

Mr. and Mrs. Ed Kono-paski arrived home Friday evening from a three-week trip to Hawaii. While there they met M/Sgt. Glen "Pete" Conley, the son of Mr. and Mrs. Frank Conley, former Beaver residents, now living at Sequim.

Pete, scheduled to be sent to Cambodia, decided to retire, as he has already put in twenty years service in the Marines. However, the powers-that-be offered him Hawaii duty, and he re-enlisted for two years more.

Mrs. Conley, who has been living in a mobile home on her parents' "in-laws" property was to leave on Tuesday to join her husband.

Mrs. Robert Foss of Kent stopped in Forks Tuesday to visit her cousins, Mr. and Mrs. Matt Sullivan. She lived at Tyebe about two years, leaving in 1956. On her visit Tuesday she expressed a wish to thank Jim Astel for helping to save her life by a donation of blood, and was quite shocked to learn of his death five years ago. Mrs. Foss mentioned that Jim and Tom Mansfield had also donated blood for her, and was happy that she could at least thank them for helping save her life.

Mr. and Mrs. John Galloway --nee Karen Rusicka--of Portland, visited last week with her father, Stanley Rusicka in Port Angeles. On Saturday they visited Mrs. Galloway's uncle and aunt, Mr. and Mrs. Henry Eckenberg, and with Mr. and Mrs. L.R. Eaton at Sappho. They were dinner guests on Sunday at the Eaton home, celebrating Mrs. Galloway's 19th birthday which was on Monday, April 13. By

an odd coincidence the Eaton's daughter Laurie (Mrs. Ace Johnston) also celebrated her 19th birthday on Monday and she, her husband and their small son J.D. were guests at the dinner. The Galloways left for their home later Sunday afternoon.

Dean Hurn returned home Sunday from a week's business trip to Dallas, Texas. Mrs. Hurn met him in Seattle Saturday afternoon. They were guests that afternoon and evening of Mr. and Mrs. Martin Burton, who took them to an "El Muncho" charity bazaar, by the Kiwanis Club at Seattle Center. The Hurns stayed overnight at the Burton home, and stopped on the way home to visit Mrs. Hurn's sister, Mrs. Deanna Gwerder at Kent.

Mrs. Dale Dawkins made a one-day trip to Seattle on Wednesday to visit her daughter, Darlene, in Swedish Hospital.

Mr. and Mrs. Dawkins visited their daughter over the weekend, returning home Sunday.

Christine Nordman, granddaughter of Mr. and Mrs. Arvid M. Nordman of Beaver has been selected to take part in a music summer school at the Royal Academy of Music in London, England. The school is under the American Institute for Foreign Study program and will consist of four weeks of study at the Royal Academy, followed by a visit to the Salzburg International Music Festival in Austria and a two day tour in Shakespeare country; Stratford-on-Avon and Leicester and Oxford. In addition to scheduled morning classes op-

COUNCIL

inously to annex the 12 acres of school property to the town. A building permit from Eken Sign Company was received. The permit was for the sign at Olympic Western Company. The permit was ganted.

The request for a building permit from A.B. Walker Construction was again denied until Mr. Water is present to discuss the proposed roadway. The roadway does not meet the standards set by the town. Ordinance No. 116, regulating self-service gas stations, was approved by the council. The ordinance will become effective on the date of publication, which is April 16.

The Washington State Fire Commission Association, group insurance plan for uniformed employees, was approved by the council for the marshal and deputy marshal. The plan is provided by Washington State Physicians Service.

The council also approved Mrs. Richard Sandmire and Mrs. Kenneth Woods as deputy marshals for matron duties. The runway and taxi strip lights at the airport continue to disappear. A fence will be installed on Russell Road to prevent the driving up to the end of the airport. It is hoped this will curb the thefts.

A letter was written to the State about the stop light at the corner of Division Street and 101. No reply has been received.

The next meeting will be April 27.

FISKS TO CELEBRATE 50TH ANNIVERSARY

Close friends and relatives are invited to an Open House in honor of Mr. and Mrs. Dewey Fish and their 50th wedding anniversary from 1-5 p.m., Saturday afternoon, April 25th at the home of Mr. and Mrs. Clark Browning. No gifts please.

opportunities for afternoon recreation and sightseeing tours will be offered daily. Christine will leave New York with her touring group and return home by way of Rome the end of August. Christine, her sisters Lisa and Lorna, and their parents, Mr. and Mrs. Arvid Nordman, live in Seattle. Her maternal grandparents John(ny) and Belle Sandquist live in Aberdeen.

LEGAL NOTICE

JOHN L. AKER, 87, 714 West Halliday, Seattle, died April 6, in Seattle General Hospital. Mr. Aker is survived by his wife, Hilda, son, Lee Aker, daughters Mrs. Lyla Johnson, Mrs. Kenneth Aker of Mt. Vernon and Mrs. Lorraine Gastorovich of Seattle. Three sisters and brothers, who reside in Canada, 6 grandchildren, 10 great-grandchildren.

Funeral services were held April 8 at Arthur Wright Funeral Home in Seattle. Burial was at Mt. Pleasant Cemetery.

What, if any, is the relationship between viruses and human cancer? Research scientists are trying to find out. Help them by giving to the American Cancer Society. The answer could save lives.

LEGAL NOTICE

CALL FOR BIDS
DNR will open bids July 1, 1970, for pre-commercial thinning units in the Forks area. Bid forms will be mailed out starting May 1, 1970. Those interested in obtaining the bid forms contact Art Maxfield, Forks District Office, Department of Natural Resources.

Publish Thursday, April 16, 23, 30, 1970 in the Forks Forum, Forks, Washington.

LEGAL NOTICE

STATE OF WASHINGTON
DEPARTMENT OF WATER RESOURCES, OLYMPIA
Notice of Ground Water Right Application No. 10656
TAKE NOTICE:

That Washington State Department of Natural Resources of Olympia, Washington on February 19, 1970, filed application for permit to withdraw public ground waters through a well situated within Government Lot 2 of Section 28, Township 30 N., Range 1 W W M., in Clallam County, in the amount of 3 gallons per minute, subject to existing rights for the purpose of community domestic supply for public campground.

Any objections must be accompanied by a two dollar (\$2.00) recording fee and filed with the Department of Water Resources within thirty (30) days from April 23, 1970.

Witness my hand and official seal this 9th day of March, 1970.

Glen H. Fiedler, Assistant Director
Division of Water Management, Department of Water Resources

Council approves permit for self-service gas station

The Forks Town Council met Monday, 8 P.M., at the Town Hall, Councilmen Hall, Swerin, Cline and Smiley were present.

Three representatives from Gull Oil Company were present to explain their plans to construct a self-service gas station on the old Legion property. They stated that there will be an attendant on duty at all times, and that the station will conform to existing town ordinances. The building permit for the oil company was approved.

The fire department will paint the fire hydrants in the next few weeks. The paint is available, all that is needed is volunteers. The council also discussed the lack of adequate fire hydrants in the area west of Division Street. The nearest hydrant is either at the Woodland Hotel or at Campbell's. In case of a fire the lines must be run across Highway 101 and this could cause enumerable problems. The fire department will discuss with Frank Lyda the possibility of putting a fire hydrant in the area of Coast-Coast.

The council heard complaints from Mr. and Mrs. Bill Chaney about the excessive water running across their property. According to Mrs. Chaney their four-year-old child was almost swept away by the current of water as he was wading near their home. Apparently there are no ditches in the area of the Leppell home on E Street to carry the water, therefore, the water finds its own way to the County ditch, which unfortunately seems to be across the property owned by Chaney and Ron Shearer. Ron Shearer stated that he would provide enough of his property to allow a ditch to be dug, this should carry the water to the county ditch that runs along Boga-chiel Way in Mansfield Addition. This might possibly alleviate the problem which Herb Beebe said has been the same for 35 years.

The public hearing was held on the school property, after some discussion as to whether the town would be taking on any more responsibility as to roads, street lights and fire hydrants. The council would be resuming no responsibility for these, the private driveways would be maintained by the school as would the street lights on school property, the roads on the property are already planned and construction will resume soon. After much discussion it was agreed unanimously.

Huffman cited for outstanding performance

William H. Huffman of Route 2, Port Angeles, was recently cited for his outstanding performance with the Soleduck Ranger District, Olympic National Forest. According to District Ranger Lee Cromley of Forks, Huffman received a \$150 cash award for his sustained above-average performance on project work, and in helping to train new men. "Bill has never had an accident in the 12 years or so he's been with us, and that's quite a feat too," Cromley said, "but it's indicative of the conscientious attitude he always has."

WARC MEMBERSHIP DRIVE

The Washington Association of Retarded Children, Olympic Peninsula Chapter, will sponsor a membership drive in Forks during the month of April.

The State association is dedicated to serving the needs of all retarded citizens in our state through legislation, public education and direct service to local chapters. The State association also plays a very important role in obtaining and supporting legislation and government grants that benefit the mentally retarded of all ages in every locality. By promoting legislation and by assisting both government and private agencies in developing policies and programs, WARC speaks with a strong voice in behalf of those who cannot speak for themselves.

The State association serves as a central information agency for gathering and transmitting information concerning mental retardation to local chapters and the general public through every means available. Its publications go to local membership, legislators, governmental agency personnel and other interested citizens throughout the state.

WARC is essentially a "grass roots" organization. The base of its strength comes from local chapters throughout the state. It is the job of the state association to provide the strongest personal service to the chapters as possible. Personal visitations by the state executive director, other state officers and staff are always available to local units upon invitation. The State association stands ready to assist all chapters in problem solving, fund raising, leadership development and in any other way that will strengthen their life and work. The local units are the "roots" but the "roots" are there to produce the "plant". The state association is the "plant". Without the "roots" there can be no "plant"; but without the "plant" there can be no harvest and it is the harvest that counts in the end!

The puny "plant" will reap no harvest. We need a strong, forward looking state association able to deal with the forces of change effectively. There is no other way to be in

Cancer drive starts April 19th

The area captain for the Cancer Drive in Forks are Mrs. Teen Clayton, Mrs. Richard Haberman, Carroll Lunsford, Mrs. Phil Jaspers, Mrs. Harley Withrow is the West End unit chairman. Members not pictured are Henry Bechtold, Rev. Ted Ringnuth and Mrs. Gordon Otos.

What is cancer? Cancer is a disease that is characterized by abnormal growth and spread of cells. If this malignant process is not controlled or checked, the patient will die. However many cancers can be cured if detected early in their development and treated by surgery or radiation. There are also certain tested and approved chemicals that are effective in treating cancer.

How many will die from cancer this year? In 1969 an estimated 323,000 Americans died of cancer; in 1968 it was 317,000; in 1967 it was 310,983. This year about 330,000 will die of the disease, that is over 900 persons a day, more than one every two minutes. Of every six deaths from all causes in the United States, one is from cancer.

What is the survival rate? About one in three. How many are actually being saved? About 208,000 Americans will be saved from cancer this year.

How many more could be saved? About 104,000 cancer patients will probably die in 1970 who might have been saved by earlier and better treatment.

The American Cancer Society education programs emphasize three ways for individuals to protect themselves against cancer: (1) adopt preventive habits; avoid cigarette smoking, over exposure to sunlight and other

Art's Place Burglarized

The Forks Marshal's office reports that Art's Place, was burglarized April 12. The suspects gained entrance to the building by sawing through a partition. Approximately \$600.00 in cash was taken, there are no leads at this time.

Solicitation for bids for pre-commercial thinning of 154 acres on the Shelton and Soleduck Ranger Districts of the Olympic National Forest are now available at the Forks Ranger Station in Forks, or the Federal Building in Olympia.

The solicitation forms contain instructions, specifications, maps and bid forms, according to Philip Jaspers, Silviculturist Assistant.

The bid opening date is April 21, 1970 at 2:00 p.m. in Room 214, Federal Building, Olympia. This contract is 100 percent set-aside for small

business concerns. The thinning area on the Soleduck Ranger District contains 90 acres. It is located on the Bear Creek-West Twin Road No. 3105, near the former site of the old Deep Creek Guard Station.

The purpose of the thinning is to space good crop trees approximately 12 feet apart so they may be free to grow as rapidly as possible. The spacing is attained by cutting surplus conifer and hardwood trees with a power saw. Up to 2000 stems must be cut per acre to allow the remaining trees to develop, Jaspers said.

The area representative for the Social Security Administration will be in Forks, April 24, May 22, and June 26, at the Forks City Hall, City Council chambers, 131 1st Avenue N.E., Forks, Washington, from 10:00 a.m. to 12 noon.

1970 SUCCESS CALENDAR REFILLS AVAILABLE AT THE FORKS FORUM.
 Past contracts have ranged from \$32 to \$45 per acre on the Soleduck District. Anyone who is interested in bidding, and who has not received a solicitation form, should contact Jaspers at the Forks Ranger Station.

LEGAL NOTICES

NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00
 Notice is hereby given that on Monday, the 27th day of April, 1970, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.
LEGAL DESCRIPTION: The sale is composed of all timber except cedar bounded by sale area boundary tags and logged area comprising approximately 91,000 board feet of hemlock on parts of the following: W 1/2 SW 1/4 of Section 3, Twp. 26 N., Range 11 W., W.M., Jefferson County, Washington.
CASH SALE
 Forest products will be sold on a cash basis.
 Minimum acceptable bid will be \$936.00.
 On or before April 27th, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$936.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.
BOND: On the day of sale, the purchaser must also furnish a cash bond of \$300.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.
 Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day, between the hours of ten o'clock a.m. and four o'clock p.m.
 The State of Washington does not guarantee its published cruises of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.
 Forest products must be removed prior to September 30, 1970.
 Access Road Revolving Fund: \$60.00 to be paid on day of sale.
 Located approx. 22 miles by road south of Forks.
 Accessibility via Department of Natural Resources access and bill of sale contract is posted at the Forks District Headquarters office.

Library tea honors founders

Over forty people attended the National Library Week Tea held at Forks Memorial Library on the afternoon of April 12. This year special recognition was given to those who founded the library and others who have served to keep it going throughout the years.

Those who have served as president of the Library Board from its beginning to the current time are: Oscar Wahlgren, Norman Anderson, Alice Palmer, L. E. Malmsten, Edna Haag, Elsie Mottler, and Frieda Malmsten. All of these were present except Elsie Mottler. Others in attendance were M. C. Macaulay, whose wife was the first secretary of the board; Rosa Sander, the second librarian, who served from June 1946 to 1958; Walter Rupp, former board member; Fern Wittenborn, member of the board for many years; and the present librarians, Mrs. John Miller and Mrs. Gordon Marsh.

Mention was also made of Dr. E. F. Liebold who donated the lot on which the library stands; Mrs. George Dimmel, the first librarian; Mrs. D. L. Huggins, first member from this area to the Clallam County Library Board; and the former Burt and Grace Fletcher who worked very hard for the library.

Out of town guests included Mr. and Mrs. Jay Sander, representing the Port Angeles City Library, and Mrs. Ray Noble of Pysht, West End representative on the Clallam County Library Board.

Mrs. Malmsten led out in an informal program introducing the honored guests and giving them opportunities to tell of their experiences with the library.

Gordon Otos of KVAC radio interviewed Oscar Wahlgren and M. D. Macaulay. These interviews were broadcast on the Breakfast at the Vagabond show on Monday morning.

Many new books were displayed as well as some interesting memorial books. Floral

arrangements were by Mrs. Orville Ninke and Mrs. Warren Paul. On display were many artifacts, paintings, and antiques which were arranged by Mrs. Gordon Marsh. These were furnished by Mr. and Mrs. Joe Newbry, Mr. and Mrs. Orville Ninke, Mr. and Mrs. J. A. Johns, Mrs. Bertha Palmer of Port Angeles, Oral Mottler, Mrs. Gordon Marsh, Elizabeth Barlow, William Thompson, Mr. and Mrs. Boyd Rupp, and Mrs. W. J. George. Of special interest were the genealogy work of Mr. and Mrs. Rupp and dolls of Mrs. George. Some of these were 100 years old and will be on display in the library for awhile.

Mrs. Fern Wittenborn had the guest book. Mrs. Oscar Wahlgren, Mrs. Boyd Rupp, Mrs. John Miller, Alice Palmer, and Mrs. J. A. Johns poured.

Mrs. Richard Miller and Mrs. J. A. Johns were in charge of refreshments. Mrs. Walter Thayne and Mrs. Gordon Marsh were responsible for the window arrangements in the stores.

Mrs. E. L. Stanley, president of the Friends of the Library, conducted a poster contest in her 5th grade classes. Many of these were on display in the store windows and will be in the library for awhile. Small prizes were given to the best ones. First prize went to Pam Self; second to Richard Burwash; third to Steven Weed. Honorable mentions were given to Tami Klein and Susan Erickson, Cathy Mansfield and Matthew Beers.

LEGAL NOTICES

ORDINANCE No. 116 AN ORDINANCE of the Town of Forks regulating self-service gas stations. BE IT ORDAINED BY THE COUNCIL OF THE TOWN OF FORKS AS FOLLOWS:

Section 1. Classifications (1) A self-service gasoline station includes any gasoline station whose customers are permitted to pump their own gasoline by such special devices as coin-operated, card operated, and remote pre-set type devices.

(2) Class one liquids includes those liquids having flash points below 100 degrees F., which includes gasoline.

Section 2. Attendants and their duties. At each self-service gasoline station, a qualified and properly trained service station attendant must be on the premises and must maintain close surveillance of all pumps and islands during the entire time that the station is open for business. At other times, all pumps shall be securely locked.

(1) "Qualified and properly trained" attendant means a person not less than eighteen years of age, who is physically and mentally able to administer the duties of transferring gasoline by the self-service method from pumps to vehicles and of performing the duties of transferring flammable liquids from pumps to properly approved metal containers. He must be carefully schooled and indoctrinated by management in the various dangers of gasoline vapors, from spilling or otherwise, the principals of safety relating to gasoline vapors, as well as principals of first aid, and use of fire extinguishers. He must also be able to recognize and prohibit hazardous operations which may be performed by a customer, such as priming the carburetor with a dispensing hose, washing car parts with gasoline, attempting to fill unapproved type containers, smoking, lighting matches or lighters, or any other source of ignition on the service ramp.

(2) The term "close surveillance" means that the attendant shall be in the immediate area of the flammable liquid dispensing devices so that he can carefully observe all operations of servicing. At least one qualified attendant shall be on duty for each four pump island, and further, no attendant shall be required to supervise more than eight pumps. Any and all side activities must give way to careful visual attention to the pumps being used.

Section 3. When self-service by customer prohibited; duty of attendant (8). (1) No customer who is either smoking, or apparently under the influence of liquor or drugs, or who appears to be mentally or physically incompetent, shall be allowed by the attendant to operate the self-service gasoline device. (2) It shall be the duty of the attendant to provide instruction and guidance to the customer-operator in the event that said customer-operator is not familiar with the equipment and procedure. If it appears at any time that the customer-operator is not following instructions or there appears to be any hazard or emergency endangering the person or the operation, the dispensing unit shall be immediately shut off.

Section 4. Signs and emergency equipment. (1) Signs plainly visible on the lot from any point shall be posted calling attention to special directions for filling portable containers.

(2) Each self-service station shall be equipped with sufficient "NO SMOKING" signs so as to be readily observed by the patrons from any point of the dispensing area.

(3) Adequate signs posted on each island shall require that all motors be shut off and brakes set during the time that flammable liquids are dispensed into the cars from the self-service devices.

(4) Emergency telephone numbers including fire, police, and ambulance, shall be posted in large type near telephone facilities. Sufficient telephone facilities shall be maintained by the operator in the station so as to permit quick out-going calls at any time.

(5) Fire extinguishers approved by the Fire Marshal's Office shall be provided within seventy-five feet of each pump island and shall at all times be kept in good working order and subject to inspection.

(6) Other fire control devices such as emergency shut-off switches shall be installed as approved by the Fire Marshal's Office and tested periodically to insure their proper operation.

Section 5. Portable Containers. (1) Any portable containers brought to such stations for filling, in whole or in part, shall be filled only by the attendant. No delivery of class one liquid shall be made in portable containers unless such containers are of metal construction with a tight screw type closure or spring cover, and are fitted with a spout or so designed that the contents can be poured easily without spilling. The container shall be clearly marked on the outside as to the name of the product therein.

(2) Under no circumstances shall glass containers be used for the holding of flammable liquids, either on the premises or to be taken from the premises.

Section 6. Pumps (1) Automatic shut-off nozzles without latch opening devices shall be used and shall be provided with a vacuum operated valve so designed and constructed as to automatically shut off before any gasoline over-flow. These nozzles to be of smooth design so as to be readily removed from the fill pipe opening.

(2) Such automatic shut-off nozzles shall be maintained in proper and effective operating conditions at all times. If a pump becomes out of order, the pump, of which the nozzle is a part, shall be plainly marked "out of order" and locked.

Section 7. Penalties Violation of any of the provisions of this ordinance shall be a misdemeanor and shall be punishable by a fine not exceeding \$250.00 or by imprisonment not exceeding ninety (90) days or by both such fine and imprisonment. Each day's violation shall constitute a separate offense punishable under this ordinance.

Section 8. Severability If any section, sub-section, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court, such portion shall be deemed a distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

Section 9. Effective Date This ordinance shall take effect on the 16th day of April, 1970. Passed by the Council of the Town of Forks and approved by the Mayor and attested by the Clerk at a regular meeting of the Council held on the 13th day of April, 1970.

Earl L. Kennedy Mayor

Attest: Herbert Beebe Town Clerk Approved as to Form: Frank Platt Town Attorney Published April 16, 1970, in the Forks Forum.

Legal Notice

NOTICE OF BOND SALE Town of Forks, Washington General Obligation Bonds, 1970 \$30,000

Notice is hereby given that the Town of Forks, Washington, proposes to issue under date of May 1, 1970, its limited tax levy general obligation bonds in the aggregate principal amount of \$30,000. Said bonds will be payable both principal and interest in lawful money of the United States of America at the office of the Town Treasurer in Forks, Washington.

The bonds will be in the denomination of \$1,000 each, will be numbered from 1 to 30 inclusive, will bear interest at a rate or rates of not to exceed 8% per annum payable semi-annually on the first days of

Bond Nos.	Mat. Date	Amt.
1-3	May 1, 1972	\$3,000
4-6	May 1, 1973	3,000
7-9	May 1, 1974	3,000
10-12	May 1, 1975	3,000
13-15	May 1, 1976	3,000
16-18	May 1, 1977	3,000
19-22	May 1, 1978	4,000
23-26	May 1, 1979	4,000
27-30	May 1, 1980	4,000

The town has irrevocably pledged itself to levy taxes annually within and as a part of the tax millage levy permitted to towns without a vote of the people in amounts sufficient to pay the principal of and interest on these bonds as the same shall become due.

May and November, and will mature in order of their number as follows:

Each bid submitted shall provide for payment of accrued interest on the date of delivery and shall specify either (a) the lowest rate or rates of interest and premium above par at which the bidder will purchase said bonds, or (b) the lowest rate or rates of interest at which the bidder will purchase said bonds at par.

One or more rates of interest may be fixed for the bonds, which rate or rates must be in a multiple of 1/8 or 1/10 of 1%. No interest rate shall exceed 8%. The interest rate shall be the same on all bonds maturing in any one year, the same for each year on any bond, and represented by one coupon for each installment.

There shall not be a difference of more than 2% between the lowest and highest rates bid.

It is required that each bid state the total interest cost over the life of the bonds, less the premium, if any, and the net effective interest rate of such bid. Such statement shall not be deemed to be a part of such bid. All bids shall be sealed and, except that of the State of Washington, shall be accompanied by a deposit of 5% of the amount of the bonds either in cash or by cashier's or certified check made payable to the Town Treasurer, which amount or check will be returned to the bidder if the bid is not accepted. If the successful bidder shall fail or neglect to complete the purchase of said bonds within thirty-five days from the acceptance of his bid, the amount so deposited shall be forfeited to the town.

The town reserves the right to reject any and all bids received and to waive any irregularities therein.

Printed bonds will be furnished by the town. The opinion of Preston, Thorgrimson, Starin, Ellis & Holman, bond counsel of Seattle, Washington, approving the legality of the issuance of these bonds, will be furnished to the successful bidder and will be reproduced on each of said bonds, all at the expense of the town.

The customary signature identification and nonlitigation certificate will be included in the closing documents. DATED at Forks, Washington, this 23rd day of March, 1970.

HERBERT BEEBE Town Clerk

Bogachiel Garden Club hosts Port Angeles group

Mrs. Orville Ninke was hostess at her home, to the April 16 meeting of the Bogachiel Garden Club, with Mrs. Walter Fuhrman and Mrs. Patrick Tierney as co-hostesses. Beautiful flower arrangements were provided by Mrs. Al Ryberg, Mrs. Harley Witherow and Mrs. Ninke. The membership roll call was "plants, suitable for container planters."

Election of officers for the coming season was held and those elected were: president, Mrs. Harley Witherow; vice-president, Mrs. Warren Paul; secretary, Mrs. Vester Sexton; treasurer, Mrs. Richard Kallman; historian, Mrs. Richard Wahlgren.

Mrs. Joe Morrison gave a report on member's visitation April 14th, to the Lake Quinault Lodge with the Quinault Garden Club as hostesses. Garden Club members from Chehalis, Olympia, Elma, Montesano, Aberdeen and Hoquima also attended. A no-host luncheon was held, preceded by a program presented by Mrs. Leota Kaiser from Olympia, on western wild flowers, illustrated with her beautiful color slides, her hobby. Mrs. Henry Halverson reported that a Japanese plum tree has been planted in the high school Japanese garden, in memory of a deceased life member, Mrs. Caroline Hull.

Mrs. Orville Ninke gave a report on the forthcoming Garden Club plant sale, of which she is chairman, to be held on the Ninke front yard, at 10:00 a.m., May 1. The club is grateful for the many donations already received and there is room for more, so please call Mrs. Ninke at 374-6922 or Mrs. Pat LaChapelle at 374-5072 and your contribution will gladly be called for.

In other business, the Garden Club voted to contribute a sum of money to help defray the expense for the installation of a fence for the Tillicum Park tennis court.

May 13th, members of the Port Angeles Garden Club flower arranging guild will come to the John Boggs home,

for a workshop on flower arranging.

The regular May 21st meeting will be held at the home of Mrs. Herbert Smiley.

April 21, a good delegation from the Forks Club, attended the Olympic Peninsula District meeting of Washington state federation of Garden clubs, in Port Angeles.

"Making containers from the unusual" was the program of this April 16 meeting, presented by members of the Port Angeles Garden Club, namely, Mrs. Herman Ahlvers, Mrs. Archie Damm and Mrs. Ellen Hilt. These talented and artistic ladies gave a demonstration on making flower containers, from materials that are commonly found at home, such as cans, bottles or scraps of lumber. Commercial paper mache could be used, but a less expensive method is to make your own. Take strips of newspaper, tear into strips, add detergent and warm water, mix into a "goop" and squeeze out the water. To seven cups of "goop", add one cup of Elmer's glue.

Cover and pat onto a can, bottle, glasses, cups or mugs, and let dry thoroughly. Now you can try your talents at decorating, with any color agent you might have laying around, food coloring, dyes, but if paint is used, a non-glossy type is more attractive for flower arrangements. With a little ingenuity, lumber scraps, glue or nails, can be fashioned into a container, painted, and a can inserted for water.

Forks Prairie Gleaners meet

The Forks Prairie Gleaners met on Monday, April 13, at the home of Jackie Howell.

The needlework, sewing and baking contests were discussed and dates were announced for judging on the Pomona level.

Results of the cake walk, held at the Grange meeting the preceding Thursday night were announced. Plans for the annual Gleaners' Bazaar and bake sale were discussed and plans were made for a wedding reception that is to be catered by the Gleaners next month.

Forks woman wins prize

Victorian Village Mobile Homes in Port Townsend held their open house celebration, April 16, 17, 18 and 19.

The door prize was a personal size G. E. television. It was won by Mrs. Art Allen of Forks.

Barlow receives service award

Charles Barlow, chief scaler for the Forks district of the Department of Natural Resources received his 15 year meritorious service award April 1.

Barlow check scales State logs at the many log dumps at Port Angeles and Grays Harbor as well as those near Forks.

"But probably Barlow's biggest job is that of the total accountability of logs and the payment for them," said E. C. Gockereil, North Olympic Field Supervisor.

During calendar year 1969 over 230,000,000 bd. ft. of logs was removed from State lands in the Forks district. The value paid to the State was over \$10,568,000. It is Barlow's responsibility to see that all logs removed from State land are accounted and paid for.

"The average truck load of logs is about 3500 to 4500 bd. ft., so we keep tabs on about 55,000 loads of logs yearly," said Barlow.

Barlow resides near the mouth of the Hoh River with his wife Elizabeth.

"Tree planting on State lands in the Forks area was completed the end of March, reported E. C. Gockereil, North Olympic Area Supervisor for the Department of Natural Resources.

Over 1,100,000 trees were planted. Most were 2 year old Douglas fir raised at the Webster Nursery near Olympia from cones collected near Forks, Soleduck and South Fork Hoh.

Johnny Jones, project forester for the Clearwater Honor Camp was in charge of the big project which started mid-November. Inmates from the camp directed by foreman Marv Goldman, Anders Olson, Glen Gwinn and Whitey Halverson did the planting.

They planted 3680 acres on 53 separate units. The crews of 7 to 10 men plant the trees with long bladed planting hoses at 12 feet x 12 feet spacing in rows of about 300 trees per acre.

The total cost of the project was \$51,793 or slightly more than \$14 per acre.

"Few people realize that this is probably the largest

single tree planting project in the State," said Chuck Dederick, Clearwater Honor Camp Superintendent.

The trees become established during the first year or two after planting developing a good root system. Then they seem to explode from the ground.

About 7 years after planting the trees average 15 to 20 feet in height and are thinned and fertilized. These practices further stimulate growth to 4 to 5 feet of height growth per year.

"We are managing our State forest lands almost as intensively as a farmer handles farm land," added Gockereil. "We harvest, plant, thin, fertilize, thin again and then harvest. The big difference is that it takes us longer to do it. We used to talk about a 100 year rotation for forest crops. But on good site land such as we have in Forks, Hoh, Clearwater areas and with careful planting, thinning and fertilizing we can reduce the time between crops to 50 years and maybe even 40 years."

Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

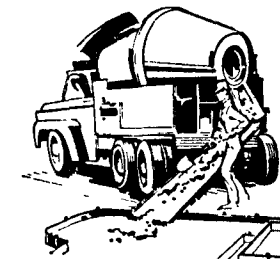

To be sold at Forks District Headquarters, on Tuesday, April 28, 1970, at 10 o'clock a.m.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m. Said timber on said land will be sold for not less than the appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

BERT L. COLE
 Commissioner of Public Lands

Meditation By Pastor William Cross

In our fast-moving, easy-living society, pregnant with the very latest in technological skills and scientific achievements, one of our pertinent philosophies could be summed up in the simple statement—"the easy-out"! In this highly computerized age many young people as well as all too many older folks are content to just "push buttons".....

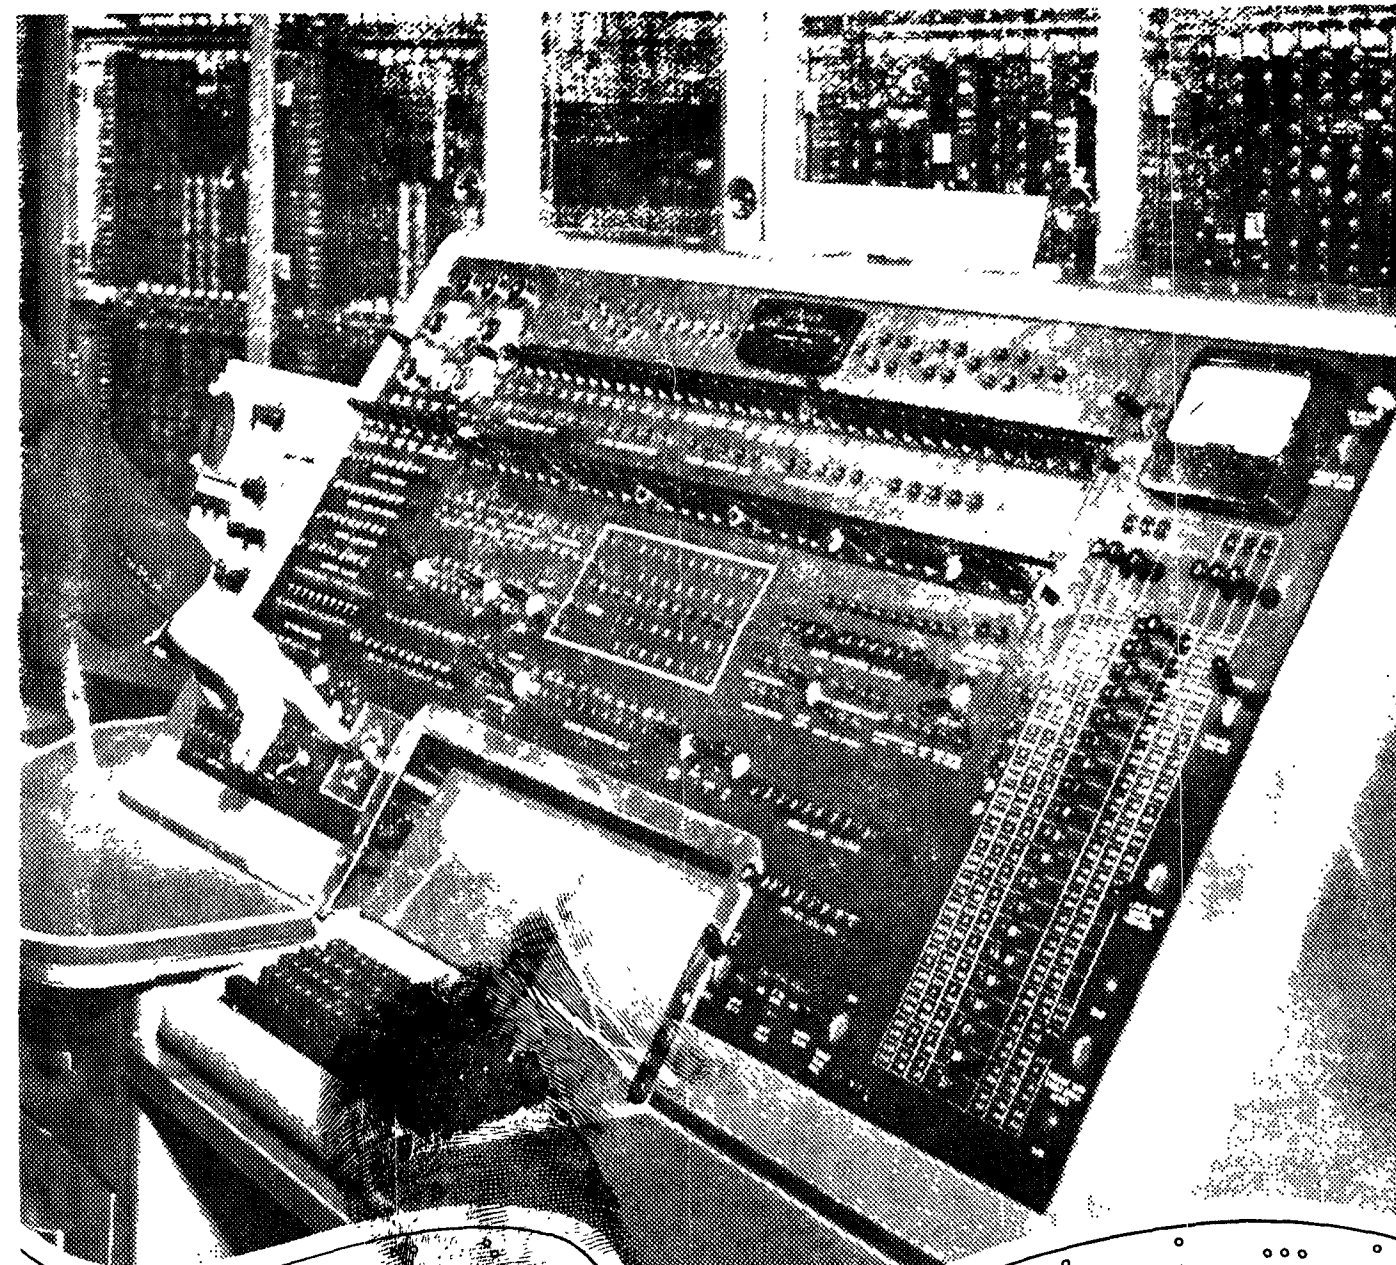

What is all too often overlooked is the fact that there isn't a computer made that would be worth a second thought were it not for the information "fed" to it by highly-trained, technically-skilled, thinking men and women. Make just one, very simple mistake and the whole process of the "machine" can only produce error and failure!!

The same is true in every area of our life. True because God has so ordained it. By God's unchangeable decree man is still important! Listen to Genesis 1:26---"And God said, Let Us make man in our image, after our likeness: and let them have dominion (to reign, or rule) over the fish of the sea, and over the fowl of the air, and over the cattle, and over ALL THE EARTH, and over every creeping thing that creepeth upon the earth." God has always used men!! In every age, under

every circumstance and condition, God has raised up a man equal to the occasion. Without exception, every talent and ability of that or any other man, is a direct "gift" from God. Paul tells us in I Cor. 4:7---"For who maketh thee to differ from another? And what hast thou that thou didst not receive it? now if thou didst receive it, why dost thou glory, as if thou hadst not received it?" In James 1:17, we read: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with Whom is no variableness, neither shadow of turning."

When the all-knowing, sovereign and loving God wanted to redeem lost and fallen man and restore him to fellowship with Himself and, ultimately, to that estate for which man was created, He again used a Man: the Man, Christ Jesus!! "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." Just as you cannot receive a correct answer from a computer without the help of the right man,

just so you can never experience real fellowship and sonship with God without the "finished work" of the Man, Christ Jesus!! There is no such thing as "computerized salvation"... "Ye must be born again", by saving faith in the Person of Jesus Christ!!

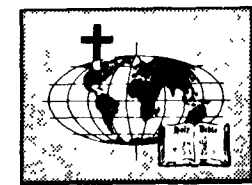

WHAT A COMPUTER CAN'T DO

We'd be lost, wouldn't we, if suddenly computers were withdrawn from our daily life? We have become dependent on them to schedule airplane flights, point out scholastic aptitudes and aid the Internal Revenue Service in checking income tax returns.

But there are things a computer can't do. It can't make a home a better home or a man a better man. A computer can't heal sorrows and disappointments. It can swallow up a lot of statistics and clank out a lot of conclusions, but it can't direct a man to God's love.

As today's world is run more and more by automation, we need the help of the Church to guide us in the spiritual realm of life. We need to experience God's great love for all men. In our mechanical world, only the Church can help us find God's love.

MT. OLYMPUS CHAPTER INSTALLS

Mrs. Douglas Howell and Mr. Henry Geist were installed as Worthy Matron and Patron of Mt. Olympus Chapter #263, O.E.S., Friday night, April 3, 1970 at 8:00 p.m. in the IOOF Hall.

The meeting was opened by Mrs. Shirley Meisner and Mr. Sander Swalling, retiring officers. Distinguished guests introduced were Mrs. Mae Sooy, Grand Representative of Indiana in Washington and Mrs. Marjorie Hendricks, Deputy Instructor of District #1, Worthy Matrons and Patrons of 1969-70: Mr. and Mrs. Daniel Moore, Jefferson Chapter, Hadlock; Mrs. Marguerite Savage of Key City Chapter, Port Townsend; Mrs. Brandland, Esther Chapter, Port Angeles; and Mrs. Elsie Broderson, Quilcene Chapter, Quilcene.

The Installing officers were introduced, they were past Matrons and Patrons, Mrs. Alfred Rhyne, Mr. and Mrs. Thomas Braithwaite, Mrs. Ray Ellis, Mrs. Arthur Maxfield, Mrs. Lowell Nash, Mrs. Albert Nagel and Mrs. Merle Schoeneman, and installing organist Mrs. Maynard Lucken.

During the intermission the "Rainbeats" dedicated a song "This is My Country" to Mrs. Meisner and Mr. Swalling.

Officers for 1970-71 installed were Mrs. Douglas Howell, worthy matron; Henry Geist, worthy Patron; Mrs. Harvey Hoffman, associate matron; Arthur Maxfield, associate patron; Mrs. Henry Geist, conductress; Mrs. Thomas Mansfield, associate conductress; Mrs. Harry Sackett, chaplain; Mrs. Marvin Goldman, marshal; Mrs. Doran Jackson, organist; Mrs. Arthur Maxfield, secretary; Mrs. Signy Udd, treasurer; Mrs. Shirley Meisner, Adah; Mrs. Sander Swalling, Ruth; Mrs. Pat Ismay, Martha; Mrs. George Warnock, Electa; Mrs. William Read, warden; Mr. Sander Swalling, sentinel; and Mrs. Gladys Lea, bearer.

The East was decorated in the matron's colors of pale green and yellow, and the motto "Love One Another" on a large white heart trimmed with yellow netting and banquets of yellow roses. The star point stations were decorated with trellises with roses to match the colors of the stations. Mrs. Howell's gown was yellow satin with a white embossed overshirt and long sleeves and she wore a corsage of yellow rosebuds presented to her by her husband. The officers' gowns were white with the exceptions of the Star Points who wore gowns the colors of their stations. The "carry on's" were green staffs with yellow and green rosebuds.

In her acceptance speech Mrs. Howell thanked all who

made the installation possible and expressed the desire that we practice tolerance and love with the help of the "one above" and the "Rainbeats" sang "I'll Never Walk Alone". Mr. Geist, worthy patron, stated that Eastern Star has enriched his life and his wife's so much, that they has sponsored at least 50 girls for Rainbow, saying that "only what we give away, enriches us from day to day". Mrs. Howell introduced her husband, Douglas, son and daughter-in-law, Mr. and Mrs. Michael Howell, daughter and son-in-law, Mr. and Mrs. Stephen Brown and grandchildren Samantha and Michael, sons and daughter Marvin and Susan and Ronald, father and mother-in-law, Mr. and Mrs. Ralph Howell and Judy Core. Mr. Geist introduced his wife, Betty.

Worthy Matrons and Patrons of 1970-71 were introduced: Mrs. Vera Westall and Kirby Sooy of Port Townsend; Mrs. Elsie Andrews and Walter Kelly of Quilcene; Mr. and Mrs. Lawrence Sprague of Sequim; Mrs. Mable Miller and Malte Hansen, Port Angeles; and Mr. and Mrs. Gerald Thurlow of Hadlock. Other guests introduced were wor-

shipful masters, William Read, Mt. Olympus Lodge, Forks and Edward Ketchum, Port Angeles Lodge, F. & A. M. and Mr. George Tracy, grand Generissimo of the Grand Commandery of Knight Templar of Washington. Mother advisors of Rainbow for Girls, Mrs. Helen Haller, Sequim and Mrs. Herbert Smiley, Forks.

Mrs. Meisner, was presented with her pin by her daughter, Marilyn. An addenda by the officers was given for Mrs. Howell and Mr. Geist, and they were presented gifts from the Chapter, and the matron was presented with a dozen yellow roses. The Rainbow girls also gave an addenda and presented gifts. Worthy patron, Mr. Geist presented Mrs. Howell with an engraved gavel, with her colors and flowers in it.

Mrs. Meisner and Mr. Swalling were presented a gift and an invitation to join the group from the Past Patrons and Matron's Club.

The meeting was adjourned and punch was served by the Rainbow Girls. Refreshments were served in the dining room. Mrs. Henry Geist served the large beautifully decorated cake; pale green with yellow

The play "Christ in the Concrete City" will be presented by a Port Angeles interdenominational church group, Sunday, April 19, 3 p.m., at the Prince of Peace Lutheran Church.

Lucky Sew & So's

The meeting of the Lucky Sew & So's was called to order April 9, by president Kay Stockman. Ann Stockman gave a demonstration on "How to Sew on a 4-Hole Button". Refreshments were provided by Celeste Whidden and served by Ann Stockman. Games were led by chairman Celeste Whidden. The next meeting will be Thursday, April 16. Debi Otos, Reporter

NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Notice is hereby given that on Tuesday, the 28th day of April, 1970, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Clallam, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

APPLICATION No. 34094

Falls Creek Thinning located approximately 3 miles by road West of Clallam Bay. The sale is composed of all timber marked with blue or orange paint, bounded by sale area boundary tags and logged area on parts of the following: NE 1/4 SW 1/4, S 1/2 SW 1/4, W 1/2 SE 1/4, plus all timber bounded by right of way boundary tags on part S 1/2 SW 1/4, part SW 1/4 SE 1/4 of Section 19, Township 32 North, Range 12 West, W.M., containing 112 acres, more or less, comprising approximately 1,350,000 bd. ft. of hemlock and white fir, 1,050,000 bd. ft. of spruce, 460,000 hd. ft. of alder and 80,000 bd. ft. of Douglas fir, or a total of 2,940,000 bd. ft.

Minimum acceptable bid: \$31,500.00.

Timber will be sold on a cash or installment plan basis. Timber must be removed prior to September 30, 1973.

On or before April 28, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$3,150.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale, the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee, or may, if the purchaser so elects at the time of sale, pay an additional amount, to bring the total amount of the deposit, exclusive of fees, to equal 10% of the full bid price based on the cruise estimate. This balance may be paid by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$10,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, April 28, 1970, at 10 o'clock a.m.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Said timber on said land will be sold for not less than the appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

APPLICATION No. 34170

Upper Carpenter Creek located approximately 12 miles by road southwest of Clallam Bay. The sale is composed of all timber bounded by sale area boundary tags and logged area on part SE 1/4 SW 1/4 of Section 20, part N 1/2 NW 1/4 of Section 29, Township 32 North, Range 13 West, W.M., containing 36 acres, more or less, comprising approximately 1,100,000 bd. ft. of hemlock and white fir, 530,000 bd. ft. of cedar, 70,000 bd. ft. of Douglas fir and 30,000 bd. ft. of spruce and others, or a total of 1,730,000 bd. ft.

Minimum acceptable bid per thousand bd. ft.: \$38.50 for hemlock and white fir, \$41.50 for cedar, \$74.50 for Douglas fir and \$47.50 for spruce and others.

Bidding will be permitted on hemlock, white fir and cedar only.

Timber will be sold on a log scale basis. Timber must be removed prior to September 30, 1972.

On or before April 28, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$7,098.50 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale, the purchaser must, on the day of sale, make an additional payment so that the total amount deposited, exclusive of fees, will equal 10% of the full bid price based on the cruise estimate, plus a \$25.00 deposit on a branding hammer and a \$5.00 bill of sale fee. This additional payment may be by personal check. Purchaser must also furnish within 30 days of date of sale a surety bond of \$10,000.00 to guarantee compliance with all terms of the bill of sale. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands, Olympia.

Accessability: via Department of Natural Resources access and Zellerbach Corporation easements.

Complete contract and specifications may be examined at Forks District Headquarters, County Auditor's office, and office of the Commissioner of Public Lands, Olympia.

To be sold at Forks District Headquarters, on Tuesday, April 28, 1970, at 10 o'clock a.m.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

Said timber on said land will be sold for not less than the appraised value, as appraised by the Commissioner of Public Lands in the manner provided by law, a notice of which is now on file in the office of the Auditor of said county, and District Administrator of said district.

NOTICE OF SALE OF VALUABLE MATERIAL ON STATE LAND

Notice is hereby given that on Tuesday, the 28th day of April, 1970, commencing at ten o'clock in the forenoon of said day, at the Forks District Headquarters, located at Forks, County of Clallam, State of Washington, by the District Administrator of said District, the timber on the following described state land will be sold at public auction to the highest bidder, to wit:

SPARTANS TAKE LUMPS

The Forks High School Spartans found the going rough in a pair-off triangular meets in the last two weeks as the lack of depth has made it impossible for the Spartans to stay in contention.

Two weeks ago the Spartans trailed Sequim and Vashon in a triangular meet 72 1/2-69 1/2 to 39, Forks' only first places came in the high jump as Dave Beebe cleared 5 feet 8 inches and in the 180 yard low hurdles as Darrel Beebe covered the 180 yards in 23.7 seconds.

The Spartans again found themselves in trouble at Sequim last Saturday, finishing behind Sequim's 80 1/2 points and North Mason 60 1/2 points with 36 points. Forks picked up two first places as Dennis Perry raced to a 55.4 seconds clocking in the 440 yards and Pete Dahlgren put the shot 42 feet and 2 inches to win their respective events.

SEQUIM--72 1/2
VASHON--69 1/2
FORKS--39
Forks Scoring:
HH: Darrel Beebe, second, 100; Perry, second, Mile; Gale, third, Hinchin, fourth, 880 relay; Forks, second, 440; Perry, second, Pole Vault; Dave Beebe, third, Shot Put; Dahlgren, third, 180 LH; Beebe, first, Windell, fourth, 880; Jackson, second, 220; Mile; Gale, fourth, High Jump; Dave Beebe, first, Triple Jump; Goos, third, Beebe, fourth.

SEQUIM--80 1/2
NORTH MASON--60 1/2
FORKS--36
Forks Scoring:
HH: Beebe, second, 100; Perry, third, Mile; Jackson, second, Gale, third, 440; Perry, first, Shot; Dahlgren, first, High Jump; Beebe, second, Simmons, fourth, LH; Beebe, fourth, Pole Vault; Beebe, second, 880; Jackson, third, Two Mile; Hinchin, fourth, Triple Jump; Beebe, third, Goos, fourth, Discus; Maxfield, second.

Letters to the Editor
Editor,
I was never a teacher, never got as far as high school, and it has been more than 60 years since I studied grammar in school but it "jars" me to hear COLLEGE EDUCATED persons use phrases like "He told my brother and I" or "It was given to you and I". Those using such phrases wouldn't say "he told I" or "It was given to I", so why not use the correct pronoun "me" where it should be used.

End of grammar lesson, Mrs. John Merritt Beaver, Washington

SUNSET HIGHLITES

BY FRED JARVIS

Lonnie Archibald was telling me tonite that the glass floats are coming in now. Come on, Ma, let's go beachcombing. Haven't done that for years. Could sure use the exercise.

Pretty successful bowling party, as usual. Almost standing room only. Sure nice to see the Neah Bay Air Force bunch there. They also walked away with quite a bit of the loot, too.

Kay Sundberg's 199 and Gwen Genson's 521 topped the Tuesday Afternoon League while Lynn Lewis of the Junior Mixed had a 158-431 and Pattie Laswell a 150-429. Robert Laswell rolled a 186, Jim Blair a 180-470 and Ken Olson a 182-475. David Bryan picked off the 3-6-7-10 split.

Leta Rondeau led all the Powder Puffs with 210-567. Kathy Decker banged out a 201-546, (must be the new style eh Kathy?). June James???? hit a nice 192-545. Nice going, girls.

Leta again for the Hoot Owls at 191-546. Hoh River Cedar and Sunset Lanes tied for first in the second half and will have a bowl-off.

Patsi Robinson, 171-409 and Jodie Keeney, 416 in Thursday Beginners and Ollie Swearingen at 188 and Kathy Decker at 497 for the captains.

Coast-to-Coast won the second half of the Women's Thursday nite league and will bowl Lefler's for the title. Jerry Beebe's big 222, Sharon Fletcher's 201 and Leta's 205-504 were top scores posted.

Carroll Lunsford rolled a big 235, 100 pins over his average in the West End bowl-off, Dean Helfrich also hit a 235 and Willis Bryan a 222. Darrell had 566 for top series. Paul's Serve-U won the championship in a roll-off against Lefler's.

Young Tom Cook hit a 101 game with a 58 average in the Boys Bantams, Wade Gilmore, 47 average, hit a 75, and Barney Allen at 39 average, almost hit a double with a 58-59, Rocky Cofelt rolled a 153-299 and Jim Rondeau a 167-316.

The Mixed Junior Traveling teams bowled at Sequim with Robert Laswell hitting 189, Jim Blair a 191-505, and Jeff Blair a 205-514. Patty Laswell
