Editorial . . .

By Nedra Reed

Does Clallam County need a new courthouse and jail facilities or should we be content with the antiquated buildings that we have?

There have been several proposals: the last few days. One of these is to rent the Port Angeles jail facilities. The other is to remodel the existing facilities to provide the needed room.

Perhaps we should attempt to evaluate what we have and then make a decision.

The present courthouse was built in 1914, it has long since outlived its usefulness. At this time the county is renting space in the Lincoln Building. The law library is there, so is the county school superintendent, the superintendent's offices take up the entire second floor. The county agent's office is in the Federal Building and the county prosecutor's office is maintained in Mr. Richardson's private law office. The county is paying over \$1000.00 a month in rent on these and other offices in Port Angeles.

The working conditions and the lack of space in the courthouse are a disgrace! The files in the treasurer's office are stacked so high the office workers have to use a step ladder to reach them. The confidential court records are kept in cardboard boxes in the clerk's office.

In 1966 the question of a new courthouse facility was raised. The architects had drawn up the plans, but the tax package presented to the voters was a bit too steep. Most people felt it would be enough to build on to the present structure and keep the same design.

Tell me why in the Twentieth Century would anyone want to keep that style of building? It isn't practical, it must cost a fortune to heat, and the space to build on is very limited.

There are two alternatives, one is to build a new courthouse, call it a county government building or what have you. This can be done in either of two ways. Tax the taxpayer or what the county commissioners had tentatively agreed upon before all the controversy began, build the courthouse complex with financing secured in the usual manner. The county has approximately \$200,000, received from investing surplus funds. This would be a good start on a building fund. The county has for the past several years been run on a cash basis, this would be the case in a situation like this. It would perhaps be possible to combine the city and county government offices in one building. This has been done in other areas with very favorable results.

Or we can continue to rent office space in various buildings around town, rent the Port Angeles jail facilities and try to house together and at the same time keep separated the management of the jail facilities.

There is one very important fact to keep in mind, county government is a business and should be run as such. When a business expands and the place of business does not, it is time to move. The Clallam County government has outgrown its place of business.

The base period for claims filed in April, May and June is the calendar year 1969.

the week in which he files his claim, will continue to be the lesser of one-third of his base year earnings or 30 times his weekly benefit amount.

After April 5, the disqualification periods for work separations because of misconduct or voluntarily leaving without good cause will be extended from six to eleven weeks. However, such disqualification may be terminated at an earlier date if after returning to work the employee's earnings in each of five weeks is equal to or in excess of his weekly benefit amount.

Pension payments will serve to reduce an employee's weekly payment under provisions of the new law.

Graduation Day is Coming

By Steve Lingvall

Students pull up to the sidewalks, climb out of their cars, rush into a store, and emerge with an arm load of various odds-and-ends. What is the reason for this mad rush? Graduation Day is drawing nearer and nearer. Soon, these young men and women will step out into the "cold, cruel world" to take their rightful place in society. Some of them will further their education in college. Some will begin to work and raise a family, and others will enter the armed services. Whatever path they choose to follow, everyone should wish them the best of luck.

Already, last Tuesday, March 17, these individuals were measured for their caps and gowns. Even before, they had made preparations to compete for scholarships, which they will receive on their night of departure. Teacher evaluations, community observations, letter of application, and other such forms will determine which individuals should receive a scholarship.

CBHS Principal Appointed

The Cape Flattery School Board meeting was held March 9 in the Neah Bay High School Commercial Room. There were several people attending.

Mr. Willison introduced Mr. Malone as the new principal of the Clallam Bay School. Resignations were read from Ruby Jacobson, Clallam Bay 1st grade. Miriam Black, Neah Bay kindergarten and Elizabeth Carlstad, Neah Bay Librarian. Their resignations were accepted.

A letter from David Berrian was read regarding consolidation.

A copy of a letter was read from George Ellis to Dr. Mattson, Director of Special Education in the State Superintendent's office, suggesting Intermediate District #114 coordinate Special Services for the small schools of the district.

Mr. Willison read a letter from the Chief Examiner for the State Auditor in regard to the double entry accounting for next year. Small schools with enrollment under 1,000 are not required to go to the double entry system at this time. However, it is recommended that the change be made as soon as possible.

Full accreditation for both Neah Bay and Clallam Bay High Schools have been granted, with no deviations for next year.

The financial status, composite lunch and list of bills were presented by the clerk. Mr. Willison reported on his trip to Silverdale for Inter. Dist. 114 meeting and the advisory meeting in Sequim on March 5th.

Tree Seedling Sale March 20 and 21

The Clallam-Jefferson Farm Forestry Association is again holding their annual tree seedling sale. The sale this year will be held in Port Townsend as well as in Port Angeles.

The Port Townsend sale will be held on Friday, March 20, starting at 12:00 noon next to the old Safeway store.

The Port Angeles sale will be held on Saturday, March 21 starting at 10:00 a.m., in the parking lot at Aggie's Restaurant and Motel.

A certain portion of trees will be allotted to each sale and the sale will terminate when the trees are sold. Seedlings will be 15¢ each and no advance orders will be taken.

This year due to some shortages of available trees the Farm Forestry Association decided to provide some different species. The seedlings available will be California Red Fir, Scotch Pine, Redwood, Cedar, Colorado Blue Spruce, Ponderosa Pine and Port Orford Cedar.

The Clallam-Jefferson Farm Forestry Association sponsors this sale to provide hard to get seedlings to the community and to raise money for the association projects.

Money from the past sales have helped to send boys to the Wind River Resource Management Camps and to purchase a machine to help in forest management.

Pre-School PTA Discusses Narcotics

Narcotics was the subject discussed at Pre-school's monthly meeting, held March 10th. Deputy Jay Skewes showed the movie "Marijuana Too" and gave a talk on narcotics in Clallam County and how it affects everyone. A question and answer session followed.

A short business meeting was held. Selections of the nomination for next year's officers were voted on. Elections will be held next month.

Wilma Richards gave an impromptu talk on the PTA Convention held in May. Judy Fraker and Edie McKee gave a brief report on the progress of the cooperative Pre-school. Deckie Aggergaard will head a committee for this year's "Fathers Night."

Mrs. Merna Johnson and baby from the Edwards Apts. spent four days in Bellingham this week.

PRE-SCHOOL NEARING COMPLETION

Pre-school students enjoy their snack time. The bunny tails and ears are a part of their activity of acting out the story of "Peter Rabbit".

A co-operative Pre-school sponsored by the pre-school PTA is being conducted in Forks. There are 16 children enrolled in the classes held every Tuesday and Thursday from 9 to 11 a.m. The school started February 3rd and will run 8 weeks.

This is an experimental pre-school held this year to iron out the problems before going into the program next year on a full scale.

Teachers for the school are Mrs. George Fraker, Mrs. Fraker has a degree in teaching and generally handles activities of the group. Assisting Mrs. Fraker is Mr. Marlin McKee, Mrs. McKee has several years experience working with pre-school age children. She is in charge of the art and other projects.

The object of the pre-school is to better prepare the children for kindergarten.

The average day of pre-school goes something like this. Free play, work time, daily activities and snack time. The students have completed several projects this year, they have grown plants, as part of a nature study, acted out stories as

part of expression classes, made snowmen, painted with finger paints and easel paints. This program originated by the Pre-school PTA and due to limited facilities children of members of pre-school have preference. Parents of pre-school children volunteer their time to help with the classes thus the name, co-operative pre-school.

St. Anne's Marian Club

Due to the crowded calendar and the Lenten season the St. Patrick's Day luncheon previously planned by the Marian Club has been canceled. However there will be a regular meeting of the Marian Club March 26 at 12:30 p.m. at the home of Mrs. L. Soderlind.

Addresses West End Democratic Club

The West End Democratic Club held its regular meeting Thursday, March 5 at the VFW Hall. Bill Thompson was the guest speaker, the topic of the talk was the proposed Vocational Training Program for the Forks school system. He said, "next year the school will start a carpentry class and will build houses on school property. The projects are to be finished by the end of the school year. The houses will then be rented to the teachers, the rent received will be used to pay for materials. According to Thompson, the students will learn something else besides carpentry, they will also do plumbing, wiring, painting and all related jobs. The art classes will help with the interior decorating.

There had been an invitation extended to the club from some of the members from Neah Bay to be held at the April meeting there. The club decided to do so. The membership is urged to meet at the VFW Hall on the evening of April 2 at 6:30 p.m. and be prepared to leave promptly. The meeting will start at 8 p.m. at Neah Bay.

Mrs. Jacobson, who is on the Ways and Means Committee reported that her committee is working on a potluck dinner for members and friends at a time and place to be announced later.

Meditation

By Pastor Art Morlin

Revelation 5 dramatically pictures the power and authority and dominion of God. There we see a book, sealed with seven seals. No man is able to break the binding of these seals. The seer who beholds this vision weeps, and weeps much, because the knowledge and the wisdom of the book cannot be disclosed.

Then the Lamb of God that was slain takes the book and breaks the seals. The scene unmistakably and instantly sets forth the truth that Jesus, the Lamb of God who was slain at Calvary, alone has the power to disclose and interpret the mind and purposes of God. Only by an effort of the imagination can we realize how closely sealed and how dark the mystery the Old Testament would have been if Christ had not died and risen again. It was not until Christ died on the cross that the secret of the Old Testament was revealed. It is the Lamb which was slain who broke the seal.

There are some today to whom the New Testament is still a sealed book. There are scholars to whom we owe a great debt, who know its history as an astronomer knows the planets. There are students who have searched out its literature, canvassed its references, inquired into its customs and times. There are teachers who find no praise to high for the wonder of its parables, the wisdom of its counsels and the tenderness of its epistles. Yet its secret is hidden from them. For them it is merely the story of the greatest religious movement of the East; the record of a lovely life to be lived. You yourself can be brought to the true understanding only as you by faith are brought to the acceptance of Christ and His death on the cross as the sacrifice for your sins.

The fulfillment of all that Christ has done for us will not be unfolded until we come to our complete salvation in heaven. There you shall sing a new song: "Thou alone art worthy to take the book and to open the seals.... for thou wast slain, and hast redeemed us to God."

The Great Man Came

The crowd had been gathering for hours. From every corner of the town they came—from tall white houses on the hill and cramped row houses by the mill. There were bankers and housewives, students and salesmen, grandmas and grocers, all drawn by a common hunger to hear the word of God.

And then the great man came. He stood before a microphone, and his words spread over the gathering like a benediction.

Suddenly, the shadow of a bygone day spread massively from another crowd, another place, to those gathered here. A thousand differences were reconciled, as the congregation found a common bond under the spell of Good Friday, when God gave His Son in a wondrous gift of love.

So, in these troubled times, as crowds gather all over the world—sometimes with hate in their hearts—let us pledge our time and talents to our churches as they teach the brotherhood of men through the fatherhood of God.

Scouts Clear Campground Area Newcomers Club Coffee Hour Held

KEVIN HINCHIN, Troop 467, helps clear the Scouts' campground.

Boy Scout Troop 467, camped out at their Bogachiel camp, February 28 and March 1. The camp is five acres of leased ITT Rayonier Inc., land along the Bogachiel River.

The purpose of this campout was to ready the site for an invitational camporee in late May. About ten troops are expected to attend this camporee. The Scouts worked hard clearing an area for the camporee parking lot.

The troop has many new leaders. Mr. Bruce Monell and Mr. Bill Thompson now lead the troop. Mr. Jim Bolin helps the advancement of the troop. More leaders are needed. Jerry Beebe is the junior leader for the troop. Sam Plumley, Larry Woody, and Ernie Colburn are patrol leaders. There are now three patrols. The troop usually meets at 7:00 every Wednesday night.

Homemakers Discuss County Fair

Clallam County Extension Homemakers Advisory Council met Friday, March 6th in the Federal Building in Port Angeles.

Ten clubs from Clallam County were represented. Mrs. LeRoy Kinselman presided over the meeting in the absence of president Mrs. James Helmick.

The council reluctantly accepted the written resignation of vice-president Mrs. Clifford Coombs who resigned because of business conflicts. She did an excellent job as vice president.

Reports were given. A discussion was held concerning the Homemakers Clubs taking over the entire home economics building at the Clallam County Fair. The matter will be resolved at the spring meeting.

The spring meeting will be April 15 at MacCleary Hall with the Carlsborg Club and East, West Club as hostesses.

Community Concert Drive

Preparations for the 29th season of the Port Angeles Concert membership drive have been completed by Mrs. Myron Carlson, secretary of the Association and Mrs. W. L. Buzard, drive chairman.

The first two weeks of the drive was for membership renewals. The third week ending March 21 will be for new membership.

This year memberships will be available in Forks by contacting Mrs. Gordon Marsh 374-5154 mornings or evenings or Mrs. Warren Paul 374-5413. Mrs. Paul is a new member of the board.

Two holds, selected at an early meeting will be "Ballet America," a dance group of 20, and "Three on Broadway", baritone, soprano, and piano. These with two other concerts will compose the series of four attractions. New members will have a bonus of the last concert of this year, April 9, which will be the classical guitarist, Christopher Parkening.

The Newcomers Club of Forks met Wednesday, March 11 at the home of Mrs. Lee Cromley, for a "coffee hour".

There were five newcomers present, Mrs. Betty Woods, Mrs. Becky Aggergaard, Mrs. Bonnie Huhn. Mrs. Mary Howard, and Mrs. Mary Jo Carle.

Welcoming the newcomers was Mrs. Kay Lonn, Mrs. Kate Campbell, Mrs. Ingrid Lingvall, Mrs. Wilma Peterson, Mrs. Dolly Haag, Mrs. Edith Woody, Mrs. Suzanne Olson, Mrs. Carol Cromley, Mrs. Lou Marsh, and Mrs. Nedra Reed.

The purpose of the club is to acquaint newcomers with the community.

The speaker for the meeting was Mrs. Lou Marsh, from Forks Memorial Library. Mrs. Marsh gave the newcomers a "welcome" from the library and told of some of the services rendered by the library. A question and answer session followed.

The business meeting was held, hostesses and co-hostesses for the next few months were secured. The meetings will be held the second Wednesday of each month thru June. There are no dues and no membership fees, all that is needed is the desire to welcome the newcomers to our area and to share with them the problems as well as the rewards of living on the Olympic Peninsula.

If you are a newcomer or know of somebody who is, please call a member of the executive board, Mrs. Olson, 6387, Mrs. Woody, 6607, Mrs. Peterson, 6967, Mrs. Reed, 5788 or Mrs. Cromley, 6452, or any member of the newcomers club.

Sunset Highlites

By Fred Jarvis

Setting here at the alley almost too pooped to pen this week's column. Bowled on three teams in the City Tournament. Mother is pretty tired too, as she only put in about 27 hours behind the counter during the Tournament.

Some pretty good scores in this year's event as Earley Tire capped first place with a 3061, Lefler's second at 3021, Lions Club 2999, and Forks State Bank, 2991. Tom Montoya and Carter Barker of the Neah Bay Air Force won the doubles with 1257, Frank (Banker) Horton took the singles with a 674, and also picked up a patch from the ABC for his 161 triplicate in the doubles. Don Breneman of the Air Force finished second in the singles 660, and first in the All-Events Handicap with 1935. Another good bowler from the Air Force, Carter Barker, won the scratch All-Events with his 1740 nine game total.

As soon as Anine Lehman quits bothering me, I'll finish this.

O, K, here we go again. Darrell Thomas won both high game and high series scratch with a beautiful 257-687. All in all, we think we had a real good tournament, thanks to Duke Streeter, tournament manager and his helper Stan Fouts. And especially to Jean Streeter who worked real hard totaling up the scores after each shift. And we mustn't forget the gals who kept score for us guys. Thanks again.

Tuesday Afternoon League: Patsi Robinson, a first year bowler hit 201, her first in league. Barbara Windle hit a 193 and picked up the 4-5-7 split, Barbara King converted the 7-9 split and received 10 free games from Sunset Lanes. Kay Sundberg had 506 hi 30.

Junior Mixed: Lynn Lewis, Jill Horton, and Patty Sullivan tied at hi 10 with 132, while Patty took hi 30 with her 368. Mark Henry topped the boys with 199-528. Nice shooting. Ken Olson picked off the 6-7 split.

Sunset: Darrell Thomas southpawed his way to a big 257-647. Carl Simmons hit a 251, Chuck Laswell a 224, Fred Jarvis 222-602, and George Richardson 222-595.

Powder Puffs: Pat Mansfield a 188 and Leta Rondeau 506. June James knocked over the 3-7-10 split.

Doris Markham's 194 and Leta Rondeau's 482 was the best in the Hoot Owls.

Bernie Richardson???? hit a nice 210 in the Women's Thursday Nite League, Anine Lehman a 200-527, and Helen Thomas a 528 from high series.

West End had Darrell up there again with 226-583, and Duke Streeter rolled a 221-596.

Mother hit a 201-507 in the Friday Nite Mixed, Jerry Beebe a 190-523, Duke Streeter for the men at 199-561. Jarvis-Bigelow won the second half and will bowl Nagel-Lyda this Friday for the championship.

Duke had the TV shot at Saturday Nite Monte Carlo and Jean the money shot, but neither converted. Al Genson won

Skychiefs Win Crown

Clark's Skychiefs fumbled their way to a 65 to 59 victory over Holmberg Shake in the championship game of the Pot Belly League last Friday night in Forks.

The Skychiefs, behind the scoring of Jerry Cash, led 22 to 17 at the end of the first quarter but could never gain the momentum to increase the lead as Holmberg Shake stayed within five points the rest of the game and even led by one point with three minutes to play in the game.

Though they had trouble finding the scoring range, the Skychiefs still put three men in double figures as Cash, Roy Mohondro and Norm Bagby scored 15, 13, and 12 points respectively. George Rose led Holmberg with 19, followed by Bobby Hicks with 14 points and Hubert Williams scored 10 points.

Scoring:
SKYCHIEFS (65)--Olson 2, Thomas 8, Cash 15, Mohondro 13, Medsker 8, Kreaman 3, Bagby 12, Peterson 4.
HOLMBERG SHAKE (59)--Hayes 8, Milinkovitch 6, Williams 10, Hicks 14, Rose 19, Rotter 2, Jensen 0, Boone 0, Sanderson 0, Metcalf 0, Wells 0, Plaster 0.

Track Season Opens

Coach Roy Mohondro will have his work cut out for him this month as track turn out begins March 23. The Spartans are faced with a rebuilding year as only 3 lettermen will be returning from last year's thinclad team. All interested students are encouraged to get in touch with Coach Mohondro before March 23.
