Meditation

By Pastor Howard Stockman

Each year seems to go by faster than the last one. As a child I used to think that I would never get through going to school. I could hardly wait till the time came when I would be able to get a job, get married and be on my own. Now as I look back to the 1940's and early 1950's it seems like it was just yesterday. Time goes by so fast that it seems like I just didn't get everything done that needed to be done.

As I look back on life I see things that I wished I had done when I was younger. As each of you get older you probably look back and see things you wished you had done. Maybe its that you would like to have had more education, or that you had saved more money, or maybe taken more time for God. It always seemed like there would be a better day so you kept putting it off.

When a person reached the quiet years of life he has a lot of time to reflect on his past. It is then that all the past years

seem to catch up to you. No the only things in life for a non-Christian to look forward to is death and reviewing past experiences. The fear of death is something real but you didn't have time in the past to go to Church and set your life aside for Christ. Because of this, guilty feelings come and you don't feel like you are now worthy to be accepted by God. Yet God will still accept anyone no matter what has happened in in the past.

Yet God's concern is not only for you in your waning years he calls you during the prime years of your life. A person who has been active in the Church and truly given their life to Him finds that these last years are great years. They look forward to the time when they will be able to be with God. They also have many memories of the past and these are good memories of the many experiences they have had in their Christian life.

Because Christ has been the one solid thread among all of the broken pieces they have felt a security that is beyond human understanding. Their life in Christ has been something that will live forever.

Now, in "the quiet years," he has a chance to put the finishing touches on that schooner. When a man's working with his hands, he has time for some thinking, for some looking back.

Our aged friend has a good many years to look back over—some of them good, some bad. But, through all of them, there's been one steady, continuing force, like a thread of steel woven through the pattern of his life.

This force has been the thread of faith—a faith that is sustained and strengthened when a man devotes great time and energy to the Church and its mission.

Now in "the quiet years" he can look back over what has been—he can rejoice because he is able to review a life full of devotion.

You see, it is all-important to be able to review the right kind of life. Don't wait. Start going to church now.

protect our property rights. No matter how much fun the PLANNERS have dreaming up all this, the people have to pay for it.

This week's legislative report tells about House bill #250. It tops them all. It is a "title only" bill pertaining to housing. It is the sort of blank check that a legislator who wanted to get the provisions of Senate bill #57, Washington Housing Act, passed in the House, could fill in at the last minute. It could probably be passed without most of the legislators knowing what it was, if, as is often the case, only the number of the bill and the last line of the bill were read before voting.

Winifred Bunker Editor,
Just who does Russ Thomas think he is to criticize the policies of the Forum? What gives him this right?

Just because his support of the Forum for the past umpteen years helped keep it from financial collapse?

Just because he puts his money where his mouth is to show his gratitude for a community where he has become a successful businessman, by contributing to the QV scholarship fund and just because he makes donations to the school?

Just because he is quick to come to the aid of burned out families and others in times of serious set backs and just because he has and continues to help us feed our families unstintingly when times are rough on us and him as well?

Just because he has added services to this community over the years and continues to aid its growth to the benefit of all as well as being a source of employment for so many and for so long?

Just because he gave so much of his time for some really great efforts in the American Legion as well as serving the Chamber of Commerce, Lions Club, etc.?

Just because he worked tirelessly for so many years (at the expense of time away from his own business and lost of many expenses out of his own pocket) to build our Fourth of July celebration to where it is today so that it would be an easier job for someone else to assume?

Just because he's not a Johnny-come-lately flash in the pan but is a successful businessman and an asset to the community even tho it wasn't easy in the beginning against great obstacles from an overgrown fruit stand many years ago to the shopping complex he has today and continues to expand?

Just because he's interested in the continued growth and welfare of this community

which directly or indirectly benefits each individual?

Just because of his achievements, sacrifices and service to the area on countless committees and issues spanning more than twenty years and just who has more than earned the right to speak out on matters vital to the well being of the area?

Now, I ask you, with a long record like that just who does Russ Thomas think he is?

And just who do we think we are to be so quick to pick and forget and so slow to say "thank you" Russ Thomas for all of this and more.

Creative Writing Offered

By Steve Lingvall
A special class at FHS has been in progress since the beginning of school last year. Its purpose is to give students a chance to freely express themselves on paper. Grades aren't stressed in this class, but each student is required to do his assignments and to participate in discussions.

At present, there are only five students in the creative writing class--- Nadine Blair, Frank Dalton, Steve Lingvall, Bernie Nash, and Patti Merrick. Several different phases and techniques of writing have been introduced. The teacher, Mrs. Cunningham, is as enthusiastic about this class as are the students. She has taken great care to plan ahead on this class, unless it interferes with her other classes. Creative writing meets twice a week to discuss assignments and introduce new ones.

Short stories are being developed by the students

as a requirement. They have been working on dialogues, vignettes, various forms of writing (such as descriptive, expository, etc.), and other such small assignments. Writing to music was one of their latest assignments. The teacher brought

in some classical records, and the students brought in some hard rock records, which they compared and discussed.

The future success of this class depends on the increased interest of FHS students.

Tyee - Beaver - Sappho News

BY MRS. J. E. MERRITT

The following item is part of one of the "letters to the editor" that appeared in the Port Angeles Evening News of Monday, January 26, and concerns Herb Haubrick, who, with his family, moved from Tyee to Port Angeles late last year. The writer spoke of "the prophets doom" and their fears that our world is sure to come crashing down about us, and then he continues:

"Amid the gravity of those preoccupations, simple neighborliness seems insignificant, yet might be the answer to a surprising number of problems. And I am happy to report that neighborliness was alive and well on the old Agnew Highway a few nights ago. With five miles yet to drive, my automobile headlights shorted out and in the silent darkness of the lonely road, just before I, too, was reduced to blaming the electrical failure on a plot of both the ultra right and ultra left, a total stranger, young Mr. Haubrick, stopped and I accepted his offer to escort my invalid auto five miles out of his way to my destination. He would accept nothing more than thanks. So thank you, Mr. Haubrick, for helping me and for show-

ing our pronouncers of doom 'that not all people have lost their grip."

And it was signed, LaVerne L. Keys, Route 5, Box 111, Port Angeles.

Susan Cowles Armstrong, elder daughter of Mr. and Mrs. Lyle Cowles of Shuwah, graduated on Sunday, January 25, from Loma Linda University, at Loma Linda, California, with a degree of B.S. in nursing and is now an R.N. Mr. and Mrs. Cowles went down to Loma Linda for their daughter's graduation and rode with Mr. Armstrong's parents, Mr. and Mrs. George Armstrong of Bremerton. They returned on the train by way of Green River, Wyoming and Portland, arriving home last Thursday.

The ladies at Smithville gave a surprise birthday party on Wednesday of last week for Mrs. Wes Gooding and Mrs. James Nodell at the Gooding home. Present were: Mmes. Glen Gooding, N.C. Gooding, Keith Shirley, A.M. Nordman, Dale Dawkins, and Mrs. Wes Gooding, whose birthday was January 25, and Mrs. Nodell, who celebrated hers the following Saturday, January 31. Mr. and Mrs. Clyde Smith had as guests on Sunday, Mr. and Mrs. Arthur Pittman, who had dinner at the Smiths' and

returned that evening to their home at Richmond Beach.

Mrs. Elsie Browning returned home Sunday evening, after spending a week at the home of her brother and sister-in-law, Mr. and Mrs. Ed Isaacson, at Indianola, where Mrs. Browning went the previous Sunday because of Mrs. Isaacson's illness.

Ed Lewis has been a patient since January 13, in the Veteran's Administration Hospital in Seattle, where he had been scheduled to undergo surgery the next week. However, he caught cold or something like the flu, which forced postponement of the operation. It was performed on Monday of this week. That afternoon Mrs. Lewis phoned the doctor who had operated and was told that her husband had stood the surgery well and was coming along fine.

On Tuesday Mrs. Lewis and her son Joe, went over to Seattle to visit Mr. Lewis. She had also visited him last Thursday.

Mr. and Mrs. Sander Swalling attended the 65th anniversary of the Raymond United Methodist Church, in Raymond, Washington on Sunday, February 1st.

LITTLE LEAGUE ACTION

After Saturday's action the Bullets remain as the only unbeaten team in the league. Bob Morgan's crew rolled to a decisive 16-8 victory over the Suns. Don Perry's 10 points paved the way for the victors while Dave Woody tallied 4 for the Suns.

The Pistons got 6 and 5 point performances out of Steve Burge and Brian Nash respectively in a 14-7 victory over the Celtics. Bug Merrick led the Celtic scoring with 4 points.

The thriller of the day came in game #3 as the LaPush Chiefs rallied to score a 14-13 victory over the previously undefeated 76'ers. Butch Eastman got the deciding marker when his 15 footer banked off the board and through the twine after the final horn sounded. Eastman netted 4 for the game and Russ Woodruff led the Chiefs with 5, Ron Gale led the loser's with 6 points.

The final game of the day found the Hawks really taking the measure of the Sonics by a 32-17 count. The Sonics led at half 13-12, but had trouble overcoming a big Hawk third quarter. Mitch Lamb tallied 10 of the Hawks 11 third quarter points and was high for the game with 14. Jeff Hilt chipped in 8 points to aid the Hawk cause.

The Sonic effort was seriously hampered when center Eric Stohl was forced to sit

out half of the third quarter with four fouls and then fouled out with four minutes left in the game. Before he left however, he had accounted for 12 of the Sonic's 17 points. Also, Brad Mast ran into foul trouble, picking up four fouls,

forcing the Sonics to play somewhat loose on defense. Action next week begins at 8:00 a.m., with the Celtics playing the Bullets, game #2 puts the Hawks against the Suns, game #3, the Sonics vs. the 76'ers and in the final game of the day, the Lakers host the Chiefs.

Jerry Price had another good night for the Spartans in pitching 41 points and increasing his state leading scoring pace to 31.3 points per game. Price also had help from Rich Liles who had 14 points and from Bruce Allen who had his finest evening as a Spartan in gathering 18 points.

SPARTANS TO STATE

The Forks Spartans will make their second appearance at the State Class "A" Tournament in as many years as a result of the Spartans 98 to 61 win over the North Mason Bulldogs and Sequim's 55 to 53 loss to the Vashon Pirates.

The Spartan victory and Sequim's loss guaranteed the Spartans the Olympic League crown and a direct

trip to the tournament. The Spartans set a state record in being the team to qualify for state at the earliest date. In the North Mason game the Spartans behind Jerry Price, Rich Liles and Dennis Perry registered a 52 to 28 half time lead and from there on never looked back in registering their 8th straight league victory and 12th victory against two defeats for the year.

The Spartans hit on 46 of 76 shots for 61% and grabbed off 51 rebounds to North Mason's 30 rebounds, putting three men in double figures in the scoring.

Jerry Price, the state's leading scorer, pumped through 37 points for the Spartans to gain scoring honors for the game. Price had help as Rich Liles poured in 19 points and Dennis Perry added 14 points. The Spartans next game will be Saturday, February 7, when they will play host to the Chimacum Cowboys. Sunset Highlites

By Fred Jarvis

Woke up from a light snooze this afternoon just in time to watch bowling on the boob-tube. Weber didn't do so hot, but Smith rattled the pins pretty good. A 673 isn't too bad in any language. How'd you gals like to hit like that this weekend? Wouldn't mind it myself. Anyway, good luck to all of you.

Who was it that wasted a 220 in practice the other day? Mabel Smothers hit a 216 in the Tuesday Afternoon League, while Patsi Hodges rolled her first league 200 and 500, 202-504, Barbara Suslick picked up the 5-6-10 split.

Willis Bryan had a 223 and Chuck Hamby a 589 in the Sunset circuit. Earl Kennedy picked off the 6-7 split, and Caulkins Log moved farther into the lead of the second half.

For Wednesday Powder Puffs, Jerry Beebe hit a rare all spare 180 game, and had the high series of 513. Marge Caulkins and Wilma Engeseth tied for Hi 10 at 194 while Joyce Blair had a 192.

Leta Rondeau flew back up to her perch in the Hoot Owls with a 193-551.

Looks like the Thursday Beginners aren't beginners anymore. Anita Bumgarner had a 186, and Gracie Skewes a 169-410. Save them for the tournament, gals. For the captains, Gayle Helfrich rolled a 190, and Kathy Decker a 479.

Hi 10 and 30 in Thursday Nite Women's was Leta Rondeau's 201-502, Anine Lehman had an even 500.

West End was led by Darrell Thomas' 230-571, Ed Rondeau tossed a 211 and Duke Streeter a 556.

Dean Helfrich banged out a 229 for the men of the Friday Nite Mixed, and Carl Simmons a 208-559, Mother had 187 for the gals and Brenda Middleton a 171-472.

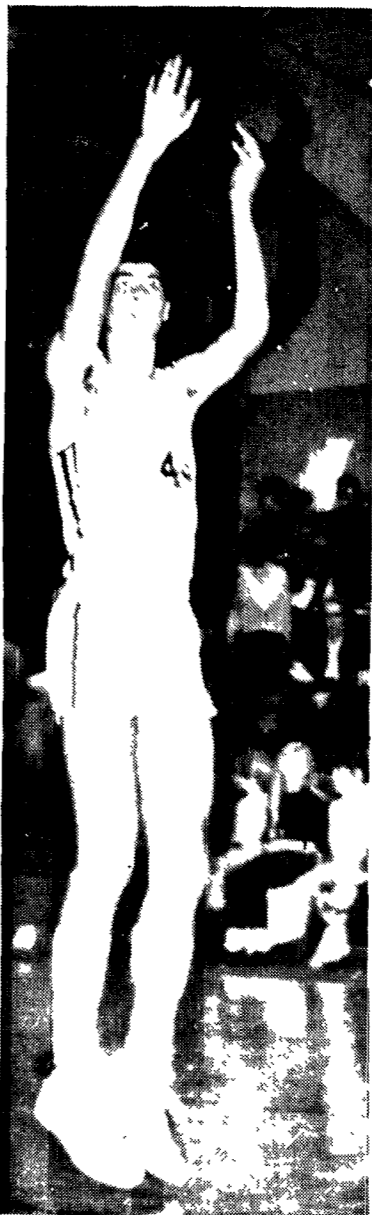

Quite a gob of people at Saturday Nite Monte Carlo, Thirty-three to be exact. No luck on the TV shot or the Jackpot. Got four-bits of my dough back from Duke. Vic and Helen Ulin were bowling, believe it or not! Must be three years since I've seen Vic there.

Leta Rondeau topped the Sunday Nite Mixed gals with a 213-532. Rex Crist rattled the pins for a 224 and Duke Streeter had a 557.

John "Retired" Nagel was the big gun of the Forks Prairie League as he led Bragers to a 29 out of a possible 30 points with his 233-603. Duke Streeter tossed a 223 game and Fred Jarvis picked up the 6-7-10 split.

Bowlers of the week: Mabel Smothers 216, Leta Rondeau 551, Darrell Thomas 230, and Chuck Hamby a 589.

STATE'S LEADING SCORER

Out of all the high school basketball players in the State of Washington, the leading scorer with approximately 31 point average, wearing No. 44 in a white home jersey and No. 45 in the blue travelers suit, is none other than 6'7" Jerry Price. Being the top scorer in the Evergreen State is no easy task, as much pressure is placed on this young athlete whenever he takes the court, home or away. On the road cheers come from the opposing rooters whenever a foul is called on No. 45. The gym thunders with cheers whenever Jerry hits the floor. He is double teamed and sometimes finds three men hanging on when he goes up for a jump shot, slaps on the face and scratches on the arms come whenever Jerry goes up for a rebound. Many of these fouls are never called as Jerry takes them with a smile. An outstanding figure in the Spartans 6th place finish at State last year, still looms as a threat to all who challenge the Spartans again this season.
