VOLUME XL FORKS, WASHINGTON 98331 THURSDAY, JUNE 4, 1970 PAGE 1 NUMBER 40 10 CENTS

(CHURCH)
(Continued from Page 4)

September 18, 1966 marked the starting of Sunday School and worship services on a regular basis. These services were held at the West End Sportsmen's Club.

Ground breaking ceremonies for the new church building were held on Labor Day, 1968. The first service held in this new building was Christmas Eve, 1968, in the Fellowship Hall.

On March 27, 1969, it was voted to call Howard Stockman as full-time pastor following his graduation from Luther Theological Seminary in June.

Prince of Peace was formally established as a congregation by Dr. S. C. Siefkes, president of the North Pacific District of the American Lutheran Church on May 14, 1967, at a 3:30 p.m. service.

(LIONS-)
(continued from Page 7)

Jeff Blair was the winning pitcher. He gave up 8 hits and did not walk a batter. Klahn, Blair and Pruefert led the batting parade with two hits each.

Forks 8, Fiberboard 4: Fiberboard put 3 hits together in the third for 2 runs and scored single tallies in the 6th and 7th.

Bill Klahn opened the Forks 1st with a double and scored on a single by Blair. Nash walked and Pruefert walked. Blair scored on a fielder's choice and Nash came home on a wild pitch.

Forks scored 2 in the 2nd. Klahn and Blair walked and Pruefert slammed a double to left scoring both runmers.

Nash walked to open the bottom of the 7th. He stole second and came home on Pruefert's third hit of the game. Pruefert stole second, advanced to third on a passed ball and scored on an error by the shortstop on a grounder by Olson. Olson scored the final run on an infield out.

Olson pitched 5 2/3 innings before giving way to Blair in the 6th. Blair tossed a 3rd strike by Earley to get out of the jam and retired the side easily in the 7th.

Pruefert led Forks at the plate with a double and pair of singles.

Bill Elahn and Jeff Blair rapped singles to lead off the first. Bernie Nash was safe on a fielder's choice to load the bases. Chip Pruefert singled to drive in Klahn and Blair. Ken Olson walked loading the bases. Eric Stohl struck out and Dean Sverin flied to right before Dave Otos was walked, forcing in a run. Gale Bolin was safe on an error, Pruefert scoring on the play. Olson scored on a passed ball, Bill Klahn drilled a triple to left scoring Otos. Bolin was thrown out at the plate.

Three straight singles in the second by Blair, Nash and Pruefert accounted for a tally. Forks scored 3 in the third on 5 walks, fielder's choice and a passed ball.

The game was called in the fifth because of the 10-run rule. Pruefert opened the bottom of the fifth with a walk, Olson and Ke/in Hinchien followed with singles, Olson scoring. Ron Blankenship, Klahn and Otos walked forcing in 2 runs giving Forks a 14-4 lead with only one out.

Keep on serving. Keep on learning.

A man who serves in the U.S. Army Reserve is helping more than his Country. He's also helping himself. By keeping sharp for his civilian career through on-the-job training. By giving himself the chance to further that career through courses at Army Reserve Schools. It pays to join. It pays to stay.

**BOAT ACCIDENT
ON LAKE CRESCENT**

A Forks man, Donald Kettel was injured Saturday when the 16-foot fiberglass inboard-outboard craft he was operating on Lake Crescent, crashed into the north shore of the lake.

According to witnesses, Kettel's craft was traveling at a high rate of speed near the middle of the lake when it headed toward shore. The boat crashed into a log at the edge of the lake at full speed, became airborne and slammed into the trees at the lake's edge, completely splitting the boat in half. The bow of the boat was embedded one foot into the trunk of a tree.

Kettel, who remained in the boat was not seriously injured, and was taken to Forks hospital, treated and released.

According to a park ranger the matter is still under investigation.

LEAVE THEM ALONE!

If you should happen to see a young fawn lying along the trail while you are enjoying the beauties of nature, leave it alone. Doesn't it have the right to grow up where it was born? Or would you have it spend its life in a cage or even worse, be done away with entirely?

According to Jim Aggergaard, State Wildlife agent, there is a rising number of these animals being picked up by well meaning persons.

Just leave them alone, they haven't been abandoned by their mother any more than you would abandon one of your children.

Please don't pick them up.

MORGISON APPEAL

The date for the arraignment in Appellate Court on the Morgison case has been moved from June 12 to June 26, according to Clallam County Prosecutor Nathan Richardson.

No pick up order can be issued for Morgison until the appeal has been dismissed by the Appellate Court.

EDITORIAL . . .

By Nedra Reed

Memorial Day, 1970 is past. The day we set aside to honor the memory of those who have died in the service of their country, those who knew a job had to be done and did it, with the greatest sacrifice one can make. They might have wanted to be somewhere else at the time but they fought and died that we might experience the freedom that has made our country strong.

But what has happened to the country? Across this great land men riot and burn in the cause of "freedom". But those who are so handy with matches and dynamite were probably just babies when their fathers fought and died to secure some semblance of peace for them.

We seem to be searching for some sort of utopia where there is no war, hunger and hate between men.

Those we honor on May 30 each year were searching too, their search for what they believed in cost them their lives, what price freedom?

LETTERS TO THE EDITOR

AN OPEN LETTER TO WOULD-BE-QUEENS

Dear Would-be-Queens,
So you want to be Queen. Good, that is a commendable aspiration.

Now that you've decided that you want to be Queen--live up to the part.

Dress like a Queen. This means wear a dress, and heels if the occasion permits. Be clean and neat. Leave the haircurlers at home. Get rid of that chewing gum. Don't comb your hair in public. Don't think that hair is beautiful just because it is long. Act like a Queen. Be courteous, considerate, polite and lady-like.

Hank Zepeda

P.S. You needn't be a Queen candidate to follow the above suggestions.

Editor,

WINSORS HONORED

MR. & MRS. TOM WINSOR AND DAUGHTER FLORENCE.

Last Wednesday, May 27th, was a special day in Forks as it was "Tom Winsor Day". In the evening a reception was held in the All-purpose room of the E.mentary school and the program was broadcast on KVAC. Over 100 people attended the reception.

Mrs. Ivan Burr was mistress of ceremonies and the program began with the flag presentation by Boy Scout Troop 467, followed by the invocation by Rev. Art Morlin of the Assembly of God Church, Superintendent of Schools, John Hitchcock then gave a speech, praising Mr. Winsor on his lifetime work, as teacher, principal, parole officer and service to the Scout program for over fifty years.

A clarinet trio from Robert Jones' high school music department played a selection followed by a brass ensemble. The clarinet players were Myrna and Gail Graves and Patti Sullivan and the members of the ensemble were Jim Hull, Jerry Beebe, Bill Brager, Tim Anderson, Denise Rhyne, Jenni Blomgren, Ernie Colburn, George Ronish and Terry Burr.

Lowell Nash, a former pupil from one of Mr. Winsor's first classes in Washington state was introduced. Points of interest from Mr. Winsor's life of past days in Canada as a child and of his teaching career were brought out. The highlight of "This is Your Life" occurred when Mr. Nash named the Winsors' children, and their daughter Florence from Seattle surprised her parents as she appeared from the kitchen and walked down the aisle.

Julie Mansfield, daughter of Mr. and Mrs. David Mansfield sang "When You Wish Upon A Star" and "Rain Drops". She was accompanied by Mrs. Mabel George at the piano.

Bill Thompson, metal shop teacher, presented Mr. Winsor with a small schoolhouse made by Larry Benally, one of Mr. Thompson's students. An Indian basket was also presented to the Winsors from Bill Brager and Jerry Beebe, high school freshmen, who were attending kindergarten when Mr. Winsor first came to Forks. The basket was woven by Mrs. Roy Black Sr., and was a gift from the people of the community.

Mrs. Burr read greetings that were sent to Mr. Winsor from former neighbors and friends and also a poem written especially to Mr. Winsor.

Merle Watson closed the program by singing "May the Good Lord Bless and Keep You", accompanied by Mrs. Art Morlin at the piano. Refreshments consisted of cake, coffee, tea, and punch. Mrs. John Kilmer made the cakes, one was fashioned by a little red schoolhouse, the second was made like a map of Lake Ozette, where the Winsors' summer home is located and other was white, inscribed with yellow, the

words, "best wishes on your retirement". Those who cut and served the cake were Mrs. O.C. Peterson and Mrs. David Mansfield, Mrs. Boyd Rupp and Mrs. A. A. Rhyne poured tea and coffee and Mrs. Lowell Nash served punch. Mrs. Lyle Cowles had charge of the guest book and Mrs. Warren Paul and Mrs. Henry Bechtold arranged flowers and decorations.

The entire committee wishes to thank all those who worked in the kitchen and others who served in various capacities.

Scavenger Hunt for Luther League

On Sunday evening June 7, the Prince of Peace Luther League will be having a special scavenger hunt. This activity has a dual purpose, first being to collect coffee and clothing for the Seattle First Avenue Service Center, and food and clothing for people of the Olympic Peninsula; and second, of course, is to have fun in the process of helping others. The Leaguers will be around in pairs from 6:30 p.m. to 8:30 p.m. Please help them to help others. If you have items you wish to donate, call 374-5801 evenings, and they will make a special effort to stop at your home.

Did you mail a catalog order today to **Sears** or place one on your last visit to town? If you did you got the same guarantee, the same quality, the same price, the same satisfaction or exchange policy as the customer in Seattle - Albany - Portland - Tampa - Austin - Sacramento - Miles City or Detroit did, but not a penny of your or their spending stayed here in Forks. Forks Sears Store is one of the many in Sears' Merchant Store program. This means that the Sears outlet is actually owned by a local person. He is not employed by Sears but acts as a commission agent for them. Therefore his whole living and contribution to his town comes through the orders he processes for those items you choose Sears to furnish your family and yourself. This ownership gives a much more personal interest in our customers to a Sears merchant than would come in a larger store. Your Forks Sears is as close as your telephone, will process your order written on any old piece of paper, tries to give you the best service possible, and most of all cares about Forks and its folks.

Tyee - Beaver - Sappho News
BY MRS. J. E. MERRITT

Mrs. Anna Cotton of Spanaway was a recent visitor at the home of her sister, Mrs. Olga Hellstrom at Bear Creek.

Mrs. Rex Everett of Sappho and Mrs. Ernest Rowles of Port Angeles returned home last week, following a two-weeks' visit with Mrs. Everett's son, Bob Everett, and family in California.

Mr. and Mrs. Walter Fuhrman, Jr., of Forks, and his sister, Marjorie Fuhrman, of Seattle, stopped at the Jim Scarlett home on Wednesday of last week, after attending the graduation, the previous Sunday, from Auburn Academy (the Seventh Day Adventist school) of their nephew, Ivan Cowles.

While their daughter, Darlene Dawkins, was still in Swedish hospital, Seattle, Mr. and Mrs. Dale Dawkins visited her and then went out to Renton to stay with his brother-in-law and sister, Mr. and Mrs. Gene Beckett. They were surprised with a silver wedding anniversary party given by the Beckets. (The anniversary was on Tuesday of last week). There were six other couples there and Mr. and Mrs. Dawkins were presented with a beautifully decorated cake, a money tree and other gifts. Their son, Randy, was also there. The evening was spent in playing pinocle.

Bobby Swanson, son of Mr. and Mrs. Bob Swanson of Beaver, celebrated his 6th birthday on Wednesday, May 27. He took cookies to his kindergarten classmates in the morning, and enjoyed a birthday party given by his mother. Present were: Patrick and Cera Musick, Chuckie Earley, Kenny Hunt, Danny, Susan and Christie Tryon, June and Steven Breithaupt, Jim and Giamma Dailey, Mike and Jay Proctor, Tammy Swansen and Bobby Swanson and his small brother Matthew.

A chocolate cake, covered with blue icing and decorated with miniature cars--their exhaust spelling out, "happy birthday Bobby" was enjoyed by all the children, and they played games outdoors in the afternoon.

Bobby's playmates, Scotty Mansfield and Tom Dailey sent gifts as they were unable to attend the party.

Mrs. Al Peterson and her small son Craig, of Toledo, Ohio, arrived Saturday for a visit with her parents, Mr. and Mrs. Sander Swalling.

Mr. and Mrs. A.M. Nordman had as guests over the weekend their son and daughter-in-law, Mr. and Mrs. Arnold Nordman and children Lynn and Eric, lately from Boise. They arrived Saturday, and the younger Mr. and Mrs. Nordman left on Monday for Seattle and from there will go to Chicago, where Arnold has accepted a new position. The grandchildren will remain here for a while.

Mr. and Mrs. Marvin Shawver of Port Angeles visited over the weekend with her grandparents, Mr. and Mrs. Martin Engeseth.

Mr. and Mrs. Lee Hurley and their sons, Bill and Ray, with their wives and Bill's son Billy Hurley, arrived Sunday from Grundy, Virginia. The Lee Hurleys were fortunate in being able to rent one of Rouse's cabins, but for several days the younger Hurley families had to depend on the hospitality of friends.

Frank Buonpane entered Olympic Memorial Hospital on Tuesday, and was to undergo surgery Wednesday. (yesterday).

HAPPY BIRTHDAY!!

Nels Pierson, Forks, was honored guest at a party given for him by Mr. and Mrs. Charles Gustafson and family, celebrating his 85th birthday. The party was held at Mr. Pierson's home Sunday, May 31.

BRIDGE STUDY UNDERWAY

The U.S. Forest Service is studying bridge deterioration on the Soleduck District. This is part of a larger study being conducted on bridges throughout the Pacific Northwest Region by the U.S. Forest Products Laboratory in Madison, Wisconsin.

Sandy Floe, Civil Engineering Technician on the Soleduck Ranger District, is conducting the tests on the South Fork Soleduck Bridge to determine the moisture content of this primarily wood structure. High moisture content is a basic requirement for fungus growth, the cause of decay and rot, is to take place. This generally requires the moisture content of the wood to be above 25 percent.

The present study utilizes the well-known principle that a definite relationship exists between moisture content and the electrical resistance in wood. Twelve electrodes, which record the electrical resistance, are inserted into the South Fork Soleduck Bridge in several places to obtain an overall picture of the moisture content.

The readings obtained from these probes, along with the internal temperature, are sent to the U.S. Forest Products Laboratory where they are adjusted and evaluated. During the first week in June, a layer of cold asphalt being developed by a major petro-

leum company will be applied over the decking of the bridge in a further attempt to seal it off from further water penetration. The probes already in the bridge along with their previous readings will determine the success of the treatment.

The bridge will be closed to traffic for several days while the asphalt is being applied.

SEVEN GOALS FOR EDUCATION

My daughter, Roanne, waved goodbye. She was boarding a plane for her first year at college. When we returned home we did a bit of thinking. We knew that from that moment on she was really on her own. So we asked some searching questions. What had we given her that would prepare her for all that life would bring? What had the school and the church given her? What kind of guide-lines had become a part of her thinking and feeling? Would they be real and effective and useful when she was far away from familiar faces and comforting landmarks?

For two years we struggled with these questions along with a group of educators in the Chicago area. We came up with the following Seven Goals. These were goals for Christian Education, but that means true education for life.

1. AWARENESS--The degree of our awareness is the measure of our life. If only we could all see what the artist sees, hear what the musician hears, be sensitive to beauty, complexity and the meaning of life.

2. ACCEPTANCE--The acceptance of ourselves, of those near to us, and of those strangely different in color, race and culture. Acceptance is the key to emotional health and the power to love.

3. BELONGING--This is the other side of acceptance. When we are accepted we know we belong. When we belong we are free to be ourselves and to share in the life of family, community and world.

4. INTEGRITY--This means more than honesty. It means achieving an integrated life which has conviction and the strength to stand up and be counted.

5. RESILIENCY--This is the law of survival. Life will hand us many anxious hours, times of storm and crisis and even tragedy. Can we bend with the storm and not break? How do we develop spring-steel in our spines?

6. DEDICATION--A purpose in life larger than our self-serving goals.

7. FREEDOM--Mature freedom is man's greatest challenge. Only in freedom can his creative possibilities be realized. God's greatest gift is the power of love, but without freedom it is of little significance.

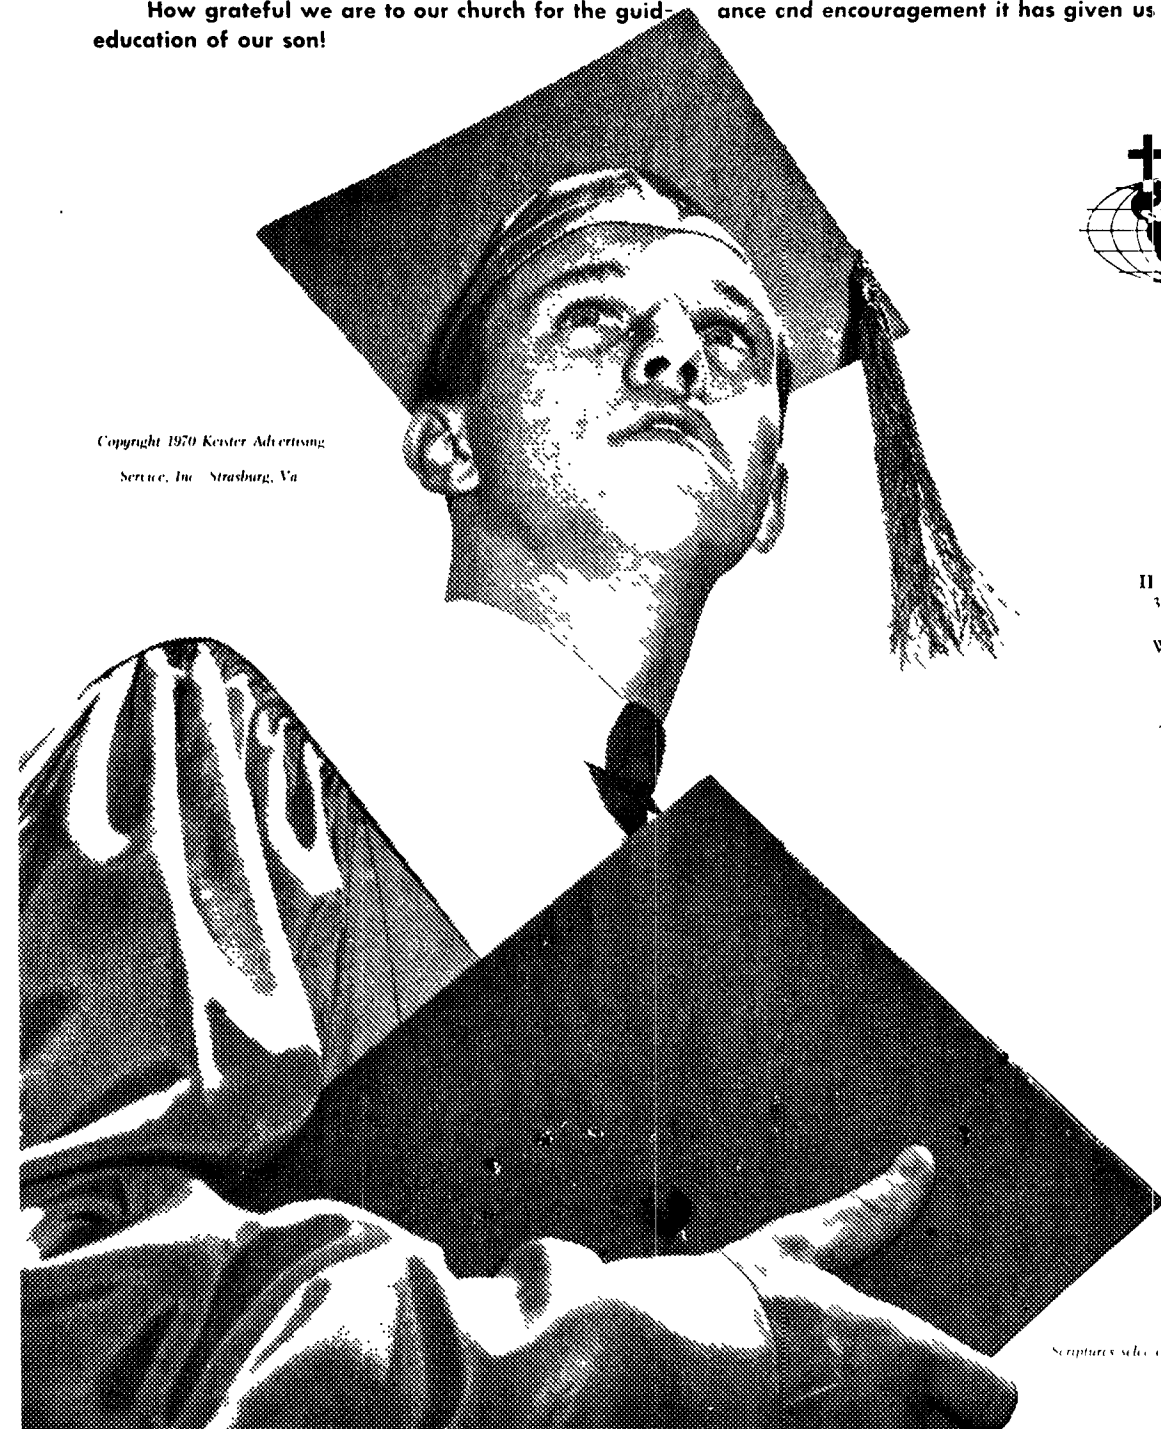

JIM WAS GRADUATED TODAY

Mary and I sat on the bleachers overlooking the high school athletic field and watched him march in with his class. A bird glided overhead, and, from far off, a dog's bark and children's voices mingled on the evening air. Behind circling hills, blue mountains made a stately backdrop.

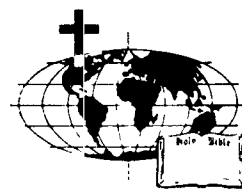

Jim avoided our glance, the habitual grin he's worn since babyhood stilled for a moment in a gaze of earnest solemnity. His first big milestone had come, and I smiled to myself remembering his eagerness to embark upon the "world of tomorrow."

I have no fears for his future . . . for Jim is a Christian. What a wonderful assurance it is to his mother and me to know that wherever he goes, whatever happens in that wonderful "world" ahead, the values and principles he has been taught will be there to guide and sustain him.

How grateful we are to our church for the guidance and encouragement it has given us in the Christian education of our son!

Sunset Highlites

By Fred Jarvis

Spent a wonderful weekend in Vancouver B.C., bowling in the Northwest Invitational tournament with Darrell, Claude, D.J., and Stan Fouts. Marge was our rooting section and a darned good one at that. Mother had to stay home and run the bowling alley.

We finished 25th in the team event, Stan won some dough in the doubles, and D.J. will get some back in the all-events. One bad part about the whole trip was the hour hang-up at the border going thru customs. Boy, what traffic! Brought home some English chuna for Mother and the girls.

Darrell led all bowlers in Tuesday Mixed with a big 244-625. Dick Streeter hit 204-527, Dave Allen had 522, his first in league, and Mother topped the women with 183, 521.

Gordon McCoy had a shot at the TV on Saturday Nite Monte Carlo, but missed, as did Chuck Laswell on his Jackpot try. Esther Parris had a try at a \$15 shot, but found out that its quite un-nerving to get up in front of people and shoot for that much. Needless to say, she didn't get a strike, but at least she made the spare. Better luck next time.

Little Theresa Suchodolski hit a 54 game and a 133 series in the Junior-Senior Mixed, Chuck Genson had a 169-449 and for the old folks, Leta Rondeau hit 186-521 and Fred Jarvis had a 225-600.

House eliminations are now in progress for the district finals of the Summer Singles to be held here June 20-21. Should be a big one as most of us hit pretty fair in our home lanes. At least if you don't bowl good, you haven't had a long trip to go with it.

Well, the Pros finally hit a pretty fair series and gained a small measure of revenge for getting beat so often. I suppose Duke and I will be in a slump again tonite, and everybody will collect.

Bowlers of the week: Leta Rondeau 186, and Leta and Elzada Jarvis tied at 521 for series. Darrell Thomas 244-625.

OUTDOOR LORE

By Lonnie Archibald

Yours truly offers many apologies to those outdoorsmen who could not find "Outdoor Lore" in last week's Forum. You see it happened like this. Returning home Monday afternoon with a 17 1/2-inch cutthroat from Beaver Creek and a few of smaller size, I found my fishing partner from Edmonds awaiting my arrival. Well, we traded a few tales of sportsmen's lore and before I knew it the clock was striking 2 a.m. Past bedtime, to late to write "Outdoor Lore". It shook me up so badly that I even missed breakfast Tuesday morning. Even had a hard day around the station.

Here's a hot line. General buck season will run October 10 thru November 8. The deer season in elk areas, however, will run from October 10 thru November 4, and then re-open for November 7 and 8. The general bull elk season will run November 7 thru November 22. The elk permits are down this year dropping to 4,700 compared to last year's total of 6,275. The closing date for applications is 4:30 p.m., Thursday, September 3. Either-sex elk season will run November 16 thru January 31 in selected Olympic Peninsula areas.

For those who prefer birds, the season will open for blue ruffed grouse on September 12 and run through November 22. Full season details will be available in pamphlet form from local license dealers on deer and elk about August 1.

Talked to Roy Mohondro the other day and it seems he and two fishing experts journeyed into a secret wilderness lake where they scored well, bringing home a limit each of native trout. But hold on, this isn't the plot, listen to this. They took horses.

This may be fine for his two partners but for a football, basketball, and track coach this sort of thing is out of the question. A good hike would have been more appropriate. I can almost picture next season's football practice on Spartan field. "All right boys, saddle-up, ride twice around the field, water the horses and shower." Right coach?

Forks Lions Bounce Back

The Forks Lions have bounced back from an opening 10-7 loss to Crown-Z to take a 14-4 win over Olconco and a 7-4 win over Fiberboard in Olympic Junior baseball play in Port Angeles.

Crown Z 10, Forks 7: Forks moved to a 3-0 lead in the third, Jeff Anderson and Bill Klahn walked and Jeff Blair slammed a triple to right center, scoring Anderson and Klahn. Blair scored on an in-field out. Crown scored 3 in the fourth and 2 in the fifth to move ahead, 5-3.

Forks scored in the fifth to cut the lead to 5-4. Blair reached base on an error and scored on a single by Bernie Nash.

Forks tallied 3 runs in the sixth on two walks, an error and a single by Chip Pruefert to take a 7-5 lead into the top of the seventh. Crown came back to score 5 runs on 3 walks and 3 singles to gain the win.

Forks 14, Olconco 4: Olconco scored solo runs in each of the first four innings, but Forks tallied 6 runs in the bottom of the first to put the game out of reach.
