Mrs. Olive King, cooperative observer, Forks, Wash.

**Short Comings**

People did not cooperate fully with the plea not to park along Main Street between 2 a. m. and 4 a. m. Monday mornings. The street sweeper will be operating each Monday during these hours.

The Quillayute Valley Scholarship Dinner will be held Friday, April 18, from 6 p. m. to 8 p. m. at the Congregational Church. All proceeds go to the scholarship fund.

The West End Sportsmen's Club will hold a turkey shoot on Sunday, April 27 at 12:30. Shotguns, pistols, rifles and inside games are on the agenda.

**Kids Derby Sunday**

Trout season opens in the lowland lakes Sunday, but the excitement locally will be the Kid's Fishing Derby on Mill Creek sponsored by the West End Sportsmen's Club.

The derby is open to boys and girls ages 5-13. Fishing hours run from daylight to noon. The Washington State Department of Fish and Wildlife will plant 500 legal size trout in the creek. The new plant, coupled with some holdovers, should provide good fishing for the kids.

Upon catching fish, the kids will take them to the Sportsmen's Club for official measurement by Jack Frost. Hot chocolate will be provided for the kids at the clubhouse.

Last year 109 boys and girls registered and fished according to information from club president, Herb Haubrick.

**Forks Students On PC Honor Roll**

Five former Forks High School students earned a place on the winter quarter honor roll at Peninsula College.

The five are: Charles Meyer,

**Library Tea April 20**

A tea has been planned by the Friends of Forks Memorial Library from 2 to 4 p. m., April 20 in the Congregational Fellowship Hall.

Mr. Russell Thomas will show colored slides of "our peninsula" from 2:30 to 3:00.

Mrs. Boyd Rupp and Mrs. John Miller will conduct tours of the high school and Forks Memorial libraries from 3:00 to 4:00 p. m.

The public is cordially invited to attend.

There will be window displays in local stores.

Mrs. Vincent Callaway will be in charge of refreshments.

Mrs. E. C. Gockereill in charge of the program.

Mrs. Kenneth Chambers is in charge of window displays.

The motto this year is BE ALL YOU CAN BE; READ.

**Steelhead Planted**

FOR STEELHEADERS ONLY  
 Young steelhead ranging from 6 to 11 inches are removed from the Bogachiel Rearing Pond for transportation on to the Sol Duck River. Approximately 100,000 fish have been planted in the Forks area by the Washington State Department of Game. After two years at sea these Ironheads will make the return trip entering the Quillayute River. Weighing 4 to 6 lbs., these fish will then enter either the Sol Duck, Calawah, or Bogachiel River returning to the stream in which they were planted. Those which by-pass the nets and ignore the sportsmen's lures will again return to sea where they will prepare for another trip another year.  
 By Lonnie Archibald

**Forum Print Shop Changes To Roy's Offset**

The present owners of the Forks Forum offered, on February 20, 1969, the use of all printing equipment, materials, and supplies, the use of dark room and the needed space in the building of the Forks Forum including electricity and heat for \$1.00 per year. This would mean that Mr. Black would be able to open his own job printing business. The afternoon of February 20, 1969, Mr. Black called the Bureau of Indian Affairs' office in Hoquiam and asked for the business advice of Mr. Cecil R. Allbee, Reservation Programs Officer. Since that time Mr. Allbee has been working with

and representing Mr. Black in an attempt to get him started in business.

Mr. Black and Mr. Allbee have been examining the various types of machines and equipment that is needed to operate an efficient job printing business. The present equipment is many years old, and only one or two pieces of equipment can be operated with any efficiency at all. The new equipment needed would be an offset press, a new arc plate burner, a light table, a camera and dark room equipment, a paper cutter, and initial supplies. The aforementioned supplies, in addition

to working capital above the \$2,500 that he has, will amount to a need for a \$15,000 loan.

Mr. Roy Black, Jr., was born March 15, 1936, at LaPush, Washington. He attended schools locally until 1958 when he enrolled at Haskell Institute at Lawrence, Kansas. There Mr. Black specialized in the trade of printing; and upon graduation in 1956, he returned to LaPush. In September of 1956, Mr. Black went to work for the Forks Forum as a printer. He continued to work there until 1961 when he received an offer to work in Denver, Colorado. He started to work September 1961 in Denver. During the summer of 1963, the previous owner of the Forks Forum passed away. His wife then called Roy and asked him to come back and handle the printing of the paper and job printing. He left Denver in September of 1963. In October 1963, Mr. Black went to work handling all the printing for the Forks Forum and has stayed on ever since. In 1968, the Forks Forum was sold to the present owners of the radio station.

In addition to the many years of printing experience,

**Liles, Price Chosen For Boy's State**

Rich Liles Jerry Price

Richard Liles and Jerry Price, juniors at Forks High School, have been chosen as Forks High School representatives to Boy's State to be held at Gonzaga University in Spokane,

Washington. Richard, son of Mr. and Mrs. Harold Liles, is sponsored by the American Legion. Jerry, son of Mr. and Mrs. L. S. Price, is sponsored by the Forks Lions Club.

**Forks Marshal Phil Riebe Recouperating**

Marshal Phil Riebe is home recuperating from his ordeal in Shelton last week.

Riebe was assaulted by unknown persons while he was in Shelton on official police business.

Complete details of the incident are not known at this time.

Riebe will not be able to return to duty for a period of 2-5 weeks.

 PROCEEDS TO THE SCHOLARSHIP FUND

**LETTER TO EDITOR**

Editor,  
We the public, or is it only the press and other media, are well "hung up" on certain objectives and don't seem able to be realistic. The education I managed to get at that time of American history, would have placed me among the top ten percent, and that applied to a larger percentage of the young folks of my generation from the backwoods of Western Jefferson Co. than from any similar area of the whole state. And the economic deprivations we endured would not have been tolerated in any so called ghetto of present day cities.

So I feel competent to say a few things on poverty racism and even education. During the early part of this century and the later years of the 1800's

there was a depression and driven by it, many people all over the West, under the homestead grant laws, went to the outlands and made do. When they didn't have money to buy shoes the kids did without. When raincoats were not in the budget, why gunny sacks had to serve. When my folks found they couldn't even raise the money to buy flour they hacked a spot out of the brush and sowed patches of wheat and rye, threshed the crop with flails designed after those of medieval Europe, hammering away in cadence. Then winnowed the chaff out in the next stiff breeze by pouring the threshed out product from a height, out of a 'gold pan' onto a cloth. The pre-cleaned grain was then hand picked over to remove any undesirable incidentals and ground in a hand mill. What a chore for the growing kids, but also

what delicious bread and mush, so aromatic and sweet. Then families grew vegetables; all varieties, common and adaptable to the climate and after awhile there were domestic berries--blackberries, raspberries, gooseberries, currants to supplement the native blue and red huckleberries, wild blackberries, salal, thimbleberries and of course salmonberries. The first chickens that came to our backwoods were the red legorns, only one step away from the jungle fowl and practically as hardy and not much more productive. Who could buy chicken feed! Most people raised oats and the hens scratched industriously in mangers where these were fed to the milch cows and some years later the horses which were brought in after several years to replace the work "ox", naturally the bull, for who could afford to feed an animal except he were multiuseful. Until I was nine years old we did not have a "work" horse, for the first one we acquired was a wild "cayuse" right off the ranges of Eastern Washington and not to be trusted to the care of a younger girl until she. Judy, had had her fill of kicking harnesses into fragments. Until that time, we, Dora and I worked with the bull, using a system of bribery.

Now it will be noted that up to now there was no provisions for proteins. Oh, you will say there were no game laws, well also there was precious little game. Seasonal salmon of course for those in the lower valleys, but these the numerous had absolutely deteriorated by the time they reached the spawning grounds. There were trout and whitefish when the water was just right. Well, people who keep milch cows can always have milk and cheese. We had cottage cheese to no end, and sometimes in early days raised a pig, usually bought at Forks and back-packed in as a piglet. Piggy got garden scraps and rooted for skunk cabbage and other vegetation and tho rarely even had the whey from cheese makings and any surplus milk.

We were entirely adequately fed and somehow clothed. So do I have any sympathy for country people in Appalachian and some other rural areas when according to do-gooders are starving? Not a bit I don't. I have lived at the so-called poverty level, but I did grow up on the soil where only the stupid or indolent need be undernourished. So it is different with people crowded into towns. Shame on our civic agencies who do not more them out on the land instead of spending millions and billions on urban renewal and relief rolls. And if these people don't have the know-how certainly they can be taught nutrition which does not equate home eco-

**Problems & The Law**

On call 24-hours a day, five-days a week for \$560 per month, not on your life buddy.

Yet, that's the life a deputy sheriff with 5 years service is expected to live in this remote area.

This newspaper made an appeal to the people of the West End suggesting the need for further law enforcement personnel, little has been accomplished.

Let us review the situation. First, one highway patrolman is assigned to this area. His territory covers from Queets to Fairholm and across Burnt Mountain. The only relief offered is the occasional appearance of a patrolman from the Port Angeles area.

Second, the Clallam County Sheriffs Department has two deputies assigned to western Clallam County, one here in Forks and one in Clallam Bay. The serving of civil papers consumes a great deal of the time the two deputies have. They spend a considerable portion of their time running back and forth from Port Angeles. The best solution here would be the assignment of a third deputy to the West End to give the other two a break. The third deputy could have the assignment of serving the civil papers.

It is understood that effective January 1, 1970, a third deputy will be assigned to the West End.

A pressing problem exists now according to information received from Sheriff Harley Bishop, that being housing. Deputy Bill Keys has resigned effective April 30, 1969, and a new deputy has been hired by the department and assigned by Bishop to replace Keys. The young man has several years experience in police work and wishes to move to the Pacific Northwest. Bishop has been in the Forks area attempting to locate suitable housing for the new deputy with little or no success. Bishop stated if housing cannot be found, the deputy will be living in Port Angeles and work the Forks area from there.

Third, the Town Council has hired a second full-time marshal. This was a much needed move on the council's part and now the council has another obligation. They should offer assistance to the two marshals in seeking additional training in police work. They should also work closely with the Clallam County Sheriffs Department in coordinating a more efficient law enforcement situation in this area.

This paper has taken steps to find out what can be done to get a second highway patrolman for the area. In a telephone conversation with Rep. Paul Conner, 24th District, this problem was discussed. Rep. Conner has contacted Will Bachofner, Chief of the Washington State Patrol, and will keep this paper informed on any developments.

omics. 70% of our population is now crowded onto a mere 2% of our land area, what a "thing" for a communist or other unamerican take over, (or even a few atom bombs). The lands of this State already dedicated exclusively to recreation, exceed by far the total urbanized areas. So let the land grabbers in public office turn loose and establish a system of sustenance villages each with its school, playground and park area, hospital and other civic facilities and every home site with at least a half-acre of pertinent garden space and as in medieval European settlements a village common for raising and grazing live-

LENA FLETCHER

**Sunset Highlites**

By Fred Jarvis

Must be a small town boy at heart. Went to Seattle and Everett to bowl in the State Tournament over the weekend, and you can have the city life. And that weekend traffic is murder. Sure glad Mother was along.

Kind of a bad weekend for the three teams, Forks State Bank, Brager Log and Clark's Vagabond. Altho Claude's boys got up on the board, not much happened in the doubles, singles or three man event. Duke had high game and series for the guys with a 231 and 632 in the team event. Darrell had a 224-600 in the doubles with Butch Humphres and John Nagel had a fine 224 in the three-man Sunday afternoon.

Tuesday Afternoon League was won by Windle Bros. Guides in a roll-off with Allen Log team. Forest Service Wives took third. Doris Markham picked off the 4-6 split.

Patty Laswell picked off both 10 and 30 for the girls of the Sunset Eights Mixed Jrs. with 168-436. Terry Hutton had hi 10 for the boys with a 199. Robert Laswell had 192 and Jeff Blair a 191 along with hi 30 of 483. Chuck Rondeau picked off the 6-7 and Ken Olson the 6-7-10.

Duke Streeter tossed a 225 and Stan Fouts a 579 in the Sunset League. D.J. Caulkins had a 224-578.

Paula Lyda rapped out a high of 186 for the Powder Puffs and Sally Nagel rolled a 524 hi 30.

The Hoot Owls saw Kathy Hamby rip out a 216 and Leta Rondeau a 631. Kathy also had a fine 530 series. Karen Hafner picked up the 2-10 split and Linda Gott converted the 3-7-10. Pretty good eye, girls.

Joyce Mueller with 190, and Sally Nagel a 511 in Thursday Nite Women's. My apologies to Jean Streeter for not mentioning her stairstep 141-142-143 last week.

In a roll off against Peninsula Log, Bob's Texaco won first place of the West End League. Ken Keeney took hi 10 with 220 and Rich Dimmel hi 30 of 549. Rich also won the Sweeper with a 681 hdp.

Andy Anderson rolled a 217 and Dave Helfrich a 540 in the Early Fri. Mixed and Maureen Anderson won it all for the gals with her 189-519.

Thomas-Maher-Jarvis won the crown on Late Fri. Kennedy-Richardson rolls off for second with Markham-Stratford this Fri. Nite. At the same time, there'll be a roll-off for the money, with a meeting afterwards to elect next years officers and to present trophies.

Helen Smith had hi 10 of 207 and Barb Kelso a 496 hi 30. Darrell Thomas tossed a 231-615 to lead the men.

Leta Rondeau led the gals in the Sunday Mixed with 182-524. Ted Kettle had a 203 and Butch Blakely a 552.

Larry Keeney picked up the 4-10 split, but his spouse, Jody chose to pick up a split that paid dividends, the Big Four! It was worth 20 free games from Sunset Lanes, ten dollars from Coast-to-Coast, and an emblem from W.I.B.C.

Ernie Wittenborn led all bowlers in the Forks Prairie League with a 221-580. Bob Swerin had a 578 and Jack Kennedy, with a 127 average rolled a 506.

**Sequim Wins League Meet**

Sequim Wolves, Forks Spartans and North Mason Bulldogs battled in an Olympic League track and field triangular meet in Sequim Friday.

The Wolves rode 10 firsts to victory as they rolled up 87 points. Forks tallied 58 and North Mason trailed with 35. Al Millet, Sequim, was a triple winner as he won the high and low hurdles and the high jump.

Bob Seigle took firsts in the triple jump and long jump and placed second to Millet in the high jump to pace the Spartans. Seigle broke his school mark in the triple jump with a distance of 40'-6".

The mile relay team of John Spoelstra, Dennis Perry, Larry Smith and Steve Perry raced to victory in the time of 3:42.9.

The other Spartan winner was Rich Pursley in the 880 run. Pursley led from the opening gun in this event, followed closely by Ed Jackson, the fine Spartan sophomore 880 man.

The Sequim victory sets the stage for the clash between unbeaten Sequim and Lake-side Friday in Port Townsend. The winner of this meet will take a giant step towards the title.

Forks travels to North Mason Friday for a league meet with Vashon and North Mason. Meet Summary: 120 HH---Millet (S), Lamb

Nisqually Wins LaPush Tournament

Hustle was the word to summarize Nisqually's 111 to 97 victory over Toppenish in the title game of the Far West Gold-Ball Tournament held at LaPush last weekend. Toppenish backed into the

**TOURNAMENT ACTION**  
Nisqually and Toppenish squared off in the championship game Sunday evening in the LaPush gym. Hustle, team work, and good shooting gave Nisqually a 111 to 97 win over the much taller Papoose of Toppenish. By Lonnie Archibald.

Kindergarten-Primary Survey Underway

A survey of prospective kindergarten and first grade pupils who will be entering the Forks Elementary School is getting underway this week. It is expected that members of the Pre-school P. T. A. and the Forks Parent Teachers Association will be contacting all the homes in the Quillayute Valley School District. The ladies will have questionnaires, the answers to which, will help the Board of Directors and the administration plan for next year's enrollment and staff.

**DOUBLE SHIFTING**  
Again this coming year there will be double shifting of the primary grades. This step was made necessary because of increased class enrollment and the consequent lack of space. At present the elementary school program level, besides using all of the rooms in the main building for classes, the Special Education is housed in the old boiler room which is much too small, and the reading improvement classes meet in the old teacher's room. Five of the 5th and 6th grades and the elementary school library occupy the annex (old junior high building), just where all of the classes will meet in under consideration.

With the high school population also holding, they need all the room in that building. Considering the lack of space, the crowding of some primary classes with need for more sections of some grades, some immediate solution to the problem is needed.

Kindergarten enrollment data: Child must be 5 years old by Sept. 1. Presentation of birth certificate or other proof of birthdate. Parent must complete health forms; registration form. Make pre-payment of snack-milk fee at time of registration.

**Honor Roll**  
3RD QUARTER HONOR ROLL  
12th GRADE: Larry Baker, Clayton Oakes, Steve Perry, Richard Purley, Jim Ramsord, John Spedra.

10th GRADE: Howard Baroni, Darrell Beebe, Bruce Dunlap, Larry Gaydeski, Donald Hunt, Eddie Jackson, Curtis Maxwell, Rene Nielsen, Jim Sinema, Stephen Warren.

11th GRADE: Frank Dalton, Bruce Guenberger, Jim Hull, Richard Jensen, Richard Liles, Dennis Perry, John Schoutak, Ray Sisco, Albert Wood.

12th GRADE: Terri Bechtold, Vicki Duncan, Virjeanne James, Carla Sunema.

9th GRADE: William Brager, David Cowles, Bernard Nash, Victor Whitehead.

Katherine Anderson, Karen Liles, Karen Gaydeski, Linda Slesser, Ann Sinema.

10th GRADE: Jeff Blair, Mark Hitchcock, Raymond Meinzer, Donald Rhyne, David Stanley, JoMarie Dallgren, Deborah Goss, Patricia Gustafson, Connie Joutsen, Lorine Kelso, Rita Klahn, Christi Olsen, Betty Whitehead.

That alcohol was a factor in 57% of the deaths on the highways of the State of Washington last year and that 50% of the persons involved were alcoholics.

Hospital Guild Breakfast May 4

The Hospital Guild meeting, which was held April 11th with Mrs. Gene Fortz as hostess, final plans were made for the annual breakfast to be held on May 4th.

Peninsula Tel Announces DDD For Clearwater

Peninsula Telephone and Telegraph Company has announced that its Clearwater Exchange was converted to Automatic Number Identification Direct Distance Dialing Service at 12:01 a. m. on April 13, 1968.

With completion of the Clearwater AMT Project, 100% of three miles of buried cable between Onests and Clearwater at a cost of \$14,000. The new cable provides more circuits for the Kalaloch-Onests area and replaces an old Bell System-owned cable which was damaged beyond repair last winter during a lightning storm.

Over \$75,000 has been invested by Peninsula Telephone and Telegraph Company during the past twelve months to upgrade and improve service to its Clearwater Exchange.

There will be a gift table at the breakfast again this year with Mrs. Clarence Alexander in charge. Tickets for the drawing for the quilt, which will be held at noon on the day of the breakfast, may be obtained from any Hospital Guild member. The quilt is made from a virgin wool batting and has a handmade coverlet. Guild members have done the quilting under the guidance of Mrs. M. D. Macaulay.

Mrs. E. F. Leibold will be in charge of the lotchen again, and donations of food are being accepted by Mrs. Vince Callaway, Mrs. W. G. Haag, and Mrs. Cecelia Olson. Food donations may be left at the Callaway's home in Stevens Grove.

The breakfast will be held in the all-purpose room at the grade school.

Service News..

Mathews Engel, son of Mr. and Mrs. Louis A. Engel of Forks, and Kenneth Ray Scigle, son of Mrs. Alice May Olson also of Forks have enlisted in the U. S. Navy on the buddy program and are now in San Diego, California for their 8 weeks of recruit training, learning the Navy way of life.

**BEER—toast to America's economy**

The brewing industry is a massive and dynamic part of the national economy. Each year it pours billions of dollars into commerce and government.

- \$1.4 billion in state and federal excise taxes.
- \$3 billion to employees, suppliers and distributors.
- \$990 million in agricultural products and packaging materials.

The brewing industry is a proud contributor to America's prosperity.

# DEAR JANE *Bat's Belfry*

Dear Jane:  
 Maybe if some of the parents that go to Pre-school P. T. A. would pick another night to go uptown, rather than the meeting night, it would cause less talk and the meetings would be business and no play! A certain procedure should be set to no criticism concerning the school P. T. A. and it's members would be brought out for a discussion as in the past. An example of good principles should be set for the young members to follow.

**A Past Member**  
 Dear Pat:  
 A good portion of the problems dealing with human relations seems to arise from the good old cliché "Gossiping Gert"! There would be nothing wrong with going uptown after the P. T. A. meeting if: (1) discussion of outside activities did not take place during the scheduled meeting times; and (2) if the members going uptown afterwards took no part in "raking" their fellow members, "over the coals". If gossip and petty slander took place at these uptown get-togethers, it is very understandable why others do not wish to join. If none of these situations occurred, then indeed, there is nothing wrong with going uptown after the meeting.

**Dear Jane:**  
 Our stores here in Forks have been broken into just too much lately. I wonder what our night marshal is doing. I know he works in the day and has to have some sleep but I think we need someone who is on the job, because Forks is not a big town to patrol at night. I think it is time someone was being done.

**A Housewife**  
 Dear Housewife:  
 There are many things that can be done by the town-folk. First you may wish to attend the town council meeting which is the second and fourth Mondays of each month. Find out first hand what the problem is and what is being done. There are several things we must all be aware of in this particular situation. It is very difficult for men to perform the many detailed and often hazardous functions of the town law enforcement without specific training in this field. We would not think of seeking the services of a physician, lawyer, engineer etc., if they were not educated in their field. The same professional approach must apply to law enforcement. The F. B. I., State Patrol and other agencies must undergo thorough training before they are qualified to assume the duties of their job. By the same token, our town law enforcement should be sent to school--on their own or perhaps sponsored by our town in the interest of good common sense and town security. This situation reminds me of an article written by a well known professional law enforcement officer. It goes like this:

A policeman is a composite of what all men are, a mingling of saint and sinner. He, of all men, is at once the most headed--and the most unwanted. He is a strangely nameless creature who is "six" to his face, and "fuzz" behind his back.  
 He must be such a diplomat that he can settle differences between individuals so that each thinks that he won.  
 But... if a policeman is neat, he's conceited; if he's careless, he's a bum.  
 If he's pleasant, he's a flirt; if he's not, he's a grouch.  
 He must make in an instant those decisions which would require months for a lawyer.  
 But, if he hurries, he's careless; if he's deliberate, he's lazy.  
 He must be first to an accident and infallible with a diagnosis.  
 He must be able to start breathing, stop bleeding, tie splints, and above all, be sure the victim goes home without a limp.  
 The police officer must know every gun, draw on the run and hit where it doesn't hurt.  
 He must be able to whip two men twice his size and half his age without damaging his uniform, and, without being "brutal".  
 If you hit him, he's a coward; if he hits you, he's a bully.  
 A policeman must know everything--and not tell.  
 He must know where all the sin is--and not partake.  
 If he catches the criminal, he's lucky; if he doesn't, he's a dunce.  
 If he gets promoted, he has political pull; if he doesn't, he's stupid.  
 The policeman must be a minister, a social worker, a diplomat, a tough guy, and a gentleman.  
 And, of course he has to be a genius... for he has to feed a family on a policeman's salary!

Mrs. Shirley Hawk was guest of honor at a baby shower given by the women of Circle 3 of the Congregational Church on April 16th at the home of Mrs. Nancy Goodman. Fourteen guests attended and hostesses were Nancy Goodman, Judy Halverson, Carmie Thompson, Judy Winney and Carol Cromley.

**SCHOOL LUNCH MENU**  
 April 21-25  
 MONDAY: Chicken & noodle casserole, caconized green beans, crunchy cornbread in butter, canned pears, milk.  
 TUESDAY: Weiners & saurkraut, whipped potatoes, molded vegetable salad (lime), banana spice cake, buttered bread, milk.  
 WEDNESDAY: Chiliburgers, potato chips, buttered peas, chocolate pudding, milk.  
 THURSDAY: Scalloped beef & potatoes, buttered corn, buttered bread, chery crisp, milk.  
 FRIDAY: Rice tomato soup, tuna fish sandwiches, cheese sticks, desert, milk.

die class and upper income groups as well. Four food groups most commonly lacking are vitamin A and C, calcium and protein. Because of this, it's estimated that 69% of today's teenagers will eventually develop a serious illness such as heart disease, obesity, hardening of the arteries, etc., due to poor eating habits. Think about it!  
 For more on this, the Clallam Co. Division of the Wash. State Heart Inst., and the Olympic Memorial Hospital Aux. will present "How to Guard our Families' Hearts" at the Pioneer Memorial Museum, 2800 Hurricane Ridge Road, on Monday, April 21, at 10 a.m.. Program topics include "Eat to Live", "Eat Better for Less" and "Your Food Today Shapes Your Future Tomorrow". No admission charge; all welcome.  
 On the lighter side of life, you might ask Mary A. what she was doing at the dump last week.  
 And who says hippies aren't clean? A bunch of them were chased out of the LaPush water system catch basin!

**NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00**

Notice is hereby given that on Monday the 28th day of April, 1969, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

**LEGAL DESCRIPTION:** The sale is composed of all salvage material marked with blue paint along FR-G-2000 road comprising approximately 64,000 board feet of cedar located on part SW 1/4 SE 1/4 of Sec. 10, Twp. 29 N., Rge. 14 W., W.M. Clallam County, Washington.

**CASH SALE**  
Forest products will be sold on a cash basis.  
Minimum acceptable bid will be \$1,920.00.

On or before April 28, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$192.00 in the form of cash, money order or certified check.

Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

**BOND:** On the day of sale, the purchaser must also furnish a cash bond of \$300.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published cruises of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

Access Road Revolving Fund: \$18.00 to be paid on day of sale. Forest products must be removed prior to June 30, 1969.

Located approximately 10 miles by road SW of Clallam Bay. Accessibility Via Department of Natural Resources Access.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

**Meditation**

By J. William Hawk

At the base of Christianity, and perhaps all religion, is revelation. At the foundation of our faith is the activity of God making Himself known. We believe that Jesus Christ is God unveiling Himself for man. We also believe that Jesus Christ is God's activity of clarifying for man what man is supposed to be. We are amazed by and thrilled with a God who makes Himself less hidden and makes His intentions clearer.

In the picture and words below we easily get the view of a father who shares his ideas and experiences with his son and family. By such sharing this boy learns what makes his father tick. His father becomes less hidden and more revealed. By this means the boy learns the values by which his father lives and the experiences which his father both abhors and loves. By the same process the boy learns that it is good for him to reveal some of his experiences, some of his desparations, some of his hopes.

This business of sharing our experiences should be a part of the power of the Christian community. If there is no one to whom we can reveal ourselves, we are in deep agony. The Christian fellowship should be the group of people to

whom we can reveal ourselves in trust that they will not violate our deepest agonies and joys. If we have lived through war and seen what it "does to its dead... and its living," then we should reveal our experiences. In this way we invite others to join us in the task of keeping humanity from repeating its tragedies and in the task of strengthening persons to face life's responsibilities. If we are religious and faithful people and want our children to mature into religious and faithful people, then we must reveal ourselves while we are worshipping, praying and serving.

It was through God's self-revelation that we learned about God and man. It is through our self-revelation that others, including our sons and daughters, learn what it means to be a father, a mother, a Christian. This is part of what Jesus means when he says, "You are the light of the world. A city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house. Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven."

**AMAZED...**

I tell a few war stories—just like the rest. The censorship of good taste and modesty makes my experiences pretty drab. But Jerry thrills to them. He's proud of his Dad's Purple Heart!

My son would be amazed if I were to tell him the stories we never tell, our thoughts as we hit the beach... what it was like in those jungles... what war does to its dead... and its living.

And in other ways Jerry would be amazed; for he doesn't know me as a man who prays often. He can't realize the depth of my faith. He has never met the brave chaplain who brought me in when I was hit.

I'll never tell Jerry all of it. I don't think God wants me to!

I pray that Jerry's may be a different world. I want him to learn day by day, step by step, what his religion will mean to him!

That's why we're a church-going family!

### \$8.7 Million In Timber Sold-More Sales Set For May

Twenty-three parcels of state-owned timber were sold on March 24 and 25, bringing bids totaling more than \$8.7 million. The state sold 81.6 million board feet of timber.

Bert L. Cole, Commissioner of Public Lands, reported that all parcels of timber offered for sale were sold, with a total bid of \$8,779,573.

The most valuable parcel of timber was the Owl Mountain Sale in Jefferson County with 17.8 million board feet of timber appraised at \$409,755. It was sold to Joyce Timber Company of Ridgefield, Washington for \$1,927,755. This sale contained the most volume. The bid price for hemlock was \$111 per thousand board feet.

Other sales in Clallam and Jefferson counties were: Dickey K Sale-Timber Traders Inc., Mercer Island, \$400,610 for 4.2 million board feet. Hemlock bid price, \$101 per thousand. Alder Ridge Sale-Olympic

Timber Company, Port Angeles, \$472,530 for 4.7 million board feet. Hemlock \$93 per thousand, cedar \$112 and spruce \$146.

The state will offer 55.6 million board feet of timber for sale in May, valued at some 2.7 million. The Board of Natural Resources approved the sale on Tuesday, April 1, at its monthly meeting.

State Land Commissioner Bert L. Cole reported the timber is located in 11 counties with 17 parcels of timber being offered, appraised at \$2,762,312.50.

The largest and most valuable sale is the Bear Creek Cleanup Sale located in Cowlitz County about 30 miles east of Castle Rock. The sale has 12.9 million board feet of timber appraised at \$1,032,145.

The May sales will be held in Clallam, Clark, Cowlitz, Grays Harbor, Island, Jefferson, Lewis, Pacific, Thurston, Wahkiakum and Whatcom counties.

CLALLAM COUNTY  
Gunderson Railroad Sale-7.3 million board feet, appraised at \$248,580, located about 8 miles northwest of Forks, to be sold May 27 at Forks District office;  
Salmon Creek Thinning & Alder Sale-1.3 million board

feet appraised at \$11,900, located about 6 miles south of Blyn, to be sold May 26 at Port Angeles District office.

JEFFERSON COUNTY  
Canyon Creek Sale-8.2 million board feet, appraised at \$308,955, located about

27 miles southeast of Forks, to be sold May 27 at Forks District office;

Nolan Creek Pre-Log Sale-1.3 million board feet, appraised at \$30,520, located about 23 miles south of Forks, to be sold May 27 at Forks District office.

### Tyee-Beaver-Sappho News

BY MRS. J. E. MERRITT

Mr. and Mrs. Ed Konopaski returned home last week after a delightful month's vacation in the Hawaiian Islands and the South Pacific. The first 10 days at Walkiki Beach. It was their third trip to the Islands and is still a favorite vacation spot. From Hawaii they flew to Papeete, Tahiti (5 hours flying time). Papeete is the largest town on the island, with a population of about 20,000. They were guests at the new Taharaa Hotel which is several miles from Papeete and overlooks historic Matavai Bay, Anchorage of Wallis, Bliigh and Cook. "Mutiny on the Bounty" starring Marlon Brando was filmed here. The Konopaski's spent their time sight seeing, touring the Island and browsing through the shops of Papeete, mostly window shopping. They found the town quite dirty; however, the waterfront is being completely renovated and should be quite attractive when completed.

They spent several days on the island of Bora Bora which is 125 miles Northwest of Tahiti. The trip there was made plane and motor launch. The highlight of the trip for the Konopaskis was a 3-day visit to the island of Moorea. It is 11 miles from Tahiti by motor launch from Papeete. On Moorea they stayed at the famous Bali Hai Hotel, which is named after the Bali Hai Mountain. It is owned and operated by three American businessmen, and the hospitality is unsurpassed. At this hotel as well as the Bora Bora Hotel their rooms were the typical thatched roof bungalows. The Konopaski's were fortunate to be at the Bali Hai on Sunday, a day of festivities and feasting. At noon was the delicious buffet luncheon and at

night the famous Tamaaraa feast and native dances. They liked the food at this feast much better than that at the Hawaiian luau.

They found that the prices of almost everything were much higher than in the States. A cup of coffee was 40 francs, which would be over 40 cents in our money. In an exchange of currency we got 17 francs for \$20. Wages were low by our standards; we were told that the waitresses at the restaurant were paid \$150.00 a month and tipping is forbidden.

Mr. and Mrs. Konopaski enjoyed especially meeting and talking to the natives, although it was difficult at times to communicate, as the principal languages are French and Tahitian. Harriet's high school French did help--some, and they found that a smile is international and it helped a great deal. The people are so happy and care free, and the theme in their lives seems to be "let tomorrow take care of itself". They love to sing and play musical instruments so you are constantly being entertained. The Konopaski's were really impressed by the lush tropical growth, the beautiful flowers everywhere and the many varieties of tropical fruits, some of them being coconuts, papaya, bananas, mangos, guavas, breadfruit. Most of these grew on the

grounds of the Bali Hai Hotel.

The return trip home was by way of Los Angeles, which is 7 hours flying time. The Konopaskis stopped over in the Los Angeles area to visit friends before returning to Seattle, where the Easter weekend was spent with their son, Ron and family. They also visited his sister, Mrs. Alice Mac Farlane, in Providence Hospital.

Mr. and Mrs. John Merritt have as their guest their granddaughter, Mrs. Ron Holst (nee Patricia Stockwell), who arrived Friday night. She plans to spend a week with her uncle and aunt, Mr. and Mrs. Herb Welch at Shelton before being joined by her husband. Fire of undetermined origin completely destroyed the home between Riverside and Snider Work Center which was owned by Mr. and Mrs. Joe Pavel.

The Beaver Volunteer Fire Department was called at 11:15 p.m. Saturday, but were too late to save the building. The Pavels had recently completed redecorating the house and were planning to rent it. It was originally owned by the late Mr. and Mrs. William Anacich.

Robert Delmonico, Del Kinsman and Liz Kinnaman, all of Aberdeen visited Saturday at the L.R. Eaton home in Sappho.

Sunday, April 13, was the birthday of Mrs. Loyd Johnston of Forks, and in honor of the occasion her parents, Mr. and

### Tops Club News

The Tops Club had installation of officers Tuesday night, April 1. The following officers were installed by our outgoing leader, Diana Pedersen. Leader; Johnetta Cline, Co-Leader; Donna Crippen, Secretary; Billie Bryan, Treasurer; Barbara Rasmussen, Weight Recorder; Janet Joseph, Weigher-in; Helen Dugas, Reporter for Forks Forum; Joyce Anderson, Reporter for National Tops Magazine; Anna Meyer, Magazine scrapbook; Judy Klahn, Sunshine; Leta Rondeau, Photographer; Dorothy Gorham.

Donna Crippen, who had lost weight three weeks in a row, got to keep the traveling prize and she is to buy another prize which is to go to the next member, that loses three weeks in a row. We also have another contest going--a tree with all the Tops members names on it and each week members that gain weight for that week get their name taken off from it. The one who has their name on last receives a prize.

We discussed the State Recognition Day which is to be held in Seattle on May 2 and 3. So far 6 members plan on attending. After the meeting punch was served by Dorothy Cline.

Mrs. L.R. Eaton invited her and her husband, along with his parents, Mr. and Mrs. Loyd Johnston, Sr. to a family dinner that day.

### Grange News

The Forks Prairie Grange met Thursday evening in the Sportsmen's Clubhouse and held a short meeting, presided over by Frank Buonpane, Master.

The Charter was draped in memory of John Yucha and Dewey Watters, and Mr. and Mrs. Arthur Munson were elected alternate delegates to the State Grange Convention to be held in June.

A program honoring the Flag was put on by the Lecturer, Mrs. Edith Woody, Margaret Helmick read an article. History of the Flag, Sybil Merritt read an article, When and How to display the Flag at halfmast, and Grace Fletcher read a poem entitled, "Home".

It was voted not to have a second meeting this month. At the close of the meeting refreshments of jello, cake and coffee were served.

**Forks Prairie Cleaners.**  
Forks Prairie Cleaners met on Monday at the home of Mrs. Gail Garbrick.

The National Grange Sewing and Needlework Contests were discussed and preliminary talks were held on the Pomona Home Ec. Luncheon, to be held the last week in June. It was voted to invite Ann Slater, State Home Ec. chairman to be our guest at that meeting.

Mrs. Patricia Holst, granddaughter of Sybil Merritt was a guest.

## Smoking Clinic Here

Smokers who want to kick the habit will have their chance next week under a special FIVE DAY PLAN to be conducted here by a physician-minister team at the Forks High School in the library.

The plan consists of regular evening group therapy sessions and a daily personal control program for home or work. It has had a very successful six year trial run in most major cities of the U. S. and Canada as well as in most of the countries of Europe, Asia and parts of Africa. Our neighbor down under, Australia, has also seen this plan work very successfully. This plan has also been featured in Time, Newsweek, Pageant, and many of the nations leading newspapers. Leading reporters have themselves attended programs in different major cities of the United States. The American Broadcasting Company will put the entire plan on nationwide television this fall.

Directing the program locally will be Pastor Frank C. Wyman and Dr. Lloyd Griffith of Port Angeles. The group therapy sessions will be conducted by the originators of the Five Day Plan, Dr. J. Wayne McFarland and Pastor E. J. Folkenberg from the screen. These therapy sessions will be held without charge from 7:30 p. m. each evening beginning April 20 at the Forks High School.

Sponsored by the Forks Seventh-day Adventist Church, the Five Day Plan is a public service to help improve the health of the community and to contribute to the national physical fitness program, Pastor Wyman explains.

The Five Day Plan to stop smoking features such topics as the psychological and physical aspects of the habit, how craving can be lessened, how will power can be strengthened, physical effects of smoking, organization of a buddy system and many other techniques designed to break the habit during the five day period.

A feature will be the showing for the first time on the Olympic Peninsula of the brand new film "Countdown" which is hailed as the outstanding successor to the film used for many years entitled, "One in 20,000" on the first evening of the therapy session.

Developed under the sponsorship of

ship of the Seventh-day Adventist denomination the plan was originated by J. Wayne McFarland, M. D. and Elmer J. Folkenberg, clergyman, both of South Lancaster, Mass. Recently a large hospital in a suburb of Chicago held their thirtieth "Five Day Plan" with 850 persons in attendance.

## Quartet To Appear Assembly Of God

The Choraliens Quartet will be at the Assembly of God Church Sunday, April 20th in the 11 a. m. worship service.

The Choraliens Quartet hales from Vancouver, British Columbia. They have become known as a group that sings with enthusiasm and genuine inspiration. They are now in their 8th year as an organized group and have sung in many different places and situations. The Choraliens have sung in churches of many different denominations. Youth for Christ, Conferences and quartet concerts throughout western Canada and northwest U. S. A. Whether on the concert stage, at a wedding reception, banquet, or in a church auditorium you will sense through their singing a sincere and dedicated experience and you will know that these men believe in what they sing. The Choraliens travel many thousands of miles each year singing the Gospel in a manner that has left many friends and a welcome to return wherever they go.

You will not want to miss this special service at the Assembly of God Church. Everyone welcome!

### Coins and Coin Collecting

Coin collecting—referred to as numismatics—is one of the oldest known hobbies. The word "numismatics" comes from the Greek word *nomisma* and the Latin word *numisma*, meaning "coin." People who collect coins are called numismatics.

The designs on coins tell many stories. The coins of a country often are a record of its history and geography. Some ancient coins tell us all we know about a country or a period of history. They bring us portraits of rulers who would be otherwise unknown. Coins tell us about the art, mythology, religion, dress, and hairstyles of people who lived long ago. The first coin with a fixed value was not struck until the 7th century B.C. in Lydia (today Turkey). Ever since, coins have helped the world to carry on its trade and commerce.

Your special interest will help you decide the kind of coin collection you would like to assemble. You may wish to collect the coins of one country or one part of the world. Or you may want your collection to contain coins from all over the world, but limited to a certain period of time. Some people choose to collect the coins of their own country, while others are interested in ancient Greek and Roman coins. Many ancient coins are quite easy to obtain. Small ancient bronze pieces in average condition can often be bought for less than a dollar. A collection of present day coins from countries forming the United Nations is not costly and is worldwide in scope. Coins that "sit" bring back from foreign

trips can be the beginning of a collection. Another way to start a collection is to select the best examples of coins now in use. You may be able to assemble in interesting series of United States coins with different dates and mintmarks. Special mint sets and proof sets of United States coins are available from time to time. For information, write to the Office of the Director of the Mint, Treasury Department, Washington, D. C. 20220.

There are many ways to arrange coin collections. Some collectors keep their coins in 2-inch-square envelopes. A complete description of the coins should be written on the outside of the envelopes. These envelopes are arranged in cardboard boxes. Envelopes and boxes may be bought at any coin store. The disadvantage of this method, however, is that you cannot readily see your collection. You can also use transparent envelopes and album pages made of plastic materials, which can be mounted in three-ring binders. Various other holders may be found in coin stores. To clean a coin, wash it gently with soap and warm water. Do not use scouring powder, metal polish, or steel wool. This will damage both the looks and value of the coin.

To get the most enjoyment from your hobby of coin collecting, read as much as you can on the subject. Nearly every American city has at least one numismatic club. Many of these clubs belong to the national organization, the American Numismatic Association. For information about the clubs, write the Executive Secretary, P.O. Box 2366, Colorado Springs, Colorado 80901.

On April 25 and 26 the Department of Washington VFW Auxiliaries will be honored by the National President, Lora Waters. Mrs. Waters is the first member from the State of Washington to become President—she was elected at the 1968 convention in Detroit.

An active member of the organization, she became a charter member in 1938---

in the Fort Lawton Auxiliary #3694.

Mrs. Waters was elected Department of Washington President in 1950. She held National chairmanships in Rehabilitation, Americanism and National Home. She was elected guard in 1963 when the National Convention was held in Seattle.

Mrs. Waters was a retail buyer for a department store for 20 years. She is a member of the Business and Professional Women's Club and has held offices in the Eastern Star. She has also served on the Mayors committee for the Seattle Seafair Celebration.

One of nine children, (one a twin sister) Mrs. Waters may boast of two children, eight grandchildren and two great-grandchildren. Of these there are five sets of twins and one twin from a sixth set.

Christmas time was made much happier for some of the servicemen over seas by the special project of this gracious lady, that of movies from home. Auxiliary members work with local TV stations and the armed services to film messages from the families of servicemen.

All members are urged to attend this National Presidents visit and welcome her to the Department of Washington---and home!!!!

Nominations and election of officers was the main item of business at the meeting of Fletcher-Wittenborn Auxiliary on April 7th. The following were elected into office: Jeanne James; re-elected president, Edith Woody; re-elected Sr. vice president, Bobbi Ellis; Jr. vice president, Jackie Simmons; re-elected treasurer, Fern Wittenborn; chaplain, Helen Burdick; re-elected guard, Norma Burr; trustee #3, Paula Lyda; re-elected conductress. The remaining officers will be appointed by the president before installation--which will be in May.

Delegates and alternates to the District Convention in May--were also elected at this time: Delegates #1; Edith Woody, #2 Sybil Merritt, #3 Daisy Klahn, #4 Stella Black, #5 Jackie Simmons. Alternates are: #1 Paula Lyda, #2 Mabel Dankert, #3 Shirley Fox, #4 Dorothy Vedder, #5 Fern Wittenborn.

Bulletins were read by the chairman and reports were also given.

The members that attended the Annual District Luncheon in Port Angeles on April 3rd reported a very enjoyable luncheon--even the weather-man co-operated to make it

## WARC Meets Tonight

Washington Association for Retarded Children will hold its annual meeting in Forks tonight, April 17th in the All-Purpose room of the Forks Grade School at 7:30 p. m..

The WARC meets once a year in Forks and monthly in Port Angeles.

Miss Hyatt, special education teacher at Forks, and Mr. Edens, special education teacher at Neah Bay will be the speakers.

All interested persons are invited to attend.

Freedom Foundation Award for best radio editorial for 1968. Written by Mr. Bob Roberts, KVI, Seattle. "I'VE HAD IT!"

There's something that needs to be said about this country. And since no one seems to have the gumption to say it, I guess it's up to me.

I have had it up to here with persons who are trying deliberately to tear my country apart. And it's way past time to throw at me that tired old wheeze about being a Flag-waver. You're damned right I'm a Flag-waver, and I got the right to be one the hard way.

I have had it with pubescent punks, wallowing in self-pity, who make a display of deploring their birth into a world which ---to use their sissy expression---they didn't make.

Well, I didn't make the world I was in either. And neither did the men I know who are worthy of respect. They just went about and made something out of it.

The men I grew up with were fetched up in a logging camp. They were the immigrant sons of every east-off race there is. And they didn't have a hell of a lot of knowledge at home to start them off, either.

But I can write you a song about the son of a Po Valley coal miner who became a nationally-renowned physicist; about doctors, lawyers, teachers, forestry specialists, conservation experts, and men of the cloth---in the Seattle-Tacoma area ---who came out of that logging camp. And about the son of a Danish mechanic who is one of the best friends I've got.

So don't give me your whining, whimpering, self-pitying clap-trap about how this country is letting you down.

I have had it with hippies, brainless intellectuals, writers who can't write, painters who can't paint, teachers who can't teach, administrators who can't administrate, entertainers who fancy themselves sociologists, and Negroes who castigate as "Uncle Toms" the very men who have done the most to demonstrate to all of us the most important quality in America

..... Individual enterprise and responsibility. .... Dr. George Washington Carver, Archie Moore, Bert Williams, Booker T. Washington, Roy Wilkins, Justice Thurgood Marshall, Duke Ellington, Count Basie, Nat Cole, the Mills Brothers, and their father. ... and many more.

I've had it with those cerebral giants who think it's smart to invite drug advocates to lecture in their classrooms, and with teaching curiosities like that one in the Mercer Island School District who invited a Black Power spokesman to dispense a lecture on flag-burning.

I've had it with people who are setting about deliberately to rip up mankind's noblest experiment in decency.

And I'm going to tell you something. If you think you're going to tear down my country's Flag and destroy the institutions my friends and members of my family have fought and died for, you're going to have to climb over me first.

And, buddy, you'd better get up awful early in the morning.
