

Sports Wanderings

The steethead has been officially designated as the "State Fish" by act of the 1969 legislature.

The name Babe Ruth will not be used in connection with the Forks Lions baseball team and the Port Angeles teams. The Babe Ruth organization notified the Port Angeles group that it cannot use the name because the league does not conform with all the rules of Babe Ruth.

The program name has been changed to Olympic Youth Baseball.

Youth Baseball action continues for the Forks Lions with action Saturday against Coward in Port Angeles. Game time is 6:30 p.m. at Civic Field.

The Forks Lions will be attempting to get on the winning track again. After a 2-1 opening with over K of C, the Lions dropped games to Sequim 10-1 and P.A. Elks, 5-0.

Sports programs scheduled for the 4-day July Celebration are the invader, July 24, with action provided by boxers from Port Angeles, Port Townsend, Clallam Bay and Clearwater Home Camp.

July 25th sports action will be provided with an Olympic Youth baseball game between the Forks Lions and P.A. Fibershead, 1:00 p.m., at the City Park. At 3 p.m. the motorcycle scrambles get underway at the park.

Sunday the demolition derby will provide the thrill with action scheduled to begin at 2 o'clock.

The Pat Boone Celebrity Classic will be played at Ocean Shores June 20, 21 and 22.

Headlining the list of stars will be "Broadway" Joe Namath, Milton Berle, Joey Bishop and Phil Harris.

NIGHT OUT-For this cougar hunt it was a night in the bush for Dick Moody and John Simons.

Long Hunt Successful

John Simons and Dick Moody had to spend the night out during the latest cougar hunting venture. Unsalted fresh cougar meat cooked over the open fire is not the most tasty food supply but does provide needed nourishment at the end of an exhausting hunt.

The cat was spotted at 11 o'clock in the Bogachiel area by Roy Robinson. Simons and Moody pat the dogs on the track at 3 p.m. and didn't get to the cat until shortly

after 10 p.m. Realizing they were considerable distance from any road and the woods difficult to travel in darkness, the two decided to spend the night.

They came out on Highway 101 at 9 the next morning with the pet of a 90 pound female cat and no dogs. The dogs had taken off on another track and were found back at Simons jeep later that morning.

New Water Tank Testing Begins

The Town's new 750,000 gallon storage tank was filled with water earlier this week to test the seams for leakage as the long awaited completion date of the project nears.

Last Friday workmen tested the tank floor section for leakage, using a vacuum machine. A soap solution is applied to the seam and the machine checks the seam. The slightest pin hole will cause bubbles to show.

The interior of the tank will be treated with a plastic coating and the exterior will be painted. Upon completion of this phase, the tank will be filled again and a sterilizing solution is added to the water.

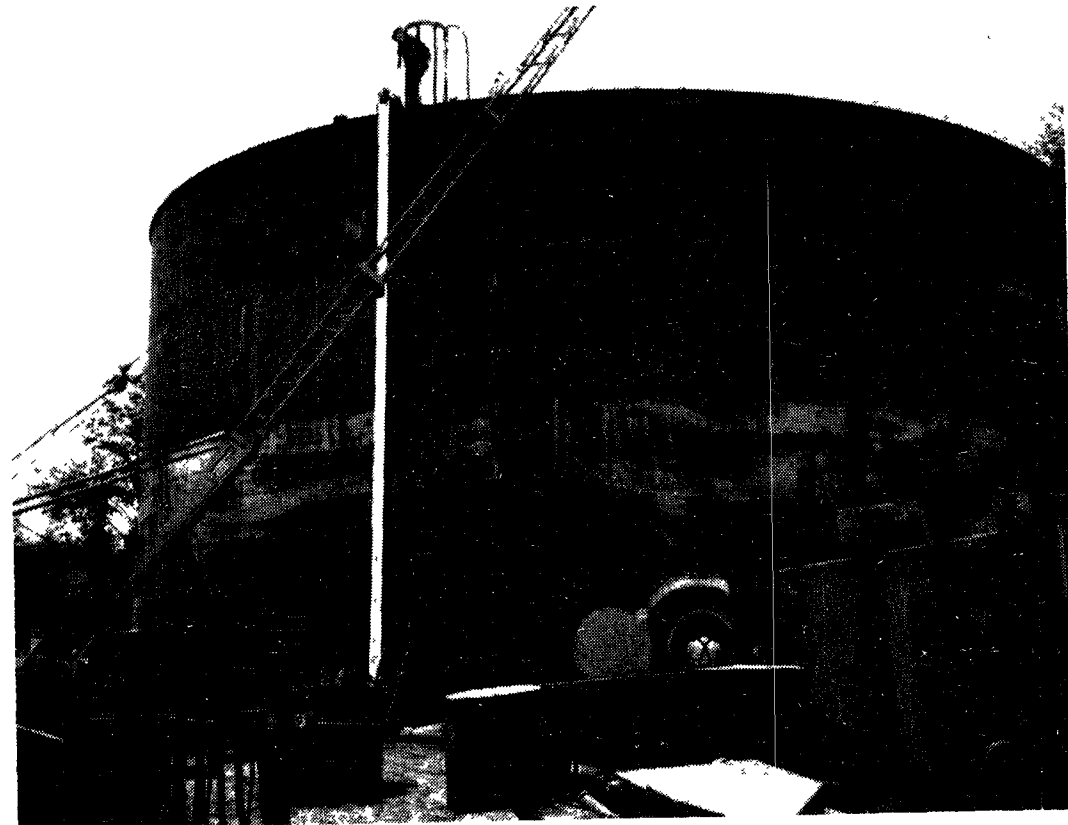

The tank will be emptied of the solution and ready to be filled for use.

Usage of water from the new tank should occur approximately July 15th according to a report from Frank Lyda, water superintendent.

Lois Ninken is the project inspector for Hill, Engman & Chase, project engineering firm.

General American Transportation Corporation of Provo, Utah, is the tank construction firm.

The 750,000 gallon storage tank will be able to provide the community approximately 48 hours of reserve water, under average conditions, if

NEW WATER TANK-Finishing touches are made to tank before first test filling earlier in the week.

something should happen to the well system.

The storage tanks are on an automatic fill basis from the Town's well system. A valve automatically opens allowing a flow of water to the reserve

tanks when customer usage is below normal. The valve will not open when the tanks are full.

The completion of this project marks a major improvement in the Forks water system.

Charles Anderson Installed As Lions President

Charles Anderson was installed as president of the Forks Lions Club for the 1969-70 year at the club's installation banquet held Saturday at the

Sportsmans Club. Warren Paul, a past president of the Forks Lions Club and members of the board of directors, was the installing

officer. Other officers installed were: Dean Hum; first vice president, Robert Swerlin; second vice president, Pat Tierney;

third vice president, Ralph Hill; secretary, Franklyn Horton; treasurer, Bruce Elliott; Lion tamer, Don Hutt; tail twister, R.L. Baker; director and Frank Olson, director.

NEW OFFICERS-Forks Lions Club for the 1969-70 year, Frank Olson, director, Franklyn Horton, treasurer, Don Hutt, tail twister, Pat Tierney, 3rd vice president, Bob Swerlin, 2nd vice president, Dean Hum, 1st vice president, Charles Anderson, president and Bruce Elliott, Lion tamer. Not pictured: Wiley Duncan, past president, R.L. Baker, director and Ralph Hill, secretary.

Plans Complete For Forks 4th Program

Final preparations are underway for the 1969 version of the Old Fashioned 4th of July Celebration in Forks.

The committee chairman have completed their event preparations and everything is go, according to Gordon Oton, general chairman.

The queen candidates began the button sales drive last Friday under the direction of Mrs. Edwin Duncan. The button sales finance most of the activities of the celebration.

The queen candidates are: Miss Donna Birdwell, Miss Toni Swan, Miss Elin Johnson and Miss Pamela Murray.

The 4-day celebration begins with the traditional smoker scheduled for 8 p.m. July 2nd in the high school gym. Frank Goss is chairman of the event.

July 4th, the grand parade, kid's races, logging show, dances and fireworks dot the scene.

Ron James is the parade chairman. Charles Anderson heads the logging show and the Forks Lions Club conducts the kid's racing program. Bob Rosmond and Erwin "Tiny" Aanderud handle the fireworks display.

Saturday, July 5th, a truck driving contest gets underway at noon, under the direction of Del Gott followed by a Olympic Youth League baseball game at 1 o'clock between Forks and Port Angeles Fiberboard.

The motorcycle scrambles will be held at 3 p.m. under the chairmanship of Don Outch.

The celebration closes with the demolition derby and 1969 Ford pickup drawing on Sunday.

Aanderud is the demolition derby chairman again this year. Boyd Rupp and Franklyn Horton are directing the pickup drawing.

Kate Campbell and Pat Tierney with assistance of the Forks Community Council, will construct the Queen's float.

Entry blanks for the grand parade are available at various Forks business firms. Clubs, organizations, businesses and groups planning to enter the parade are urged to complete an entry form.

Motorcycle Story Page 5

Anti-Jackson

Editor,
The news this morning told of a movement against Senator Henry Jackson by a group of Democrats.

Ever since the debate about the ABM system started the Far Left of the Democrats and the liberal Republicans have been against the ABM. They do not give sensible reasons for this. They say that \$7 billion is too much to waste, when we are throwing away billions on presently unworkable schemes; they say we can't make ABM work when we furnished most of the know-how for Russia's ABM that does work; they say that it would escalate the nuclear arms race when Russia has already done this with her mighty, offensive SS9 weapons.

So why jump on Senator Jackson? When one Senator has what it takes to stand out for what he believes is necessary for the protection of the free world, even when it isn't to his political advantage to do so, we Republicans and Democrats alike should rejoice. While the President is so busy trying to get on the good side of both leftists and rightists we can be thankful that he threw us this crumb of hope, the prospect of an ABM system, a step toward a strong America, while he "takes care" of the problem of Vietnam. We are tired of politicians who use every trouble we have to get their pretty pictures on television in a pitch for the 1972 Presidential election, while the President is probably throwing away his chances of re-election by breaking prom-

ises and fearing to take a real stand anywhere. The hay they tried to make out of HUNGER! The President tried to out-McGovern Sen. George McGovern by covering his \$1.8 billion for a free food stamp program with \$2.5 billion a year and a new government agency.

Both sides know that the real solution is to stop useless spending in order to bring back a sound economy which will allow people to take care of their own needs.

WINIFRED BUNKER

Gangs!

Editor,
Come one come all to the City Hall-June 23, 8 p.m. Topic of discussion: Permission has been granted by our local Park Board and the fathers of our city, for the use of the ground which was so generously donated by Mr. and Mrs. N.P. Anderson, to a motorcycle gang, consisting of 250 motorcycle riders or more.

We don't feel our park was constructed for this purpose and the park certainly does not have the facilities to accommodate this many riders.

Do we, the people of Forks, need this organized or unorganized motorcycle group in our town?

We would like your opinion at the city council meeting. Lets keep Forks the way it is!

Mrs. Joe D. Polk
Mrs. J.R. Gunnell
Mrs. Del Gott

Right Of Free Choice

Punitive action against a legitimate business enterprise, whether it be in the legislative arena or elsewhere, is inimical to the public interest. Many years ago, those leading exponents of modern, mass retail distribution--the chain stores--suffered a wave of punitive antichain store tax legislation. Eventually, this movement died of its own irrationality, and the chain store method of doing business on a high-volume, low-markup basis revolutionized the mass distribution system and made it a partner of mass production.

Today, we see a different type of action against mass merchandising--efforts of labor organizations to force removal of table grapes from supermarket shelves. Again, as in the instance of punitive taxation, freedom of choice of the consumer is the target. And again, the chains are fighting to preserve free choice in the marketplace. A strong statement issued by the National Association of Food Chains places that organization on record as strongly supporting the right of the consumer to be the ultimate judge of the products which will or will not be consumed. Boycotts...deprive the consumer of this right.

Restrictive efforts are successful in forcing the removal of table grapes from store shelves, a precedent has been set that can be applied to any of the 8,000 items on supermarket shelves and beyond that can be extended to other forms of merchandising that distribute everything from clothes to nuts and bolts. Those who talk about consumer protection might begin by protecting the right of free choice.

THE DRAG

DON'T FENCE ME IN!

American industry is concerned about mandatory controls on investment abroad. The controls are part of a package which was designed to reduce the overseas outflow of U.S. capital during the international monetary crisis associated with the devaluation of the British pound and the run on gold.

Rep. Tunney (D-Calif.) has pointed out sound reasons for the elimination of these controls:

"Foreign investment has consistently been a 'plus' in our balance-of-payments picture, returning more capital than it has drained off. Between 1950 and 1966, U.S. private foreign investment totaled \$39 billion. These investments returned \$58 billion to the United States during the same period.

"The controls run counter to the historic interest of the United States in progressively reducing the barriers to worldwide commerce, trade and investment.

"The controls were imposed without any direct authorization, or supervision, by Congress."

Such controls are contrary to the principles of our free economy and are a step backward from the movement toward greater freedom in international transactions. They are damaging to our economy in both the short and long run. They are useless as a remedy for the balance-of-payments difficulties of the U.S. and if long continued will cause them to become much worse. A schedule of dates should be promptly announced for the termination of these controls.

Sunset Highlites

By Fred Jarvis

Strawberry shortcake time. Had some tonight while setting here watching the cavalry head the Indians off at the pass. Funny. I've seen the same soldiers and the same redskins at the same pass so many times. I know them all by their first names.

Margaret Windle led all bowlers in last weeks Tuesday Morning Womens Doubles with a 202 HI 10 and a 444 HI 40. Jerry Beebe had a 180-635. Margaret and Judy Klahn teamed up for a 1642 series.

George Richardson and Art Ritch were the big guns in the Ma and Pa League. George tossed a nifty 250 and a 794 while Art carved out a 229-803. Leta Rondeau rolled a 190 HI 10 for the women and Ma Jarvis a 670 HI 40.

George and Bernice combined their talents????? for a 1612 team series. Not bad, not bad.

Jean Streeter finally hit the Jackpot at Saturday Nite Monte Carlo. The law of averages finally caught up, eh, Jean? Duke made it a family nite by picking off the free games.

Bowled in the Seattle Pro-Am Sunday, boy, was I ever ho! Temperature wise, not the bowling. Felt like we were inside a furnace. It was so warm.

Bowled with Vern Downing, Keith Wiltse, and Carmen Salvino. Boy, what a clown he is! Darned nice bunch of guys.

Sure wish it had been cooler, as I think the scores would have been better. Downing hit 189, Wiltse 192, and Salvino a 197. Been nice if they had rolled as good as Billy Hardwick did in Japan. He hit 2165 for eight games. Thats a 270 average! Pretty fair country bowling.

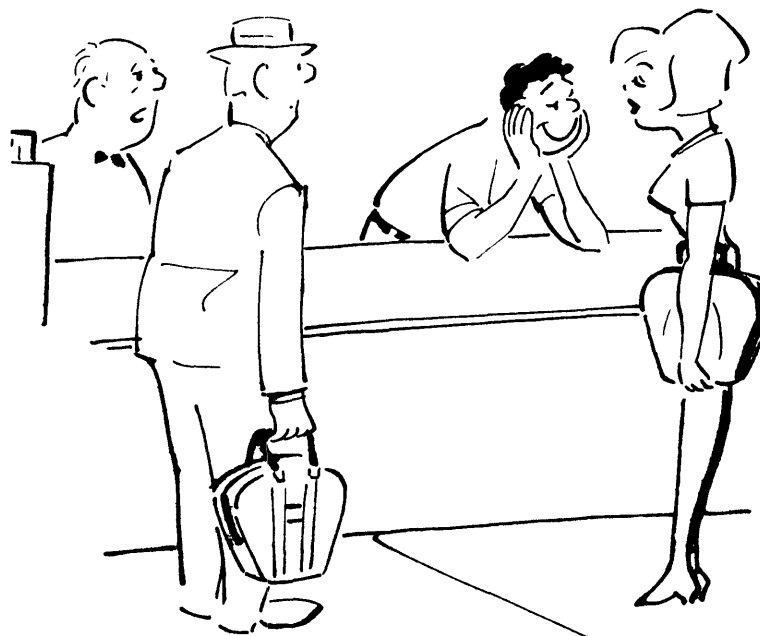

One game a year like that is about par for our lanes, but we sure hope we can improve on that.

Duke Streeter was just about as ho: as the weather Monday nite in the Jr. Sr. League as he rapped out a 237 game and a 619 series.

Ruth Hutron had a 186 and Leta Rondeau a 480 for the gals. Steve Warren paced the boys single game with a 177, Rocky Cofelt a 173, and Mark Henry took series honors with a 497.

Theresa Decker had HI 10 for the girls with 115 and Em Haynes a 316 for HI 30.

Til next week, good bowling.

"My son and I are carrying on and working the business together. I do the work and he does the carrying on."

LEAGUE LEADERS--Members of Forks #1 - Front row--Randy Crossgrove, Bruce Kreider, Wayne Davis, David Lindeman and Sam Windle. Row 2--Mitch Lamb, Brad Mast, Steve Burge, Jim Blair, Don Whitehead and Lee Olson. Not pictured--Lane Richards and Jim Sanford. Coaches George Olsen and Leon Golden.

Forks Falls To Elks 5-0

Forks suffered a shakey first inning before settling down to play steady ball in a 5-0 loss to the P. A. Elks in Olympic Youth baseball action in Port Angeles Saturday.

The Elks scored 4 runs in the bottom of the first on two hits and four Forks errors.

Forks threatened in the top of the second. Chuck Rondeau walked and Bernie Nash ripped

a single into right field. On the play, Rondeau was called out for interfering with the second baseman on the play. Nash later stole second, but Robbie Jackson flied to the second baseman and Ray Maxwell took a third strike. Forks had five baserunners in the third and failed to score. Jeff Blair, Bill Klahn and John Jacobson walked and Chup

Pruferf and Mark Soderlind had base hits.

Jeff Blair rapped a double to left in the fifth inning.

Ray Maxwell opened the top of the seventh with a single to left and Darrel Peterson followed with a single off the glove of third baseman Randy Booze. That finished Jeff Crumb on the mound and Duane Monds came on to pitch for the Elks.

Monds got Soderlind to pop out to the catcher and fanned Blair and Klahn to seal the shutout.

Box Score R H E
Forks 0 5 6
Elks 5 7 2

Maxwell, Prueferf 4th and Nash, Soderlind in the 3rd. Crumb, Monds 7th and Seelye.

Forks #1 cushioned it's hold on first place in West End Little League baseball with an 11-2 win over Forks #3 Tuesday.

They jumped on Forks #3 pitcher Randy Fraker for 7 unanswered runs in the first inning, added 3 in the second and 1 in the fourth.

Forks #3 scored its two runs in the final frame after two were out.

Jim Blair recorded 14 strikeouts and yielded only one hit, that to Harold Bechtold, in recording the victory.

OUR FABULOUS FORESTS

80% OF AMERICA'S HOMES ARE WOOD!

PRIVATE TREE FARMS IN WESTERN OREGON AND WASHINGTON GROW ENOUGH LUMBER YEARLY TO FILL A TRAIN 1,373 MILES LONG!

THE GOVERNMENT'S GOAL: 26 MILLION NEW HOMES BY 1978! WESTERN OREGON & WESTERN WASHINGTON WILL SUPPLY OVER 1/3 OF THE WOOD.

OVER HALF OF AMERICA'S WOOD IS ON GOVERNMENT LANDS.

GOOD FORESTRY WILL HAVE TO BE PRACTICED ON MILLIONS OF ACRES OF GOVERNMENT LANDS TO GIVE US A PROPER BALANCE: WOOD, WATER, WILDLIFE AND RECREATION!

Fire Danger High

A high pressure system over the Northwest continues to push the temperature upward in the 80's and 90's and increases forest fire danger in the area.

The outlook was for a continuation of the present conditions. Humidity in the Forks and surrounding areas dipped into the high 20's according to reports of the Department of Natural Resources in Forks and the U. S. Forest Service.

Shutdowns will be ordered on State and Olympic National Forest Lands if the trend con-

tinues. Many of the logging operators have been operating on a volunteer hoot owl basis this week.

Operators on Olympic Forest Lands automatically shut down when the humidity drops to 30 or below. Several operations have shut down earlier this week.

People are reminded to be extremely careful in forested areas with the fire danger high. Temperatures in the 80's and 90's and increasing winds could bring about a complete shutdown.

Demolition Rules 1969

- All cars are to be stock production model American made.
- All cars are equipped with single release shoulder harness and seat belt.
- All glass removed or rolled down into body panels.
- No reinforcing of bumpers, grille or fenders.
- All cars equipped with standard cooling system, fan and radiator.
- Doors must be roped or strapped shut; no wire or welding.
- All cars are limited to 5 gallons of gas.
- All cars must pass safety committee inspection.
- All gas tanks to be removed and 5 gallon can secured inside of car.
- All contestants are to be 18 years of age or over.
- Drivers must wear approved AMA Group 1 Helmet or better.
- All cars must have numbers, in plain print 12 inches high or larger on doors, roof, hood and trunk lid.
- All cars shall display a pull-down flag.
- No loose objects in cars.
- Oil bath air cleaners must be emptied of oil.
- All batteries must be strapped down. Batteries can be mounted floor of car no dual lashups.
- No locked rear ends.
- All trailer hitches to be cut off cars including braces to frames.
- Hood and trunk must be strapped down.
- Decisions of the Referee and Judges will be final.
- All handtops must have a roll bar on the drivers side.

RACE RULES

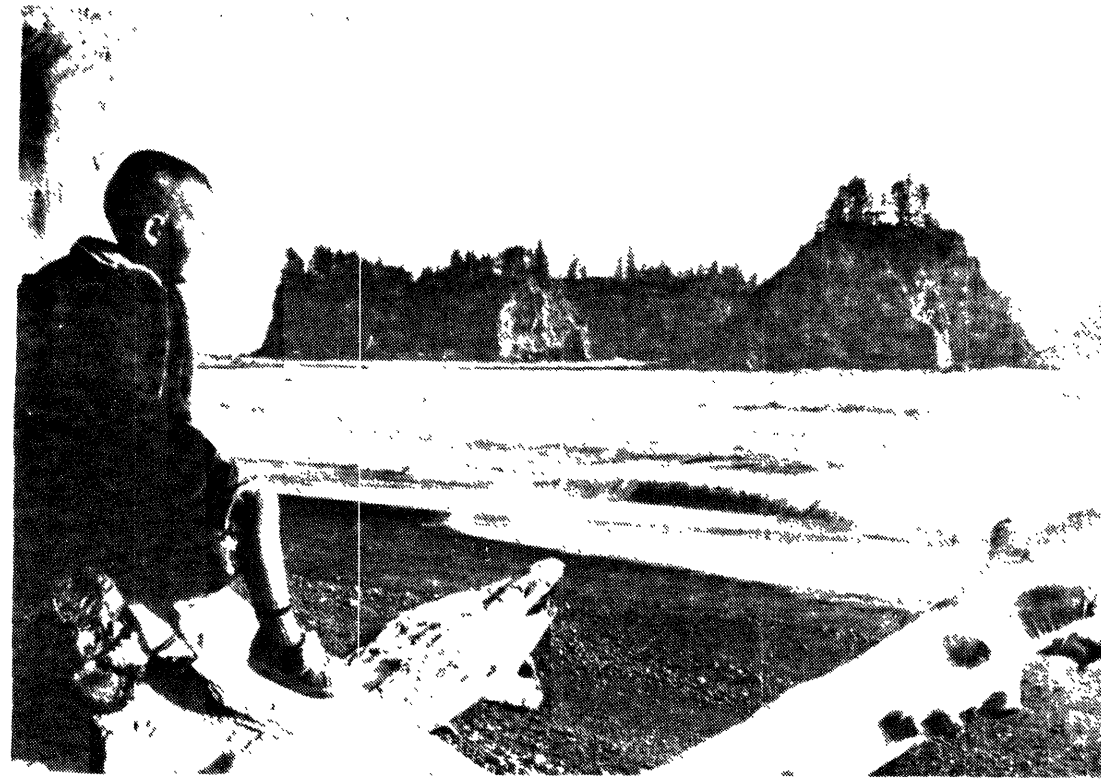

- No liquor in the pits before, after or during the event. Any driver found drinking will be automatically disqualified with his car and pitman.
- Cars will enter the area and circle in a clockwise manner until flag is dropped and the siren is sounded signaling the start of race.
- Hitting a car on the driver's door results in an automatic disqualification.
- After a car has not moved, or been dead for two minutes, the flag must be lowered.
- Cars having their flags down must not be hit by other cars.
- Drivers must remain in their cars until end of event.
- No one can work on cars until after 3rd heat.
- Only driver and pitman and sponsor can be in pits.
- Powder Puff Race will have the same rules.

PRIZES	FIRST	SECOND
1st Heat	\$40.00 and Trophy	\$20.00 and Trophy
2nd Heat	\$40.00 and Trophy	\$20.00 and Trophy
3rd Heat	\$40.00 and Trophy	\$20.00 and Trophy

Pit signs will be at least 2 feet by 2 feet with 12 inch high numbers. Get your pit number and sign up with Art Anderson, West End Wrecking.

ADMISSION..... Adults \$1.50; Children 12 to 16, 75¢; under 12 free.

A DAY AT RIALTO-I come here to rest my mind and let it wander. Everyday problems are washed away with the outgoing tide. The broken mirror and the pop split on grandmother's carpet are forgotten as I am hypnotized by the pounding surf. White waves turn gold as the sun sinks low ending another day on Rialto Beach. By Lonnie Archibald

SAFETY EXPERTS URGE PERIODIC DRIVING TESTS

Because years ago you could get a license without even taking a driving test, many an older driver today can say: "I never passed a driving test, but I've had a driver's license for more than 40 years."

Such a driver may be among the safest who ever set foot in a car.

Or perhaps the deadliest. Nobody knows.

What's worse, nobody may ever know until it's too late.

Because there are still many states where some people may never have to prove they can drive. Or at best only once. Even if that once was 20, 30, 40 or even 50 years ago. Even if the car they took the test in was a 45-horsepower job. And even if the speed limit then was 45 miles per hour.

But now there are 400-horsepower cars racing about at speed limits up to 70.

On top of all that, people change too. And not always for

the better. This is one reason why many safety-minded organizations, notably The Continental Insurance Companies, urge us to write our legislators so we can be sure of having driving tests which really test, given often enough to weed out drivers who are better off not driving. In any age group, not every one should drive.

Brown Reports On Summer Camp To UGN

Henry Brown, Supervisor for Camp David Junior this year, met with the United Good Neighbors Admissions and Distribution Committee and reported on plans for the camp this summer.

He stressed that the public should be informed that any child in Clallam County who would like to attend a week at Camp David should phone him at 457-8267. There are sponsors for those who cannot pay their own fee and applications should go through him. Approximately 40 boys and girls from this area attend each year through the Beaver Swim School.

Camp David Junior provides one of the least expensive camps in the state and the facilities far surpass many. We are most fortunate to have such an excellent camp in our own county. These camp fees are kept at a minimum through the support of the County Park Board and your contributions to the United Good Neighbors. Their funds are used to maintain the camp and pay the operating expenses. Camp fees collected from the individuals pay for the food, the water safety supervisor, counselors etc.

The American Red Cross furnishes the water equipment such as canoes, paddle boards, etc.

Those registered at the present time are the Camp Fire Girls, Presbyterian Youth Group, Retarded children, Wrestlers group, Y.M.C.A., and the Beaver Swim School. Any girl may register to go with the Camp Fire Girls who will have the camp for four weeks. She need not be a Camp Fire Girl. Boys and girls may register with the Y.M.C.A. and need not be members.

Hospital Guild Completes Projects

Ten members and one guest met for a potluck luncheon at Mrs. Willard Perry's home for the June meeting of the Hospital Guild.

A check for the proceeds of the Breakfast was turned over to the Hospital to help pay for a Byrd Therapy Unit. During the past month four gowns that members had made for women patients were presented to the Hospital.

Mrs. Philip Jaspers will be the Hospital representative to the Guild for the coming year.

The next meeting will be held on September 12th at Mrs. Clarence Alexander's home.

Area Accidents Reported

The Washington State Patrol checked several non-injury accidents in the area recently.

Saturday, June 14, a 1965 International log truck, owned by D.J. Caulkins and operated by Kenneth L. Rollins, age 23, Forks, and a 1968 Chevrolet pickup, driven by Bradley R. Strouf, age 16, Star Route 1 Forks, collided on the Oil City Road.

The log truck was entering the Oil City Road from the Goodman Mainline and the Strouf vehicle was southbound on the Oil City Road when the two collided.

Damage to the left side of the log truck was listed at \$250 and the '68 Chevrolet pickup was totaled.

A one vehicle accident occurred Wednesday approximately 3.4 miles south of Kalaloch on Highway 101. A 1969 Ford pickup operated by James L. Sutton, 35, Hoquiam was southbound on 101 and failed to negotiate a curve.

The vehicle suffered approximately \$1700 damage. The driver escaped injury.

Two vehicles collided in an accident June 3rd approximately 11.3 miles south of Forks on Highway 101 as one vehicle attempted a left turn onto a logging road, a second vehicle attempted to pass.

Driver of the 1965 Dodge van attempting the left turn

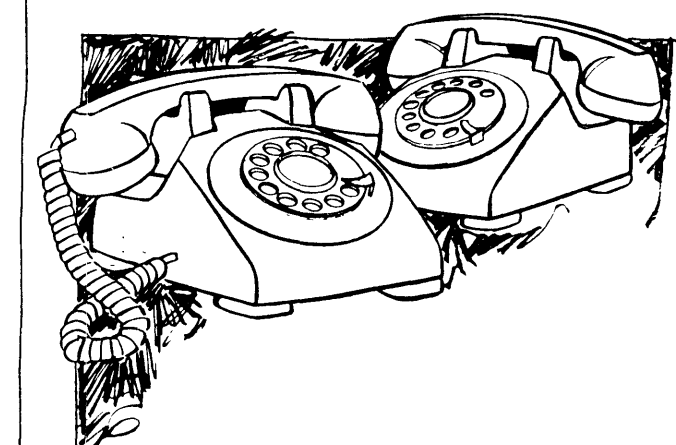

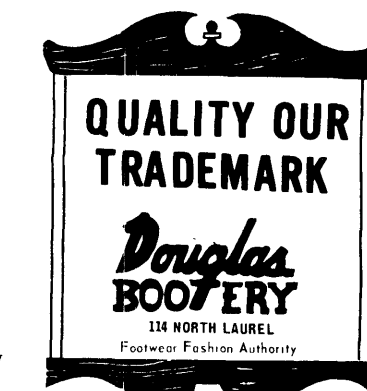

New Drivers License Restrictions

After July 1, no driver licenses will be issued to persons under 18 years old unless they have completed an approved driver education course, the Department of Motor Vehicles reminds teenagers.

The law making driver education a prerequisite for 16- and 17-year-old driver license applicants was passed in 1967. However, a two-year grace period was provided to allow the training of additional driver education teachers and the establishment of additional courses.

Since September, 1967, school officials have issued waivers to youngsters who were unable to enroll in driver training courses. After July 1, no more waivers will be issued.

Louis Bruno, State Superintendent of Public Instruction, reports that traffic safety education classes are now available to all accredited high schools in the state. Many private and commercial schools also offer approved programs. About 60,000 students took traffic safety education courses in this state during the past school year.

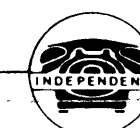

When 1 + 1 adds up to more than 2

The Independent Telephone Industry that we are part of continues to be one of America's fastest growing industries. By 1970 there will be 20,000,000 independent telephones in operation serving more than 50% of the area of the U.S. This kind of progress makes it possible for you to have telephone service and equipment the equal of any available anywhere.

WANTED

DRY CASCARA
20¢ lb.

Fred's Richfield-Beaver

DEAR JANE Short Topics.....

DEAR JANE:

It was your column that printed the letter from the irritated mother about the previews and so I hope you will print my letter in favor of them.

The show is my main source of entertainment over the weekend, and I like to know what show is going to be on the next week. Since I go usually twice a week, I feel I have the right to have my say. I'm sure the person who wrote the other letter goes to the show very seldom and couldn't care less, except for shows that may interest her children.

Now, I can understand why previews to a show like Candy should not be shown at a children's show, but I see no reason previews are not shown when the show is "Suggested for Mature Audiences". Parents who let their children go to those shows probably don't care what kind of previews they see. On the show calendar it clearly states what kind of show it is going to be. Maybe I should take my complaint directly to Mrs. Fletcher, but the letter you printed sure got results.

An irritated, cheated regular patron

Dear Irritated:

The mother's complaint was the preview that was shown at the children's show!

DEAR JANE:

Concerning the "Donnybrook" at the bowling alley--it sounds like fun! Let me know when they have the next one. If we charge admission we can raise enough money to bail these "ladies" kids out of jail, where they will undoubtedly end up with the nice examples they are getting.

If it sounds like I'm laughing at someone, you could be right. But who? Just call me.

A lady?

DEAR JANE:

I saw one of the most disgusting sights last Friday night. I went to a Little League baseball game and saw what adults can do to ruin the works a few fine men are doing with our kids.

These young men give much of their spare time to teaching kids the basics of baseball as well as sportsmanship and other fundamentals of how to get along with others in a competitive sport.

But when parents will stand on the sidelines and tell a boy he didn't make a mistake it was the umpire's fault then they are setting the poorest example I know for kids. They break down the fine work these young men are doing.

I say it would be nice if they could ban parents from Little League games. Also I'd like to give a fine salute to these men who have the thankless job of umpiring these games.

Disgusted

Dear Disgusted:

It is indeed sad when parents are seen behaving like children. At the same time young people are learning constructive adult behavior. Sportsmanship is the name of the game, not who makes a mistake and who does not! No one is perfect and a young man playing ball in front of his friends and family has enough to overcome in the way of composure without mouthy adults on the sidelines. All of the boys have feelings and it is the result of the fine work of the young men who are working with the boys that is important, not the mistakes (if any) made by teams, coach and umpire.

HOSPITAL NOTES:

June Olson was treated at Forks Community Hospital Thursday, for a fractured wrist suffered in a fall at work.

She was held over night and released.

The Forks Volunteer Fire Department answered a fire call Saturday at the Frank Kray residence.

A shed on the back of the property was on fire and quickly extinguished. Minor damage was recorded.

ALLENS HAVE VISITORS

Mr. and Mrs. H.M. "Jack" Quinn and children Robin and Christopher were recent house guests at the home of Mr. and Mrs. Joe Allen of Forks. The Allens are Mr. Quinn's grandparents.

The Quinns drove to Forks from their home at Arlington Heights, Illinois. They stopped at Badlands, S.D., Mt. Rushmore, S.D., Yellowstone and Grand Tetons National Parks and also at Mt. Rainier. Their plans are to visit Glacier National Park on their return trip.

While in Forks, they enjoyed a picnic with the Allens at the Hoh Rain Forest and after a

picnic with the Allens at the Hoh Rain Forest after a morning of successful crabbing at Pysht.

The Quinns departed for home last Friday after a very enjoyable weeks visit.

APPLY TO ENTER COLLEGE

Richard Allan Silcox and David Wozniak, both graduates of Forks High, have applied for admission to Green River Community College in Auburn for the Fall Quarter announced registrar Richard Barclay today.

District Garden Club Installation Held

Installation and luncheon were held June 11th at the Discovery Bay Lodge.

Awards were given out by Mrs. Herman Ahlvers to the various clubs that she accepted for them at the State Convention.

Mrs. Robert Nelson and Mrs. Ahlvers displayed favors they received at the convention. Hood Canal and Sequim Valley as well as the District officers were installed at this meeting. District officers for the District were: District Director-Mrs. D. C. Hope-

Sequim Prairie Club; 1st Assistant Director-Mrs. G. Maring-Nordland Club; 2nd Assistant Director-Mrs. Wm. Cochran-Port Angeles Club; Recording secretary-Mrs. Harvey Klinger-Sequim Prairie Club; Corresponding secretary-Mrs. Ronald Preist-Sequim Valley Club; Treasurer-Mrs. Mattie Backland-Hoods Canal Club; Organizing secretary-Mrs. Peter Jorganson-Gardiner Club; Immediate past director-Mrs. Herman Ahlvers-Port Angeles Club.

Project for the year for the State Building Fund was told about.

Mrs. Ahlvers announced there will be a finance committee meeting in August for our convention to be held here in 1971. There is much work to be done and for each member to bring in ideas for favors.

Mrs. Hope read her names of chairmen for the coming year and made the following announcements: Port Angeles Garden Club is having a flower show June 19th and 20th at the Peninsula College. Hood Canal is having their Rose Luncheon on the 19th of June from 12:00 to 2:00 p.m.

It was nice to know that four of our District members were named to the Washington State Garden Club Board, they were: Mrs. Gerald Hunt, Port Townsend Club; Mrs. Herman Ahlvers, Port Angeles Club; Mrs. Robert Nelson, Port Angeles Club; Mrs. David Hope, Sequim Prairie Club.

(Cancer, June 22-July 22)

The spoon chrysanthemum is the flower of those born under the sign Cancer, moss agate their birthstone, and emotion their main characteristic, according to FTD florists.

Cancerians have a well-developed protective streak, and if female are instinctively drawn to domestic life. Male Cancerians have strong feelings about preserving the family unit and home.

It's not at all surprising that Cancerians beautify their homes throughout the year with colorful flowers.

Cancerians are protective and tenacious, and this is why they must guard against clinging too tightly to others for security.

Almost 70,000 motor vehicles were involved in fatal highway crashes in 1968. Of these, more than 55,200 were private passenger cars, according to The Travelers Insurance Companies annual statistics.

Motorcycle Clubs Campout Scheduled For Forks Park

Hoquiam Ramblers Motorcycle Club Inc. is a sanctioned club of the American Motorcycle Association. This club from Hoquiam, Washington will be holding their annual campout here in Forks, on June 28 and 29, in a city park.

This club was formed in 1966, and it has twenty active members. The Ramblers are a road club, which means that all of their events are held on paved highways, except for the field meets.

In 1967 the Ramblers were picked as one of the top ten clubs in the nation. They have participated as a club in events from British Columbia to California. They sponsor a charity benefit for the Children's Orthopedic Hospital in Seattle during the fall every year.

The event that will be held in Forks is the annual campout and tour. On Saturday there will be a road poker run. This consists of a laid out run on paved roads, at which there are five check points.

At each check point the contestant picks a card from a regular deck of cards. This is entirely dependent upon luck, as the rider that holds the best five card poker hand at the end of the run is the winner.

On Saturday evening there will be a bear barbecue with all of the trimmings. This will be followed by a judging of best dressed motorcycles, both domestic and foreign, as well as best dressed couple, and club, plus a few other judgments.

On Sunday morning there will be a breakfast followed

by the field events. Some of the field events that you might be seeing are as follows:

Slow race—the object is exactly the opposite from the usual race, in that the winner is the last rider to cross the line. The riders try to go as slow as possible. The winner is usually the rider who can balance the longest while standing still, moving forward only when he must regain his balance. If a rider has to put his foot down during the race he is disqualified, or eliminated.

Barrel roll-oil drums are used, and they are rolled over the prescribed distance, using the front wheel of the cycle to propel it and guide it down the lane.

Egg race—each rider places a spoon between his teeth, an

egg is placed in the spoon, and he has to ride a prescribed course. If the egg falls he is disqualified, plus he may have to clean up a bit.

Wiener bite—a hot dog is hung from a string. The rider comes up on his machine and tries to take a bite of the hot dog as he passes. The wiener is liberally covered with mustard which makes it slippery and adds to the fun. He may just come out with a face full of mustard.

Other events that run in field meets which are on the same line, in which the bikes are all run at slow speeds are as follows: Ride the plank, teeter-totter, musical chairs, etc. This tour will be the one that has been selected for the American Motorcycle Association Tour Award for 1969 in the Northwest District.

The age range of the members of the Hoquiam Ramblers is from 23 to 65, except for the children of some of the members. The average age being from 35 to 40 years old. The group consists of professional people as well as laborers, but they all have one common interest and that being motorcycling.

Service News...

Army Sergeant Guadalupe Izaguirre, son of Mr. and Mrs. Raymundo Izaguirre, Combes, Tex., was assigned to the 23rd Supply and Transport Battalion, Americal Division May 26 in Vietnam, as a supply sergeant. His wife, Patricia, lives on Route 1, Forks, Washington.

Army Specialist Five Lyle M. Menear, 19, son of Mr. and Mrs. Lyle Menear, Forks, Wash., received the Bronze Star Medal May 10 in Vietnam.

Spec. 5 Menear earned the award for outstandingly meritorious service as an engineer in Company C, 5th Engineer Battalion, 1st Cavalry Division (Airmobile) in Vietnam. During the same ceremony he received the Air Medal for meritorious service while participating in aerial flight. The specialist entered the Army in December 1957, completed basic training at Ft. Lewis, Wash., and arrived overseas in May 1968. Upon completion of Vietnam tour of duty he was discharged from the Army.

"I used to stand up and say the world was a miserable place. Then I would sit down and do nothing about it."

Let's face it. All is not perfect in this land of ours. America has taken some lumps and quite frankly it hurts. But maybe we should step back and take a long hard look... take inventory of how we are and how we got here. Maybe we should inspect our brighter side as well as some of our ills. And maybe, just maybe, we'll come out thinking this country's good side far overshadows its bad. Then maybe we'll start to do something to make it better. Rather than knocking it, which ends up making it worse.

Now comes the big question. What can you do? You're only one little individual among over 200 million people. How can you help?

For one thing, you might think about investing in your country. Showing your faith in its future.

That's exactly what you do when you sign up to buy U.S. Savings Bonds. You're simply buying a share in America.

You're also socking away some money for yourself.

Money that grows at a guaranteed rate, to pay you back \$4 at maturity for every \$3 you've saved.

Of course, Savings Bonds are not going to cure all our headaches. But they'll help to provide the economic strength we'll need for the job.

And at the same time, they can cure a lot of your financial headaches in the years to come.

Any way you look at it, they make good sense.

And that's just what we need in this country right now.

If there's one solution we disagree, we replace 'em.

Take stock in America
Buy U.S. Savings Bonds & Freedom Shares

Short Comings

Mrs. Carrie Lamb was busy Monday morning working on the flower garden at the Triangle.

An inquisitive crow dropped in to investigate her work and must have approved her work because he didn't linger long.

A little less litter and a little more effort on community clean-up sure wouldn't hurt before the 4th celebration coming up.

Ivan Burr seen driving by the Forum in his new bucking bronco. The county has a new front-end loader for the Forks division as the initial phase of updating the County Road Department's equipment. New trucks are scheduled to arrive soon.

Landscaping work was recently completed by Moody's at the Forks Memorial Library.

Plans and shrubs were purchased with money from the Caroline Hull Memorial Fund. Friends of the Forks Memorial Library have set an example with their clean-up and beautification campaign.

A group of horse lovers met at the Glen King home Saturday night to organize a riding club. Officers were elected as follows: Glen King, president, Marylin Snodgrass, vice president, Barbara King, secretary. A trail ride up the Bogachiel River trail has been planned for Sunday, June 29th at 9 a.m. Everyone is welcome, for more information call 374-5605.

Nine children from St. Annes Catholic Mission made their First Communion on Fathers Day, June 15th. They were: Monica Dugas, Debbie and Steve Moore, Daniel Soderlund, Debbie and Ronald Hjelmesth, Randy McCauley and Tom Zepeda.

This climaxed the week of summer religion classes which was attended by 72 youngsters from Forks, Clallam Bay and Sekiu.

Cape Flattery School Board

Teachers resignations and approval of new teacher contracts were among items of business at the regular Cape Flattery School Board meeting June 6.

Resignations were received and accepted from Shirley Jacobson, Marie Thomas, Margaret Hulse, Jennifer and Jonathan Bryan, and Sylvia Whitley.

Mr. Munro moved to pick up the matter of substitute pay for professional meetings that was tabled last meeting. Mr. Nicholas seconded and carried. After some discussion, Mr. Munro moved to bill the Clallam County unit of WEA for the substitute paid for Mr. Myron Ogden when he went to the WEA meeting in Spokane. Mr. Nicholas seconded and carried.

Mr. Willison read a copy of a letter sent to the Crown Zellerbach Scholarship Foundation written by Ed Claplan-hoa, Makah Tribal Council Chairman, and the answer from the Foundation to the Tribal Council. Mrs. Tulloch noted she felt a letter of apology from the School board should be sent to the CZ Foundation.

A written report was given the board regarding the final results of State Board action on Intermediate District Formation.

Summer work reports were given by the principals. Painting, cleaning, summer yard work, and replacing gutters damaged from the snow were the main items.

It was reported the Clallam Bay Lions Club has purchased a lighted reader board for the Clallam Bay School. The graduating Senior Class contributed \$135.00 for the Bruins name to be put on the board. It will be installed before football season. The school board wishes to thank the Lions Club for their generosity.

Mr. Willison reported all teachers have been hired except for Clallam Bay Home Ec-Girls P.E. and any certificated people that might be hired because of increased Federal Funds that are not available or known at this time.

Mrs. Tulloch, Mr. Munro and Mr. Willison reported on the panels they attended at the WSSDA Regional Meeting in Port Angeles.

The board discussed the possible purchase of 5 sex education films at a cost of about \$200.00. The board decided to have a preview of these films on Tuesday, June 17 at 7:30 p.m. in the Clallam Bay Home Ec room. The public is invited.

Mr. Lucas moved to hire Ruby Jacobson, C.B. 1st grade;

Miriam Dunnigan Black for N.B. Kindergarten; Glenda Gerstmann, N.B. Primary, Raymond Gerstmann, N.B. Bus, Ed., Michael Connerly for C.B. Art-Jr. Hi, and Kathryn and John Urickson for C.B. 5th and 4th respectively.

Mr. Willison reported the replacement bus for the Pysht run has been delivered by Murray Motors.

Mr. Munro moved to approve the use of a bus for the Girl Scouts for a trip to Seattle, with the Scouts paying expenses and the driver. Mr. Nicholas seconded and carried.

Mr. Munro moved to set up a Special Revolving Fund for Title VI expenditures in the amount of \$600.00 as suggested by the State Examiner, so that money can be paid out at time of expenditure instead of waiting for approval at board meetings. This program is for the special summer school at Neah Bay. Ruth Hinkle was appointed Trustee of this account. Mr. Nicholas seconded and motion carried.

Mr. Nicholas moved to approve vouchers #4023 through 4086 and the June Payroll.

Adjournment was at 10:15 p.m. Next regular meeting will be July 14, at 7:30 p.m. in the Neah Bay High School Library.

Commissioner of Public Lands
NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Notice is hereby given that on Tuesday, the 24th day of June, 1969, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Clallam, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

CLALLAM COUNTY
Application No. 32700

Lower Bogachiel located approximately 8 miles by road southwest of Forks. The sale is composed of all timber bounded by sale area boundary tags, property lines and the proposed FR-M-1000 road in Unit No. 1 on part SW 1/4 NW 1/4 of Section 27, part SE 1/4 NE 1/4 of Section 28, all in Township 28 North, Range 14 West, W.M., containing 260 acres, more or less, comprising approximately 9,170,000 bd. ft. of hemlock and white fir, 440,000 bd. ft. of spruce and others and 10,000 bd. ft. of hardwoods, or a total of 9,620,000 bd. ft.

Minimum acceptable bid per thousand bd. ft.: \$34.00 for hemlock and white fir and \$18.50 for spruce and others.

Bidding will be permitted on hemlock and white fir only.

Timber will be sold on a log scale basis, except hardwoods which will be sold on a cash sale basis. Timber must be removed prior to September 30, 1971.

On or before June 24, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$31,985.50 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. The purchaser must, on the day of sale, make an additional payment so that the total amount deposited, exclusive of fees, will equal 10% of the full bid price based on the cruise estimate, plus \$45.00 for hardwoods, plus a \$50.00 deposit on 2 branding hammers and a \$5.00 bill of sale fee. This additional payment may be by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$50,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc. are to be made payable to the Commissioner of Public Lands.

Accessibility: via private and Department of Natural Resources access.

Purchaser must enter into a road use permit with ITT Rayonier Incorporated.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, June 24, 1969, at 10 o'clock a.m.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Said timber on said land will be sold for not less than the appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Notice is hereby given that on Tuesday, the 24th day of June, 1969, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Clallam, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

Application No. 33641

Floor Lamp Salvage located approximately 10 miles by road northwest of Forks. The sale is composed of all timber bounded by logged area on part NW 1/4, NE 1/4 of Section 10, Township 29 North, Range 14 West, W.M., containing 6 acres, more or less, comprising approximately 240,000 bd. ft. of hemlock and white fir and 5,000 bd. ft. of spruce and cedar, or a total of 245,000 bd. ft.

Minimum acceptable bid: \$7,427.50.

Timber will be sold on a cash or installment plan basis. Timber must be removed prior to December 31, 1970.

On or before June 24, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$742.75 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale, the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee, or may, if the purchaser so elects at the time of sale, pay an additional amount, to bring the total amount of the deposit, exclusive of fees, to equal 10% of the full bid price based on the cruise estimate, plus a \$50.00 deposit on 2 branding hammers and a \$5.00 bill of sale fee. This additional payment may be by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$1,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc. are to be made payable to the Commissioner of Public Lands.

Accessibility: via Department of Natural Resources access.

Purchaser must enter into a road use permit with ITT Rayonier Incorporated.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00

Notice is hereby given that on Monday the 30th day of June, 1969, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

LEGAL DESCRIPTION: The sale is composed of all salvage material bounded by sale area boundary tags comprising approximately 32,000 board feet of hemlock, 23,000 board feet of cedar and 3,000 board feet of spruce on part SW 1/4 SE 1/4 of Sec. 31 Twp. 28 N., Rge. 13 W. W.M. Clallam County, Washington.

CASH SALE
Forest products will be sold on a cash basis.

Minimum acceptable bid will be \$1,238.00.

On or before June 30, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$123.80 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc. are to

be made payable to the Commissioner of Public Lands.

BOARD: On the day of sale, the purchaser must also furnish a cash bond of \$300.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

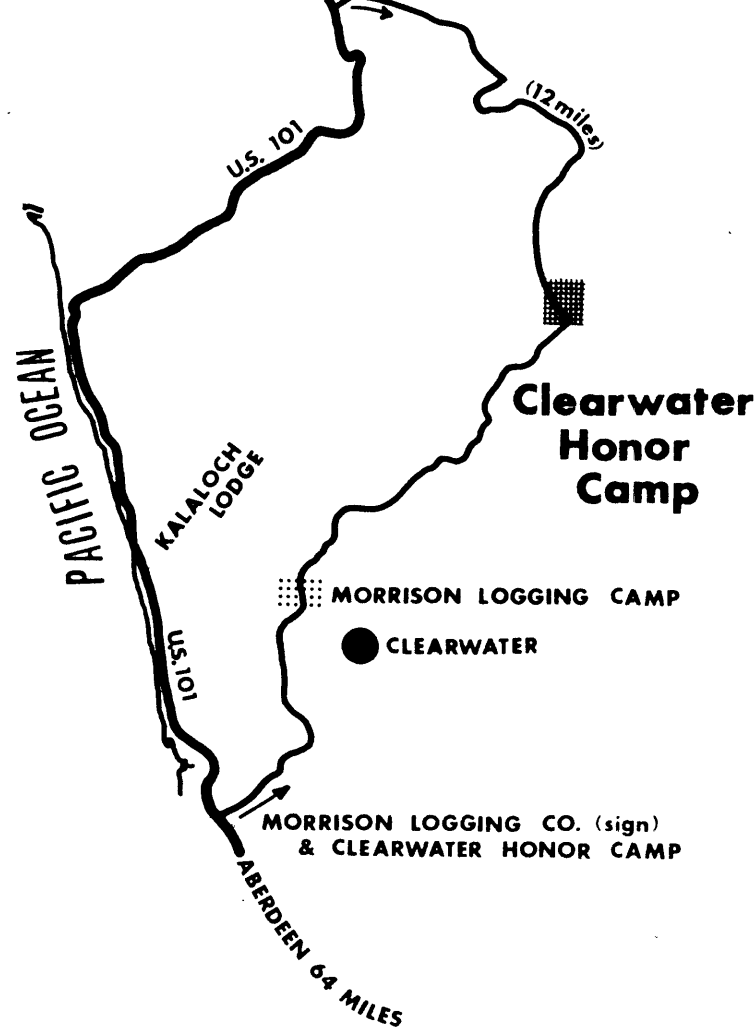

Access Road Revolving Fund: \$30.00 to be paid on day of sale. Forest products must be removed prior to December 31, 1969.

Located approximately 10 miles by road south of Forks.

Accessibility Via Department of Natural Resources Access.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

Meditation

By Art Morlin

The home means everything to Christianity. It is tempting to shove the transmission of religion to the church's shoulders, but the church doesn't have shoulders for it. Christianity is hanging, not on one hour per week at Sunday School, but on what is happening night and day at home. Every home is teaching and distributing some brand of religion. Parents can pretend they will not chain their child to religion, so he can later choose it all by himself, but they are fooling themselves. Such a position is ridiculous, dangerous, like granting "kitchen privileges" to a toddler or letting him play in the medicine cabinet. Religious neutrality is impossible for parents. They cannot keep their point of view to themselves. It shows its hand as they attend to things first, talk about things most. Junior soon masters the family's key words and quickly parrots their party line. What he hears offhand around the house is gospel to him.

A home teaches not so much by what it says and does, but is. Children don't catch symptoms, but the spirit behind them.

Parents can repeat the magic words, go through the motions, but children get out of the drama what is in the heart, the raised eyebrow and the tongue in cheek. They mimic motives, likes and dislikes, more than activities. If a new car and a good game of golf speeds the pulse of the parent and puts a light in his eye while religion is a pill that is taken perfunctorily, it's a dead giveaway.

Christianity cannot be duplicated. It is an affection to be transferred. Jesus did not pass religious legislation but by His personality transmitted a fresh and highly contagious spirit. Of the twelve intimately exposed to Him, eleven caught it. This faith and fire swept across the earth. It was an epidemic of love.

What teaching and training the children get at home will be the decision making tools for his whole life. It will determine the whole of his future life. It would be most wonderful if all our children could catch the Spirit of Jesus in our homes so that they in turn could produce the same in the homes and lives of the future.

SPECULATION

He loves her . . . he loves her not . . . he loves her . . . or does he? If only daisy petals could give the answer!

Then there's that more introspective question: Does she really love him . . . or does she not?

And that ultimate question—still a long way off—but getting closer every day: Can theirs be a happy, lasting marriage?

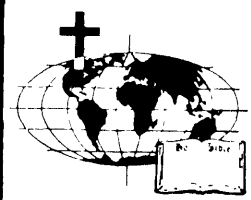

Is romance a colossal gamble—or are there basic elements which are predictable?

Millions of Christian parents are staking their children's future on the latter view. They believe that religious education in the Church and religious atmosphere in the home can foster moral and spiritual maturity. They believe that character as well as love is essential to marriage . . . a home . . . a family.

And they want their sons and daughters to meet others who are being brought up the same way!

Witnesses Hold Conference

World headquarters of Jehovah's Witnesses has extended an invitation to the entire local congregation here in Forks to attend the conference scheduled for July 13 to 20 at Vancouver, British Columbia.

Delegates from this area will join the expected 35,000 who will flock to Vancouver from countries around the globe for religious training and direct communication with others of the faith. Local families will be traveling by many different means to attend this mammoth convention, and no doubt will be including holiday plans for before and after the gathering.

For such a large assembly approximately 7,000 volunteer workers will be needed. To care for the comfort of the visitors, twenty different departments are organized. Among these will be the department to provide rooms, and another to prepare to serve more than 170,000 wholesome meals at the convention site for the convenience of those attending. Many from the Jehovah's Witnesses group here will join the volunteers in Vancouver to make the assembly a success.

It will be interesting to have a report from the families going from this area when they return, because an

international conference maintaining peace, harmony and unity among its varied colors and languages is something unique in this day and age.

Tyee - Beaver - Sappho News

BY MRS. J. E. MERRITT

Mr. and Mrs. Edward Kono-paski returned home Sunday evening after spending the Father's Day weekend with their son Ronald and family. On Friday evening they had the pleasure of attending the Investiture of Doctoral Hood and the Dentists Oath Ceremony for the graduating class in Dentistry at the University of Washington Health Sciences Auditorium. Their son, Ron was a member of the graduating class and has been on the Deans Honor roll all four years.

After the ceremony a reception was held in the Health Sciences foyer. The Kono-paskis enjoyed Father's Day dinner at the Golden Lion in the Olympic Hotel.

Commercial fishermen OK new prices

Silver and chinook salmon fishermen in Washington and Oregon overwhelmingly have approved a new offer from fish processors that calls for a 5 per cent increase over last year's fish prices.

Members of the West Coast Trollers Association approved the new prices by a 6 to 1 margin, the association announced Monday.

The WCTA represents 790 troll boats and about 1,000 fishermen in Oregon and Washington.

Last year, the fishermen began the season at a 40-cent-a-pound rate, but sold their fish at 47 cents a pound by the end of the season. An association spokesman said he expects a similar increase this summer.

FORKS BARBERSHOP

Will Be CLOSED

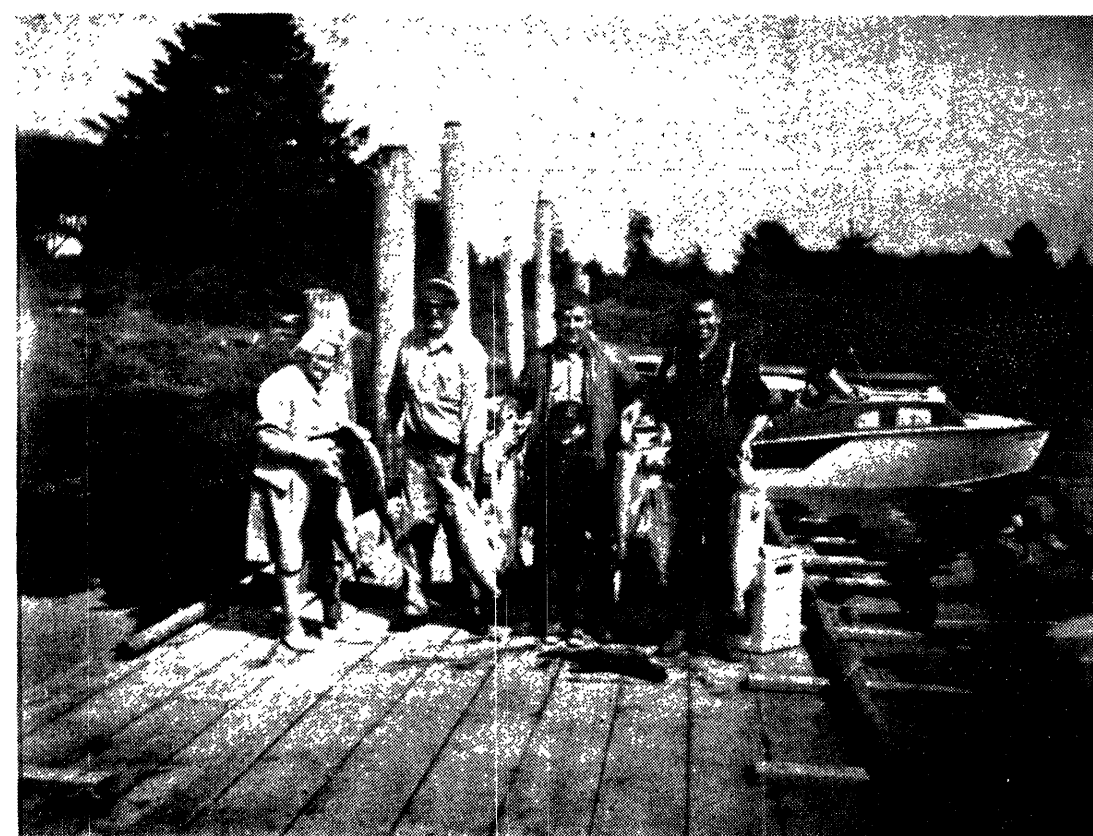

JULY 4&5

QUICK TRIP—For this group the hunt was short. Elmer Blankenship (on right) spotted the cougar late Friday afternoon near the Woody Ranch in Upper Bogachiel. Roger Davis (left) and Jim Davis (center) joined in the hunt with dogs Sport, Buster and Humpy. They bagged the 6' 10" cougar weighing 136 pounds in less than an hour.

Front row—Left to right, Joe Russell, Ron Bagby, Tom Elliott, Brad Parker, Donnie Hunley and Mike Ford. Back row—Ricky Fraker, Rod Swerin, Robbie Fraker, Ronnie Williams, Brad Swerin, and Ham Zepeda. Coaches Frank Smiley and Clayton Russell. Not pictured—Luke Zepeda, Rod and Joe Haberman.

Early Fishing—Phil Langston & family scored on early run of kings while fishing the LaPush area earlier this month. The fishes weighed from 8 - 15 pounds.
