## Man Convicted of Shooting Elk Out of Season; Given One Year in Jail and \$1,000 Fine

## MORGISON TRIAL DATE SET

The Dennis Morgison trial will be held November 12, 13 and 14 in Port Angeles, Clallam County Courthouse, with Superior Court Judge from Yakima presiding.

## Cycle Rider Killed in Crash Near Pysht

James E. Bright, 39, of Port Angeles was killed Saturday, October 18, when the 1966 Honda motorcycle he was driving westbound on 112, left the road and struck a telephone pole. Goldie Mae Evans, 44 of Port Angeles, a passenger on the cycle is reported in critical condition in Olympic Memorial Hospital.

The Washington State Highway Patrol also reported an accident October 17, on Highway 101 in front of the Kalaloch Chevron station, when a car driven by Lawrence M. Schaefer, 62, of Las Vegas, Nevada was struck by a car driven by James K. Lopes, 26, of Washougal, Washington. The Lopes vehicle attempted to make a left turn into the Kalaloch Lodge entrance.

Schaefer was not injured but his wife, Mildred, 53, was admitted to the Forks Hospital for observation and the treatment of a possible injury to her right shoulder. Trooper McCauley and ambulance driver Ray Ellis had to unbolt the door of the Schaefer vehicle to free Mrs. Schaefer. Lopes was not injured.

October 19, 5 miles west of Forks, a car driven by James Winsor of LaPush was traveling west on the LaPush road. Winsor failed to negotiate a curve to the right, crossed the road and hit a tree. There were no injuries reported. The 1963 Chevrolet station wagon was a total loss.

October 18, 2:45 p. m., a pickup driven by Calvin J. Jones, 23, McCord Air Base, left Highway 101 about 1 mile north of Queets. Jones apparently fell asleep and drove off the right shoulder, the pickup then crossed the road to the left and drove up a bank, the truck flipped over, coming to rest on its top on the roadway.

Jones was taken to Forks Hospital and treated for multiple contusions and abrasions, a 4-inch laceration to the head and possible concussion.

the Clearwater area in the last few days. You too couldn't resist shooting that nice 6-point bull, could you? So you shot him, were scared off and left. Why not wait until November 1st and take your game home? Perhaps you better tell all your friends about that bull, you may not get a chance to shoot another this year.

Came Protector James Aggergaard, reported there have been several elk killed since deer season opened. Two are pictured here. A 5-point bull killed in the Goodman Creek area and the 6-point bull killed in the Clearwater area.

Oh! We almost forgot you! Another convicted rate human being who you are, we've apparently hunting in

## Movie Benefits Community Center

The Forks Chapter of Genevieve's is presenting a film entitled "The Vertical Ascent of the Tower" to be shown at the Olympic Theatre, October 25 and 26 with showings at 7:00 and 9:00 p.m.

Admission will be \$1.00 per person. Proceeds will go to the Forks Community Center Fund. Chamber members will sell tickets, tickets and run the concession stand.

The movie was donated by Mrs. Estine Fletcher. Herb Smiley will show the film.

Early on the program director said, "This film has been highly recommended by several who have seen it. It is a factual account of the etymology taken by one of the members of the team. It should prove to be a most interesting film and it is for a worthy cause."

Tickets will be on sale at local businesses and at the door.

The headline could be true you know. It's a fine minimum penalty for shooting elk out of season. And it is very likely the game protector could catch you any day now.

You ask to whom I am a kinsman? It is to the poacher who shot the 6-point bull in the Goodman Creek area and left the animal to rot. You know you couldn't possibly get that animal out of there. Why did you shoot it in the first place? Were you looking for a thrill or were you just unable to control your emotions? If you can't help shooting the elk, why don't you

wait until you do! You are no sportsman, you are not even a good citizen. You say you pay taxes and I am not a good as anybody else. Why you counting license and taxes have just as much right to those elk as anyone else. I suppose you do, but there are others who say you do not. Why do you hunt, and for the same as you do, but there is a difference. We abide by the law. These game laws were drawn up just a month for you as they were for me. We enjoy living in an area where we are plentiful. There are places

## CHILDREN TAKEN INTO CUSTODY

The Forks Marshal office received two complaints of children being left unattended this weekend.

Marshal Sandmire received an anonymous phone call reporting three children were left alone. Upon arriving at the scene, the Marshal found the children, age 11, 10 and 4. Their parents had apparently gone fishing leaving the youngest of children in the care of the 10-year-old. The 10-year-old child has cerebral palsy. The children were taken into custody and placed in a home in the Forks area to await transportation to the juvenile center in Port Angeles.

The parents upon returning home were informed of the children whereabouts. Upon obtaining permission from the authorities, Marshal Sandmire released the children to their parents. The juvenile authorities will investigate further.

The second report came from the Forks Hospital. They received a call from a couple

## Olympic Volkswagen to Hold Grand Opening

Olympic Volkswagen, Port Angeles authorized VW dealership, will celebrate the grand opening of its new building this Friday and Saturday (October 24-25) with an open house.

Mrs. Zellinsky, who is the only woman Volkswagen dealer among the 70 authorized dealerships in the Pacific Northwest and Alaska, called in a woman architectural consultant, Mrs. Florence Casady of Port Angeles.

"We wanted," Mrs. Zellinsky says, "to retain the efficiency of the standard VW design while introducing a personalized warmth to the customer areas."

"I do hope the Volkswagen owners like it and are comfortable in it when they visit us."

The new facility marks the first change of address since Olympic Volkswagen opened for business in December, 1961.

A major consideration in moving to the new location was customer convenience, Mrs. Zellinsky says.

"There simply was no adequate parking at the old downtown location," is the way she puts it. "For either our customers or the dealership."

"But, of course, the prime reason for the new building was simply a case of need. We needed it to extend and improve our services to Volkswagen owners of the area."

Volkswagen's 1970 models will be on display for the open house this weekend, and a new VW diagnostic service--the Autocan electronic engine analyzer--will be one of the features.

With the introduction of the 1970 models, Volkswagen will give service coupons which entitles new car buyers to four free electronic engine checks, spaced every 6,000 miles.

"This means," Mrs. Zellinsky says, "that Volkswagen has taken a big forward step to help VW owners avoid expensive repair bills."

Other features of the weekend open house will be--A new 1970 VW camper, designed and constructed in the Northwest for the sportsmen and outdoor-minded persons; A new Volkswagen, one-half in its original protective shipping cost, the other half in shiny showroom sparkle; A "Talking Bug" accessory car; Dune buggies; A new Campster trailer, especially designed in the Northwest for Volkswagens; Door prizes, including an eight-track stereo tape player and an automobile radio, with free installation; Two hundred scale model Volkswagens, to be given to children brought in by their parents; Plus refreshments for the weekend visitors.

PLASTIC SIGNS AT THE FORUM OFFICE.

**NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00**  
Notice is hereby given that on Monday the 2nd day of November, 1969, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

**LEGAL DESCRIPTION:** The sale is composed of all timber bounded by sale area boundary tags and the FR-F-1000 road comprising approximately 85,000 board feet of hemlock and white fir. Sec. 14 Twp. 28 N., Rge. 13 W., W.M. Challam County, Washington.

**CASH SALE**  
Forest products will be sold on a cash basis. Minimum acceptable bid will be \$1,615.00. On or before November 3, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$161.50 in the form of cash,

money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$3.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

**BOND:** On the day of sale, the purchaser must also furnish a cash bond of \$7,000.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock

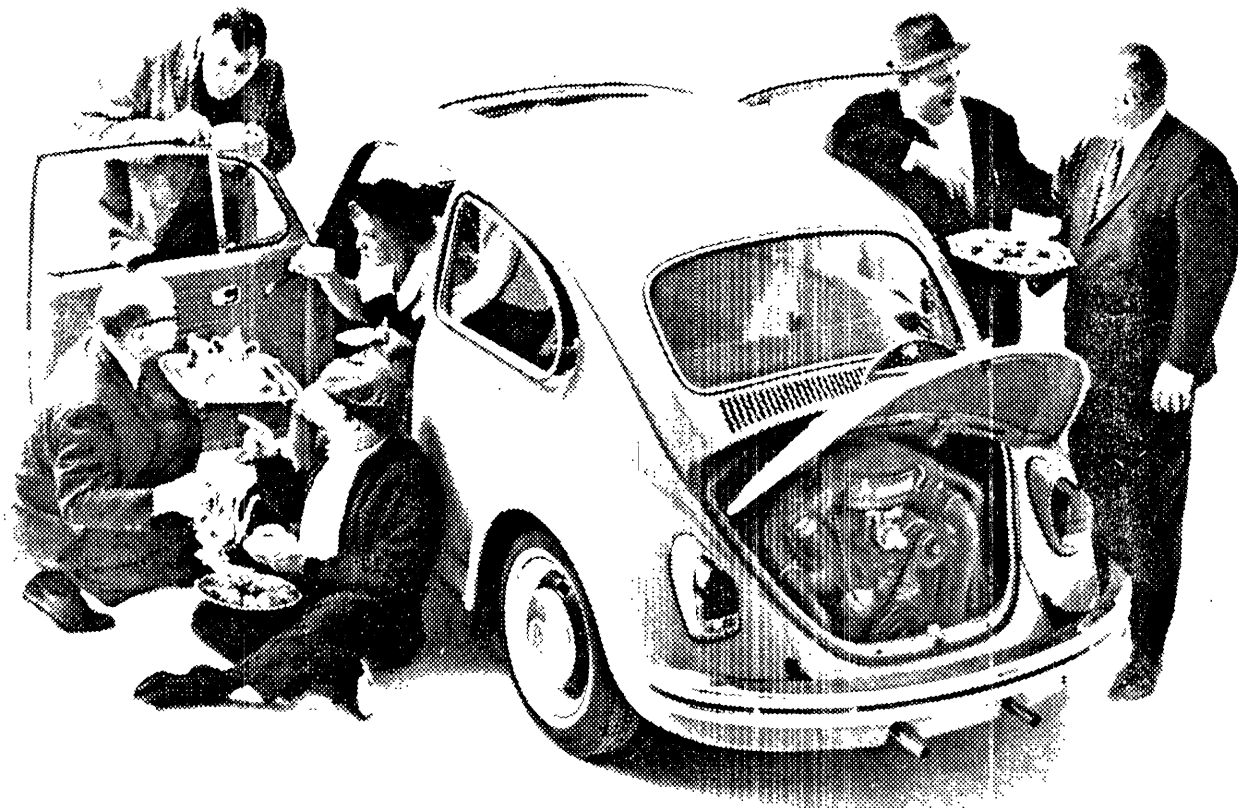

a.m. and four o'clock p.m. The State of Washington does not guarantee its published forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

Forest products must be removed prior to June 30, 1970. Access Road Revolving Fund, \$30.00 to be paid on day of sale. Located approximately 3 miles by road South of Forks.

Accessibility Via Department of Natural Resources Access, JTT Rayonier Inc. Easement, and Standard Lumber Company Easement.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

**BERT L. COLE**  
Commissioner of Public Lands  
Publish Thursday, October 23, 1969 in the Forks Forum.

## GRAND OPENING October 24-25

What an event! An Open House to celebrate the opening of Port Angeles' new VW headquarters and the arrival of the 1970 Volkswagens! You're invited to warm our new home, see the new VW's and enjoy our hospitality, all day Friday and Saturday.

There'll be refreshments, prizes (be sure to register!), special displays, souvenirs, fun for everyone.

Coffee, tea or inspection tour? Come, take your choice!

# Maurice Hull Attends Convention

More than 1,000 representatives of the nation's independent non-bell telephone industry gathered in Washington, D.C., on October 19 through 22 for the 72nd Annual Convention of the United States Independent Telephone Association (USITA). The four-day convention at the Sheraton Park Hotel featured addresses by U.S. Senator Gale W. McGee (D., Wyoming); John Furby, head of Trans-World Airline's Air World Education Program; and William S. Kingman, USITA President.

A panel of top newsmen, Pulitzer Prize winner Haines Johnson, Paul Duke of NBC and Dan Rather of CBS gave a behind-the-scenes-in-Washington report during the convention's final session. Workshop sessions included new communications industry developments in accounting, engineering traffic, commercial plant, personnel, community

## LETTERS TO THE EDITOR

The Quinaltux have been well publicized and applauded for closing their beaches to white people because of vandalism and littering. Those beaches are a part of the reservation since the reservation was set up before 1889, when U.S. owned tidelands, as a condition of Statehood, were given to the State. The Hoh Reservation and probably the Quinaltux were set up after the tidelands had already been transferred to the State, and subjected to any previous transfer or claim, so the late-comer reservations do not include their tidelands. Before the shore and tidelands were given to the State they of course, were U.S. property. The title could have no effect on the Quinaltux Reservation,

antenna television, and government communications.

Maurice R. Hull, President of the Peninsula Telephone and Telegraph Company, Forks, and East Peninsula Telephone Company, Quinaltux, attended the USITA Convention. Mr. Hull is a member of the Board of Directors of USITA. He was accompanied by his wife, Betty.

Peninsula Telephone and Telegraph Company and East Peninsula Telephone Company combined serve over 3,500 telephones in Clallam and Jefferson Counties. They are members of USITA, which represents the 2,000 independent telephone operating companies which operate more than 18,000,000 telephones in more than half the nation's franchisee telephone service areas. These operating companies have a total plant investment of more than \$10 billion and last year had revenues of \$2.2 billion.

for what it was worth, the State by law, and the hood them for public use, made all the West Olympic Beaches a part of the State Highway system. That was before State Parks had even been thought of. Lately the beaches have been made a part of the State Parks system. They are not as many have assumed, a part of the beach corridors of the Olympic Park for by court decree, all then existing public highways (1941) were eliminated from the Federal condemnation suit under which the Quinaltux beach lands were taken, and under the law only lands acquired by gift or purchased from outside the Olympic National Forests might be added to these tidelands of course remained outside the jurisdiction of the Park Service. Incidentally I might state, that the proclamation adding the Quinaltux beach lands to the Park which was signed by President Truman is replete with legal errors and so does not comply with laws. Since the Park Service will not correct this legal document, it will ultimately need to be corrected by court action.

It is too bad when bureaus are allowed to get "sloppy" in the matter of public documents and are not checked by Congress. The copy of the proclamation can be obtained from the Superintendent of Documents, Washington, D.C., for a small fee, by anyone. The State, along with our navigable (1 or less ft streams, obtained standards which are public land and not places distinct from private, or other public holdings. The these lands, for example, along the Hoh, were surveyed by the United States many years ago and consist of tracts of acres, fishermen and oystermen have a hard time showing when they are within rights of what tres-

passing on to private lands. That is because the Hoh is an avulsive process, once known as a "wild river" that often and in many places "jumps" its meandering so that its banks may no longer be State property. A foot-loose fishermen keeps gates open, tramp crops, vandalize and litter, property owners begin to consider it as the Quinaltux did, it is a constant problem for hunters near streams.

LENA FLETCHER

Editor,  
 I see by your issue of the Forum that the position of mayor of the City of Forks would have been a write-in contest, in the coming municipal election. I am not a resident of the city, I am not vote, but having been a resident of the city for 25 years, raising my children here and my grandchildren, I am now and always have been interested in the governing body of the town.

There is a letter from mayor of Forks who is also of the same mind. I can thank him for the beautiful water system we have now and may other cities here in our town. I am thinking of Walter Roberge, one of the best mayors the City of Forks ever had. I would accept if the people of Forks would keep his name on a progressive ballot if they would write Walter Roberge's name on the ballot for mayor.

Tom Good  
 Forks, Washington

Water—Did you mind setting your bill, Sir? We're closing now.  
 "Into Pat's?" "But, hana it all, I haven't been served yet."  
 "Well, in that case, there'll only be the water charge."

## Register Guns Before Leaving U.S.

Hunters who plan to take guns into Canada or to any other foreign country should be aware that, before leaving the United States, they should fill out Form 4457 and display each gun to a Customs officer at the time they leave the United States. To prevent delays at the border, hunters can obtain the form in advance and fill it out before they reach the border. The form allows the registration of three guns.

Ammunition for these guns must also be registered on leaving and re-entering the United States. The number of rounds brought into the United States for each gun may not exceed the number listed by the hunter when he left the United States.

The Form 4457 is available from any U.S. Customs Office. There is no charge for the form or the registration.

Failure to comply with these requirements will mean automatic confiscation of the guns upon the owner's return to the United States. This requirement is part of the Gun Control Act that became law last winter, and its purpose is to prevent importation of guns and ammunition into the United States.

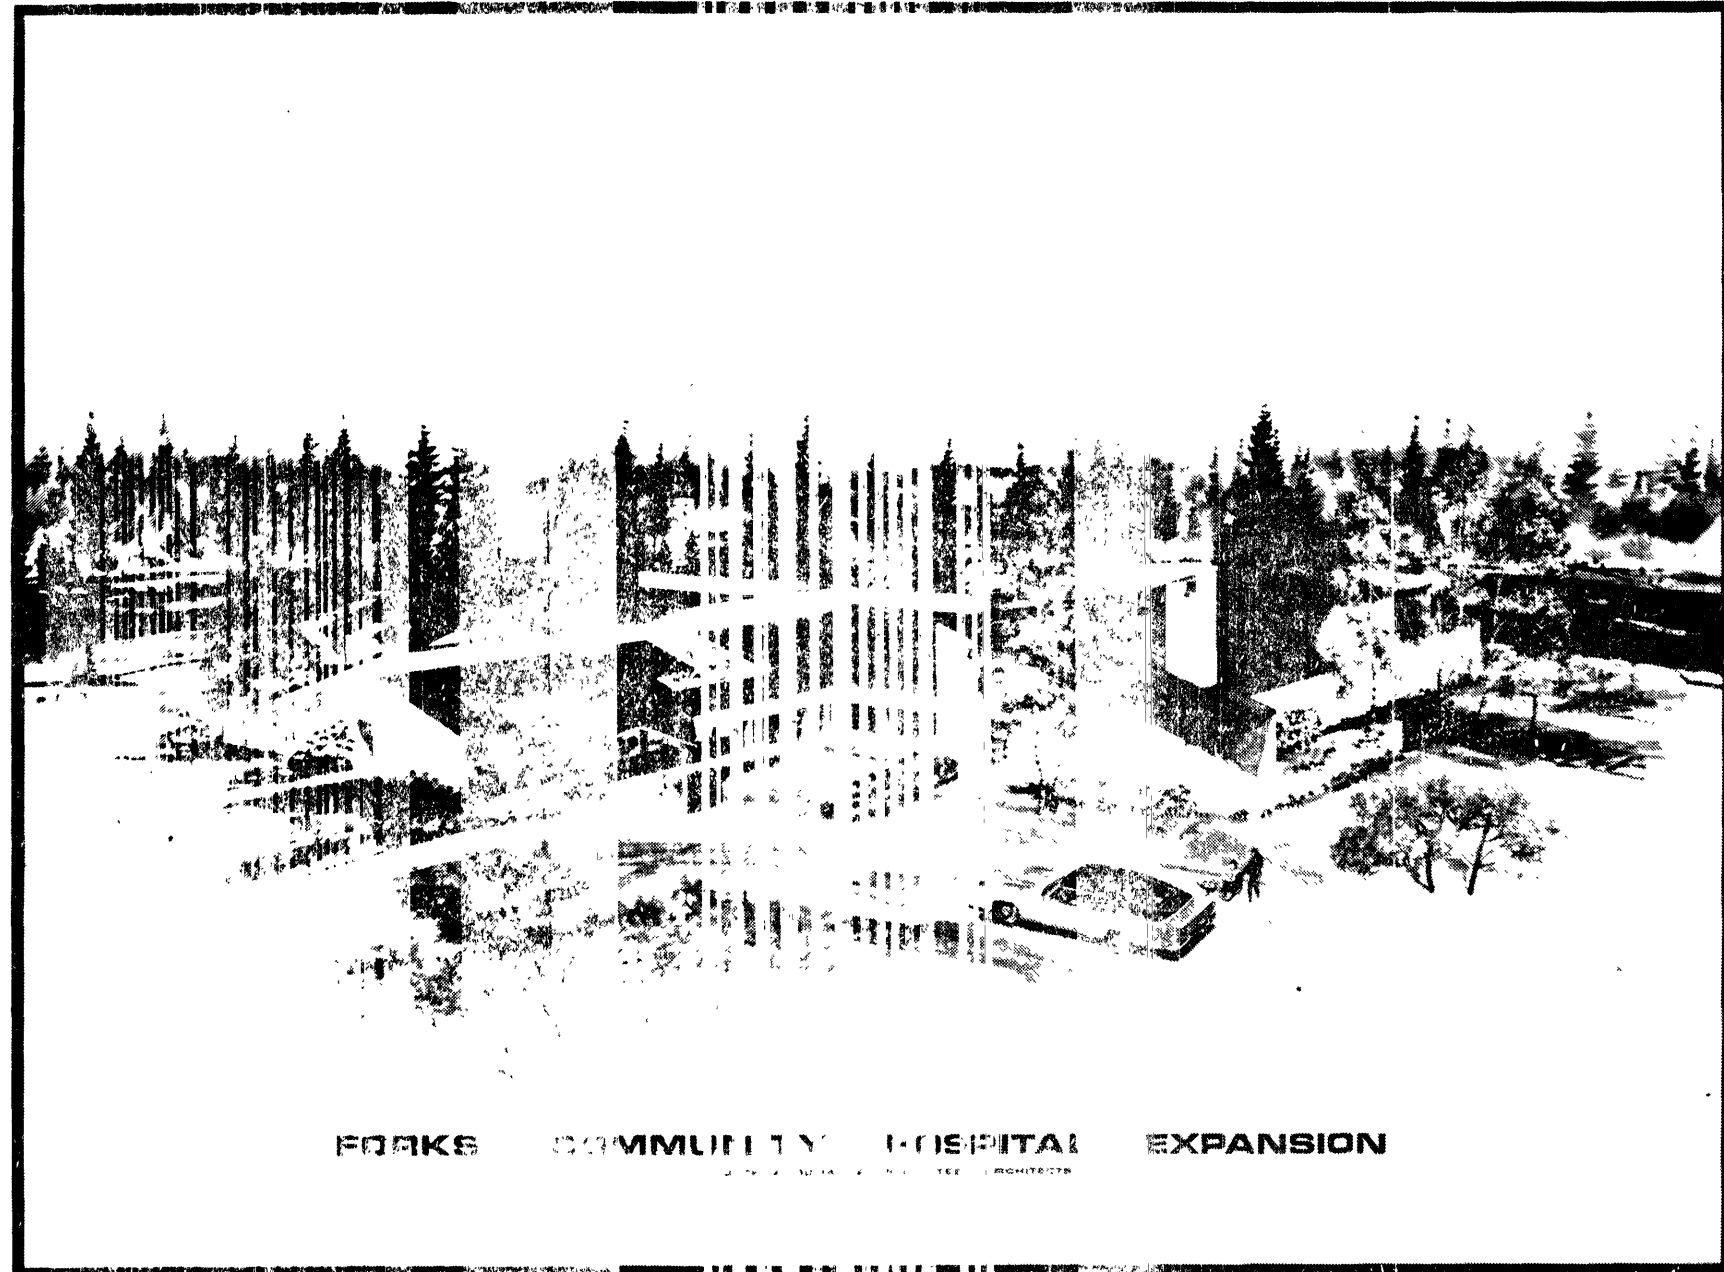

## WEST END LAW ENFORCEMENT

West End Law Enforcement Association met Friday, October 17, for a election of officers. They are: Dave Huson, chairman; Larry Masters, secretary; James Aggergaard, Jay Skewes, Larry Barger and Neil Smith, program directors. The group also appointed a Steering Committee, the members are: Jay Skewes, James Aggergaard and Neil Smith. Richard Sandmire is in charge of publicity.

The purpose of the organization is to hold confidential meetings every 2 weeks to share information.

Members of the group will also be available for public speaking to groups or clubs. Interested persons may contact a member of the organization for further information.

# VOTE NOVEMBER 4th On the Hospital Issue

FORKS COMMUNITY HOSPITAL EXPANSION

The bond issue for the construction of the Forks Community Hospital addition will be on the ballot November 4th.

Approximately \$800,000 will be spent to improve the existing facility and \$400,000 will be used to construct a fully needed addition.

One of the reasons this is such an important issue is that the attempts to secure a new doctor for Forks have failed. The only reason for the refusal to come here, is the lack of proper facilities to which to work.

The proposed new addition and remodeling would provide 19 additional beds, new surgery, new kitchen facilities and an intensive care unit, obstetrical ward, radiology lab, boiler room, supply center, laundry room, hearing aid center, covered approach (front and rear), emergency room to accommodate 2 patients at once. The key to the new hospital service is a centralized nursing station.

Plans call for the installation of a new roof, the existing one needs repair and since all the plumbing would have to be replaced it would be easier and less expensive to construct one roof for both the existing facility and the proposed addition and install overhead plumbing and electrical.

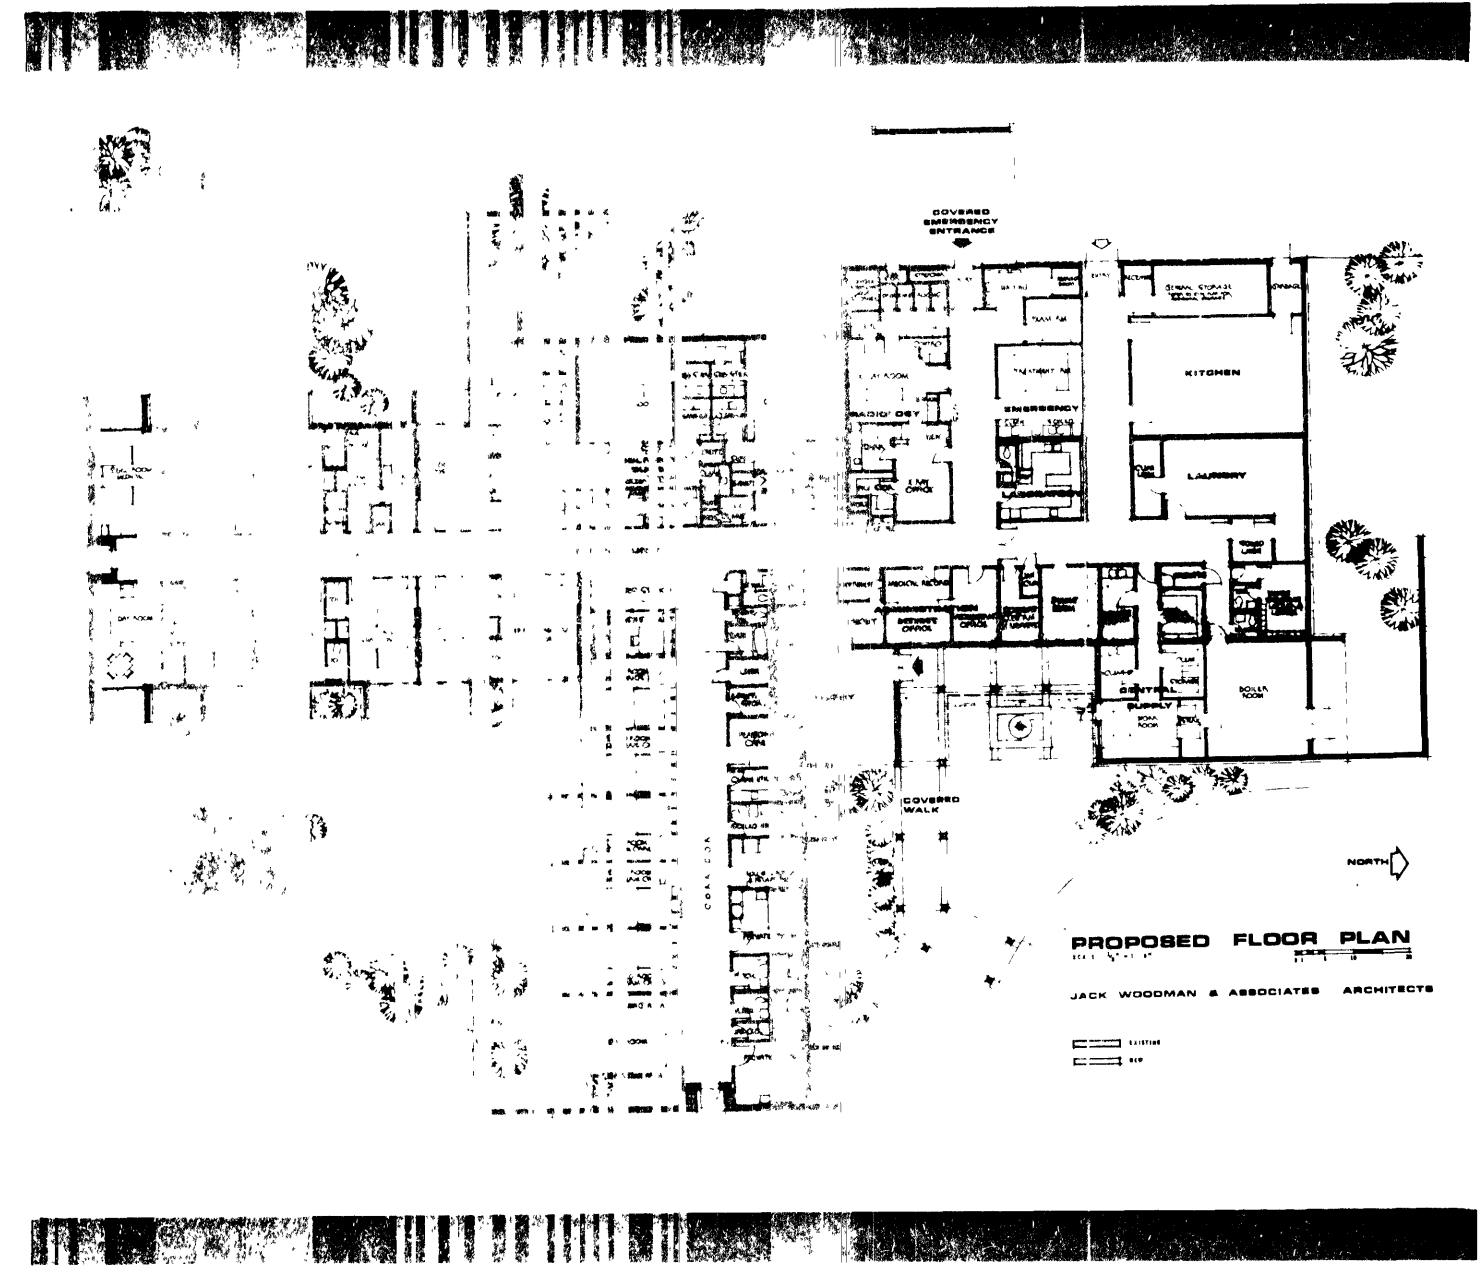

Architects for the proposed addition are Jack Weisman and Associates of Bellevue.

The nearest hospital is approximately 100 miles away. What would you do if your child was hit by a car and was

bleeding badly? Or what would you do if you were injured or your wife or child were injured in a car accident?

If you or a member of your family was injured in a car accident, it would take around an hour

to get to Olympic Memorial Hospital in Port Angeles with good driving conditions.

PROPOSED FLOOR PLAN

JACK WEISMAN & ASSOCIATES ARCHITECTS

*Meditation* By Pastor William E. Cross

In this world of strife, turmoil, heartache and sorrow there are often those occasions which evoke from us such a statement as made by the little fellow in our picture: "Nobody loves me". . . However such a statement cannot truthfully be made. The circumstances of daily living might cause us to feel that our lot is not as pleasant as others. Perhaps some feel that their opportunities are not as great as another might experience. No doubt there are those who might feel that because of heredity and environment they must surely be doomed to failure. We might even bemoan the fact that while others are floating in luxury we are drowning in poverty.

However, there isn't a man, woman, boy or girl, regardless of race, nationality or economic status who can truthfully say: "No one is interested in me." "No one cares about me". "No one is concerned about me." And certainly it is impossible for any body to say, "No one loves me"!!

This is true simply because there is One who loves us, individually. Romans 5:8 tells us that, "God shows and

clearly proves His own love for us by the fact that while we were still sinners Christ, the Anointed One, died for us." You see, the Bible, God's Word to man, tells us that, "all have sinned and come short of the glory of God." However, that same Word tells us that, "God so loved the world, (that means every living creature--man, woman, boy and girl) that He gave His only begotten Son, that whosoever believeth in Him, (that is Jesus Christ) should not perish, but have everlasting life." John 3:16.

To those who have acknowledged that they were sinners, cut off from a right relationship with God, and have believed in their heart that Jesus Christ really did die for their sins and the sins of the whole world, and that He was raised again from the dead to bring us back to God, to all such the Bible says: "Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God." Where ever you are; who ever you are; what ever your circumstances, there is Someone who loves you. The One who made you, loves you. The One who died to save you, loves you. The One who rose from the dead to justify you before the Living God, loves you. GOD LOVES YOU !!! Do you love Him?

# NOBODY LOVES ME

*Mark sat in the middle of the hospital ward, looking scared and lonely. All around, other babies were being hugged and cooed at by their visitors.*

*He couldn't know we'd stopped to get his clothes and that today he'd be going home. His understanding of the situation was limited. But then he saw us, and he laughed and held out his arms, loneliness and fear forgotten.*

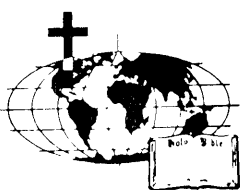

*Sometimes life makes us feel lost and lonely. Perhaps a business fails, a son is unlovable, a new job overwelms or a loved one's gone. When we can't see our way, where can we turn?*

*God is our Comforter. Whatever our problem, there is guidance and help in His word.*

*Your church is the best place to learn understanding of God and yourself. This understanding is the key to the abundant life that is His promise.*

## KNOW YOUR INSURANCE RIGHTS UNDER STATE AND POLICY LAW

An estimated 100,000 motor vehicle accidents will occur this year on the state's highways.

Auto insurance will be called upon in most cases to replace or repair the damaged vehicles. Judging from the record, many of the complaints reaching Insurance Commissioner Karl Herrmann's claims deputies around the state will involve one or more of the following items:

You and the adjuster disagree over the cost of repairs. The adjuster insists that your car be repaired at a certain garage.

You believe the other party was at fault but his insurance carrier fails to arrange for repair to your car.

While your car is disabled, you have been denied a substitute.

In the first place, if you have collision coverage through your own policy, you are entitled to compensation for your car's damage from your own company.

It is obligated to adjust your claim on the basis of "market value," subject to your assuming the "deductible" amount specified in your policy.

Your company is entitled to reimbursement for any amount it pays under your collision coverage if the other party involved in the accident pays damage for his negligence. Looking to your own company first under your own collision coverage may get you back on the road most quickly.

Beyond this, if the other party is responsible for your damage, then you are entitled to be made whole, which means that if your car is a total loss the measure of damages is the market value of the car.

If the car is only damaged and is reasonably susceptible of repair, the measure of damages is the difference between the market value of the car just before the injury and its market value just after its injury.

Often this difference is the actual cost of the repairs, but not always. Obviously, if the car is worth \$500 immediately before the accident, and it would cost \$1,000 to repair it, you could not expect to recover the cost of repairs, but only a difference in market values.

"Market value" means the reasonable sum of money the car would bring on a fair sale, by a man willing to sell, but not obliged to sell, to a man willing to buy but not obliged to buy.

If a car is totally destroyed, then you cannot recover for the loss of its use. The reason for this is that the courts hold that in the recovery of the full value of the vehicle, as of the date of its destruction, the owner has been made whole.

If the car can reasonably be repaired, then you may recover reasonable compensation for the loss of use of the car while the repairs are in progress. The courts have allowed this even if you normally use the car strictly for pleasure and

do not rent a substitute automobile.

If you do rent a car to use while yours is being repaired, the rental cost is an element you may use in establishing the reasonable value of your loss of use.

Keep in mind that it is your car. You have the final word as to what will be done with it. You cannot be forced to take it to any certain garage. You cannot be forced to accept certain repairs.

However, the adjustment for car damage may not exceed the difference in market values of the car immediately before and immediately after its damage. Commissioner Herrmann will assist you in resolving disputes such as described above by:

- Demanding an explanation from the insurance company for its handling of the investigation and adjustment.
- Encouraging a fair and equitable settlement of your claim.
- Instructing you how to proceed if a settlement is not reached.

The Insurance Commissioner has no judicial authority to determine negligence nor to establish the value of a loss or injury. If the facts are in

MR. AND MRS. TOM RASMUSSEN

Visiting in Forks this week are Mr. and Mrs. Tom Rasmussen of Los Angeles. Rasmussen is the son of Mrs. George Thompson.

Moving to Forks in 1946, Tom graduated from Forks High School in 1953. He entered Washington State and graduated in 1957, majoring in fine arts. Tom then spent 6 months in India as a International Farm Youth Exchange student. One of his host families was Sander Chumas' aunt. After returning to the U.S., Tom

spent the remainder of the year lecturing on his stay in India.

Tom spent 2 years in the Army, stationed in Korea, after which he worked in Washington, D.C. Rasmussen then entered Yale and graduated this June. He is now the assistant art director of Rowan and Martin's Laugh-In show.

Rasmussen and his wife, Gail, have a son, Christopher, 1 1/2-years old.

Dr. Edwin F. Leibold recently returned from Minnesota where he attended the funeral of his brother, Dr. H.W. Leibold, who was fatally injured in a car accident.

## "Mom, how can you get so upset about drugs when you really don't know a thing about them?"

If you're having a little trouble these days getting through to your kids when you try to discuss illegal drug use, it may be because they know a lot more than you do about the subject.

We can't promise to make you an expert, but we can help you to catch up a little. Here are a few facts to talk from:

**1. Marijuana:** Its use as a felony conviction, even with a suspended sentence, may cause interruption of education, difficulty in obtaining a driver's license in some states, entering a profession, getting a responsible job. While marijuana, which is not a narcotic, does not cause physical dependence, it may lead to "psychological dependence."

**2. LSD:** Its effects can differ at times in the same individual. There is no way of predicting whether a "trip" will be "good" or "bad." And days, weeks, even months after using LSD, the things the user experienced while on the drug may recur unexpectedly. The LSD experience can sometimes be disturbing enough to cause acute and even long-lasting mental illness.

**3. "Ups and Downs":** Excessive use of amphetamines ("ups") can drive a person beyond his physical endurance and leave him totally depleted physically, since he feels like neither eating nor sleeping. The body develops a tolerance to these drugs, with larger and larger doses required to feel the effects. Long-term heavy users are usually irritable, unstable, and may suffer social, intellectual, and emotional breakdowns. Abrupt withdrawal ("crashing") for the heavy user can result in a deep and suicidal depression. Barbiturates ("downs") can, in regular and excessive doses, become physically addicting. Overdose, or abrupt withdrawal for a heavy user, can cause death. Barbiturates are a leading cause of accidental poison deaths in the U.S. Amphetamines are sometimes prescribed as "diet pills," and barbiturates are given as prescription sleeping pills, but neither should be taken except in strict accordance with a physician's prescription.

**4. Narcotics:** Heroin is physically, as well as psychologically addicting. Large, or unexpectedly unadvised doses can result in death. The addict's main object in life becomes getting the drug. He may turn to crime as the only way to get enough money to support his habit (which can run as high as \$10,000 per day).

For more detailed facts about these drugs, write for free drug booklets to National Institute of Mental Health, Box 1080, Washington, D.C. 20013.

# Clallam County Extension Homemakers Meet

Approximately 72 women from Clallam County Extension Homemakers Club attended the annual fall meeting held at the Agnew Community Hall last Wednesday hosted by the Blue Mountain Homemakers.

A patriotic theme was used for the decorations. Red, white and blue streamers decorated the stage and the tables. White flowers in mesh baskets edged in red velvet and tied with red bows centered the tables. The host club will demonstrate how to make these and will also sell them at the craft fair.

Clallam County President, Mrs. James Helmick presided over the meeting. Mrs. George Dickinson of the Agnew Homemakers led in the flag salute and National Anthem. Mrs. LeRoy Kitzelman of Olympic Homemakers gave the invocation. Mrs. Terry Hugo of Blue Mountain Homemakers gave the welcome and a reading written by one of their members. Mrs. Tom Gates of East West Club gave the response.

A business meeting was held in the morning. Mrs. Walter Packwood gave out standard of achievement awards. Blue Mountain, Eden Valley, Mt. Pleasant, and Olympic received a seal and a star. Others receiving seals were: Dry Creek, East West, Ni Wauna and Hillside.

Clallam County placed first in Human Relations in the state. Their exhibit "You and Your Family" with the life cycle made by Mrs. James Helmick, was a contributing factor.

Mrs. Jess Wassell, Home Economic Chairman of the Clallam County Fair gave out fair premiums. There were 7 county clubs with booths and 559 entries. Mrs. Tony Masi

reported on the open division of the Home Economics building with suggestions.

Marion Reed, Rural Arts and Craft Fair Chairman reported that the fair will be held November 7, from 10 to 3 at the Eagles Hall.

Betty Blake, Conservation Chairman gave a report and the East West Club had a display of evergreens.

Mrs. LeRoy Kitzelman was elected as the new secretary and Mrs. Bob Gates as the new treasurer. Mrs. James Helmick will serve another year as president and Mrs. Clifford Combs as vice-president. Mrs. Walter Packwood installed the officers for the coming year.

After a potluck lunch, group singing was held and Marie Burnes, area Extension Agent, played some piano solos.

"Highlights of State Extension Homemakers Meeting" and "College Days for Women" were presented by Mmes. Clifford Combs, Walter Packwood, LeRoy Kitzelman and John Singhose. Marie Burnes also attended.

The many sessions attended included such subjects as: theme for national homemakers, greater need for more county agents and 4-H groups, better knowledge of the UN and its work, and health programs with emphasis placed on women getting an annual cancer check-up. Safety was another topic with the announcement made that Allstate Insurance Company gives an annual award of \$100 to the club that has done the most for traffic safety.

The many sessions attended during University Days included: Homemade dyes, fabrics, design and weaving, sports for children, poverty, race

# Tyee - Beaver - Sappho News

BY MRS. J. E. MERRITT

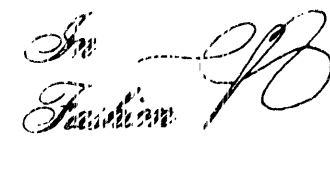

Dean Hum, Dick Boury and Fred Loushin, all of Tyee and Mick Davis of Bear Creek returned home Wednesday from a bird banding trip to Eastern Washington. At Everett they were joined by Hum's mother Mary, who returned to his home in Concrete, Skagit County at the end of the trip.

The Beaver Parents Club has a lovely assortment of Christmas cards and gifts for sale, as well as cards for all occasions, according to Mrs. Dean Hum.

Mr. and Mrs. Arthur Munson received word Saturday of the death of his father-in-law, Mrs. M. A. Murch, in Seattle.

Arthur A. Wright and Son were in charge of funeral arrangements; the services were held at the Wright Chapel on Queen Anne Hill.

Mrs. Frank Gonzales and her 3 children returned Monday to their home in Kent, after a two-week visit at the home of Mrs. Gonzales' parents, Mr. and Mrs. Robert Turtle.

The "empire" look is quite popular on some of the long and short dresses this season. This is a good one to look for, with a waistline that is just below the bustline.

Fringe is in fashion and is seen on many of the scarves and shawls.

Wide necklines are in for the men and boys. If you packed away the shirts several years ago, you are in luck.

problems, mental issues, pre-retirement planning, divorce and its consequences, pollution, interior design, art exhibits, food research, housing problems, and communicating with people.

Mrs. Packwood read the history of Washington State University.

Mrs. Howard Trimble and Mrs. James Helmick gave a skit depicting a radio interview.

Mrs. Jess Waddell closed by reading a poem, "It's Up To Me."

MR. AND MRS. ROBERT LEE SMITH  
(Miss Florence Kay Garbrick)

Miss Florence Kay Garbrick, daughter of Mr. and Mrs. Kay Garbrick of Forks, is the bride of Robert Lee Smith, son of Rev. William C. Smith of Buffalo, Missouri, Septem-

ber 16.

The wedding ceremony was held at the Forks Bible Church, officiated by Rev. William C. Smith.

The bride was decorated with a corsage, autumn leaves and a veil.

The groom wore a tuxedo, a white shirt and a white tie. The bridegroom's mother wore a grey and white knit suit with black accessories. Their flowers were pink carnations.

Best man was Steve Wasankari, ushers were Don Nordstrom, Veri Garbrick and Veri Garbrick.

The reception was held at the club following the ceremony.

Miss Nancy Taylor and Miss Harriet Sutton were in charge of the gifts.

For her going away costume, the bride chose a green and beige knit dress with beige accessories, her corsage was a single red rosebud.

After a wedding trip to Port Angeles the couple is at home in Oak Harbor.

The bride is attending her last year at the University of Washington and the groom is in the U.S. Navy, stationed at Whidbey Island.

# Bogachiel Garden Club

The Bogachiel Garden Club met October 16th at the home of Mrs. Richard Wahlgren with Mrs. Terry Kleppy and Mrs. Fred Wahlgren as co-hostesses. Roll call was answered with "Plant now for early spring color".

Preparations were made for the District Meeting to be held in Forks on Tuesday, October 21st.

The Holiday Show will be held November 11 and 12, at the Olympic Hotel in Seattle.

Mrs. Warren Paul concluded the meeting with an informative article from Beautiful British Columbia magazine regarding the planting and care of hanging baskets in Victoria.

The October Newcomers Luncheon at Quinalt Lodge was well attended with 29 members and guests present. After lunch, Mrs. Irene O'Connor spoke on the Rain Forest and displayed a collection of moss and lichen. Special honors were awarded Mrs. Fred Wahlgren whose name was printed in the Red Book of Recognition for outstanding

**STONE-ULIN ENGAGEMENT**

Mr. and Mrs. Lincoln F. Stone of Hawaii, announce the engagement of their daughter, Karen Ann to Dale Randolph Ulin, son of Mr. and Mrs. Wilmer Ulin, Sr., Forks. Miss Stone a former graduate of Hawaiian Mission Academy High School, attended Highline Community College. She is presently employed by Continental Insurance Company of Seattle. Ulin graduated from Forks High School and is now attending the University of Washington where he will graduate in December. The wedding will be held in Seattle, January 24. The couple will go to Europe for their honeymoon.

**Perrigo-Malmsten Engagement Announced**

A luncheon was given on Saturday, October 18, in Puyallup by Mr. and Mrs. W.W. Perrigo of Naches, Washington, honoring the engagement of their daughter, Helen to Mr. Edward L. Malmsten, son of Mr. and Mrs. L.E. Malmsten of Forks. Miss Perrigo is a graduate of Multnomah School of the Bible and of Southern Oregon College and is presently teaching in Portland, Oregon at Rockwood-Davis Elementary school. Previously Miss Perrigo taught in Venezuela under the Evangelical Alliance Mission. Malmsten is a 1956 graduate of Forks High School and a 1966 graduate of Washington State University. He served 18 months in the Armed Forces in Germany and is employed as a forester at the U.S. Forest Service in Forks. A summer wedding in Portland is planned by the couple.

**Forks Girls at Scout Convention**

Seven girls from Forks area, members of Cadet Troop 1098 attended the Annual Girl Scout Convention, held in Seattle at the Coliseum. The girls and their leaders, Mrs. Phil Justus and Mrs. James Bolin left Saturday at 6 a.m. for Seattle. They arrived about 11 a.m. and the four girls who were to participate in the convention activities, Cynthia Justus, Corlie Johnson, Lori Kelso and Cheri Bolin went immediately to the convention area to practice for the ceremonies to follow. Mrs. Justus, Mrs. Bolin and their children and the rest of the Troop went on a shopping trip to the White Front Store. They picked up the girls at the center and were guests of KOMO Radio and Television. They were given a tour of the KOMO facility. Mrs. Justus said, "It was very interesting. We got an inside view of what it takes to put a radio and television program together. They even explained the machines to us, it was very exciting."

Sunday morning, the girls who were participating in the activities, went back to the Colosseum to practice. The rest of the group went to Woodland Zoo. After lunch at McDonalds, which was a real thrill for the young Justus children, they visited the Seattle Center and the Space Needle.

Mrs. Justus and Mrs. Bolin took their group to the Colosseum for the flag ceremony. They carried flags of the world. The founder of the Girl Scouts, Lady Bayton-Powell was not able to attend, but sent a filmed message. Also attending were Mrs. Holton Price, National President and Mrs. M.B. Lake, President of the Totem Council of which Troop 1098 is a member.

Miss Debbie Reynolds, a National Piper promoting Girl Scouts, introduced her special guest, Art Linkletter. Linkletter spoke on the parent-child relationships. He stated that parents should take more interest in their children and their children's activities. He especially stressed this in the light of his daughter's recent suicide.

Special music was provided by the Wake Dancie Singers. The Scout Troop and their leaders returned home Sunday.

**FORKS COMMUNITY HOSPITAL BIRTHS:** Mr. and Mrs. William Wrenn of Forks, a daughter, Andrea, born October 11, she weighed 7 lbs., 6 oz. RESIDENTS: Sam Lyda, Anetta Ostlund and Ernest Deakin.

**FIRST JOINT MEETING OF LIBRARY BOARD HELD**

**MRS. LEROY MALMSTEN**, retiring president of the Friends of the Library Club, is presented a bouquet of roses by Mrs. E.L. Stanley, incoming president.

The Clallam County Library Board met with the Forks Memorial Board at the Congregational Church, Tuesday, October 14, for a dinner meeting.

Mrs. Harry Breen from Sequim, presided at the meeting. Mrs. Arthur Bammbach, county chairman, was unable to attend.

County Library Board members present were: William Welch, Mrs. Harry Breen and Mrs. Ray Nodel.

Forks Memorial Library Board members present were: Mr. and Mrs. LeRoy Malmsten, Mrs. Arthur Stanley, Mrs. Fern Wittenborn, Mrs. Oral Mattler, Mrs. John Hitchcock, Boyd Rupp, Mrs. Gordon Marsh and Mrs. E.L. Stanley.

This was the first dinner meeting ever held between the two boards in Forks.

Mrs. Harry Breen was mistress of ceremonies. Members of the Clallam County Library Board and staff members were introduced by Mrs. Breen.

Mrs. LeRoy Malmsten, president of the Forks Memorial Board introduced the members and the Forks librarian, Mrs. John Miller.

A financial report was given and a special "thank you" to the PTA and UGN, Community Council and all the individuals who contributed to the library, both of their time and money.

A report on the history of the library was given by Mrs. Fern Wittenborn.

Mrs. LeRoy Malmsten, retiring president of the Friends of the Library, was presented with a bouquet of roses by Mrs. E.L. Stanley, in recognition of her service to the library.

Mrs. Ray Noble gave a talk on "Let George Do It". Mrs. Noble recently attended a Public Relations Symposium in Seattle.

Mrs. Primrose Bredt related some of her experiences telling stories to school children.

Those from Forks that have served on the County Library Board include: Mrs. Boyd Rupp, Mrs. Del Huggins, Mrs. Fern

**Wittenborn.**

Mrs. John Miller and LeRoy Malmsten. The arrangements for the dinner were made by Mrs. LeRoy Malmsten.

The place cards were made by Mrs. John Hitchcock. The flowers were arranged by Mrs. Oral Mattler.

**SOCIAL SCENE**

The Young Adult Group from the Forks Bible Church held a party at the church Friday night.

There were 14 couples attending. Games were played and prizes were won by Kenneth Garbrick and Jake Tiemersma.

Devotions were given by Pastor Cross.

Refreshments were served. The Church Fellowship Hall was decorated with corn stalks, hay, pumpkins and autumn leaves.

Those on the committee were: Willie and Mariam Self, Larry and Barbara Suslick, Steve and Carolyn Wasankari, Phil and Nedra Reed.

**WOULD YOU BELIEVE A CARROT?**

This very large leaf lettuce plant came up in a row of carrots planted by Judge and Mrs. Avery Holland of Forks. The plant is approximately 3 1/2 feet tall, and measures about 2 feet across.

## PORT ANGELES UNITY LECTURE PROGRAM

Unity will present a lecture program at 7:30 p.m., Tuesday, October 28th at the Sportsman's Clubhouse in Forks. John W. Adams, minister of Port Angeles Unity Center will speak on the subject: "A BRIGHT NEW WORLD."

This program is part of Unity's "Outreach" program and is intended to give those persons attending a personal understanding and introduction to the Unity way of life, while revealing how to experience a better world through individual and collective change in thinking.

Thousands of people have found happiness, healing and wholesome living through applying the principles taught by Unity. People of all faiths and religious beliefs study and apply the Unity teaching. It is Unity's intent to help people through prayer, song, and

application rather than to just "convert" a person to another faith.

Unity's World headquarters is at Unity Village, Missouri and are publishers of DAILY WORD magazine. A free copy of DAILY WORD will be given to persons attending the lecture program.

A social time will follow the lecture. Persons attending may give a free-will offering.

## VFW Voice of Democracy Program

Students win more than awards and scholarships when they participate in the V.F.W. Voice of Democracy Program," said Commander Charlie Fox of Forks V.F.W. #9106, in discussing the annual script-writing contest conducted by the Veterans of Foreign Wars.

Some of the fringe benefits, according to Fox, are increased self-confidence, greater poise, the overcoming of certain emotional problems and valuable practice in expressing ideas clearly. For the state winners there is also the broadening experience of a five-day tour of Washington, D. C., and the chance of making lasting friendships among the other winners.

In the eight years that the Veterans of Foreign Wars has been the sole sponsor of the Voice of Democracy contest, more than 1,500,000 high school students have participated. Entrants must write and then tape-record a three-to-five minute broadcast script expressing their personal views

AFTER 10,000 hits, Russ Vedder of the Coast-to-Coast Store makes a late evening deposit at the Forks State bank. Local deposits, including envelopes, require no key. Another service for growing security.

## Sunset Highlites

By Fred Jarvill

Quite a weekend. Moner and I joined the gang at the Sportsman's Club Saturday night. What fun, what wonderful music by Chuck Berry and Will. And what a time trying to get up the next morning at six to go to Bainbridge to bowl in an "Traveling League." Pretty long day before we got home and instead of coffee frames, we had milk frames. Good for those Sunday morning blues. Some pretty hot bowling this last week.

Kathy Decker made her first 200 a big one as she banged out a 222 to take the high games in the Tuesday Afternoon League. At that rate she has 500 should be a whooper. Barbara Waddle has 10-9-10, Gwen Genson a 193-507, and Margaret Wm. B. had a 97 and a 522 in series.

Gleam Gilmore took a top 246 for the Sunset circuit. Frank Goss a 224-5-10, Sara Fearey had a 224, and Myron Stronots got a good count of 200 in one game.

Mary Kerrey took the high game of 191 in the Powder Puff and in the 100 pin series a 630. Mary also had a 119.

The town O'Leary game on Tuesday was hosted by Joanne Hylton and her group. The game was a close split.

Bev Johnston was a part of the Thursday Bowlers with a 151-4. The Saturday game was a 151-4. The game was a close split.

Jerry and I went to the other side of the town on Saturday. The game was a close split.

Bob and I went to the other side of the town on Saturday. The game was a close split.

Some big ones in the Sunday Mixed. Leta Rondeau tossed her weight around and came up with a 211-539. Ken Keeney rapped out a 205-617 and Willis Bryan had a 214-608.

Larry Lindeman took a very one up and take notice in Monday. Miss Kay had a 10-10-10, as he had a long sized 246. Miss Kay had a 10-10-10, as he had a long sized 246. Miss Kay had a 10-10-10, as he had a long sized 246.

The best break of the day was in quite a while.

COMPLETION - Red Devil pulls in another pass as Doug Holz, No. 41, follows in pursuit. Seah Bay displayed a well balanced air and ground attack giving them an 13 to 10 victory over the Spartans IV's Saturday night in Spartan country.

By Lonnie Archibald

## Huskies Travel Lakeside Romps Past Forks To Oregon

The Washington Huskies had a tough weekend for the second game in a row against an opponent that posed a tough challenge.

The Huskies' starters from both the offensive and defensive units. However, the team is young, having 522 sophomore players and 10 seniors on the squad.

Junior Tom Stanhard (6-0, 171) is the star in a fine quarter back and has been very effective in the passing game this season.

Starting defensively the Huskies will be ends Steve Buettner (6-2, 210) and Mike Kish (6-0, 202); tackles Jim Wathey (6-4, 242) and Mike Johnson (6-1, 224); middle guard Dave Walker (5-7, 203); monster back Jack Gleason (6-1, 185); linebackers Tom Graham (6-3, 224) and Dane Smith (6-2, 238); cornerback Lionel Coleman (6-1, 185); halfback Jim Franklin (5-10, 170); and safety Bill Bauner (6-0, 187).

Explosive action against the Huskies often involves ends Newland and Stanhard (6-2, 208), slotback and junior Bob Newland (6-2, 197), split end Moore (6-0, 207) and five touchdowns, and Newland for 22 yards and one touchdown.

The Ducks' running game has been effective, with fullback Tom Verdu (5-8, 191) and fullback Billy Pamplin (6-2, 211) averaging 4.9 and 1.8 yards per carry on 264 and 211 yards, respectively. Both are juniors.

Explosive action against the Huskies often involves ends Newland and Stanhard (6-2, 208), slotback and junior Bob Newland (6-2, 197), split end Moore (6-0, 207) and five touchdowns, and Newland for 22 yards and one touchdown.

The powerful Lakeside Lions rolled to their fifth consecutive win last Friday afternoon by defeating the stubborn Forks Spartans, 32-14.

Taking advantage of numerous mistakes, the Lions made the score seem greater than it was.

"Toughing the kicker" penalty in the first quarter led to the first Lakeside touchdown. Given new life after the penalty, the Lions moved down the field with quarterback Kerry Tanus going the final yard on a sneak. An attempted pass from Tanus to wing back Fred Hayes for the P. A. T. was no good.

After an exchange of punts in the second quarter, Lakeside again drove to paydirt with Tanus rolling to his right and cutting back off tackle to score from 4 yards out, the P. A. T. pass was foiled by the Spartans and the

right end; tackles Ralph Pettigrell (6-1, 229) and Joe Phillips (6-6, 236); guards Mark Andrews (6-1, 217) and Jack Stronbaugh (6-3, 225); center Jim Figoni (6-0, 207); quarterback Blanchard; slotback Moore; tailback Verutti; and fullback Pamplin.

Starting defensively the Webfoots will be ends Steve Buettner (6-2, 210) and Mike Kish (6-0, 202); tackles Jim Wathey (6-4, 242) and Mike Johnson (6-1, 224); middle guard Dave Walker (5-7, 203); monster back Jack Gleason (6-1, 185); linebackers Tom Graham (6-3, 224) and Dane Smith (6-2, 238); cornerback Lionel Coleman (6-1, 185); halfback Jim Franklin (5-10, 170); and safety Bill Bauner (6-0, 187).

Explosive action against the Huskies often involves ends Newland and Stanhard (6-2, 208), slotback and junior Bob Newland (6-2, 197), split end Moore (6-0, 207) and five touchdowns, and Newland for 22 yards and one touchdown.

Explosive action against the Huskies often involves ends Newland and Stanhard (6-2, 208), slotback and junior Bob Newland (6-2, 197), split end Moore (6-0, 207) and five touchdowns, and Newland for 22 yards and one touchdown.

Statistic wise the game was even closer. The Spartans ran 57 plays and gained 224 yards while the Lions ran 58 plays and gained 228 yards. Minus a few mistakes, the outcome may have been somewhat different.

Next action for the Spartans will be Saturday night at 8:00 with the Port Angeles Rangers.

## Neah Bay 18, Forks JV's 6

Neah Bay behind the thunderous running of Greg Arnold and John Haltunen, defeated the Forks Spartan JV's, 18 to 6 here in Forks last Saturday night.

After an exchange of punts in the first quarter, the Red Devils put together a 61-yard drive to score with 2:46 minutes from the one-yard line. Greg Arnold got the scoring call rolling to his right, behind good line blocking to score. The extra point try failed.

Just one minute and 11 seconds late, after a Forks fumble on the Forks 39-yard line, Neah Bay drove to the 5-yard line where Arnold threw to Joe

McGimpsey just behind the left corner end zone flag for the touchdown. Arnold's try for the points after was stopped short of the goal line.

Late in the third quarter Neah Bay iced the game away when Arnold ran a 9-yard bootleg to his left to score untouched.

In the fourth quarter, behind 18 points, Forks seemed to put things together and started to move the ball. Behind the leadership of John Richards and the running of Eddie Jackson and Darrel Beebe, Forks moved the ball well but could only get into the end zone once.

With 12 seconds left on the clock, John Richards threw a touchdown pass to Randy Goos. Randy, knowing he had been off side, caught the ball and stopped seeing no one was going to tackle him. Goos walked into the end zone. The off side penalty against Forks nullified the touchdown and set the Spartans back to the 17-yard line with only 3 seconds left on the clock. This time behind good blocking from Greg Archer and Steve Foster, Richards found Goos again with a perfectly thrown pass for the touchdown. The extra point try was stopped.

Chuck Rondeau, Curtis Maxfield, Ray Blankenship and Steve Foster stood out for the Spartans on defense.

Smokey Says:

Protect the countryside—keep it green!

**JULY & TRAFFIC DEATHS**  
Chicago — The National Safety Council reported that more persons died in traffic accidents in July than in any other month so far this year. The council reported 5,830 deaths on the highways in July and a total of 30,690 for the first seven months of 1969.

## Giants Win Western Crown

The Forks Little League Giants downed the Forks Packers here last Sunday afternoon by the score of 7 to 6.

An estimated crowd of 350 people watched the two teams play a very fine heads-up football game. The game was marred by good defensive play by both teams with a long list of outstanding players. Tim Birley, Ken Olson, Gary Simons, Warren Johnson, Bunch Eastman, Bill Russell, Jeff Anderson, and Runt Blankenship for the Packers and Kent Thomas, Harold Bechtold, Jim Blair, John Leppell, Bugger Merrick, Kevin Borde, and Randy Milsap for the Giants, all were outstanding, only to mention a few.

The Giants scored first in the second quarter after recovering a Packer fumble. The Giants drove 59 yards to the three-yard line where Jim Blair, behind good blocking, blasted over left tackle for the touchdown. Blair, after receiving a key block from Harold Bechtold, scored what was to be the winning point on a run off tackle.

The Packers roared back in the third quarter to score their sixth point on a 31-yard reverse by Rusty Roberts. Brian Nash threw a key block on the defensive end to spring Roberts loose. The Giants then threw back the Packers' attempt to tie the game with the extra point.

Both teams fought to a stand-still in the fourth quarter with the Giants playing excellent defense to preserve the victory.

The next game for the two teams will be in Sequim next Sunday, with the Giants playing the Chimaquum Cowboys for the Little League championship and the Packers playing the Port Townsend Rams for third place.

I would like to say "thank you" from all the coaches for the support you, the fans, have given and to Pat Russell for being the Packers' coaches' No. 1 backer. In closing, I would like to tip my hat to Claude Clark, John Medsker, Bill Tubbs, John Leppell, and the entire Giant team for a job well done.

TEAM STANDINGS:

	W	L	T
Sequim	3	0	
Vashon	3	0	
Lakeside	3	0	
Forks	1	2	1
Port Townsend	1	2	
North Mason	0	3	1
Bainbridge	0	4	

WEEKEND GAMES

## Cape Flattery School Board Meets

The Cape Flattery School Board met October 13, 1969 at the Clallam Bay Home Ec. Room.

The West End Community Club, with Mr. Don Higgins as spokesman requested a ten year lease for the Sekiu Community Hall. A discussion followed. Mr. Willison recommended a five year lease with a five year option for renewal. Reworking of the clause, "if building is needed etc.", to "if property is needed for school purposes". If the board recommends use of school property a six months written notice must be given on the lease. The Board accepted the recommendation.

No official word of URD program has been received in the Superintendent's office, only information—newspaper clipping "Your Public Schools", published by State Superintendent's office.

Mr. Glen Willison will work with staff on Evaluation of Certified Employees and report progress to the Board.

Willison reported that he attended an Intermediate Dist. 114 Board meeting at Port Townsend. The Intermediate Board approved Port Townsend for Intermediate Dist. 114 headquarters.

It was also reported 33 attended In-Service classes, 12 from Cape Flattery Schools with Dr. Monasmith from Central Washington College, on writing behavioral objectives.

District loss from change of assessment ratio from 2.0% to 16.9% on Cape Flattery's 1969-70 budget, which was about \$11,600.

The final budget was approved by the Intermediate District Board on October 2nd.

Federal Forest funds amounting to \$25,137.99 were allocated to Cape Flattery—\$3,770 for Clallam Bay.

Mrs. Janet Schostak, was hired as a teacher's aide to help Mr. Schostak with his split class. He has received six second graders as Mrs. Fjarlie's class was too large.

Mrs. Nell Wilkie is home recuperating from an operation and plans to return to work soon.

The Tribal Council has approved the lunch agreement for this year and requested the Board to hire an attendance counselor for this year. Three candidates were selected.

Vouchers #4255 through #4361 were approved and the October payroll amounting to \$22,000.

## What Are the "Up and Down Drugs" and What Can They Do?

Amphetamines and barbiturates are the "up and down" drugs, usually taken in pill form.

They are said to "pick you up when you're down and bring you down when you're up." For most people, amphetamines do have exhilarating effects, while barbiturates bring calming.

They are powerful drugs, too powerful to play around with. Yet too many people are doing so. No one knows how many, but the best estimates are that about 200,000--and perhaps as many as 400,000--persons regularly abuse these and other non-narcotic drugs.

The case of Mary Jones illustrates the matter. It's a hypothetical case, not a real name, but it is true.

Mary takes amphetamines to get going and barbiturates to put her to sleep. She does this day in and out. She takes the "up and down" pills without the supervision of her family doctor.

Mary is, or is on the way to being, a slave of these drugs, addicted to them, a "junkie" as the slang goes. What is worse, she doesn't know it. She doesn't know facts she needs to know, like these:

The "up drugs," pep pills also called "bennies" and "speed," are a group of drugs known as amphetamines. They form one-half of what is perhaps the biggest part of the drug abuse problem in the U.S. today.

The other half of the problem are the "down drugs", sedatives, sleeping pills, the large family of drugs made for medical purposes to relax a person.

What do the "down drugs" do?

They produce a relaxing effect for most people; in normal, medically supervised doses, they mildly depress the action of the nerves, skeletal muscles, and heart muscle. In abnormal doses, the effects resemble alcoholic drunkenness.

## Students Take Aptitude Tests

Forks High School students are taking the 1969 Preliminary Scholastic Aptitude Test this week. The tests are being conducted by Leon Golden, school counselor.

The PSAT is a two-hour version of the College Board's Scholastic Aptitude Test, which many colleges require

some or all of their applicants to take. These tests are designed to measure verbal and mathematical ability necessary for academic success in college.

Scores will be available in December so the students will have them early enough to be useful in planning for their future.

## CARD OF THANKS

I would like to take this opportunity to thank all who were so kind to me following my recent accident. My special "thanks" go to Chief Johnson of the U.S. Coast Guard at LaPush, but how do you thank someone for saving your life?

Ray Ellis told me that if Chief Johnson hadn't given me first aid I would have died. Thank you Ray, and to Bob Joutsen and the men who arrived at the accident scene and helped me, I don't know all your names.

I wish to thank the many people who sent cards and messages and to Dr. Laico and the nurses on 2nd Floor East at Olympic Memorial Hospital, a special "thank you".  
MRS. JUNE CASSELL

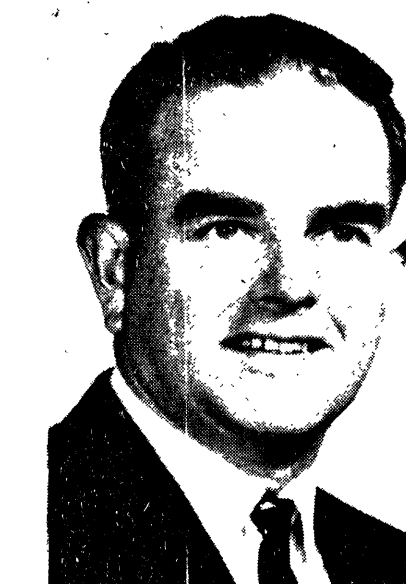

## The new Styleline™ telephone puts more fun into phoning

The Styleline phone is different from any other telephone. It's more fun to use, too. The dial and handy "hang-up" button are in the receiver, right in your hand. Thus you can make call after call without having to reach for the telephone's base. It's easy to make as many calls as you want without stretching and reaching. Your favorite color? Chances are one of our 9 is it. Add it all together, and we think you'll find that the new Styleline telephone is a beautiful, fun thing. Why not order one today?
