

Congregational church news

The most important program at the church this week is the annual harvest dinner. The time is 5:30 to 7:30 p. m. and there will also be entertainment every half hour. Performers will be the Rain Beats and the Girls and Guitars.

The menu consists of Alaska style baked salmon, rolled roast beef, turkey and dressing, potatoes and gravy, sweet potatoes, green beans, buttered carrots, tossed salad, molded salads, homemade bread, and pies. The price is adults: \$2, children, 6 to 12, \$1, and children under six, 50¢.

The Women's General Fellowship meets on Thursday, November 12 at the Fellowship Hall at 12:30 with a dessert-salad luncheon.

The last program on Channel 5 concerning the Quality of Life will be this Sunday at 6:30 and it is entitled "Politics and Chan_e".

The sermon for next Sunday, November 15th, will be "Guidelines from Our Heritage".

Scissors & Cups 4-H Meeting

The first meeting of the Scissors and Cups 4-H club was held October 27, at the home of Mrs. Betty Blakley. Officers for the coming year were elected. They are Lynn Stair, president; Lori Leavitt, vice-president; Raewyn Maxfield, secretary; Cheryl Leavitt, treasurer; Angie Gray, reporter; Lorri Smith, program chairman; Alice Blakley, refreshment chairman. Enrollment cards were filled out and refreshments were served by Alice Blakley.

You can become the possessor of an American flag that has been flown over the U.S. Capitol. According to The Elks Magazine, "All you have to do is write to your congressman for this favor, enclosing \$3.15 for a 3 x 5 flag, or \$6.00 for a 5 x 8". Congressmen report a growing demand from persons who have learned about this.

RIALTO BEACH... BY LONNIE ARCHIBALD

Conservative Liberal Debate

"This meeting has been arranged to try and promote better understanding between the so-called longhairs and the John Birch Society," said Lawrence Soderlind, president of the West End Demo Club. This meeting was held November 5, at the VFW Hall.

The members of the panel for the discussion were Bob Borgensberger, a co-ordinator for the Birch Society, Merle Watson, and Morgan Collins. The members of the panel each gave a summary of their beliefs and ideas.

Merle Watson said that although he was speaking for the more liberal attitudes held by some that did not mean he was against the Birch Society. He said they do a service to the people by educating them against the evils of communism. Watson said he felt the "hippies" are searching for reality and truth. He said they could not find it in physical attributes or things but they must look to God. He related experiences he had had talking with the hippies, he said they had told him they had met God face to face while on a LSD trip. Watson said in their search for reality and truth they do many things we, the Establishment,

do not agree with. The comparison of the hippies living together without being married was compared to the Establishment morals, the divorce and remarriage and the growing incidence of extra-marital relations among married people. Watson said the hippies are looking for reality and truth in politics, they cannot find them. He said when we vote we really pick only the lesser of two evils. He said look at the church and the parents of today, where do you find reality and truth, not in either of those categories. In summation Watson said they hypocrisy terms up why we have the problems of today. He said John 14-6 says, "I am the Way the Truth and the Life..." This is the only answer.

Lawrence Soderlind was asked by Robert Hall, why the hippies had someone to speak for them, he said he would like to hear them speak for themselves.

A Mr. Loden, said he would speak. He said he agreed with Watson, hypocrisy is in the world and we are all hypocrites. He said it would behave all of us to listen open mindedly to both sides. Loden said there is an element among the

Homecoming Queen Chosen

The crowning of Darlene Dawkins, Homecoming Queen, ended a week of activities at Forks High School. Miss Dawkins' escort for the evening was Larry Gaydeski. The senior princess was Linda Shirley, her escort was Don Hutt. Linda Johnson was junior princess, her escort was Buck Merrick.

Karen Gaydeski was crowned sophomore princess, her escort was John Soderlind. Freshman princess was Marion Micheau escorted by Mark Hitchcock.

There were several activities to generate excitement during the week. Tuesday was Bermuda

Day, everyone wore Bermuda shorts to school. Wednesday was no talk day, if any student talked, except to answer a question from a teacher, they would be penalized 5¢. Each student tried to get another to speak to him, therefore he would collect the fine. Thursday was Clash Day, and some of the outfits did definitely clash. Friday was Turn-on Day. Each boy carried a light bulb and if the girls could get a boy to talk to them, he had to surrender his light bulb. Rhonda LaCosse collected the most light bulbs.

Cow Elk Shot

State Wildlife Agent Jim Aggergaard reported that several cow elk have been shot over the weekend. By sportsmen?

He said the secret to ending the "con job" is education.

Borgensberger said in conclusion, we must not trust our government, for they have too much power and we must not trust the newsmedia for they always present the news to the advantage of those who would benefit by it, for instance the Chicago riots, led by Jerry Rubin. He said we must beware there are those who are trying to enslave us.

A lengthy question and answer period followed with heated discussions at times between the "hippies" and the Establishment.

Atlas Trucking Sold

Atlas Trucking Company of Port Angeles, has been sold to Don Rhyne and Glen Priest. The company was formerly owned by the late Al Rhyne and Mrs. Rhyne. Mrs. Rhyne plans to make her home in Seattle where Craig and Denise attend college.

EDITORIAL . . .

By Nedra Reed

It was refreshing and at times startling to hear a debate between the so-called "hippies" and the John Birch Society, the other night, a debate that narrowed down to a confrontation with words between the hippie and the Establishment.

A meeting, arranged to promote better understanding, did nothing, but promote better understanding. We hear the hippie morals compared with the morals accepted by the Establishment. The hippies politics compared with the conservative element present and a few tempers flared.

In the end with all things considered the liberals and the conservatives agreed on one thing, the news media is corrupting the country. You cannot trust the evening news on TV or the radio, you can't even trust your newspaper. They all are elements of spreading propaganda throughout the country.

Admittedly some forms of the media have been used to the advantage of a minority but to say the media is responsible for all the trouble, in a word, ridiculous.

It is the job held in the highest tradition of most newspapers to seek out the news and print it. This has been the desire and at times the awesome responsibility of many people over the years, from the first newspaper in the West to the first radio station in the far reaches of Alaska. It is a job I enjoy doing and hope to continue to do so, and my friend, if you think the Forum is polluting your atmosphere, and dangerously influencing your thinking, please let us know.

REST AREA PLANNED

The Department of Highway is planning a rest area on State Route 101, between Amanda Park and Queets. The improvement will be located in the Olympic National Forest in Section 15 Township 23 North Range 10 West, W.M., just southerly of Prairie Creek. The rest area will be adapted into the natural setting of the location and provide the least possible damage to the natural amenities of the surrounding area.

Development of the facility

will include constructing access roads, parking areas, and rest area buildings. Water will be supplied by a planned well and septic facilities will be provided for sanitary disposal. Widening and channelization of SR 101 at the rest area entrance will also be included in the project. No limited access control or fencing is contemplated as the National Forest area will provide control from commercial development and encroachment from adjacent properties.

Gun Control ?& Answers

Since the Gun Control Act of 1968 went into effect, sportsmen have been confused about the requirements for transporting and buying firearms out-of-State. Purchasing ammunition and shipping guns. To help explain and clarify the act, the Chief, Enforcement Branch of the Alcohol, Tobacco and Firearms Division of the Internal Revenue Service, Western Region, answers these questions most often asked by sportsmen.

Q. Can sportsmen on an out-of-State hunting trip carry his rifles and shotguns with him?

A. The hunter will not encounter any problem in transporting his firearms across State lines. However, the Gun Control Act of 1968 prohibits convicted felons, fugitives from justice, persons under indictment for felony, mental incompetents, and unlawful users of narcotics from possessing or transporting firearms across State lines.

Q. May a hunter who is not licensed under the Gun Control Act of 1968 purchase ammunition while on an out-of-State hunting trip?

A. Yes, such a person may purchase ammunition provided

LEGAL NOTICE

WASHINGTON STATE DEPARTMENT OF HIGHWAYS NOTICE OF OPPORTUNITY FOR PUBLIC HEARING

The Department of Highways is planning a rest area improvement on State Route 101 between Amanda Park and Queets. This improvement will consist of constructing a rest area including rest area roads and parking areas with complete rest room and picnic facilities to be located approximately 2.3 miles northerly of Amanda Park at Highway milepost 129, 12.

Should any interested person wish to discuss and exchange information concerning this improvement or inspect maps, drawings, and other pertinent data, they may contact the District Location Engineer at the Office of the District Engineer, 5720 Capitol Boulevard, Tumwater, Washington, telephone 753-7258, or the Project Engineer at his office located at 4801 Olympic Highway, Aberdeen, Washington, telephone 532-7830.

Should such interested person feel there may be items unresolved by an exchange of information and believe these matters can be resolved only by a public hearing, then he may request such a hearing by writing to the District Engineer, Washington State Department of Highways, P.O. Box 327, Olympia, Washington 98501, before November 27, 1970. In the event that requests for a public hearing are made,

notification of the hearing date will be furnished and separate notice of public hearing will be published in ample time for interested parties to arrange to attend.

It is the purpose of this notice to provide interested persons the opportunity to participate in the fullest exchange of information possible regarding the effect on the community of the project being considered, through full discussion and examination of the planning of date. This purpose is in conformance with and pursuant to the Federal-Aid Highway Act (Title 23 U.S.C. 101 et seq., 128) and amendments thereto and the Department of Transportation Act (Title 49 U.S.C. 1651, 1657 (e)).

Sunset Highlites

By Fred Jarvis

Laid off the elk hunting last weekend and went to Port Townsend instead to bowl in the Olympic Traveling League. Should have stayed home. Bowled like the game hadn't even been invented yet.

Duke hit a 224-586 and Darrell had a 214-603 to lead our Clark's Vagabond team.

Kathy Decker topped Tuesday Afternoon with 178-463 and Betty Bonds picked off the 6-7-10 split. Which ain't easy.

Darrell threw a 226 hi 10 and tied with Duke at 589 for the best shooting in the Sunset League.

Sally Nagel hit 176-482 and converted the 4-5 split for the Powder Puffs, while Avanel Baker picked up the 5-10, 4-5-7, and the 6-7-10, Fern Johnson the 7-8 and June James the 5-10. Nice shooting, girls.

Joanne Hjelmeseth shot a 197-535, top effort for the Hoot Owls, and Delores McNamara, a beginner bowler with a 97 average threw a 145 game.

Thursday Beginners were led by Pat Brooks' 169-421 and Karen Malcom's 123-307. Wilma Engeseth basted the captains with 177-508.

Leta Rondeau in Women's Thursday Nite League with a big 203-571 and sister Rita O'Keefe with a 530. Jean Streeter hit 197 and picked up the 5-10, Marilea Coats the 2-7-10 and Rochelle Dimmel the 4-5-7.

Duke had a 232-550 for the West Enders and again in Friday Nite Mixed with 201-545. Mother had 165 and Jean a 473.

Chuck Hamby hit big in the Sunday Nite Mixed as he banded out a 231-620. Billie Crist at 173, Woody Hamby with a 128 average, also hit 173, and Leta Rondeau had 483. There was also a big 876 team game and a 2438 series.

Joe Cerami, professional bowler, trick shot artist, and qualified instructor was here last Tuesday nite demonstrating his trick shots and giving instructions and help to those who stayed after league play. He'll be back, Sunday December 6th and will be conducting a free bowling clinic from 1:00 to 6:00 p. m. If you need help as much as I do, better come on down, he's real good.

Ernie Wittenborn must have bowled pretty close to his weight in this week's Forks Prairie League, hitting a whopping 236 and ending up with a 579 series. Ed Dun-can rolled the high series of the nite, a 586. Welcome back, fellas.

Bowlers of the week: Leta Rondeau 203-571, Ernie Wittenborn 236, Chuck Hamby 620.

SPARTANS BLAST

BAINBRIDGE

The Forks Spartans finally put it all together as they completely took the Bainbridge Spartans apart, 27 to 0 and in doing so escaped the Olympic League "A" cellar. So complete was the Spartans combination of the game that Bainbridge could only muster at total offense of 51 yards for the game and never penetrated Forks' 30-yard line.

Forks set the stage for the game with the opening kick-off, as they drove 67 yards in 14 plays using six and one-half minutes of the first quar-

ter for the touchdown. The Spartan touchdown came on a fourth and goal situation from the 18-yard line. Don Hutt, from a shotgun formation found tackle Larry Gaydeski open with a pass and Gaydeski took it in from there. Gaydeski, who played his final football games as a Spartan had himself quite an evening as he scored two touchdowns, a two point conversion and played a key roll in putting the stoppers on the Bainbridge team.

Forks got their first break of the game after the kick-off-

Bainbridge on their first offensive play fumbled and Chuck Rondeau was another player who had an outstanding night.

After the fumble recovery Don Hutt directed his team the 31 yards and with 50 seconds left in the first quarter sent John Dahlgren in for the touch-down from the one-yard line.

Gaydeski came up with his second touchdown of the evening with 10:24 left in the second quarter with Bainbridge perched on the Forks 46-yard line Gaydeski broke through from his defensive end spot, scooped up a Bainbridge fumble and rambled 54 yards for the touchdown. Bruce Allen then made the score 19 to 0 with point after touchdown kick.

The Forks Spartans did things right last Friday. They blocked, tackled, and hustled as they racked up 15 first downs and 218 yards in total offense. Bruce Allen, John Dahlgren, Doug Holz, and that fellow named Gaydeski, were truly outstanding with their block and just all-around good offensive playing.

Defensively the Spartans were just as effective as Chet Hunt, Gaydeski, Chuck Rondeau, Reg Shawgo, Doug Holz, Curtis Maxfield, and John Dahlgren as they put the stops on the Bainbridge offense.

Darrel Beebe for the call for the final Spartan touchdown in the fourth quarter from the one-yard line. Don Hutt teamed up with Gaydeski to get the final two points with the points after touchdown.

The Spartans have now finished their season with a 2-6-1 record and will now look forward to defending their Olympic League basketball crown.

This writer's All-Olympic League selections: QB, Greg Planchich, Vashon; HB, Darrel Beebe, Forks; FB, George Sutherland, Port Townsend; WB, Mike Bez, Bainbridge; Ends, Pete Greenleaf, Lakeside and Bob VanDevanter, Vashon; Tackles, Mike Joy, Port Townsend and Larry Gaydeski, Forks; Guards, Mike Hegans, North Mason and Joe White, Sequim, and Center, Jeff Bills, Sequim.

A major pharmaceutical company will soon be selling a computer system that doctors could use for quick diagnosis of kids' ailments, reports the Public Service Company of Colorado. The doctor would simply telephone the computer from office or hospital, list the symptoms by code number, and in a flash the computer would report back what the problem is. Just to help out, the computer will also alert the physicians to other symptoms to look for. But, it won't take temperatures, prescribe medicine or reassure anxious mothers.

Kitchen go-togethers

Where the stove and refrigerator are... that's where a phone should be. Why? Ever seen what happens to chili or spaghetti sauce when it doesn't get stirred, because the cook is in another room talking on the phone? So, call our business office today and order a phone extension for your kitchen. The cost is low... the convenience great. And it may save your supper.

Meditation

By Art Morlin

I heard of a town-dweller who raised a pig for some meat of his own. When the time came to slaughter the porker, he sent a note to his butcher which said, "Don't send me any more meat---I'm butchering myself."

Could it be today that many are in essence "butchering themselves spiritually". Jesus said, "Men shall not live by bread alone, but by every word that proceedeth out of the mouth of God" (Matthew 4:4).

Friends, God has something going for you in church. You can receive something that is more important than your natural daily food. The simplest preaching can give you sustenance for your journey of life. You can receive food for the inner man, fellowship that satisfies your social desires, strength of character by heeding the Word of the Lord, and a disciplined life by obedience to its teachings. Yes, you can personally meet and learn to know Jesus Christ, the Living Lord.

A church is people. The Lord promised that when people would gather together to worship Him that he would be with them. The church service is "the creation of an atmosphere in which a spiritual miracle can take place". It is a time when a new and creative power will surge into your inner life; cleaning, transforming, endowing you with new energy, recreating your whole life and personality. Everyone needs this throbbing, vibrant spiritual power in their lives today.

You are missing one of the greatest blessings of life if you have been forsaking the House of God. May your confidence in the church be revived and faith in our Lord spring forth in your heart.

He makes a marvelous picture -- but would he really make a marvelous chef? Can you imagine what might happen if you let him brew up a pot of everything his chubby little fingers could latch onto?

Let's face it! It takes thought, direction and planning to do anything well in life -- even to make a good stew. Though a true chef may not follow the cookbook precisely, he will select and blend his ingredients with care and precision. Only then will the dish be a success.

What does all this have to do with going to church? More than you might think! If you have been leaving the Church out of your recipe for living, you have been missing some of life's most priceless ingredients -- God's love, His priceless gift of Faith and some of the greatest lessons ever revealed to man.

VA to finance mobile homes

The Veterans Administration announced today it will finance mobile homes for veterans and servicemen starting December 22, 1970.

John B. Kirsch, Director of the Seattle VA Regional Office, said Public Law 91-506, which President Nixon signed October 23, authorizes VA to guarantee or make direct loans for this purpose.

Earlier this year, the President's Committee on the Vietnam Veteran, of which Administrator of Veterans Affairs Donald E. Johnson was chairman, recommended legislation on mobile home financing. The committee said the legislation was needed to provide "low cost housing for low and moderate income veterans."

The law which provides financing for mobile homes also restores expired G.I. loan benefits to some 8.9 million World War II and Korean Conflict veterans. The law also preserves these benefits for all veterans who served after Jan. 21, 1955, until they are actually used.

Another provision eliminates the one-half of one percent funding fee VA formerly required Post Korean veterans to pay on guaranteed and direct home loans. It was emphasized this provision does not affect loans made before October 23, the date the bill was signed.

The law also makes direct loans for specially adopted housing available to seriously disabled veterans in all parts of the country.

Mr. Kirsch noted these specific provisions of the law on the financing of mobile homes:

"Establishes a special mobile home loan guaranty or direct loan benefit for veterans and servicemen who have not previously used any of their \$12,500 home loan guaranty eligibility to purchase conventional homes.

"Provides that if a veteran or serviceman uses his mobile home loan entitlement, he may not otherwise use his \$12,500 home loan entitlement until he has repaid the mobile home loan in full.

"Provides that VA may approve loans up to a maximum of \$10,000 for a mobile home, and up to \$17,500 where a suitable

lot to place the mobile home on is purchased.

"Provides that the VA may guarantee up to 30 per cent of the loan for a mobile home, but use of this guaranteed or direct loan benefit does not reduce the veteran's or serviceman's \$12,500 guaranty entitlement.

While emphasizing VA has not had experience in loans for mobile homes, officials expect about 13,000 loans to be made during the first year of the new program.

In their publication "News Digest", Associated Oregon Industries, Inc. said that the Federal Bureau of Standards reports the oxygen content of the air has not fluctuated since 1912. Oxygen comprises 20.946 percent of the atmosphere and if all the world supplies of coal, gas and oil were burned completely, oxygen content of the air would be reduced by only 0.946 percent, whereas human life can be sustained with a 12 percent oxygen content.

THANK YOU

My sincere thanks to all the fine people who helped me in my campaign for county commissioner and to those who voted for me.

My only regret is that I will not be able to represent the taxpayers of the county on the Board of Equalization.

I wish D. J. Caulkins the best and ask that everyone try and make his task a little lighter in the years ahead.

Sincerely,
Arthur J. Munson

HUSKIES HOMECOMING

Two football teams that have played a lot of tight, tense games this season-Washington and UCLA-play each other here Saturday.

It will be Washington's Homecoming. Starting time is 1:30 p.m. in Husky Stadium.

The Bruins, as of last week, had won five games---three of those by a margin of less than a touchdown. They had lost three games---by a grand total of six points.

They lost to Texas, the nation's No. 1 ranked team, on the final play of the game, a 45-yard touchdown pass that gave the Longhorns a 20-17 victory.

They beat California 24-21 when quarterback Dennis Dummit scrambled four yards to the end zone, again on the final play of the game. Films since have shown that Dummit's knees hit the ground at the two, and Cal filed a formal protest with the Pacific-8 Conference. The protest was not upheld.

Against Oregon, UCLA held a 40-21 lead halfway through the final quarter. Miraculously, the Ducks won, 41-40.

So it has been a wild, hectic season for the Bruins, as it has been for Washington.

The Huskies a week ago had lost just two Pac-8 games--each by three points. They needed a field goal by Steve Wiezbowski with 30 seconds left to get their second conference win, by 25-23 over Oregon.

The Bruins can't be happy about playing in Seattle: they haven't won here since 1958. Washington gave them their only loss of the 1966 season here, 16-3, to knock them out of the Rose Bowl.

Even in their brilliant 1954 season, when they outscored their opponents 367-40 and finished as national poll champions, the Bruins escaped from

Seattle with just a 21-20 victory.

A year ago in Los Angeles, however, the Huskies were sent home with a 57-14 defeat -- the most points ever scored against a team coached by Jim Owens. Three years ago in L.A., the Bruin won 48-0--The most lopsided defeat ever suffered by Owens.

So it has been a topsy-turvy series between the two teams: neither has won two straight since 1962. And last year, it was UCLA's turn to win.
