EDD TIDE--As the waters of the Pacific drop so do those of the Quillayute. An Indian gill net is left tangled along the bank. Steelhead were taken here this morning as the tide rose. This was evident by the movement of the nets, a few escaped, but were netted farther up the river. Some made their way up the Quillayute enroute to spawning beds. As for now the nets are still, as they will remain, during this ebb tide. --Lonnie Archibald

Meeting to be broadcast

The Forks Town Council met Monday night at the Town Hall.

At that time a date was set for the public hearing on the proposed sewer project for the Forks area. The date is March 1st, at the multi-purpose room at the school. Representatives from the sewer project planners will be present along with representatives of the Olympic Health District. The meeting will be broadcast on KVAC.

Bert Maris, representing American Pacific Land Co., asked the council if the customary fee of \$150.00 for a meter hook-up could be lowered if the company put in all the required lines. This seemed to be agreeable to all present.

Wayne Cluck, a homeowner in Ford Park was present to petition for a water meter hook-up. He was interested in the fact that the town is now asking for a 5 foot easement on all water line easements in Ford Park. Property owners may at their own risk install fences, bushes, etc., but these must be removed if the water lines need to be re-

paired. The council approved the request for 4 water meters for Ford Park.

Building permits, Gerald Miles, garage, \$2,000.00; Estene Fletcher, remodel old PUD building, \$4,000.00.

Myron Simmons was named Civil Defense co-ordinator for Forks by council action. Simmons is also the co-ordinator for the Search and Rescue Unit.

The council received a letter from the Department of Natural Resources concerning application from George Campbell to mine gravel to a depth of 60 feet at the site of the existing pit. The DNR notified the council of the application because the town has an undeveloped well in that area. The matter will be discussed with Olympic Health District.

The Olympic National Park has requested a temporary water hook-up for four trailers at the site across from the airport. The request was granted with the understanding the water service would be terminated if users in town needed the water.

came up for very heated discussion. As it now stands any student caught carrying a knife is liable for suspension. Principal of the high school, James Traver, said that there had been incidents in the school concerning the carrying of knives, also, the manufacturing of "bombs" from caps for a toy gun. Traver said that it is imperative that parents know that their child can be suspended for carrying knives or for incidents of this type. There have been students expelled for acts such as these.

John Hitchcock, superintendent of schools, said that the school does have a policy of students not being allowed to carry knives, but what about those ones you can not see. Apparently not all students carry them on their belts, in sight.

Don Hutt, a member of the Advisory Board, asked if the school administration could notify parents of those students that have been caught by the faculty carrying knives? It was agreed by the Board and the administration that this would and should be done.

Mrs. Pat Russell asked the Board if there was a teacher on duty in the halls during lunch periods, because these seem to be the times when incidents occur. She was informed that there were two, usually the ones in full armor.

Mrs. Howard Stockman asked the Board if parents knew the do's and don't's

of the school as far as things of this nature were concerned? Mr. Hitchcock replied that a list of the school policy and rules are posted and any parent concerned enough could read them, apparently they are also listed in the public library.

Mrs. Edna Leppell asked the Board if there was any way that the school policy could be published. The Board will take this under advisement, although it seemed to be the apparent opinion of some that this was not necessary.

Lawrence Soderlund asked the Board at the height of the discussion just what constituted a dangerous weapon? He said that he had carried a jackknife all his life and saw no reason that this could not be permitted.

Jon Erickson, a member of the school board asked some of the students how they felt about the ruling about no knives at all.

Jerry Beebe, student, "I carry a jackknife to school, I use it to strip wires, for a screwdriver, but I don't carry it around in class."

It seemed to be the opinion of those present that the incident of Wednesday was an unrelated incident and that they didn't feel it would become an everyday occurrence.

The guest for the evening was Ken Howard, Intermediate Superintendent of Schools. He was presenting a plan to the school concerning possible federal funding for minority groups of schools that contain a segment of the minority

population. He said that so far that most of the funds have gone to area such as Seattle and Tacoma, but since Forks has a 11 percent Indian population they could perhaps qualify. The funds would be used for reading and language arts and only for the Indian children. This would require the district to have on accredited Indian teacher on its staff and the additional hiring of two teachers to handle the proposed classes. The federal funding would be for a three-year period.

Ralph Hilt asked the Board for permission to rent the new gym for the Forks Invitational Tournament, to be held March 19, 20, and 21st. The Board will rent the gym with the same rules as last year.

The Board agreed unanimously to recind the past school policy that allowed students to write their own excuses from school, for absence or tardiness. The excuses will now have to be written by parents, and a closer check on absences will be kept.

The Board agreed to set a tentative date for the Special levy for May 11, the amount of the request will be \$113, -440.00 to be used for books, materials and additional staff. More information on the levy will be provided in the coming months.

Resignations from Lester Bull, Helen Malmsten, Bonita Cooper and Luwana Clark were accepted.

Radar stolen

The Forks Marshal's Office ordered a radar unit for the patrol car in February. It suddenly disappeared February 16 from the window of the Marshal's car parked in front of the Antlers. Whether it was an irate motorist or a citizen with too much liquid beverage it is not known, but if you happen to see an 18-inch cylinder, black with a gray screen, worth close to \$1,000 lying around anyplace, perhaps the marshal should be notified.

Postponed

The Pearl Macauley Circle of the Congregational Church meeting has been postponed from today (Thursday) to March 4th. The meeting will be held at the home of Mrs. Bert Maris.

Missionaries to speak

Mr. and Mrs. Robert Pitney, missionaries to Japan, will be speaking and showing slides at the Forks Bible Church on Thursday, February 25 at 7:30 p.m. They have served with the Evangelical Alliance Mission for five years. Mr. Pitney is a printer and his wife is a secretary. They also have Bible classes with the Japanese young people. The Pitneys look forward to returning to Tokyo in a few months. The public is cordially invited.

Pioneer Club To Meet

The West End Pioneer Club will meet Friday, February 26th, 8:00 p.m., at the Sportsmen's Club, Sandy Floe will show slides of his trip to Washington, D.C. The public is welcome.

Potluck supper will be served.

PLANS SET FOR MANSFIELD DINNER

The Mansfield dinner committees reported everything in control Tuesday evening. It is to be a night for sharing experiences with Tom and Marion. It is to be an evening of nostalgia and yet participation of the present for this family that has influenced the direction Forks has taken over past years and for years yet to come.

Youth held for assault

One Forks juvenile is hospitalized in Port Angeles, and one is being held on a second degree assault charges following a fight at the Forks High School, Wednesday.

The boys, age 15 and 13 were involved in an argument, one of the boys allegedly pushed the other into a wall, cutting the back of his head, the boy then pulled a knife from his pocket and stabbed his alleged assailant in the side. The knife penetrated the boys rib cage and punctured his lung. The boy was taken to Port Angeles by ambulance, the other youth was taken to the Forks Hospital where first aid was administered. He was

Bomb threat at school

At approximately 12:40 Friday afternoon a bomb threat was received at the Forks High School, the voice was described as a juvenile male. The school was evacuated and a thorough search was made by Marshal Dave Huson, sheriff's deputy Dave Robinson and the Ordinance Squad from Fort Lewis who

House Burglarized

The home of Mrs. Ted Hudson Sr., was broken into sometime late Saturday or early Sunday. The incident was discovered by Clifford Hudson, at approximately 2:30 a.m., Sunday. Entry was apparently

gained by someone who knew where a spare key was hanging, for there was no sign of forcible entry.

The loss was estimated at over \$1,000.00. It included, clothing, vests, coats, dresses, and Indian costumes, all beaded, traditional dress. An old Makah drum, deer skin about 18 inches. Three rifles, a Winchester Model 94, serial number 2718938, a 30-30, with bolt and clip, and a Remington 22 automatic, with a 7 shot clip. Two fancy hunting knives, a rod and reel, a small carved Indian canoe, the type used for table decoration, several glass floats, and a small amount of jewelry in a black carved box.

Anyone having information concerning this burglary or any of the missing items, please notify, Jefferson County Deputy Larry Gardiner, 962-2512.

School Board Meets

The Quillayute Valley School Board met Thursday February 18th.

At that time several people were present to discuss the proposed levy for books and materials and to discuss the problems that have been occurring in the school recently.

LETTERS TO THE EDITOR

Editor,

We should pay attention to what the legislature is doing because legislators are trying to get legislation through that would cost us a fabulous amount of money.

Legislative report #4 from INFORMATION PLEASE, 4200 Elizabeth Ave., Olympia, tells of several bills that seem to me to spend money unwisely. INFORMATION PLEASE, gives only facts you have to form your own opinions.

Senate Bill #39 would create a State Industrial dispersion authority to take over industrial development. The trend seems to be to take authority from our elected officials and put it under appointed agencies. Every agency barrels up into more and more high salaried officials appointed to run our business.

SB#33 would create a state mortgage insurance authority and SB#34 proposes tax exemptions and credits from the Department of Revenue for this mortgage authority. Wouldn't they have a good thing going for themselves? With help like this people could promote new industry as needed and do it more efficiently than government.

The last two bills are planned to work with SB#41, and House Bill 39 for the "new town" planning of the Governor's state planning community affairs agency. If all those measures pass just watch the money go. Why should government build new towns from scratch? Under fair conditions industry will locate where they please and people will build homes there.

Other expensive items are government supported child care centers and environmental education centers with "live-in" schools for small children away from home.

These things will pass if people are too indifferent to make their wishes known. Winifred Bunker Forks, Washington

Lucky buys cans

Lucky Breweries will buy back its empty cans--as well as Lucky "throw-away" bottles --in 11 Pacific Northwest cities beginning immediately.

The nation's first brewer with a plan to buy back and recycle all its "empties" will extend the program throughout Washington and Western Oregon in March, Lucky President Peter N. T. Widdington said.

Four months ago, Lucky pioneered bottle recycling in a "highly successful" program launched first in Seattle and quickly extended to Portland and 19 other Northwest cities.

The brewer's distributors pay 25 cents for every case of 24 Lucky bottles returned to their warehouses. "Now, our distributors will also pay 12 cents for every case of 24 Lucky cans," Widdington said.

Consumers will pay no more for Lucky beer as a result of the program, he said.

In a few days, we'll announce locations of all Lucky bottle-and-can collection centers to be established throughout Washington and Western Oregon by March 1.

Pre-School PTA

The Forks Pre-school PTA has taken on the sponsorship of a cooperative pre-school this year. The cooperative pre-school has been in operation since November of 1970 and has a membership of 33 children. There are two separate groups in operation: Monday, Wednesday and Friday the 4 and 5 year-olds meet from 12:30 to 2:30 and Tuesday and Thursday the 3 and young 4-year-olds meet from 9:30 to 11:30.

The word cooperative is stressed as the mothers of the children assist the teacher on a once-a-month basis. There are usually two mothers to assist in a session.

The pre-school program is geared to meeting the needs of the children. There is no set routine or schedule which has to be followed. It offers new experiences and ideas, stimulates curiosity and encourages imagination. By sharing and learning to take turns, the children learn to settle differences and respect the rights of others. The pre-school is not offered as a baby-

sitting service, nor does it attempt to pre-educate for the school system. The co-op is in existence as a preparation for formal education. It is an attempt at stimulating social awareness and communication with peers and adults.

It is also a place of fun and joy for the children.

Another function of the pre-school in preparation for kindergarten is self reliance; that is learning to take care of coats, boots and hats, taking turns at pouring juice and picking up toys after use. In an attempt to stimulate creativity the children use paints, chalk, colors, modeling dough and pantomime with music. Large and small muscle control is reached through the use of blocks, balance beam, scissors, hammer and nails, finger clay and puzzles. Stories show and tell and field trips are used to enrich vocabulary.

The older group also works on learning specifics and accomplishing projects. There is an introduction to letters and numerals through sound and meaning rather than memorization.

The 4-5 group is taught by Mrs. Hoyt Laney. The 3-4 group is taught by Mrs. Lewis Brust. Tuition costs and a registration fee pay for the salary of the teachers and supplies while the pre-school PTA paid for the initial equipment output.

The co-op meets in the old junior high building at the school. Pre-requisite for belonging to the co-op is membership in the Forks Pre-school PTA, monthly attendance at the meetings and length of membership in the PTA.

Chiefs take crown

For an unprecedented third straight year, the LaPush Chiefs have carried home the hardware in the West End Little League basketball program. They did it at the expense of the 76'ers with a 38-9 victory in the championship game last Saturday.

The Bullets picked up a third place finish by whipping the Hawks, 34-21.

In order to fully understand the playoff picture, we must reconstruct the happenings from Saturday, February 13th. On that day, the Lakers and the 76'ers lost while the Hawks were winning. Those happenings tied the Eastern Division three ways. Coach Richard Bangs was the "odd man" in the flip of the coin and won, with a bit-of-luck, a chance to play in the divisional championship game at 9:00 Saturday

morning, February 20th. To see who would play the Hawks, the Lakers and the 76'ers matched up on Thursday, February 18th. The 76'ers escaped with an 18-16 win and moved to the divisional title game against the Hawks. The Lakers at this point were out of it. As the Eastern Division unfolded its playoff set-up, the Western Division had a second place tie between the Pistons and the Bullets. Coach Bob Morgan's five had little trouble disposing of the Pistons, downing them 28-14. The Bullets then moved into the playoff for 3rd and 4th at 1:00 last Saturday. Their opponent would be the loser of the Hawk-76'ers affair to be played at 9:00 Saturday morning.

And so it was to be. The winner of the 9:00 battle Saturday morning would play against the Chiefs for the championship while the loser would meet the Bullets for 3rd and 4th places. The Hawks and the 76'ers battled evenly for three quarters with the score being the Hawks 21, the 76'ers 19. However, the fourth quarter found good defensive play to be an asset as the 76'ers outscored the Hawks 12-2 to race home with the victory, 31-23. Each team hit 30% from the floor, but the charity line told the story. Little Eddie Bishop hit on 5 or 7 attempts. Please turn to page 15.

and the 76'ers 7 or 20 for 35% while the Hawks could manage only 19% from the line while hitting 30% from the floor. Dave Linderman tallied 14 to lead the Hawks.

In the 1:00 playoff game, the Hawks showed signs of fatigue as they began play in their second game of the day. The Bullets streaked to a 20-10 halftime lead and never looked back. Jim Leppell netted 12 and Keith Mauvais, with his slick ball-handling, canned 8. The Bullets, not to be denied, hit for 43% from the floor to over shadow the fine 14 point performance by Keith Keys of the Hawks.

Turnovers proved the difference as the Bullets had 13 while the weary Hawks had 24.

The Chiefs, as they have done all year, waltzed to a 38-9 triumph over the 76'ers. Chuck Minor's team was never in it as they trailed from the out-set, 9-2. With the score 19-2 at half, there wasn't much doubt as to the outcome. Remarkably, the Chiefs shot 67% from the floor in the first half and 50% for the game, which is pretty good shooting in anyone's league. Also, from the line, the Chiefs hit a nifty 50% to cap what one might call a "beautiful day". Butch Eastman's 9 points led the Chiefs, who received fine scoring efforts from Dean Penn and Bryon Fryburg with 7 apiece and Mark Williams with 5 points.

The 76'ers couldn't find the hoop and could only manage

13% from the floor. The 1id was still on the hoop for the 76'ers as they hit 1 of 14 from the foul line. Willy Johnson hit 4 counters and Rick Hurn and Steve Weed netted 2 each. Little Ron Hurn closed out the scoring hitting the only 76'er foul shot.

Final league statistics will be released by commissioner George Olsen next week.

Luncheon Held

The women of the Forks Congregational Church held their annual Valentine luncheon Friday.

The Fellowship Hall was decorated in a Valentine motif, with individual welcome place cards at the tables, and a delicious assortment of Valentine cookies.

The menu featured a rice and ham casserole, molded jello salad with apples, strawberries and homemade rolls.

The highlight of the event was a style show presented by Alice's of Forks.

The lovely models wore clothes suited to their personal tastes. The models were, Mrs. Wilmer Ulin, Mrs. William Bullock, Mrs. Walt Fuhrman, Mrs. Terry Dachs, Mrs. Claude Clark, Mrs. Ralph Warren, Mrs. Norman Bagby and Mrs. John Nagel.

The very latest in spring styles were shown, pantsuits seem to be the most popular item this year, with perhaps the exception of "-----" or short shorts for the very young and the very trim. Alice said she positively

refuses to call those shorts by the name so popular now days. So, we left it out for you, Alice.

Some of the lovely spring styles are in the ever popular Americana colors of red, white and blue, some have interchangeable tops and can go from day to night time wear with the simple change of accessories.

Some gorgeous styles of summer sleep wear and lounging robes were shown, one of those a yellow nightie which Alice said made the model look like a "wicked angel". The spring style robe was a multi-colored long robe in blue, both dark and pale, and cream.

The very latest in kicky summer co-ordinates were shown with many of the styles in ever practical terry cloth.

The event was ended by Mrs. Ralph Warren, dressed in a green body stocking. Joyce wore all kinds of accessories, scarves, chokers, a floppy brim hat, carried several purses, wore many different kinds of belts and you can never tell what else! This was

Alice's way of showing all the many lovely accessories she has for your spring and summer ensembles.

Mrs. Bert Maris, was chairman of the luncheon, Mrs. Elmer Fraker was in charge of the food. Mrs. George Campbell was decorations chairman, Mrs. Lee Cromley was in charge of background music.

The proceeds are to go to the organ fund.

In and Around Town

By Mrs. Paul Lingvall

Mr. and Mrs. John Spoelstra returned February 16 after spending a couple of weeks on the Hawaiian Island, celebrating their 25th wedding anniversary. After landing in Hilo on the island of Hawaii, they took a tour which included the island of Maui, Oahu and Kauai. They went sightseeing by bus on the islands and saw among other things the volcano of Kilauea, Pearl Harbor and the Punch Bowl and attended a luau with Hawaiian dancing. One of the highlights of their trip was the ride on a riverboat on the island of Kauai to the Fern Grotto, only topped by the surfing John did at Waikiki Beach. While on the island of Oahu they visited a former Forks resident, Miss Dorothy Murao.

Mr. and Mrs. John Leppell Jr., returned from a few days in Reno, Nevada. Accompanying them on the trip were Edna's aunt and uncle, Mr. and Mrs. George Courmyer from Olympia. When I asked Edna some of the things they did while there, she just laughed and said, "well, what do you do in Reno?" So, that leaves us all guessing.....

Mr. and Mrs. Alan Kitchel and family from Seattle, visited the Lloyd Kitchels and the L. E. Bragers last week. While here they attended the wedding of Karen Swanson and Gary Johnson and also did some beachcombing.

Mr. and Mrs. Roy Black Jr., traveled to Tacoma and visited with Linda's cousin, Mr. and Mrs. Clifford Cooper and together they flew to Reno, Nevada. Apparently they were doing the same things the Leppells did, because Roy told me, at the one casino they went to, he all of a sudden recognized a familiar head and sure enough it was John Leppell. Small world isn't it? Roy and Linda also took in the Irish Rover show.

Bert Black and Dyane Jones are attending Madera Indian Vocational school in Madera, California. Roger Williams from LaPush was injured during the earthquake, he received a broken arm when something fell on him. He is reported in good condition.

Mr. and Mrs. Richard Motmer Jr., former Forks residents, of Klamath Falls, Oregon, are the very proud parents of a set of triplets, 2 girls and 1 boy. They were born February 16th.

Miss Cheryl Merrick was home from Shoreline College

during the long holiday weekend. She is majoring in interior decorating and made the honor roll. Her parents are Mr. and Mrs. Jack Merrick.

Mr. Phillip Mast returned February 21st after spending 2-weeks' visiting friends and relatives in Portland and Myrtle Point, Oregon.

Mr. and Mrs. Philip Jaspers and family, traveled to Portland during the long holiday weekend and visited Kate's sister and brother-in-law, Mr. and Mrs. Bob Hilliker. While there Kate judged the Northwest Roller Skating figure competition.

Mr. and Mrs. George Campbell traveled to Langille and visited their daughter and son-in-law, Mr. and Mrs. Jim Wallace and to Everett for a visit with their daughter, Edie Campbell.

Visiting the Don Eckhoffs for a few days were Mr. and Mrs. Harold Nelson from Troy, Montana.

Mr. and Mrs. Henry Halverson drove to Redmond and spent the long February weekend visiting Henry's nephew, Mr. and Mrs. Tilder Halverson. February 20th "Halvi" attended the Clallam County fair board meeting at the Courthouse in Port Angeles.

Mr. and Mrs. J. A. Johns had their daughter and son-in-law, Mr. and Mrs. Mike Ladich and granddaughters (twins), Maruina and Elena, here for the long weekend.

Don Nelson and John Thompson from Everett spent 2 days in Forks, visiting Mr. and Mrs. Del Gott and family. They enjoyed the area very much and tried their luck fishing... sorry, better luck next time.

Mr. and Mrs. Clarence Alexander spent the weekend visiting their granddaughter and her husband, Mr. and Mrs. Larry Marshall of Amanda Park. Also, there were the Alexander's daughter and son-in-law, Mr. and Mrs. John Olson and grandchildren, Keith and Janice Kay. February 22, Keith Olson, visited his grandparents, before leaving for Camp Pendleton, California for military training.

Mr. and Mrs. Clarence Alexander spent the weekend visiting their granddaughter and her husband, Mr. and Mrs. Larry Marshall of Amanda Park. Also, there were the Alexander's daughter and son-in-law, Mr. and Mrs. John Olson and grandchildren, Keith and Janice Kay. February 22, Keith Olson, visited his grandparents, before leaving for Camp Pendleton, California for military training.

Mrs. Donald Carte and children drove to Seattle last weekend to meet her husband, who returned from Salt Lake City after spending 10 days there attending a training course "Introduction to Supervising and Management", conducted by National Oceanic and Atmospheric Administration

Vows Exchanged

In a lovely afternoon ceremony February 13th, held at the Forks Congregational Church, Karen Sue Swanson, daughter of Mr. and Mrs. Clyde Swanson of Star Route 1, Forks, became the bride of Gary Wayne Johnson, son of Mr. and Mrs. Hap Johnson of Castle Rock, Washington.

Reverend Ted Ringsmuth performed the double-ring ceremony in the presence of 140 guests. The church was decorated with two large baskets of white mums and lavender carnations with dark purple bows. The pews were marked with deep purple bows. A large bouquet of lavender and white carnations and candelabras decorated the altar.

Mrs. Kate Silves was the organist, the soloist was Mrs. Cheryl Rich, she sang, "One Hand, One Heart" and "Entreat Me not to Leave Thee". Special music was provided by a cousin of the bride, Ray Fleming of Naniamo, B. C. He played the bagpipes at the wedding. He played "Scotland Braves" up the left and down the center aisle before the wedding, he also entertained during the reception and before the bride left the church.

The bride given in marriage by her father, wore a full length long sleeve gown of French lace over satin with a full lace train. Sequins, pearls and bows adorned the front of the beautiful gown. The bride's veil was attached to a crown of pearls. She carried a Colonial bouquet of white roses with lavender carnations. A six-pence was in her shoe, a gift from her aunt, Georgia Hart. The maid of honor was Pat Perry from Portland, Oregon. She wore a long deep purple velvet dress, with puffed sleeves, and carried three long stemmed white roses tied with purple ribbon.

They spent the weekend visiting with friends in Seattle.

The bride's maids, Cherie Swanson, sister-in-law of the bride wore a lavender satin, puffed sleeve dress trimmed with purple velvet. She carried a white long stemmed rose with purple ribbon. Sharon Brink, sister of the groom wore the same style dress and also carried a white rose. All three of the attendants had headpieces of purple velvet, with lavender tulle.

Tammy Swanson, niece of the bride wore a long deep purple dress, with wide puffed sleeves, two small purple roses with lavender tulle was her headpiece. She carried Colonial bouquet of lavender carnations.

Bobby Swanson, nephew of the bride was ring bearer. Best man was Ron Downing of Castle Rock, brother-in-law of the bridegroom. Ushers were Phil Kitchel and Bob Swanson of Forks.

The bride's mother wore a 2-piece navy blue dress with white trim, blue shoes and white gloves. The bridegroom's mother wore a mauve dress with lace flowers, at neck and wrist, with matching shoes and white gloves. Both mothers had white rosebud corsages.

The reception was held in the Fellowship Hall following the ceremony.

Mrs. Helen Miller of Edmonds, and Mrs. Margaret Fleming of Naniamo, B. C., aunts of the bride poured. The cake, made by Mrs. Jackie Kilmer, was cut by Mrs. Georgia Hart of Forks and Mrs. Nadge Edwards of Sappho. Punch was ladled by Mrs. Sharon Parberry of Forks. Mrs. Anna Williams of Port Angeles and Mrs. Cheryl Moody of Forks opened the gifts. Jo Marie Dahlgren was in charge of the guest book.

For her going away ensemble the bride chose a red pantsuit and a corsage of white rosebuds with a red rose in the center.

The young couple are both graduates of Forks High School class of 1966. The bridegroom

attended Western Washington State College in Bellingham and is now working in Longview, but plans to return to college in the fall.

The bride attended Clark's College at Vancouver, Washington, and was employed at Jim Fisher's Imports in Portland.

After a short trip to Vancouver, B. C., the couple will be at home in Castle Rock.

Out of town guests were: Mr. and Mrs. Jim Martin, Portland, Oregon; Mr. and Mrs. Helmer Swanson, grandparents of the bride, Mt. Vernon, Washington; Mr. and Mrs. Ray Fleming and five children, Naniamo, B. C.; Jack Parberry, Abbotsford, B. C.; Mrs. Don Miller, and daughter, Carol, Edmonds, Washington; Mrs. Cliff Emerson, Lynnwood, Washington; Mr. and Mrs. Jake Ashburn, and daughter, Mary, Bellingham, Washington; Mr. and Mrs. Bruce Welsh, Portland, Oregon; Mr. and Mrs. R.M. Sturgis, Troutdale, Oregon; Mr. and Mrs. Ray Downing, Castle Rock, Wash.; Linda and Michael Lambardi, Kent, Wash.; Mr. and Mrs. Carl Cole, Kelso, Wash.; Mr. and Mrs. Alan Kitchel, Seattle, Wash.; Guests from Port Angeles were Ethel Marsh, Anna Williams, Mr. and Mrs. Pete Strom, James Fox, and Mr. and Mrs. James Harper.

PRINCE OF PEACE NEWS

Lenten services will be held at the Prince of Peace Church Wednesday evening at 7:30, starting February 24th.

Five church council members attended a retreat, which was held at the Ocean Park Resort in LaPush.

The ALCW women's group met February 21 for a study of the book "Beyond Ourselves" by Catherine Marshall. We packaged soap to be sent to the Lutheran World Relief. Different motels in the area had donated the soap. The "WE CARE" group collected food for a young family from members of the congregation.

The sermon for the coming Sunday will be the "The Enticing Evil One" (from Matthew 4:1-11).

ON STATE PARKS
The days of free and unrestricted recreational use of state parks and land administered by state agencies may be nearing an end. State parks director, Charles Odegaard has announced a plan to copy the federal Golden Eagle system and charge \$10 annually at least \$1 per most vehicles for single visits to state parks.

A bill now pending before the House Natural Resources committee would force the parks department to charge admissions and would authorize limiting park attendance on a first-come, first-serve basis.

Odegaard predicted the bill would lead to an up to 40 percent reduction in state park attendance.

If the admission fee doesn't restrict park usage enough to prevent overcrowding, the bill by Rep. Lois North of Seattle would allow the park department to cut off admissions when it felt a park was full.

LOSS OF ELK

It has been estimated that more than 400 cow elk were illegally killed in Washington this past season. Each of the killed cows might well have produced five calves in her lifetime regional game biologists said. These 400 cows represent animals in which the department could have issued 400 or more permits. It was also estimated that the 400 killed cows with calves---and calves of calves---by 1975 would have totaled at least 3,000 elk. It was agreed that of the 3,000, half would have been huntable bulls, since the bull-cow ratio is about 50-50.

To sum things up, sportsmen have lost a mathematically massive herd of game for future use. This loss can be placed upon the same group who commences to destroy all hunting and fishing rights of sportsmen. We know this group as very careless sportsmen and poachers.

The department estimates the 1970 all-state elk herd at about 54,000 head.

HERE AND THERE

According to the Washington State Department of Game, bow season will again be held this following hunting season. Larry Barger of the Bogachiel Rearing Pond says the young steelhead are now in the 6 to 8-inch bracket. These fish will be ready for planting near the end of March.

Many blackmouth were taken at Sekiu over the weekend with several running in the 17-pound bracket.

This weekend marks the closing of many steelhead areas on local streams. Many upper portions of these rivers will close. It might pay to check the regulation booklet.

A dirt baracade has been placed on the south end of the Lake Creek garbage dump road in hopes to protect the creek from litter. It seems that the public would someday wake up and take notice of that which they are destroying. Many thanks to the county for protecting our environment and also for keeping open a garbage disposal which came close to being closed due to public health reasons. Let us do our part by dumping garbage where it belongs.

Spartans End Season

Forks High School ended their 1970-71 season on a disappointing note last Saturday evening bowing to the Sequim Wolves, 74 to 63. The Spartans finished the season with a 8-win and 12 loss record over all and two and 8 in league play.

The game with Sequim was one of those rough and tumble contests resulting in 64 personal fouls and three technicals. Thirty-seven fouls and two technicals were whistled against the Spartans as the Wolves collected 36 of 56

from the free-throw line. Forks getting the short end of the stick, managed 23 of 40 from the foul line for 58 percent. The Spartans did out-score the Wolves from the field making 20 while the Wolves poured through 19 shots. The Wolves actually had very little problem with the Spartans as they jumped quickly to a large lead and led as much as 22 points in the game. Sequim led 19 to 11 at the end of the first quarter, 38 to 22 at half, and 36 to 55 at the end of three

Sunset Highlites

By Fred Jarvis

Been n an awful slump and with our City Tournament coming up in less than three weeks, I'm as nervous as a long-tailed cat in a room full of rocking chairs. That's nervous, ain't it? Been doing lots of practicing tho, and hope to come out of it. The rest of you guys better come down and get in shape, as the tournament is the 13th and 14th of March.

Barbina Allen hit 180, Faye Fuhs had 183 and picked off the 5-6, Pat Hammell threw a 480, Ollie Swearingen a high of 482, and Gerry Banner converted the 5-10, all in the Tuesday Afternoon League.

"Ioss" Caulkins was the big gun for the Sunset bunch with a big 245 and 565.

The Powder Puffs had Fern Johnson at 190-507, and Mary Kennedy, again???? at 518 plus picking the 6-7-10.

Shirley Halverson of the Hoot Owls hit her first 200, a big 221, only 98 pins over her average. Joanne Hjelmeseth threw a 195-523.

Pat Lindquist of Thursday Beginners had a 136, Colleen Gagnon a 143-371, and Pat Brooks a 373. The Captains were led by Margaret Windle with 189-496. Kathy Decker had 186-493, Sally Nagel picked off the 4-10 and Anita Bumgarner the 5-6.

Women's Thursday Nite. Yvonne Thomas 190, Fern Johnson 190-538, and Barb Kelso 530. Joyce Mueller converted the 4-7-9-10, and Gladys Allen the 4-7-10.

Gordon McCoy topped the West End guys with 206-549. Jerry Beebe rang up a 193-502 in Friday Nite Mixed and Jerry Winn went out of his wig with a 214-584.

Somebody got shook up at Saturday Nite Monte Carlo. No luck for Leta Rondeau on the T.V. shot and none for Wanda Long either on the Jackpot shot. The Jackpot is getting pretty big and is begging to be won by someone. Better come down Saturday nite and try your luck.

A Mrs. Lotus Happy notified me that she had a stairstep 168-169-170 in the Women's Tournament. Never heard of her. Congrats to Avelon on her 207-558 in the team event. Understand you and Sally are even now.

Olympic Traveling League at Bainbridge: D.J. Caulkins, 221-581; Duke 573; Ted Prior 226-571; Dick Suchodolski 236.

Sunday Nite Mixed: Phyllis Whitehead 202; Joanne Hjelmeseth 474; Bob West 212; Jess Parris 538; Forks Prairie: Darrell Thomas 225-558.

Don't forget the City Tournament March 13-14.

Bowlers of the week: Shirley Halverson 221, Fern Johnson 538; D.J. Caulkins 245, Jerry Winn 584.

Lions Trip Spartans

Last time the Lakeside Lions and the Forks Spartans met the Spartans took the high-flying Lions into overtime before bowing to the Lions, 74 to 70. Well, last Friday evening the Lions weren't taking any chances and used a hot fourth quarter to down the Spartans, 73 to 60.

The Spartans never did have the lead in the game, but the Spartans did give the Lions many hairy moments. The Lions jumped off to a quick 10 to 0 lead due to some great shooting and sharp passing. Lakeside led 22 to 13 at the end of the first quarter.

The second quarter belonged to the Spartans as the Spartans out-scored the Lions 16 to 10 or should I say Don Hutt out-scored the Lions 13 to 10. Hutt, working very smoothly under the boards for the Spartans, scored 13 points in the second quarter to guide the Spartans back within three points, 32 to 29 at the half-time. Don collected 29 points.

at the Howard Stockman

overall for the Spartans and game scoring honors for the game.

The Spartans battled the taller Lions pretty much on even terms staying within seven points of the Lions throughout the third quarter, but the fourth quarter was a different story.

In the fourth quarter the Lions shooting warmed up again and Greg Walsh and Paul James began to control the area close around the basket. Walsh scored a total of 10 points in the quarter and James blocked a total of seven Spartans shots as the Lions built their lead to 19 points and then coasted the rest of the way against the Spartan reserves for the victory.

A lot to be said for the determined Spartans as they would not say die against the talented Lions. Mike Simmons and Bruce Allen did an outstanding job of battling the taller Lions for rebounds. Bruce Dunlap, Eddie Jackson, and Ray Maxwell put forth a good effort of holding Lakeside's high scoring guard to 17 points between them, 7 coming in the fourth quarter after the game was decided, far below their usual 35 points per game out put.

In preliminary action Forks Junior Varsity lost a heart-breaker, 43 to 41 to the Lakeside JV's. Forks led the entire game with the exception of the last twenty seconds when a basket by Lakeside tied the score 41 all. After a Spartan turnover, Lakeside got a man free for a basket with six seconds left and the victory.

Forks JV's shot 33 percent from the field making 13 of 40 and 15 of 23 gift shots while Lakeside poured 19 of 54 field goals and 5 of 13 free-throws.

Mr. and Mrs. Jake Ashburn and daughter Mary of Bellingham, Mr. and Mrs. Ray Fleming and their five children of Nanaimo, B.C., and Mr. Jack Parberry of Abbotsford, B.C., were guests over the Feb. 14 weekend at the home of Mr. and Mrs. Clyde Swanson. Mrs. Ashburn, Mrs. Fleming and Mrs. Swanson are sisters, and Mr. Parberry is their brother.

Mr. and Mrs. Helmar Swanson from Mount Vernon, Washington, and their son-in-law and daughter, Mr. and Mrs. Don Miller and two daughters, from Edmonds were also guests at the Swanson home, all here to attend the marriage of the Swansons' daughter, Karen Sue, to Gary Wayne Johnson, son of Mr. and Mrs. Hap Johnson of Castle Rock, Washington on Saturday, February 13.

Mr. and Mrs. Helmar Swanson are Clyde Swanson's parents, and Mrs. Miller is his sister.

The Hap Johnsons are former residents of this area.

Mr. and Mrs. Elmer Orum and baby daughter are new tenants of the Edward's Apartments.

Mr. and Mrs. L.R. Eaton went to Port Angeles on Saturday to visit his mother, Mrs. Al Koske, who was taken to Olympic Memorial Hospital on Wednesday of last week suffering from a severe heart attack. It is thought she may have to have a pace-maker placed in her chest, to control her heart action.

Mr. and Mrs. Bob Gwerder and daughter, Elizabeth of Seattle visited over the weekend with Mrs. Gwerder's brother-in-law and sister, Mr. and Mrs. Dean Hurn. On Sunday Mr. and Mrs. Dick Boury and four children of Forks and Mr. and Mrs. Dean Johnson and their two children were guests at the Hurn home, the occasion being little Elizabeth's fourth birthday. Dinner was followed by cake and ice cream after which the little girl enjoyed opening her birthday gifts.

Mrs. Boury and Mr. Johnson are sister and brother respectively, of Mrs. Gwerder and Mrs. Hurn, and it was

the first time thirteen of the cousins had all been together.

Mrs. Grice of Seattle is visiting her son Ray Grice and family at Bear Creek.

TRAIL RIDERS NEWS

The phones kept ringing from house to house, amongst the horse owners, what can be done about the park trail closures? First step, organize, or not be heard or represented. Step two, write congressmen, senators, etc. Step three, invite other groups to speak to us. Okay that's a beginning. How about you likers of our National Park Trails--you're next you know! Help us fight

this! These parks belong to all of us. A quote from Sharon Clarke's letter to Senator Jackson, "Are we little children to be seen and not heard?" Be heard! Join us Wranglers at the Prince of Peace Lutheran Church at 7 p.m., Thursday, February 25th. Guest speaker will be from the Olympic Saddle Club in Port Angeles, with latest on the park situation.

Rein Rider Doreen Miller is just as pleased as punch with her new paint horse, Amigo. The gentle little paint was purchased for her from Mike and Linda Peabody.

Fletcher-Wittenborn

Members of Fletcher-Wittenborn Auxiliary to Post #9106 met in regular session February 15th. Katie Echternkamp of Sequim was a visitor. Martha Lewis, president of the local unit, announced initiation, nomination and election of officers will take place the last meeting in March.

Poppy chairman Shirley Sharpe reported that 2500 poppies had been ordered.

The three members that attended the Valentine party at Fircrest gave a detailed account of the party. Daisy Klahn said it was a very worthwhile project and she was glad she could participate. Shirley Fox agreed and told of the cookies, candy, Valentines, clothing and jewelry that was taken by them. Martha Lewis spoke of the tour of the new buildings and facilities that will soon be opened. As there were some cookies left over, these were taken to the Sea-Tac Lounge which is sponsored by the VFW auxiliaries in the department of Washington for returning service men from Vietnam.

A contribution was made to the special class in the Forks school to help purchase paint, brushes and material

to work with.

Mrs. Lewis urged members to write to their legislators to urge continuation of grant-in-aid for our service organizations.

Final plans for the Post birthday were discussed. The party will be February 27th in the Sportsman Club, 9:00 p.m. All members, husbands, wives, and guests are invited to join in the festivities.

First Baptist News

This Saturday evening, February 27, at 6:30 p.m. the Young Adult Sunday school class will have a bean supper at the church. Everyone between the ages of 17 and 30 is invited to attend the dinner. Les Bull, a teacher and layman in the church, will

bring the message Sunday morning. Sunday evening service will be directed to preparation for our revival, March 21-28.

Shearer Fire Chief

Ron Shearer, Forks Volunteer fireman was named to position of fire chief at the meeting

held February 16. Shearer replaces John McFall who resigned because of the heavy workload on his personal job.

The Forks Fire Department is to be commended on the fine job they are doing for the community. Congratulations chief, and a "thank you" to you all.

Smoky Bear Coloring Contest

The annual Smokey Bear Coloring Contest for Juniors is now being held throughout the schools of the United States.

This contest, a product of the National Council of state garden clubs. The Bogachiel Garden Club of the Forks area is the sponsor of the local contest. Mrs. Ron Shearer being chairman.

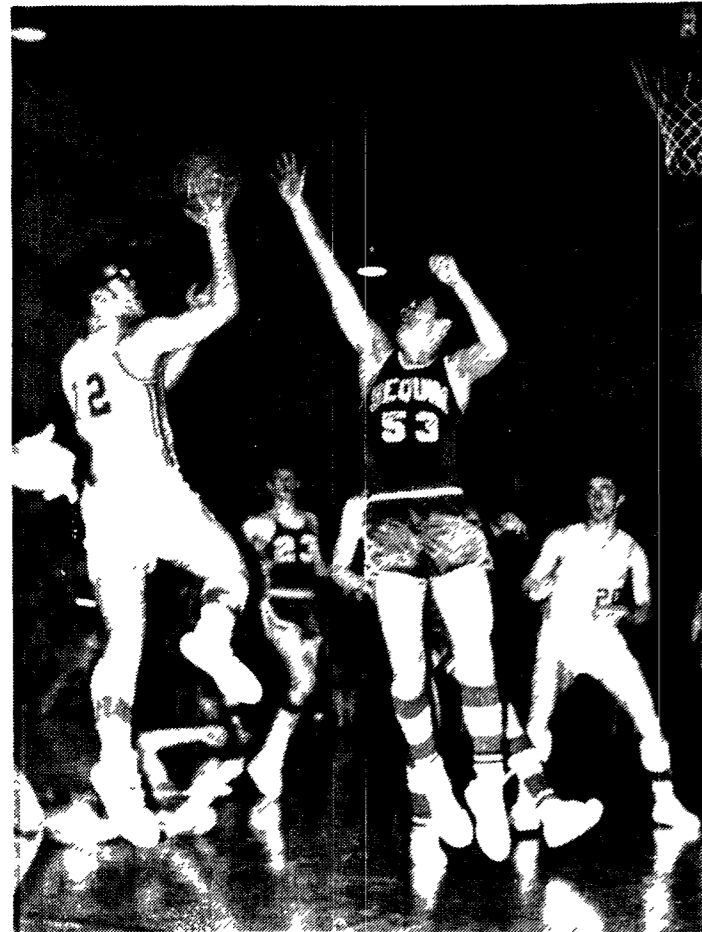

This contest is a great help in making children aware of forest fire dangers, which in turn also causes pollution. Entry blanks were distributed in the schools and show Smokey Bear and his friend animals, which are to be colored.

Rules are:
1. Participant need not be a member of affiliated junior garden club.
2. Age groups include 6-8, 9-11, 12-14:
a. Ages 6-8 will use crayon.
b. Ages 9-11 will use colored pencils.
c. Ages 12-14 will use water colors.
3. Only ONE entry per individual.
4. Color sheets will be judged on neatness and artistic quality.
5. March 1, 1971, closing date of contest in Forks schools.
6. Bogachiel Garden Clubs sponsors of local contest for local judging.
7. Name of winners will be announced and prizes awarded at the national convention of National Council of State Garden Clubs in Bal Harbour, Florida.
8. All entries become the property of National Council of State Garden Clubs, Inc.

Bruce Dunlap (12) drives and puts up a shot for the Spartans in their losing battle with the Wolves of Sequim. Foul shots went astray, turnovers were many, and tempers flared as hometown fans witnessed the fall of the Spartan empire Saturday night in the Forks High School gym. ---Lonnie Archibald

JV's A Winner

Forks High School Junior Varsity team, next year's Spartans, lost their last game of the year, 40 to 31 to the Sequim JV's, but finished the season with a 13-win and 7-loss record. The future Spartans showed promise of giving Spartan fans an exciting year come next season.

Against Sequim the young Spartans were up and down as a result had the lead seven different times. But in the end it was the Spartans' 16 turnovers, 29% shooting, 9 of 31 from the field, and a foul total of 13 of 27 for 48% that gave the young Wolves the victory. Ron Diimmel paced the JV's with 10 points.

Coach Jerry Cash's junior varsity team not only finished with a 13 and 7 record, but some very impressive statistics. Ron Diimmel finished the season as the team's leading scorer with a total of 245 points and a 12.9 average, followed by Bernie Nash, 205 and 10.8 average, John Dahlgren with 185 and 9.7, and Jeff Wittenborn with 154 and 8.1. John

Dahlgren, 5'8", led the JV's with a total of 179 rebounds and in assists with 67.

The Junior Varsity players will get their chance next year as all but one varsity player will leave by way of graduation at the end of this year.

Olympic League Action

After watching the Olympic Class "A" teams in action the picking of an all league team is a little difficult as many players put forth good performances. But consistency is a big part of the game and I will go with the following players.

First team at guards we have a couple of runts, but both are real fireballs, Keith Harper, Port Townsend; Keith is a 5'8" junior, averaging 16.2 points a game and Kerry Lamus, Lakeside; Kerry was injured a good part of the year, but he is the player that really made the Lions go, he averages just over 10 points

per game. Forwards are Rich Gasfield from Port Townsend and Don Hutt from Forks. Rich is a 6'2" senior, averaging 15.9 points per game and 12 rebounds, Don Hutt is a real competitor and will be sorely missed by the Spartans next year, Don is averaging a cool 17.0 points per game. The last selection on the first team is Paul James of Lakeside a 6'4" junior, averaging 9.9 points a game and a league high of 15.3 rebounds per game.

Second team: Forwards, Reid Gunstone, 6'1" junior, Port Townsend and Gerald Planchich 6'2" senior, from Vashon. Guards, John Basalt 6'1" senior from North Mason and John Sechrist 5'10" senior from Vashon. Center is Paul Stroeder 6'6" from Port Townsend.

Honorable mention: Ray Maxwell, Forks; Fred Bowmar and Greg Walsh of Lakeside; Gary Brown of Port Townsend; John Merrill of North Mason; and Robert Browning and Dave Smith of Vashon.

DON HUTT HIGH SCORER

The Spartans finished the season as a team with 8 wins and 12 losses for the season. The Spartans averaging 54.3 points per game, while their opponents averaged 62.1. The following is the scoring for the Spartans.

	Games	Total	Average
Don Hutt	20	340	17.0
Bruce Allen	19	157	7.8
Mike Simmons	20	153	7.6
Ed Jackson	20	110	5.5
Ray Maxwell	14	109	7.8
Chet Hunt	19	79	4.2
Darrell Beebe	19	60	3.2
Bruce Dunlap	19	56	2.9
Rene Neilson	19	45	2.4
Dan Hinchen	16	23	1.4
John Dahlgren	3	3	1.0

Bridal Shower held

A surprise shower, no host luncheon, was held at the Vagabond for Ruth Ann Leppell, who will be married February 26th to Frank Feeley. A beautiful arrangement of pink roses and a large pink bird (stork) centered the table. Ruth Ann received some lovely gifts and was pres-

ented with a uniquely decorated cake. Those attending the shower were Jessie Brager, Betty Otos, Mary Ann Bullock, Marjorie Howard, Nedra Reed, Dee Hilt, Irene Goos, Jean Street-er, Eunice Jones, Virgie Bourm, Dorothy Gorham, Alice Simonton, Vicki Rosmond and Ingrid Lingvall.

Why attend?

A Political Meeting

Did you ever feel like talking about an injustice, or perhaps something good has happened to you that you would like to share with others. What ever your thoughts may be your voice may be heard at a West End Democratic Club meeting. This is only the grass roots yet your voice is heard all the way to the top of the largest political party in the USA. Now isn't this better than speaking out in a barber shop, a tavern or just around the house. In the first illustration you are helping to select a candidate or influence the making of a law. In the second place you may only have nuisance value.

We had a very lively and enjoyable meeting on February 4, at the Vagabond. We will meet again on March 4th at the VFW Hall. Following are some issues that affect you in your daily life, and which you may discuss at our next meeting:

1. American taxpayers give farmers over 3 billion dollars not to grow a crop. This is an advantage to some large farmers, but a disadvantage to consumers and taxpayers, therefore, why do we continue what is morally wrong?

2. The Internal Revenue Service allows (only) to oil companies 27 percent deduction on their income tax. Is this liberty and justice for all?

3. We impose import duties on foreign oil coming into the U.S., which increases the cost of oil to consumers. This destroys the principle of foreign trade and again the consumer is disadvantaged. Why does our government allow this to continue?

4. Why does the average American have to be burdened with such high insurance costs? Do we the people exist for their benefit?

5. President Nixon is now proposing wage and price controls in the construction industry. To give labor its fair share from growth in the industry there must then be profit sharing. Why was this not proposed?

posed?

If you would want to know more about these issues we will contact our Rep. Lloyd Needs for further explanations.

Our new officers for 1971 are: Barbara Windle, president; Ted Jacobson, vice-president; Ingrid Lingvall, secretary; and Millie Thompson, treasurer. These officers are interested in you and your welfare, come and meet them at our next meeting and bring a friend.

Gleaners meet

The Forks Prairie Gleaners met on Monday of last week at the home of Mrs. Arthur Munson at Beaver. Committees were appointed, and there was a lengthy discussion

of the 1971 National contests of sewing, needlework, and baking, beside several other contests the Gleaners have not entered into in past years. Mrs. Munson demonstrated various techniques of sewing on stretch materials.

Driftwood Show

The fun, beauty, use of driftwood-natural, worked and sculptured will be seen at the 9th annual Beachcombers Driftwood Show March 20 and 21st, Twin Harbors Beach area, Grayland Community Hall-Grayland, Washington.

Free of charge and open to non-professionals of all ages the show will present eight categories of driftwood; one for Japanese glass floats and three divisions in flower arrangements. Accredited judg-
