

LETTER TO THE EDITOR

The following letter was received from Richard E. Wood from the Department of European Languages, University of Washington.

Dear Sirs: I am pleased to report reception of your frequency check transmission this morning, here in the Hawaiian Islands, a distance of almost 3000 miles from Forks. I was interested to hear you, and, although you were not strongly audible, I was pleased to receive you at all, as I know that your power cannot great on a local channel such as 1490.

You were received on my SP-600 Hammarlund receiver with 20 tubes, using a 31 square box loop antenna. The reception was poor to fair, with a weak signal suffering from a good deal of fading; interference on 1490 was minimal, but there was a considerable amount of splatter from my local on the adjacent channel of 1500, KUMU in Honolulu.

Your signal was, on the whole just on the brink of readability. Now, the other details in table form:

DATE: July 6, 1970, TIME: 12:15 - 12:30 a.m., P.D.T.

FREQUENCY: 1490 kHz PROGRAM HEARD: Your frequency check transmission. 12:15, on the air, male voice identification. "This is KVAC, Forks, Wash." Into 1000 Hz tone, uninterrupted until 12:20. At 12:20, the tone was broken off for approximately

8 seconds, and a male voice identified. "This is KVAC, Forks, Wash." 1000 Hz tone resumed, 12:25, I believe it was the tone broke off again, perhaps for a slightly longer gap but you were on a fade at the time, I did note the tone back again, however, by 12:26. At 12:30 you went off the air.

I hope this report is useful, and I look forward to future KVAC receptions, the distance and crowded frequency notwithstanding. I would be very grateful if you could take a moment to let me have a verification of the correctness of this reception, specifying, if you would, the date, time, and power at the time. I look forward to hearing from you.

Of course, any other information on KVAC would be very welcome.

Aloha from Hawaii, RICHARD E. WOOD

LEGAL NOTICE

Notice is hereby given that the Board of Directors of Quillayute Valley School District No. 402, Forks, Washington, will open sealed bids on Kitchen equipment at its regular meeting, July 16, 1970.

Further details and specifications may be obtained at the office of the Superintendent. The Board reserves the right to accept or reject any and/or all bids.

For the Board of Directors John B. Hitchcock Superintendent Publish July 9 & 16, 1970 in the Forks Forum.

"Sportsman" At Work

SPORTSMAN AT WORK--The remains of this cow elk were found in the Goodman Creek area by a group of loggers. State Wildlife agent, Jim Aggergaard said the animal was shot sometime over the July 4th holiday. The "sportsman" that shot the elk took only the hindquarters, the rest was left for the scavengers. The matter is still under investigation and evidence at the scene is being analysed.

WOMAN RESCUED FROM SURF

July 11, at approximately 11:50 a.m., the U.S. Coast Guard at LaPush received a call from the park ranger at Mora that a woman was in the surf at Rialto. The Coast Guard boat, 44393, was dispatched immediately. Chief Johnson, and B/M 2nd CI, Grey took the skiff and rowed across the river. By the time they reached the area, the Coast Guard swimmers, William Byrd and William Thompson, crew members of the Coast Guard boat skippered by B/M 3 Gallagher, were going into the surf. When they arrived they found that the

woman had already been rescued. The two young men, credited with saving the woman's life, were Dave Horsefall and Alan Knudt both of Seattle. The boys rowed a small boat through the breakers to reach the woman. The breakers were running about 8 to 10 feet.

The woman, Patricia Dahl, 30, from Seattle, was apparently wadding in the surf when she suffered a seizure. She was taken by Chief Johnson and Park Ranger Wycoff to a rendezvous with a Forks ambulance. She was treated and released from Forks Community Hospital.

ACCIDENT NEAR FORKS

Donald James, 20, of Forks was involved in a one-car accident, July 10, approximately one-tenth of a mile south of Forks. James was apparently entering Forks from Highway 101 south at a high rate of speed. He lost control of his car and left the road on the right shoulder, continuing for 270 feet, knocking down the population sign, the vehicle then crossed the road in a broadside skid and continued for 83 feet across the roadway, the vehicle went off the road on the left side and flipped over coming to rest on it's top 140 feet from where it left the road, facing in the opposite direction from which it was originally headed.

The driver was treated for a bump on the head and admitted overnight at the Port Angeles Hospital.

SCHOOL BOARD MEETS TONITE

The regular meeting of the Board of Directors of the Quillayute Valley Schools will be held tonight, July 16th. The agenda is as follows:

- Beaver School Site--Right-of-Way?
- Installation Costs, -- Grounds Lighting.
- Citizen's Advisory Committee?
- Change Orders: Water Heaters, etc.
- Landscaping new building site--grass this fall?
- Road design--power pole removal and bid advertising.

New Business: School bus bid opening, kitchen equipment bid opening approve contract: Stanley Sells and open house.

Miscellaneous business: Financial records audit--

Game Commission Hears Fisherman's Complaints

The Washington State Game Commission met Tuesday, July 7, in Port Angeles. At that time the Commission dealt with the well publicized problem of the decline of steelhead on the Peninsula as well as the decline state wide.

The hearing began with a report by Cliff Mellenbach, biologist with the Game Department, on the steelhead management programs. Mellenbach reported a preliminary report showed that the winter steelhead catch showed a dramatic drop over the previous year. He also stated that the March and April runs were better than last spring, but the total catch is expected to be down for the 1969-70 season. Mellenbach stated that quite possibly the dry summer of 1967 was the cause of the small return.

In another report, the Game Department released figures that showed there were outstanding gains only on the Hoh River, although the Bogachiel did show some gain. After the reports were given, Dave Peterson, president of the Steelhead-Trout Club of Washington, stated that even though the statistics do now show a decrease, he feels that there is definitely an increase in the number of boats used to harvest the fish. The statement issued by the club called for stricter controls on boat fishing on upper rivers, the numbering of boats on the rivers, and the closure of upper rivers entirely to boat fishermen. Peterson said measures such as this could minimize the conflict between bank and boat fishermen.

A spokesman for the Olympic Peninsula Guide Association, Archie Larson of Forks, stressed the fact that the steelhead guides have set standards for their profession. According to (Turn to page 10, please)

COUNCIL DISCUSSES AIRPORT LEASE

The Forks Town Council met Monday at the Town Hall. Mayor Earl Kennedy, Clerk Beebe and Councilmen Hall, Swerin, Anderson, Smiley, and Cline were present.

A letter was read from Willie Self, requesting the council to terminate the lease to the airport property. Self said in the letter that because of protests by property owners in the area he was terminating the lease. The council agreed to do so and will refund Self his lease payment of \$500.00.

Building permits were issued to E. C. Gockerell, \$800, to install a new shake roof, Cliff Klahn, re-roof, \$400, W. Schultz, septic tank, \$200, Rich Iisu, garage, \$1800, and Wayne Cline, re-roof, \$500.

A 6-year Comprehensive Street Plan was opened to discussion. The planned projects are as follows:

- Campbell's Addition, 4500' to seal coat, \$3,500, access street.
- Sol Duc Way, "A" Street to Town limits, widen and pave, \$10,000, secondary arterial.
- Calawah Way, grade, drain and pave with bituminous mix, 20% complete now, 1971, \$21,000, major arterial.
- East Division Street, curbs, gutters and pave with 2" bituminous mix, 1200', 1973 to 1977, \$28,000, major arterial.
- "A" Street N.E., 2nd Avenue to Town limits, grade, drain and pave with 2" bituminous mix, 1200', 1973 to 1977, \$13,500, access street.
- Calawah Park, seal coat, 3000' from the intersection of Calawah Way and Division Street and "A", "B", "C" Streets and Highway 101, completed in 1969, 1973 to 1977, \$5,250.00.

The council discussed the street program and approved all the improvements to be made.

The council discussed the purchase of a floridation machine. The one the city has now is badly in need of repair. The cost is \$1,565.00 and will be ordered from Wallace Teen-an Manufacturing Company, Washington State Liquor Control licenses were renewed for Pay and Save, Art's Place, Hang Up Tavern, Paul's Serve-U, Clark's Vagabond, and Antlers Lounge.

water permit for Tye Timber Company, but tabled the matter until a representative from the company can be contacted.

A water permit was granted to Leo Price. The report from the State Census has been received by the town and only shows an increase in population of 30 over the 1960 census. Clerk Herb Beebe has written to the Bureau asking them to re-check their figures. The count received by the town apparently does not include the newly annexed additions.

The next meeting will be July 27, at 8 p.m. at the Town Hall. Town Council meetings are open to the public.

FOREST FIRE DANGER HIGH

The danger of forest and range fires in the state of Washington is reaching its highest level for this early in the season in many years, it was reported today by the Keep Washington Green Association.

The statement was based on the small amount of precipitation recorded for the month of June throughout the State. According to the president of Keep Green, William H. Larson, Washington experienced far less than the normal amount of June rainfall.

"The fire season," Larson said, "always causes concern, but with such a surprisingly small amount of rainfall, the situation is even more dangerous than usual."

Larson explained that the state annually has months of slight precipitation, but normally not as early as June. He said the fire threat throughout the state "will be very critical within ten days if this dry spell continues." The state is already reporting an average of 18 small forest and range fires daily.

"Last year, we had nearly 18000 forest and range fires," Larson said, "and in the last two years have lost more than 50,000 acres of forests." He urges Washington residents and visitors to use extreme caution in the forests and ranges.

EDITORIAL . . .

By Nedra Reed

It is nearing that time of year again, candidates are announcing their intention to seek re-election and hopefuls are announcing their intention to run.

Conventions of both parties are either being held or are planned. Some of the issues facing the delegates are the Vietnam conflict, the Middle-East War, and of course, the situation here at home.

Perhaps at this time we should evaluate the issues and answers, if any, and consider the men we have hired to represent us. Have they done the job they in essence were hired to do? It is of the utmost importance for us to choose the men we want to serve us wisely, and we shouldn't wait until a week before election time to do so.

We will also be faced this year with the possibility of a state single rate income tax. We have been threatened with all sorts of gruesome things; the Business and Occupation Tax may be increased and of course, the State Sales Tax, could be increased to as much as seven percent. Governmental agencies have had their budgets cut, drastically in some cases. For the most part, people will agree that the sales tax is by far the most equitable, granted it is a hardship for some low income families, but even with the single rate income tax the sales tax will only be lowered to 3, 5 percent. The ruling on property tax, although tempting, has not been fully explained.

At this time, Washington State has the highest unemployment rate in the nation. The Boeing Company continues to lay-off employees, even though they recently were awarded a government contract to build a supersonic aircraft.

Timber exports from the West Coast in May have shown a decline of 25 percent over April figures and a 5 percent decline from last year.

All in all, not a very bright picture for the "flat earth people" in Washington State.

LETTERS TO THE EDITOR

Editor,

As an out-of-town subscriber, I would like to say that I enjoy reading the column "Outdoor Lore" by Lonnie Archibald.

I am a steelhead fisherman as are many of my friends in the Seattle area that fish in your rivers from boats. If you think you have problems between boat and bank fishermen, come over this winter and fish our streams. Skagit, Skykomish, Snoqualmie, etc. Float eight miles of river and you will see fifty boats and two hundred bank fishermen. I

have seen as many as ten boats and forty bank fishermen in one hole. Also, most of the boats over here are equipped with outboards up to 60 h.p. churning up and down the river. I have found that the guides in Forks are the most courteous men I have seen anywhere. I hope the guides stay with the Rogue-river type boat, not the flat bottomed boat with a 60 h.p. outboard, equipped with a pump unit. This type of boat, expensive as it is, has become very popular. If the bank fishermen

and guides in Forks would get together now and work on some legislation with the Game Department on banning power boats in the beautiful Forks rivers before its too late, they would all be glad they did.

If a bank fisherman that hikes a mile or two into his favorite fishing hole on the Soleduck gets all excited and his blood pressure goes up because a guide boat floats silently by with the guide yielding to the bank fishermen, wait till the power boats with the squirt units come. They will too. Don't tell me the guides don't yield to the bank fisherman. I have done a lot of bank fishing also and have found all guides very courteous, not to talky, but courteous.

As for the guide, think of towing a hot-shot with your clients coming all the way from Spokane or your drifting the Soleduck with eggs, from Sanpcho down, with two paying passengers from Tacoma and every thirty minutes and eighteen-foot boat with a 60 h.p. outboard with a squirt unit roars by, shooting a stream of water fifty feet behind it. It's like being hit with a stream from a 3-inch fire hose.

Let's keep power boats off the rivers. I'll pledge \$20 now. I am sure many of my Seattle friends will kick in and help. Would like to see some fishing, hunting, clam digging pictures in Lonnie's column. We, the Seattle fishermen, enjoy your beautiful country and clean clean uncluttered rivers and quietness. We spend a lot of money in your service stations, hardware stores, restaurants, etc.

Don Graybill
Edmonds, Wash.
Editor.

I thought that the requirement for Communists to register was done away with some time ago and I will have to look this up. However, there is no reason that the John Birch Society should be required to register since the Communist have tried to have them declared subversive, but government investigative agencies find the J.B.S. non-subversive.

On the other hand, there is no reason that an organization which has declared its intent to destroy the government whose protection it demands, should not be required to register.

Mr. Landry needs to learn more about this "wild eyed organization". I don't know how many times he has tried to tie the J.B.S., which does not accept members of the K.K.K., to the Ku Klux Klan. This is a favorite trick.

Another trick that the Communists have really worn out is calling all anti-Communists "fascist" or "Nazis". At the same time they advocate exactly the same total government control of government people and property as the

Entered as second class mail matter at the post office at Forks, Washington, under Act of March 3, 1879

fascist and Nazi governments did.

On David Frost's show, April 13, Stokely Carmichael, formerly prime minister of the Black Panther Party, when asked who he considered the greatest white man of history gave the name of Adolph Hitler. The Cuban Communists chose the Mussolini's slogan, Spanish translation, for their "Venezuela Brigade" of so called cane cutters.

I think Dudley Pelley's anti-Communist Silver Shirt organization must have died when he did fifteen or twenty years ago. I have not heard it mentioned for years, so there is nothing to fear.

I do not believe that there is one person we know and many whom we do not know, who are not well aware that we are proud members of the John Birch Society. Of all the anti-Communist organizations we believe we can work most effectively in this one. They believe in people. They concentrate on bringing out the truth and believe that if people know the whole truth Americans will have the integrity, good sense and will to save their freedoms under Constitutional governments.

This (so-called by the Communists) secret J.B.S. sends out truthful information by selling their monthly bulletins to everyone who wants them, by reprinting many books that had been suppressed and by printing and selling literature, as well as by one of the largest lecture groups in the country.

This letter is getting too long. One thing more, though. Mr. Landry seems to have read a lot, I expect he knows that Revile P. Oliver hasn't belonged to the J.B.S. for many years. If such things were done it wouldn't do any good to talk about it.

That "Uncle Tom" who came to town did not say anything against the Negro race. There is reason to fear that good Negroes who make up about 90% of the race, may be caused to suffer unjustly for the actions of the radical, very noisy few.

There is a Communist International Conspiracy. We really should say International Conspiracy for Communism is only the policing arm, the tip of the iceberg that shows, of the rich and powerful group that plans to rule the whole world.

You can best find the truth of this by reading Marx and Lenin. You then see the pattern in events.

To reveal the Conspiracy is the first good of the John Birch Society in its work for less government, more responsibility and a better world. To even speak of the Conspiracy is taboo and the Conspiracy is so all powerful that most newspapers do not say that word.

That is the reason I put this last. It will be easy to omit. Winifred Bunker
Forks, Washington.

AREA STUDENTS TO ATTEND PENINSULA COLLEGE

To date, 232 new students have been admitted to Peninsula College for fall quarter, 1970, as announced by Floyd F. Young, registrar. In addition, 222 students who have previously attended Peninsula College have indicated that they will return. Applications for admission will be accepted until classes start on September 23. However, students accepted earliest will receive preference in assigning registration appointments. Registration appointments will be mailed the first part of August.

New students admitted and the names of the high school from which they were graduated are as follows:

FORKS: Arthur Anderson, Cheryl Dederick, Vicky Duncan, Richard Jensen, Steve Lingvall, Richard Pursley, Raymond Silcox.

CLALLAM BAY: Daniel Hanson, Donald Heikkila, Marilyn Mayor.

(Game Commission, continued from page 1.)

Larson, they have outlawed motors on the rivers, and encouraged fishermen to return to the river and he said that the guides have tried to be courteous to bank fishermen. Larson reiterated the fact that a code is needed to regulate both boat and boat fishermen.

Russ Thomas, a spokesman for the Save Our Steelhead Committee, said, now is the time for regulations to be enacted while studies are being made into the problems of inferior fish being planted, as well as conflicts on the rivers between bank and boat fishermen. Thomas also said that he felt the Game Department should do all they can to improve the hatchery fish.

BABY SHOWER HONORS MRS. GLEN RAY

The home of Mrs. Clarence Engeseth was the scene of a lovely baby shower, given on Tuesday, June 30, for her sister-in-law, Mrs. Glen "Beaver" Ray, by Mrs. Engeseth's daughters, Debbie and Darlene Engeseth, and another sister-in-law, Mrs. Wayne Ray.

The refreshment table was centered by a white cake, in the form of an open Bible, decorated in blue and green. and on it the name "Casey Gene Ray", Mrs. Ray's infant son. It was made by Mrs. Engeseth. Refreshments of cake, ice cream, coffee and assorted nuts and candies were served, after which games, led by Barbara Ray, were played, with prizes going to Wilma Engeseth, Emma Haasi and Carla Ray--the guest of honor--who then opened the large assortment of gifts, assisted by her sister, Mrs. Roger (Pat) Braithwaite. Present were: Mmes. Hassell Ray, O.M., Tomlin, Ray Hull, Anna Dills, Jack

Woody and Bill Woody. Mmes. Dean Hurn, Hollie Blankenship, Richard Kerschner, Roger Braithwaite, Clarence Engeseth, Misses Linda Woody, Emma Haasi and Marlon Micheau, the hostesses Misses Debbie and Darlene Engeseth and Mrs. Wayne Ray, and the guest of honor Mrs. Glen Ray.

Unable to be present but sending gifts were Mmes. Tom Haasi, Bruno Samowski, Norman Cowan, Martin Engeseth, Chuck Klepps, John W. Johnson, and Misses Virginia Soderlind and Cheryl Micheau.

More Sea Otter For Washington

Barring flight plan delays from Alaska due to weather, Washington will receive 30 more sea otter this Friday, July 17, announced the State Game Department today.

This year's sea otter transplant will supplement those released by the Game Department off the Washington coast last summer.

The sea otters will be flown directly from Amchitka Island in the Aleutian chain, to Quillayute, Washington. In an attempt to reduce the mortality caused by severe shock the animals endure during transport operations, they will be held in a specially-designed floating, holding pen for approximately a week.

The large floating pen is equipped with haul-out platforms for the sea otters to enable them to get out of the water. Here they will be able to feed, rest and clean their delicate fur prior to being released into the wild.

While adjusting to their new habitat, the otters will be fed a diet of rockfish and squid. If any animals do show signs of stress, Game Department biologists will be able to tend to their aid immediately.

Most assistance cases are a direct result of poor preventive maintenance or a neglect to check the fuel supply. "The Pacific Northwest is a dangerous place for a boater to run out of gas" says Lieutenant Commander Hadley, 13th District Boating Safety Chief. "Every out-of-fuel case on the coast is a potential fatality; the boat can be in the surf or on the rocks before we can get to it."

Hadley also stressed that seasonal boaters are very often the victims of a boating tragedy. The sailor who takes his boat out for the first time this season without thoroughly checking the engine and its accessories is just asking for trouble.

Sea otters are the largest members of the weasel family which includes mink, marten, fisher and the familiar river otter. The sea-going otters once inhabited the Washington coast in large numbers, but unrestricted fur trading eliminated them from this state early in the century.

The introduction of sea otters into Washington is part of a continuing program of the State Game Department to re-establish native wildlife species where they once existed. This transplant operation is a cooperative effort between the Atomic Energy Commission and the Washington State Game Department.

BOAT ACCIDENTS INCREASE

The Coast Guard recently released its current search and rescue statistics for the Pacific Northwest. So far this year, there are over twice as many deaths as there were this time last year. Coast Guard search and rescue efforts are up almost 20% over last June.

From these many opinions the Board chose those features they wanted in the specifications for the purchase of the new bus. The School Board will call for bids. The bids on the new bus will be opened at the regular meeting on July 16, 1970.

There was mention made that Gillig would be receiving a demonstrator soon and it could be available for purchase. Mr. Bronger, of Charles Rueger and Associates, introduced Mr. Steve Wood, mechanical engineer and Mr. Reg Martinson, electrical engineer for their firm. Mr. Wood had brought his catalogs to show the Board how

Because of the high incidents of breakdowns while underway, the Coast Guard has recently published a new pamphlet, **Emergency Repairs Afloat**. This pamphlet is free to anyone who contacts the U. S. Coast Guard Boating Safety Office in Seattle. It may save your boat and your life.

School Board Meeting Held

The continuation of the regular meeting of June 18, 1970, of the Board of Directors of Quillayute Valley School District No. 402 was held June 29, 1970, at 7 p.m. in the Science room of the High School. Present were Messrs. Darrel Gaydeski, Hal Canada, Jon Erickson, Fred Fletcher, and Dean Hurn.

Visitors present were Will Slathar, James Traver, Jack Bronger, Steve Wood, and Reg Martinson.

There was general discussion on buses. Bluebird, a manufacturer of buses, was in town on Friday, June 26, 1970, with a demonstrator. Several Board members and Mr. Johns had inspected it.

Mr. Hitchcock had made contact with three of the eight districts mentioned who had purchased this brand. He had also made contact with half a dozen more districts with questions on diesel, size of engine, transmissions, miles run, maintenance, and many related items. He reported at length on these conversations.

Mr. Johns had been checking further and reported on his findings.

Mr. Slathar reported the crawl holes had been changed as Mr. Bronger had indicated the week before in his inspection visit; that some of the exposed aggregate has now been poured; the contractors are still well ahead of schedule.

Mr. Bronger reported the subcontractor on the chalk boards was Snow. He has asked about one panel in each room being lined, but had not received word on it yet. Mr. Slathar reported to the Board that the walls were knocked out in the classroom being converted to kitchen space and library. He felt this week they would be ready to have electrical contractors look over the site and perhaps be ready for proposals to the Board, on the wiring to be done, by the July 16 meeting. The next meeting will be held July 16.

Card of Thanks
I would like to thank all the people of Forks who supported me in my candidacy for Fourth of July Queen.
Thank you again. I appreciate it very much.

The change order prices for the water heaters had been arrived at. The costs seemed in line with the catalogs, but quite high to the Board. Several suggestions were made as to the steps the Board could take. The hot water heaters will service the boys and girls lavatory and the janitor's room in each pod (three water heaters, one in each pod).

The Board rejected the change order on the 52 gallon water heaters.

The Board will ask Lent's to rebid the 52 gallon water heaters of residential type with a ten year warranty.

Mr. Bronger submitted a piece of the rug to be installed showing that the wire it carries to eliminate static has been enameled and is very hard to spot, but is in the rug in the specified amounts.

Mr. Slathar reported the crawl holes had been changed as Mr. Bronger had indicated the week before in his inspection visit; that some of the exposed aggregate has now been poured; the contractors are still well ahead of schedule.

Mr. Bronger reported the subcontractor on the chalk boards was Snow. He has asked about one panel in each room being lined, but had not received word on it yet.

Mr. Slathar reported to the Board that the walls were knocked out in the classroom being converted to kitchen space and library. He felt this week they would be ready to have electrical contractors look over the site and perhaps be ready for proposals to the Board, on the wiring to be done, by the July 16 meeting. The next meeting will be held July 16.

LEGAL NOTICE

NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00

Notice is hereby given that on Monday, the 27th day of July, 1970, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

LEGAL DESCRIPTION: The sale is composed of all trees marked with blue paint comprising approximately 12,000 board feet of cedar on parts of the following: SE 1/4 NW 1/4 of Sec. 22 Twp. 27 N., Rge. 12 W., W.M. Jefferson County, Washington.

CASH SALE
Forest products will be sold on a cash basis.

Minimum acceptable bid will be \$360.00.

On or before July 27, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$36.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to

be made payable to the Commissioner of Public Lands.

Located approximately 14 miles by road south of Forks. Accessibility Via Department of Natural Resources Access.

A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

OBITUARY

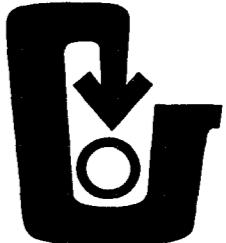

IVER IVERSON
Iver Iverson, a pioneer in this area, died Thursday June 25th at the Plinehurst Sanatorium in Seattle. He was 83 years old.

Funeral services were held Monday, June 29th at Acacia Funeral Home in Seattle, and graveside services in the Forks cemetery July 3rd.

Mr. Iverson was born in Minnesota on October 4, 1886. The family soon moved West and spent a short time at Port Crescent, Washington, then located a homestead on Bear Creek. He operated sawmills at Forks and Shuwah until the family moved to Bellingham in 1942. He married Magdalena Koenig Meredith on November 27, 1915.

Survivors include three sons, L. Benhart Iverson of Issaquah, Washington, Nathan N. Iverson of North Bend, Oregon, and Richard D. Iverson of Seattle, Washington; four daughters, Magda Kaemmler, Beaver, Washington, Ruth Mann, North Bend, Oregon, Kathryn Vogel, Coupeville, Washington, and Edna Johnstone, Seattle, Washington; a brother, Axel Iverson, Oregon and two sisters, Anna Cotten, Spanaway, Washington and Olga Hillstrom of Sappho, who still lives on the Iverson homestead.

Thirty grandchildren and 24 great-grandchildren also survive. A note from Boona said, "I have been in Vietnam for a year, teaching 5th grade, will write soon".

DEPOSIT LITTER

KEEP YOUR STATE CLEAN
In the Pacific Coast states of Washington, Oregon and California, your local brewers have joined with their counterparts throughout the nation to launch an all-out attack on litter.
Our goal — to preserve the beauty of the West and its economic well-being.
But, we can't do the job alone. Litter is a problem for all people and its solution lies within us all.
Won't you please help by doing your part?

CGUPLE MARRIED IN PORTLAND

Mr. and Mrs. Ed Malmsten

A double ring ceremony held in the Sacramento Street Baptist Church in Portland, June 20, united Miss Helen Perrigo, daughter of Mr. and Mrs. Weldon Perrigo of Naches, Washington and Edward Malmsten, son of Mr. and Mrs. LeRoy Malmsten of Forks. Rev. Robert Compton performed the ceremony.

The bride, given in marriage by her father, wore a silk organza dress with Venetian lace trim, a mandarin collar and empire waist and a chapel length train. The elbow length veil fell softly from an attached crown. Her bridal bouquet was white orchids, stephanotis and ivy.

The sanctuary was decorated with baskets of pink gladiolus and white stock. White satin bows adorned the pews.

The maid of honor was Miss Ruth Perrigo, sister of the bride. She wore a pink floor length gown trimmed with pink daisies, an empire waist and short sleeves. She carried a long stemmed pink rose.

Ring bearer was Gregory Perrigo, nephew of the bride, son of Mr. and Mrs. Dale Perrigo. The flower girl was Michelle Mouton, niece of the bridegroom, daughter of Dr. and Mrs. David Mouton of Evanston, Illinois. She wore a short, white cotton eyeslet with long full sleeves and a blue velvet pinafore.

Best man was David Anderson of Forks. Ushers were Lawrence Perrigo of Montesano, Washington, and Dale Perrigo, Seattle, brother of the bride.

Thomas Hill sang "Because" and "The Lord's Prayer". Organist was Miss Myra Davis of Portland.

The reception was held in the church. The wedding cake was cut by Mrs. Harvey Ballou of Seattle, aunt of the bride, and Mrs. Dale Perrigo of Seattle, sister-in-law of the bride. Tea was poured by Mrs. Archie Knass of Portland and coffee was poured by Mrs. Willie Self of Forks. The punch was ladled by Mrs. George Rice, aunt of the bridegroom.

Corsages and boutonniers were pinned on by Miss Kathy Teichroew, a friend of the bride. In charge of the guest book was Miss Patricia Young, Miss Marcia Self and Miss Pamela Self, daughters of Mr. and Mrs. Willie Self of Forks, were in charge of the gifts.

For her going-away, the bride wore a pink suit with a white orchid corsage and white accessories.

After a wedding trip to Canada, the couple is at home in Forks.

Mrs. Malmsten graduated from Sedro Woolley High School, Multnomah School of the Bible and Southern Oregon College. She taught grades 1-3 in Venezuela for 2 years, and will teach the second grade in Forks this year.

Malmsten attended Multnomah School of the Bible, graduated from Washington State University, spent 18 months in the Armed Forces in Germany and is now employed

by the U. S. Forest Service in Forks.

Out of town guests were: Rev. and Mrs. William Cross, Mr. and Mrs. John Spoelstra, Mr. and Mrs. Peter Roth and family, Mr. and Mrs. Willie Self and family, Mr. and Mrs. Terry Klepey and family, Mr. and Mrs. William Gale and family, Mrs. Frank Henry, Mr. and Mrs. LeRoy Malmsten, Mr. and Mrs. Phillip Jaspers, Mr. David Anderson, Mrs. David Mouton, Alexander and Michelle.

BARLOW, BELTON Vows Exchanged

Mr. and Mrs. Richard John Belton

In a chapel decorated with wild flowers, white and creme satin ribbons, Barbara Lynn Barlow, daughter of Mr. and Mrs. Charles H. Barlow became the bride of Richard John Belton, son of Mrs. Yvonne Balon of Seattle. The ceremony performed by Rev. Ted Ringsmuth was held at the Forks Congregational Church. A double ring service united the couple in the presence of 150 guests.

The organist was Virginia Blomgren, Robert Baker sang "Wedding Prayer" and "More."

The chapel decorations and corsages were made by Mrs. Warren Paul and Mrs. Merritt Corbin.

The bride, given in marriage by her father, wore an empire style gown in white crepe. The sleeves were fitted with an oversleeve of silk organza gathered with imported French lace. The bride also wore for "something old", a locket containing the wedding photographs of her paternal grandparents. For "something blue," a blue garter and for "something borrowed" a sapphire in her shoe.

Mrs. Gary Velie, sister of the bride was Matron of Honor, she wore a dotted yellow crepe, floor length, princess style gown. Miss Kathy Barlow, Miss Mary Kossel and Miss Rheta

Indieke wore matching mint green dotted crepe gowns.

The bride's mother wore a two-piece knit suit in creme with brown accessories. The mother of the bridegroom wore a mint green crepe dress with matching accessories. Both mothers had corsages of Ester Reed daisies and white carnations.

Best man was David Hermes of Seattle. Ushers were Craig Johnson, from Seattle, Tom Turner from Yakima, and Steve Kopicik from Renton.

The reception was held following the wedding in the Fellowship Hall of the Church. Mrs. Charles A. Anderson and Mrs. Harold Gronseth poured. Miss Ellen Eldred ladled the punch. Mrs. J. D. Tamerius and Mrs. John Ford cut the cake. Miss Bonnie Grimstad was in charge of the gifts. Miss Joan Anderson was in charge of the guest book.

For her going away costume, the bride wore a pink and red knit dress and her corsage was of tiny yellow rosebuds from the homestead of her great-uncle Henry Huelsdonk. After a wedding trip to Lake Tahoe and Reno, Nevada, the couple is at home at 220 S. W. Barton Street, Seattle.

The bride graduated from C. W. S. C. and teaches in Federal Way. The bridegroom attended Olympic and Seattle Community College and the University of Washington and is employed by Sears.

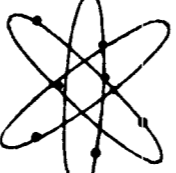

BRUNERS RECEIVE

AWARD

Daniel E. and Annabelle W. Bruner of Belton Hearing Aids of Olympia, the local authorized dealers for Belton Electronics Corporation, have been awarded a bronze plaque in honor of their 20 years of service with Beltone.

The award was presented by David H. Barnow, executive vice president of Chicago-based Beltone, world leader in hearing aids and electronic hearing test instruments.

The plaque, was presented at the Beltone International Convention at Lake Tahoe, Nevada, pays special tribute to the dedication the dealer has demonstrated to persons in his area who suffer from impaired hearing.

OBITUARY

ALFRED AVERY RHYNE

Funeral services for Alfred Avery Rhyne, 56, a Forks and Port Angeles businessman who died Sunday, July 5th, at Forks were held Wednesday in the Congregational Church in Forks.

The Rev. William Cross and the Rev. Art Morlin officiated. Masonic graveside services were held at the Claquato Cemetery, 3 miles west of Chehalis.

Mr. Rhyne was born June 5, 1914, in Waiville, Wash., the son of Mr. and Mrs. Alfred F. Rhyne. He graduated from high school in Pe Ell and then went to Central Washington State College. He was married to Nelma W. Buswell in Seattle February 11, 1937. She survives at the family home in Forks.

Following his marriage, he went into partnership with his father and brother in a logging operation in Tillamook, Ore-

gon. The family moved to Raymond in 1941 and remained there until 1943 when a move to Pe Ell was made. The family remained there until 1951 when Mr. Rhyne started his Rhyne Logging Co., in Forks. Recently the logging company became the Atlas Trucking Company of Port Angeles.

Mr. Rhyne attended the Forks Bible Church regularly. He was a member of the Pe Ell Lodge No. 157 F & AM; Royal Arch Sunset Chapter No. 23, Chehalis; St. Helen's Commandery No. 12, Chehalis; Affili Temple, Tacoma, Pe Ell Chapter No. 63 and an honorary member of Mr. Olympus Chapter No. 253, Order of Eastern Star. Mr. Rhyne received the Rainbow Grand Cross of Color and was a life member in contributing to the Shriner's Hospital for Crippled Children. Mr. Rhyne served on the Quillayute Valley School Board, previously. He served

on the Tillicum Park Board for many years, helping with the moving of much equipment for the park, including the locomotive. He belonged to the National Riflemen's Association and to the Port Angeles and West End Republican Clubs. His life was a real tribute to God, family and country.

In addition to his widow, he is survived by his mother, Mrs. Maude Rhyne of Pe Ell; two sons, Mark Robert Rhyne, Seattle; Craig Wallace Rhyne, Forks; and a daughter, Denise Nelma Rhyne of Forks. Also surviving is a brother Donald H. Rhyne of Port Angeles; and a sister, Mrs. Doris M. Cox of Pe Ell.

Active pallbearers were Herbert Stewart, Robert Cunningham, Dr. Robert Baker, Ted Spoelstra, Dale Huling and Wendell Iverson. Honorary pallbearers were Dr. E. F. Leibold, Gerald Meehan, Roy Craig, Jack B. Edwards, Monte Porter, Lorraine Klahn, Roy Elmgren, Robert Tuttle, Walter Johnson, and Henry Huhn.

Memorial contributions may be made to: Students for Responsible Expression, c/o Rt. 1, Box 160, Forks; or the church of one's choice.

Lucky Sew & So's

The Lucky Sew & So's had a busy meeting July 9th.

Members prepared a skit for 4-H camp and set Wednesday, July 15, as the date to pick up litter at the beach.

Six demonstrations were given: Lorri Bolin--Making a Design in Leather; Kay Stockman--How to Prepare Orange Slices; Ann Stockman--How to Prepare Chicken Noodle Soup; Debi Otos--How to make a Milk Shake; Linda Boggs--How to Lay Out and Pin a Pattern, and How to make a Root Beer Float.

After the demonstrations, Linda made root beer floats for everyone for refreshments.

Tye - Beaver - Sappho News

BY MRS. J. E. MERRITT

Mr. and Mrs. Robert Faw-bush and their two children from McCleary, Washington, were house guests of Mr. and Mrs. Harry Edwards of Sappho over the Fourth of July week-end.

Mike Grice left about two weeks ago for duty in the U. S. Army. Mrs. Grice is still living at Sappho.

Larry Johnson spent part of his vacation last month visiting his parents in Bellingham. He is a tenant of the Edwards apartments at Sappho.

Mr. and Mrs. John (Skeeter) Leavitt spent part of their vacation in Yakima, visiting her parents.

Mr. and Mrs. Damon Es-linger, of Seattle, were recent visitors at the Harry Edwards home.

Mrs. Ed Lewis and her son Joe went to Chehalis, recently to bring Mrs. Lewis's grand-children, Diane and Jay Orning to visit at the Lewis home. Last Saturday the children were taken home by their Uncle Joe after a pleasant two weeks' visit with their grandparents.

Mr. and Mrs. Ed Konopaski went to Seattle Saturday to meet their grandchildren, Christian, Martin and Angela Konopaski, at Sea-Tac Air-port. The children of Mr. and Mrs. Ron Konopaski, they had flown up from San Francisco to spend some time visiting with their grandparents.

Miss Donna Eldred, daugh-ter of Mr. and Mrs. James Eldred of Port Angeles, and James Bennum were married in Bellingham last Thursday, July 9, and a reception was held for them on Sunday at the Agnew Community Hall. Mr. and Mrs. Ed Lewis of Shuwah were the many from this area who attended the reception, as the Eldreds are former Forks residents. Mr. and Mrs. Bert Eldred are uncle and aunt of the bride.

CARD OF THANKS
We would like to thank the American Legion for choosing us to attend Boys' State this year. We think it was a worthwhile experience and hope that the practice of sending two or more boys to Boys' State will continue.
DON HUTT and
BRUCE DUNLAP

Social Scene

Returning home from visiting relatives and friends in Minne-sota this week were Mr. and Mrs. Henry Halverson. They also visited the Dan Holts in Fairfield, Washington. Re-turning home with them was their daughter-in-law, Mrs. John Halverson, Leanne and Cardlyn who were visiting with her parents.

SF/4 Gary Bull and his wife, Leslie, are the parents of a son, Aaron Lee, 8 lbs., born June 16, at Bakersfield, California.

Gary, a 1967 graduate of Forks High School is presently serving in Vietnam, and will be home at Christmas time. The very proud grandpar-ents are Mr. and Mrs. Lester Bull of Forks.

Congratulations, both to you, Gary, and Leslie, and to the grandparents.

Mr. and Mrs. Richard Hal- verson are the proud parents of a baby girl, Victoria Lynne, born July 9th at the Forks Community Hospital. She weighed seven pounds and six ounces. She joins a sis-ter, Marcella. Grandparents are Mr. and Mrs. Maynard Lucken and Mr. and Mrs. Henry Halverson.

Mr. and Mrs. James Blod- gett, Barbara, Kathy, Peter and Richard of Carmichael, California, spent the Fourth of July weekend with Mrs. Blodgett's parents, Mr. and Mrs. Henry Halverson, and her brothers and their families. John, Eugene and Richard Halverson. Other weekend guests were Mr. and Mrs. Edward Larson of Centralia, Washington. Friday, July 3rd, guests were Dr. and Mrs. David Swanson and family of Raymond, and Mrs. Dean Senn and Sharon of Toledo, Washington.

Barbara and Kathy Blodgett of Carmichael, California, are spending a couple of weeks with their grandparents, Mr. and Mrs. Henry Halverson and other relatives.

CARD OF THANKS

The Al Rhyne Family wishes to thank the many dear relatives and friends who did so much to show their love and concern in our great loss.

NELMA & MAUDE RHYNE MARK & JOANNE, CRAIG & DENISE, MR. & MRS. DON RHYNE, & MRS. DORIS COX

WEDDING RECEPTION TO BE HELD

A wedding reception will be held Sunday, July 19, from 3 to 5 p.m., at the Forks Bible Church for Mr. and Mrs. Ed Malmsten of Forks.

All friends are invited to attend.

GLENDA PETERSON JUNE BRIDE

Mr. and Mrs. Gerald Dormaier

Miss Glenda Lorraine Peter-son, daughter of Mr. and Mrs. Oscar C. Peterson of Forks, became the bride of Gerald F. Dormaier, son of Mr. and Mrs. Ted Dormaier of Hart-ling, Washington, June 20. The evening wedding was held at the Assembly of God Church in Forks. Rev. Art Morlin and Rev. John McCul- lough officiated. The double ring ceremony was witnessed by 250 guests.

Dixie Tanneberg sang, "The Lord's Prayer", and Ward and Dixie Tanneberg sang, "Bride Over Troubled Water".

The church was decorated with baskets of white glads and tangerine carnations. Two spiral candelabras, composed of the altar centerpiece, along with white glads and tangerine carnations.

The bride given in marriage by her father, wore a floor length organza over satin, with organza puffed sleeves, rows of lace embedded with pearls in front. The long train, with rows of pearls fell from an empire waist. The capulet headpiece held a shoulder length veil. The bridal bou- quet was a cascade of step- hanotis and white roses.

The maid of honor was Miss JoAnn Jarvis, bridesmaids were Miss Sharon Wiggins, Miss Polly Rosmond, and Mrs. Gary Peterson. They wore a long peach colored chiffon dresses, with long sleeves. A bow in the back and an empire waist and neck, trimmed in white daisies.

The mother of the bride wore a mint green ensemble trimmed with lace. The

peach ensemble with peach accessories.

The best man was Russ Klein, of Edwall, Washington. Ushers were Marty Klein of Edwall, and Dave Dormaier of Hartline.

The reception was held in the church, following the wedding. Coffee was poured by Mrs. John Bye, tea was poured by Mrs. Eldon Officer, punch was ladled by Rick Wahlgren. The wedding cake was cut by Willa Witherow and Shirley Officer, Chris and Jenny Shaw were in charge of the gifts. Debbie Munding registered the guests.

After a wedding trip to Lacey, Washington, and Twin Lakes, Idaho, the couple is at home in Forks.

HOME ACCESSORIES

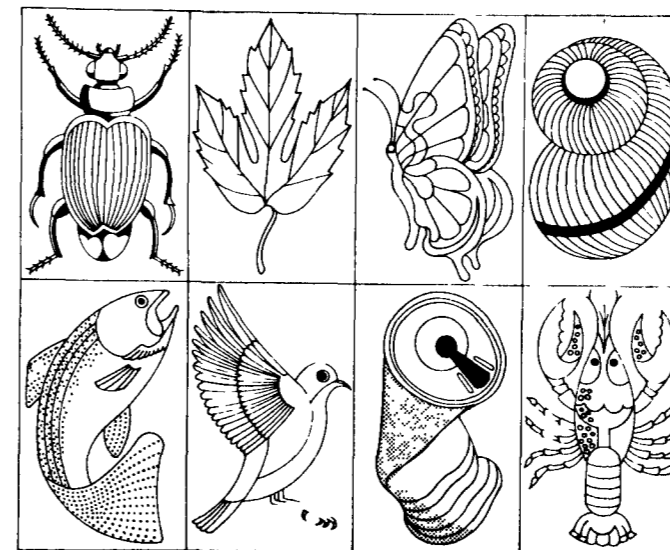

She'll cherish fine gifts of silver holloware, decor ac- cents for her home, for years to come.

Meditation By Pastor William E. Cross

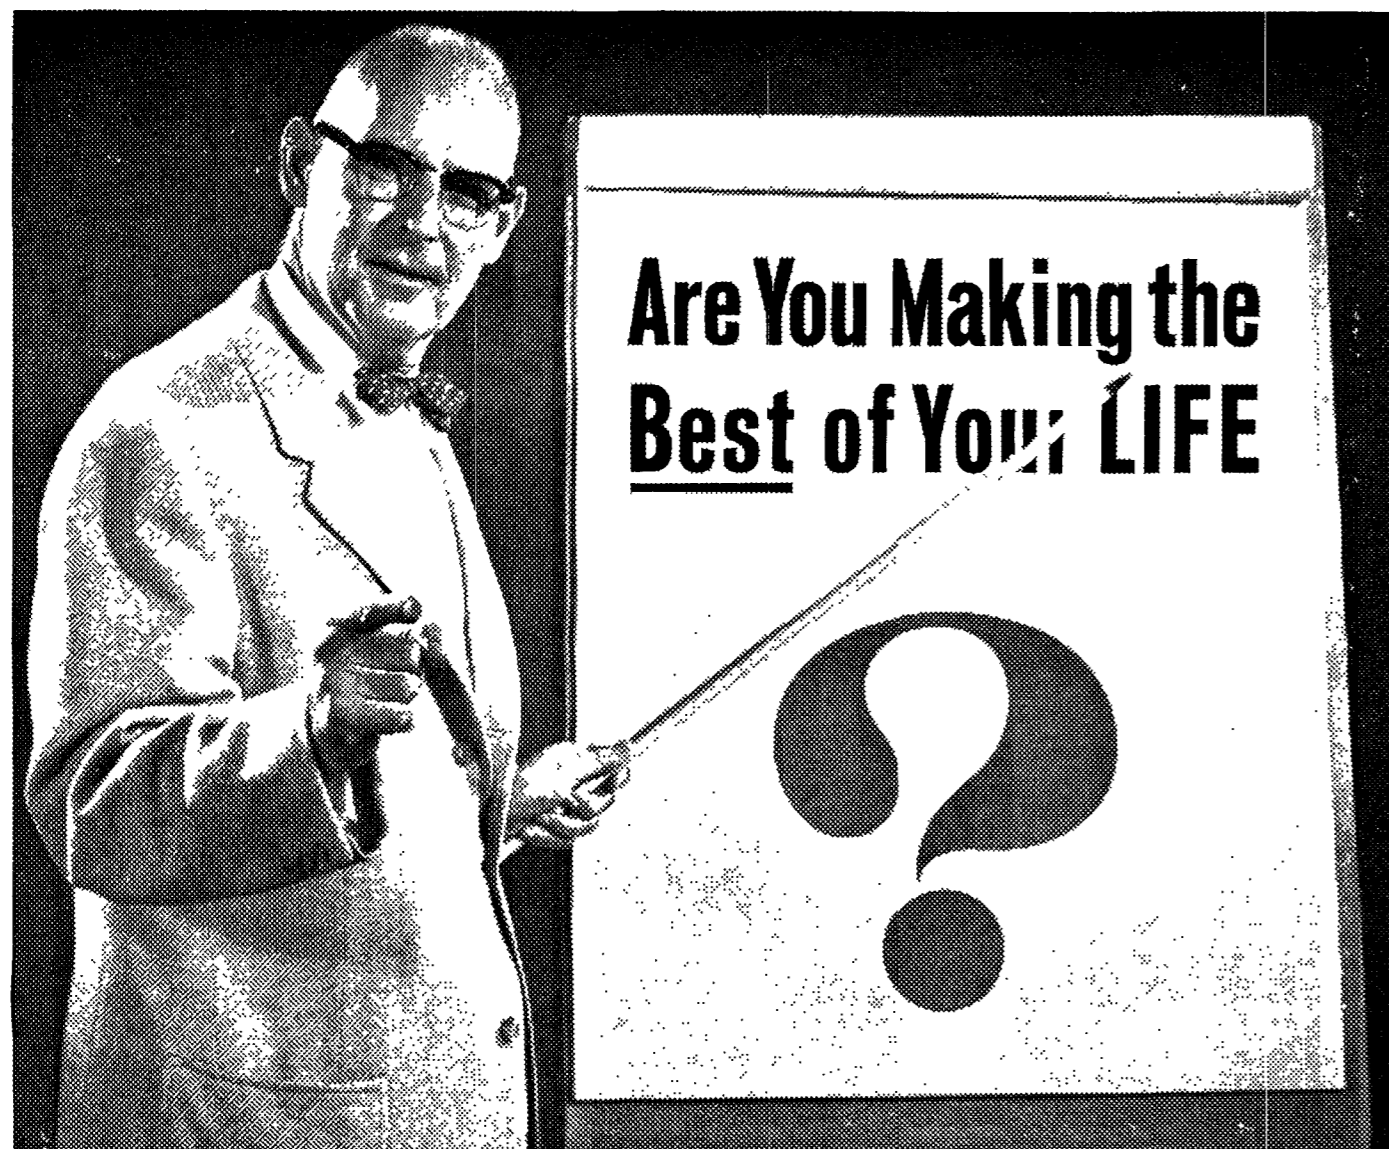

As stated below the question does have a double meaning. How many there are fooling themselves and are denying themselves the really good things of life as a result. Over and over again I have heard the remark, "Oh well, this is my lot: I will just make the best of it." How tragic to allow one's self to passively accept circumstances just the way they happen to come, never making any attempt to change the circumstances or better the situation.

The God who created us never meant for us to be puppets on the end of a string; just doing what some one else dictates. Rather He made man a free moral agent and gave him the ability to choose. Those who are really making the "best of life" are the ones who are making thoughtful choices.

This of course raises another question: "What is the "best" life?" We can set our affections on the temporal things of this life; health, material possessions, financial security, respect of fellowmen, the satisfaction of serving others; all of this, and still not experience the best. Simply because all of these

things are temporal and passing.

According to the all-wise God who made us the best is that which is eternal. The Bible tells us that real life is to be found only in a personal and experimental relationship with Jesus Christ. We read that "he that hath the Son of God hath that eternal life". Now, we can spend a life time earnestly striving for the very best life and still miss it if we try to live that life without Christ. Jesus said, "I am THE life"; that life which is eternal, never-ending. And further the Lord said, "I am come that they might have life, and have it more abundantly." Jesus not only wants us to have life; He wants us to enjoy the best, the real life. And more than this, He died that man might enjoy that life "more abundantly". If you really want to make the "best of life" then I suggest that you choose God's way.

- Sunday Hebrews 12:1-13
- Monday Jude 1:17-25
- Tuesday Revelation 2:1-11
- Wednesday Psalms 19:7-14
- Thursday Psalms 119:1-16
- Friday Psalms 119:33-48
- Saturday Psalms 119:129-144

"That question has a double meaning!" you protest. Yes, it has. Either you're letting life carry you along its bumpy road, just shrugging your shoulders and "making the best of it" . . . or you've discovered the secret of making the BEST of life by choosing God's way and letting Him do the steering.

It isn't really a secret. Anyone can find it if he searches with complete sincerity. Through prayer, through regular church attendance, through Bible reading, the answers will come if we persevere. Gradually we will accept God's plan for us and understand the full, triumphant meaning of the words of Jesus: "Nothing shall by any means hurt you."

There is no voyage of discovery more exciting or challenging than this one. And our God-guided efforts will bring us to the BEST of life . . . a reward greater than any worldly goal we could name.

Sunset Highlites
By Fred Jarvis

They say no news is good news, so that means I'm just loaded, (with good news, that is). Not too many bowlers displaying their wares since the weather is so nice. See the Laswell family almost every nite either playing pool or bowling, or just chewing the fat.

Probably only be about six or maybe seven qualify for Port Townsend this weekend. Dick Suchodolski leads the pack with a 614 scratch, 713 with handicap. Darrell has hit 620-657-658-659 and 664, all scratch in the house eliminations to put on more qualifiers.

The alleys are in pretty fair shape, altho, just a mite fast yet. It won't be very long and they'll be scoring real good. Even hit the pocket a few times myself tonite.

The roof caved in on Duke and I last Thursday nite with a vengeance. Really were taken to the cleaners. Somebody nosed it around that we weren't going to bowl good, and a few couples came down and cashed in. And the way I've been hitting this week, poor Darrell is going to shell out some more dough tonite.

Better come down and get on the gravy train, easy money like this is harder to come by than Mother's blackberry pies, and that's going some.

Probably be six months before she bakes me any more after she reads this.

Shortage of Monte Carlo bowlers last Saturday nite. Betty Laswell had the T.V. shot and Ski Suchodolski the Jackpot, but no luck and so the dough keeps building up. One of these nites somebody is going to pick up a nice piece of change by picking off that Jackpot split. Could use it myself.

Saturday is Mother's birthday. Guess I'll have to think up something special, like wiping the dishes for her, or may be taking her over town and splurging for a hot dog and milkshake. The last of the big spenders! All kidding aside, many happy returns, Hon!

Been seeing lots of Red-Head pins picked up lately. Knock one off and its a free game. Between that and the Pros poor showing. Darrell is just handing out. How long can he hold out?

SERVICE NEWS
