

as part of a country-wide campaign developed by the National Council on Crime and Delinquency to encourage citizen support of the law enforcement bodies. Public officials have repeatedly said that the average citizen must be personally concerned with an involved in the fight against crime if there is to be any substantial reduction.

Information on any private individual who might qualify for this award should be sent to Jack Anderson, State Director, Washington Council on Crime and Delinquency, 1008 Lowman Building, 107 Cherry Street, Seattle, Washington 98104.

Two essential factors are to be considered in any candidacy: (a) bravery, or personal risk, and (b) cooperation with the public authorities. The final award will be made by a panel of distinguished citizens later this year.

The National Council on Crime and Delinquency was established in 1907. It is a voluntary, non-profit organization devoted to research and action programs for the prevention of crime and delinquency, the administration of justice, and the rehabilitation of the juvenile and adult offender.

The Washington Council, formed in 1956, has been deeply involved in various projects aimed at improving the criminal justice system in the State of Washington. The Washington Council is a United Good Neighbor agency.

office of mayor. There are a number of able candidates, both announced and unannounced. May I suggest, however, that in the interest of effective government the best choice would be the incumbent, Earl Kennedy.

Mayor Kennedy has served the people of this city with dedication and fairness for two terms. He did not file for re-election because he felt that this would encourage others to indicate an interest in the position. He was, and is, willing to step down if that is the desire of the voters. No one indicated an interest in the office of mayor at that time.

As a councilman I have observed Earl Kennedy at the helm of city government for the past two years, and I have been impressed by his integrity and his good judgment. He would not deny making mistakes or in failing to satisfy some citizens from time to time.

Forks has a water

installation of a 750,000 gallon storage reservoir to provide for the future needs of this growing community. Much of the old wooden pipe has been replaced as finances permitted and much remains to be replaced. In the offering is a modernization of the marshal's department, but this will require time and money.

I support Earl Kennedy because I am certain he will continue to serve all the people of the city, not a special group or a part of the city. With three experienced councilmen retiring, we need Mayor Kennedy to maintain continuity in city government, while the new councilmen are learning the ropes.

I hope, and believe, a substantial number of my fellow citizens agree that Mayor Kennedy deserves a vote of confidence on November 4.

Sincerely,  
Robert D. Hall  
Box 624, Forks

THANK YOU AMERICA  
"Permit me a Canadian, to express a long overdue 'Thank you, America' --not only for putting a man on the moon, but for almost two hundred years of contributing to the betterment of mankind. For the airplane, radio, cotton gin, phonograph, elevator, movie machine, typewriter, polio vaccine, safety razor, ballpoint pen, and zipper!

No other land in all the world has, in so brief a history, contributed so much and asked so little--only that we live together in peace and freedom. From the days of Washington and Lincoln, you have demonstrated the creativity, invention, and progress of free men, living in a free society--where ideas and aspirations may be promoted to the extent of man's willingness to work and build a "better mousetrap" with commensurate rewards.

Thank you for upholding the principles and rights of freedom and liberty; for the American Constitution and Bill of Rights; and for protecting those rights even when it results in the burning of your flag and the murder of your President.

Thank you for those who helped defend freedom on foreign soil in two world wars--a debt we have been able to pay in small measure by way of some 11,000 Canadian volunteers who stand and fight with you in Vietnam; for the Foreign Aid you give even when your hand is bitten and your motives impugned; for keeping your dignity in the face of insults from nations still wet behind the ears; for your patience with those who seek to steal the world and enslave its people; for keeping your cool even when the Trojan horse mounts the steps of the White House to insolently spew forth its treason.

Thank you for keeping alive the concept of individual liberty and faith in God in a world wallowing in humanistic collectivism. For these reasons and so much more, I say: 'Thank you, America, and God bless you!'

---Patricia Young,  
Vancouver, B.C.

Mr. and Mrs. John Fletcher and Mr. and Mrs. Jerry Russell will show films of their trip to Europe. Potluck dinner will be served. Visitors are welcome.

# VOTE ON NOVEMBER 4th

## A Matter of Life and Death — \$800,000 Hospital Bond Issue on Ballot

Voters of Western Clallam County will have an opportunity to express their opinion, November 4th on the \$800,000 bond issue for proposed expansion and remodeling of Forks Community Hospital.

The question is simple, do we update our medical facilities or do we look to the outside area for our medical service?

Traditionally, this area has been progressive in caring for its own and it is the hope of the Hospital Commissioners that the

hospital will be given this opportunity to provide the modern facilities planned in the program.

Forks Community Hospital serves the population in Clallam County Hospital District #1, the entire West End.

A model of the hospital is on display at Forks State Bank and photos of the model and floor plan are on display in

Clallam Bay and Forks. A slide program is made available by contacting the hospital.

## FORKS HOSPITAL GUILD SPONSORS DINNER

Forks Hospital Guild will be in charge of a dinner on Sunday, November 2 to promote the Hospital Bond Issue. It will be held in the Congregational Church between 5 and 8 p.m. Price will be \$2 per adult and \$1 for children under 12.

Slides will be shown at intervals during the dinner. A model of the new hospital will be on display.

## Candidate Sought For \$5,000 Citizenship Award

Candidates for a \$5,000 award to be given in recognition of "an outstanding act of good citizenship in support of law, law enforcement, or the court" are being sought by the National Council on Crime and Delinquency. It was announced by Jerome Parrish, Chairman of the Washington Council on Crime and Delinquency, a national organization.

The award, which is given annually, was established by Carl M. Loeb, Jr., of New York and LaQuinta, California --President of the National Council on Crime and Delinquency.

Last year the award was given to two Oklahoman truck drivers who came to the aid of a federal marshal. It was won in 1947 by Reverend Albert Taylor of New Lockell, New York for his work in breaking-up a gambling syndicate.

Someone on Thursday or early Friday had struck the Peninsula Single N.H. located approx 1/2 mile south of Forks on Highway 101. Damage was estimated at \$2,000.

According to Bill Manager, Larry Blomgren, it is out the main drive on the dirt extensively damaged water main in the room.

Top of the water main are 14' high and the fill material is not to be repaired to a depth of 10' or more. The water main is 14' high and the fill material is not to be repaired to a depth of 10' or more.

The Forks City employees were unable to locate Friday but they expect to be back in operation by Monday, October 27.

Jefferson County Sheriff's Department is investigating.

## Sandmire Appointed Acting Marshal

Forks Town Council met Monday night. It was decided at that meeting to appoint Richard Sandmire as acting marshal. Marshal Phil Riebe is going on medical suspension for a period of 3 months on the advise of his doctor.

The Council also read a log of calls to the marshal's office compiled by Mrs. Richard Sandmire, who has been working as an answering service for the marshal's office. After studying the matter the Council agreed to pay Mrs. Sandmire the equivalent of the Sheriff's Department salary for their answering service. The sum of \$75 per month.

The Council heard from Frank Lyda concerning parking on 1st Avenue N.E. The diagonal parking is posing quite a traffic problem.

The Council voted to make 1st Avenue N.E. parallel parking. The street department will paint the curbs and post signs.

The Council heard from Marshal Sandmire concerning the parking at Pay n Save. The parking on 101 is causing a traffic hazard for people pulling out of the lot. The city will paint curb lines but the city has no jurisdiction on the Highway 101 parking.

The Marshal also will contact the school about the children crossing the street other than at marked crosswalks. Frank Lyda will paint a crosswalk

on the street in front of Leppell's.

The Council also discussed the water standing in the street in front of the Congregational Church. Lyda will try to raise the area with cold mix and if this does not prove satisfactory a catch basin will have to be constructed. The water

department is also working on the ditches and culverts in the newly annexed addition.

Chauncey Young requested a permit to construct a septic tank, the permit was denied until Young appears before the council.

The changes required by the auditor for completion of the 1968 audit were made and approved by the Council.

The Association of Washington Cities will hold its District Meeting in Port Angeles, October 30 at 7:30 p.m. Mayor Kennedy will contact the Council members and candidates to find out who plans to attend.

The Olympic Regional Planning Commission meeting will be held in the Port Angeles City Managers' office October 29. J.J. Blomgren was scheduled to attend but will be unable to do so. Mayor Kennedy plans to attend in his place.

Sheriff Bishop reported that he is quite pleased with the new budget the County Commissioners approved. Although he did not get all he asked for, he will be able to put on two new people and raise the starting salary from \$355 to \$600 per month.

What is important to the West End is that we will have our new deputy the first of the year. This new man will be based in Sappho, hopefully, so he will be accessible to the Sekiu-Neah Bay area as well as Forks.

This improvement wasn't accomplished by bar-stool oratory. It took a lot of pressure by way of phone calls, letters, and petitions which proves a properly organized group of people can get results!

# LETTERS TO THE EDITOR

Editor,  
Many residents of Forks are not aware of the many years of fine service donated by Walter Roberge to his community.

A family man and owner of the Far West Motel, he and his wife Emily, are always ready to be of service or extend a helping hand where needed. From 1933 to March 1953 he served on the school board most of the time as Chairman of the Board. During this period eleven acres of land were purchased by the board and two school buildings were erected, a six room in the early 40's and later a ten room school. The ten room building is still in service plus additions and it bears a plaque at the entrance with Mr. Roberge's name inscribed on it. When he resigned in 1953, he recommended Bert Cole who succeeded him in the post.

From 1951 to 1955 he served as Mayor of Forks. During 1948 to 1955 he completed two terms as County Commissioner, chairman of the board of County Commissioners and he was elected Chairman of the County Commissioners of seven counties in the State of Washington. Many fine things were accomplished during these years, including road improvements and needed machinery in the West End. During his long and varied career he has watched the town grow from a population of three hundred to almost eighteen hundred. He was also active in the organization of the Library Board.

A man who has worked with and for the loggers and understands the economy and needs of the area, a write-in candidate, he stands ready to serve again as Mayor of Forks. He plans to

## MAYOR'S PROCLAMATION

WHEREAS, Many young men of this community have fought for our nation, and some have sacrificed their lives, through services with the United States Armed Forces, in combat against many enemies, and

WHEREAS, Those men, the war veterans of our country, have earned the respect and the tribute of every citizen who is today enjoying the freedoms of our land because of the defenders' personal loyalty, courage, service and sacrifices, and

WHEREAS, We can best acknowledge our appreciation and recognition of those brave men through full participation in the special day and week dedicated to all the defenders of our land, now

THEREFORE, I, Earl L. Kennedy Mayor of the City of Forks, do hereby urge all of my fellow citizens to fly their Stars and Stripes flag proudly and to participate in, or observe, the public Veterans Day and Veterans Week program which is to be held in our city on November the eleventh and during the week of November 9 to 15, 1969. Furthermore, I do recommend that all of our schools, churches, business establishments and other organizations assist the Veterans of Foreign Wars of the United States, and its many co-sponsors, toward making Veterans Day and Veterans Week a truly outstanding patriotic observance in this year of 1969.

EARL KENNEDY  
Mayor

retire soon and will have the necessary time to devote to his position.

At a time when our nation is torn by violence and strife, secure your heritage as free men and vote for the men and women of your choice.

Respectfully,  
Frances Etchison  
Forks

Editor,

Since the new annexation to the town of Forks, I think it would be advisable to have a resident of that area as a write-in for the Town of Forks Mayor.

One man in this area we think would qualify is Mr. John Rosmond. Being in business in our area for a number of years, and an active booster for many projects in the Forks area, we think he would be a good man for this position.

George L. Campbell  
Box 6, Forks

## 4-H Club Meets

The 4-H Club, Scorpions met Saturday, October 25, at the home of leader, Mrs. John McCauley.

They worked on woodcraft, hiked to the Bogachiel hatchery and had a picnic lunch. After lunch the boys played baseball.

The members picked job titles by drawing the names at random. The members are: Frank Hansen, law and order; Roy Black, banker; Jerry Banner, roll call; Joe Oliver, scrapbook; Randy McCauley, reporter; Jack Klahn, Scott Anderson, phone; Greg Banner, singing; Dave Crippen, Glen McFall, David Beastrom, clean-up; and Kevin Miller, games.

The group will meet every first and third Saturday of each month.

# NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00

Notice is hereby given that on Monday, the 10th day of November, 1969, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

LEGAL DESCRIPTION: The sale is composed of all timber bounded by RR-F-1000 road and logged area comprising approximately 65,000 board feet of hemlock and white fir on parts of the following: SE 1/4, NE 1/4 of Sec. 14, Twp. 28 N., Range 13 West, W.M., Clallam County, Washington.

CASH SALE  
Forest products will be sold on a cash basis.

Minimum acceptable bid will be \$1,235.00.

On or before November 10, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$123.50 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

BOND: On the day of sale, the purchaser must also furnish a cash bond of \$300.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be re-offered until it has been re-advertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published cruises of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

Forest products must be removed prior to September 30, 1970.

Access Road Revolving Fund: \$30.00 to be paid on day of sale. Located approximately 4 miles by road south of Forks.

Accessibility via Department of Natural Resources access, ITT Rayonier, Inc. easement, and Standard Lumber Company easement.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

The automobile long ago ceased to be a luxury.

It is instead a necessary and indispensable ingredient of our American way of life. Just as necessary as the car itself is insurance to protect life and property when the driver climbs behind the wheel.

So it stands to reason that many of the complaints reaching Commissioner Karl Herrmann's office involve the obtaining and keeping of auto insurance. Here are typical comments selected from the thousands of complaints and inquiries reaching the Commissioner's office each month:

-You think your insurance costs too much.

-You have received a notice that your application for coverage has been rejected.

-You have received a notice that your policy will be cancelled.

-You have received a notice that your policy will not be renewed.

While insurance companies are closely regulated, they are part of the free enterprise system, and they are free to accept whomsoever they want as their policyholders.

It is known to many people, insurance premiums do vary, and it pays to shop around to compare rates. As with other competitive products or services, however, you should keep in mind that the cheapest may not be the best.

Other factors, including underwriting practices, established quality and reliability essential to the value of insurance.

Another word of advice: know your insurance man. Agents represent one or more companies and can quote you rates and other information pertaining to their companies. Brokers act as independent contractors and can advise you as to the cost and quality of insurance they can place for you.

Each company has its own underwriting regulations which govern the acceptance of a risk. In general, if your driving record is bad, you can expect to pay more for your insurance. Likewise, age, occupation, environment and other factors are usually taken into consideration by insurance companies in accepting and retaining insured and establishing rates.

Once your application has been accepted, coverage can be terminated only on the basis of the cancellation clause in your policy and the cancellation law. The general provision of the law may be summarized as follows:

No private passenger automobile insurance policy may be cancelled without at least 20 days' written notice first being mailed to the named insured. An exception is cancellation for nonpayment of premium. Here, the time is reduced to require only 10 days' notice.

In addition, after the policy has been in effect for more than 60 days, it may be cancelled only for nonpayment of premium, which requires 10-day notice, or loss of the driver's license of the named insured or of any other operator who customarily operates an automobile insured under the policy, in which case a 20-day notice is required.

If the notice does not give the reason for the cancellation, the insured may request the reason by mailing or delivering his written request therefore to the insurer, not less than five days prior to the effective date of the cancellation.

If the insurance company is going to refuse to renew your policy, it must so notify you at least 20 days in advance.

Within 10 days after receipt

of the notice, you may in writing request the insurer to explain to you why it refuses to renew you. The company must mail you its explanation before the expiration of the policy.

There are, of course, exceptions to the law, but the foregoing summary will fit most situations.

If a cancellation or non-renewal is justified, or if your application is rejected, then your agent can seek coverage through the Washington Automobile Insurance Plan.

The Insurance Commissioner will protect your rights by checking to make sure the action was taken in accordance with the terms of the policy and the cancellation law.

He will also assist you by negotiating with the company for reinstatement if its action is illegal or unjustified.

For further assistance, please contact the Commissioner's office nearest you. They are located in Olympia, Seattle, Spokane, Richland and Yakima.

# ELECTION PREVIEW

By Nedra Reed

As we go to the polls November 4th, there are several things we should consider.

You say, "This election isn't important, why should I bother to vote. What do I care who is elected to the school board and town council, they don't do anything for me."

How wrong you are! This is a very important election, as all elections are important. There are several issues that concern you.

The main issue, I feel is the hospital bond issue.

A hospital is a luxury! The present building is outmoded, outdated and obsolete! The equipment is old and so are the facilities. The nurses are to be commended for doing the job they do, under the far from good working conditions.

We have one doctor in Forks, the only doctor this side of Port Angeles. He serves the greater part of the West End. Would you venture a guess as to how many patients he sees in a week?

If we had the proper facility, it would lessen his load and would help us to attract the badly needed additional doctor. The bond issue calls for a 5 mill increase. Does your family's welfare mean that much to you?

The Quillayute Valley School Board has two positions open, those filing are: DISTRICT DIRECTOR No. 4 Hal Canaday, 46, Lower Bogachiel. Canaday and his wife Karen have 2 children, Ian 3 1/2 and Anna 1 year. Canaday, attended San Diego State and is self-employed.

Vern Black, 47, LaPush. Black and his wife Stella have 5 children. Black is a lifetime resident of the area and is employed by Brager Bros. as a yarder engineer. DISTRICT DIRECTOR NO. 2 Jon Erickson, 34, Mansfield Addition. Erickson and his wife, Bonnie have 3 children, Susan 10, Mike 7, and Paul 4. Erickson has lived in Forks 11 years and is the general manager of Peninsula Telephone and Telegraph Company.

James B. Mansfield, 39, Route 1, Box 215, Forks. Mansfield and his wife, Pat have 2 children, Jimmy 12 and Susan 11. Mansfield, attended the University of Washington and is employed by Puget Sound Log Scaling and Grading Bureau. He is a native of Forks.

Jack Merrick, 42, Route 1, Box 239, Forks. Merrick and his wife, Leona have 4 children, Cheryl 17, Patty 16, Duane 15 and Darryl 12. Merrick, attended Oregon State and works for Duncan and Duncan. He has lived in Forks 17 years.

Forks has had quite a problem in the last few years with their school system. The problems started when suddenly the population started to grow faster than the educational facilities.

After many tries the school bond issue was passed. Still we have to double-shift, restrict some school activities and rent a church building for our Kindergarten children! The new building should be under construction soon, but we need a interested public to support our school board. The present board is to be commended. They have been faced with innumerable problems

and have handled them as best they could. They have worked long and hard at a thankless job. What the school board needs most is your support, help, and most of all, interest.

Let's work together with our school board to bring our school up to standards we can be proud of. The future of America rests upon our school children of today. How well are we preparing them?

## CANDIDATES FOR FORKS TOWN COUNCIL

POSITION NO. 1 Bob Swerin, has filed for position No. 1 on the Town Council. Swerin, a native of Forks and his wife, Lola have 4 children, Dean 13, Rod 9, Brad 7, and Deanna 5. Swerin is president of the West End Little League. He is employed by Raycoier Inc.

Wayne King has filed for position No. 1 on the Town Council. King and his wife, Barbara have 4 children, Kevin 14, Karen 11, Karla 5, and Kasey 1 1/2. King has lived in Forks for 23 years and attended Forks Schools. He also served on the Park Board for 2 year. King is employed by Clallam County Public Utility District.

POSITION NO. 2 Frank Smiley has filed for position No. 2 on the Forks Town Council. Smiley, a native of Forks, works at Kuel and Vedder. He is active in the Little League, and is sportscaster for KVAC.

Herb Smiley, owner of the Forks Motel is a candidate for position No. 2 on the Town Council. Smiley, a graduate of Seattle University and his wife, Jane have three children, Brent, Gina and Dana.

Bill Jonientz has filed for position No. 2 on the Town Council. Jonientz and his wife, Mary have two children. Gary, who recently returned from Vietnam and Carla, (Mrs. Richard Saxon) a teacher at Maple Valley Junior High. Jonientz came to Forks from Seattle and has lived here 10 years.

POSITION NO. 3 Del Gott has filed for position No. 3. Gott is a truck driver and is owner of his trucks. He and his wife, Linda have 2 children, Nicky and Terri Lynn.

Fred Cline, owner of the Sportsman Barber Shop, has filed for position No. 3 on the Town Council. Cline and his wife, Johnetta have 3 children, David, Larry and Carlana.

Forks is a business and should be run as such. It is the job of the Town Council to see that this is done. We should all acquaint ourselves with the council and their job.

Everything from building permits to the annexation election was discussed by the council in the past year. The council is composed of a group of interested men. Interested in our community and interested in seeing that the funds allocated to the town are used for the important things necessary to the growth of our town. This council has done a very fine job under very difficult circumstances.

Would you want their job? Since the filing for positions on the council and the candidates being named, only one of the candidates has seen fit to attend the meetings to acquaint himself with the problems of the Town. Where are the rest of YOU?

Please remember, this is not a popularity contest, study each candidate's qualifications, then choose a man well qualified for the job.

\*\*\*\*\* MAYOR The position for mayor of Forks was not filed for. This means this position will be decided on a write-in ballot. That is, you must write on your ballot in the space allocated for mayor the name of the person you choose. But please remember, you must also place an "X" after the name or the vote will be disqualified.

There are several qualified people in our community who would do a fine job. Only one person has made his intention clear as to whether he would be a recognized candidate. He is John Rosmond. Rosmond lives in the Mansfield Addition, so was unable to file, but has stated he would accept the nomination. A local businessman, Rosmond has

MIRROR OF MAIN STREET There have been several reports of people abandoning animals in the Forks area.

Kittens and puppies are cute. So you take them home, but they soon grow into cats and dogs and you find them to difficult to care for. So you abandon them to starve. The Forks garbage dump has been the scene of many of these abandonments.

WHY?

Why?

 Pastor

By Pastor Art Morlin

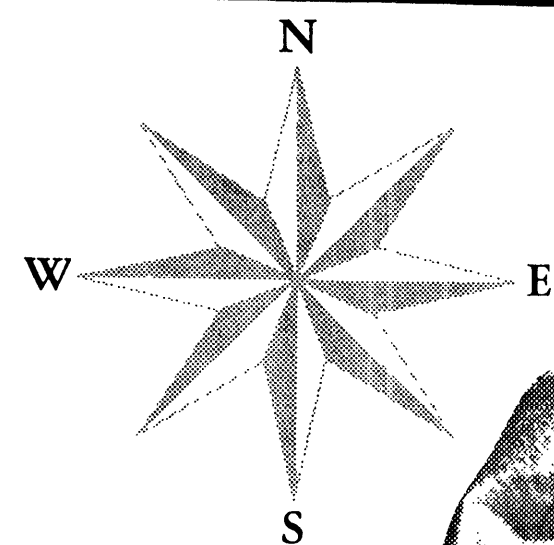

The strongest force in all of this is LOVE. Napoleon said of Christ; "He seeks, and absolutely requires, the love of men, the most difficult thing in the world to obtain. Alexander, Caesar, Hannibal conquered the world, but had no friends. I myself am perhaps the only person of my day that loves Alexander, Caesar and Hannibal, Alexander, Caesar, Charlemagne and myself founded empires; but upon what? Force. Jesus founded his empire on love; and at this hour millions would die for him. I myself have inspired multitudes with such affection that they would die for me, but my presence was necessary. Now that I am in St. Helena, where are my friends. I am forgotten. What an abyss between my misery and the eternal kingdom of Christ, who is proclaimed, loved, adored, and which is extending over all the earth."

The scriptures reveal that God is love. He is the force behind love. Without Him

this world would not know love. God's law demands that a man should love God and his fellowman. The Bible says in Romans, Chapter five and verse 5; "the love of God is shed abroad in our hearts by the Holy Ghost which is given to us". God equips us with the love that we need. During times of trial He can send to us that added measurement that we need to find our way and cope with the situation.

If our world could only know more of this kind of love rather than the hate, violence, selfishness, it would be a better place to live. Wouldn't it be wonderful if the governments of the world could sit down around the table for peace talks with this basic quality of love in mind. They would get more done for people in one hour than they have for the last ten years.

Love is not given from God on a national level...it is personal and individual. If every individual sought God for His love today, tomorrows future would be brighter.

## EAST, WEST Love IS BEST

Sue and Lee were only names to me when I first saw their picture. Incredible — that the children I now mother tenderly, once were strangers!

It seems only yesterday Dan wrote he was bringing them home. How frantic I was with worry and self-doubt. Could I love, as my own, children with dented eyes and tinted skins? Would I fail them? Could I fulfill Dan's faith in me? We had been longing for children, true — but not foreigners!

In desperation, I called my pastor. Calmly and with understanding, he spoke to me of God's love as the common denominator of all nationalities.

And so from the moment I saw them, Sue and Lee have been our own, bringing laughter and joy without measure.

How grateful I am for God and His Church and the wisdom they teach — in Christ there is no East nor West. Without this truth my arms might still be empty.

### Tyee - Beaver - Sappho News BY MRS. J. E. MERRITT

Mr. and Mrs. Hugh Wickersham returned to their home in Port Angeles Sunday after spending the weekend with their son-in-law and daughter, Mr. and Mrs. Bill Kirkman at Beaver.

A cabin near Lake Creek bridge was completely gutted by a fire caused by a flooded oil stove early Saturday a.m., and was a total loss with the exception of a guitar owned by the tenant. The cabin owned by J.M. Goodwin of Sappho was uninsured.

Mr. and Mrs. James Webb of Port Orchard and Mrs. Jean Boggs of Greeley, Colorado, had dinner Saturday at the Laurence Eden home in Sappho.

Mr. and Mrs. Ed Kono-paski returned home Sunday from a 3-weeks' trip to Eastern Washington. They spent 2 weeks at Moses Lake

and while there they went to Royal City and spent an afternoon visiting M.E. "Jeff" Jeffries and his son Dale. Jeff and the late Mrs. Jeffries were owners of the Lake Pleasant Grocery for 8 years.

They learned that Dale was married in August to a widow with two daughters. A reception was held following the wedding. From Moses Lake they went to Loomis, Okanogan County, before returning home.

Mr. and Mrs. A.M. Nordman made a 1-day business trip to Aberdeen last Thursday.

Mr. and Mrs. Herbert Haubrick and small son, Bert, Danny and Peter, moved to Agnew last Thursday, and on Sunday, they came out and finished cleaning up the house in Tyee in preparation for a possible renter. They were assisted by a

### Northwest 4-H District Meeting Held Oct. 17

Attending the Northwest 4-H District meeting held October 17, in the First Congregational Church in Everett were: Andy Krusivoyck Jr., Clallam County Extension agent; Mr. John Singhose, Fort Angeles; Mrs. Tiny Clayton, Sequim; and Mrs. Henry Halverson, Forks.

Special resolutions and recommendations to better the 4-H program will be sent to the State Leaders Advisory Board and then to the State 4-H agent.

At noon the leaders were guests of Standard Oil Company of California.

One of the newly elected officers of the District was Mrs. John Singhose.

Port Angeles fund, Mrs. Jean Swift, and the boys were cared for by Mrs. A.M. Nordman, while their parents were working.

Herb is employed by the DNR and was recently transferred to the Port Angeles area.

### Calawa Rebekahs Purchase Piano for Lodge

The Calawa Rebekahs have been busy at work. They purchased a piano for the small lodge hall, put new curtains in the kitchen and a committee ordered new drapes for the large lodge hall.

A letter from Sister Lena was read. Surgery doesn't seem to be needed on her foot. Just extensive therapy.

Cards were sent to all the men who helped move the piano upstairs. A committee was appointed to purchase a gift for Carl Lamb for all his help this summer during our rummage sale.

Auxiliary officers for the new year are: Doris Douglass, president; Marian Schumack, vice-president; Edna Haag, secretary-treasurer.

It was reported that Sister Pearl Macaulay has had another bad stroke. Her address is, Mrs. Murray Macaulay, c/o Mrs. Richard Hart, 3115 Shipway Ave., Long Beach, California 90808.

Letters were read from Fircrest and the Bethany Home thanking us for our contributions. Girls please keep saving your store coupons as the Bethany Home can use them to buy furniture for their home.

In the fund raising project for the hospital, Howard Stockman received the table and Edna Haag received the rug. All the proceeds were turned over to the hospital.

Nomination of officers was held and are: Noble Grand, Irma Mair; Vice Grand, Ruth Hutton; recording secretary, Fern Wittenborn; financial secretary, Lorine Smiley; treasurer, Lena Oliver; trustee, Marian Schumack.

The Past Noble Grand entertained the lodge last meeting. A very humorous skit, "Bunny Bargain Bloom Is On The Air" was presented by Doris Douglass, Elsie Motteler, Paula Lyda, Mickey Klahn, Eleanor Thornton and Irene Jackson.

Five sisters motored to Sequim to take part in Honor Night for Grand Warden Sister Mildred Peterson. We all had a wonderful time.

Make sure your motor is warmed up before entering fast moving traffic or crossing railroad tracks advises the Allstate Motor Club. A stalled engine in either of these circumstances could be fatal.

### JOHNSON NEW FOREST SERVICE MEMBER

The Soleduck Ranger District, Olympic National Forest, recently welcomed Stanley S. Johnson as a new member of the Timber Management Department at the Forks Ranger Station. He will assist in timber stand

To be sold at Forks District Headquarters, on Tuesday, November 25, 1969, at 10 o'clock a.m.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Said timber on said land will be sold for not less than the appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

BERT I. COLE  
Commissioner of Public Lands  
Published Thursday, October 30, November 6, 13, 20, 1969, in the FORKS FORUM.

improvement, reforestation, second-growth and intermediate sales.

Mr. Johnson is a native of Port Angeles where he attended public schools. In 1968 he received a degree in Fisheries from Peninsula College and before transferring to the U.S. Forest Service at Forks he was employed with the U.S. Department of Interior, Bureau of Fish and Wildlife, at Eagle Creek Fish Hatchery in Oregon.

Mr. Johnson and his wife are living in Port Angeles. They have three sons. They are happy to return to the Olympic Peninsula where the family can follow their favorite outdoor activities of beach-combing, hunting and fishing.

Editor,  
It is regrettable that no citizen filed for the candidacy of mayor of the town of Forks in the on-coming election. This means that the "write-in" receiving the most votes, no matter how few, would be the elected mayor, although it is possible that the "write-in" elected in this manner may not necessarily be the choice of the majority of voters. It would seem to me then, that we should carefully and seriously give consideration to the person we "write-in" for this office.

Our present mayor, Mr. Earl Kennedy although he didn't file as a candidate for this office has made no statement public or private to my knowledge that he would refuse the office if

Department of Natural Resources  
Bert L. Cle, Commissioner  
of Public Lands  
**NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND**  
Notice is hereby given that on Tuesday, the 28th day of November, 1969, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Clallam, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

CLALLAM COUNTY  
APPLICATION No. 32939  
Pitchock Creek located approximately 20 miles by road west of Clallam Bay. The sale is composed of all timber bounded by sale area boundary tags and property lines on part SE 1/4 NW 1/4, part S 1/2 of Section 16, Township 31 North, Range 15 West, W.M., containing 227 acres, more or less, comprising approximately 10,270,000 bd. ft. of hemlock and white fir, 1,300,000 bd. ft. of cedar, 30,000 bd. ft. of spruce and others, 5,000 bd. ft. of Douglas fir and 20,000 bd. ft. of alder, or a total of 11,885,000 bd. ft.  
Minimum acceptable bid per thousand bd. ft.: \$39.00 for hemlock and white fir, \$45.50 for cedar, \$15.50 for spruce and others and \$53.00 for Douglas fir.  
Bidding will be permitted on hemlock and white fir only.  
Timber will be sold on a log scale basis, except hardwoods which will be sold on a cash basis. Timber must be removed prior to September 30, 1972.  
On or before November 25, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$46,332.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price.  
Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. The purchaser must, on the day of the sale, make an additional payment so that the total amount deposited, exclusive of fees, will equal 10% of the full bid price based on the cruise estimate, plus \$180.00 for hardwoods, plus a \$25.00 deposit on a branding hammer and a \$5.00 bill of sale fee. This additional payment may be by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$50,000 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.  
Accessibility: via private access.  
Purchaser must enter into a road use permit with ITT Rayonier, Incorporated.  
Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.  
To be sold at Forks District Headquarters, on Tuesday, November 25, 1969, at 10 o'clock a.m.

Timber will be sold on a log scale basis. Timber must be removed prior to September 30, 1971.  
On or before November 25, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$6,165.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price.  
Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. The purchaser must, on the day of the sale, make an additional payment so that the total amount deposited, exclusive of fees, will equal 10% of the full bid price based on the cruise estimate, plus a \$25.00 deposit on a branding hammer and a \$5.00 bill of sale fee. This additional payment may be by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$7,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.  
ACCESS ROAD REVOLVING FUND: \$25.00 to be paid on day of sale.  
Accessibility: via private and Department of Natural Resources access.  
Purchaser must enter into a road use permit with ITT Rayonier, Incorporated.  
Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.  
To be sold at Forks District Headquarters, on Tuesday, November 25, 1969, at 10 o'clock a.m.

APPLICATION No. 33788  
Haehule Blowdown located approximately 14 miles by road southwest of Clallam Bay. The sale is composed of all timber bounded by sale area boundary tags, logged areas and property lines on part Lot 2 of Section 31, Township 31 North, Range 13 West, W.M., containing 27 acres, more or less, comprising approximately 630,000 bd. ft. of hemlock and white fir, 1,000,000 bd. ft. of spruce and others, or a total of 840,000 bd. ft.  
Minimum acceptable bid per thousand bd. ft.: \$35.50 for hemlock and white fir, \$45.00 for cedar and \$24.50 for spruce and others.  
No bidding will be permitted on spruce.  
Accessibility: Via Department of Natural Resources access.  
Purchaser must enter into a road use permit with ITT Rayonier, Incorporated.  
Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

**BOGACHIEL GARDEN CLUB DISTRICT MEET**

Demonstrating the art of flower arranging is Mrs. Herman Ahlvers of Port Angeles.

The Fall District Meeting of Olympic Peninsula Garden Clubs was held Tuesday, October 21st, at the Congregational Church in Forks, hosted by the Bogachiel Garden Club.

"Old Fashioned Reflections" set the theme as Mrs. Hal Canaday and Mrs. Walter Fuhrman greeted guests in dresses of yesterday. The stage was set with an old-fashioned parlor scene; tables were decorated with floral bouquets and small jars of jelly as favors made from wild fruits and berries by Mrs. Clarence Kiehl.

Following the business meeting, Lornie Archibald showed beautiful colored slides of the High Country, the Olympic Peninsula and other northwest scenes. There were several entries on floral arrangements. Two divisions were open, both artistic and horticultural, which were judged.

**PRE-SCHOOL PROGRESS**

The Forks Pre-school PTA held its second meeting October 14th in the Elementary All-purpose room. The program and business meeting were alternated. Ray Ellis presented an interesting and informal talk on first-aid and the ambulance service in our community. With the help of two assistants he demonstrated two types of stretchers. A First-Aid course will be given in the near future by Mr. Ellis, anyone wishing to take this 1-hour course please contact Mrs. Bob Watson at 327-3372.

Tentative plans for the future months were discussed. At the next meeting a complete report on a Pre-school nursery will be given. If you're interested, don't miss the next meeting.

The budget for this year was presented and approved. A Christmas party for the Pre-school children in our area was discussed. Entertainment was provided by Katy Silves, who presented "Deep Purple" and "It Makes No Difference" on the piano. Also "The Extenuating Circumstances," portrayed as two kids discussing one's adventure at a football game in the big city.

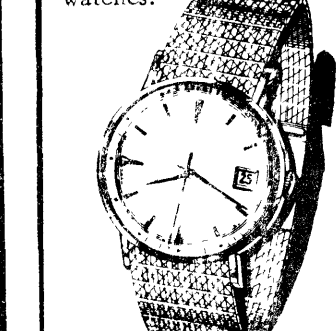

The membership drive is in full swing and if you are even a little curious about our organization, don't miss this meeting. Bring a friend, you may win the \$10 check offered as a prize for bringing the most new members. The next meeting will be held Wednesday, November 12, in the Multi-purpose room at 7:30 p.m.

Driving with a clouded windshield is a foolish risk. Take time to stop and clear off fogged or frosted windows. Always provide yourself with complete visibility, cautions the Allstate Motor Club.

**Make it a Safe Halloween For Your Children**

Nearly 50 million youngsters will be out trick or treating this Halloween. It will be fun for most but, unfortunately, a few will be involved in accidents and may be seriously injured or even killed.

Parents must make an extra effort to reduce the hazards their children will face this night, warns Agnes Beaton, women's safety activities director of the Allstate Insurance Companies.

Your child's costume can be a source of trouble itself. It should not be so long that it will trip the child nor so loose that it might catch on fences or bushes. Boys should not wear heavy boots nor girls high heels. Sharp objects like make-believe swords should be avoided.

"Fire is a serious threat on Halloween," Mrs. Beaton continued. "Bad burns may be avoided by dipping costumes and wigs in a fire retardant solution purchased at your retail store or made at home with nine ounces of borax, four ounces of boric acid and one gallon of hot water. Also light that indoor jack-o'-lantern with a flashlight instead of a candle."

She pointed out that too often children's costumes are made of dark colored material which increases their chances of not being seen by drivers as they cross streets at night. "Parents can help to correct this by making or purchasing light colored costumes.

"Children should be instructed to remove their Halloween masks when crossing streets to avoid having their vision obstructed, and reminded to cross only at intersections or pedestrian crossings. They also should be told to travel in groups and stay away from unfamiliar areas.

"Drivers should take extra caution on Halloween by driving no faster than 20 miles per hour in residential areas," Mrs. Beaton urged.

Finally, she urges homeowners to make their yards safe for roaming trick or treaters by tying strips of white rag on guards around newly planted trees. Also store hazards like trash cans, lawn mowers, and bicycles that could encourage vandals. It's also wise to leave plenty of outside lights burning.

Mrs. Beaton expressed the hope that news media, police and civic groups will accept and use these suggestions in their promotion of Halloween activities so that it will be a safe night, fondly remembered by all children and their parents.

## SPORTSMEN'S ASSISTANCE

A small but exceedingly troublesome segment of Washington State's hunters are of major concern to all big game hunters and to the State Game Department.

Weekend reports from coastal and Peninsula counties show verified illegal kills of 4 bull elk, and 2 more probable kills. In all cases, the bulls were shot and left in the woods by some irresponsible shooter.

All 6 bulls were big--5 antler points or better on one side. One bull checked by Wildlife Agents had 6 points on one side, 7 on the other.

Such hugh trophy animals are greatly sought after by the legitimate elk hunter during the season which does not open until November 1st, and the illegal kills clearly rob all sportsmen of the opportunity to bag such a trophy.

In the Yakima-Kittitas county portion of the state,

Wildlife Agents report that at least 20 deer and elk have been illegally shot during the past two weeks. Most of the animals have been left to waste in the woods. In some cases, the illegal shooter had removed hindquarters of the animal.

Although not widespread, such "poaching" of big game animals is of serious concern to sportsmen and Game Department alike. The shooting of a game animal "just for fun" is neither sport nor hunting. The Game Department notes that legitimate sportsmen can be of great assistance in reporting any information having to do with such illegal acts. Any information as to description of the illegal shooter, or other circumstances of the kill is appreciated.

Sportsmen who have information concerning such activity should get all possible details and report as soon as possible to a local Wildlife

## QUESTIONS AND ANSWERS

Until recently, most parents of young people were not especially concerned with facts about drug abuse. The use and misuse of new and ancient mind-altering preparations were largely matters of medical, pharmaceutical, and, as regards control, legal interest.

Any compendium of advice on "what every parent should know" might comfortably have excluded the subject of drugs. No longer is this so. Today, our pill-oriented society is alarmed and confused over the growing abuse of drugs among young people.

Waves of shock follow in the wake of reports of campus-wide "pot" or marijuana. The word, "marijuana," has, like it or not, infiltrated the Nation's playgrounds.

Agent or Regional Game Department office. Contact with Agents can also be made through offices of the Washington State Patrol or county sheriff.

There are approximately 90 State Wildlife Agents assigned throughout Washington. It is obvious that a force this size can't be on hand each time a game violation occurs. But with the active support of Washington's true sportsmen, it will be possible to more effectively enforce the rules and regulations that the State Game Commission has created in the interest of providing a maximum wildlife-oriented recreation opportunity for each person in the state.

The problem is real, not just a hobgoblin one. Drugs, such as marijuana, the amphetamines and barbiturates, LSD, and the opiates (particularly heroin) have become familiar: pot, speed, bennies, goof-balls, junk, acid, and similar terms in the world of youth, whose innocence frequently blurs the distinction between being turned-on and turned-off.

As the principal Federal agency responsible for stimulating research on drug abuse, the National Institute of Mental Health is vitally interested in strengthening our arsenal of knowledge and in helping to make the real facts about drugs, as known from scientific evidence rather than rumor, available to the public.

In reaching the public, every member of which has a personal need to know about mind-affecting drugs and their proper and improper use, newspapers are a most important medium.

In our current campaign to develop and carry out, as a cooperative program with everyone interested, a nationwide drug abuse educational program, the newspapers of America are playing a key role.

Articles, such as this, and many other features, editorials, and, of course, the reporting of news developments of all kinds are helping a great deal.

Through such means, people can learn, for example, that the Institute has recently published a series of four factual easy-to-read leaflets on drugs which are being made available to anyone who wants them.

These leaflets attempt to answer some of the most frequently asked questions surrounding the use of marijuana, LSD, amphetamines, barbiturates, and narcotics.

Many of the questions about drugs that young people may bring up to their parents will be found answered in the series.

Being brief, the leaflets cannot go deeply into all the points that may be raised by youngsters. One frequently heard concern adult use of alcohol.

"Well, you drink, don't you?" a child may say. In the first place, the use of alcoholic beverages by persons over 21 is not against the law; marijuana, LSD, and narcotic drugs are illegal.

Secondly, the immoderate use of alcohol--the "abuse" of alcohol--does nothing to recommend this as a means of escaping realities or as a way of life.

Thirdly, the acceptability of moderate social drinking assumes that adults are mature enough to make mature decisions as to their behavior.

Finally, there is the irrefutable fact that the fresh young years of personality growth and development are dangerously inappropriate for any chemical means of confounding reality.

As authorities are well aware, neither laws nor knowledge of the medical facts can themselves bring about the prevention of drug abuse.

It is not so much the total phenomenon of the great use of drugs in America today that bears investigation. Rather it is the misuse and abuse of drugs.

The major harm and the greatest dangers come through the improper taking of drugs, not their proper utilization.

It is toward understanding of drugs, particularly the more powerful mind-affecting compounds mentioned here, that we are campaigning. It is not to prevent the appropriate, often vital, usage of drugs, but only their abuse and misuse, that medical, scientific, and educational efforts are aimed.

"Most folks are stopped in their tracks when they reach the end of a bluff."

because the world is 70% water

## JOHN ROSMOND FOR MAYOR

The Town of Forks needs a man as mayor that has been in the area long enough to understand the feeling of the people and is willing to take the corrective criticism in doing the job. I have lived in Forks for 23 years and have a background in both business and industry spanning a 35-year period. I feel I can do the job of Mayor and will be a good representative for the people in the Mansfield Addition as well as the people in the immediate Forks area. How can you expect to criticize the mayor if he can say, "I didn't really want the job, but I felt I should take it since I got the most write-in votes?"

I would like to urge you to vote on November 4th and when you write in my name be sure and put an "X" after it, otherwise the vote will be disqualified.

## By Fred Jarvis *Highlights*

Still some darn good bowling going on here at Sunset Lanes. See some of the same names every week but new ones keep cropping up to take their share of the limelight. Lots of big games and good series for both men and women. Someone is going to really spring loose one of these nites.

Jerry Beebe had 183 Hi 10 for the Tuesday Afternoon girls and Kay Sundberg tossed a 180-512.

Frank Goos banged out a 230 game for the Sunset guys and Star Fouts had 225-593. Kaye Kelso was close behind with his 225-580.

Jerry Beebe topped the Powder Puffs with a 211-541. Detta Joutsen had 208-501, Kathy Decker, 508, Sally Nagel a 530, and Paula Lyda a 536. Alice Simonton picked off the 6-7 split and Mary Kennedy the 3-7-10 twice. Pay and Save leads by seven.

Here's Jerry again! She hit a 210-561 to take over the top spot in the Hoot Owl League. Nice bowling, Jerry.

Lenora Oliver threw a 167-451 for the Beginners of Thursday Afternoon. Billie Bryan, as captain of one of the teams, rolled a 192 and her first 500, a 502.

A 213 by Leta Rondeau was high for the Women's Thursday Nite, while, (guess who) Jerry Beebe had a 204-540. Betty Blatner had two 202's on her way to a 531 series.

Frank Smiley's 220 and Ken Keeney's 557 topped the West Enders, but Wayne Lewis, with a 139 average, stole the spotlight with a 206-556.

Darrell Thomas was in good form in the Friday Nite Mixed as he ripped out a 234-627. John Nagel had games of 213-216 but missed his 600 by one pin.

Jean Streeter had 199-509, Mother had a 198-530, and Jerry Beebe a 193-515. Lou Suchodolski, with a 139 average, tossed a 189-513. Nagel-Lyda led by three.

Susan Mansfield had a 126 Hi 10 and 248 Hi 20 for the Saturday Mini Squad and Joyce Huling a 119. Donna Klahn picked up the 2-8-7 split.

Elzada really showed the old man up at Saturday Nite Monte Carlo. She banged out her first 600, a 615. Wonderful! I slayed my wounded pride a little by winning the Jackpot. Jean Streeter (she clobbered me too) won nine free games, and Duke took all of our sidepot. Bob and Rae West bowled with us.

Mother had a 198-528 in the Sunday Mixed and Pops Jarvis had 235-619. George Richardson tossed a 220 game and Willis Bryan a 592. Wayne Lewis had a 212.

Real good shooting in Monday Nite Forks Prairie League. Darrell Thomas shot a 228-607 on his favorite one and two alleys, Al Whitehead had a 227. Fred Jarvis a 223-650, Ray Birdwell a 221-581, Stan Fouts a 595, and Claude Clark a 589.

Three teams broke the 3000 mark. Forks State Bank rolled a 207, Brager Bros. had 3106, and Spoelstra Bros. a 3188. Wow!

## Take Third

The two Little League teams from Forks traveled to Port Townsend to Championship Play-off, coming home with second and third places last Sunday.

The Giants played the Chimacum Cowboys in the championship which saw the Giants lose a real heart-breaker, 7 to 0. The game was played completely even terms until the fourth quarter when the Cowboys drove 75 yards to score their only touchdown.

The Giants received the following kickoff and drove to the Cowboys' 4-yard line, only to find the Cowboys rise to the occasion and hold the Giants to preserve the victory.

The Giants ended their season with a 5 run and 2 loss record. The Giants got outstanding performances all year from Harold Bechtold, Jim Blair, Kent Thomas, Gubber Merrick, Randy Millsap, and John Leppell, only to mention a few.

The Packers took third place by downing the Port Townsend Rams, 8 to 0.

After a scoreless first quarter, Ken Olson, behind the blocking of Warren Johnson and Jeff Anderson, raced 5 yards to score the games only touchdown.

Rusty Roberts try for the extra point failed.

The Packers got an additional two points in the second quarter when Brian Nash, Runt Blankenship, and Bill Russell caught a Ram ball carrier in the Ram end zone for a safety.

Steve Tovey, Tim Birley, Butch Eastman, and Randy Colfelt stood out defensively for the Packers.

The Packers ended a fine season in third place with a 5 win and 2 loss record.

The Forks Spartan Babes ran their unbeaten record to five by downing Port Townsend Junior High, 40 to 12 here last Saturday afternoon.

Defense had to be the key to the Spartans' victory. The Babes front line continually put pressure on the Port Townsend offensive backfield. Ron Handerson, along with Danny Kiourkas, Jim Bolin, Bill Jones and Kevin King, all poured through the Port Townsend line enabling the Babes backfield to intercept two passes, both for touchdowns.

Jeff Wittenborn scored the first Spartan touchdown on a 5-yard run capping a 42-yard Babes' drive. George Schumack then tried for the extra two points on an off tackle charge. Schumack was hit hard at the line, forced to fumble into the end zone where Reg Shawgo recovered the fumble for the two points.

Late in the first quarter, after Forks held Port Townsend on down, Jeff Wittenborn field a punt on his own 39-yard line, cut to his right behind the blocking of George Schumack and John Soderlind, raced 61 yards to score his second touchdown.

Raising the score 14 to 0 at the end of the first quarter.

Reg Shawgo started the second quarter out on the right foot, intercepting a Port Townsend pass and out ran everybody on his way to a 44-yard touchdown.

Again in the second quarter Wittenborn went to the air with a 44-yard throw to Craig Petrovich, setting up a 12-yard touchdown pass to Mark Soderlind. George Schumack tried for the extra points on an off tackle slant, but was stopped short of the goal line.

Port Townsend, des-

perately trying to get back into the game, scored late in the second quarter on a 15-yard pass from James to Dregar to make the half time score 26 to 6 in favor of the Spartan Babes.

Port Townsend roared back in the third quarter to score on a 15-yard run by Fields to close the scoring gap to 26 to 12, Spartans.

After a series or punts, Wittenborn drove the Spartan Babes 65 yards in 6 plays, using Bernie Nash and George Schumack up the middle to eat up yardage. At the 23-yard line, things started going tough for the Spartans. Wittenborn went to the air and found Mark Soderlind with a 23-yard scoring strike, Soderlind's second of the game.

Forks waited until late in the fourth quarter to finish the scoring by electrifying the crowd on a "line-man's dream". Reg Shawgo intercepted a Port Townsend pass and raced to the 5-yard line where he was hit hard causing him to fumble into the air.

Bill Jones, seeing the fumble, picked the ball out of the air and traveled the 5 yards to score his final touchdown.

Bernie Nash then powered his way into the end zone capping the scoring with the Spartan Babes 40, Port Townsend 12.

The Babes next game is in Sequim, Saturday at 10:30 in the morning.

Multiply your speedometer speed by one and a half and you will find out approximately how many feet you are traveling a second. At 40 mph you are traveling 60 feet per second. It will take you about nine car lengths to stop at that speed, if the road was dry and you had average reaction time.

But, if the road is slippery or your brakes are not up to par or if you're not in good physical condition, the stopping distance could be twice as long. Ask yourself the question---can I stop in time?

# SPORTS SPARTANS' BLAST RANGERS

By Larry Thomas

The Forks High School Spartans got together in the second half last Saturday night to turn a close game into a 30 to 8 rout over the Port Angeles Rangers.

The Spartans, after an exchange of punts, looked as though they would turn the game into a rout early on the second play from scrimmage from the Spartans own 47-yard line. Behind the blocking of Pete Dahlgren and Ken Holtz, Dennis Perry romped 53 yards for the Spartans' first touchdown. Don Hutt then wisely went to a quarterback option for the points after touchdown, pitching back to Perry at the last minute before he was tackled. Perry then powered his way into the end zone to raise the score 8 to 0.

Port Angeles roared back with 5:12 left on the clock in the first quarter, to tie the score 8 to 8. After an unsuccessful fake punt by the Spartans on their own 21-yard

line, Port Angeles took possession of the ball. On the first play Port Angeles quarterback Ralston found one of his receivers alone in the end zone for a 21-yard touchdown pass. Port Angeles used the same play to score the extra points and tied the game.

The second quarter was a series of fumbles and interceptions with each team getting only one serious scoring threat. After a Forks fumble the Rangers drove to the Forks 9-yard line where the Rangers found the Spartans touch, with their backs to the wall, and lost the ball on downs. Forks then put together one of their longest drives of the season. Behind the running of Dennis Perry and Pete Dahlgren and the passing combination of Don Hutt and Bruce Allen, the Spartans drove 88 yards to the Port Angeles 3-yard line, where a pass interception killed their hope for a touchdown.

Early in the third quarter, after an exchange of fumbles, the Rangers took possession of the ball on their own 17-yard line. From that point the Spartans backed the Rangers up until on fourth down the Packers' punter stepped out of the end zone for a safety and two points for the Spartans.

After the safety kick-off by

the Rangers, the Spartans drove 54 yards to the one-yard line in seven plays where Don Hutt used a quarterback sneak to register the Spartans' second touchdown of the evening. Pete Dahlgren's off tackle burst made the score 18 to 8.

With 8:52 left in the fourth quarter, the Spartans drove 49 yards where Perry again used the power sweep to score his second touchdown around left end. Dahlgren's try for the points after touchdown was stopped, leaving the score 24 to 8 in favor of the Spartans. Port Angeles trying desperately to score again, tried a fake punt-run to get a first down but fell short in their try with Forks taking control of the ball on the Port Angeles 32-yard line.

John Richards then entered the game to give Don Hutt a well deserved rest. On the first play Richards called an end around, with Bruce Allen packing the ball for 17 yards. On the next play, Richards threw a short look-in pass to Allen who bulled his way 15 yards to score. Dan Payne's try for the extra points on a wingback around was tripped up short of the goal line, leaving the score 30 to 8.

The Port Angeles final try of the game to score was stopped by Bruce Dunlap's interception on the Forks 32-yard line.

It is good to see the Spartans again get on the winning side of the ledger and I must commend John Richards, Don Hutt, Dennis Perry, Pete Dahlgren, John Dahlgren, Eddie Jackson, Dan Paine, Dave Beebe and many others on a game well played.

# Huskies Will Meet Bruins

Washington's Huskies make their annual trip to Los Angeles this weekend, taking on the UCLA Bruins this Saturday in the L. A. Coliseum.

Expected offensive starters for the Bruins are: ends Gwen Cooper (6-3, 196) and Mike Garratt (6-0, 192); tackles Doug Diebolt (6-3, 226) and Gordon Bosserman (6-4, 219); guards Ron Tretter (6-0, 203) and Dennis Alumbaugh (6-2, 213); center Greg McLandrich (6-2, 218); halfbacks Jones and George Farmer (6-4, 210); quarterback Dummit; and fullback Cureton.

Starting defensively against the Huskies will be: ends Bob Geddes (6-1, 219) and Wesley Grant (6-3, 216); tackles Osterling and Reese; linebackers Ballou, Don Widmer (6-2, 216) and Bob Bartlett (6-1, 214); cornerbacks Danny Graham (5-11, 173) and Doug Huff (6-3, 214); and safeties Carver and Dennis Spurling (5-11, 184).

Forks Radio Station KVAC will broadcast this Husky game starting at 1:30 p.m.

## State of Washington Department of Natural Resources NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Bert L. Cole, Commissioner of Public Lands. Notice is hereby given that on Tuesday, the 25th day of November, 1969, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks County of Chatham, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

**APPLICATION No. 33243**  
 P-1810 Cleanup located approximately 8 miles by road south of Chatham Bay. The sale is composed of all timber bounded by sale area boundary tags on part NE 1/4 NE 1/4 of Section 17, all in Township 31 North, Range 12 West, W.M., containing 9 acres, more or less, comprising approximately 240,000 bd. ft. of hemlock and white fir, 140,000 bd. ft. of Douglas fir, 120,000 bd. ft. of cedar and 5,000 bd. ft. of spruce, or a total of 505,000 bd. ft.  
 Minimum acceptable bid: \$23,812.50.

Timber will be sold on a cash or installment plan basis. Timber must be removed prior to September 30, 1971.

On or before November 25, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$2,381.25 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price.

Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale, the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee, or may, if the purchaser so elects at the time of sale, pay an additional amount, to bring the total amount of the deposit, exclusive of fees, to equal 10% of the full bid price based on the cruise estimate. This balance may be paid by personal check. Purchaser must

also furnish within 70 days of date of sale a surety bond of \$3,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

**ACCESS ROAD REVOLVING FUND:** \$100.00 to be paid on day of sale.

Accessibility: Via Department of Natural Resources access and Biocled easement.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, November 25, 1969, at 10 o'clock a.m.

**APPLICATION No. 33901**  
 Hoko Knucker Thinning located approximately 10 miles by road southwest of Chatham Bay. The sale is composed of all timber marked with blue paint, plus all sold decked logs bounded by sale area boundary tags and logged areas on part SE 1/4 SW 1/4, part W 1/2 SE 1/4 of Section 10 Township 31 North, Range 13 West, W.M., containing 23 acres, more or less, comprising approximately 120,000 bd. ft. of hemlock and 20,000 bd. ft. of cedar, or a total of 140,000 bd. ft.  
 Minimum acceptable bid: \$2,330.00.

Timber will be sold on a cash or installment plan basis. Timber must be removed prior to September 30, 1971.

On or before November 25, 1969, at 10:00 a.m., each bidder must make a minimum deposit of \$2,330.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price.

Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale, the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee, or may, if the purchaser so elects at the time of sale, pay an additional amount, to bring the total amount of the deposit, exclusive of fees, to equal 10% of the full bid price based on the cruise estimate. This balance may be paid by personal check. Purchaser must

# NOTICE TO ELK HUNTERS

Elk hunters who plan to hunt in the vicinity of Olympic National Park during the general bull elk season should fully orient themselves as to the location of the park boundary lines before they enter the area. This word of warning from Park Superintendent S. T. Carlson was issued today in the hope of preventing any unintentional violations of the regulation that prohibits all hunting within the park.

Carlson said the following special arrangements have been made with the Washington State Department of Game to assist elk hunting outside the park.

1. Hunters may camp in the Queets Valley at either the Queets Campground or the Kings Bolton campsite. All other campgrounds are closed to hunters.

2. Hunter's camps are NOT permitted to the Pacific Coast Area, although public accommodations at Becker's Ocean Resort may be used by elk hunters during the general bull elk season.

personal check. Purchaser must also furnish within 70 days of date of sale a surety bond of \$1,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

**ACCESS ROAD REVOLVING FUND:** \$125.00 to be paid on date of sale.

Accessibility: Via Department of Natural Resources access and Peninsula Plywood Corporation, Crown Zellerbach Corporation, Murray and Nelson easements.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, November 25, 1969, at 10 o'clock a.m.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Said timber on said land will be sold for not less than the appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

BERT L. COLE  
 Commissioner of Public Lands  
 Published Thursday, October 30, November 6, 13, 20, 1969, in the FORKS FORUM.

3. Special hunter access trails across the park lands in the Queets Corridor have been marked with signs and colored streamers. Hunter are permitted to carry unloaded weapons only while traveling over marked access routes to and from open hunting areas. Maps showing these special access routes are available at the nearest Ranger Station.

4. **PACIFIC COAST AREA.** Road access Nos. 1420 (FR-K-1000), and 1430 will be open to hunter vehicles for the period November 1-16, 1969. The former access route on the Big Cedar road is closed this year. This area is now accessible from No. 1430.

5. **10-KS:** No hunter access (in or out) will be permitted south of the Queets road. In the Quinault Valley the only access route out is via the Ca-

noe Creek road.  
 6. Weapons are NOT permitted in the park except where stipulated (as above) and must always be unloaded. When elk legally wounded OUTSIDE the park enter the park, they can only be pursued and retrieved when in the company of a Park Ranger. Rangers may be contacted at the nearest Ranger Station or on patrol and will accompany hunters to the wounded elk.

7. Transportation of legally killed elk is permitted in the park only on the marked access roads and trails.

8. Legally killed elk may be retained at the authorized hunter camps in the Queets for short periods.

9. These provisions are effective during the general bull elk season only-November 1-16, 1969.
