CHAMBER OF COMMERCE

The Chamber of Commerce met September 15 at the Vagabond with president Verl Poole presenting the goals for the coming year. The programs will be of benefit to the community, and bulletins will be sent out prior to the meeting as a reminder. Fourth of July is still the biggest part of the Chamber's activities. A new item will be the organizing of a businessmen's breakfast group. Poole introduced the speakers for the day; Ray Johnston, commercial teacher at Forks High School and E. C. Gockerell, supervisor of the North Olympic District of the Department of Natural Resources. Johnston spoke of a new course offered through school to give on-the-job training to students interested in office work, mechanics and construction. Twenty-three students are enrolled in the program at present, mostly seniors. They are excused the last two periods of the day to work in the line of work which they are interested in. "Through this type of program," Johnston said, "we hope to be able

DNR WANTS DOUGLAS FIR CONES

"Douglas fir cones are wanted", said E. C. Gockerell, field supervisor of the North Olympic area for the Department of Natural Resources at his Forks office. "Douglas fir is vitally needed to reforest State lands in the Forks area. The cones from which the seed is extracted must be collected locally to assure production of thrifty trees," he added. One-thousand bushels which will produce about 500 pounds of seed needs to be collected in the Forks area this fall. The seeds will be planted in the Department of Natural Resources Webster nursery near Olympia to produce seedlings for planting State lands near Forks. Prospective cone pickers should contact the Department of Natural Resources Forks office for instructions, maps of various collection areas and prices to be paid. The price per bushel begins at \$2.50 which amounts to \$5.00 for a full gunny sack.

2 HOUR PARKING DOWNTOWN FORKS

A 2-hour maximum time limit has been set for parking on the main street in Forks. Enforcement will begin Saturday, September 25. Failure to comply will result in a \$5 fine plus \$4 court costs.

14 File for School Board and Town Council

Fourteen candidates have filed for School board and Town Council positions. School Board; Position #2, Jon C. Erickson, Russell G. Thomas and Myron C. Simmons; Position #3, Larry Klein and Dick Haberman; Position #4, Butch Eastman, Hal Canaday and Frank Dugas; Position #5, Dean Hum and Verl Poole. Town Council; Position #1, Joe Winney, Charles Anderson and Ingrid Lingvall; Position #2, Robert Hall.

QUINALTS BAR LOGGING OPERATIONS

The following statement has been issued by L.J. Forrest, Vice President of ITT Rayonier: In 1952 the ITT Rayonier Northwest Timber Division entered into a 35-year contract agreement with the Bureau of Indian Affairs, a federal agency under the Department of Interior, to log 35,000 acres of Quinalt Indian timber land on the Olympic Peninsula. On September 11 the Company was notified by the Quinalt General Council of its intention to bar logging activity on the reservation. The following Monday our crews were indeed prevented from entering the area. The Company terms this a contract violation and points out that the Indians' actions are unnecessary and unreasonable because they may seek adequate administrative relief from the B.I.A. The Company plans to proceed with appropriate court action. Forrest also points out that we have contracts with the individual Indians with whom we have always tried to cooperate. "It is the B.I.A. that has responsibility to administer contract practices and to set the prices the Indians will be paid for their timber (stumpage). Since the beginning of our contract these stumpage rates have been adjusted as provided for in the contract to reflect changes in market conditions," Forrest stated. Forrest also said that our environmental practices on the reservation are consistent with the B.I.A.'s policy of sound forest management.

LETTERS TO THE EDITOR

Editor,
We would like to thank our friends and families for a wonderful farewell. The wishing well came in very handy. It repaired our radiator when it finally went out in Redding, Oregon. So it did help us to California.

We are happily settled at 9372 Holder St., #118, Cypress, California 90630. We are just across the street from Cypress Junior College that John is attending. After two weeks of disappointing searching I have finally found a job. There for awhile, I thought we'd be home sooner than we planned.

Visitors and letters are always welcome. A very special "thanks" to Denny and Nancy Lindeman for our party and also to Gerald Baker for making our tow bar. It worked beautifully. Also, to Dick Streeter for his beautiful bottle of thoughtfulness.

We hope to see you next summer. Thanks again to everyone.

John, Steve & Missy

BOGACHIEL GARDEN CLUB NEWS

The Bogachiel Garden Club its annual potluck newcomer's luncheon for guests, new, and old members on September 16. The meeting was held at the home of Mrs. Marvin Olson whose co-hostesses were Mrs. Richard Wahlgren and Mrs. Charles Kallman.

The first regular meeting for fall, 1971 followed the luncheon. Members were asked to remember that each one is expected to provide at least one piece of driftwood for the district show. At least one piece of cleaned driftwood between 10 and 23 inches long should be brought by each member in time for the district meeting on October 19th.

The garden club voted that a contribution of \$5.00 be given to "World Gardening" to provide care with tools, seeds, and other necessities for aiding gardening.

An interesting report, with pictures, was given concerning the August trip to the home of Mrs. Clarence Kiehl who now lives in Suquamish. Eleven members were able to make the trip and participate in a potluck supper. Mrs. Kiehl is a former member of the local garden club.

Mrs. Warren Paul gave a demonstration of how to prepare flowers for showing at fair and exhibitions. Among other things, the exhibitor should be careful to choose flowers having straight stems and unblemished leaves. Some "grooming" is permissible. The exhibitor should be certain to read instructions carefully for each sort of entry since require-

ments vary widely with each sort of plant.

Landscaping will be the general topic examined by the club this year. With this in mind, Mrs. Terry Klepey gave an outline of principle considerations to be followed when making plans for dealing with specific problems.

Practicality, simplicity and boldness of design as flexibility for the future are among the essential qualities. Of paramount importance is the drawing of plans to scale. Many problems may be recognized and avoided in this way. Careful planning eliminates unnecessary effort.

In other business appointments of committee chairmen for the year were made.

Sunset Highlites

By Fred Jarvis

Celebrating our twenty-ninth this Sunday. Have to give Mother a medal for putting up with the Old Man so long. There's nobody I'd rather have spent the last twenty-nine years with. Happy anniversary, Hon.

Pat Hammel led Tuesday Afternoon with 191-523. I don't believe it! Barb Windle hit 178 and Jerry Dimmel a 169.

George Richardson's 223 was the high game for Sunset and Al Whitehead had a 211 and 580.

Powder Puff's high everything was claimed by Wilma Engeseth with her 198-512, while Paula Lyda had a 192-506.

Jerry Beebe had a 200-495 in Wednesday Hoot Owl League, and JoAnne Hjelmeseth a 190-531.

Annie Lehman hit 208-486 and Leta Rondeau 187-435 on Thursday Afternoon.

Colleen Brooks topped Thursday Nite Women with 179-490.

Duke Streeter at 210-576 for the West End, and in Friday Nite Mixed, Jerry Beebe at 176, and Paula Lyda also at 176 and 496. Rex Crist had a 208 and Ed Duncan a 545.

The Monday Bunch (that's what it says here), saw Barb Allen hit 191, while Gwen Genson and Margaret Windle both had 472.

Quite a bit of sandbagging in the Forks Prairie League; Vem Rondeau 211, Chuck Hamby 220-563, Emie Wittenborn 227, Claude Clark 230, and old Faithful Darrel, 236-643. Whoa! No, Bemie, I didn't wear my girle tonight. 'Am waiting for that 18 hour one Paula was telling me about.

Olympic Travel League at Bainbridge Sunday: Darrel hit 211 and 609, and Duke a 212-596.

Bowlers of the week: Annie Lehman 208; JoAnne Hjelmeseth 531, Darrel Thomas 236-643.

A FEW RUMORS

The waters of the Quillayute are hardly high enough to support fish let alone carry a riverboat. The next heavy rains should bring the salmon and cutthroat.

The big question around town last week was, "Where are the grouse?" Season predictions were for a poor harvest and local sportsmen are beginning to believe it.

A few pigeons have fallen victim to the wingshooters especially in the Bear Creek and Calawah areas.

Curt Winney and Bill Bullock both scored on summer-run steelhead in the Hoh over the weekend. It was Wayne Haag with a steelhead on the Calawah. A dry fly with 2-pound test tippet did the trick here.

Jack salmon were taken from the Quillayute and Hoh rivers over the weekend, but the large salmon have not yet made much of a showing.

TAKE A HIKE

A sunny fall weekend is a great time to hike into the high Olympics. And despite what you may have heard from the timber hungry, you don't have to be hardy or an athlete to enjoy the hiking which the park has to offer. If three-year-old youngsters are athletes, I'll eat this column.

"WORDS EYE VIEW"

By Don Squire

The home opener for the Blue and Gold saw the local eleven bow to a tenacious Port Angeles J.V. in a 28-22 donnybrook before a large partisan crowd.

In a contest that was marred by many penalties and much scoring, the game was still up for grabs after the official time had run out on the clock.

On what seemed to be the last play of the game, a pass from quarterback Jeff Wittenborn to his intended receiver at the 25, pass interference against the Rangers allowed the

Spartans one last reprieve. With everyone expecting a pass, the call went out to Harrison Davis, a 157 pound fleet-footed sophomore, who sliced to his left after the hand-off only to be foiled in his attempt to break loose for the score.

The "Monday morning quarterbacks" with the images of Sonny Sishooter's late-game heroics only hours old in their memories, must have wanted to hang the head mentor in effigy for not calling for the long pass.

Why not Davis? Had he not tailed on a 75 yard romp around the left side in the first quarter, and time after time carried the ball with consistency in the second stanza for long yardage and another touchdown?

One play was the difference between defeat and victory.

Individual efforts: Davis, 206 yards rushing, two T.D.s; Jeff Wittenborn, 81 yards on the ground and 40 in the air along with a touchdown; John Dahlgren, 53 yards rushing; and a great defensive job by Dan Klourkas and George Schumack with excellent kicking by Dave Silcox.

This Friday, the Spartans travel to Lakeside for a 3 p.m. game heard live on KVAC Radio.

THE PACK IS BACK

By Vic Walker

The Forks Packers opened their little league football season Sunday afternoon with a 3-1-3 win over the Joyce Lumberjacks. A good crowd was on hand for the season opener and they got plenty of excitement as the Packers rolled for more than 350 total yards.

The defending champion Packers quickly took control as quarterback Jeff Hill hit Mike Bishop for a 25 yard gain on their first play. Two plays later, Lee Olson skirted right end and went 35 yards for the game's first TD. Hill's kick was good and the Packers led 8-0. Neither team could manage to score again in the first half but there was plenty of action as Hill connected on 25, 35, and 48 yard passes to Mike Bishop who was the game's leading receiver. The Lumberjacks were slow getting off the line and the Packers quick defensive unit held them to only one first down in the first half.

Midway in the 3rd quarter, Bishop pounced on a Lumberjack fumble at the Joyce nine-yard line to set up Lee Olson's second touchdown as he blasted off tackle for nine yards and the score. Hill's kick was good again and it was 16-0. At this point it looked like there would be no joy for Joyce, but late in the quarter Danny Anderson broke away around right end and out-raced everyone for a 58-yard touchdown to get Joyce on the board. Rocky Shirley carried it in for the extra point; 16-7, Packers. The Pack soon increased the point spread, though, as once again, Olson went 6 yards over tackle to score with only 40 seconds of the 4th quarter gone. Hill again kicked the extra point and it was quickly 24-7, but just as quickly, the Pack was burned, as Danny Anderson returned Hill's kickoff for 88 yards and

another Lumberjack score; but that was all the scoring for Joyce. With only 25 seconds left, Olson went 7 yards for the final touchdown to wrap it up. 30-13.

Olson had a terrific afternoon as he rushed for 176 yards and scored 4 touchdowns. The Packer line, consisting of Brian Fryburg and Bill Russell at the guards and Roger Garmen and Scott Birdwell at the tackles, did a superb job of opening holes for the backfield. Ron Bagby led the defense with 4 tackles in the first half, while Rick Hum and Wayne Davis teamed up for 7 stops in the 2nd half to halt the Joyce offense.

The Wrangler ride this last Sunday had a fair turnout. Eleven of us left here and explored up behind here and in the area above Mill Creek. Those enjoying the good weather and the ride were Pam Ford, Kathy Rooks, Thelma, Clayton, Gail and Mardy Graves, Randy Parker, Sharon Clarke, Glenn, Rocky and myself. There sure are some good views from up in there.

Would any of you kids interested in joining the Rein Riders this coming year please let me know as soon as possible? The number is 374-5605. You must have your own horse or the use of one and be 9 years old or older.

Mrs. Paul Lingvall, 374-6302

Visiting Mr. and Mrs. Ken Lindsey over the weekend of the 12th was friends of Gloria's, Mrs. Mary Green and daughter, Rosemary, from Portland. They also took Greg Lindsey and Dean Swerlin to the fishing derby in Port Angeles and spent some time with Mrs. Green's sister and brother-in-law, Mr. and Mrs. Howard Hinrichs.

Spending a few days last week with Mr. and Mrs. James Crawford were his parents, Mr. and Mrs. Robert T. Crawford of Spokane, and his sister and brother-in-law, Mr. and Mrs. James Swartz of Seattle. The Crawfords are relatively new to the Forks area. Jim is the district ranger for Soulduck Ranger District of the Olympic National Forest. They have been here since July and came from Maupin, Oregon, where Jim was a resource assistant of the Bear Spring Ranger District of the Mount Hood National Forest. The Crawfords have two girls.

Ms. W.C. Moody is back home after a 3-week's trip to Lagos, Nigeria, where she visited her daughter and son-in-law, Mr. and Mrs. Mike Hurd, and her new grandson, Kevin. She enjoyed her visit very much and did a lot of sightseeing. Mr. Moody said she was quite fascinated at seeing the ant hills, some as big as a house, but what pleased her more was seeing Forks again.

A surprise baby shower was held at the home of Ingrid Lingvall for Mrs. Howard Horton and baby Tam, 3-weeks old. Hostess was Nancy Sandau who had invited girls from Pam's "old" cadette Girl Scout troop. Punch and cake, made by Nancy, were served as refreshments. Baby Tam received many lovely gifts.

Mr. and Mrs. Gerald Danielson and boys, Gary and Terry, have moved to Forks from Oekdale, California, where he worked as supervisor in data processing for Hensheys. She is the daughter of Mrs. Jane Waters, and the Danielsons will be managing Forks Builder's Supply. Welcome.

Mr. and Mrs. Phil Riebe and girls returned September 13 after a 2 1/2-week's vacation. They visited Phil's sister and brother-in-law, Mr. and Mrs. Roland Dusseau of the Erie Gun Club. They also spent some time with relatives in Toledo, Ohio, whom they hadn't seen for 18 years. The Riebes did a lot of sightseeing and visited Camp Perry, the pistol range capital of the world. In Pearson Park, the girls enjoyed horseback riding, and the whole family enjoyed an old-fashioned corn roast. During their travels through western Michigan and north-east Ohio, they noticed how the lakes and rivers are clearing up because the people ARE fighting pollution.

Mr. and Mrs. Wilmer Ulin had friends visiting them from Pennsylvania. Mr. and Mrs. Carl Stauffer and Mr. and Mrs. George Griffith spent a few days here and enjoyed a trip to Sekdu, where they went salmon fishing and were lucky enough to catch seven. The Ulins also gave their company a tour of the logging operations.

Visiting Mr. and Mrs. Larry Holt and Morgan over the weekend were Larry's grandparents, Mr. and Mrs. Joseph Holt of Seattle, and Larry's sister and brother-in-law, Mr. and Mrs. Gerard Schaefer of Everett. They did some sightseeing and went clam digging.

Mary Johnson was appointed membership chairman, and Linda Breitenbach, refreshment committee chairman.

As Mrs. John Merritt plans to move to Shelton, Judy Capp was appointed publicity chairman in her place.

Sometime next month the club will hold a two-day open house at Mrs. Hum's home for the display and ordering of Christmas cards and gifts.

Dolls displayed at library

DOLL COLLECTION AT LIBRARY--Left to right, back row,
Armand Marseille doll, 1900; China doll, 1880; Paper mache,
1870; and wax doll, 1960-1870. Front row, celluloid doll,
1920; Indian rag doll, 1930; composition doll Rose O'Neil
Kewpie, 1920-30; rag doll, 1900; Meg modern plastic, 1970;
and wooden doll.

Forks Memorial Library is
featuring a collection of dolls,
some as old as 100 years. Mrs.
Ken Lindsey, owner of the dolls,
has been collecting them for
about a year and has at her
home 65 dolls including bisque,
china, celluloid, wood, rag,
paper mache, wax and modern
plastic dolls. The first one she
bought was an Armand Mar-
seille. "My pride and joy are
the two French dolls directly
from France," said Mrs. Lindsey
and added that each doll has a
story with it. To obtain many
of her dolls, she did a lot of
traveling, visited old junk
shops and old homes. In her
collection at home, Mrs.
Lindsey has a Kaiser doll mold-
ed after the baby of the Kaiser
of Germany during the first
World War. Due to the fact that
the baby was deformed, the
Kaiser ordered all the molds
to be broken though some dolls
are still collectible.

Another of Mrs. Lindsey's
hobbies is antique furniture.
She belonged to the Quester's
Antique study club in the Port-
land area and would be inter-
ested in starting an antique
study club here. Anyone inter-
ested can contact her at 374-
5347.

Mrs. Lindsey came to the
Forks area 2 months ago to join
her husband who is employed
at the Forest Service. The Lind-
seys have 4 children.

FRAKER-FOX PLEDGE VOWS

Sharla Jo Fox became the bride of Melvin Fraker in an evening ceremony at the home of her parents, August 27, 1971.

The bride is the daughter of Mr. and Mrs. Charles Fox of Forks. The bridegroom is the son of Mr. and Mrs. Gene Fraker of Forks.

The Reverend Ted Ringsmuth performed the double-ring ceremony in the presence of 50 guests.

Bouquets of garden flowers, white bells, and streamers in purple, orchid and white decorated the home. The flower arrangements were made by Mrs. Ed Lewis.

The bride, given in marriage by her father, wore a street-length gown of white crepe with long sleeves of polyester voile, made by her mother. The veil of nylon tulle and white crepe was made by her sister, Mrs. Kandil Lohneis. She carried a basket of orchid and white gladioli. For something borrowed, the bride wore a watch; something blue, a garter given to her by her sister, Mrs. Howard Goakey; and for good luck, a penny dated the year of her birth. She also wore the locket her mother and three older sisters had worn at their weddings. Miss Terri Genson was the

maid of honor. She wore a dress of orchid crepe with long sleeves of polyester voile and carried a basket of orchid gladioli.

Flower girl was Heather Lohneis, who carried a small basket of purple and white sweet peas. Heide Lohneis carried the ring pillow and both wore identical dresses of purple polyester crepe.

Mother of the bride wore a yellow and moss green knit dress with matching sleeveless coat. Mother of the groom wore a coral crepe dress. Both wore pink carnation corsages.

Best man was Donald Fraker, brother of the groom.

A reception was held following the ceremony. Mrs. Ed Lewis poured and Mrs. Howard Goakey ladled the punch. Mrs. Kandil Lohneis cut the cake made by Mrs. Jeanne James. Susan Crippen, cousin of the groom, and Janice Fraker, sister of the groom, assisted with the gifts. Linda Lausche was in charge of the guestbook.

For her going-away outfit, the bride wore a pantsuit of moss green and yellow polyester knit, made for her by her aunt, Mrs. Lee Brown and her sister, Mrs. Kandil Lohneis. She wore a corsage of gold gladioli. After a short wedding trip to Kalaloch and Ocean Shores, the couple is now at home in Forks.

We know a lot about a little thing.

The only cars we work on are Volkswagens. And when we're not working on them, we're learning about working on them. At Volkswagen training centers. And since Volkswagens don't change dramatically every year, we don't have to learn new things before we've gotten good at the old things. So we may not know a little about a lot of things, but we do know a lot about our little thing.
