## CLALLAM COUNTY FAIR QUEEN CANDIDATE

MISS JULIE BAKER

Forks candidate for the Clallam County Fair Queen is Julie Baker, daughter of Dr. and Mrs. R.L. Baker of Forks. Julie is 17 years old, a Junior at Forks High School. She has blue eyes, dark brown hair and is 5'8" and weighs 125 pounds. Julie is worthy associate advisor of the Rainbows, assistant drill master, and was Homecoming princess last year. She is a member of the Pep Club, her church youth group and plays the piano, flute, and guitar. Julie also is a member of a local singing group, composed of Forks High School students. She also works part-time in her father's office.

## Rabies Danger From Skunks

"Any person that purchased a pet skunk from the four Seattle pet stores listed (since June 2) or from any store in the Portland area (since May 10) should contact his local health department immediately," Wallace Lane, M.D., Assistant Secretary for the Division of Health, Department of Social and Health Services said today.

Rabies has been diagnosed in a skunk which bit a Seattle woman on the arm and leg last Thursday. She is now receiving treatment to prevent rabies. The skunk was purchased from a Seattle pet store in mid-June. The store had obtained the animal from a wholesaler who, in turn, purchased the animals from a breeder in Wolf Creek, Oregon.

"Skunks that originated on this supplier's farm may be infected with rabies. Unfortunately, a skunk infected with rabies is able to transmit the disease months before it has any signs of illness," Dr. Lane cautioned.

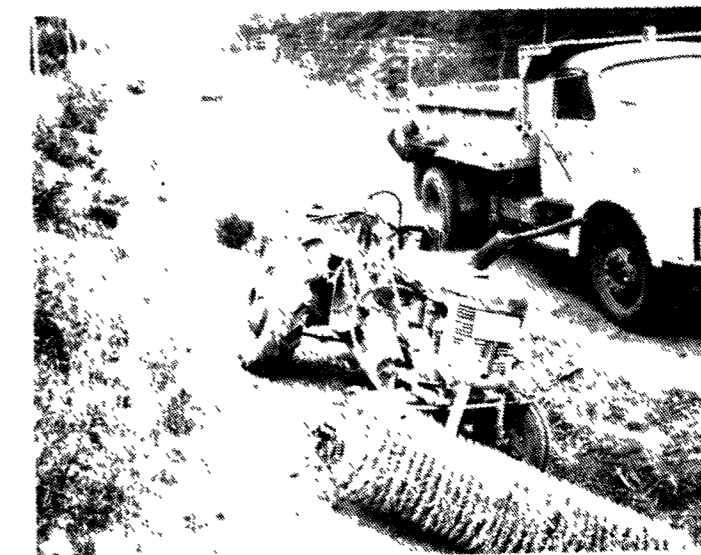

"Investigation by Washington and Oregon health authorities has revealed that skunks from this breeder have been offered for sale at at least two stores in Portland, Oregon, and these four Seattle retailers:

Capital Hill Pet and Grooming Parlor; Northgate Pet and Grooming Parlor; Poodle Parlor and Jack's Aquary. The owners of these stores have cooperated fully with health officials," Dr. Lane said.

Therefore, any person who has acquired a skunk from these stores since the dates specified should contact his local health department immediately. Local health authorities will try to determine where the animal came from and will test any animals traced to the Wolf Creek farm for rabies.

"To minimize the risk of rabies to himself, his family

## ACCIDENTS NEAR LAKE CREEK

Shown is the Farmall tractor-truck involved in the accident.

An accident Thursday afternoon on Highway 101 near the Lake Creek bridge caused no injuries, but proved quite embarrassing to a Clallam County Highway Department employee.

The accident occurred when a county dump truck, being driven by Leo Klock, 51, Se-kiu, was hauling a Farmall tractor-broom in the back, when the dumping mechanism of the truck apparently became engaged, the truck bed raised and the tractor "fell out" and bounced down the highway for about 126 feet, coming to rest on its wheels in the right hand ditch. The tractor was demolished, it broke into, right at the transmission.

No citations were issued. Another accident at the same time caused extensive damage to both vehicles involved, although no one was injured.

The vehicles involved were a 1948 Chevy van driven by Cara Millsap of Forks and a 1969 Mercury pulling a 1968, 16-foot Shasta trailer, driven by Kenneth Garbrick of Forks.

The accident occurred as both vehicles were southbound on 101 and the Garbrick vehicle was attempting to pass the Millsap vehicle. The Millsap vehicle then attempted to make a left-hand turn into the Bear Creek campground and struck the Garbrick car and trailer in the side.

The Millsap vehicle received \$100.00 damage and the Garbrick vehicle received \$400.00 to the car and \$500.00 to the trailer.

Kenneth and Alberta Garbrick were just returning from a 3,000 mile trip when the accident occurred.

## Makahs Receive Contract For Housing Units

Congressman Lloyd Meeds and Senators Warren Magnuson and Henry Jackson announced today from Washington, D.C. that a contract has been signed for \$651,519.00, to provide 35 low rent public housing units under Turnkey Method for the Makah Indian Reservation. The contract between the Department of Housing and Urban Development and the Makah Housing Authority obligates the Federal Government through annual contributions to pay the principle and interest of bonds over a period of time issued by the Housing Authority to cover total construction cost of the single story frame houses.

Durnin concluded by saying that he felt sorry for the town for they now had another "monkey on their back"—the Air Pollution Authority.

Chet Woods, a member of the Hill, Engman and Chase Engineering Company, told the council that at this time there were no funds available for a sewer survey. Woods

## COUNCIL DISCUSSES POLLUTION PROBLEMS

Joel Durnin, control officer for the Olympic Air Pollution Control Authority, told the Forks Town Council at their Monday meeting, that we have about 10 years left to stop air pollution entirely or else! He said that there will be so thoroughly saturated with pollution that if will not matter whether we live in Chicago or here on the West Coast, the pollution will be the same. At the present time, according to Durnin, the Board is trying to reduce the emissions we have now and control industry for the future. He said letters have been sent out to all burners of wood waste products informing them they are in direct violation of the regulations. Variances of one year are being given for the mill owners to find a way to handle their wood waste products. Durnin said, "When we burn the wood waste products we aren't only causing air pollution, but we are wasting a valuable natural resource. Apparently there are several companies interested in using the wood chips and sawdust in industry. Some Japanese companies are importing wood waste products from Weyerhaeuser Company and other wood industries in the area.

The problem of sanitary landfill was also discussed, Durnin said, that he realized that it would be very expensive to institute a landfill operation in the Forks area, but the time to start thinking along those lines is now. He said that Port Angeles is faced with a real problem in this area. The Water Pollution Control Authority has told them they can not continue to dump the waste into the Straits, and the Air Pollution Control Authority has told them they can not burn. Durnin said he received a call from City Manager Don Herrman, asking him "What do we do now?"

# EDITORIAL . . .

By Nedra Reed

Living as we do in the West End of Clallam County, in a fairly isolated area, the first thing that comes to mind is the protection of our families in time of medical need, be it either illness or accident.

It is comforting to know that our neighbors in the West End of Jefferson County share our burden as well as give us help when we need it. Although the residents, of what has been so aptly termed "no man's land of Jefferson County" do not pay any of the tax burden, they do help in so many important ways. The Hospital Board presented a new ambulance last week to the Clallam County Hospital Board. This is just one of many ambulances as well as several other very expensive pieces of equipment donated to the Forks Hospital.

The Jefferson County Board works in close conjunction with the Clallam County Board to provide the residents of both areas with as much security as possible.

With the construction of the new hospital it is hoped the needs of both areas can be served more advantageously.

The Hospital Board of Jefferson County deserves a thank you from all of us for the new ambulance and all the equipment they have donated to provide all the residents of the area with better protection.

## O.N.P. SELL TIMBER

The Soleduck Ranger District of the Olympic National Forest recently sold 6,900,000 board feet of timber in six separate parcels.

The total value bid for the six sales was \$265,908.20.

Peninsula Plywood Corporation was the successful bidder on four sales; Stringer Salvage, West Fork Pysht, Deception Bench and Pysht #1. Stringer Salvage consists of 650,000 board feet, and sold for \$43,268.00.

A total of 1,140,000 board feet of timber on the West Fork Pysht sale sold for \$84,820.00. One-tenth mile of reconstruction is required on the Forest Service Road #313.

The Deception Bench parcel consisting of 900,000 board feet sold for \$55,620.00, and Pysht #1 consisting of 2,800,000 board feet sold for \$61,704.00.

One and four tenths miles of new construction is required to log the Pysht #1 sale. There is no exemption from Domestic Manufacture on these four sales.

M & R Timber Inc. of Port Angeles was the successful bidder of the Looped Salvage Sale. This parcel consists of 600,000 board feet and sold for \$11,205.00. This sale is a part of the Forest Service's accelerated program of salvage harvest. There is no exemption from Domestic Manufacture.

Robert Baublits purchased the Bigler Base Thinning. This parcel consists of 810,000 board feet of timber and sold for \$9,291.20. Six-tenths of a mile of construction will be required to log the sale. There are no restrictions on manufacture on this sale.

## COUNCIL

(Continued from page 1) said that the Department of Housing and Urban Development does have programs available to municipalities for studies and reports but no funds are available from that department. According to projected figures the sewer survey along would cost from \$7,000 to \$14,000. At this time the town has had no problems with the systems they have now, but according to Mayor Kennedy, pressure is being applied to the town by various agencies, to institute a sewer system.

Three members of the Park Board presented the council with a plan for the revamping of the park, according to Pastor Art Morlin, there is a surplus of Federal Funding available.

All the board needs is to have a government agency present the plan to the Federal agency.

Attending the meeting with Pastor Morlin was Dick Haberman and Ron Thompson. The map presented to the council was drawn by Thompson, and showed in detail the plans. The front of the park around the train would feature exhibits common to the area and would be designed with the tourist in mind, since this is primarily the segment of the population that would use the facility extensively. The percentages of funding would require the town to put up 25 percent, the Federal Funding would provide 25 percent and state and local funding would provide the remaining 25 percent.

The matter was discussed by the council, Mayor Kennedy said that he felt it was a worthwhile project but the problem did not end with instituting the program, if money could be found to go so. Apparently the Town of Forks is not in very good shape financially. The problem of maintenance was a main contention. It seems for a park of that size a full time maintenance man must be hired. It was suggested that perhaps a city employee could be used for park maintenance part time, but with the projected figure of one million people this wouldn't be sufficient maintenance. The Park Board members were thanked for their plans and time to present them to the council and were commended on the work they have already done and were instructed to pursue the matter further and that perhaps some arrangements would be made in the future for financing and the maintenance costs.

Building permits were approved for Ron Ford, re-roof, \$600; Fred Rosmond, re-roof, \$100; L. E. Frost, erect a storage shed; and Ron Phillips, finish an incomplete building for residence.

The council received a letter from the Washington State Department of Ecology, requesting the town to appoint a member of the community to work in conjunction with the county on a river basin drainage committee. The town will contact the county and advise them of their willingness to cooperate.

The council heard complaints again about the excessive noise at the Texaco station in the early morning hours. The marshal stated he had received several calls at around 3:00 a.m., from residents in the area, and that he had instructed the station workers that if the noise continued, citations would be issued.

The council heard complaints again about the excessive noise at the Texaco station in the early morning hours. The marshal stated he had received several calls at around 3:00 a.m., from residents in the area, and that he had instructed the station workers that if the noise continued, citations would be issued.

Among the changes being made are a consolidation of evening and night rate classes into a single "Evening" rate class which will be in effect from 5:00 p.m. until 8:00 a.m. and all day Saturday and Sunday. Also, an increase will be made in the minimum person-to-person call rate to 50¢ from the present 35¢. In addition, various rate steps above 21 miles will be consolidated.

Subscribers desiring full details of the changes can call at the company's Forks office.

## OBITUARY

MRS. SELMA V. WOOD  
 Mrs. Selma V. Wood, 71, of Ellensburg, Washington, sister of Logan Kaas of Forks, lost her life Saturday morning when the car in which she was riding left Interstate 90 and rolled over about 10 miles east of the summit off Snoqualmie Pass.

Selma V. Kaas was born in Bellingham, Washington in 1899, and was married to William G. Wood in that city in 1921.

Early in 1928 Mr. and Mrs. Wood came to Beaver, where she was employed as woods superintendent for Bloedel Donovan Lumber Co. A few years later the Woods moved to Sappho, where they remained until 1936, when they moved to Kittitas, near Ellensburg. Mr. Wood passed away in March, 1961, in Ellensburg. Mrs. Wood is survived by two sons, Warren Wood in Kittitas, Washington, and Leonard Wood in Renton, Washington; five brothers, Arnold Kaas, Ferndale, Washington; Palmer, Port Angeles; Logan, Forks; and Marshall and Arlow Kaas, both of Seattle, and by three sisters, Mrs. John (Ethelyn) Lewitt of Tacoma, Washington; Mrs. E. (Lenora) Newsted, of Bend, Oregon and Mrs. L.J. (Dorothy) Irving of Seattle.

Also surviving are six grandchildren.

Funeral services were held Wednesday (yesterday) in Bellingham, at the Jones Funeral Home, with burial in Bayview Cemetery.

219 N. Laurel  
 PORT ANGELES

(School news continued from page 3)

No letter had been received to date from the men reviewing the District's insurance coverage.

Mr. Hitchcock advised the Board that after digging into the wiring and like facilities now in the grade school kitchen and the requirements needed for the new equipment, the costs are going to be considerably more than anticipated. Whenever specifications can be drawn, advertising for bids will be done and letters sent out.

Mr. Hitchcock reported that the treasurer had repaid \$50,000.00 to the Bond Redemption Fund on June 30, 1970. The balance would be repaid as the funds are available from State Timber monies to the District.

The Board in the past had discussed some type of recognition to those members of our staff who are doing an outstanding job. It is still the feeling of the Board to do something on this order, perhaps a plaque or commendation letter. Since we do have people who are doing an outstanding job, the Board wants to recognize this effort. There will need to be further discussion with the Professional Organization and the principals. The matter will be brought up again at the August meeting.

Also scheduled for the August meeting will be discussion of the existing rental policy of facilities of the District and/or any revisions.

Mr. Hitchcock noted for the Board's information, he had received a letter from the Federal agency in charge of the Quillayute Air Base property, and they have changed their policy of allowing only teachers to rent from the District to any personnel working for the District.

## Sheriff's Log

July 6, 1970, 9:40 a.m., report of suspicious motor-cycles near Lake Pleasant. 4:05 p.m., report of family disturbance. 4:47 p.m., report from Hoquiam, aircraft overdue. Contact made at 4:55 p.m. 5:25 p.m., landlord-tenant dispute. 9:10 p.m., long distance request to locate subject in Forks area. 9:12 p.m., repeat request. 9:25 p.m., attempt to contact subject regarding emergency message, unable to locate person in area. 9:30 p.m., request for information regarding fingerprints for immigration office. 9:45 p.m., repeat of 9:10 a.m. call, attempt to locate subject for urgent message. Town Marshal

## 4-H NEWS

"Navy Week" was the theme of the Clallam-Jefferson 4-H Camp held July 20-24, 1970, at Fort Flagler State Camp. Craft instructors were Sue Shearer, Mrs. Howard Stockman and Mrs. Wally Crippen. Song leader was Mary Engel. The classes included subjects such as Drugs and You, Good Grooming, Archery, Sports Instruction and Outdoor Cookery.

Other activities included a watermelon hunt, marshmallow roast and swimming in the Port Townsend pool.

Clallam County Extension agent, Andy Kruswyck and Miss Sharon Ames attended.

Those from Forks attending were: Kathy Archer, Jill Blatner, Beth, David and Mike Crippen, Diane Duncan, Barney and Mary Engel, David Beasstrom, Linda Boggs, Karen and Darla Gaydeski, Carmen Hoke, Susie Johnston, Jack Klahn, Tom Lingvall, Cathy, Susie and Julie Mansfield, Donna Olson, Raewyn Maxfield, Debi Otos, Buddy Sanford, Sue and Linda Shearer, Ann and Kay Stockman, Debra and Lisa Skewes, Rodney Swerin, Patti and Romona Tuttle, Cindy Vaill, Nancy Whitehead, and Terri Larson.

The 4-H'ers and their leaders traveled to camp by a bus rented from the Forks School. The leaders and 4-H'ers expressed their wish to thank the school for renting them the bus.

## NOTICE

Bids for a Biltmore Trailer owned by the Queets-Clearwater School will be considered at the Board meeting on August 20, 1970, at 7:00 p.m. The trailer is a 1957 model and is 45 feet long and 8 feet wide. It is unfurnished except for a stove and a refrigerator.

Sealed bids will be opened during the Board meeting. If you are interested please mail sealed bids to the address below or bring in person to the Board meeting.

ADDRESS: Board of Directors Queets-Clearwater School Clearwater, Washington 98399

Publish Thursday, July 30, August 6, 13, and 20, 1970, in the Forks Forum, Forks, Washington.

Mr. and Mrs. Joe Newbry and children, their son Kurt and fiancee Kathy Lynch, all from Ellensburg spent last weekend in Forks.

## THOMAS ON HONOR ROLL

## SCHOOL BOARD OPENS BIDS

The regular meeting of the Board of Directors of the Quillayute Valley School District No. 402 was held in the Science room of the high school. Board members Messers. Hal Canaday, Dean Hurn, Jon Erickson, and Fred Fletcher were present.

Visitors Will Slathar, Mr. Coomz, Mr. and Mrs. Holz, Gary Johnson, Pharis Whitley of Bryant Motors, Frank Therrian of Buchanan Sales, James Traver, John Leppell, Aub Johns, Bill Thompson, and Terry Sullivan were welcomed to the Board meeting.

Mr. Holz presented a map to the Board of the property next to the Beaver school site that is having road problems. He had talked to several county people, but did not have any positive decisions. After quite a bit of discussion the Board stated its sympathy with the property holders, but felt they could not make a firm decision at this time. The matter will be taken up again in August.

A proposal from Fletcher Electric for installing four new outside mercury vapor lights for the District in the amount of \$366.00 was accepted by the Board.

The proposed Citizens Ad-

visory Group was revised again by the Board. It is the intent of the Board to follow through with this idea if possible. For a start people who assisted with the Special Levy should be contacted, plus others as their names are suggested, or they volunteer. This matter will be gone into further at the August Board meeting.

A quotation from Charles Archer Plumbing Co. for three water heaters, installed, for the new Primary Building was read. No revised figures had been received to date from the Mechanical Contractor on the job.

The Board will accept the quotation from Mr. Archer in the amount of \$375.00 plus sales tax.

Mr. Hitchcock had talked over the landscaping idea for the Primary Building with Mr. William Thompson, Vocational Agriculture teacher. The project is too large for one year and he would like to use two or three. The feeling was grass should be planted as soon as the site is turned over to the District and then go into further landscaping.

The Board decided that \$1273.00 as a minimum be set aside in the Building Fund for landscaping of the Primary

Building. Mr. Dickinson, engineer for the roadway connecting the new buildings with the existing ones, has recommended a power pole be moved for safety for the new roadway. There was considerable discussion about costs and feasibility. Since all other utility wires are underground on school property, it was felt this had the most merit.

The Board will have the pole in question removed and put the wiring underground unless the cost of putting the wire underground is over \$200 more than the cost of moving the pole. Should this be the case, action is to be referred to a special Board committee for decision.

If the engineering survey comes in before the next meeting, the bids are to be advertised and a special meeting will be set up to open them.

Bids were received from Frank Buchanan Sales and Bryant Motors.

Mr. Therrian of Buchanan Sales had a Gillig demonstrator in the parking lot for the Board to inspect. The Board recessed at 9:06 p.m. to reconvene at 9:20 p.m.

Alternatives were discussed by the Board if they had to

wait for 150 days for delivery of one model offered.

Executive session of the Board was called at 9:35 p.m. Mr. Johns was asked to stay. Meeting reopened at 9:55 p.m.

The Board decided to buy one 636-D-12 Gillig, 73 passenger school bus with 1160 Caterpillar engine, 225 HP diesel, demonstrator, for \$23,459.00 plus sales tax of \$1,172.95 from Buchanan Sales.

Mr. Therrien was instructed to come to the office in the morning for a Purchase Order on the new bus. Prices he quoted factory installed for brake drum shields, \$56; fog lights \$40; sanders \$200; hot start, \$95. The Board indicated that we could install those items which were necessary locally.

Mr. Johnson presented change orders for the Board's consideration plus a complete set of all site inspection reports to date.

Change Order G-5 was a negotiation worked out with the contractor by Mr. Slathar and Mr. Hitchcock for some sheet metal and gravel stops costing \$75. This is to be signed.

Bids for kitchen equipment were opened from Dohrmann Co., Northwest Hotel Supply, Inc., and Brodie Hotel Supply, Inc., the bid of Dohrmann

Co. for a total of \$20,186.00 was accepted.

Credentials of Mr. Stanley Sells were read by the Board. The Board approved the Contract for Mr. Sells for the position of Music Teacher for the 1970-71 school year.

Open House and Dedication of the Primary Building was considered by the Board. Many thoughts and ideas were presented by all. Refreshments are to be served. Representatives of all contractors, architect, and State of Washington are to be asked to attend if possible. Saturday afternoon, September 19, 1970 at 2 p.m. is the target date.

The chairman of the Board directed the Superintendent's officer to call for bids on propane gas, milk, tires, and bus servicing to be opened at the meeting August 20, 1970.

Statements of audit of Grade School accounts of Thomas K. Winsor, retired Grade School Principal, were presented to the Board. All accounts were accurate and accounted for.

Many ideas and thoughts were considered on what to name the new primary building. It was the consensus of the Board that the new building will be the Forks Primary Building.

# COUPLE WED IN GARDEN CEREMONY

MR. AND MRS. LARRY THOMAS

In a lovely garden wedding, July 11 at 2 p. m., Yvonne Clair Kettel, daughter of Mr. and Mrs. John Newman of Crescent City, California, became the bride of Laurence Olin Thomas, son of Mrs. Ruth Ann Leppell of Forks, and Laurence G. Thomas of Spokane.

The bride, given in marriage by Kyle and Kevin Kettel, wore a yellow chiffon and lace dress. Her corsage was a yellow orchid.

The ceremony was performed

by Rev. Ted Ringsmuth in the presence of a small family gathering.

The maid of honor was Mrs. Norman Bagby. She wore a pink knit ensemble with a rosebud corsage.

The best man was Kenneth Leppell from Puyallup. Organist was Julieann Baker. She played "More" and "Always".

The reception followed the ceremony. Coffee was poured by Mrs. John Leppell Sr., and tea was poured by Mrs. Ruth

Kirby, the bride's grandmother. The wedding cake was cut by Mrs. Arthur Schott. Punch was served by Mrs. Richard Dimmel. Presiding over the gift table was Toni Swan and Diane Purser, sisters of the bridegroom. The groom's cake was served by Elizabeth Ward, the bridegroom's younger sister.

Out-of-town guests were Mr. and Mrs. John Newman, Laurence G. Thomas, Mrs. Ruth Kirby, Charles Baker, Mr. and Mrs. Ed Ryan, Mrs. Sheryl Parks, Charles Todd, and Mr. and Mrs. Arthur Schott.

## JUDGE CELEBRATES BIRTHDAY

Judge Avery Holland was the guest of honor at a surprise birthday party Thursday evening.

The party honoring the "Judge" was attended by Mrs. Holland, Mr. and Mrs. Ken Woods, Mr. and Mrs. Dave Robinson, Mr. and Mrs. Jim Aggergard, Mr. and Mrs. Larry Barger and Mr. and Mrs. Jay Skewes, and was held at the Woods' home.

Refreshments of cake and ice cream reportedly were enjoyed by all.

## GOODWIN — Mc REYNOLDS VOWS EXCHANGED

MR. AND MRS. JOSEPH W. MC REYNOLDS

Angela Sue Goodwin, daughter of Mr. and Mrs. Robert Goodwin of Vancouver, Washington, and Joseph Wayne McReynolds, son of Mr. and Mrs. Joseph M. McReynolds of Forks, were married in Vancouver June 19th, in a simple ceremony with only close friends and relatives attending.

The bride, given in marriage by her father, wore a short empire waist gown of white lace. Her veil was shoulder length, fastened with a cap of white roses. She carried a bouquet of yellow roses and baby breath. Her attendant, Miss Mary Kay Engeln, wore a short gown of yellow satin with lace sleeves.

Best man was Steve Bunker, uncle of the groom.

The bride's mother wore a dark blue sheath dress. The mother of the groom wore a light blue A-line dress. Both mothers chose white accessories and had corsages of yellow rosebuds.

A smorgasbord supper was held after the wedding in the home of the bride's parents with about 130 guests attending.

The white and yellow three tiered wedding cake was cut and served by Mrs. Gail Hood and Mrs. David Groth. Linda McReynolds presided over the punch bowl. Mrs. Robert Woods took care of the guest book and Mrs. Robert Hill and daughter, Patty, had charge of the gifts.

Out-of-town guests were Mr. and Mrs. Doye Scoggins and daughter, Sheryl, of McCleary, Mr. and Mrs. David Beals and daughters, Cindy and Cheryl, Mrs. Vic Buren, and David Beals, Jr., Mr. and Mrs. Harvey McReynolds and daughters, Linda and Valerie of Seattle, Mr. Steve McReynolds and Miss Cindy Headley also of Seattle, Mr. and Mrs. Joseph Bunker of Forks, Steve Bunker of Forks, Mr. and Mrs. Robert

Woods and sons, Ron, Dan, John, and Andy, of Sumner and Mr. and Mrs. Ted Leach of Seattle.

For her going-away outfit, the bride wore her tunic length gown over matching lace slacks.

The young couple flew to Canada for their wedding trip and are now at home in Vancouver.

## TO TOUR HAWAII

Pastor Art Morlin and Darrell Beebe will leave August 4th for a 4-week tour of Canada and Hawaii as part of the Christ Ambassadors Youth Choir, Northwest District Assemblies of God.

The youth choir was formed seven years ago by ministers of the Assembly of God Church. At this time there are two choirs, one of these is taking the Hawaiian tour and the other is going to tour California and Oregon. Jerry Beebe, son of Mr. and Mrs. Bill Beebe, will be going with this choir.

Pastor Morlin has been with the group for 3 years and will go to Hawaii as a chaperon. His group will have 40 members. The group touring the Western United States will have 20 members.

## SEEKERS TOUR EXPO

Cruise members in front of East Gate, EXPO '70.

By Rob Tulloch

Japan was the second stop for forty-four West Coast college and young career people on the Seekers World Leadership-Study Tour--a ten-week, round the world trip designed to foster individual growth in leadership and understanding of the world's people and their problems.

After two-and-a-half glorious days of orientation and relaxation under the Hawaiian sun, we were plunged via 747 jet into a sea of unfamiliar faces and glossy black hair.

By the time we had bused into Tokyo, dined at a Japanese restaurant, and proceeded to our Japanese-style accommodations, this initial cultural shock had passed and the mood shifted to one of fascination as we began to understand and appreciate these people.

As with any group of American tourists, much of our time in Japan was spent seeing the major Buddhist temples and Shinto shrines. But we were not sightseeing for its own sake, but were constantly attempting to understand the role these major religions have played in shaping the culture and society of Japan.

This conscious effort to learn and understand was furthered in our meetings and interaction with Japanese students from the Christian Student Center in Tokyo, and with American and British missionaries who are intimately familiar with the Japanese people and are able to communicate their experiences to us.

It is an obvious fact that modern Japan is a highly industrialized nation, but the extensiveness of this became alive to us as we whizzed past factories set amid rice paddies on the 120 mph "Bullet Train" between Tokyo and Kyoto, and then toured one of Toyota's five huge automobile assembly plants near Nagoya.

Our last full day in Japan was spent at EXPO '70. Besides seeing as much as possible in our limited time, we were flattered and amused at the attention heaped upon us by the countless school children visiting EXPO. Apparently

they consider any foreigner a celebrity, as we were occasionally besieged for autographs.

Overall impressions of Japan could be many, but the one which will be remembered longest is that the Japanese people as a whole, are sincerely friendly, eager to serve, and more than happy to share their culture with anyone interested.

## NOTICE

WHEREAS, it appears that skunks are being offered for sale in the state of Washington which have been exposed to rabies and which may be rabid; and

WHEREAS, the state and local public health authorities are presently engaged in the investigation to locate the skunks which have been sold or are being offered for sale which may have been exposed to rabies and which could present a grave threat to the public health of the citizens of the state of Washington;

NOW THEREFORE, IT IS HEREBY ORDERED by the Assistant Secretary of the Department of Social and Health Services, Division of Health, pursuant to RCW 43.20.160 that effective immediately, no live skunks shall be disposed of or sold by any individual, put store, or other commercial establishment pending the outcome of the investigation by the public health authorities of this state.

DATES this 24th day of July, 1970.

## Tyee - Beaver - Sappho News

BY MRS. J. E. MERRITT

Mr. Leo Price has sold his property at Tyee to Mr. and Mrs. Wes Gooding, who are in the process of moving into it. Mr. Price moved on Monday of last week into his new trailer home, situated on a corner of the lot owned by his son, Sid Price in Forks. Mr. Price, Sr., will be missed by his Tyee neighbors, as he has lived in the community for over 38 years, all but the first two or three of them on the property bought by the Goodings.

Mr. and Mrs. Sander Swaling returned home on Sunday, July 19, from a week's trip to Mount Baker, and to Bellingham, Edmonds and Bremerton, visiting relatives and friends.

Mr. and Mrs. Henry Werner and son Aaron, arrived Wednesday and returned Thursday to their home in Seattle after an overnight visit with Mrs. Werner's parents, Mr. and Mrs. A.M. Nordman.

Mrs. Dale Dawkins was given a surprise party on Wednesday of last week for her birthday which was this past Monday. Present were: Mrs. Wes Gooding and daughter, Geraldine, Mrs. N.C. Gooding, Mrs. Gerald Gooding, Mrs. Elsie Browning, Mrs. A.M. Nordman and the guest of honor, Mrs. Dawkins, who received a nice assortment of birthday gifts. Unable to be present but sending gifts were Mmes, Ernest Thiele and Jim Nodell.

Mrs. L. R. Eaton attended a postmasters' conference on Thursday, July 23, held in Tacoma. She accompanied Mrs. John W. (Mary) Johnson, the Beaver postmaster, who had also the Chimacum and Hadlock postmasters with her. On their return trip home Mrs. Johnson and Mrs. Eaton stopped and visited Mrs. Margaret Merridith at Shangra Lai, the Merridith home at Shine.

Mr. and Mrs. Dean Hurn and family returned home Saturday after a three-weeks' camping trip. On the first week of the trip they, with Mrs. Hurn's brother-in-law and sister, Mr. and Mrs. Dick Boury and family, camped at O'Sullivan Lakes, near Moses Lake. That weekend they went to Concrete, Skagit County, and the Bourys returned home. The Hurns went to Baker Lake, then returned to Concrete where they spent the balance of the two weeks visiting relatives and friends.

Mr. and Mrs. Art Munson spent Sunday in Bellingham, visiting their son-in-law and daughter, Mr. and Mrs. Dale Pihlman. By the way, it was the Pihlmans who spent the Fourth of July weekend at the Munson home, not the Harvey R. Lesures of Roslyn, Kittitas County, as your correspondent had reported.

Mrs. Earl Grice from Seattle has been visiting her son, Raymond Grice and family for a few days.

Mrs. Margaret Spore and son Douglas of Port Orchard were dinner guests at the L.R. Eaton home Sunday. Mr. and Mrs. Roy Wilson of Seattle were callers at the Eaton home that afternoon.

Mr. and Mrs. Buck Johnson and young son spent a week of

FORKS FORUM, THURSDAY, JULY 30, 1970---PAGE 12

his recent vacation visiting relatives and friends.

Mrs. Earl Grice of Seattle, has been visiting her son Raymond and family for a few days.

Pamela Eaton, daughter of Mr. and Mrs. Richard Eaton of Seattle arrived on Wednesday of last week for a few days visit with her grandparents, Mr. and Mrs. L.R. Eaton. She returned home on Monday.

Mrs. Ida Prissel formerly of Sappho, but now living in Port Angeles, spent a few days with her son Arden Prissel and his family, while they were in the process of moving into their new home in Forks where they are now nicely settled.

Mr. and Mrs. Wilford Nault of Shelton were recent visitors at the Harry Edwards home east of Sappho.

## Stork shower honors

Misses Toni Grice and Geri Ann Leavitt were hostesses at a surprise baby shower for Mrs. Mike Grice at her home Saturday afternoon, July 18. Mrs. Raymond baked the pink and white cake shaped like a baby buggy. Sandwiches, punch, coffee, nuts, mints, and other candies were also served, after which Mrs. Grice opened the many lovely gifts she received.

Present were: Mrs. Earl Grice from Seattle, Mrs. Olga Hillstrom, Mmes. Kerry, Garth, Sharon and Geri Leavitt, Mrs. Raymond, Mrs. Howard Stockman, Mrs. Harry Edwards, the hostesses Misses Grice and Leavitt and the guest of honor, Mrs. Grice. A good

time has had by all.

On Monday, July 20, Mrs. Harry Edwards gave a baby shower for Mrs. Robert (Rosemary Cassell) Morgan at the Edwards home in Edwards Trailer Park, Bear Creek. Punch, cake, coffee and assorted nuts and mints were served to the guests, after which Mrs. Morgan opened the many useful and beautiful gifts for her baby daughter.

Those present were: Mrs. O.M. Tomlin, Mrs. Richard Kerschner and baby daughter, Mrs. Willard Morgan and daughter Connie, Mrs. Gene Hamby, Mrs. Jim Scarlett, Mrs. Charles Jennings, Mrs. Wayne Ray, Mrs. Ray Hull, Mrs. Loyd Johnston, Mrs. L.R. Eaton, Mrs. Kate Silves, Mrs. Ida Prissel, Mrs. Ed Cassell, Mrs. Floyd Bryson, the hostess, Mrs. Edwards and honor guest, Mrs. Morgan.

Mrs. George McCain, Mrs. Emily Baker and Mrs. Roy Queen sent gifts as they were unable to be present.

## SOCIAL SCENE

IVAN BURRS RETURN FROM 4-DAY TRIP

Mr. and Mrs. Ivan Burr and son, Alan, returned to their home on Sunday night, July 26th, after a four-day trip to Samish Island, Mount Vernon, Burlington, Bellingham, and Vancouver, B.C. They were accompanied on the trip by their daughter, Bonnie, and on Friday night returned with her to her apartment at Winslow on Bainbridge Island. On Saturday, the Burrs attended the Seafair activities in Seattle. Sunday afternoon they celebrated Bonnie's 21st birthday, a day early, with a picnic at Fay Bainbridge Park. Other relatives from Forks who attended were Bonnie's grandparents, Mr. and Mrs. E.L. Burr and uncle and aunt, Mr. and Mrs. Ray Burr, and Bonnie's brother, Terry. Also present was George Ronish from Forks and Mrs. A.L. Miller and Tom Selk from Everett.

Other relatives who were unable to attend, but sent gifts, were Bonnie's uncle and aunt, Mr. and Mrs. Emil Haugen and Norene Patrick, all of Forks, and grandparents, Mr. and Mrs. LeRoy Smith of Port Angeles.

## TAYLOR FILES FOR PROSECUTING ATTORNEY

S. BROOKE TAYLOR

S. Brooke Taylor was one of the first candidates who appeared on Monday at the Courthouse to file for the position of Prosecuting Attorney of Clallam County. His filing fee came to \$100.00.

Taylor, who received his law degree from the University of Virginia, is well-known in this county. He was born and raised in Port Angeles and attended schools here. He is per-

haps best known to the sport fans who remember Brooke as the quarter back of the Roughriders, the captain of the high school's basketball team, and the holder of varsity letters in three sports. However, his achievements were as outstanding on the scholastic side. Taylor graduated with honors in 1961, when he was the recipient of a Rayonier Foundation Scholarship. He was elected president of his class, graduation speaker and served as president of the Key Club. In 1956 he was chosen the outstanding Junior Citizen by the Port Angeles Jaycees. At Stanford University, where Brooke graduated with a degree in Political Science, he was elected president of his class of '65.

Taylor's roots run deep in this county in which he presently practices law. His great

grandfather Alfred Ware came to Port Angeles with the railroad in the 1890's to become one of the early pioneers. A.N. Taylor, Brooke's grandfather, became an educator and later County Superintendent of Schools in Clallam County. His parents, Stanley A. Taylor and his wife Dorothy, graduated both from Sequim High School and the University of Washing-

ton and made their home for many years in Port Angeles.

Brooke Taylor, upon returning to his hometown two years ago, served as the deputy prosecuting attorney, a position, from which he resigned earlier in the year to open his own law practice. He served as the 1969 U.G.N. chairman of the lawyer division of the Washington State Bar Association, and as the chairman of the Law Day for Clallam County in 1969. He is a member of the Port Angeles Kiwanis Club and the St. Andrews Episcopal Church.

Taylor's wife, the former Carol Ann Esses, is also a descendant of an Olympic Peninsula pioneer family. Her family pioneered in the Lake Quinalt area and is well-known as a logging family in Grays Harbor County. Brooke and Carol have two daughters, Gayla 3, and Leslie almost one month old.

Taylor said he would announce the appointment of his campaign chairman during the coming week. "Many persons who served on the 'Draft Brooke Taylor Committee' and who, in fact, raised my filing fee, volunteered their help in the campaign," Taylor said, Taylor filed as a Republican.

## COLLINS ANNOUNCES CANDIDACY

"Clallam County needs a new Prosecuting Attorney," Morgan Collins, a Port Angeles lawyer, told a group of his supporters Wednesday night, announcing his candidacy for the office of Prosecuting Attorney. He will file as a Democrat.

"Being chief legal officer of Clallam County is full time work," he continued. "A salary of \$10,000 per year is more than most hard working men earn. Prosecuting criminal cases and advising the civil county government on legal matters cannot be considered a part time job."

"I believe the people of Clallam County are deeply concerned about the problem of drug abuse--particularly among young people of school age. The Prosecuting Attorney should co-operate closely with the Clallam County Sheriff's office in their fine efforts to stamp out drug abuse. Pushers of drugs are not wanted here."

"The Prosecuting Attorney should also co-operate with and advise fully the County Commissioners, School Boards of Directors and other governmental units as they chart the future of Clallam County."

Mr. Collins is in private law practice in Port Angeles. He has lived most of his life in Michigan where he was active in the Democratic Party. He is a graduate of Wayne State University Law School in Detroit and he came to Port Angeles one year ago. His wife, Constance, is a Counselor at Port Angeles High School. The couple have four young children.

"It won't be easy to win this office; but Clallam County deserves hard working and dedicated full time public

officials. I will need and will welcome all the help I can get from people who believe, as I do, in Clallam County's future." Mr. Collins concluded.

## MORMON DAY CELEBRATED

Saturday forty-three attended the "Mormon Day" potluck dinner held at the home of Mr. and Mrs. Johnny Jones for the L.D.S. Church, Forks branch. Those attending were: Mr. and Mrs. John Perry and son, Elder Jim Blake, Mr. and Mrs. Hartley Berg and boys, Rita Cooper, Mr. and Mrs. Don Gentry and family, Mr. Willis Bryson and family, Margot West, Patty Moore, Donnie Meng, Elder Clark and Elder Roseberg (LaPush missionaries), Mr. and Mrs. Johnny Jones and family, Mr. and Mrs. Hugh Preston and family.

An interesting talk was given by Vonda Jones concerning her ancestors in the L.D.S. church. Entertainment was provided and church hymns sung. Elder Johnny Jones and wife Vonda were the host and hostess.

## MECHALS TO OPPOSE SAVAGE

CHARLES F. MECHALS

It is expected that Charles Savage will meet his roughest opposition in many years, when faced by Charles F. Mechals, for the House of Representatives, Position No. 2 this coming September 15.

Mr. Mechals moved into the district from Seattle where he was manager of the Bay Fish Exchange.

He resigned that position after 13 years to take a similar job with Butts & Pattison at LaPush, a branch of the New England Fish Company. Mechals has a long list of

credentials in the natural resources field. He has served on many coast-wide, federal and international fisheries commissions and committees. "These appointments are closely related to all natural resources of this district and the actions taken is typical of the decisions facing the legislators," Mechals added.

He has been chairman lobbyist for the Northwest Fisheries Legislative Committee, advisor to the International Salmon Commission of the U.S. and Canada, was selected by the U.S. State Department to work on the 12-mile limit negotiations and was appointed by Governor Dan Evans to the Governor's Advisory Committee on Fisheries.

He's been a member of the Ad-Hoc Surveillance Committee, a U.S. bureau of commercial fisheries group having to do with foreign fleets off U.S. shores and is on the Pacific Marine Fisheries Commission and the Division of Marine Resources, University of Washington Fisheries Services Commission.

"In the field of fisheries alone we have a great many problems," Mechals said. I would like to see a greatly improved propagation program to enhance both the sport and com-

mercial fishing, as well as greater emphasis toward better fisheries management."

"This district is rich in natural resources," Mechals said, "but we have no one on the all important natural resources committee, at this time."

Mechals is almost a lifetime resident of the state, and was born in Chinook. He is a member of the Eagles and Elks Lodges, and is also a member of the Grange.

## STATE TO SELL TIMBER

The State of Washington's Department of Natural Resources will offer more than 67 million board feet of timber, appraised at over \$2.5 million for sale in August. The Board of Natural Resources approved the sale July 7.

Bert L. Cole, Commissioner of Public Lands reported that the timber, appraised at \$2, - 588, 645, is located in eight counties. Eighteen parcels of timber are being offered for sale.

The sale containing the largest volume of timber and the most valuable offering is the Whiten Creek Sale located in Cowlitz County. It contains 8, 8 million board feet of timber appraised at \$603, 580.

Timber to be sold in the August sale is located in Clallam, Cowlitz, Jefferson, Klickitat, Okanogan, Pacific, Stevens, and Wahkiakum counties. CLALLAM COUNTY:

Wessler Ranch #2 Sale-2, 1 million board feet, appraised at \$43, 620, located about 18 miles southwest of Clallam Bay, to be sold August 25 at Forks District office.

Benchmark Sale-4, 7 million board feet, appraised at \$152, - 550, located about 11 miles south of Forks, to be sold August 25 at Forks District office.

0-2000 Leave Sale-3, 4 million board feet, appraised at \$88, 580, located about 66 miles north of Hoquiam, to be sold August 25 at Forks District office.

University 40's Sale-6, 8 million board feet, appraised at \$259, 420, located about 8 miles southwest of Forks, to be sold August 25 at Forks District office.

Bull Ridge #3 Sale-5, 8 million board feet, appraised at \$141, 225, located about 32 miles southeast of Forks, to be sold August 25 at Forks District office.

Winfield Leave Sale-8, 6 million board feet, appraised at \$337, 510, located about 18 miles southeast of Forks, to be sold August 25 at Forks District office.

Salmon River 36 Sale-5, 4 million board feet, appraised at \$173, 220, located about 56 miles south of Forks, to be sold August 25 at Forks District office.

## SAVAGE TO SEEK RE-ELECTION

CHARLES SAVAGE

Charles Savage of Shelton announced this week that he will be a candidate for re-election to the office of State Representative. He is a member of the following Committees in the House of Representatives: Appropriations; Labor and Employment Security; State Government and Legislative Procedures. He has, in past sessions, served as Chairman of five different standing committees. Altogether he has been a member of 17 different regular committees of the House.

Representative Savage is also a member of the Joint Committee on Nuclear Energy, an interim committee, which does studies and works on problems of Nuclear Energy and makes recommendations to the House and Senate on necessary legislation.

In 1966 Savage received an Award for "Extraordinary Service to Higher Education." He was a member of the Advisory Council on Public Higher Education at the time it made the studies and recommended a new four year college be built near Olympia. Early in his legislative career Savage began working toward changing some of the laws to make it possible to establish a state wide system of community colleges.

It was in 1938 that Charles first ran for State Representative. His first campaign speech was made here in Forks on May 22 that year.

## WHAT HAPPENED IN EDEN?

Monday, August 3, at 8:00 p.m., the Congregational Church will present a continuing tape recording by Paul Tillich, entitled "What Happened in the Garden of Eden". This tape is part of the Adventure in Dialogue series conducted by the church.

## LAURITA LEIBOLD ENGLE AWARDED DEGREE

Seven hundred and forty-two have been presented degrees at Seattle University's 1970 commencement.

Bachelor's degrees went to 625 graduating seniors and master's degrees to 177 graduate students.

Laurita Engle, daughter of Dr. and Mrs. E. F. Leibold, Route 1, Box 6, Forks, was awarded a bachelor of science degree in nursing. She and her husband William, are presently living in Seattle.

## Cape Flattery to submit levy

The Cape Flattery School Board met July 13 at the Neah Bay School library.

A letter was presented by Glen Willison from Michael Miller, announcing his resignation. Verbal resignation was also received from Mr. and Mrs. Phillip Goheen. The resignations were accepted.

The Board was asked for suggestions on topics to be discussed at the State School Directors meeting to be held in December. The Board discussed at length, the rulings on problems of schools, small school curriculum for jobs within the area.

A report was presented by the Citizen's Advisory Committee recommending a bond issue be submitted to the voters on September 15, 1970, to raise money for building.

The Board heard the second reading of the policy to increase vacation time for non-certified personnel to three weeks after 10 years of service, for full-time employees. The policy was accepted by the Board.

The Board discussed the applications for replacement for Director District No. 4. Kenneth Sadilek was recommended to the Intermediate District Superintendent.

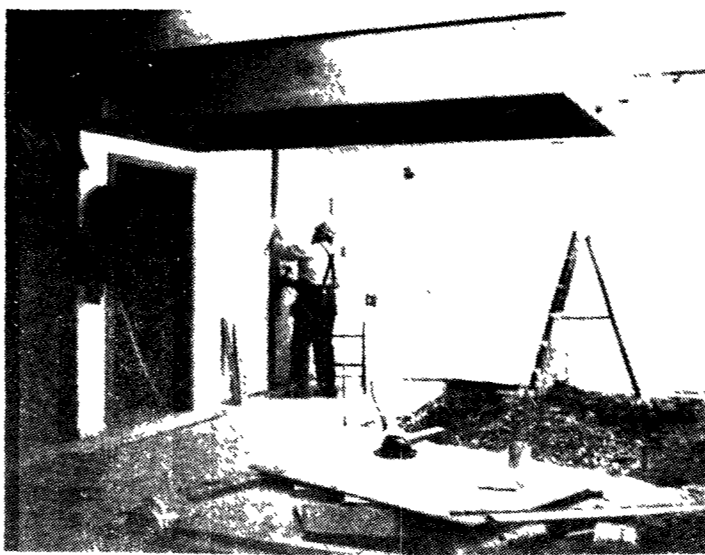

Claudia Norris was hired as Clallam Bay first grade teacher and Julie McCalib was hired as Clallam Bay Home-Ec., Jr.-High language arts teacher.

Applications are being sought for the Neah Bay principal's position and the Neah Bay remedial reading position left open by the Goheen's resignations.

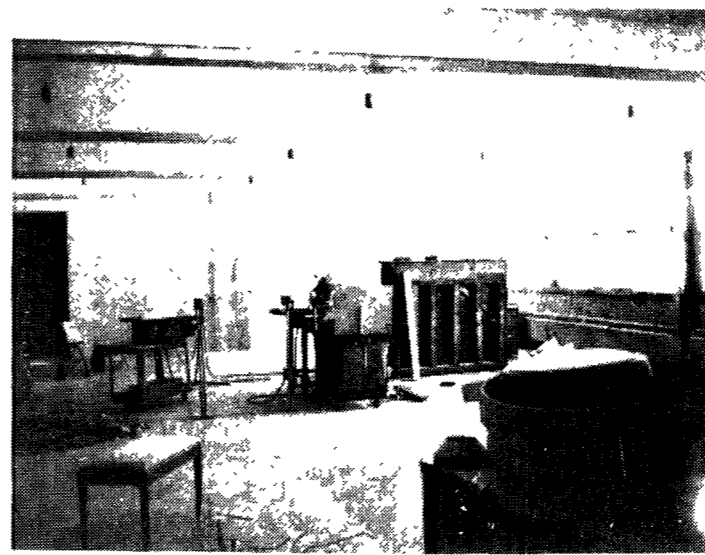

The Board approved submitting a 10-year bond issue for \$980, 000.00 to the voters on September 15, 1970. An advisory meeting was held July 22 at Neah Bay to make plans for informing the voters in the district of the building needs and the bond issue.

The next meeting will be August 10, 7:30 p.m., in the Clallam Bay Home Ec. room.

## WORK ON SCHOOL CONTINUES

Bruno Sarnowski puts the finishing touches on the south wall of the kitchen addition.

From the area of the old classrooms one can see that there will be much more room for the library.

Since the passage of the school levy, work has progressed very rapidly on the proposed improvements.

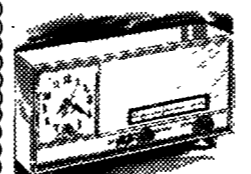

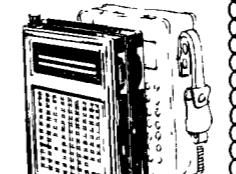

At this time the special education wing in the annex has been completed and is ready for the equipment.

The work in the kitchen for the elementary school is nearing completion. The partitions have been removed and the kitchen area enlarged by 12 to 14 feet. The north wall of the kitchen has been removed to

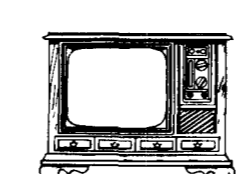

make room for walk-in coolers and an additional serving window. The wiring is expected to be completed in about 2 weeks.

Adjoining the kitchen is the new library, the workmen have removed one wall between existing classrooms and enlarged the library. Some of the shelves are in and work continues in that area. The new walls are sheetrock and have to be taped and painted. The work on the floor has almost been completed.

PHONE 374-5564

## HOSPITAL RECEIVES NEW AMBULANCE

Nansen Anderson, a member of the original hospital board from Jefferson County, presents the keys to the new ambulance purchased for the Forks Hospital to Dr. Robert Baker, a member of the Board of Commissioners for the Hospital District. Jefferson County, although it does not pay taxes to the hospital district, does contribute in many ways, one of which is to buy ambulances and other equipment. The ambulance, equipped to carry four stretchers, has the most up to date equipment available, including the very latest in emergency equipment including suction, interventional equipment and oxygen. . . . supplied by continuous pressure provided by the motor of the ambulance. The cost was \$9, 576, 75.

One of the other ambulances given to the hospital by the Jefferson County Board will be sent to Clallam Bay to replace the one they have now.

## STUMPAGE PRICES TUMBLE

"Stumpage prices tumbled from the high of a year ago," announced E. C. Gockereil, North Olympic Area Supervisor for the Department of Natural Resources.

The Forks district sold 384, 670, 000 bd. ft. of State timber for \$20, 460, 000 during fiscal year 1970 ending July 1. Average stumpage was \$53. 19 per thousand board feet. This is down over \$20 from the record high of \$74. 24 per thousand received the previous fiscal year.

"We sold over 110, 000, 0000 bd. ft. more timber this fiscal year but received only the same amount of money as the previous year", added Gockereil. "The slump in the domestic market had a big effect on bid prices. Log export demand remains steady".

Over 100 miles of road must be constructed as a condition of the timber sales contracts. This road construction will be a permanent capitol asset to the land with a value of \$2, 350, 000.

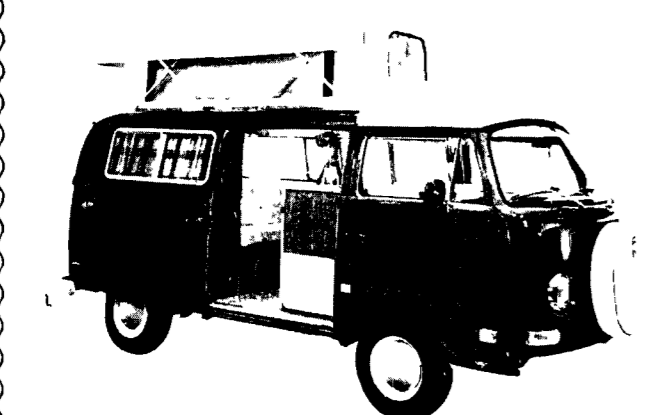

Eighty-one percent of the timber sold - 313, 000, 000 bd. ft. - was hemlock and silver fir; thirty-one percent was cedar - 51, 000, 000 bd. ft., and the remaining 20, 000, 000 bd. ft. was Sitka Spruce and Douglas Fir.

"The terms of the timber sales contracts have become tougher", said Gockereil. "as we have added restrictions to building road in the winter time. We must protect streams and rivers from excessive siltation for the protection of fish and water quality. We leave strips of timber along all major streams and do not permit logging into or across such streams. Our primary responsibility is to manage the lands for the greatest long term benefit to the State. the counties and for the support of our schools. Maximum income is our objective but it must be consistent with good, sound forest land management."

Smokey Says:

# LEGAL NOTICES

**NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$2,000.00**  
 Commissioner of Public Lands  
 Publish Thursday, July 30, 1970  
 in the Forks Forum.

Notice is hereby given that on Monday the 10th day of August, 1970, commencing at ten o'clock in the forenoon, at the Forks District Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

**LEGAL DESCRIPTION:** The sale is composed of all trees marked with blue paint comprising approximately 5,000 board feet of cedar on parts of the following: NE $\frac{1}{4}$  NE $\frac{1}{4}$  of Sec. 20 Twp. 27 N., Rge. 12 W, W.M. Jefferson County, Washington.

**CASH SALE**  
 Forest products will be sold on a cash basis.  
 Minimum acceptable bid will be \$75.00.

On or before August 10, 1970, at 10:00 a.m., each bidder must make a minimum deposit of \$75.00 in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraised price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidders. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 bill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

Any sale which has been offered, and for which no bids are received shall not be reoffered until it has been readvertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a.m. and four o'clock p.m.

The State of Washington does not guarantee its published cruises of the herein described forest products, and the purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published cruises.

Forest products must be removed prior to November 30, 1970.

Located approximately 11 miles by road south of Forks. Accessibility Via Department of Natural Resources Access. A copy of the forest products bill of sale contract is posted at the Forks District Headquarters office.

## ADVENTIST ATTEND CONFERENCE

The 46th annual Washington Camp Meeting of Seventh-day Adventists ended Saturday evening, July 25. The miniature city, set up on the Auburn Academy campus, consisted of one thousand campers, trailers, and tents.

During the ten day camp meeting, Seventh-day Adventists re-dedicated themselves to being better community servants while at the same time becoming more meaningful Christian witnesses.

The 1970 camp meeting was the largest ever held on the Auburn Academy grounds. Well over 7,000 persons attended the camp meeting over the weekends.

Dr. H.M.S. Richards, speaker for the "Voice of Prophecy" radio broadcast, delivered the final address.

The Washington Conference camp meeting is one of the few remaining old-style camp meetings still occurring on a regular basis in this country. Camp meetings of this type played a large part in the American scene between 1850 and 1920.

By Rev. Ted Ringsmuth

**THE PURSUIT OF HAPPINESS**

Our Declaration of Independence says: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness."

Of course pursuit, whether of fish or elk or money or a mate, is no guarantee of success. There are a lot of ways to chase happiness and some are quite expensive and some make tomorrow hard to face.

Many wise philosophers and men of religion, representing many cultures and faiths, have suggested that this elusive thing called happiness cannot be pursued directly with any degree of success. The secret, they say, is to make

someone else happy first. Well, since other methods haven't worked to well it might be worth trying.

Why not try an experiment this week. Try it on your family, neighbors, at work or at play. Think carefully about how you will make certain people happy. Make a game of it. Work out a strategy. And then put your idea into action with sincere enthusiasm. The results may be surprising.

One day Jesus was explaining the purpose of his coming. He said: "I am come that my joy might be in you and that your joy might be full". He also said, "It is more blessed to give than to receive". We all know this is true at Christmas time when we give gifts to those we love. Too bad we forget so soon.

**Happy day!**

Money in the mailbox! But does it have to be money? How about a letter from someone who loves you? Or four tickets to the next World Series? Or an invitation from good friends to dinner?

And surely, good things don't have to come by mail. They could come in kind words from a friend. Or in your boss saying, "I'm giving you a raise." Or as an "A" grade on a carefully-researched term paper.

But what is the "best" happiness? Where can we find it?

The best happiness is a letter from God, saying that His Son is your invitation to His Kingdom. Where can you find this letter? In the Bible and in church this Sunday and every Sunday.

**Sunset Highlites**

By Fred Jarvis

**OUTDOOR LORE**

By Lonnie Archibald

Mother and Juanite went out tonite to replenish our dwindling supply of wild blackberries while Pops was at the bowling alley. Going to have our other girls and Mother's sister here in a couple weeks, so that means blackberry pies. Hot dog! Makes me drool, just thinking about it.

New bowling format going on now. A No-Tap Tournament every Friday night at 8:00. Knock down nine pins or better and it counts as a strike. Handicap bowlers, this is just your dish. Some real good shooting last Friday. Ves Sexton took first place with a 658-763, Jean Streeter ?? was second with a 606-707, and George Richardson hit a big 287 game on his way to a 681 and third place. Come on down and try it. Lots of fun and not too costly to enter.

Chuck Hamby had the T.V. shot at Saturday Nite Monte Carlo and missed. The cool weather brought out a pretty good crowd, the most we've had in quite a while.

Reta O'Keefe came within a whisker of picking off the Jackpot, then turned around and bowled a whopping 250 game.

As the fall leagues draw closer, more and more folks are coming down to get in some practice. Good idea. Practice won't make perfect at this game, but it will improve the average. (Sometimes!)

The Summer Singles house eliminations for Laurel Lanes this weekend didn't have too many entries. Must have been the hot weather last week. This week was much better with probably four and maybe five entrants qualifying. Darrell had a 670, Duke a 661, with John Nagel and Ed Rondeau a few pins back. Ol' Dad made it last week. Leta Rondeau and Reta O'Keefe qualified for the women.

Watched little Norita Laswell bowl a 97 and a 78 tonite. Real good for her age.

Got the prize list for the All-Coast Tournament. Bob's Texaco women's team finished in 20th place in their division. Duke and I made a few bucks, fourth place in the team event, seventh place in early entry, and we paired up for 30th place in the 170 and over doubles. Teamed up with a guy from Idaho, and cashed ninth in the 170 and under doubles, and placed 118th in the singles. Got our money back, and that's pretty hard to do.

Got blasted again in Beat the Pros. Only ones we beat were Mother and Reta. Better luck next times, girls.

**VFW PICNIC SUNDAY**

Forks VFW Post 9106 will hold its annual picnic August 2, 1970 at the Lake Pleasant camp-grounds. There will be games and fun for all.

**SUNSET LANES**  
**RED HEADPIN PLAY**  
ANY TIME THERE IS NO LEAGUE PLAY

Now is the time to start thinking about league play, starting right after Labor Day.

**BEAT THE PROS**

BEAT THE PROS, GUARANTEED PRIZES IN AUGUST FOR FINALS  
1ST PLACE PAYS \$100.  
2ND PLACE PAYS \$75.  
3RD PLACE PAYS \$50.

**LEGAL NOTICE**

LEGAL NOTICE

A special meeting of the Board of Directors of Quillayute Valley School District No. 402 Forks, Washington, will be held in the Science room of the High School, August 6, 1970 at 7:30 p.m. for the purpose of opening sealed bids on electrical installation for kitchen equipment of Forks Schools per specifications obtained from the Superintendent's office.

The Board reserves the right to accept or reject any and/or all bids.
