A Step Ahead

By Steve Lingvall

On April 4, the juniors (11) of FHS will participate in the Washington Pre-College Test. This test is designed to predict the average grade each individual may receive while in college. It will also reveal which subject they will major in. Although they will have to wait over the summer months before they receive the results, they may find that at least one obstacle to their college entrance has been taken care of. Mr. Leon Golden, student counselor, will speak to each individual about his test, when the results come in next year.

The idea of attending college may not have crossed their minds, yet. It is a difficult decision to make. However, it is a decision that must be made. A person's future may hinder on whether he wants to further his education or not. But that decision should be made alone, with no outside interference.

of things with textbooks, etc. as well as the maintenance that has been put off due to the shortage of funds. 85.6% of the students in the State of Washington go to schools which have special levies that average 23 mills above the regular millage allowed to school districts. This school district has not had a special levy since 1962. Mr. Hitchcock presented to the Board facts and figures that will enable the Board to request a reduction for 1971 in the levy now being collected for the Bond Redemption Fund.

There is real need in many areas of the older buildings for repairs, updating textbooks, the vocational education proposal to be considered, as well as many other items.

Emphasis was placed on the fact the proposed special levy would be for taxes to be collected for one year only. There was considerable further discussion. No decision was made at this time, but would be gone into in detail at a work-study session on March 25th with anticipation of action at the regular meeting April 16, 1970.

Resignations of Mildred A. Lundan, Angeline V. Hyde, and May Belle L. Price were accepted. All contracts of teachers were renewed.

Revenue and expenditure reports from the superintendent's office were noted.

Clarification of wages for painting of elementary furniture was made and \$3.50 per hour was set.

A.S.B. and High School financial reports were noted.

Mr. Hitchcock noted several bulletins from the Office of the State Superintendent of Public Instruction for the information of the Board.

Let's Get Started!

By Steve Lingvall

Paper, candy wrappers, and other such articles flutter about in the wind. Tin cans and bottles lie discarded on the side of the road, on the beaches, in the woods, and elsewhere. Everywhere you look, ugly litter stares at you right in the face. You can't hide from it, because it is right behind you. What have we done?

Many people used to say how beautiful their land was. Tall, majestic evergreens; clean, bubbling brooks; green grass; blue skies--- all various signs of God's "mystic" touch. But where are they now? Smog and trash have covered them. Forks may not be inflicted quite as badly, but if we neglect our countryside, the consequences will rest solely on our heads.

Glen MacDonald, a student of FHS, is striving to organize a group of students to combat this problem. He wants to see a community that shines in beauty, as it had in the past. Perhaps if some of the local people were willing to help, a clean-up program could be organized to wipe away this ugly mess. How about it? Are you willing to give a helping hand?

First look at your town. There are a small number of trash cans on the sidewalks to deposit any objects in. Schools have the same facilities--- and should use them. Our highways are an eyesore. More cans should be set on the road. Beaches and streams could be devoid of litter. You carried them to these areas; undoubtedly, you could carry them out.

sort of a traffic control light can be installed. There have been several complaints of congestion on that corner especially in the rush hours and in summer.

The Council heard a question about the cess pool at the Harvey Hoffman property, although a new septic tank and dry well have been installed, there is a piece of plywood covering the former cess pool. The Council heard a question as to whether it had been pumped and filled. The Council will contact Mr. Hoffman concerning this matter.

The question of traffic congestion at the Post Office was discussed. There seems to be little, if anything, the Council can do concerning this, because of limited space and the location of the school.

There have been several complaints of speeding on Calawah Way. The marshal's office plans to concentrate their efforts to stop the problem. According to Marshal Woods, several citations for speeding have been issued in that area.

STATE WILL NOT PAY FOR ALCOHOLISM AND NARCOTICS TREATMENT

The State Department of Public Assistance has notified all physicians and hospitals that detoxification for alcoholism or narcotic addiction in a hospital or on an outpatient basis is not provided as a part of the medical care program. The department will treat concurrent diseases and complications.

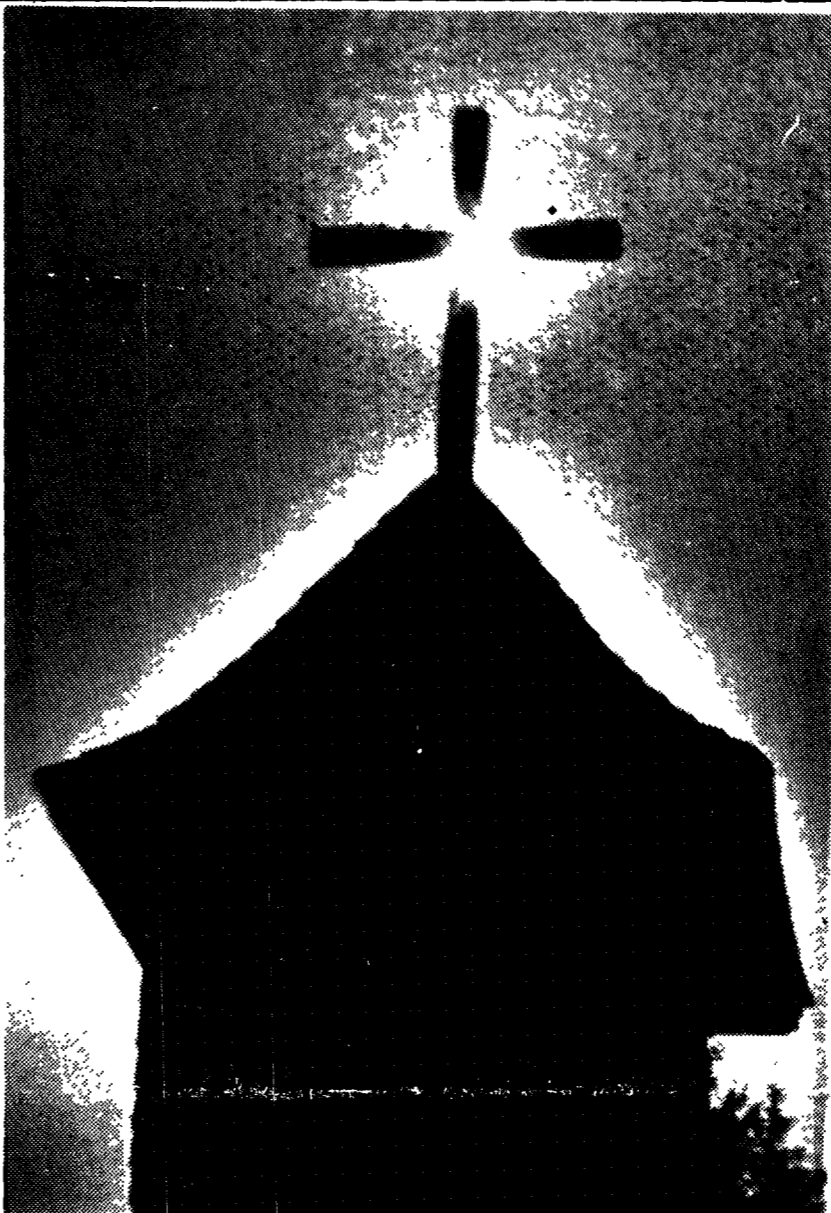

This change became effective following the emergency adoption of the rule on December 5, 1969. The public hearing concerning this rule was held December 29, 1969.

The Department will not honor for payment billings which bear, as a primary diagnosis, "alcoholism" or "drug addiction".

Farewell Party For Seppo

A farewell party was held March 8, for Seppo Hartikainen. The party was held at the Paul Lingvall home. Seppo has spent the past year working as a forester for the Department of Natural Resources sponsored by the American Scandinavian Foundation. Seppo graduated from the University of Helsinki with a degree in Forestry. He left Saturday for his home in Finland.

Those attending the party were: Mr. and Mrs. Roger Addleman, Mr. and Mrs. Paul Lingvall, Mr. and Mrs. William Bullock, Mr. and Mrs. E. C. Gockereil, Mr. and Mrs. Ron Lufkin, Rev. and Mrs. Howard Stockman, Mr. and Mrs. Dan Kousbaugh, Mr. and Mrs. Gary Hayes, Mr. and Mrs. Fred Haaapala, Mr. and Mrs. Larry Holt, Mr. and Mrs. John Boggs, Mr. and Mrs. Hank Zepeda, Mr. and Mrs. Dave Hancock, Mr. and Mrs. Sam Quigley, and Mr. and Mrs. Gordon Otos.

Visitors were Enoch Johnson, Thomas Winsor, James Traver, Joe Newby, Will Slathar, William Thompson, Mr. and Mrs. Robert Jones, Jr., John Leppell, Michael Daniels, Terry Sullivan and Mrs. Philip Reed were welcomed and asked if they had business before the Board.

Mr. Leppell asked for the use of a school bus for the P. T. A. Swim Program to be held from June 8 through June 26. They have used one before and pay the driver and the cost of running the bus. The use of a school bus for the program will be provided again this year.

Mr. Hitchcock presented a formal petition to be signed by the Board requesting annexation of school property to the town of Forks. This petition will then be presented to a Town Council meeting for their action.

Bids were opened for furnishings for the schools.

One bid was received from Audio-Visual Center on the audio-visual needs. This was in the amount of \$3,862.47. One bid was received for the cabinets from Monitor Cabinets in the amount of \$8,811.00. One bid was received from American Seating for furniture in the amount of \$9,109.96. The bids of Audio-Visual Center with the exception of Model L13AB-W/Tw @ \$313.50 for a total amount of \$3,548.97; the bid of Monitor Cabinets in the amount of \$8,811.00; and the bid of American Seating in the amount of \$9,109.96.

Mr. Hitchcock announced the State Examiner had been to the office and examined the books for the years 1966-67 and 1967-68. The examiner did not believe we should be paying only 1% interest on interfund borrowing. He felt if you borrowed money from a fund you should pay what the going rate would be if your money were invested and earning interest.

There was considerable discussion as to the needs of the District in just staying abreast

Clarence W. Handy, 32, of Port Angeles, a partner in P & K Logging Company of Port Angeles, was killed Monday, March 23, in an accident involving a power shovel. The accident occurred on Tye Ridge.

According to Hugh Rodman, Department of Labor and Industries, the accident is still under investigation.

The Olympic Memorial Blood Bank collected 22 units of blood at the annual Beaver blood drive. The blood drive was held March 19, 1970 at the West End youth and community hall.

The twenty-two units of blood that were collected represents the smallest amount of blood donated in Beaver in recent years. Blood Bank membership in the community is apparently declining, which is very regrettable.

Application forms were left in Beaver for distribution in the area. Anyone who wishes to join Olympic Memorial Blood Bank can obtain applications and information by writing OMBB, 935 Caroline St., Port Angeles, Washington 98382. At present there are over 5000 family memberships in Olympic Memorial Blood Bank.

The Forks Town Council met Monday, 8 p.m., at the Town Hall. Councilmen Hall, Swerin, Anderson, Smiley and Cline were present.

The Council heard from Bob Quinn, Interstate Paving Co., concerning road work to be done in the area. Quinn stated he was going to be in Forks from April 1 to April 8th. He quoted the Council a price of \$11.00 per ton and stated it would take 1500 tons to surface 1st Avenue from Calawah Way to the bowling alley road. It would cost \$16,500, to surface the street to a depth of 1 1/2 inches. This price did not include Sol Duc Way to the city limits or the bowling alley street to Highway 101. After a lengthy discussion the Council decided the city could not afford an expenditure of this amount and also the law states the Council must call for bids.

A representative from Walker Construction Company of Forks was present to discuss the plans the company has for building houses in the area of the town on G Street S.W. The Council informed Mr. Walker he must provide a 20 foot roadway and if he plans to construct four or more houses he must file for a platting permit since the town does have an ordinance covering building project of this type. The Council continued the matter to April 13; when both representatives of the company can be present.

The Council received a petition for annexation of the school property. The area includes the 12 acres of ground east of the school. A public hearing on the annexation will be held April 13, 8 p.m. at the Town Hall. The public is invited to attend.

The bonding ordinance for the Town Hall and marshal's office addition was presented to the Council by Attorney Frank Platt. The ordinance will be published prior to the sale of the General Obligation Bonds in the amount of \$30,000. The ordinance was approved by the Council. The bids will be opened April 27, 1970, at the regular Council meeting.

Ordinance No. 115 concerning narcotics possession and sale was presented to the Council. It was unanimously approved.

The vouchers were approved. Building permits were approved for Peninsula Tel. & Tel., contractor, D.D. Peterson, to remodel old telephone building on Calawah Way. A request for a permit from Gull Oil Company to build a self-service gas station on the Legion Hall property was denied until the company representatives meet with the Council to discuss the matter further. Attorney Frank Platt will check safety regulations and town ordinances covering an establishment of their kind.

A public hearing for the Thomas Addition plat will be held May 1st.

The question of a stop light at the intersection of East Division Street and Highway 101 was discussed. The Council will make a request to the State to study the proposal and inform the town if some

There is a line in a song popular with our younger generation. It goes something like this, "Look around and tell me what you see," and of course since it is a song about life in the world today it does not stop here. But let's look around and what do we see?

We see a small community surrounded by hills, mountains and water. An area relatively free from air and water pollution, an area where our children can grow up enjoying freedom and the wonders of nature. We also see an area which offers a great abundance of wildlife and fish (except steelhead this year). An area free from the riots and unrest we find so prevalent in the United States today.

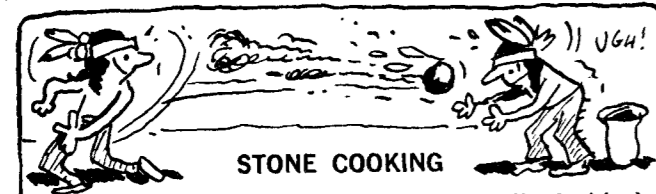

A community that is ever growing, new hopes are being built as well as a new school and hospital.

But what about the people that live in this community? What do we see? A doctor who for many years has given unselfishly of his time, a group of very conscientious police officers, doing their best to provide the residents with law enforcement they can be proud of. A school providing our children with a proper education under very difficult conditions, as well as offering night classes for parents who want to continue their education. An ambulance service to be proud of, a search and rescue unit that is always on the job, day or night. A Town Council faced with numerous problems but attempting to provide us with a city government to be proud of.

This list is far too long already and we haven't even started!

What about all the people you meet, people who smile or just say hello as you walk down the street. What about all the others who give so unselfishly of their time to help when help is needed, and last but far from least, the ministers of the various churches of Forks, who work together for the good of all of us.

Yes, we have a growing community, a community of wonderful people, a community of which I am proud to be a part.

Five Days of Glory; The Day of Doom

By Steve Lingvall

Due to the state tournament, a special holiday was declared by FHS for the purpose of allowing students to attend the games without missing any school. From March 4 to 6, the students either went to the games or celebrated their vacation at home. Although victory evaded their grasp, both the players and their loyal legions of supporters enjoyed every minute of their stay.

Some of the players remained in Tacoma, while the others returned home to their jobs. Those few individuals who stayed at home listened faithfully to every move of the teams at the tournament on the local radio. Otherwise, they did various tasks at

home, walked downtown, watched T.V., and generally enjoyed their hard-earned vacation.

However, as much as they enjoyed this brief respite, the time soon came for them to return to school. Five days seemed to go by quickly--too quickly. Perhaps, everyone would learn to adjust to the normal routine again.

Bellingham Wins Invitational Tourney

Hustle is the name of the game in basketball and the Binky Studs, as they so liked to be called, proved it as they hustled their way to three straight victories and first place in the Forks Invitational Basketball tournament in Forks last weekend.

Bellingham opened their bid for the title by downing Traylor's of Port Angeles 108 to 81, behind the leadership of Gilbert Willemson, Willemson, voted the most valuable player of the tournament, was one of six players to reach double figures in scoring for the Studs. Jim Irvine led Traylor's with 31 points.

Then again Saturday night, Bellingham showed their scoring power putting five players in double figures in romping past C & K Log, 93 to 70. Bellingham was led by Jim Asher with 20 points, Jerry Silves had 17 points, Jeff Reynolds with 13 points and Mike Peregrin and Clayton Silves with 12 points apiece.

In the championship game it was Willemson again coming thru in the clutch with 30 points and out and good basketball in leading the Studs to an early lead over the Auto Dealer. After the Auto Dealers had tied the game up, Willemson led a second half spurt that sent the Bellingham team past the Auto Dealers for the championship. Willemson found help from Jim Asher, Jerry Silves, and Mike Peregrin who chipped in 26, 20, and 13 points respectively. The Auto Dealers were led by Bill Moulton's 29 points, Dan Green's 19 points, and Greg Kushman's 12 points.

In a game played for third and fourth places in the tournament C & K Logging romped to a 98 to 76 victory over Clark's Skychiefs to take third

place. Alen Kitchel led C & K's scoring with 21 points followed by Bob Miller, Bob Wentworth, Wayne Caulkins, Jim Lucken, and Clark Leyendecker's 19, 15, 14, 13, and 11 points respectively. Roy Mohondro was the leading scorer for the Skychiefs with 19 points.

NOTICE IS FURTHER GIVEN that sealed bids for the purchase of these bonds will be received by the Town Clerk at the Town Hall in Forks, Washington, until 5 o'clock P.M., Daylight Saving Time on the 27th day of April, 1970, at which time said bids will be publicly opened and considered by the Town Council.

Fletcher-Wittenborn Observes Anniversary

The activities of Fletcher-Wittenborn Auxiliary to Post #9106 have been many and varied in the past month or so. On Valentine's Day the Auxiliary sent 27 dozen cookies, clothing and other articles to the Fircrest School, valued at \$37.40.

The Sewing Club completed 27 owl pins for the campaign of Esther Kallstrom for National Guard, to be given away at the National Convention in Miami, Florida, August 14-21st. The members will start making poppy corsages for the Memorial Day sales at their next meeting of the Sewing Club which will be held at the home of Shirley Fox on Tuesday, March 24th. Come on gals lend a helping hand! A poppy boy and girl were also chosen to represent Fletcher-Wittenborn Post and Auxiliary on Memorial Day.

A card party was held in the VFW Hall on February 28th, proceeds were for the Cancer program sponsored by the Parent Organization. The group of friendly people had a very good time, judging by the noise! Winners for the evening were: women's high, Mrs. Armstrong; women's low, Mrs. Holland; men's high, George Blattner; men's low, Mr. Holland; door prize, Daisy Sinnema. Refreshments were served at the end of the evening.

The members who attended the District #14 meeting in Sequim on March 8th reported a very interesting meeting. Memorial services were conducted for all departed sisters. Those attending from Forks were: Shirley Fox, Leta Klahn, Stella Black, Edith Woody, and Sybil Merritt.

Many cards have been sent to members who are ill. Magazines have been taken to the hospital and patients in the hospital have been visited.

Delegates and alternates have been elected to attend the district convention to be held in Port Angeles on May 3. Those elected were: delegates, Stella Black, Dorothy Baker, Jackie Simmons, Leta Klahn, Daisy Klahn and Edith Woody. Alternates, Shirley Sharpes, Mabel Dankert, Dorothy Vedder, Sybil Merritt, Norma Burr and Ingrid Thrush.

A party was held at the Sportsman's Club on March 14th to celebrate the 23rd birthday of Fletcher-Wittenborn Post and Auxiliary. A large group attended, dancing, visiting and a bounteous lunch was enjoyed.

The annual district luncheon will be held April 23rd at Birney's Restaurant in Port Angeles. This is the "social event" of the year when members from all the Auxiliaries in the district "don their hats and gloves" and enjoy a delicious luncheon and social afternoon. A program is always a highlight of the afternoon.

SOCIAL SCENE

Mr. and Mrs. Jim Campbell would like to announce the arrival in their home of a son, William James. Young Mr. Campbell is 2 1/2 years old, and joins big sister Karen Marie, who is 3 1/2. The very proud grandparents are Mr. and Mrs. Carl Stubbs of Roseburg, Oregon and Mr. and Mrs. George Campbell of Forks.

Three girls from Forks attended, they were Julie Horton, Terri Gensen and Gail Lingvall of Prince of Peace Lutheran League. The girls traveled to Tacoma where they joined other groups on a train trip to convention headquarters in Seattle. The girls returned by train on Sunday. They were taken to Tacoma by Mr. and Mrs. Bruce Monell.

The next event for the Senior Luther League will be March 25 they will go to Aberdeen for a roller skating party.

The March 19th meeting of the Bogachiel Garden Club was held at the home of Mrs. John Rosmond with Mrs. Richard Kallman assisting. Mrs. Rosmond provided the floral arrangements. Membership roll call was "Plants that attract Birds or Bees." Due to the lengthy business meeting to follow, a featured program was not held.

Nomination of officers for the coming year are: president, Mrs. Harley Witherow; vice president, Mrs. Warren Paul; secretary, Mrs. Vester Sexton; treasurer, Mrs. Richard Kallman; historian, Mrs. Richard Wahlgren.

Chairman of the Bird Committee is Mrs. Richard Kallman, who presented a nice report on our feathered friends. Mrs. Warren Paul, is a delegate from our local club, making advance preparations for the 1971 Washington State Convention of Federated Garden Clubs to be held in Port Angeles. Mrs. Paul reported on the many plans being made, at which at least 700 ladies will attend the convention. The Bogachiel Garden Club will provide table arrangements and favors for one of the evening banquets.

A lengthy discussion was held on the growing litterbug nuisance in this West End. The roads and highways have as much litter now as during the summer tourist season. It is imperative that some steps be taken to stop this unsightly situation.

Meditation By Pastor Wm E. Cross

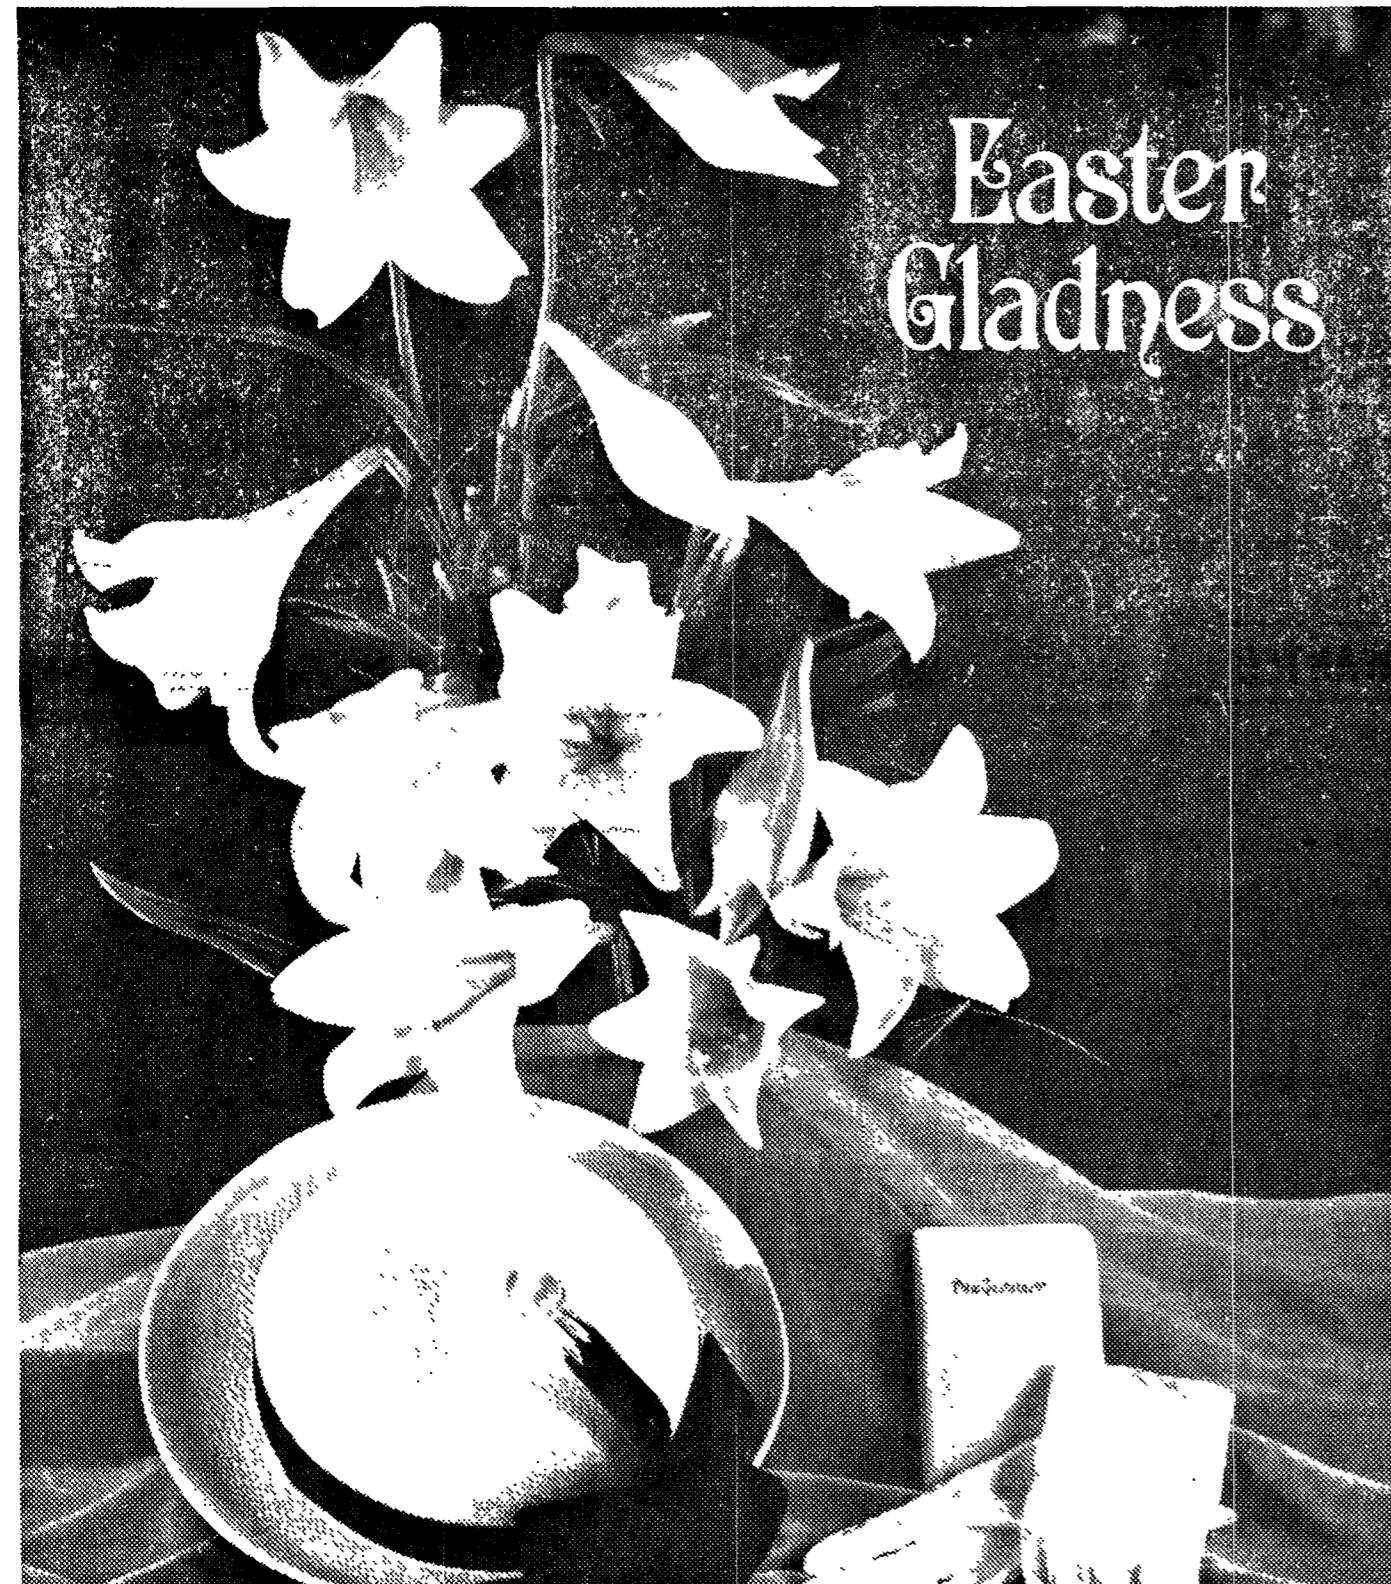

"Now upon the first day of the week, very early in the morning, the women came to the sepulchre, bringing the spices they had prepared, and certain others with them. And they found the stone rolled away from the sepulchre. And they entered in, and found not the body of the Lord Jesus. And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments: And as they were afraid, and bowed down their faces to the earth, they said unto them, why seek ye the living among the dead? He is not here, but is risen!" Luke 24:1-6, ...

Later that day as two of the disciples walked along the Emmaus Road the resurrected, living Christ joined Himself to them and, entering into their conversation, revealed Himself to their understanding. Afterwards they said, one to another, "Were not our hearts glowing while He was with us on the Road?" What was it that made their hearts glow?

Made them literally burn as with fire? And filled them with a gladness such as they had never experienced? It was simply the reality of the presence of the resurrected Jesus Christ!!!

Once more Spring has arrived. With this Season comes the annual excitement connected with the acquisition of new "things": Easter bonnets; Easter clothes; Easter eggs; and Easter parties!!!! All of nature seems to enter in as new buds appear on the trees and new blades spring up out of the ground. Nature joins in an anthem of gladness! But, WHY???

Why?? Because "Death could not keep its prey"!!! Jesus Christ came forth from the dead as He said He would...; Victor over death, hell and the grave. We who have believed in Him to the saving of our own souls are also filled with gladness; REAL gladness; plus everlasting joy and eternal hope, because He said: "In that I live, ye shall live also"!!!! My friend, the real gladness of Easter is faith and hope in the resurrected, living and coming again Saviour and Redeemer, Jesus Christ our Lord.

Easter Gladness

New hat and gloves and pretty dress, chocolate bunnies and colored eggs. But I noticed on the way home that Betsy kept humming the "Alleluia" of the anthem. She even remarked how happy the choir sounded. It made me feel happy too.

At five, she's too young to realize the true significance of the Risen Christ, but she can appreciate the beauty of voices raised in joyful harmony. She can't yet read the New Testament her grandmother sent,

but she does enjoy the Bible stories she hears in Sunday School.

Bob and I believe that no one is too young to learn the loving ways of God. That's why we take Betsy to church with us. We want to share with her the depth and meaning our church has added to our days.

Make every Sunday glad! Go to your church, and take your family with you.

A beautiful candlelight service of sacred music, scripture and holy communion will be part of the Maundy Thursday celebration at 8 p.m. on March 26. It will be the first appearance of the Rhythmic Choir in which Lisa Baker, Susie Johnston and Joyce Maris will interpret the Negro Spiritual, "Let Us Break Bread Together on Our Knees." They will be accompanied by Julie Baker and Cheri Ulin on guitars and will be directed by Mrs. Ted Ringsmuth.

The adult choir, directed by Mrs. Jim Rich, will sing, "God So Loved the World" and a solo, "Were You There" will be sung by Mrs. Rich, accompanied by Mrs. Joe Blomgren at the organ. Rev. Ringsmuth will speak on "The New Covenant."

The actual communion service will be held in the Fellowship Hall and the people will gather around a large candle lit table set in the shape of a cross. Mrs. Art Kelm, Jr. will provide background music with her harp.

On Easter Sunday there will be two identical services, the first at 9 a.m. and the other at eleven. Church school will be held at 9 a.m. only and children above second grade will attend the family services in the sanctuary. Coffee hour on Easter Sunday will be from 10:15 to 10:45 and it is hoped that people coming to the second service will come early to enjoy the fellowship between the services. Punch will be available for the children.

The Easter sermon by Rev. Ringsmuth will be "The Angel on the Rock." Two anthems will be sung by the choir with Mrs. Fred Rosmond at the organ, "Open the Gates" and "Hallelujah Chorus."

The Good Friday service for this week will not be held as originally scheduled.

The final session, "Dis-covering the Bible" with Father Lawrence Danemiller was held on Sunday evening, March 22, and the subject was "Peter and Paul--Apostles." A drawing was held for those people who attended all four sessions and Mr. Don Eckhoff received a Bible and personally autographed book written by Father Danemiller.

Circle One will meet Thursday, March 26 at 12:30 at the parsonage with Mrs. Ringsmuth and Mrs. Frances Verbeck as co-hostesses.

The Mens' Club will be held at 6:30 p.m. on April 1 and it will be Ladies' Night. The program will include singing by the "Rain Beats" and a film will be show entitled, "Postal Service Stopped", shown by Henry Bechtold.

Census '70
Questionnaires
Distributed

Questionnaires for the 1970 Census of Population and Housing will be distributed by the Post Office beginning March 28 to all households in this area, District Manager Lloyd E. McElvain announced today.

Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member and about the house in advance of the census taker's visit. The District Manager urges all residents to fill out the forms and have them ready for the census takers when they start their rounds on April 1.

The form contains 7 questions about every person in the household and 13 questions about the dwelling. The personal information asked for is: name, address, sex, color or race, month and year of birth, whether married or single, and relationship to head of the household. The information required about the dwelling is: number of rooms, cooking facilities, plumbing, if rented or owned.

Most of the questions are answered by filling in the proper tiny circle with a common lead pencil, making a tiny black dot which can be "read" by Census Bureau machines. Residents should read the instruction sheet which will come with the questionnaire before filling it out.

The census taker will check the questionnaire to see that all questions have been answered and will give any assistance needed in filling out a questionnaire that is incomplete. At every fifth household, the census taker will seek answers to additional questions covering population and housing characteristics that are being asked of a 20 percent sample of the Nation's population. The sample questions include inquiries on country of birth, schooling, employment, income, and related items. The additional housing questions related to rent or value of dwelling, heating equipment, water supply, and other facilities and equipment.

The District Manager pointed out that information about individuals and their homes furnished to the Census Bureau is kept confidential under Federal law. Only statistical totals and averages are published. No individual person can be identified in published reports and census information cannot be given to any other Government agency, local officials, tax collectors, police, health, welfare, or school officers, nor to anyone else.
