KVAC HIRES ANNOUNCER

Forks Broadcasting Company, KVAC, has added a new announcer to their staff, he is Greg Allen Kronlund, 21, from Tacoma. Greg's radio name is Greg Allen. Greg trained at Clover Park Vocational School and worked in Aberdeen for about 4 months at KBRW.

Greg said, "I am looking forward to living, working and being a part of the community of Forks. I hope I can be a service to the people of the area in all that I do."

Greg will be working the Teen Beat shift on KVAC.

DRIVER FATALLY INJURED

James DeLaRosa, 23, of Seattle, was fatally injured December 27, about 11 miles south of Queets when he lost control of his 1960 Fiat on ice and snow on the road, crossed the center line and struck a 1967 Mack dump truck driven by Axel A. Peusa of Tacoma.

The passenger in the DeLaRosa vehicle, Janet S. Brewster, also of Seattle, received lacerations to the face and forehead. The driver of the truck was not injured.

December 24th, the State Patrol received a report of an accident on the LaPush Road about 3 miles west of Forks. The accident occurring at 5:00 a.m., involved a 1969 Ford Torino, driven by Esau James of LaPush. The accident occurred when the James vehicle, westbound on the LaPush Road, failed to negotiate a curve to the right, the vehicle continued down the shoulder of the road 200 feet, struck a stump and a telephone pole.

Mrs. Delores Munn, 34, of Forks, received neck injuries Wednesday when she apparently lost control of her 1970 Maverick after hitting ice on Highway 101, 24 miles

Curfew to be enforced

Because of the high incidents of vandalism and numerous complaints of noisy car engines late at night, the Forks Police Department will strictly enforce the town curfew. Curfew for persons 18 and under is 10:00 p.m. on weekdays and 11:30 on Friday and Saturdays.

Parents allowing their children to be on the streets late at night with no legitimate business are also liable prosecution. Those children going directly to and from legitimate activities such as school functions or baby sitting jobs will be exempted.

leaving only eight counties and 38 towns and cities without a local sales tax. The counties are Adams, Clark, Douglas, Grant, Pend Oreille, Skamania, Thurston, and Wahkiakum.

Forks share of the local tax was \$5,764.00. The total to date - \$12,769.97.

Future school needs discussed

The first in a series of work-study meetings was held by the Quillayute Valley School directors, the Citizen's Advisory group and members of the faculty and student body, Tuesday, December 8th.

There is a general need for work and planning to access the needs for the school in the years to come. The discussion began with a study of the existing facilities as far as classroom space is concerned.

It was stated in the Primary Building there are at this time two rooms unoccupied, but there is overcrowding in the third grade so the available space must be used for that problem.

In the Elementary Building, there are no vacant rooms. In the annex building, which contains 6 classrooms, there are three rooms not in use, the high school is using two of the available ones, the special ed. rooms are in that building. In the high school all rooms are in use and some are overcrowded.

Starting January 1, six more counties and 29 municipalities will begin collecting the tax,

IN FORD PARK
Water Line Easements a Problem

The Forks Town Council met Monday and at that time the water line easements in Ford Park were discussed. Apparently some of the lots have been platted so that the water, power, telephone and teleable lines run between the lots and are not accessible by the streets, therefore to read the meters or make repairs they must go on private property. As it now stands the city would be responsible for any damage to fences, shrubs, etc. Mayor Kennedy said that when the first plat for the area was presented to the council the lines were drawn on the streets or at least the planned streets. When the area was surveyed and the final plat declared the street situation was as it is now. Kennedy said the town could possibly force the developer to resurvey the streets and put the water lines etc., on the streets. There is one problem however, some of the lots have already been sold and houses built. Nikki Klahn, a representative of the real estate firm that handled the development was present to answer questions concerning the development. Mrs.

is affected by the physical features of the building. The lighting problem is a special levy expenditure, but the other problems are not. The Elementary library needs more materials, such as furniture and audio-visual aids. There are no lab facilities in the Elementary school, therefore, the science program is not up to standards. The 4th grade does not have a science program. There is a need for playroom equipment to expand the physical education program, as well as a need for general maintenance throughout the building.

There are some items needed in the Primary Building because of levy cutback. There are no library facilities in the buildings, at the present time they are using the resource center. The lunch service is poor because of inadequate facilities. There is a need for a windbreak in the south end of the play sheds, there is no playground equipment. There is no space for special person-

EDITORIAL . . .

Come midnight tonight we will be saying farewell to 1970, perhaps-it is a time for reflection. What stands out in your mind about 1970? Was it the lovely summer? Did you enjoy the great salmon fishing? Or did you move into your new home?

There has been a boom in building in our area in the past year, a new school for our children and badly needed repairs on the old one. The work has begun on the new hospital and it is shaping up quite nicely. A new church nears completion, adding to the impressive list of places to worship in our small town.

At a time when so many areas of our state are feeling the pinch of unemployment, our area is relatively free from that problem. There have been some seasonal layoffs, but no more than usual. There is also rumor that an investment company from Seattle is planning to build more new homes in Forks, thereby providing added income to the town, and easing the housing shortage.

The Park Service is planning to move a 12-man work force and their families to the area sometime in the early summer.

But with added growth comes problems. The main one facing us is the problem of a sewer-waste disposal. The Clallam County Health Department has stated that unless something is done we are in danger of polluting our water system. Clallam Bay and the Sekiu area are faced with the same problem, but here in Forks the initial step has been taken. The Forks Town Council contracted with an engineering firm and a sewer survey has been done. The survey proposes the Phase 1 and Phase 2 method of disposal the most equitable to this area. Again we run into another problem, for the survey states that the Bogachiel River is the natural site for the treatment plant. Therefore sportsmen and ecologists have grounds to complain because of the dumping of chlorinated water into the river.

So with progress comes problems, we can hope for a solution to this one and the innumerable ones facing us in 1971, but on a whole things look promising for our area in 1971. Our best wishes for a happy and prosperous new year.

Nedra Reed

Foresters Meet in P.A.

Dr. Richard Miller, Research Forester from the Pacific Northwest Forest and Range Experiment Station in Olympia, spoke to the North Olympic Chapter of the Society of American Foresters at Birney's Restaurant in Port Angeles, December 11. The topic of his address was "Let's Start Solving Tomorrow's Problems Today".

Miller began by outlining the problems which are, more demands with less land and a need for greater yields per acre at greater production costs per acre with constraints from other

users of the forest. More specifically, the Olympic Peninsula was pointed out to have 3.1 million acres of commercial forest land, 68% of the total land area is included in the Olympic National Park.

In 30 years, approximately 10% of this 3.1 million acres will be withdrawn and probably a greater percent will be reclassified.

According to Miller, timber growth and cut are balanced on the Peninsula, 1.1 Billion board feet are harvested annually. However on 25% of the stands there is a net loss in volume annually. This timber is more than 100 years

old. As far as stocking is concerned the Peninsula, at least 80% had 70% of the ground normally stocked. Also there is less than 2% non-stocked.

Mr. Miller emphasized the importance of improving the stocking on high site lands that are growing hemlock and forests that have been naturally converted to hardwoods. There are 500,000 acres (equal to 16% of our commercial forest land) that are in hardwoods that once was 80% coniferous forest.

It was stressed that without intensification of forest management on the Peninsula, the loss of land will eventually lead to a reduction in the forest industry. There is a course of action to be taken to meet these problems. No. 1, set priorities for forest land (reclassification) No. 2, start feasibility studies for increasing growth; No. 3 pilot trials; No. 4 Operational programs.

Dr. Miller concluded by stating three ways to increase wood production per acre. By increasing utilization through salvage, control growing stock by concentrating the growth capacity of the site into useable trees and to improve the natural site productivity.

ALIENS

MUST REGISTER

Mr. John P. Boyd, District Director of the United States Immigration and Naturalization Service states that the month of January has been set for aliens in the United States to report their addresses to the Attorney General.

Mr. Boyd stated all non-citizens except those in diplomatic status and foreign representatives of certain international organizations are required to file the address report. He added that any alien who wilfully violates the address report requirement may be subject to serious penalties.

Address report cards will be available at all post offices and offices of the Immigration and Naturalization Service during the month of January. The cards may be completed and given to a Postal Clerk or Immigration Clerk or mailed to the nearest Immigration Service Office.

NEEDS FOR COMMUNITY CENTER STUDIED

Frank Horton of the Forks Chamber of Commerce, is heading a committee of one to study the needs of the community as far as a community center is concerned. He would like to have the co-operation of the people of Forks, especially the service groups to get the opinion of the people, what they would like to see in a community center, a swimming pool, hand ball courts or a program of that type. If you are willing to help in this poll, please call Frank Horton, and give him your opinion.

electricity: your essential servant in '71

In the past year, you have used electricity in many ways--every day, every night, at work or play. Electricity has been an essential part of your daily life, whether you thought of it that way or not. And one fact you can count on for the New Year: electricity will play an even bigger role in your daily living in 1971... simply because you will use more electricity in 1971 than in 1970. Our New Year's resolution is to continue to provide you with the most dependable electric service possible... to keep this essential servant at your beck and call throughout the year.

OBITUARY

Funeral Services were held December 21 for Mrs. Felicie Ghesquiere of Port Angeles. Mrs. Ghesquiere was 92 years of age and was born in Belgium, March 17, 1878. She was married in 1907 to Charles Ghesquiere, who died in 1951. Mrs. Ghesquiere was a member of the Queen of Angels Church and was the "adopted Grandmother for Brownie Troop 426 for 1965". She is survived by her sons, Joseph of Parkland, Wn., Julius, of California, her daughters, Mrs. D. J. Caulkins of Forks, and Mrs. Charles Stroup of Port Angeles. Four grandchildren and 5 great-grandchildren.

S & R to elect officers

The Forks Community Volunteer Search and Rescue unit will hold an election of officers to serve in 1971. The election will be held during the business meeting of January 6 at the VFW hall in Forks. Starting time for the meeting is at 7:30 p.m. All residents of the area are invited to attend any of the S & R meetings. If you have any information, ideas or suggestions that might be incorporated into the operation of our local unit your presence is especially welcome.

Service News

Ridgeview Chapel was in charge of the arrangements. Burial was at Mt. Angeles Memorial Park. Pallbearers were N. C. Larkin, John Schweitzer, Harvey Caulkins, Gene Caulkins, Norman Lloyd and Paul Kinney.

Memorial contributions may be made to St. Anne's Catholic Church in Forks or the Children's Orthopedic Hospital.

USS CONSTELLATION: Dec. 11 Navy Petty Officer Third Class Douglas B. Sandau, son of Mr. and Mrs. Stan Newlun of Star Route, Forks, Wash., is serving aboard the attack aircraft carrier USS Constellation.

He will be involved with the re-habilitation of the ship while it undergoes an extended overhaul in the Puget Sound Naval Shipyard at Bremerton, Wash.

STATE FUNDS FOR SCHOOLS CUT

The state funding for schools has been cut from \$371,000 to \$365,00 per pupil for students in the Cape Flattery School District, this was the opening topic when the Cape Flattery School Board met, December 14 in Clallam Bay. The change in funding was brought to the district's attention, in a letter from Louis Bruno, Superintendent of State Schools.

Mr. Sands reported on the Advisory Committee meeting on Dec. 2 at Neah Bay. There was a tour of the school buildings for the new members, and a review of past activities for the benefit of the new members. A tour of the Clallam Bay buildings will be at a later date. The Committee recommended that any real action wait until after the tax statements are out.

During the Teachers' Work Day, both schools worked on the KCDA order sheets, saw a film shown by Mrs. Aiken, school nurse, discussed use of the new video equipment. In addition, the Neah Bay school discussed possible curriculum changes. Clallam Bay discussed the use of the Talking Page, teacher evaluation, drug education and modular scheduling, which will be tried for 1/2 days beginning at the start of the new semester for high school students.

Mr. Willison reported on the School Directors' Assoc. meeting in Seattle on Dec. 4 and 5. While on the trip to Seattle, he met with Mr. Burkhardt to discuss schematic drawings of the new buildings.

Mr. Whitener reported on the trip he and Mr. Buckingham made to Victoria to observe special education for Indian pupils. He was disappointed to find no special programs for elementary children.

Mr. Willison reported there was an exchange of ideas on schools using Johnson O'Malley funds for Indian education at a meeting in Marysville.

Delivery has been made on the new closed circuit television equipment. The basic equipment included a Video Tape Camera, Zoom lens, monitor, microphone, and tripod at a cost of \$2,199.23, about one third of which will be paid from NIEA funds.

After discussion, Mr. Nicholas moved to recommend Mr. Jack Sands as replacement for G. G. Munro as Board Member. Mr. Sadilek seconded and motion carried. This recommendation will be sent to the #114 Intermediate Board for appointment. Mr. Sands asked if students could be removed from in front of doors in the gym during games. He felt it obstructed traffic as well as being hazardous for both players and spectators during a game.

Bids will be called for a 73 passenger transit bus for Neah Bay. This is for replacement of the 1967 International that is used for an evening run at Neah Bay.

Mr. Nicholas moved to authorize schematic drawings for building programs at Neah and Clallam Bay. Mr. Sadilek seconded and motion carried. The cost of schematic drawings is 15% of the architect fees for the portion of the work that is built. This is not extra, but a part of the regular fee schedule.

The next regular meeting will be January 11, 1971 at 7:30 p.m. in the Neah Bay High School Library.

First Baptist News

Beginning January 7th, the church will study "The Letters of John", in a special Bible study. The study will be each Thursday evening for four sessions. Filmstrips, workbooks, and other teaching aids will be used in this study. It will be lead by the pastor.

During the Sunday morning

service, January 3rd, the Pastor will speak on: "God's Gifts of Time and Opportunity". The evening service will be conclude the study of the Ten Commandments.

Social Scene

Weekend visitors in Forks were Mr. and Mrs. Thomas Winsor, their daughter and son-in-law, Mr. and Mrs. James Clawson from Missoula, Montana. Mr. and Mrs. Winsor are now living in Ferndale, Washington. They said to tell everyone hello and to wish you all a Happy New Year.

LUNCH MENU

January 4-8

MONDAY: Chicken noodle soup, grilled cheese or peanut butter sandwich, canned fruit, milk.

TUESDAY: Hot beef sandwich, buttered green beans, fruit jello, milk.

WEDNESDAY: Barbecued beef on buttered bun, carrot and celery sticks, gingerbread with topping, milk.

THURSDAY: Chili, molded salad (cottage cheese and pineapple), chocolate brownies and buttered bread, milk.

FRIDAY: Creamed tuna, hot biscuits, buttered peas, dessert, milk.

Meditation

Rev. Ted Ringsmuth

"New Year's resolutions are for those too young to be disillusioned by their own continuing stupidity." Do you believe that statement?

There is an old Buddhist proverb that speaks about those: "WHO GROW OLD IN VAIN".

Perhaps this is the greatest tragedy of all- not to learn in the great school of life. To make the same old mistakes day after day and year after year. To be in a rut. "A grave is a rut with the ends knocked out" said a philosopher.

The great message of hope which came into the world with the Christ child was his faith that we can be more than we are; that the world can know peace and freedom from ignorance, fear, hatred and war. All of us have felt a resurgence of His Spirit in our midst and in our hearts during this Christmas celebration.

I would like to share with you two brief poems which mean more to me each passing year.

FROM THE GATE OF THE YEAR

And I said to the man who stood at the gate of the year:
"Give me a light, that I may tread safely into the unknown!"
And he replied:

"Go out into the darkness and put your hand into the Hand of God,
That shall be to you better than light and safer than a known way."

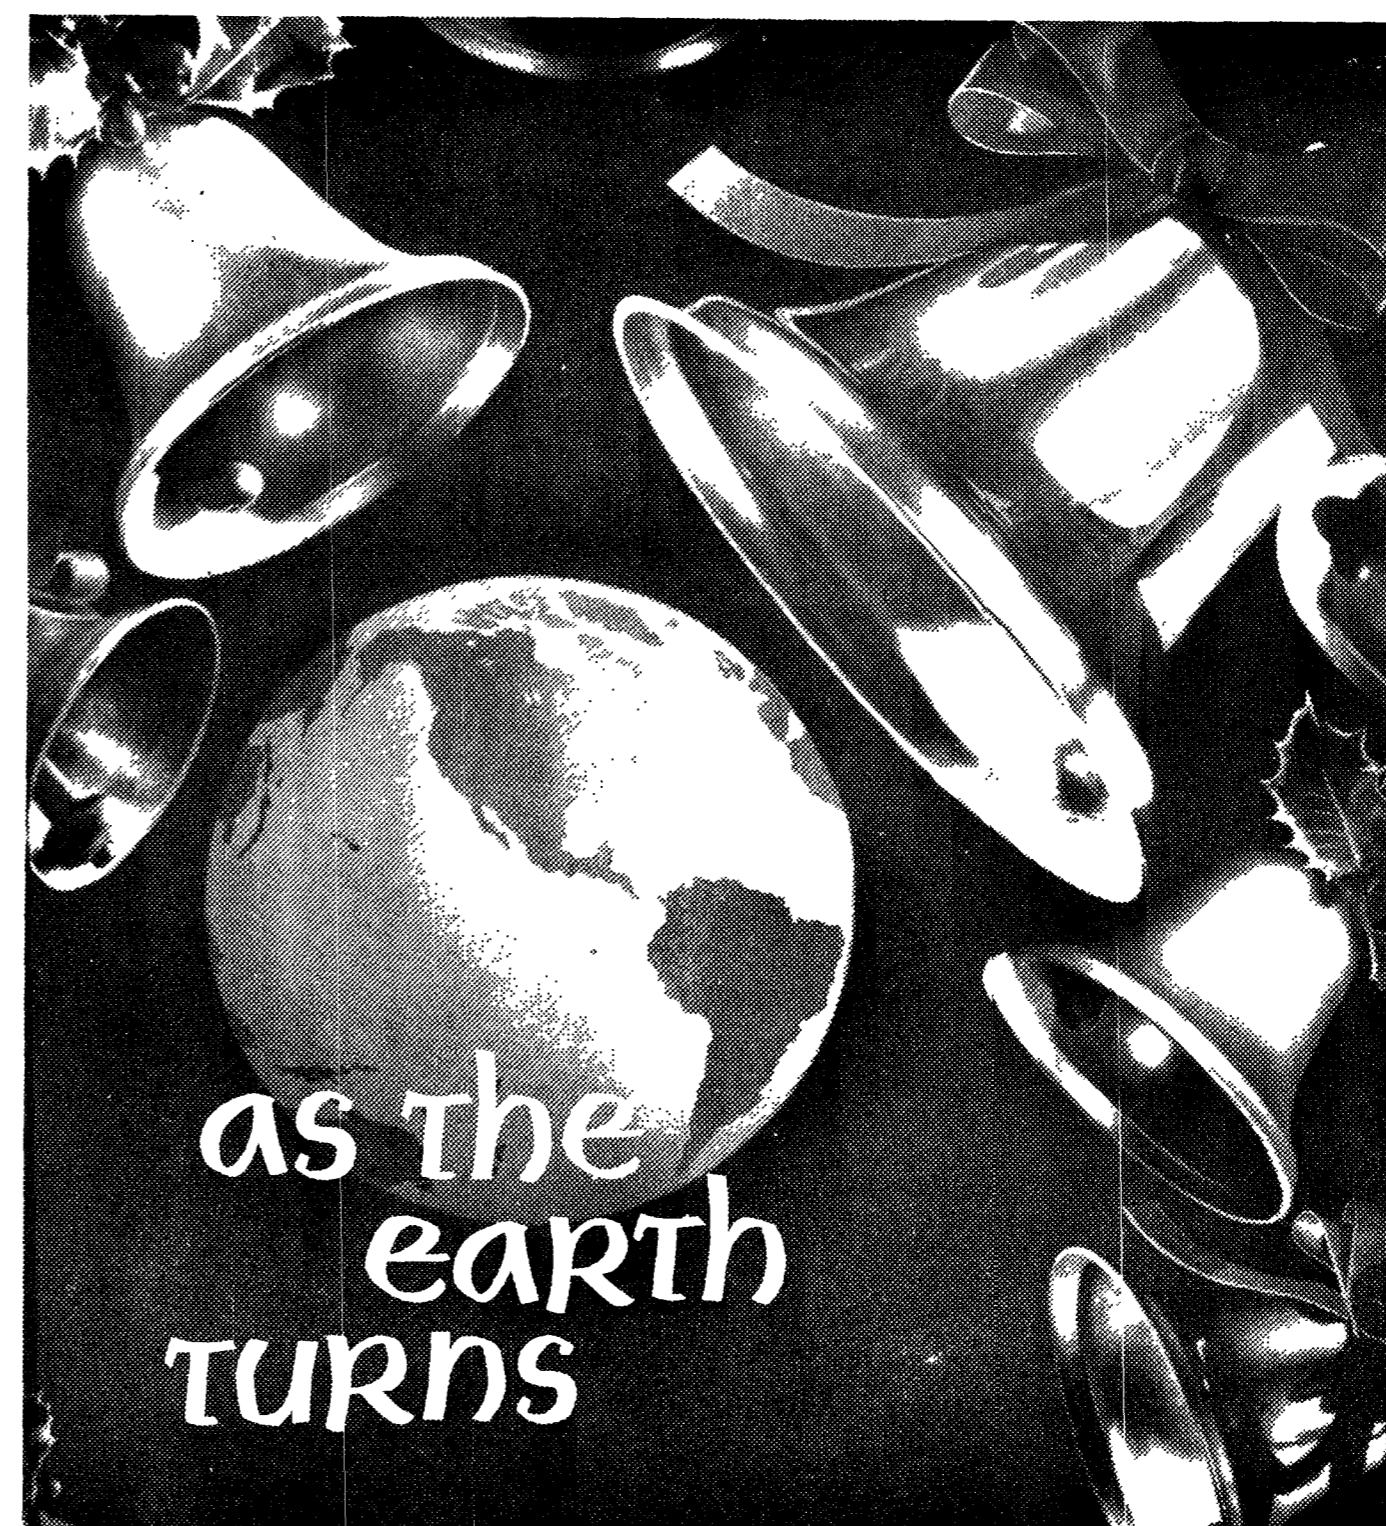

Mr. Louise Haskins

RECONCILIATION

Ye who have scorned each other,
Or injured friend or brother,
In the fast fading year;
Ye who by word or deed,
Have made a kind heart bleed,
Come gather here;
Let sinned against and sinning
Forget their strife's beginning,
And join in friendship new--
Be links no longer broken;
Be sweet forgiveness spoken
Under the Holly Bough.

Ye who have loved,
Ye who have loved each other,
Sister and friend and brother,
In this fast fading year,
Mother and sire and child,
Young man and maiden mild,
Come gather here;
And let your hearts grow fonder,
As memory shall ponder
Each past unbroken vow;
Old loves and younger wooing
Are sweet in the renewing,
Under the Holly Bough.

Charles Mackay

As bells ring and horns blow, a new year dawns around the world. In every land men celebrate its coming, variously, according to tradition.

One custom seems almost universal... an assessment, a review of the past year and the resolution to do better — in one's vocation, in one's attitude toward family and neighbor.

What is this spark that makes men seek

a higher plane? It is the yearning that set the Wise Men's feet to follow a star, the longing of the multitudes that thronged the hills of Gallilee to hear the words of Jesus, the thirst of every man to know God's presence in his life.

In this age of chaos and confusion there is no better resolution than to attend our churches where wisdom and compassion are taught.

In and Around Town

By Mrs. Paul Lingvall

Christmas 1970 has come and gone, but let's hope that the spirit of Christmas still lingers on through the coming year. Our Christmas Eve and Christmas Day were quiet and peaceful, but after that..... And we really enjoyed our Christmas HAM.

Visiting Mr. and Mrs. J. K. Strom over the holidays were their son and daughter-in-law Mr. and Mrs. Pete Strom and family, their daughter and son-in-law, Mr. and Mrs. Frank Williams and family from Port Angeles, and Mrs. Katherine Anderson from Chehalis.

Spending the Christmas holidays in Forks with Mr. and Mrs. Matt Sullivan, were their daughter and son-in-law Mr. and Mrs. Stan Barber and family from Stevenson, and Mr. and Mrs. Dale Morgan from Port Angeles. Also here from Tacoma for the family reunion was Mrs. Sullivan's sister, Mrs. Gloria Stadvold.

Mr. and Mrs. Howard Horton traveled to Bainbridge Island to spend Christmas with her parents, Mr. and Mrs. Dick Hart. They also visited Howard's parents, Mr. and Mrs. Charles Horton in Elma and Pam's grandparents, Mr. and Mrs. Floyd Hart in Port Townsend.

Visiting the Earl and Harold Kennedy families over Christmas were Mr. and Mrs. Trig Rued from Arlington.

Mr. and Mrs. John Halverson went to Spokane to spend the Christmas vacation with Mrs. Halverson's parents, Mr. and Mrs. Dan Holt.

Visiting Mr. and Mrs. Ed Goakey over Christmas was Mrs. Lyle Scharber from Puyallup and Mr. and Mrs. Clyde Goakey and family from Beaver.

Mr. and Mrs. Emil Rauscher from Shelton spent the holidays with their daughter and son-in-law, Mr. and Mrs. Roger Addleman and family.

Mr. and Mrs. E. C. Gockerell spent Christmas Day in Sequim with Mrs. Gockerell's parents, Mr. and Mrs. John Hendrickson.

Murray McCauley spent the Christmas holidays with his daughter and son-in-law, Mr. and Mrs. Dick Hart at Bainbridge Island.

Mr. and Mrs. Phillip Reed traveled to Port Angeles to spend Christmas with Mr. and Mrs. Harold Reed.

Bud Murray from Anchorage, Alaska, visited his daughter, Pam Murray, and the Dick Johnson family over the holidays.

Mr. and Mrs. Al Genson traveled to North Bend to visit Mr. and Mrs. Everett Thomas over Christmas for a family reunion.

Spending Christmas with Mr. and Mrs. Fred Anderson were his parents, Mr. and Mrs. W. R. Anderson and Mrs. Donna Anderson and children from Joyce. The Anderson's also went to visit her parents Mr. and Mrs. John Ownes in Royal.

Mr. and Mrs. Ed Beebe had their daughter and son-in-law, Mr. and Mrs. Terry Janke from Renton home for the holidays.

Mr. and Mrs. Vern Black spent the weekend in MoClips visiting Mr. and Mrs. Glenn Black.

Spending Christmas with Mr. and Mrs. Phil Borde, were Mrs. Borde's sister and brother-in-law, Mr. and Mrs. Henry Chiles from Seattle. Also there were Phil's parents Mr. and Mrs. Ernest Borde from Clallam Bay and grandfather, Reinard Braitska, and Mr. and Mrs. Don Galloway and family from Everett.

Mr. and Mrs. Robert Hall and family traveled to Everett and Everson to spend Christmas with their parents, Mr. and Mrs. N. C. Ericson and Mr. and Mrs. B. M. Hall.

Visiting the Warren Paul family over the Christmas holiday were Mrs. Paul's parents Mr. and Mrs. Frank Lysall from Sequim and daughter and son-in-law, Mr. and Mrs. Robert Colwell and children from Corvallis, Oregon. Dean Paul came home from Western Washington College in Bremerton. Mr. and Mrs. Todd Brown and son joined the Paul family on Christmas day. December 26, Mr. and Mrs. Donald Paul arrived from New Jersey, where he has served in the Army Reserve. Donald and Karen will return to Philadelphia, where he will be working for the American Meter Company.

Spending Christmas with Mr. and Mrs. Avery Bumgarner, were her parents, Mr. and Mrs. Robert Borwing from Kirkland.

Mr. and Mrs. J. C. Blodgett and family from Carmichael, California are spending Christmas week with Mrs. Blodgett's parents, Mr. and Mrs. Henry Halverson, Dec. 20, the Halverson's held a

dinner party for the Blodgett's, with Mr. and Mrs. John Halverson, Mr. and Mrs. Eugene Halverson, and Mr. and Mrs. Richard Halverson and families attending. Arriving on Christmas Day were Mr. and Mrs. Edward Larson from Centralia to spend the week-end.

Mr. and Mrs. Ray Burr and Noreen Patrick spent Christmas with Mrs. Burr's son and daughter-in-law, Mr. and Mrs. C. A. Edwards and family in Port Angeles. They also visited Mrs. Burr's sister, Mrs. Martha Adams, former Forks resident and were joined by their brother Andrew Wilson from Seattle.

Mr. and Mrs. John Boggs and family spent the Christmas holiday in Port Angeles with Mrs. Boggs's parents, Mr. and Mrs. George Klahn, and Grandmother Mrs. Laura Vlahos. Visiting the Boggs's December 27th were Mr. and Mrs. Bob Cole and family from Port Angeles.

Mr. and Mrs. Larry Suslick spent the Christmas holidays in Sequim, visiting Mrs. Suslick's parents, Mr. and Mrs. R. W. Hossom.

Mr. and Mrs. Darrell Tiller traveled to Port Angeles for the Holidays with Mrs. Tiller's parents, Mr. and Mrs. Carl Startup.

SCHOOL

BOARD MEETS

The Quillayute Valley School Board met December 17th.

The Citizens Advisory Board presented questions to the Board at that time concerning leaks in the new gym. They were informed that there had been a problem with leaks in the new gym, and that repairs had been made on the roof December 11. The roof needs a major overhaul, but this could not be scheduled this summer. Mr. Slathar will prepare cost estimates for the Board at the next meeting. There is also concern that the high school curriculum does not offer enough in the line of vocational training. This was discussed at a meeting held recently with members of the Board, Advisory Group, and interested citizens.

The kitchen items will be offered for sale. They will be put on display prior to the bids being opened. Mr. Hitchcock will be in charge of this.

The district policy in regard to student parking was again a topic of discussion. Bruce Dunlap had prepared a report on the reaction of the student body concerning the regulations, but was unable to attend. Mr.

Legal Notice

NOTICE OF PUBLIC SALE

Twining, up to 5:00 p.m. on January 5, 1971, and will be opened and read at the sale site on January 5, 1971 at 10:00 a.m. International Paper Company, the Secured Party in possession of the above described collateral reserves the right to bid at the sale. Sale items may be viewed and tested prior to sale by appointment. Call Mrs. Nancy Krume, Phone 206-327-3293, Beaver, Washington.

This sale is held to enforce the rights of International Paper Company, a New York corporation, authorized to do business in the State of Washington, whose address is P. O. Box 579, Longview, Washington, as the Secured Party, arising under a Security Agreement executed with Northwest Shingle Company, as debtor, which Agreement is evidenced by a financing statement, Auditor's No. 2079, filed with the Clallam County Auditor on July 17, 1969 and a financing statement, file No. 68683, filed with the Secretary of State of the State of Washington on July 17, 1969.

George E. Twining
Attorney for Secured Party
Publish Thursday, December 10, 17, 24, and 31, 1970 in the Forks Forum, Forks, Washington.

Jim Traver reviewed the policy as written, but some students present said that it had not been brought up to the student council. Mr. Traver stressed, that it is important for the students to realize that the district is responsible for the time students leave home for school until a reasonable time after for them to return home. There was considerable discussion from all present. It was suggested that the Principal should make a direct call to the parents of those students who were parking off school grounds, to be sure they were informed of the school policy. It was decided to amend the policy to state: "Students who drive to school for the purpose of attendance" and to enforce the district's policy as it is amended. The board received 16 applications for the custodial position. Norman Walls was hired.

Hal Canaday will replace Jon Erickson as Chairman of the Board, effective January 1st.

RANGER DISTRICT HIRES TWO

The Soleduck Ranger District at Forks reports two new employees in the Timber Department and the recent transfer of the resource assistant to Oregon.

David Lanham transferred to Forks from the Rigdon Ranger District on the Willamette National Forest. He is now timber management assistant in charge of the timber department. Mr. Lanham has been with the Forest Service in Oregon for 9 years as presale forester and timber sale officer. He served two years in the Army in Libya, North Africa as a photo interpreter in 1960 and 1961, and graduated from the University of Michigan in 1958. Mr. Lanham is married and has one son, age 3.

Dwain Yothers also comes from the Rigdon Ranger District where he has been with the Forest Service for the past 12 years. He will be filling the position of timber administration assistant, which was left vacant by the transfer of Alvin Abrahamson to the Mt. Baker National Forest.

Both men are enthusiastic over the prospects of good fishing and hunting in this area.

On December 11th Frank Olson and his family moved to Hebo, Oregon where he accepted the position of resource assistant at the Hebo Ranger Station on the Siuslaw National Forest. Mr. Olson had been at the Forks Ranger Station for nearly 4 years as presale forester, and more recently as the resource assistant in charge of recreation, erosion control, watershed, and wildlife management, and fire control.

CHRISTMAS TRAIL CONTEST WINNERS ANNOUNCED.

The Bogachiel Garden Club Christmas Trail contest is over. The winners were, "Windows - Dick Addleman, Oscar Peterson, and John Henson. In the division for the best door: Ray Black, John Leppell, Jr. and Ralph Warren. In the House and Yard Division, Wayne Huling, Warren Paul, and Marvin Olson.

PARTY AT GENE & JOES

Gene Lemmon, assisted by members of the VFW announced the tournament winners.

Even the moms and dads enjoyed the party. Some said it was just great having a nice place for their children to enjoy themselves.

The first annual Christmas party for the youngsters of Forks was held by Gene and Joe's Amusement Center in Forks. The event was co-sponsored by VFW Post 9106 of Forks, and local merchants.

Door prizes were awarded to Warrich Maxfield, Bonnie Loushenkahl, Greg Howard, Scott DePew, Wlida Johnson and Susan Layman.

Pool tournament winners were: for 10 and under, JoJo Morlin; from 10 to 14-Rich Rainey; for 15 and older, Randy Forlines. In the girls' division, Rea Allen. For the couples division, Steve Burge and Rea Allen.

The winners in the bowling tournament, Mark Henry, Lane Richards and Keith Keys. There were over 200 winners in the balloon throwing contest and numerous winners in the straw scramble.

Gene and Joe said they would like to say "thanks" to the area merchants and a special thanks to the VFW and Auxiliary for making it a special Christmas for the children at Gene and Joe's Amusement Center.

ARTMOBILE IN FORKS

The Washington State Artmobile will visit Forks during the week of January 4th, Wednesday afternoon through Friday will be reserved for student viewing. The public is invited to view the exhibit on Thursday and Friday evening, January 7th and 8th from 7:00 p.m. to 9:00 p.m., and on Saturday afternoon, January 9th from 1:00 p.m. to 4:30 p.m. The 10' x 50' trailer will be parked in front of the Jr.-Sr. High School Building.

"The Joy of Crafts" includes nearly 100 items loaned by 74 of Washington's craftsmen. The fascinating display includes pottery, leather, glass, weaving, stitchery, batik, wood, metal, plastic, macrame, and jewelry. These media represent a selected cross-section of what craftsmen are producing throughout the state and the theme, "Joy", suggests the delight the craftsman has in producing both useful and whimsical items.

The display includes rugs, vessels, clothing, statues, jewelry, bells, and a host of other unusual creations.

The Artmobile was created by the Pierce County Intermediate School District No. 111. It is funded through the Cultural Enrichment Program provided by the State Legislature through the office of the Superintendent of Public Instruction.

A TOUR WITH KATE

Mr. and Mrs. George Campbell held open house December 27 at their new home. One-hundred and ten people signed the guestbook, which was part of the scrapbook Mrs. Campbell had started when they first began the foundation of their house.

The stereo was decorated with a toy cement mixer with green holly around it. Leaning against the cement mixer were two paper dolls with Kate's and George's pictures as the dolls' faces. For refreshment there was cake, mint, nuts, popcorn balls, tea and coffee. Mrs. Campbell was wearing a pink lace dress with a beautiful corsage, and Mr. Campbell had a white carnation boutonniere on his suit. They received many lovely gifts, among them a carnival glass fruit bowl from Mrs. Harold Campbell, a pool cue and a ball rack from their daughter and son-in-law, Mr. and Mrs. Bob Southwood, walnut TV trays from their daughter and son-in-law, Mr. and Mrs. James Wallace and a pool table light from their son and daughter-in-law, Mr. and Mrs. Jim Campbell.

Co-hostesses were Mrs. Lowell Nash, Mrs. Jim Campbell, Mrs. Wesley Schumack and Mrs. James Wallace.

Out of town guests were Miss Edie Campbell from Everett, Mr. and Mrs. James Wallace and family from Langley, Mrs. Carl McDaniels, Mr. and Mrs. Don Young and daughter, and Mr. and Mrs. Fred Germeaus from Port Angeles.

Although, I was unable to attend the open house, Kate was kind enough to give me a private tour of their new home. Seated around the 75-year-old oak table she told me that she had refinished the table with the help of Mrs. Lowell Nash. The china hutch, a beautiful piece of furniture, had a light inside the hutch. We left the table and Kate pointed out the teak paneling in the living room and the avocado green wall-to-wall carpeting. We walked through the kitchen, which has indirect lighting, to the utility room where Kate opened the door to a fully insulated fruit room. "My pride and joy", said Kate.

The other door led to the garage, which has an electric eye garage door. Back up through the kitchen, Kate took me down the hall and showed me her "whip cream" bathroom. One of the two bedrooms has a sewing closet (another of Kate's pride and joy.) "Now for the main attraction", said Kate, and we went downstairs to the recreation room and to the indoor swimming pool--the first one in Forks. There we found the Campbells' daugh-

ter-in-law, Mary, taking a dip, dressed in a swimsuit a la 1900, which she had made. The pool is 10' by 20' and has a whirlpool installed in it. A green indoor-outdoor carpet is covering the area around the pool. In one corner is a lifeguard's chair with George's name painted on it. On the wall hangs a lifesaver with the words USS Campbell painted on it, made by Mary, who also "decorated" a "throne" for George. It cannot be described, it has to be seen.....

Sunset Highlites begins

By Fred Jarvis

All good things must come to an end I guess. Had the best Christmas ever at our house. But now the kids have all left and Mother, Juanita and I are wondering at the sudden quiet and loneliness of the place. Have to celebrate New Year's Eve tonight with a vengeance.

Not too much league bowling over the holidays. Just Forks Prairie, Tuesday Afternoon and Sunset.

Kathy Decker had a 177 high game last Tuesday, December 22, Dorothy McCoy hit 463 and Janet Joseph rolled the high series of 478. Barbara Windle picked up the 6-7-10 split.

For the Sunset bunch, Chuck Hamby had a 220, Claude Clark 222, and Al Whitehead tossed a 593, three game set.

No luck on the T.V. shot at Saturday Nite Monte Carlo, Duke and I broke even on our side pot and number one son, Doug, whomped the old man, hitting a big 237 game on the way.

Darrell Thomas led the Forks Prairie League with a 224-625, Harold Kennedy a 215, and George Richardson a 574.

May you all enjoy nothing but the best this coming year.

Sports

BABES OVER JOYCE

Forks Junior High Spartans found the trail to victory very easy against Joyce, winning 51 to 34 over the young Loggers. After a slow start, mainly due to reserves playing the first quarter, the young Spartans put together a big surge in the second quarter and never looked back. Ken Olson, Mark Hitchcock, and Harrison Davis led the Spartans with 12, 11, and 10 points respectively.

The 9th Graders from Forks found the trail like a rocky road as they dropped a 57 to 29 decision to the Roosevelt Teddies from Port Angeles. The Babes put together a much better game than the score indicates as they trailed by only 2 points at the end of the first quarter, 4 points at halftime, and nine points at the end of the third quarter. Harrison Davis led the Forks scoring with 10 points.

FORKS--(51) Hitchcock 11, Woody 2, Olson 12, Soderlind 2, Davis 10, Jackson 1, Henry 2, Johnson 0, Anderson 3, Birley 4, Leppell 0, Borde 0, Shirley 2, Bechtold 2, Badgley 0, Watson 0, JOYCE--(34).

FORKS--(29)--Hitchcock 2, Woody 4, Olson 6, Soderlind 3, Davis 10, Jackson 0, Henry 2, Anderson 0, Birley 0, Leppell 0, Borde 0, Shirley 0, Bechtold 0, Badgley 0, Watson 0.

ROOSEVELT --(57).
Forks 8th Grade did better against the Roosevelt team as they downed the Teddies 43 to 31, due to a strong Spartan press and the scoring of Randy

Cabe and David Dilley, Forks, led by 2 points at the end of the first half and 9 points at the end of the third quarter. FORKS--(43)--Dilley 11, Blair 8, Eastman 3, Anderson 6, Cabe 10, Chilson 2, Johnson 1, Millsap 0, Shearer 2, Carter 0, Cassell 0, Liles 0, Nash 0, Dedman 0, Whitehead 0, Rondeau 0, Burke 0, Markham 0.

ROOSEVELT--(31).

Forks 7th Grade found the Roosevelt 7th grade team very tall and very aggressive as they romped to a 44 to 17 victory over the young Spartans. Delton Beebe paced the Forks team with 4 points.

The Forks Junior High's next outing will be January 9th when they travel to Sequim to play the young Wolves, starting at 10:30 a.m.

FORKS--(17)--Beebe 4, Kreider 3, Nash 3, Richards 2, Russell 2, Moore 2, Strohl 1.

ROOSEVELT--(44).

Recruiter in Forks

Your Army Recruiter SFC Charles E. Knapp from Bremerton, Washington will be in Forks, on January 7, 1971, at the Forks Motel. From 3 p.m. to 6 p.m. to talk to interested young ladies and men about enlisting into the US Army, and again on Friday, January 8, 1971, from 8 a.m. to 9 a.m. Call collect for appointment at EST-5586 in Bremerton, or stop by the Forks Motel at date and time indicated above.

L.L. Basketball

begins

The West End Little League Basketball Program will begin on January 2, 1971 at the high school gym. The announcement was made by George Olsen, Basketball Commissioner for the West End Little League.

"Our program will start at 10:00 a.m. on the second. It will be the first of two Saturday clinics for the boys,

grades four through six, in an effort to introduce them to the skills and strategy necessary to play the game of basketball," stated Olsen. The commissioner also added, "Each boy participating will need to bring with him on the second, his medical (Physical) form, his insurance money (\$2.00), and the proper gear with which to turn-out.

In regard to gear, any kind of tennis shoe should be acceptable and the boys should, if possible, have a pair of shorts. However, cut-offs will do." Olsen made mention that it is very important to attend this first clinic. "On Thursday, January 7th, I will be meeting with the coaches at 7:00 p.m. at the phone company to set-up the teams for our program. If a boy fails to show at the first clinic, his name will not go on the team roster and he will be unable to participate in our program. I cannot emphasize this point enough." If a family will be out-of-town during the first week-end of the new year and desire to have a boy participate in the program, please contact George Olsen by mail or Clayton Russell by phone.

(CONTINUED FROM PAGE 1)

nel such as the school psychologist, and the school nurse.

The needs for the high school are extensive. The library needs equipment. The art facility needs equipment, also, there is a need for more vocational education. There are 66 percent of the graduating students who do not go on to college, at this time the school program in Forks does not provide any help for these students. It is hoped that greater emphasis can be placed

in these areas, auto-mechanics, home ec., woodshop, art room, electronics-plastics, also the house building project is still under consideration. It is tentatively planned to work in conjunction with contractors in the area, as part of the classroom time.

These meetings will be held each month and studies of all items mentioned will take place.

SPORTSMAN'S CORNER

Many bow hunters have been trying their luck during the General Bow Season which ends today. Exact figures on the kill have not been computed by the State Game Department, but by all indications some of the hunters have been successful. The bow hunter is a hardy breed who has this year braved ice, snow and sleet, with wood, feather and steel to bring down the wiley elk.

Many of the rifle hunters were unhappy with the Game Departments decision to open some areas to either sex, they fear this endangers next years elk crop. It has been rumored the bow hunter will be required to purchase an additional \$5.00 bow tag next year.

Lena Fletcher called us the other day with a report of a "Feathered Elk" still on the move that was observed by a non-bow hunter somewhere on the Lower Hoh. What exactly is a feathered elk I am not sure, if you know or have an opinion, please drop us a line.

Looks like Wild Bill Chaney is going out to get those salmon in style this year, just came back from Seattle with a 21 ft. Reinnell inboard-outboard with a 165 h.p. Merc Cruiser. This is a real beauty, sleeps 6 with a full galley and head. Rumor has it that Bill is going to take "George" along to clean fish!

Fred went fishing over the Holiday, and don't believe anything your barber tells you. Asked him where he caught all the fish he was bragging about, he said "In a hole in the Hoh?"

Then there's good old Willie, Larry and Darrel who ventured forth on the t???? river and brought home their limits, and their armed with pictures to prove it!

TYEE-SAPPHO-

BEAVER NEWS

Mrs. J.E. Merritt

Item in this column in December 17th Forum. "Mr. and Mrs. John Comfort returned Sunday to their home in Sat-sop after a two-day visit with their cousins, Mrs. L.R. Eaton, Mrs. Les Pooler and Mrs. Maynard Lucken and their families. On Saturday Mrs. Lucken was hostess at a pre-Christmas dinner for the three ladies and their husband." Sorry for the mistake.

In a Christmas car received by Mr. and Mrs. John Merritt, Mrs. Frank Conley, of Sequim, told of a recent trip she and Mrs. Conley took, arriving home on November 13. They spent two nights each with Mrs. Conley's brother, Dent Hollifield and family of Del Rio, the two Conley sons, Bill, in Hayward, and Earl and his family in Fresno, all in California. They also spent two nights in Reno and one in Lake Tahoe, Nevada. Returning home they spent two nights at the home of their daughter, Mrs. Greg Shaw (Rene Conley) and family in Vancouver, Washington. The Shaws were expected to arrive at

the Conley home on December 16th for the Christmas holidays.

Mrs. Merritt's son, Harold Lobdell is with the CAA in Fresno, and she had written to Earl Conley, who operates a service station there, to give him Harold's address. Earl wrote and told his mother to tell Mrs. Merritt he had called Harold and had a nice conversation with him. It turns out that the Lobdells live just two blocks from Earl's service station.

Mr. and Mrs. A.M. Nordman spent Christmas in Seattle at the home of their son and daughter-in-law, Mr. and Mrs. Arvid Nordman and family. Other Christmas dinner guests were Arvid's brother-in-law and sister, Mr. and Mrs. Henry Werner and son, Aaron, the younger Mrs. Nordman's parents, Mr. and

Mrs. John Sandquist of Aberdeen and an aunt of Mrs. Sandquist, other than Ruth, whose name, Mrs. Nordman did not learn.

Mr. and Mrs. Hugh Wicksham of Port Angeles, were Christmas Day guests at the home of their son-in-law and daughter, Mr. and Mrs. Bill Kirkman and family in Beaver.

Mr. and Mrs. L.R. Eaton

and their son-in-law and daughter, Mr. and Mrs. Loyd Johnston and their small son, J.D., were Christmas dinner guests at the home of Loyd's parents, Mr. and Mrs. L.G. Johnston in Forks.

Christmas Day visitors at the Ray Hull home were Mr. and Mrs. Wayne Ray of Bear Creek, Mr. and Mrs. Erwin Aanderud of Stevens' Court, Forks, Mr. and Mrs. Bob Sorg of Port Angeles and Mrs. O.M. Tomlin of Bear Creek.

Mr. and Mrs. John Merritt arrived home Saturday evening after an eight-day visit at the home of their son and daughter-in-law, Mr. and Mrs. Ken Lobdell in Priest River, Idaho. As John's driving is restricted, Mrs. A.M. Nordman and Mrs. Dale Dawkins very kindly took them to Port Angeles on Thursday, December 17, to catch the 12:30 p.m. Greyhound bus for Seattle. The Western Star train left shortly after 10 o'clock that night and arrived in Priest River at 9:30 Friday morning, more than an hour late. It was the Lobdells' 25th wedding anniversary, which was the reason the Merritts went over so early. They found several inches of snow--over ice--which made for curtailed visiting outside

CARD OF THANKS
We want to thank our family and friends for their help and sympathy during the recent loss of our baby.
