popular elk areas, while eastern Washington elk hunters can expect another good elk year.

Waterfowl--It appears that conditions were nearly ideal this year for statewide production of waterfowl as well as production of waterfowl in most parts of Canada and Alaska. Hunters will find locally reared ducks their main targets at the early part of the season, and northern ducks will provide the most action in December and January. Washington waterfowl hunters nearly always have ample ducks, but hunting success almost always depends on ideal duck hunting weather during the season. Goose hunters can expect to enjoy another good year.

Pheasant--Western Washington pheasant hunters will find wild bird production down this year due to the cold spring, but the popular public shooting areas will receive usual plants of game farm birds periodically during the season. Eastern Washington pheasant hunters will find improved hunting this year in southcentral and southeastern Washington, but availability of birds in the Columbia Basin will be down slightly over normal years--mostly due to the effects of inclement spring weather this year. Pheasants in Okanogan and Chelan areas are still recovering from the effects of the past three winters. Spokane area pheasant populations will be comparable to last year.

Quail--Quail production in southcentral and southeastern Washington this year is up 30 percent, and hunters should find excellent hunting here. Popular quail areas in the Chelan and Okanogan Valleys are also recovering from the effects of the past severe winters. Western Washington quail hunters can expect fewer birds this year due to inclement weather this spring during the peak of nesting and hatching.

Grouse--Forest grouse also suffered from the effects of the very cold and rainy spring this year. Generally, speaking, there should be good numbers of adult birds, but production of young birds statewide is down this year.

IN THE HOH RIVER VALLEY ---A young visitor to the Hoh Rain Forest observes that which is beautiful. He hears a squirrel chattering in the fir tree high above. He finds a fantasyland awaiting his observation. The sweetness of the forest is evident as is its purity. A colonnade of evergreens nourish on that which has fallen victim to Nature's ways. This is only a small portion of that which awaits the visitor here in the Hoh River Valley.

NEW DISPATCHER JAILERS IN FORKS

Forks Town Marshal's office has added two new dispatcher-jailers to its staff. They are hired on a federal grant administered by the State of Washington.

Donald William Wolfe, 413 E. 12th St., Port Angeles, is 27 years old, married to Robin Lizzetta. The Wolfes have no children. He grew up in Port Townsend and has a master's degree in science from Western State College in Bellingham, advanced fingerprint training from the FBI, training in access system which he acquired at Olympia College in Bremerton, and breath-analyzer training. He is also a gun smith.

His hobbies are photography, hunting and fishing, rifle and pistol competition shooting. Wolfe is a former school teacher and left to work in the law enforcement field. He was formerly employed as a dispatcher jailer, by the Clallam County Sheriff's office. A member of the Northwest Fraudulent Check Association, Wolfe will be handling the bulk of bad checks processed through the Town Marshal's office. The department feels extremely fortunate to have a person with his training.

Glen Mason McDaniel is 40 years old, married to Margaret Ann and has 4 children. He attended high school in Indiana and has previously been employed as a tow-car operator, and has railroad and hospital experience. He spent

NEW DISPATCHER JAILERS IN FORKS

6 years in the army doing, among other things, special guard duty. He has considerable experience using radio and will be able to handle dispatching quite well. McDaniel lived in Port Angeles prior to this job. His hobbies are CB radio and fishing.

The Town Council met on Monday, September 13, at 7:30 p. m., in the council chambers. First on the agenda was a request for a street light at the end of Second Avenue N.E. by Tillikum Park. Street Commissioner Frank Lyda will investigate the possibility.

The following building permits were approved by the council:

Bill Wentworth, garage \$300.00; A.R. Maris, woodshed, \$100.00; Lena Oliver, 1000 gallon septic tank; Grant See, septic tank; N.E. Olympic Development Co., 2 houses, \$17,150.00 each.

Building permits applied for by the Kampe Construction Co., for three houses, were tabled by the council; failure to comply to regulations regarding adequate culverts being the reason. As of now building permits must be obtained and approved by the Town Council before the start of any construction. Permit applications must be accompanied by lot drawing, sketch

of building and/or buildings and location. The Council agreed that there will be no exceptions.

The question of electric fences within the city limits was raised. Electric fences are supposed to be marked as such. There are not too many in the area, but if you do have one be sure it is marked plainly, or you might get a charge out of it. No offense meant, it's just the current thing.

Firearm safety instruction to start

All persons under the age of 18 who wish to obtain a hunting license must first complete 6 hours of firearm safety instruction after which they must pass a written exam.

The classes this year will be held at the Forks Sportsman Club from 7-9, on September 20, 22, and 27th. Anyone wishing to attend these classes can sign up in advance at the Forks Coast-to-Coast store.

Census survey to ask about children's immunization here

A number of families in this area will take part in the 1971 National Immunization Survey to be conducted the week of September 20 by the Bureau of Census, according to John E. Tharaldson, Director of the Bureau's regional office in Seattle.

The annual immunization survey is part of a national program coordinated by the U.S. Public Health Service to determine the number of children and teenagers who have been immunized against influenza, smallpox, polio, diphtheria, whooping cough, tetanus, and measles.

The questions on immunization will be in addition to the usual ones asked in the Bureau's monthly survey of employment and unemployment conducted for the U.S. Department of Labor. Results of this monthly survey provide a continuous measure of economic conditions in the country.

Facts supplied by individuals participating in this voluntary survey are kept strictly confidential by law and results are used only to compile statistical totals.

Interviewers who will visit families in this area are: Mrs. Marian B. Downing, Rt. 3, Box 224, Port Angeles, and Mrs. Marjorie C. Lyon, 21624 84th W., Edmonds, Washington.

STATE TIMBER SOLD IN AUGUST

"Timber sales in August netted more than \$4.9 million," Charles Schwab, Supervisor of Timber Sales, Department of Natural Resources, said. Restrictions on many of the sales will not allow logging in critical areas during the winter and early spring to prevent damage to the soil from the heavy rains. A sale in Stevens County will provide the local deer population with the tops of 6,388 trees for winter browse and improve the chances of the deer surviving the long winter months when food is scarce and the snowfall heavy.

Last month's most valuable offering was the Middle Little Cow Sale in Cowlitz County. It sold for \$900,337.50 to Wasser and Winters of Longview.

Clallam and Jefferson County sales were: CLALLAM COUNTY; Shaft-Creek Blowdown--M & R

Sunset Highlites

By Fred Jarvis

My girdle is killing me! The doc gave me a corset to wear for my back and now I know what the women have to put up with wearing one of those things. You gals have my deepest sympathy.

Quite a few leagues started last week: Gordy Allen led the Sunset bunch with a 222-579. Some average to start with, ol' Buddy. Louis Laro hit 211, Dave Allen won five bucks from Earley Tire by getting six splits in a row, and Frank LaGambina left a four-pin on his last ball to get robbed of a Dutch 200.

Wednesday Powder Puffs had Helen Thomas at 175, Anita Bumgamer at 172, Wilma Engeseth 481, and Billie Crist 464.

Joyce Mueller hit a 190 and Leta Rondeau a 513 for top scores of the Thursday Nite Women's.

In the West End League, Darrell Thomas getting back in form with 213-587.

Gary Vitcovich started Friday Nite Mixed off with a bang: 215-625 for a 208 average. Sandbagging Gary? Jerry Beebe subbed for bus driving Mother and hit 193-461, and our new manager at the alley, Dick Suchodolski picked up the 6-7-10.

The new Women's Doubles on Monday afternoon had Billie Crist hitting a big 220-534. Nice shooting Billie, Helen Thomas at 196 and Lou Suchodolski a 180.

Forks Prairie League; Gary Vitcovich 204, Bill Darnell and Ted (Union Oil) Prior, 205, Ed Rondeau 209, and Darrel at 211-577.

The best of bowling to you all this new season.

SPARTAN HIGHLITES

The Forks Spartans opened their season with Chimacum at Port Townsend last Friday night.

Starting at the first quarter, the Spartans received the kick-off. Chimacum stopped the Spartans within the first few plays and were forced to punt. After the first four minutes, Chimacum scored against Forks and got the extra points, 8-0. During the first half, the Cowboys scored 20 points to the Spartan's 0. When both teams came back out onto the field after halftime, neither one of the teams scored for the rest of the game. Chimacum, during the last few minutes of the game substituted its second and third string and the Spartans put in some of their extra

players. The final score of the game was Chimacum 20 and Forks, 0.

"WORDS EYE VIEW"

By Don Squire

It was a long ride to Port Townsend last Friday night for the Spartans' opening game of the season, and I'm sure the ride home seemed much longer after the Blue and Gold were corralled 20-0 by the Chimacum Cowboys.

The Chimacum eleven didn't waste much time in tallying a score and before the half had ended, twenty points were up on the boards for the home

team and it looked like the Cowboys were just saddling up for the big shoot-out.

Halftime often change the whole composure of a ball game, and beginning the second half the Spartans shod up their defense and held the Blue and White scoreless for the rest of the game, a remarkable job.

In the course of that intermission, a green, untried, dis-oriented football team, losing by 20 points, sustained their desire and did not lose their fighting spirit of competitiveness and began the second half as if it were a new ball game, and if it had been, the Spartans certainly won that contest.

The Port Angeles Rangers visit Forks at 7:30 Saturday night, September 18th. I expect to see an improved team do battle this Saturday night, and if the offense can come around and sharpen their attack, and score some points, the Mohondo Eleven should come on strong.

In other weekend action concerning Olympic "A" schools, the Port Townsend Redskins travel to North Kitsap. This should be a tough game for Townsend. North will be looking to bounce back after losing their opener to Bainbridge. Bain-

bridge would like to make it two in a row over a bigger school as they entertain Central Kitsap. Vashon will have Juanita as their weekend guests; Lynnwood will be at Lakeside; Sequim is on the road to Darrington; and both Chimacum and North Mason are idle.

The weekly forecast as Squire walks the wire:

Mrs. Paul Lingvall, 374-6302

It sure is nice to see the Almar Building almost finished and that old "house" next to it disappear. Forks State Bank has taken on a "new" look, and the Olympic Western real estate has a new coat of paint. By the way, I saw Sandy Poteet sporting a haircut and NO mustache the day after his wife returned from England. Wonder why?????

Visiting Mr. and Mrs. George Campbell last week were Kate's brother and sister-in-law, Mr. and Mrs. Tom Carey of Fall City.

A coffee hour was held at the home of Mrs. Howard Stockman for Mrs. Geneva Brooks who left Sunday for Waynesville, North Carolina. Attending were: Mrs. Avery Bumgamer, Mrs. Walt Johnston, Mrs. Larry Bumgamer, Mrs. Gordon Otes, Mrs. Larry Barger, Mrs. Howard Trimble and Mrs. Paul Lingvall.

Mr. and Mrs. Aub Johns are visiting their son and daughter-in-law, Mr. and Mrs. James Johns and family, for a week in Anchorage, Alaska. The reason for the trip was to get acquainted with their new granddaughter.

Mrs. Sandy Poteet and girls returned home recently after spending 10 weeks in England. They spent most of their time in Sheffield where Bobbi's family lives. She enjoyed playing tennis at "her" old tennis club, "drooled" over the antique shops and went to several auctions in old homes.

Between visiting friends and relatives, she also had time to do some sightseeing, which included the Tower of London, Madame Tussaud's wax museum, and attended the play "Medieval Chess Game". Bobbi also spent a few days in York, one of the first Roman towns in England. In Kilsworth they visited her sister and family who occupy a 300-year-old 11-bedroom rectory. A secret tunnel is supposed to lead from the parsonage to the church.

Many new buildings have gone up during the two years Bobbi has been away, and also the prices. Before returning to the States, she was honored with a farewell party by her friends.

Helping the Thomas' celebrate were Betty and Gordon Otes, Lorraine and Howard Stockman, Jeanette Keen, Pat Adams, Harold Gunter, Larry Musselman, Marilyn Earley, Kay and Max Klinkenborg, Paul and Ingrid Lingvall.

We have some newcomers in town. Mr. and Mrs. Richard Johnson of Missoula, parents of Dick Johnson, have retired and are making their home here. Nice to have you.

Mr. and Mrs. Henry Geist entertained friends with a dinner at Riverside Gardens Saturday evening. Attending were: Mr. and Mrs. Maynard Lucken, Mr. and Mrs. George Campbell, Mrs. Effie Crist and her mother, Mrs. Crippen.

Visiting Mrs. Troy Keen over the weekend were Mr. and Mrs. Max Croy of Hump-tulips, Mrs. Myrtle Keen of Yakima and Mr. and Mrs. Russell Keen of Tacoma.

Best man was Gerry 'rchibald. Ushers were Dick Saxton of Seattle, Doug Sandau and Casey Horton of Forks. The groom and the best man wore white, pinstriped double-breasted tuxedos with black pants. The ushers wore similar jackets in a light blue color.

A reception was held at the Alder Grove Recreation Hall, which was decorated with blue and yellow streamers and the flowers from the church.

The cake was made by Mrs. Richard Kallman, Mrs. Lynn Haffner poured, Mrs. Gene Halverson and Mrs. Mike Price laded the punch. The cake was cut and served by Mrs. Glenn Coxen and Mrs. Kenneth Huston, aunts of the bride.

Miss JoAnn Blomgren and Mrs. Mike Menear tended the gift table. Miss Dixie Johnson, sister of the bride, was in charge of the guestbook.

For her going-away costume, the bride wore a red, white and blue floral print hot-pants outfit with red accessories and a corsage of red rosebuds.

After a wedding trip to Canada, Montana and Glacier Park, the newlyweds are now at home in Forks.

Johnson- Jonientz vows exchanged

Pamela Karen Johnson became the bride of Gary William Jonientz August 21 at the Congregational Church in Forks.

The bride is the daughter of Mr. and Mrs. Richard Johnson. The groom's parents are Mr. and Mrs. Bill Jonientz.

The Reverend Howard Stockman performed the double-ring ceremony in the presence of 200 guests. Mrs. James Silves played the organ and Mrs. Robert Wentworth sang "Theme From Love Story" and "The Lord's Prayer".

Large baskets of white and yellow mums, yellow gladiola

and baby breath decorated the sanctuary. White bows and huckleberries trimmed the pews.

The bride, given in marriage by her father, wore a gown of ivory silk peau de sole with a Brussels net bib strewn with pearls. The bodice, neckline and leg-of-mutton sleeves had matching design, and a double ruffle trimmed the bottom of the skirt. A cathedral train of silk illusion, trimmed in Venice lace, completed the attire. The gown was made by Mrs. Bill Jonientz.

Mrs. Dan Brown, aunt of the bride, was matron of honor. Bridesmaids were Miss Linda Johnson and Miss Sylvia

Smith. All wore identical gowns of blue dotted Swiss with scoop neckline and puff-sleeves and baby breath and yellow carnations, baby breath and stephanotis. Flower girl was Sherri Haffner who carried a basket of white rose petals, Dana Johnson, sister of the bride, carried the bride's train. Both wore identical gowns of blue dotted Swiss and wore a ring of white daisies in their hair. Ring bearer was Russell Coxen, cousin of the bride.

The bride's mother wore a yellow dress with pearl-white
