

FRAKERS CHOSEN "OLD TIMERS" SWIMMING CLASSES

Mr. and Mrs. Jack Fraker of Forks were chosen by the West End Pioneer Club to be the "Old Timers" couple honored for the Forks Fourth of July Celebration.

Mrs. Fraker was born on Mill Creek where her father had a homestead. Mr. Fraker was born in Seattle and lived practically all his life on Lake Crescent. Mr. and Mrs. Fraker have been married 61 years and have six children, Mrs. Ethel Whitehead, Gene, Elmer, Verne and Earl Fraker and Mrs. Evelyn Parker. All of the Fraker's children live in or near Forks except for Mrs. Parker, who lives in Aberdeen. Mr. and Mrs. Fraker have 26 grandchildren and numerous great-grandchildren.

Grandma and Grandpa Fraker to all of us who know and love them, are just as active as they were 40 years ago. Grandma Fraker has a beautiful lawn and flower garden, and Grandpa Fraker's vegetable garden is the envy of all the neighborhood. In the winter, Grandma Fraker crochets, knits and sews, and makes some of the most beautiful afghans you have ever seen. While Grandpa Fraker can be seen just after daylight, fishing pole in hand, walking down the road to his favorite fishing hole on the Bogachiel, and when it is not fishing weather, he builds boats, cabinets, and trinkets for his grandchildren in his shop.

So, congratulations to the "Old Timers" of the Forks Fourth of July Celebration, 1970.

Swimming lessons began July 6, at the Town Motel pool. The classes will be taught by Roy Mohondro, and the cost is \$8.36 for the 10-day, 1-hour per day sessions.

Times for the classes are: 10 a.m., intermediate; 11 a.m., advanced beginners; 12 noon, beginner's classes, the beginner's classes have been filled for the first session.

The pool will also be open for public swimming from 1 to 3 p.m. every day with Mohondro as lifeguard. The admission price is 50¢, bathing caps are required and shoes must be worn to and from the pool. Anyone without shoes will not be allowed in the pool area.

Anyone interested in Junior Lifesaving should call so a class can be scheduled.

The swimming classes will be held during the summer if there is enough demand. The next session will begin July 20.

For information and registration please call, 374-6231.

OBITUARY

AL RHYNE
Funeral services were held Wednesday for Al Rhyne, 56, of Forks, at the Forks Congregational Church, Pastor William Cross officiated.

Mr. Rhyne was born June 5, 1914, and his widow, Nelma, survives at the family home in Forks. Mr. Rhyne is also survived by three children, Mark, Craig, and Denise, Mark and Craig are students in Seattle and Denise graduated from high school this year. Mr. Rhyne is also survived by his mother, Mrs. Frank Rhyne of Pe Ell and a brother, Don Rhyne of Port Angeles and a sister, Mrs. Doris Cox also of Pe Ell.

Memorial contributions may be made to the church of your choice or the Students for Responsible Expression, University of Washington.

There will also be Order of Masonic Lodge memorial services at Claquato, near Chehalis.

Rainfall total through July 5, 1970, 45.06 inches.

Forks Forum

The arena in Tillicum Park in Forks was completed this year and was the scene of many of the July 4th celebrations. A record crowd attended the motorcycle scrambles and demolition derby held July 5th.

KAREN IS FORKS CHOICE

Karen LaChapelle was crowned queen of the Fourth of July Celebration Saturday in the presence of a record crowd. Karen, 16, is the daughter of Mrs. Pat LaChapelle of Forks.

SHOOTING INCIDENT AT BEAVER

A landlord-tenant dispute erupted into violence last weekend when C. C. Rouse of Beaver allegedly assaulted Robert Yocom of Beaver with a .35 caliber rifle. Rouse, the owner of Rouse's Court, apparently became upset after telling Yocom to order a guest in Yocom's cabin out and Yocom refused. The Sheriff's Department was called and informed Rouse that since he rented the cabin to Yocom that he had no control over

who Yocom had as a visitor. Rouse allegedly took matters into his own hands and when Yocom refused to tell his house guest to go, Rouse fired the rifle at Yocom. The bullet passed between Yocom's arm and hip, cutting his belt loop and belt. The Sheriff's Department responded to the call and Rouse was taken into custody. He was arraigned in Superior Court, July 1st and released on \$5,000.00 bail,

Youngsters Rescued

The U. S. Coast Guard at LaPush responded to a call Monday at approximately 6:30 p.m. There were two people at the top of the 400-foot cliff at the end of First Beach. Chief Johnson, Thomas C. Porter, electronics technician 3rd class, and John F. McBride, seaman, responded to their calls for help. Chief Johnson scaled the shale and gravel cliff, assisted by Port-

er and McBride. They reached the youngsters stranded at the top of the cliff, they found Ernest G. Hingle, 17, and Abigail Hingle, 7, cold, wet, and scared.

Chief Johnson went to the top, tied a rope to Abigail and lowered her to McBride who had dug in and waited at the 200-foot level. Chief Johnson then returned to the top and lowered Ernest to the 200-foot level.

DROWNING OFF LAPUSH

The Quillayute River Station, U.S. Coast Guard at LaPush received a call Friday, July 3rd at approximately 4 p.m., that a boat had capsized and there was a man face down in the water about 3 miles south of James Island. The call came from the fishing vessel, "Lenora." According to the captain of the boat they had pulled one man from the water.

Chief Johnson, of the LaPush station, said both of the 44-foot boats were dispatched immediately. They proceeded to the area and found that the boats were 12 miles south of James Island.

The man the boat had picked up was A. L. Barnes of Sunnyside, Washington. The body of the man pulled from the water was identified as Frank Palmar.

Barnes said he and his partner, Mr. Palmar, were fishing in the 34-foot fishing boat "Spaniel", just south of the Needles area and the boat struck something in the water. The men aft and threw the 8-foot dory into the water. They had just boarded the dory when the fishing boat sank. They stayed in the dory for a while and then it also sank. Mr. Palmar apparently drowned or died of exposure. Barnes was picked up sometime later by the fishing boat Leonard.

Barnes was wearing a life preserver. Mr. Palmar also was wearing one but it was not put on correctly, according to Chief Johnson.

Mr. Palmar, 56 years old, was from Seattle.

LONGHOUSE DIG CONTINUES

Diggings for historic cultural artifacts by Washington State University archaeologists is continuing at two western Washington sites.

At the Minard site, which is located west of Aberdeen on the central Washington coast, 20 people including students receiving their summer field work are continuing excavation operations. Preliminary investigations were made

The rescue party slowly made their way down the cliff to safety.

Ernest and Abigail are from Franklinton, Louisiana.

LETTERS TO THE EDITOR

Editor,

Quoting "Outdoor Lore," "There is no doubt that the native steelhead are on the decline."

My good friend, there is no doubt with one exception. The Washington State Game Department doubts. With the exception of last season the game department will quote you figures that without a doubt prove there are just as many steelhead only that these steelhead are distributed amongst more fishermen, therefore your fishing may not be as productive as in the past. My answers to that would be: ask the fisherman who fish the Quillayute river. Men and women who are the first sportsman to get a crack at the fish. Or are they a lot of liars and the game department figures are telling the truth.

As far as who is to blame for the decline. When a managed program fails then there is no one to blame but the management and if this management continues to justify practices which have failed with figures, which do not reflect actual conditions it is time for a change.

We have been told in answer to why fish are planted on a put-and-take basis in locations where the intention is that they never spawn. The truck is to large to go higher on the river. also, the river would not sustain the offspring if they were permitted to spawn. Well if they can't get a helicopter, which they can, there would be enough local volunteers to solve the problem. As far as the river not sustaining the offspring there is a lot of past proven fish sustaining water going to waste.

In answer to why four, five

and six pound steelhead, back for the first time to spawn at Chambers Creek in Tacoma from where the Bogey rearing pond is furnished fish, are killed and not returned to salt water so that they could become larger in size and therefore be better brood stock. The answer to that was such a small percentage returned for repeat spawning that economically it was not feasible and besides by killing the fish five hundred more eggs were gained, there saving the taxpayer's money. The fallacy of this answer is that according to a study of eight different rivers in south coastal British Columbia, Canada over a period of ten years, the average percentage of repeat spawners of winter steelhead was 10.5 percent and that the ratio of males to females of repeat spawners was for every twelve males there were fifty-three females or over four times as many repeat spawning females returning. Still the females are killed so that five hundred inferior eggs out of two thousand can be gained.

The average return of repeat spawners in eight different rivers of 10.5 percent consisted of a minimum of 5 percent in one river to a high of 31.3 percent in another. The reason for quoting the study statistics from British Columbia is that the only similar study made in the state of Washington was in 1940 by Pautzke and Meigs on the Green River whose lower waters is the Duwamish river, which empties into Puget Sound at Seattle. A river badly polluted with industrial waste.

Are we going to compare our rivers over here with a study made on the Green River? How does anyone know how many repeat spawners

the rivers over here hold? How do we know some of our rivers don't hold more than 31.3 percent of repeat spawners?

Still we are given the impression by the game department that our large steelhead are those that have spent more time in salt water and our back to spawn for the first time. This of course is one justification for planting with no regard for spawning. We believe we are being given a slow job.

As far as not getting involved in this controversy there is nothing that is not being done in a democratic manner by both sides on the question. If you don't get involved then you have no right to complain about the results. The youngsters coming along are the only ones who will have the right to complain without involvement.

I would have enjoyed a buffalo hunt.
Henry V. Menserling
Randy Ranch
Forks, Washington

Editor,

Another Fourth of July celebration and this one even greater than before. The first Fourth of July we celebrated here in Forks we all crowded around the different events and only the ones in the row closest to the event could see what was going on. The arena is great (even if it was "dusty" which will be eliminated when the grass is planted) and what else can one expect under such good leadership as Gordon Oros and the help of those men who gave their time and worked to get it all ready. Thank you.

I also would like to express our thanks for letting Paul park the car inside the fence, making it possible for him to see the events.

Ingrid Lungvall
Forks, Washington

Editor,

I have had my doubts about the Food Stamp Program from its beginning a few years ago but in the last couple of months I have really "soured" on the program.

The last two months I have been employed in a place of business that accepts "food coupons" and that in itself is fine. Its the abuse of these "coupons" and the Food Stamp Program that I am concerned about. I think it is time for a change or revision of some kind.

I know many elderly people who are making a meager existence on their Social Security they have rightfully earned in their past years, but refuse to accept food coupons because they feel there are people worse off than they are. And yet, everyday there are some of these "hippies, Yuppies" or in my estimation, "free loaders" redeeming

Entered as second class mail matter at the post office at Forks, Washington, under Act of March 3, 1879

their coupon. most of them under the age of 30.

I don't know about you, fellow taxpayer, but I'm tired of supporting these "free loaders" with my tax dollars: the elderly, medically disabled or families with other legitimate financial problems, yes, but not young able-bodied citizens too lazy to get off their backsides to earn an honest dollar.

One young fellow I was watching on his approximate age, 18 or 19 years, went into a lengthy speech over food prices and wondered, "when the hell is this inflation going to stop?" I, too, have the same question, but he then made the statement, "well, I'll just have to make another trip to the Public Assistance Office for more food coupons!" I stood listening to this young fellow hardly believing what I was hearing.

Another "gripe" I have about this program is that you aren't allowed to buy soap or household supply items and yet, if the total purchase price doesn't come to the full amount of the coupon, you can piece it out at the candy counter or the pop or ice cream machines. I would gladly give some of our "fellow citizens" a bar of soap if I were sure they would use it, heaven knows the majority of them need it!

I am sure there is some good in the Food Stamp Program and certainly there are those who are more than deserving to take advantage of such a program, but when a program has been abused as I feel this one has, it is time for correction.

I wonder how many of you readers have heard the record "Welfare Cadillac"? If you haven't, give the radio station a call and request them to play it for you. Then sit back and listen. Listen real hard fellow citizens. There's more truth than poetry on that record.

There are many people who share the same views as I do and there are those who don't. As long as these "free loaders" are using their coupons someone is making a "buck" and why knock a good thing! But I am equally confident if we

pool our ideas and resources, something can be done to remedy this terribly abused situation.

Social Scene

Visiting the Paul Lingvall's over the Fourth of July were Mr. and Mrs. Joe Lee from Campbell, California. They were very impressed with the Fourth of July celebration and expressed a desire to return next year. Enter their car in the parade and decorate it with "California is for Forks Fourth of July".

Mrs. Mickey Hodges, and Mrs. Lois Bloomquist, recently returned from a vacation to Los Angeles. Where they visited Disneyland. Attending with Mrs. Hodges and Mrs. Erwick, was Mike Erwick and Kirk Clinton.

While in California they visited Mrs. Hodges' daughter, Pat Stephenson of Anaheim, California.

Mrs. Olive King returned home Friday, June 26, following a week's trip to San Diego, California to see her son, Melvin King, graduate, on June 23 from Platoon 2051, U.S. Marine Corps. He was sent to Camp Pendleton, July 1, for 4 weeks advanced training and will then be sent to a different camp, where he will take a welding course.

"Mickey" Carroll and his three children, Mary, Katy and Michael left Sunday for their home at Vancouver, Washington, after spending the Fourth of July weekend at the home of Mr. Carroll's aunt, Mrs. Kate Beebe. On their way home they planned to stop at the Rain Forest in Olympic National Park, also to the giant spruce on the Lower Hoh.

Mr. and Mrs. John Merritt were other guests of Mrs. Beebe on Saturday.

MILL CREEK PROJECT BEGINS

Work is scheduled to begin sometime this week on a fish ladder project on Mill Creek. The work is being done by the Washington State Department of Fisheries, under the direction of Bob Kramer, construction superintendent.

The project is being undertaken to open the upper section of Mill Creek as spawning beds for salmon and trout. The creek is now blocked by a 12-foot falls just behind property belonging to Carl Sinema. The work is expected to be completed in about a month.

The Mill Creek project does not call for a ladder to be built but for the falls to be lowered and rip-rap placed along the sides to gradually slope the area so fish can make their way up the creek. There are also several surveys being conducted in the area of other streams which may be locked, there are 2 log jams on Big River and a log jam on Bear Creek. A study is also being conducted in the Clallam Bay-Sekuia area for the possibility of opening closed streams in that area.

WAHLGREN PARK DEDICATED

Left to right: Bert Cole, Paul Conner, Albin Wahlgren and E. C. Gockerell.

The Bear Creek Albin Wahlgren camping and picnic area was dedicated Friday in an informal ceremony attended by over 100 people.

Speakers for the event were Bert Cole, Commissioner of Public Lands, Paul Conner, State Representative and E. C. Gockerell, North Olympic Supervisor for the Department of Natural Resources.

The park was built in a stand of second growth timber. The large stumps tell the story of a crop that can be harvested and in 40 to 60 years be replaced with a full stand of stately trees. Cole stressed the fact that people should be made aware of the value of timber as a crop.

In explaining the choice of Albin Wahlgren as the namesake of this park, Cole said, "It occurred to me several years ago we should dedicate in the name of those who are living rather than those who have died. Especially for things of this nature the Department of Natural Resources does, although it is somewhat of a political risk to do this."

Cole said that projects like the park are financed by the Federal Government, 25 percent comes from bonds and the remainder from local groups.

In conclusion, Cole said he hoped the people would use the park wisely and carefully.

State Representative Paul Conner, introduced by Cole, said he felt Cole had expressed the feelings of most of the people and in quoting a statement made by the late Will Rogers, said, "Those who stand for something are something, and those who stand for nothing are nothing." Conner said he felt the area was fortunate to have personnel in offices to carry out responsible work of this nature.

The park contains 5 acres, with one mile of river front. Built on Forest Board Land, there is according to Gockerell, ample room for expansion. The work on the park was done by inmates from Clearwater Honor Camp. The inmates work under the supervision of Department of Natural Resources

es foremen. Among those attending was the guest of honor, Albin Wahlgren. When Mr. Wahlgren was asked to make a speech he said, "I can best stay out of trouble by keeping quiet." Other members of the Wahlgren family attending were Oscar, Carl, and Fred Wahlgren and Mr. Wahlgren's sister, Minnie Kolstead. Mr. Wahlgren's children, Mrs. Harry Lefler and Mrs. Charles Cruse also attended, a granddaughter, and her family, Mr. and Mrs. Jerry Tyler attended with Roy Sandberg from Port Angeles.

Many pioneers of the area were present for the ceremony, Mrs. Helma Cowan, from Lake Ozette, who said she grew up with Albin, was given the honor of being the first to sign the guest book, which was presented to Mr. Wahlgren after the ceremony.

Mrs. Lena Fletcher said, "this is a very nice park, they should build more like this one." Attending also were Mr. and Mrs. Charlie Lewis, Mrs. Minnie Peterson, Mrs. Olga Hillstrom and many more.

Officials attending were County Commissioner Tom Mansfield, and acting-superintendent of Clearwater Honor Camp, Robert E. Giger.

Continued on page 4

(Continued from page 9)
 Wanzer suffered a bloody nose. Wanzer retaliated with a hard punch to Gore's right jaw. The third round saw a lot of action between the two fighters and after several flurries of punches to the ribs of Gore the fight was stopped by referee Hugh Ford. Wanzer was declared the winner, the "fighting bartender" jumped over the ring and summersaulted into the dressing room, to the amusement of the crowd.
 In the fifth match, Doug Baublitts of the Elks Boxing Club in Port Angeles and Tim Garcia from Clearwater Honor Camp fought in the 158-pound division. Baublitts and Garcia seemed to be evenly matched at the onset of the fight but by the second round Garcia seemed to tire and Baublitts was in control for the remainder of the fight. In a split decision, the fight was awarded to Baublitts.
 In the finale of the night's fighting card a extra added attraction was a rematch between Bud Jagger and Huey

Ford. It seems Jagger and Ford fought 25 years ago and Jagger won, Ford challenged him to a rematch. The men fought 3, 1-minute rounds and no decision was given. It was all in fun, a climax to a fine evening of boxing.

CRUSADE SCHEDULED
 "Teen Crusade", a week of meetings and recreation time for teens, will be held July 13 through the 17th. The main speaker will be Reverend Denny Huffman, an American Sunday School Union Missionary. These meetings will be very interesting and meaningful to everyone who comes. They will be held at the Richard Breithaupt home, starting at 7:30 p.m. Transportation will be provided, for more information call Richard Breithaupt, 327-3540 or Lynda Shirley, 327-3272. All teens and young adults are welcome --come and have a good time.

(Continued from page 3)

 Tricycle race, second place finishers, Frank Lufkin, Mike Thompson, Wayne Maxfield, Scott Kreider, and Ronnie Garman.
 Bicycle race winners as follows:
 Pre-school: Scotty Justus, first; Brian Biggs, second.
 First, Second, and Third grades: Darren Bonds, first; Joe Haberman, second.
 Fourth grade: Cliff Otos, first; and Kenny Justus, second.
 Fifth grade: Rod Swerin, first; and Roger Garman, second.
 Sixth grade: Bob Giger, first; and Ronnie Morgan, second.
 Seventh grade: Rick Garman, first; and Mike Black, second.
 All Girls: Debbie Otos, first; and Carman Hoke, second.
 Young boys long distance race: Roger Garman, first; Jeff Bumgarner, second; Joe Haberman, third; and Ron Garman, fourth.
 Older boys long distance race: Bob Giger, first; Rod Swerin, second; Mike Black, third, and Ricky Garman, fourth.

TIMBER SALES

Fourteen parcels of state-owned timber containing 101,8 million board feet of timber, located in eight counties, were sold on June 22 and 23rd at public auction, bringing bids totaling approximately \$4.1 million.
 Bert L. Cole, Commissioner of Public Lands reported the total bid price was \$4,084, -269,50. Two parcels of timber, containing 3.6 million board feet of timber were not sold.
 The most valuable sale was the Upper Stequaleho Sale in Jefferson County, containing 13.3 million board feet of timber brought \$768, -100,00. The sale containing the largest volume was the Huelsdonk Ridge No. 2 sale with 18.7 million board feet brought \$596,375.
 Timber sold in June is located in Clallam, Clark, Cowitz, Jefferson, Okanog, Pacific, Skamania, Thurston and Wahkiakum counties.
CLALLAM COUNTY
 Snag Peak #2 Sale-Crown Zellerbach Corp., Portland, Oregon, \$313,180 for 7.1 million board feet.
 Big Joe Lake Sale- M & R Timber Sale, Port Angeles, \$91,400 for 3.2 million board feet.
JEFFERSON COUNTY
 Huelsdonk Ridge #2 Sale-Puget Sound Log Traders, Seattle, \$596,375 for 18.7 million board feet.
 Cougar Creek Sale-Boise Cascade Corp., Tillicum, \$614,486.50 for 13.1 million board feet.
 Upper Stequaleho Sale-Pacific Lumber & shipping, Seattle, \$768,100 for 13.3 million board feet.
 West Fork Shnahapish Sale-Allen Logging & Veneer, Forks, \$395,007 for 10.8 million board feet.
 Miller Ridge #2 Sale-Puget Sound Log Traders, Seattle, \$566,921 for 10.5 million board feet.

SCHOOL BOARD DISCUSSES TEAM TEACHING

The regular meeting of the Quillayute Valley School Board was held June 18th. Board members, Darrel Gaydeski, Dean Hurn, Fred Fletcher and Hal Canaday were present.
 Visitors Sharon Scott, Mrs. Frank LaGambina, Mrs. Roy Mohondro, Dan Lea, Aub Johns, Will Slathar, James Traver, Jesse Maxfield, Jack Blaine, Mrs. Robert Swanson, Leon Golden, Mr. and Mrs. A. Holz, and Ron Thompson were welcomed and asked if they had business before the Board.

Mrs. LaGambina stated she had heard all the first graders were to be in one big room and she came to find out if this is true. She didn't understand the teaching method and wanted more information about it. It was explained that part of the first grade would be in a team teaching situation which would involve three teachers in one large room and at times there would be large groups of children under one teacher while the other teachers would work with smaller groups.

There was further explanation of this teaching method. Mr. Newby, the new Primary Principal, has had experience and training in this program and the Board has great confidence in trying it out under his guidance. It was suggested Mrs. LaGambina talk with Mr. Newby, when he returns from summer school in Ellensburg, to get more complete information.

It was also emphasized that not all of the first graders will be in these classes, only about half of them will. The others will be in the standard type of classroom.

Mrs. LaGambina also wondered if the Board had considered a different type of report card for the first three grades. She had discussed report cards with Mr. Simpson, the school psychologist, from Port Angeles, and he had mentioned other kinds used in Port Angeles and Sequim that seemed more meaningful in reporting to parents.

Mr. Hitchcock stated that it was periodic problem that had to be faced and that there wasn't a perfect report card. The District has considered the parent conference many times, but felt transportation was a real problem in this being successful. The present card was worked up not too long ago after considerable time and effort by parents and teachers.

Mr. Canaday stated he felt that teachers are always available to parents for conferences to supplement the report card, and that the report card was only one part of a report on a student.

It was suggested that if Mrs. LaGambina really would like

to see a change, that she work with other interested parents and the P. T. A. and make a study and bring it to the Board for their consideration. The Board would gladly listen.

Mr. Holz, representing several families living next to the Beaver School site, asked if the school could give them or the county a road easement through the site to connect with an existing road. They have a considerable problem driving from or to their property as the road now used has an incline that is too steep in wet and/or snowy weather.

There was considerable discussion as to how much land was involved. It was thought the county would not accept anything less than 60' and to gain that much, the playshed would have to be torn down and the property would be cut in half.
 Many ideas were presented that would help. No decisions were made at this time, but Mr. Holz was asked to return in July with measurements of actual footage needed and the Board would do some checking too.

Mr. Canaday asked how soon the lights for the parking lot and behind the old gym could be put up. The lights have been purchased, but some parts for installing had not come yet. Due to the increased maintenance staff workload, it has been impossible to install them to date. No actual date could be set for completion.

A cost estimate for installing these four lights will be obtained from Fletcher Electric and from the P. U. D. and the P. U. D. will be asked about rates on the lights when installed.

The following terms with Sentinel Electric were accepted:

An average of the four figures submitted as the difference in the cost of wiring supplied and wiring specified, \$1,273.00 credited to the District.

The thinwall conduit that is in the slab is to have u.s.e. (direct burial) wiring in it. If the wire exceeds the electrical field, we will have to have the electrical inspector's O.K. The Board will then accept t.h.w. on the neutral wire. The wire wires would be u.s.e.

The thermostat wiring is to be overhead.
 The contractor recognizes the completion date of August 10.

The Board reserves the ruling on the penalty clause.
 The Board wants the local electrical contractor to inspect the wiring after it is done and before it is sealed.

Bruno Sarnowski was hired as maintenance man for the school.

Mr. Slathar reported on No. 3 furnace. The boiler inspector had been here the day before and his recommendation was to send the burner unit in to Seattle for a complete overhaul. The bearings could be replaced, but there were probably other problems that might not be able to be taken care of here. Mr. Slathar felt this was the best.

If the Board felt it was not financially possible for all three to go, he felt it would be possible to maintain the other two, but not No. 3. There was considerable discussion on costs now and next year involved in all three furnaces. The furnace will go to Seattle for overhaul.

The Board authorized Robert J. Clark, Clallam County treasurer, to repay to the Bond Redemption Fund the monies borrowed plus interest.

Mr. Johns was asked for his suggestions and advice on the proposed bus purchases.

Mr. Johns felt the Board probably should start to upgrade the fleet in any new purchases. The kind of buses they are now using are getting harder to buy parts for and they are more costly. He felt that a diesel would be the way to go and use it on the longest run like Mrs. Queen's; also that a large bus, 79 passenger, should be considered. There was discussion as to using it for the long trips away from school too. Another thing to consider is the second bus to be purchased next year, and whether the two purchases should be the same kind.

On the question of motors, Mr. Johns had received papers on some. He hadn't checked out the Cummins V-8. He would recommend the Cummins because they have a man in the field almost every week and no other company has this kind of service out here.

The Board asked if the Cummins V-8 was new. It is fairly new.
 Mr. Johns asked what the Board plans to do with No. 2 bus. If the District keeps it, it has to be upgraded. The motor should be overhauled. The original motor is still in it and it was purchased in 1953. No. 6 bus, purchased in 1960, should be painted. After considerable talk by the Board and the transportation supervisor and Mr. Johns, who maintains the buses, the Board directed that the engine should be overhauled on No. 2 bus and No. 6 bus is to be painted.

Mr. Johns will work further and get more information on diesel and other motors and call the Board as soon as he can put it together so the Board can issue specifications and call for bids.
 Mr. Hitchcock reported Floyd Dickinson is the engineer for the new roadway from the Primary Building to the existing school.

ing school buildings. He will draw up the specifications so it can be bid on and will then supervise job while it is being done.

Mr. Hitchcock stated that after July 1 he will be the official clerk of the board and will need to be bonded. The present bond may have to be increased--he will check and take care of it.

The student body report was presented. Mr. Traver reported most of the funds are invested for the summer at 9%.

Mr. Hitchcock reported State Surplus has four vehicles due in from Fort Lewis and he will be called as soon as they can be looked at, and he will be given first choice.

He had also contacted Halmore Ford on new car prices for replacement of the Administration car. A 6 cylinder, 150 h.p. for \$2370, custom 302 with V-8 220 at \$2426; crumatic would be \$156 more, a radio would be \$45, and power steering would be \$78. It was suggested the 1971 prices would be available in a couple months if the Board wanted to wait. The prices would be close to the ones quoted. No decision was made at this time.

Mrs. Ed Duncan was hired as study hall supervisor.

Mr. Hitchcock informed the Board that Mr. William Thompson did not want to coach Junior High football next year due to time limitations. There was some discussion about other staff members who might want to do this. Mr. Golden was asked about anyone he might want to work with. No action was taken at this time.

There was further discussion on the landscaping class undertaking this next year as their project.

The Board went over all the change orders on the new Primary building that have come

in to date.
 The meeting was continued to Monday, June 29, 1970 at 7 p.m. in the Science room of the high school.

OBITUARY

ISAAC NATHAN QUICK
 Funeral service for Isaac Nathan Quick, 64, Forks, were held at Forks Congregational Church Wednesday, July 1, at 1 p.m. Burial was in River View Cemetery in Portland.

The Rev. Art Morlin officiated at Forks. Arrangements were by Harper Funeral Home.

Mr. Quick died in Port Angeles Sunday, June 28. He was born August 12, 1905, in Tillamook, Oregon. His widow, Elverna, survives in Forks.

Mr. Quick was the owner and operator of the Quix Sanitation Department in Forks. He was a member of the Presbyterian Church in Oregon. He was very active in the Masonic order, being a member of the Orenomah Lodge 177 in Multnomah, Oregon and having completed his 32nd degree.

He was a member of the Eastern Star 253 of Forks, Royal Arch Mason Chapter 55 of Portland, Tancred Commandery 23 Knights of Templar of Portland, Multnomah Council 11 Royal and Select Masters of Portland and the Forks Chamber of Commerce.

Other survivors include a son, Donald Quick of Forks and a daughter, Mrs. Ray Winney of Forks. A sister, Patricia S. Walker, survives in Seaside, Oregon. Two grandchildren survive.

Memorial contributions may be made to the Heart Fund or a favorite charity. Members of the Masonic Lodge of Forks were pallbearers.

PARADE WINNERS

The parade winners in the adult division were Clallam County PUD, first; and Forks State Bank, second. The non-commercial winner was West End Democratic Club. In the B division, the marching awards went to the Grenadiers of Bremerton and the Highlanders of Port Angeles. In the youth classification, the awards went to the West End Girls' Softball League and second place went to the Jacobson children, Tommy, Billy and Kathy. The old timer's cars and other vehicles division, winners were Don Quick Construction Co., and Mr. and Mrs. Jerry Wieler of Port Angeles.

LOGGING SHOW

The annual logging show was held at the park Saturday afternoon. Winners of the truck driving contest were Russ Warner, Brent Gagnon and Al Genson. The contest was based on truck driving skills and the drivers were awarded points on each required turn and points were also given for the driver's skill in handling their vehicles in reverse. The saw contest was next on the schedule of events. Larry Hammell won the competition in the large saw division and Elmer Blankenship placed second. The competition with smaller saws was held next. The winner again was Larry Hammell, Jess Parris took second place and Craig Fletcher won third place.

Line splicing competition was held next. First place was won by Jess Parris and Larry Hammell in the team competition, second place went to Rich and John Halverson. Kelly Stanley and Herb Moran were third place winners. Choker setting competition was next with Craig Fletcher winning first place. Kelly Stanley took second and Jess Parris took third. The art of ax throwing was

next on the agenda. With first place going to George Johnson, Herb Moran took second and Larry Hammell took third place. The line pulling contest went to a team composed of Bernie Clinkingbeard, Craig Fletcher and Tom Ford. The second place team was composed of Russ Warner, Jess Parris and Jim Edwards. Block shifting was the next in competition. Jess Parris took the top honors. Second place went to Craig Fletcher and Ron Woody took third place. For the first time in the Forks event, log rolling was featured. The winners were Craig Fletcher and Wayne Moran. The spar pole was topped by Herb Moran and Kelly Stanley's high pole show followed. Timing was done by employees of the Department of Natural Resources.

DEMOLITION DERBY

The Demolition Derby, a highlight of the Fourth of July celebration in Forks was held Sunday. A record crowd watched the derby for the first time at the new arena in the City Park. There were several rough and breath taking events. The first place trophy went to Avery Bumgarner in the first heat. The second place winner was Don Quick. The second heat saw Ken Rollins winning over Butch Senter. The third heat was a close battle between Dave Beebe and Greg Ulin. Both drivers waged a smokey battle, the clash of metal was apparent to even those in the highest bleachers. It was a close contest with both cars stalling and giving each other a "gentle push". After the smoke cleared only one car could motivate, the car driven by Greg Ulin. The Powder Puff Derby was next with Nancy Krume the winner over Sharon Clark. The girls really battled this one out. The prize to the prettiest car went to the Vagabond Cafe. The prize for the best advertising went to Wes' Chevron, best painted car was

Witherow Trucking. The best pit sign was made by the Department of Natural Resources. The sponsor trophies were awarded to Wes DePew and Claude Clark.

Congregational church news

The thirty-seven note set of Schulmerich handbells has been ordered to insure the delivery date next fall. It is our hope that half the set of handbells will be given as memorials. The Women's Fellowship is raising money to cover the balance. A sign-up sheet is available at the church and the average bell cost is \$30. Over 300 pies were made and donated to raise money for the handbells. A thank you goes to all who donated the pies and cupcakes and also to the woman who baked over 150 pies at the church. Pie plates from the "Pie Shack" have been returned to the parsonage and may be picked up there. Rev. Ringsmith's sermon for Sunday July 12, will be "Can Truth Make Use Free?"

LEGAL NOTICE Notice is hereby given that the Board of Directors of Quillayute Valley School District No. 402, Forks, Washington, will open sealed bids on kitchen equipment at its regular meeting, July 16, 1970. Further details and specifications may be obtained at the office of the Superintendent. The Board reserves the right to accept or reject any and/or all bids. For the Board of Directors John B. Hitchcock Superintendent Publish July 9 & 16, 1970 in the Forks Forum.

OBITUARY

Mary D. Grubb, 56, of 2829 East 29th, Spokane, Washington, died Monday, June 22nd as the result of a car-pecesrian accident, in Spokane. Services were held at the Ball and Dodd Funeral Home on Wednesday, June 24th, with interment at Spokane Memorial Gardens. Mrs. Grubb was born June 21, 1914, in Sedro-Woolley, Washington, the daughter of Mr. and Mrs. Ed Hinchin. She attended school in Sedro-Woolley. She and her husband Don, were caretakers at the Beaver school and also lived in Forks for a number of years. Survivors include her husband Don Grubb of Spokane; a son Donnie Grubb of Port Orchard, Wash.; her mother, Mrs. Ed Hinchin, brother, Clifford Hinchin, and brother, Terry Hinchin all of Forks, Washington; brother, Pat Hinchin of Snohomish, Wash.; sister, Mrs. Fern Jewett of Port Angeles; and two grandsons and several nieces and nephews.

LOGGING OFFICE CLOSED

John S. Spade, Manager of the Employment Security Department in Port Angeles today announced that the Forks Logging Office would be closed to coincide with the major employers' shut-down. No services will be available through the Forks Logging Office from July 6 until July 20, 1970. All requests for employment assistance during this period should be referred to the Port Angeles Local Office, telephone number 457-4435.

LEGAL NOTICE

LEGAL NOTICE A public hearing will be held at the Town Hall July 13, 1970 at 8:00 p.m. Any legal voter of the Town of Forks can be heard for or against the 1970 to 1975 Comprehensive Street Plan at this time. Herbert Beebe, Clerk Town of Forks Publish July 9, 1970, Forks, Washington.

YOUR PRESIDENT'S LIFE MAY BE IN DANGER!

President Richard M. Nixon, 37th President of the U.S., may be the first person in history tried by authority of the United Nations "Genocide" Treaty, if the U.S. Senate ratifies the treaty, expected soon.

Fantastic? Not at all! Article IV of the "Genocide" Treaty provides: "Persons committing 'genocide' or any of the other acts enumerated in Article III shall be punished, whether they are constitutionally responsible rulers, public officials or private individuals."

The communists [Viet Cong] in Vietnam have already charged President Nixon and our American GIs with "genocide"! All that stands in the way of our President and our GIs — maybe you — from being arrested and tried in a foreign "war crimes" trial or worse, is the Senate's failure, so far [God bless 'em], to ratify the U.N. "Genocide" Treaty Hoax!

There's very little opposition to ratification of the "Genocide" Treaty, so YOU must ACT QUICKLY by wiring and contacting your Senators! After you've informed yourself by reading this advertisement.

Would you believe that absolutely nothing can be done to the Communists, by anyone, to punish them for true genocide in Czechoslovakia, Hungary, the Congo, and Biafra? Believe it or not, political genocide is not included in the U.N. "Genocide" Treaty. That's why it's a hoax! Probably every American is against genocide, of course! That's not the issue. Unnecessary risk to you is!

You must help 'Denounce' the 'Genocide' hoax!

Are YOU willing to SURRENDER your American Citizenship? To JUNK the Constitution? Throw away the BILL OF RIGHTS? To "cry over spilled milk" AFTER your rights, freedoms and guarantees are GONE?

You ARE about to lose your BIRTHRIGHT! Unless YOU ACT NOW! After the Senate ratifies the "Genocide" Hoax, IT WILL BE TOO LATE!

You were taught to read contracts first, before signing! Regardless of what you were told about the contract, because you were taught to expect to be required to do exactly what the contract stated! You learned to ignore tranquilizing words salesmen use to soften hard, no-nonsense contract terms! In court, you learned only written words count! So read the Treaty terms for yourself! And when anyone tells

you the treaty doesn't mean what it says, then ask, "Why not change it so it says what you say it means?"

Unless the "Genocide" Treaty is DENOUNCED by the U.S., it may be ratified someday when you are OFF GUARD!

Unfortunately, Senators don't have time to study issues carefully enough, so they believe what the State Department tells them.

True genocide should be prevented and punished. Is it too much to ask to demand a clean-cut, plain language treaty contract?

The mandatory trial by International Court at the request of any party is not for us. All trials will be held at the most advantageous place, certainly not the U.S. The Black Panthers have said they will use the treaty against America! Of

course they'll prefer an International Court, not bound by U.S. law! [The Black Panther might be wise to check how the "Genocide" Hoax can be used against them, too!] And, they've said they'll charge Judge Hoffman of Chicago and others!

No grand jury, no trial by jury, no "fifth amendment" immunity, no sixth amendment confrontation of your accusers and you're guilty until you prove your own innocence!

Write, wire or phone your Senators now! Demand Denunciation of the "Genocide" Treaty! Read what it says. Decide yourself!

Again we say: If the U.N. "Genocide" Treaty is supposed to mean what is claimed, then why doesn't it say that in the first place?

HALMOR FORD, Inc. 1970 MUSTANG MACH I NOW ONLY \$3370.00 WAS \$3990.95 LIME METALLIC, 351 4V ENGINE, CRUSIOMATIC TRANSMISSION, TRACTION LOK AXLE, POWER STEERING, POWER DISC BRAES, RADIO, ARGENT STEEL WHEELS, W.S.W., WIDE OVAL TIRES, CONSOLE AND BUCKET SEATS, COMPETITION SUSPENSION PLUS MANY MORE OPTIONS. Article II "Genocide" means any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group as such: (a) Killing; (b) Causing serious bodily or mental harm; (c) Inflicting conditions of life calculated to bring about the physical destruction of the group; (d) Imposing measures intended to prevent births; (e) Forcibly transferring children of the group to another group. Article III The following acts shall be punishable: (a) "Genocide"; (b) Conspiracy to commit "Genocide"; (c) Attempt to commit "Genocide"; (d) Complicity in "Genocide". Article IV Not all citizens provided by the Bill of Rights. Under the terms the max. shares of ransom or religious procedure would subject America to trial in an international court without the protection of the U.S. Constitution. Hon. John R. Rarick, House of Representatives (Democrat-La.) says: [If U.S. citizens would submit with confidence to the full jurisdiction of the International Court of Justice, the Councils Amendment would be nullified.] Article XVI A request for revision of the [treaty] may be made at any time, by the party by prohibition in writing.

DON'T YOU AGREE THAT, REGARDLESS OF OPINION, THIS TREATY OUGHT TO BE REWRITTEN AND AT LEAST MADE EASIER TO UNDERSTAND? HERE'S WHAT YOU CAN DO TO KEEP AMERICA STRONG AND FREE. Write to your Senators: Hon. Senate Office Bldg, Washington, D.C. 20510. Dear Senator. And to your President: The White House, Washington, D.C. 20500. Mr. President or My Dear Mr. President. FORKS COUPLE WED

MR. AND MRS. BILL PETERSON

Miss Carol Lynne Eichenlaub, daughter of Lt. and Mrs. Leon Eichenlaub of Oak Harbor, Washington, became the bride of Wilfred Edward Peterson, son of Mr. and Mrs. James Peterson of Forks. The ceremony was held June 13 at the Congregational Church, Rev. Ted Ringsmuth officiated.

The church was decorated in colors of bright pink and apple green. The flowers were all white, both chrysanthemums and gladiolus.

Mrs. Jim Rich was the soloist, accompanied by Mrs. Rosmond.

Proceeding the wedding party were six high school girls, students of the bride at Forks, dressed in apple green mini dresses with short puffed sleeves, carrying lighted tapers encircled with a round topiary of Better Times pink and apple green, the bridal colors, forming a lighted aisle for the wedding party. They were Rea Allen, Teresa La-Chapelle, Darlene Engeseth, Fern Blankenship, and Marian and Cheryl Micheau.

The bride, given away by her father, wore a white Sorrento and silk organza gown made in the Victorian style by the bride. Small seed pearls edged the empire bodice, the high collar and the long full sleeves, with the same detail at the hemline of the dress and the chapel length train. Dress and train were encrusted with lace appliques and seed pearls. Finger tip illusion veil was gathered to a headpiece of lace and seed pearls matching the dress. The bride carried a bouquet of white orchid and stephanotis on an olive wood Bible given to the bride by her parents. The Bible was acquired by the bride's family while they were in Jerusalem. A silver Crusader's Cross and a mother-of-pearl Star of Bethlehem pendant hung from the

Bible. The bride wore a pendant necklace, an heirloom given to the bride by her maternal grandfather.

Donna Eichenlaub, sister of the bride, maid of honor, wore a floor length apple green gown with matching lace trim, a large bow with floor length streamers topped with a double strand of matching pearls fell from the back neckline. A coronet headpiece of matching lace held a shoulder length illusion veil. She carried a round topiary of white carnations.

Bridesmaids were Mrs. Jack Worrell, Torrington, Wyoming; Miss Sallee Schroeder, cousin of the bride, Mount Vernon, Washington; and Miss Janice Huseby, cousin of the bride from Oak Harbor.

Gowns were of Better Times pink, identical to the maid of honor. They carried round topiary of pale pink carnations.

Robert and Charles Eichenlaub, young brothers of the bride, greeted guests at the chapel door with printed scrolls of "Wedding Traditions".

The bride's mother wore an orchid ensemble with bone accessories. The bridegroom's mother wore a green ensemble with beige accessories. Both mothers had double cymbidium orchid corsages.

The reception was held at the Sportsmen's Club. Wedding colors of Better Times pink and apple green were used to decorate the hall. Decorating was done by a close family friend, George Boudet.

Centering the white covered tea table was a 7-tier wedding cake topped with a wedding bell tree, with accents in the bridal pink, the traditional first piece was cut by the bridal couple with the bride's father's Navy sword. The cake was made and decorated by the bride's aunt, Mrs. Floyd Fallner, of Mount Vernon. Serving the

cake was aunts of the bride, Mrs. M.M. Huseby of Oak Harbor and Mrs. Walter Schroeder of Mount Vernon, pouring was Mrs. Robert Lang, Sr., of Oak Harbor, and Mrs. Fallner of Mount Vernon. Miss Pam Schmedley, Seattle and Mrs. Gail Johnson, Aberdeen, ladled the punch.

Host and hostess for the reception were great aunt and uncle of the bride, Mr. and Mrs. Leonard Schroeder of Port Angeles, and Mr. and Mrs. John Leppell of Forks.

In charge of the guest book was Tammy Meneer and Nancy Sandau, both of Forks. Groom's cake was served by Jenny Peterson, sister of the groom.

After a wedding trip to Los Angeles the couple is at home in Forks.

JUDITH BEEBE Becomes JUNE BRIDE

MR. AND MRS. RAYMOND NISHIKAWA

Judith Marie Beebe, daughter of Mr. and Mrs. William Beebe of Forks, became the bride of Raymond K. Nishikawa, son of Mr. and Mrs. Nobuichi Nishikawa of Wahiawa, Hawaii.

The ceremony was held at 2 p.m., June 13 at the Assembly of God Church. Pastor Art Morin performed the double-ring ceremony. There were 150 guests attending. The church was decorated with baskets of peach and white anthurium with white gladiolus and chrysanthemums. The bouquet on the organ was white mums and glass accented with anthuriums. The pew markers were bouquets of anthuriums.

Merle Watson sang "Because" as the bride came down the aisle and "A Wedding Prayer". Mene and Linda Watson sang "Savior Like a Shepherd Lead Us". The bride, given in marriage by her father, wore a floor length empire styled gown of white peau de sole with a white Irish-lace bodice,

BEAVER NEWS

Mr. and Mrs. Ron Engeseth and family, of Seattle, camped at Silver King camp-grounds last week, and on Saturday, Mrs. Engeseth's daughters, Sharon and Cindy Nelson came up and stayed with Mr. Engeseth's parents, Mr. and Mrs. Martin Engeseth overnight. The two men and Ron's brother, Gene Lodde went fishing, and on Sunday the Ron Engeseths, with their two boys, came up and took the girls home.

Mrs. A.M. Nordman and Mrs. Dale Dawkins went to Seattle on Tuesday of last week. They visited Mrs. Nordman's son and daughter-in-law, Mr. and Mrs. Arvid Nordman also her son-in-law and

By Mrs. Sybil Merritt

daughter, Mr. and Mrs. Henry Werner, and their families, and returned home that night bringing the two younger Nordman daughters, Lisa and Lorna.

Mr. and Mrs. L.R. Eaton had as guests over the holiday weekend their son and daughter-in-law, Mr. and Mrs. Richard Eaton and family of Seattle, also Mr. and Mrs. Gene Hine of Lynnwood.

Had quite a bit of other news but was unable to get the details. S.M.

Mrs. Arnold Nordman and her mother, Mrs. John Huntsworth, arrived on Monday of last week for a two-days visit with Mr. Nordman's parents, Mr. and Mrs. A.M. Nordman, and returned to Seattle on Wednesday, taking with them the two Nordman children, Lynn and Eric, who had been staying with their grandparents for the past month, while their parents were getting established in Chicago where

Bridegrooms were Craig Peterson of Bellevue and James Parsons of Asotin, Washington. Ushers were Stan Peterson and Jerry Beebe of Forks.

The reception, held in the church hall, was decorated with peach and white streamers and wedding bells. The hall was done by Mrs. Erwin Cran-deried.

On the guest book table were two antiques, a hand decorated candle which belonged to the bride's maternal grandmother and a silver basket which belonged to the bride's paternal grandmother.

Mrs. Durman Delzado poured, assisted by Mrs. Lyn Hafner, cousin of the bride. Mrs. John Kilmer and Mrs. Edwin Beebe aunt of the bride, cut the cake.

Miss Susan Martin of Eugene, Oregon, was in charge of the guest book. The punch was ladled by Mrs. Terry Janke, cousin of the bride. Miss Danette Beebe, was in charge of the gifts. Miss Beebe is a cousin of the bride. Mrs. Fred Shaw, Mrs. Ed Tandberg and Mrs. Jack Woody, assisted in the kitchen.

For her going away costume the bride wore a light yellow coat and dress ensemble with black patent accessories. She also wore a cattleya orchid from her bridal bouquet.

The bride graduated from Forks High School in 1966 and graduated from Seattle Pacific College in 1970. The bridegroom graduated from Iolani School, Honolulu in 1966 and from Seattle Pacific College in 1970.

After a wedding trip to Banff and Lake Louise, the couple is at home in Wahiawa, Hawaii.

The best man was Greg Hayashi of Wahiawa, Hawaii.

they have bought a new home.

Mr. Nordman has been stationed for some time in Boise, Idaho, where he held an important position with Boise Cascade Corporation, and was recently promoted to West Coast Regional Director, with headquarters in the "Windy City."

The Nordmans are leaving today (Thursday) for a two-weeks vacation in Hawaii, after which they will be in their new home.

Mr. and Mrs. Clyde Smith returned home Sunday evening from a one-day visit with Mr. and Mrs. Art Pittman at Richmond Beach. The Pittmans are employed at the Ketchikan Pulp and Paper Company in Ketchikan, Alaska, and were down to Richmond Beach for a few days.

Also visiting the Pittmans on Sunday were Mr. and Mrs. Ken Smith of Lynnwood, He and Mrs. Smith are attending summer school at Western Washington College of Education at Bellingham and commute over the weekends to their home at Lynnwood. They avoid high rent costs by living in a tent, which is a smart thing to do.

Ken had taught English for three years in Mountlake Terrace Junior High School,

CUB SCOUTS PICK UP LITTER

Cub Scout Pack No. 467 conducted an anti-litter campaign Tuesday, June 30. The group of boys and their leaders armed with high plastic bags, did their part to make our town attractive for the July 4th holiday. The members of the troop

who worked so diligently were Joey Russell, Joe Haberman, Rodney Haberman, Randy Garbrick, Gene Barker, Allen Burr, Allen Hall, Tommy Cokks, Ronnie Howell, Ken McFall, Alan LaGambina, and assorted brothers and sisters. The mothers who worked with the boys and then treated them to ice cream cones at Sully's, were, Dorothy Burr, Marilyn Cook, Mona Hall and Ginger Haberman.

Join KVAC Birthday Club, send a card with your name, phone, and birthdate on it to KVAC.

Prince of Peace church news

The Prince of Peace Lutheran Church held a special congregational meeting on June 21st. A nominating committee of three people for the next annual meeting was elected. They were Betty Otos, Clarence Alexander and Betty Silcox. A motion was made and passed that the voting age be changed to 18. Ben Lonn was accepted as a new council member. John Leppell gave a report on the district convention, which he and Pastor Howard Stockman attended.

Pastor Stockman and family are back from their vacation and during his absence Pastor Rudolph Bloomquist conducted the Worship Service. The vacation Bible school will be held July 27 thru 31 from 9 to 12 noon. This is for those who were in grades kindergarten through 6th this past year.

The women of the circles held a joint Bible study on June 30, followed by a short business meeting. Loreen Boury is in charge of the cleaning list, Barbara Chambers is in charge of the cookie list and Nancy Riedel of the baby sitting list. The women were asked to do the cleaning at the

Park and Quillayute hangar after the Fourth of July celebration in Forks. The following days were set aside for the cleaning July 6th at 10 a.m. for the park and July 7th at 11 p.m. for the Quillayute Air Base. The women also cleaned the park before the 4th.

The Worship Service this coming Sunday the 12th, will be different from the regular service, trying to make the language of the service more meaningful. Everybody is invited and we would like your comments on it.

The books from Jeffrey's Studio are here and can be picked up at the church.

CARD OF THANKS
We would like to take this opportunity to thank all our friends whose loving words and thoughts helped through this time of sorrow.

TOURIST OF THE DAY

Mr. and Mrs. Ludvig Tweten were chosen "Tourist of the Day" Saturday morning by Trooper John McCauley as they were camped in the Bogachiel campgrounds. The Twetens are from Kingston and have four children. They come to this area every year for their vacation and usually stay in the Bogachiel Park. When asked how they were chosen, Mrs. Tweten said, "we noticed the trooper driving through the park several times, and when he stopped by our campground we were sort of scared, then he asked us if we would like to be Forks' "Tourist of the Day". We said yes, and have been having a great time."

Annual booklet of highway accident statistics from The Travelers Insurance Companies, shows that crossing between intersections proved fatal last year to more than 4,040 pedestrians. Even at intersections, more than 2,190 persons were killed. The third major cause of pedestrian fatalities in 1969 was walking on rural highways. Some 1,400 lives were snuffed out here.

Many of those of the third category contributed to their own deaths by wearing dark clothes while walking at night or walking with their backs against traffic. Wear light

MOTORCYCLIST ARRESTED

Around midnight, June 27, Sheriff Deputy Skewes received a call from a rancher on Maxfield Road that gas had been stolen from him as well as keys to a Cadillac, motorcycle, and 7 quarts of oil. Other vehicles in his garage were provided. Deputy Skewes questioned several in the neighborhood and learned that there were people on motorcycles in the area at the approximate time. A description was obtained from the rancher and the suspects were spotted later in the Forks City Park. They were arrested by Deputy Skewes and a search disclosed the keys to the Cadillac and motorcycle in their possession. The seven quarts of oil were also recovered.

Four of the persons arrested were taken to the youth center, the fifth was taken to the Clallam County jail. The three motorcycles were impounded.

WITNESSES TO HOLD SERVICE

Charles Meinzer, presiding minister of the Forks Congregation of Jehovah's Witnesses announced this week that a baptism service will be one of the highlights of the "Man of Goodwill" District Convention scheduled for July 16-19, in Sicks' Seattl Stadium, Seattle Washington.

The candidates for baptism have been taking part in a special series of studies in preparation for their work as dedicated ministers of Jehovah God.

This baptism service at this gathering of Christians in this materialistic age will be a milestone in the life of all those who have determined to seek "first God's kingdom" and help other seeking persons find the answer to man's problems in this chaotic age.

last summer.

This site has been regarded by Dr. Richard Daugherty, WSU anthropology chairman, as "one of the largest and richest sites on the Washington coast."

Attempts are being made this summer by another 15-20 WSU workers to find buried Indian houses at Ozette Indian longhouse in northwest Washington. The house is located at a beach on Cape Alava. An emergency appropriation of \$15,000 was made available in April.

According to Daugherty, the house was apparently flattened by a mud slide ages ago and is now being exposed along the beach by waves.

CONCERT TO BE HELD

THE MESSENGERS

The Messengers, a four member musical group from Kirkland, Washington, will be featured in concert at the Assembly of God Church in Forks on July 9th at 7:30 p.m.

The group is traveling as a part of the annual "Christ in Concert" series sponsored by Northwest College of the Assemblies of God, located in Kirkland, Washington. This year, the series is being presented in eight of the Western states by eighteen young people who are members of the student body at Northwest College. These young people are touring the West in four distinct musical groups from June through early September.

The sponsoring college offers a two-year liberal arts program and a four-year and five-year ministerial training program. Its thirty-five acre campus is the educational center for nearly 650 students.

Linda Benjamin, of Campbell, California, has been an active student leader on campus. She is a pre-education major and has traveled with the King's Chorale's concert

choir, as have the other members of the group. Joy North, of Bainbridge Island, Washington, placed third in the National Finals (vocal solo division) of the Assemblies of God Teen Talent Search competition in 1969. Margaret Rueck, of Portland, Oregon, was ASB treasurer and was voted Homecoming Queen at Alumni activities this spring. She is a Bible Literature major with a Missions minor. Connie Nickell, of Seattle, Washington, serves as accompanist. Her music background is broad and varied. It serves her well as a member of this musical team.

Their music presentation is quite varied and is designed to appeal to the tastes of both young and old. It centers around the approach of young people to the contemporary problems of life in today's world. The group has been featured in schools, auditoriums and churches throughout the West. The public is invited to attend this presentation.

LETTER TO THE EDITOR

Editor,

The Eighth Amendment to our Constitution clearly states that, "Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishment inflicted".

The Internal Security Act passed by Congress in 1950, required all "communist" and "communist action organizations" to register their members' names and addresses with the U.S. Attorney General's Office. The penalty for not complying was \$10,000 fine and five years in jail for each day of failure to register. A flagrant violation of the Eighth Amendment. Reason enough for these accused to be driven underground. However, this ruling applied only to so-called "communist organizations".

It did not apply to the John Birch Society, but to this day this wild-eyed organization fears the light of day and conceals its membership identity as have other suspect organizations which fear Democracy. The selectiveness of the law enforcement agencies is apparent in the recent release of the Ku Klux Klan's imperial wizard, Robert M. Shelton, after serving nine months for his refusal to reveal the names of Klan members. Other organ-

izations untouched by their refusal to reveal names to the government committees are the American Nazi party and Dudley Pelley's fascist Silver Shirts.

An Uncle Tom from Robert Welch's stable spoke here under "sponsorship" of the local "T. A. C. T." committee. In reality these sponsors are the active members of the local "cell" of the fanatical bunch of kooks known as the Birch Society. They have neither the honesty nor the decency to stand up and be counted, in the light of day. "T. A. C. T." is a 100% creation of the J. B. S. Why are they ashamed to identify themselves publicly if they have no subversive activities to conceal?

In spite of the obvious differences between Communist countries the J. B. S still harps about an "International Communist Conspiracy" or better yet, an "International Evil Conspiracy". Whatever that can be. In a speech at Atlanta, Ga., General Edwin A. Walker (J. B. S. member) said on September 13, 1965, "There will be a K. K. K. in the U. S. longer than there will be an L. B. J." And if you can believe this, you will be

welcome in the J. B. S. Writing in the December, 1964 issue of their "American Opinion" Revile P. Oliver says, "In the mid-1930's there were reports that experimental stations in Asiatic Russia had pads

of human women whom the research workers were trying to breed with male apes in the hope of producing a species better adapted to life under Socialism than human beings." No wonder the head kook, Welch lim-elf, says, "The U. S. is an insane asylum run by it's worst patients". And yet, the Birchers offer no hope for the insane, for they view mental health programs as another Communist plot. And so Uncle Tom Smith came to town to exploit whatever white backlash exists as a result of the Negro's struggle for the Constitutional guarantee he has never received--equality.

There were 73 calls received by the Sheriff's Department in Forks from June 29 thru July 5, 1970.

PARK MARAUDERS ARRESTED

A search for the so-called "midnight marauders" ended early June 30 when Lester A. Ball of Santa Rosa, and Robert J. Beck of Arcadia, California were arrested by Sheriff's Deputies Jay Skewes and Dave Robinson and Park rangers, on main street in Forks. The incident began when Deputy Robinson received a "tip" that the men responsible for the car prowls in area parks were in Forks. A search warrant was obtained and the unit at the Forks Motel, rented by the men was searched. The search of the unit disclosed no known stolen merchandise. A subsequent search of the auto belonging to the men turned up several credit cards with many different surnames and many other items believed to be stolen.

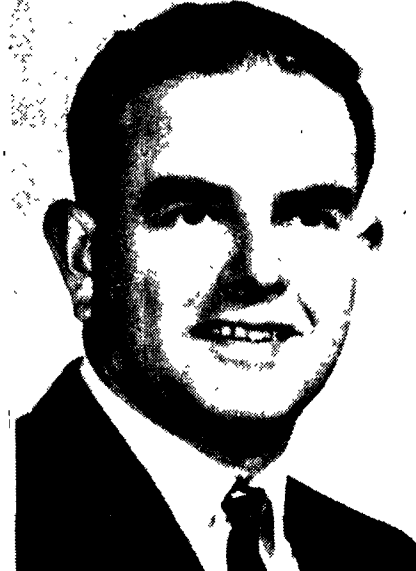

The men were arrested and charged with grand larceny. They were arraigned in Superior Court in Port Angeles and are awaiting trial.

PEDESTRIAN BEWARE

Why does a man challenge two tons of steel with equanimity? Courage isn't the answer.

The answer is foolhardiness on the part of a fool who may not stay hardy long. The pedestrian who crosses a street between intersections, who crosses at intersections against "don't walk" signs, who assumes all drivers all super-alert and super-considerate--he's no hero. He's a chump.

The 1970 edition of the annual...

Meditation

By Pastor William Cross

Consider with me a sentence found below--"Man's search for meaning in his life is still his own responsibility." I am sure that most everyone desires a life that is meaningful. Only a very small minority would be completely satisfied to just "drift" along; adding nothing, receiving nothing; just existing from day to day.

However there are all too many in this highly technical and automated society who seem to expect to be able to just "push a button" or "pull a switch" and somehow all that is needed or desired to make their life full and worthwhile will suddenly transpire! Such is not, nor ever has been, the case. This "new society; this "scientific age" will never produce such fruit!

Those who attend Church; those who study and believe the Bible, God's Word, have long since discovered that it is the most modern and up to date "text-book" in existence.

In God's Word we read such thought provoking statements as: ---"If any would not work, neither should he eat."---"If any provide not for his own and especially for those of his own kindred, he hath denied the faith, and is worse than as infidel". Again we read, "Thus saith the Lord; Behold, I set before you the way of life, and the way of death." If it seem evil unto you to serve the Lord, choose you this day whom ye will serve."

And so we could go on with many more portions from God's Word. Suffice it to say that there are no "push-button gimmicks" that will produce a meaningful life. It takes personal application, perseverance and, that which is the ultimate of meaning in any man's life, a real faith in God and a confidence in His desire to meet every man's need. "Gear-and gadgets" will not produce "power" and "meaning" in man. This comes only through an experimental relationship with God in the Person of Jesus Christ.

Huge gears turn ponderously—meshing with others which turn still others, and power is born, energy released.

Today more and more gears and gadgets make living more and more luxurious. There are machines to do almost everything. Appliances entertain us, teach us, train us.

One thing remains individual. There's no "dial-a-matic" gadget for God, no pushbutton gimmick. Man's search for meaning in his life is still his own responsibility.

When man only dreamed of flying and the fastest way to travel was by horseback, God's Church was the source of all goodness and joy. It's no different today. In a world where man races for the stars, the Church remains the well-spring of truth.

Attend your church. Find faith and the good life.

Sunset Highlites

By Fred Jarvis

Too much Fourth of July. Sure glad it only comes once a year. Had fun, tho. Even tried dancing the way our younger generation does, and found it not too bad, altho I still like to hold on to my partner and I like the music of the Forties much better. Well, to each his own.

Another came up with the right kind of chow for the holiday, fried chicken, spud salad and wild blackberry pie. Guess you know. I stuffed myself.

Only person from Forks to place in the Summer Singles in Port Angeles was Darrell. Really banged out a big one to win first place. He hit games of 226-237-238 for a 701 scratch and a 716 with his 15-pin handicap. Nice shooting.

Dropped in at the all-cys Monday nite to see how the resurfacing was coming along. Sure looks nice and slickery. Can't wait to try them out. Dick and Lou Suchodolski and Mother and Jean took a shot at Duke and I last Thursday nite. (not for real, of course) they just tried to collect a little money from Darrell if they could beat us. Probably wish they had taken a shot at us after we out-scored them. Sure like to see them qualify for the finals and a shot at the prize money. Worth going after.

Scotch Doubles with handicap starts tomorrow nite again. See you then.

LEGAL NOTICES

NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00

Notice is hereby given that on Monday, the 20th day of July, 1970, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder:

LEGAL DESCRIPTION: The sale is composed of all trees marked with blue paint comprising approximately 40,000 board feet of hemlock and 16,000 board feet of spruce on parts of the following: NE 1/4 Sec. 20, Twp. 26 N., Rge. 11 W., W.M. Jefferson County, Washington.

CASH SALE

Forest products will be sold on a cash basis. Minimum acceptable bid will be \$1,052.00.

On or before July 20, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$105.20 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

LEGAL DESCRIPTION: The sale is composed of all timber bounded by sale area boundary tags plus all trees marked with blue paint comprising approximately 57,000 board feet of hemlock on parts of the following: NE 1/4 SW 1/4 of Sec. 27 Twp. 24 N., Rge. 11 W., W.M. Jefferson County, Washington.

CASH SALE

Forest products will be sold on a cash basis. Minimum acceptable bid will be \$997.50.

On or before July 20, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$99.75 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

BOND: On the day of sale, the purchaser must also furnish a cash bond of \$300.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published cruises of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual

OUTDOOR LORE

By Lonnie Archibald

Just returned home with 12 cutthroat varying in size from 10 to 16 inches. My fishing partner from Sequim accompanied me in a boat trip down the Soleduck from Lake Creek to Highway 101. Saw a nice two-point buck with a doe standing at river's edge.

Made a trip down the Quillayute Thursday. It wasn't the best fishing, but then I was accompanied by William Bullock so one could not expect a record catch, could one? Mr. Bullock did catch a couple I guess, and I added a young king salmon for the smokehouse. Made the same trip Friday night, picking up 13 cutthroat.

Several nice catches were taken from local rivers last week, including a 19 1/2-inch cutthroat taken from the Quillayute supposedly by Ralph Hill.

certified check, to guarantee compliance with all terms of the bill of sale.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published cruises of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

Forest products must be removed prior to September 30, 1970.

Access Road Revolving Fund: \$20.00 to be paid on day of sale.

Located approximately 64 miles by road north of Hoquiam. Accessibility Via Morrison Logging Company, Inc. Easement, Olympic National Park special use permit, and Department of Natural Resources Access.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

SMOKER

The annual Fourth of July smoker was held Friday, July 3rd, at the new gym. The event sponsored by the Forks Chamber of Commerce and promoted by Bud Jagger of Port Angeles was a sell out.

There were five bouts. The first one in the Peanut Division, was between Gary Gasellichen of the Elks' Boxing Club in Port Angeles and Rick Kahler of the Second Boxing Club, also of Port Angeles. The boys, about 14-years-old, were evenly matched in height and weight and fought a very exciting three rounds. In a split decision, Rick Kahler was declared the winner.

The second bout, in the 135-pound class, the combatants were Dale Williams, from the Second Boxing Club and Joe Turrey also from the Second Club. The reason that two boys from the same club had to fight is that one of the boxers wasn't able to appear. The fight was very slow and it appeared to be difficult for the boys to fight one another. In a split decision the fight was awarded to Joe Turrey.

The third bout was a rematch between Joe Duckett from the Second Club and Ted Morrison of the Elks Boxing Club in Port Angeles. This was a bloody battle between two fighters who definitely had a grudge to settle. In the first round Duckett landed a hard blow to Morrison's right jaw and Morrison hit the canvas. The second round saw both fighters cut about the face and both had a bloody nose. But by the third round the fighters began to tire and in a unanimous decision Duckett was declared the winner.

In the third bout, Bobby Davis of Forks, substituted at the last minute for a fighter unable to appear. Bobby was pitted against the Pacific Northwest Lightweight champ, Mike McGillian.

Bobby, a stranger to ring fighting, put up a very good fight. And at times seemed to be at an advantage in the match, but skill prevailed and Bobby took a sharp right to the face and appeared dazed. He was examined by the referee and the fight was stopped in the third round. McGillian was awarded the fight by a TKO.

In the fourth match in the heavyweight class, from the Second Boxing Club in Port Angeles, Terry Wanzer and from Clearwater Honor Camp, Mike Gore. The first round showed little action as both fighters seemed to be evaluating each other. The second round Gore landed several punches to Wanzer's jaw. Wanzer returned the blows and Gore hit the canvas but quickly recovered. Gore landed a hard punch to Wanzer's right jaw and
