of the night, a 617.

Little League Basketball
 LaPush is in first place in league standings after second round action Saturday. LaPush downed the Suns 12-11.
 In other action the Sonics coasted to a 25-14 win over the Pistons and the Lakers hit the win column with a 17-14 victory over the Celtics.
 The Sonic guard, Jeff Anderson, was the days top scorer with 14.
 Game #1

 Pistons vs Suns

Spartans Shade Lakeside 57-48 Waltz Over Quilcene 66-43

The Forks Spartans picked up two weekend victories, a 57-48 league win over Lakeside and a 66-48 non-league victory over Quilcene.
 Forks moved to a 14-12 first quarter lead over Lakeside, increased that to 29-18 at the half and moved to a 22 point lead in the third quarter.
 The tough Spartan defense held Lakeside off the scoreboard until the 1:50 mark in the second quarter. Both teams appeared to be off in the shooting from the field in the first half and picked up the pace in the second half.
 Larry Baker, Jerry Price, and Bob Seigle found the range consistently in the third quarter and 19 point lead at the end of the quarter.
 Lakeside came charging back in the final quarter to outscore the Spartan reserves 18-2 at one point. John Weeks hit 12 of his 16 points during the charge.
 Coach Roy Mohondro put his starters back in with the Spartans leading 49-44. Rich Liles hit on a one-and-one. Weeks hit two left-hand hooks coming across the key and the lead was cut to 51-48.
 At that point Baker went to the line twice and hit four times and John Spoelstra hit

a 15 foot jumper with 10 seconds left for the 57-48 victory.
 The Spartan defense and board control were outstanding except for the early stages of the final period. The Spartans out rebounded Lakeside 38-16.
 Weeks paced Lakeside with 16 and Jerry Price led the Spartans balanced attack with 13.
FORKS (57)
 Baker 11, J. Price 13, M. Price 2, Liles 6, Spoelstra 6, Seigle 10, D. Perry 9, S. Perry, Keeley, Rondeau.
LAKESIDE (48)
 Weeks 16, Eaves 14, Bean 2, Greenleaf 4, Hill 3, Larson 2, Sante 8.

The Forks junior varsity lost its third straight 63-54.
 Forks waltzed to a 66-43 non-league victory over the Quilcene Rangers Saturday.
 The Rangers couldn't cope with the balanced Spartan machine in this contest.
 The Spartans were cold from the field and complete domination of the rebounding by the taller Spartans spelled the difference.
 The Spartans moved from a 26-17 halftime advantage to a 42-25 third quarter spread, outscoring Quilcene 16-8 in the third period with reserves playing most of the way.
 Rich Liles had a big night hitting for 17 points and pulling down 19 rebounds. Jerry Price and Mike Price hit for 10 each. Randy Corey and Glenn Warfield shared Quilcene scoring honors with 12.

FORKS (66)
 Baker 1, D. Perry, Spoelstra 3, Liles 17, J. Price 10, Ronmond 4, Seigle 6, S. Perry 6, Gale 6, M. Price 10, Keeley, Rondeau 3.
QUILCENE (43)
 Anderson 8, Harris 2, Rae 3, Corey 12, Warfield 12, Burston 2, Rieger, Morgan 2.

Hoh River Cedar Boost Economy

Hoh River Cedar Products has been in production since November 1965 and offer the Forks-Tyee area a payroll in excess of \$600,000 dollars per year.

Construction of the plant at the Peninsula Plywood Sorting Yard began in February 1965 and production was underway on a limited basis in November of that year. By February 1966 the mill was operating at full production with two shifts of approximately 80 employees.

Hoh River Cedar Products is owned by Dean and Clifford Hurn. The two are also owners of Hurn Shingle Company, Concrete, Washington, with Deans' brother, Larry Hurn as a third partner.

Dean is president of Hoh River Cedar Products.

The local mill increased production from 78,000 squares of shingles and shakes in the first year of limited operation, to an excess of 151,000 squares in 1967-68. Normal production runs 60 per cent shingles and 40 per cent shakes. The 1967-68 year accounted for the use of 13 million board feet of cedar. The cedar is supplied by Peninsula Plywood Corporation from the sorting yard.

Beaver Sales Company acts as the sales broker for Hoh River Cedar Products. Hurn Shingle of Concrete and Supreme Cedar Products, Hamilton, Washington. They also purchase from smaller mills for resale. Dean Hurn heads Beaver Sales.

The finished product of Hoh River Cedar Products is shipped to all parts of the United States and the Pacific and some to the east coast of Canada. Last year 8,000 squares were shipped to Samoa.

General view of Hoh River Cedar Products Mill at Lake Pleasant.

Hoh River ships by truck from Tyee, 15 percent direct to Southern California. The balance is trucked by Yaste Transportation to Port Angeles where it is loaded on boxcars for further shipment.

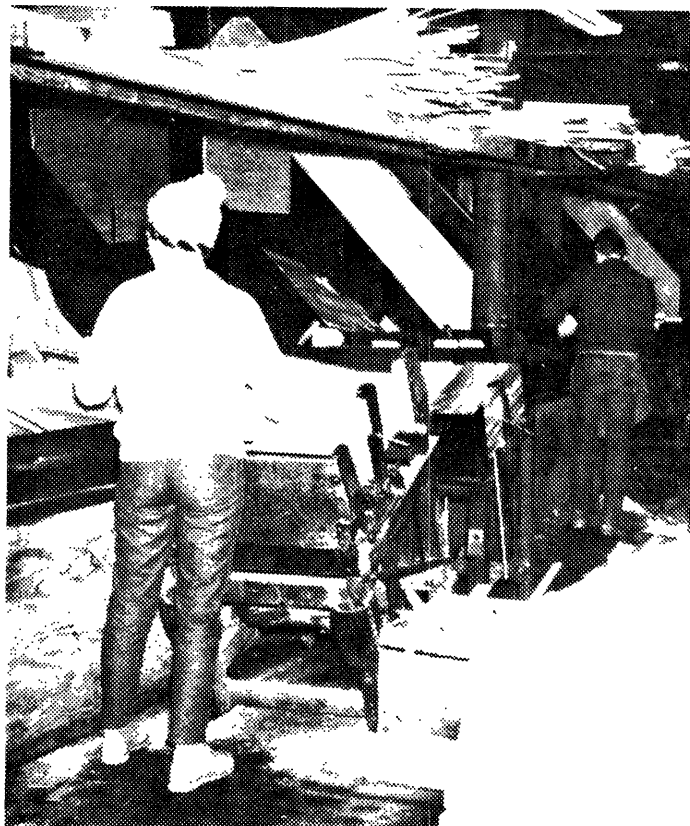

A complete remodeling of the Hoh River Cedar Products office at the mill site was recently completed. The walls are finished in the various types of Cedar products from fancy butt shingles, number one groved shingles to the various kinds of exterior cedar siding available on the cedar market.

Anyone interested in re-decorating a home or building a new home would enjoy inspecting the variety of cedar products decorating the walls at the Hoh River Cedar Products office.

Dean Hurn in telephone conversation in his office decorated with finished cedar products.

Hoh River Cedar Products is a progressive and growing local industry and augments the local economy.

Larry Schindler Memorial Fund Proposed

The sudden tragic death of Larry Schindler greatly saddened his friends in the Forks community. It also recalled to the minds of many the community and church service rendered by Larry's father, Don and the entire family during the time they lived in Forks. Members and friends of St. Anne's Mission wish to remember Larry in a very special way by establishing a "Larry Schindler Memorial Fund" to be used to buy something for the new church when it is built. Larry was a very faithful and dependable altar boy.

Anyone desiring to contribute to this fund may send their contribution to Reverend Daniel Regimbal OSB, 209 West 11th, Port Angeles, Washington or give it to Fr. Daniel personally when he is in Forks.

West End Pioneers

Pioneers Club will meet at 8 p.m. at the Sportmen's clubhouse, Friday, February 28. Mr. and Mrs. Wilmer Ulm will show slides of Mexico. Potluck supper follows. Guests are welcome. Bring old Valentines.

Herbert Lesure enjoys the use of a wheelchair donated to Forks Community Hospital by the Forks Lions Club.

Herb is holding a box of Valentine candy and a card presented to all hospital patients Friday by the Lions Club.

R. N. Judy Sullivan and Forks Lions Club treasurer John Hill are pictured here with Lesure.

Local Men Found Guilty In Cedar Charge

Three Forks men were found guilty of cedar piracy on state lands in Judge Harold Gronseth's Justice Court in Jefferson County.

The three men, Vern Rondeau, James Hess and Ed Hul-

ing were charged with "trespass by cutting cedar on state land" in violation of RCW 79-01-748. January 7, 1969 in Jefferson County by R. G. Winiecki, law enforcement officer of the Department

of Natural Resources.

The trial was held February 5, 1969 in Jefferson County Justice Court. Judge Harold Gronseth. The three pleaded guilty, were found guilty and fined \$254, each with \$150.00 suspended.

Nixon Inaugural Photo Available To Forum Readers

The Forks Forum takes pride in announcing that a three-dimensional color photograph of President Richard M. Nixon will be made available to its readers.

The photograph has been designated as an official inaugural souvenir by the Inaugural Committee. It was produced by the Xograph process, an exclusive development of Visual Panographics Inc. that enables mass production of photographs in three-dimensional format.

The photograph was made

by placing a new, life-size color picture of the President on a set on which also were placed the U. S. and presidential flags and a lectern bearing the presidential seal. The entire set then was photographed and reproduced in dramatic 3-D by the Xograph process. The picture measures 6 x 10 inches and will be supplied in an embossed white portrait folder suitable for framing or for desk or shelf display. Readers may order the photograph through this newspaper at \$2 a copy.

Fill out this coupon and mail with cash, check or money order. Make checks or money orders payable to "Nixon 3-D Picture."

Mail to: Nixon 3-D Picture
Forks Forum, Forks
Box 9583
St. Paul, Minnesota 55177

Clallam Bay Postmaster To Retire

The Honorable James S. Aynsley, Clallam Bay Postmaster, retires at the end of this month. A retirement dinner is being sponsored by the Clallam Bay-Sektu Lions Club at 7 p.m., Saturday, March 8th at the Breakwater Inn. An invitation is extended to everyone in the community but since seating is limited attendance must necessarily be by reservation. Reservations may be made by calling Bob Andrea at Andre Court, phone 963-2481, prior to March 5th.

Joint Installation Held For I.O.O.F. -Rebekah Lodges

A joint installation of Forks I.O.O.F. Lodge and Calawa Rebekah Lodge was held Saturday evening, February 8th. In spite of the weather and other activities, a good number turned out. Visitors from Chilmicum, Sequim and Port Angeles braved the elements.

A Port Angeles team assisted by other lodges took charge of the installation.

These taking part were James Middleton; District Deputy Grand Master, Mrs. Jesse Ringer; District Deputy President, Mrs. Joe Peterson and Fred Solf; Deputy Grand Wardens, Ernest Middleton and Mrs. Harold Byers; Deputy Grand Marshals, Ernest Coulter and Mrs. Zola Guthrie; Inside Guardians, James Maxfield and Mrs. William Merrill; Deputy Grand Chaplains, Jesse Ringer and Mrs. Margurite Grimsley; Deputy Grand Secretaries, William Merrill and Mrs. Leta Klahn;

Deputy Grand Treasurers, Ruby Waldron; Musician. The following officers were installed Noble Grands; Dudley Maxfield and Mrs. Vaughn Matr, Vice-Grands; Carl Lamb and Mrs. Wayne Estabrook, Secretary; Doran Jackson and Mrs. Fern Wittenborn, Finance Secretary; Mrs. Art Smiley, Treasurer; Fred Wallgren and Mrs. Lena Oliver.

Chap; Oral Motiler and Mrs. Mabel Maher, Wardens; Art Smiley and Irene Jackson, Cond; Bob Dudley and Mrs. William Read, Color Bearer; Mrs. Carl Lamb, In. G.; Oscar Wallgren, Mrs. Bob Hutton, O. G.; Mrs. Dorothy Barker, R. S., N. G.; Jack Rook and Mabel Dankert, L. S., N. G.; Murray Macauley and Mrs. Edna Haag, R. S., V. G. Henry Geist and Mrs. Kate Campbell, L. S., V. G.; Mrs. Hattie Mason, Trustee; Mrs. Edna Haag

The visitors extended their

congratulations to the new officers and wished them every success for their year. Sister Doris Douglas presented the our going Noble Grand with a beautiful Rebekah plate. It was a gift from her officers. D. D. P. Thelma Ringer had the honor of presenting Marlon Mansfield with her P. S., S. P. pin. The hall was decorated with baskets of greenery and artificial flowers and the praying hand motif.

CARD OF THANKS

I'd like to take this opportunity to thank my family, friends, Dr. Leitbold and the hospital staff for their kindness extended to me during my recent illness. Thank you so very much.

VAY ARCHIBALD

Mrs. Lingvall To Head Hospital Guild

The Forks Hospital Guild met at the home of Mrs. E. F. Leitbold on February 18th. Mrs. Richard Miller was a guest. Election of officers was held and those re-elected for another year were; Mrs. Paul Lingvall, president and Mrs. Ray Burr, treasurer. Also elected were Mrs. Gene Foster, secretary and Mrs. Vincent Callaway, publicity.

A work day was set for Tuesday, Feb. 18th, at Mrs. M. D. Macauley's, to work on the quilt which the guild will raffle when it is completed.

It was agreed by members to have a co-hostess at each meeting beginning in March.

A new location for its annual Hospital Breakfast in May was discussed, as it was formerly held in the Legion Hall.

The next meeting will be held at Mrs. Thomas Mansfield's on March 14th and will include installation of officers and the guild birthday party.

Grange News

Forks Prairie Grange met Thursday evening, Feb. 18th. In the Sportsmen's Club house with Frank Buonpane, Master presiding.

As it had been impossible last month to have a program to raise money for the March of Dimes, it was decided to have a cake-walk at our next meeting, Feb. 27. There will be a pot-luck supper afterwards.

Rules for the National Grange Sewing Contest were discussed.

Robert Tuttle, Agriculture Chairman, gave a brief talk on the new Secretary of Agriculture in President Nixon's cabinet, Clifford Hardin.

Arthur Munson discussed beef prices, and said they are about the same now as they were in 1951.

He also talked on state legislation being enacted in Olympia. Mrs. James Heimick read a poem "Be the Best of Whatever You Are".

Following the meeting refreshments of clam chowder, crackers, cookies and coffee or tea were served by the supper committee.

GOD'S PERFECT VISION

By Art Morlin

What a wonderful organ the human eye is! It is a camera that pictures for you equally well the minute cocot on the laboratory slide or the sun shining 93,000,000 miles away. This organ of vision is mentioned some 534 times in the Bible. Strangely, your eye is blind to all light waves except those having frequencies of 392 to 757 billion per second. Your eyelids blink 23,000 times a day--and more often when you are angry.

"He that formed the eye, shall he not see?" asks the Psalmist. The answer is obvious. The mighty Creator who windows His creatures with such a marvelous optical instrument is, of course, well able to see. To often we forget this, especially when overwhelmed with sorrow or suffering. We need to remind ourselves that God sees our tears, our troubles, and our trials.

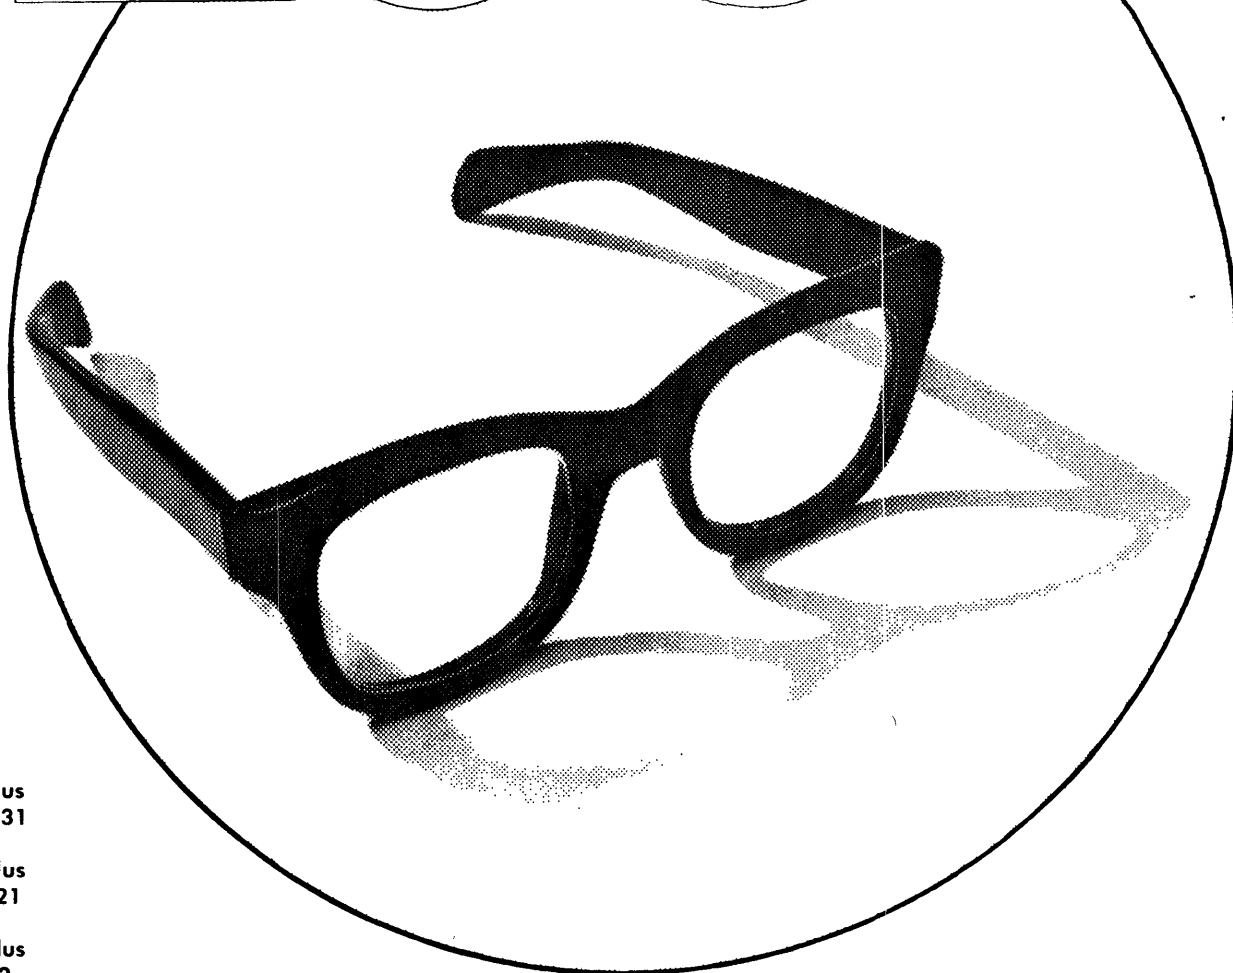

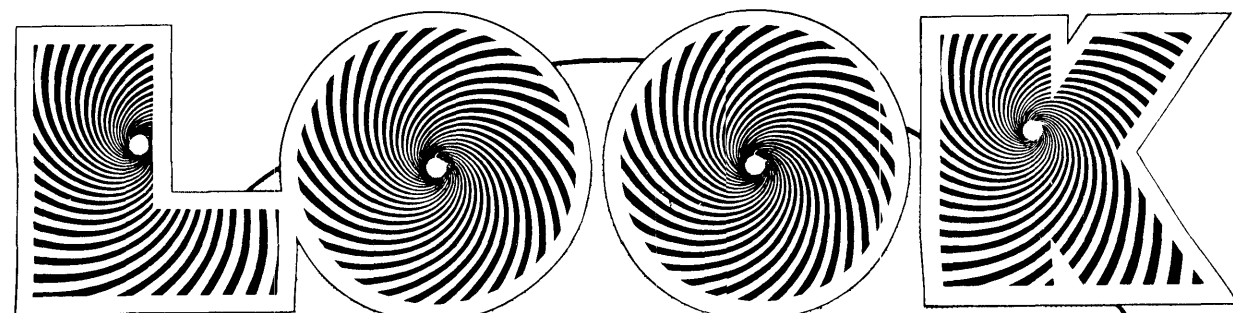

Are you perplexed? God sees and wants to solve your problem. Are you poor? God sees you poverty and longs to

clothe you. Are you afflicted? The Great Physician sees your suffering and will bring relief. Jonah could not hide from the all-seeing eye of God. God knew where he was and what he was doing at all times. The penetrating eye of God probes deep into our hearts and thoughts.

Are you disheartened or distressed? You can gain fresh courage from Hanaul the seer. "The eyes of the Lord run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward Him". By the actions of some we would be lead to believe that God is blind--but He is not! He sees all the hurts, wickedness, tragedy, suffering and knows where we are and what we are.

Achan, one of Joshua's warriors, suffered from spiritual color blindness. The shining silver blinded him from right and wrong. He hid his loot in a hole he dug in the midst of his tent. God saw him dig the hole and put the stolen articles there. The punishment was swift and severe. "The eyes of the Lord are in every place, beholding the evil and the good" (Proverbs 15:3). God sees you and me.

A NEW

Exodus 4:18-31
Exodus 5:1-21
Exodus 5:22
Exodus 7:1-20
Exodus 11:1-10
Exodus 12:1-13
Exodus 12:14-28

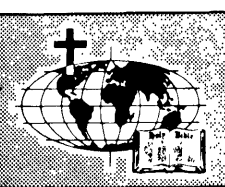

People who need glasses are apt to find the world pretty fuzzy without them. What appears as only a blur without their "specs" swings into sharp focus, once they've put them on.

If only there were glasses we could don quickly when we need to put ourselves, our problems, our successes and our failures into proper perspective! But that kind of lens has yet to be devised.

We all have moments when we seem to be groping and nothing comes clear. We wonder where we are going and, perhaps, why. We have such moments whether or not we go to church on Sundays--for the Church will not give us spectacles, rose-colored or otherwise, with which to view the world. But . . . the Church *does* teach us of God's world, it *does* teach us the meaning of Faith, it *does* show us life in its proper light.

Try going to church. If you do, you may find your "inner vision" getting a great deal sharper.

LEGAL PUBLICATION

STATE OF WASHINGTON
DEPARTMENT OF NATURAL RESOURCES

BERT L. COLE
Commissioner of Public Lands
NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Notice is hereby given that on Tuesday, the 25th day of February, 1969, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Chelan, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

Application No. 32737
Wentworth Lake No. 2 located approximately 12 miles by road west of Forks. The sale is composed of all timber bounded by sale area boundary tags and property lines in Unit No. 1 on part W 1/2 NW 1/4 of Section 16, part NE 1/4 of Section 17; in Unit No. 2 on part N 1/2 NW 1/4, part SE 1/4 NW 1/4 of Section 17; all timber bounded by property lines in Unit No. 3 on the SW 1/4 SW 1/4 of Section 17; plus all timber

bounded by right of way boundary tags on part SW 1/4 NE 1/4, part SE 1/4 NW 1/4 of Section 17, all in Township 29 North, Range 14 West, W.M., containing 188 acres, more or less, comprising approximately 3,270,000 bd. ft. of hemlock, 2,240,000 bd. ft. of cedar and 1,400,000 bd. ft. of spruce and others or a total of 6,910,000 bd. ft.

Minimum acceptable bid per thousand bd. ft.: \$24.50 for hemlock, \$34.00 for cedar and \$25.00 for spruce and others.

Timber will be sold on a log scale basis. Timber must be removed prior to September 30, 1971.

On or before February 25, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$19,127.50 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. The purchaser must, on the day of sale, make an additional payment so that the total amount deposited, exclusive of fees, will equal 10% of the full bid price based on the cruise estimate, plus a \$75.00 deposit on 3 branding hammers and a \$5.00 bill of sale fee. This additional

payment may be by personal check. Purchaser must also furnish within 80 days of date of sale a surety bond of \$30,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc. are to be made payable to the Commissioner of Public Lands.

ACCESS ROAD REVOLVING FUND: \$0.63/M bd. ft. Mercantable logs (net), \$0.32/M bd. ft. Cull logs (gross).

Accessibility: via private and Department of Natural Resources access.

Purchaser must enter into a road use permit with ITT Rayonier, Inc.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, February 25, 1969 at 10 o'clock a.m. Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Forks Prairie Gleaners

The Forks Prairie Gleaners met Monday afternoon at the home of Mrs. Walter Fuhrman, and were happy that Mrs. Ethel Whitehead was able to be present as she had broken her ankle in a fall on the ice Jan. 20th.

The National Sewing, Baking and Needle work contests were discussed.

There were two guests, Mrs. Virgil Ballard of Quillayute Valley Grange and Mrs. Ronald Shearer, 4-H leader, whose two daughters are among a group of 4-H club girls who plan to enter the National Sewing Contest.

Any non-member of the Grange is eligible to enter the National Sewing and/or Needlework contests. If sponsored by a Grange member.

Anyone wishing to enter the contests may obtain the necessary information by phoning the Gleaners' president, Mrs. Robert Tuttle, at 374-6675.

SCHOOL LUNCH MENU

MONDAY: Tomato-rice soup, egg salad & peanut butter sandwich, canned pears, milk.

TUESDAY: Chiff mac, buttered spinach, hot buttered whole wheat muffins, apricot upside-down cake, milk.

WEDNESDAY: Barbecued beef on buttered bun, carrot & celery sticks, gingerbread with lemon topping, milk.

THURSDAY: Shepherd's pie (beef), molded vegetable salad (lime), buttered bread, Bavarian cream, milk.

FRIDAY: Potato cheese casserole, buttered corn, dessert, milk.

Church News

"The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary; he wakeneth morning, he wakeneth mine ear to hear as the learned." This verse is part of the Bible Lesson-Sermon titled "Mind," and will be read in all Christian Science churches this Sunday.

Services at the V. F. W. Hall, A Street, will begin at

11 a.m. One of the selections to be included from the denominational textbook is the following: "Mind is not necessarily dependent upon educational processes. It possesses of itself all beauty and poetry, and the power of expressing them. Spirit, God, is heard when the senses are silent." Science and Health with Key to the Scriptures by Mary Baker Eddy.
