Elderly people, especially, should be extremely careful when walking on ice or snow. A misstep on a slippery piece of ice could have a very painful ending.

Members of Fletcher-Wittenborn Auxiliary to Post #9106 elected delegates and alternates to the district convention to be held in Port Townsend May 7th. Delegates elected were: Shirley Sharpes, Daisy Klahn, Dorothy Baker, Jackie Simmons, Ellen Lindeman, Jeanne James, and Eva Ellis. Alternates were: Alberta Stron, Mabel Dankert, Leta Klahn, Fern Wittenborn, Dorothy Vedder, Paula Lyda and Edith Woody.

Poppy chairman Shirley Sharpes reported 3,000 Poppies had been ordered. Work nights will be set up in the near future to work on the corsages and wreaths. A Poppy Queen will be chosen to reign over "Poppy Days". The group was happy to hear that Fletcher-Wittenborn Auxiliary is now 100 strong. It has taken 25 years to reach this goal.

President Martha Lewis reminded members that reservations for the District Luncheon on the 19th of April at Blaney's Restaurant in Port Angeles must be in to the chairman on the 17th. Please

A card party scheduled for April 15th was also a reminder from the president. Treasurer Jackie Simmons said anyone who is eligible for a year pin may contact her if they have not received theirs.

Next meeting on April 17th will be nomination and election of officers. All members are urged to attend this important meeting.

Mrs. Lewis thanked the members who helped with the no-host luncheon. Every one enjoyed it, and enjoyed having Georgetta Larsen as special guest.

Hospital co-chairman Daisy Klahn reported tray favors and an Easter basket for the nurses was taken to the hospital for Easter.

Report time is coming up. Have your material ready to make out your year-end reports. A work night will be set to enable members to do this important work.

The V. F. W. Auxiliary no-host luncheon held at the Vagabond Restaurant on March 29 was enjoyed by the 29 members who attended. A special

guest was Georgetta Larsen of Port Angeles, past Department President, who presented the year pins to the members. Mrs. Larsen instituted Fletcher-Wittenborn Auxiliary in February, 1947. She said she was very proud of the 33 women who signed the Charter that day in February. She had many fond memories of the Auxiliary and the members. Of the original 33 members, there are now 11. Eight of these were able to be present at the luncheon.

"Reminiscing" was the order of the Day: fun days, work days, and good friends all held their place in memories.

Those attending who received their 25-year pins were Fern Wittenborn, Leta Klahn, Mabel Dankert, Dorothy Vedder, Mary Cummings, Clara Swerin, Jackie Simmons, and Daisy Klahn. Twenty-year pins were presented to: Dorothy Murray, Edith Woody, Doris Orr, and Elizabeth Klahn. Ten-year pins: Dorothy Baker, Five-year pin: Shirley Fox, Martha Lewis, Helen Burdick, Lucille Read.

Rainfall total through April 9, 1972 57.68

ANNUAL REPORT OF MARSHALS OFFICE

The following is an annual report of the services performed by the Marshal's Office for the year 1971.

Logged phone calls, 2,577
 Logged phone complaints, 1,156
 Persons booked in Jail, 130

 Leaving scene of accident, 1
 Defective equipment, of which 15 were warnings after repaired, 25
 Illegal parking, of which 30 were warnings, 53.

A SPRING DAY AT RIALTO: Two young beachcombers explore the spin drift as the tide begins to recede. A breeze blows from the west as a few clouds gather beyond James Island. Yesterday the hail fell on our beach and we know not what tomorrow will bring but as for now we will accept it as it is. ---Lonnie Archibald

TOWN COUNCIL

By Al Clarke

The Forks Town Council met Monday, April 10, 1972 at the Forks Town Hall at 7:30 p. m. With the absence of Mayor Earl Kennedy, councilman Bob Hall sat in as Mayor Pro-Tem. Mr. Dick Price, director of the Clallam County Alcoholism Information and Referral Center, was on hand to explain the upcoming alcoholism school in conjunction with the court here in Forks. The school will be in session the third and fourth Thursdays of the month, starting April 20, 1972. The school will consist of movies pertaining to alcohol and its effects, both physically and mentally, to an individual. It will not be the purpose of the school to point fingers or to determine whether or not an individual is or is not an alcoholic. This decision is one the individual has to make himself. A note of interest: Clallam County has the largest alcoholic count of any county per capita, 7.8% of adult population, or one out of every 12 of which 50% are women.

Five citizens from the south end of Forks Prairie were inquiring about water extensions to their area. The group will meet with Frank Lyda of the water department who will survey the area with the idea of drawing plans according to specifications.

Two building permits were approved by the council: the

Antlers Restaurant, a dry well and Marvin Nielsen, new home \$30,000.00, Walker Construction builder.

A new Resolution (#31) was introduced declaring the intention of the Forks Town Council to construct a sewer system and fixing of a date for a public hearing on same for the week of May 7, 1972, meeting to be held in the multi-purpose room of the Forks Elementary School. The exact date and time will be announced upon the availability of the multi-purpose room. The council voted on and passed the new resolution.

The next scheduled Town Council meeting will be Monday April 24, 1972. The Town Council invites you to sit in anytime.

LIBRARY TEA

National Library Week will be celebrated with a tea at the library between 22 and 4 p. m. Sunday, April 16.

This year's tea will honor Mrs. Inez Miller who has retired from the library staff.

There will be the usual exhibits, and Mrs. Grace Fraker will show her pictures and tell about them. Mrs. Fraker is the oldest living person in the Forks area.

April 14, four local stores will have new books from the library on display. Watch for them.

Lions Club news

President Robert Swerin of the Forks Lions Club attended the Lions District Spring conference at Campbell River, British Columbia on Vancouver Island this past weekend. Also attending were immediate past zone chairman John Rosmond and Mrs. Rosmond and Charles Anderson.

Campfire Girls

Frances Konopaski and Marion Mayberg from Port Angeles' Campfire Girls will meet with 2nd, 3rd and 4th grade girls and their mothers, April 14, in the multi-purpose room of Forks Elementary School. For further information, please call Mrs. Mary Jo Carte, 374-5629.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences in Forks Primary School will begin the week of April 14. The staff feels the ones held in November were most successful and beneficial. Over 95% of the parents cooperated. A schedule of appointment time has been sent home with the children, asking parents to meet with their child's teacher for 20 minutes. Arrangements have been made for the pupil so that the teach-

LETTER OF RESIGNATION

The following is a copy of the letter of resignation submitted to the Forks Hospital Board by Dr. Steenblock

March 23, 1972
Board of Trustees
Forks Community Hospital
Forks, Washington
Gentlemen-

This is to inform you of my resignation from the staff of the Forks Community Hospital effective Wednesday, March 23.

The reason for this is that general hospital conditions are not suitable and specific for adequate medical care to be delivered to my patients.

From this date hence, patients that need to be hospitalized that are seen by myself will be given the option of seeing another staff member or being treated at another medical facility.

When and if the previously outlined conditions are altered to my specifications, I will be most willing to again utilize this medical facility. Sincerely,
Dr. David Steenblock
Editor

Of the federal lands in this state which are classified for limited use, about one-third of them are located on the Olympic Peninsula. If this does not upset you I suggest that you take a map of the state and see just what a small portion of it this corner is.

Last Saturday morning on the KVAC Action Line program County Commissioner D. J. Caulkins said that he was opposed to putting any more timber land into Wilderness Areas but thought that we would have to concede the portion known as area one.

This area is in the upper Quilcene, Dungeness River area and though it contains 65,700 acres, only about 12,000 can be considered valuable as timber land. The rest is valuable in another way. It offers the only access to the high country that is outside the Olympic National Park, at least as far as I know.

At present the 48 miles of trail in area one receive moderate to heavy use by backpackers, livestock and motorized vehicles.

Twice last summer we journeyed to area one tottin' our trail machines along on a trailer. The first time we arrived at the Dungeness River Trailhead too late to do any riding. As we sat there discussing the matter a sandy haired young man appeared with a pack on his back and a rosy glow about his cheeks. He unshouldered his burden and chatted briefly. He had

seen bear and deer in some of the higher meadows and several trail bikes along the way. He didn't mention them but I know that there were horses there, too, for several horse trailers were parked nearby. The second trip found us putt-putting up the trail toward Buckhorn Mountain. Near Tubal Cain Mine, which is privately owned, we stopped to talk with a friendly couple who were walking in the area. They said they were from Port Angeles and asked us to stop by their camper on the way out for coffee. The trail zig-zags its way through alpine meadows sprinkled with small patches of stunted trees. All of this is held in place by rocky pinnacles. Next, we encountered a man and his two sons. They were using one light bike type and two scooter type trail machines. They told us that they lived in the area and spent some time on the trails. Near the top we met a group of about a dozen people. They said that they had come through from Quilcene. Their lightweight trail bikes were loaded with camping gear and I wondered how long they were going to stay, but I didn't ask. We sat on top of a rock outcropping at the upper edge of a beautiful meadow and gazed in silence at the beauty that is the Olympic Mountain Range. Below us a large deer lay in the middle of a talus covered slope, dozing or sunning, not knowing or not caring that we were there.

I am not willing to concede one inch of an area which is enjoyed so much by people with such a wide variety of interests. Is any one individual or any one group more entitled to the use of public lands? I say NO! I personally feel that we need more places like area one, not more wilderness set aside for people who would deny others the right to use the national forests according to their own recreational interests. The multiple use concept practiced by the U.S. Forest Service insures this right--formally declared Wilderness denies it.

With over six hundred miles of trail devoted to foot or horse travel, Olympic National Park already dominates the peninsula. Please don't give up the small remaining portion which everyone can use, at least try to save it.

Respectfully,
Russ Barker
Box 798, Forks, Wash.

Editor:
The following letter was written by our group to the governor informing him of the upcoming march to Olympia scheduled for April 21, 1972 at 1:00 p.m. We plan to meet at Tilla-

cum Park in Forks at approximately 9:00 a.m. on April 21 before leaving in caravan style. Anyone wishing to participate is welcome to meet at Tillaicum Park or join us along the way. A definite time schedule will appear in this newspaper on April 17th or 18th.

To accomplish our goal we must have your support. Please come.
Thank you.
Mrs. James A. Edwards

Governor Daniel J. Evans
Legislative Building
Olympia, Washington 98501
Dear Sir:

April 21, at 1:00 p.m. we request your presence at the Legislative Building for the purpose of speaking to you concerning our present high-way situation on the West end of the Olympic Peninsula. The endorsements and letters of committal which we will present to you will represent the support of the citizens of this area.

It is our goal to have Highway 101 from Lake Crescent to Queets completely resurfaced-not patched. Our highway in this area receives much use from industry, tourism and general use. The present patch work is not holding up under such heavy pressure and weather conditions.

We have informed Mr. George Andrews, Mr. Gordon Sandison and Mr. Ralph Kerslake of our needs. We have received answers with no encouragement for the future other than what we have been getting over the past years, PATCHING that pops out with temperature change.

At this meeting we would like the seven (7) man Highway Commission in attendance. Messers. Sandison, Savage and Connor have been contacted and will also be present.

Many citizens of the area will accompany our group along with television, newspaper, and radio personnel. We would appreciate confirmation of your presence and the Highway Commissioners at the previously stated date, time and location. Thank you.

Respectfully,
Mrs. James A. Edwards
Mrs. John F. Henson, Jr.
Mr. Don Gott - Olympic Peninsula Truckers Association.
Editor:

Well--here we are again! Last in the shuffle. I am referring to the citizenry of Forks, who think we don't need additional doctors. For so long we have had to handle this situation ourselves or do without. Of course, we can always get "pink pills for pale people" from the drug store or take two aspirins and go to

bed for aches and pains.
Let's put our cards on the table and take a long look at what we are all in for without adequate medical services here in Forks. We should be begging these qualified men to stay and not be so concerned with personalities or mode of dress.

As long as I can remember, working in hospital and nursing homes, neither doctor nor intern's orders were questioned or defied by any nurse, no matter how long said doctor had been with the hospital, be it one day or 10 years.

Sincerely,
Zelda Slyter
Box 1295, Forks, Wash.

LETTER FROM DR. STEENBLOCK
To the People of Forks
Hello

Since my staff and I have been in your new clinic for approximately one month and are now starting to become organized, I thought it would be a good time to explain more fully the philosophy of the type of patient care that I would like to provide to the people of Forks which has evolved from the ideas of many doctors and clinics.

To begin, the primary reasons for lack of physician coverage in rural America are: (1) inadequate facilities (2) inadequate specialty coverage and (3) excessive work load that is thrust upon the physician in a remote area.

These three elements have traditionally kept the majority of physicians in large medical centers in the larger cities so that people in remote areas, such as yourself, must travel a great distance to receive adequate medical care.

In the past 1 or 2 years a revolution has been taking place in the medical profession, where younger physicians have begun to analyze the needs of rural communities and have been trying to

develop efficient health care delivery systems for these areas.

I had personally spent considerable time analyzing the problems that I would face as a general practitioner in a small community such as Forks prior to my arrival here.

While working as an emergency room physician in Seattle, I had accessible time to explore different ways of providing the most excellent system of health care possible for this community. I spent many hours reviewing hundreds of magazines, journals and books and hours consulting the numerous leaders in the medical field in order to develop my philosophy of medical care for the people of Forks.

This is an entirely new approach to medicine in that I am trying to bring together all the discordant and multiple facets and aspects of patient care for the provision of good medical coverage.

My personal philosophy is to provide excellent comprehensive health care for the people of Forks by: (1) utilizing physician assistants and medical students to handle the less complicated health care problems and allow the physician the time necessary to handle more complicated cases, (2) utilizing the most modern diagnostic tools available to accurately diagnose illnesses, (3) employing most up to date modern computer technological advances in the health care field, to better assess the quality of medical care being delivered, (4) utilizing the Regional Medical Programs services and other institutions services for

OUTDOOR LORE

By Lonnie Archibald
NO! ON THE WILDERNESS ACT: Do we need more wilderness? This seems to be one of the questions kicking around the Olympic Peninsula and Puget Sound areas these days and is becoming quite controversial. Do we need, or could we use, more wilderness areas? Sure we do, and sure we could. However, the real question here is - "can we afford it?" - especially here on the Olympic Peninsula where the economy is that which we know as logging. There are areas of the National Forest, which if placed within the wilderness area, would have little or no effect on our economy. On the east side areas such as Royal Lake, Mt. Constance, and The Brothers, which are primarily alpine type terrain near or exceeding 4,000 feet elevation, could be placed within this wilderness area without hampering industry. On the other hand, glancing at the proposed areas on the west slopes of the Olympics we find low elevation areas that contain large stands of superb timber which may be easily reached and harvested. As it is these western areas adjacent to the park are now under multiple use. They add to the economy as well as recreation. Hunting, fishing, camping, hiking and biking are enjoyed by sportsmen the year around in the Olympic Forest.

And so it is, if the economy of the area can withstand the loss of the forest land proposed for wilderness then let's make it wilderness. But if this means the loss of tax revenue, needed timber, and employment it must stay as is. We cannot afford this. No! on the Wilderness Act.

NO ROADS: It seems that each year when the Olympic National Park opens its door to public opinion and ideas some one brings up the proposal for more roads into the park. This is quickly put down by those who enjoy the park as it is, an environmental paradise. I do believe, however, that the park should consider the possibility of a scenic road between Hurricane Ridge and Deer Park by way of Obstruction Point. An 8.5 mile dirt road leads from Hurricane Ridge to Obstruction Point now and this would mean only adding an additional 7.5 miles of road, extending from Obstruction Point to Deer Park completing the loop. This ridge running east and west gives the motorist a breath-taking view of the inner Olympics. As far as this hiker is concerned this road proposal would be the only one to take into consideration.

The modern motorist can now drive from west central Washington to Mexico taking in the scenic beaches of the Pacific. Due to this fact we do not need roads along our wilderness beaches. The wilderness beaches along the Olympic National Parks ocean strip run from Lake Ozette to the Hoh River, excluding the Indian Reservation at La Push. This is the only true wilderness beach strip left along the Pacific Ocean in the continental United States. It must be preserved for today's adventurers as well as for those of the future.

As far as carving any roads into the back country the park must "stand pat", as they have in the past, to protect the wilderness for our enjoyment as well as for the enjoyment of future generations.

By the way, according to Webster's dictionary an athlete is a person who is good at games and exercises that require physical skill, endurance and strength. The definition of "hardy" is bold, daring, and capable of enduring fatigue. Another word I have seen pop up lately is that of "wealthy". This word is defined in the dictionary as having a large amount of something valuable. Pertaining to those who venture into the wilderness, writers are placing them in the category of being rich with that which we know as money. Now let us take a good look at those millions who enjoy the Olympic National Park as it is today. How many fall under these categories defined in those three words. Athletic, Hardy and Wealthy. Be honest now. The number is small. Small as is the number of those who during one part of their lives cannot use the park for their enjoyment. There are of course those unfortunate ones who are crippled and cannot get as much enjoyment out of the park as they deserve. But the word which really defines the larger percentage of those who want roads and condemn the park's policy is the simple but very meaningful word "lazy". Let us be honest. This is the way it is.

WRONG DATE FOR MILL CREEK: Local State Wildlife Agent, Jim Aggergaard, announces that the Mill Creek opener will fall on April 23rd, the same date as the lakes opener. The 1972 game fish season pamphlet gives May 21 as the opener for this popular stream. This, says Jim, is incorrect. And so it is young sportsmen. Ready your secret lures and prepare for the Mill Creek opener April 23.

Sunset Highlites

By Fred Jarvis
 Finally got another bowling party behind us. Felt pretty rough Sunday, because of the late hours of course, and the fact that we left for Bainbridge at 6:30 a. m. I guess there were lots of bowlers sleeping in, as it must have been the biggest crowd we've ever had. Glad there's only one a year.

Would like to thank, again, all those who worked so hard on it.

Tuesday Afternoon: Barb Allen 192, Kate Silves 190-534 (nice shooting, Kate) and Judy Klahn 175.

Powder Puffs: Faye Fuhs 195, Mickey Nielson 186, Wilma Engeseth 189, Billie Crist 484.

Hoot Owls: Billie Crist 187, Leta Rondeau 169-481, Mickey Nielson 166.

Thursday Afternoon: Cheryl McCoy 191, Shirley Sandmire 183, Billie Bryan 170-476.

Thursday Nite Women: Billie Crist 181, Jean Streeter 180-495, and mother hit 171.

D & J Logging won first place in the Tuesday Afternoon League and Sears took second in a bowl-off with Cheryl McCoy hitting a 212-533.

Friday Nite Mixed saw Streeter and Duncan copping first place over Lyda and Crist. Duke Streeter shot 237-590 and wife Jean 170-460.

Clark's Vagabond and Sunset Lanes will bowl for the championship of the Olympic Travel League later this month. Darrell took high average money with a 194 and high 10 with a 257.

Fred Jarvis grabbed high series with a 688, which doesn't leave too much for the rest of the teams in the league, except for point money.

In the final week at Bainbridge Sunday, John Nagel had a 247-608 and Al Whitehead 213 for Sunset, while Darrell hit 257-615, Fred Jarvis 245-603, Duke 223-585, and George a 213 for the Vagabond.

Bowlers of the Week: Cheryl McCoy 212, Kate Silves 534, and Duke Streeter 237-590.

ALL-INDIAN TOURNEY SET

The La Push Quileutes All-Indian Tournament has been scheduled for April 14, 15, and 16 at the Quileute Community Center. The games will start at 5:00 p. m. Friday afternoon. Sunday at 2:30 p. m. The Forks All-Stars will play against the tournament ballplayers. The tournament has been limited to 12 teams this year: Lummi, Tulalap, Alaska Nuggets, Seattle T-Birds,

MEETING NOTICE

Carol Weiler, has been elected Chairman of the newly formed "Full Gospel Womens Fellowship" for the Forks and Port Angeles area.

The Fellowship was started in 1967 in Seattle and has branched out all over the United States and Canada. In the last four years, the Seattle Area Full Gospel Women's Outreach Team has traveled in the State of Washington proclaiming the Gospel of Jesus Christ and sharing personal testimonies with signs and wonders following as Mark 16:17 says.

Many groups began with just one woman with a vision of what God can do with His children as they join together in unity and love. This fellowship encourages women to know Jesus Christ as Savior and Lord, as Baptizer in the Holy Spirit, as Healer and Deliverer and as Heavenly Father and Friend.

The first Fellowship meeting will be held Saturday, April 15th at 1:00 p. m., Harrington's Skyroom. A lunch will be served at the cost of \$1.60 each.

Also, reservations will be taken at this meeting for a "Full Gospel Women's Retreat" which will be held April 21, 22, and 23 at Ravensdale, Washington. A deposit of \$5.00 will be collected from any woman wishing to go.

For reservations please call 374-8738.

LEGAL NOTICE

 The Board of Directors of Quillayute Valley School District No. 402 of Forks, Washington will open sealed bids at their regular meeting April 20, 1972 for replacement of windows and door in the Elementary Annex Building. Further details may be secured in the Superintendent's office. The Board reserves the right to accept or reject any and/or all bids.

JOHN B. HITCHCOCK
 For the Board of Directors
 Publish: Thursday, April 6, 1972 and April 13, 1972, in the Forks Forum, Forks, Washington.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BY THE OLYMPIC AIR POLLUTION CONTROL AUTHORITY

On May 3, between 10:30 a. m. and 2:30 p. m., formal hearings will be held at 120 East State Avenue, Olympia, Washington, for the purpose of considering the granting of renewals and original Variances to allow exemptions for a specific period of time from provisions of rules and standards of Regulation 1 of the Olympic Authority. Persons requesting consideration for a Variance in Clallam County are: Sol Duc Shake Company, Inc., Beaver G-B Shake Company-Port Angeles. Any person interested to speak for the purpose of objecting to the granting of a Variance for specific reasons is invited to appear. Notice by the Control Officer, Olympic Authority-Air Pollution Control, 120 East State Avenue, Olympia, Washington 98501, telephone 352-4381.

Publish: Thursday, April 13, 1972 and April 20, 1972, in the Forks Forum, Forks Washington.

LEGAL NOTICE

OLYMPIC NATIONAL FOREST OLYMPIA, WASHINGTON.
 Bids are requested for rental of one (1) backhoe not less than 5/8 cubic yard capacity, rubber tired mounted, and no older than a 1964 model, with operator. The Government guarantees use of 200 hours. Equipment will be used for clearing culverts on the Quinault Ranger District. Solicitation No. 9-72-44. This solicitation is 100% set-aside for small business. Solicitations can be obtained by contacting the Olympic National Forest, Contracting Officer, Federal Building, Capitol Way, Olympia, Washington 98501, or by telephoning 943-7200, Extension 437/438. Sealed bids will be opened at 11:00

4-H NEWS

The Pioneer 4-H Club met March 27th. The meeting was opened by vice president Doug Hanson who led us in the 4-H pledge. Lenny Tiernersma led the pledge of allegiance. The roll call topic was "Name a Nail".

Jim White is to bring the refreshments for the next meeting and Lenny is to bring his killing jar material for a demonstration.

The club voted to donate \$1.00 for a bench at the fair in memory of Mr. Ed Hagerty.

Members went on a tour of Forks Builders Supply before the meeting. It was very interesting. The club plans to go on a tour of Mr. Paul Hanson's tree farm April 8th to see how the trees are planted.

Lauren Blakley gave a demonstration on how to sand

4-H NEWS

The Country Kids 4-H Club met with president Valerie Ronish presiding. The flag salute was led by Dixie Johnson and the 4-H pledge by Nancy Whitehead.

Kim Olsen took the place of Pam Ronish as treasurer. The club will conduct a bottle drive April 16, 1972, and will hold a work day April 12. A bake sale has been tentatively scheduled for April 22 or 29.

Refreshments were provided by Valerie Ronish. Leslie Pooler -- Reporter

4-H NEWS

The Pots 'N Pans 4-H Club held a cookie sale at Pay 'N Save in December. This was the club's way of making money since there are no dues. Members are first-year 4-Hers and were supposed to bake their own cookies. Members received their

record books and are working on them.

Demonstration Day is coming April 22, and each member is preparing a demonstration about food.

Candace Hansen -- Reporter

Newlyweds

Mrs. Frank Kray of Forks was married to H. E. Norton of Webster City, Iowa. The wedding took place in Lynnwood April 6 at the home of her son. Mr. and Mrs. Norton are now at home at 130 - 4th Ave., in Forks.

SOCIAL SCENE

Mr. and Mrs. Henry Halverson spent Easter vacation visiting relatives in Centralia, Belfair and Redmond, Washington. While in Centralia Mrs. Halverson visited the grade school library. They stopped at the New Clearwater school where they visited Mrs. Hyde who used to teach the second grade in Forks.

Pinochle Country Club

The Pinochle Country Club met at the Art Anderson home on Saturday night, April 8. Prize winners were Rollie Ronish, high, Mr. and Mrs. Emil Haugen, low and nines prize, respectively, and the 300 pinochle prize went to Mrs. George Blattner.

LETTERS TO THE EDITOR

patient and para medical staff education, (5) having the best specialists in this part of the country serve the people here in Forks rather than the people going to the specialists elsewhere and, (6) organizing local resources to facilitate health care on a community basis.

To implement these various philosophical ideals requires much cooperation and working together of all the para medical personnel involved and also patient education as to what the people in the health care profession are doing so that no misunderstandings will occur.

One of the problems to date has been the fact that we do require much paper work to be completed before being seen by the physician. None of this, other than one sheet for billing purposes, is mandatory but, we feel that we can give better care by having the patient fill out certain questionnaires for the amount of time that can be allocated for each patient visit.

This requires a minimum of ten minutes to complete the various documents that are needed for evaluation, allowing the patients themselves to help the physician assess their condition. This is the start of the patient's effort to aid the doctor in providing the most complete care possible. In other words, a joint effort, all for the patient's benefit.

We have employed a computerized billing service for a number of reasons. The primary objective at the moment is for billing only; but, it will also be used to evaluate the different types of illnesses that are found in this particular patient population and soon will be used to evaluate the effectiveness of a particular mode of treatment for a certain illness.

To date this type of computer technology has never before been attempted in this or any other country and, as a result, many other medical people are very interested in what we are trying to do here.

We are also developing new ways of charting and recording of writing orders and you will be able to evaluate the patient and to compare his illness with other patients with similar illnesses. This will also enable delivery of better health care.

As with any innovative program, a number of misunderstandings are bound to occur. This is especially true when people do not try to communicate with one another.

If they be rightly preten-

tious of me to believe that one hundred percent of the people in this area would like to have the type of medical care that I have outlined in this letter.

I am sure, that all of our problems can be worked out and will be worked out if we approach things in a cooperative manner and with the philosophy that the care of the patient is the primary function of a clinic and a hospital.

Thank you very much, Sincerely,

Dr. Steenblock P.S.: Office hours are 9:00 a. m. to 5:00 p. m. Monday, Tuesday, Thursday, Friday and 7:00 p. m. to 9:00 p. m. on Tuesdays. To be seen at any time of the day or night call 374-5862.

Editor:

Three years ago, the voters of Clallam County Hospital District No 1 went to the polls and voted \$800,000.00 to remodel and add a wing to the hospital in Forks, and with a whopping 86% majority. I personally thought that Forks and the surrounding communities had a very civic minded population, and that this was a decided vote of confidence in the Board of Commissioners and the hospital staff. After three years of waiting, watching, and much discussion, the hospital facility is almost finished and the people of Forks and the surrounding communities have a building that they can justly be proud of, not only because it is new and modern, but because it was built with their special tax monies, not Federal help.

At the same time, the hospital has also invested in new equipment, and fixtures. As anyone who has moved from one home to another can verify, it takes time to become adjusted to the new environment. The hospital staff has really been making an effort and are now beginning to know their way around. I doubt if anyone really has an inkling of the difficulty in learning a new building, the location of all the various supplies, how to operate and take care of new equipment, and still take care of the patients. Add to all this a new doctor with different ways of writing orders and you will have some idea of what your hospital staff has been going through. In the past your hospital staff has given quality care, and they are still trying to give the same good care you have had at this hospital. We have never refused to care for anyone, with or without insurance, or money. The only stipulation is in the bylaws of the hospital that a duly qualified and app-

ointed medical staff member be responsible for the patient's care.

Many questions have been asked and a lot of words have been thrown around about this hospital in the past few weeks. Two of them are cooperate and compromise. According to Webster's New World Dictionary, compromise is a settlement in which each side makes concessions; cooperate is to act or work together with another or others. No hospital can be run for one person, especially a facility run with tax money. By law, such a hospital is to be run by the Board of Commissioners for the good of the most people and for the entire medical staff. I am sure every one of us is willing to help a new doctor get started. However, we must remember there is a doctor in the community who has devoted a good share of his life and time in your service.

He has reached a point in life where he would like to work less, but he has never said he is retiring.

I have never considered the people of this community to be a gullible people, and at this time I would say STOP! Use your common sense and give these things some straight thinking.

Those of you who are talking and finding fault would do well to attend the board meetings. Also, you might try listening to the other side of the story with an open mind. I am convinced that this community can have a good hospital and better health care in this hospital district, but only if we all work together.

Cooperate. Compromise. And communicate. These are all two-way words. I think about it.

Mrs. Virginia Ball, R.N. Director of Nursing, Forks Community Hospital

Editor:

Why, when we the people of Forks and the surrounding area have a good doctor come in and try to help us, do we turn our backs?

The sign just as you enter Forks says we need doctors in this town. So, OK, we have one come in but are we willing to stand behind him and what he is trying to do?

If we the people let him down, do you think that other doctors are going to want to come to our town?

We as the people have a say, so do we keep our doctor and hope for more or do we just say let's go to Port Angeles, Seattle or someplace else?

We say keep our money in Forks for the businesses; doesn't the same apply to our doctors?

He needs our help now, not later. How many times in the past have we needed a doctor and we didn't have one? How many times have we had to go to Port Angeles or Seattle to see a doctor?

We built a new hospital but what good is it without any doctors? Do we just let it sit there, and take our money someplace else when it could be used in our town?

Dr. Steenblock might be young and he might not meet the approval of all, but who among us meets the approval of all? I know he is a very good doctor. I have been to him and that is why I can say, in my opinion, he is a very good doctor.

I should know. I have been to a lot of doctors because I'm the mother of 4 and grandmother of 1. My first born was born at 6, 1/2 months and she is classified as a Cretin. She is married and a mother and studying to be a psychiatrist. My second was going deaf and had to have two operations. She can hear today, and she is in her first year of college. My third was a boy and thank God no trouble. My fourth had water on the brain. Her head was growing 6 inch a month and they operated when she was 5 months old. She is 16 years old and doing real well.

So see, I have had lots of dealings with doctors and know a good one when I meet one. Just write "The City of Hope" "U.C.L.A. Medical Center" or "The Childrens Hospital" in Los Angeles, California and you can find out. They asked for my oldest and youngest to go to these places to see if they can find some things to help other children.

I thank God every day for my children's lives and granddaughter. I try to figure out what I have done to deserve this gift from God, because I know he led me to the doctors and I think Dr. Steenblock come up to meet these other doctors. I've had to have their help with God's help. I could add more but this is just to say a little of my contact with doctors.

So why can't we all stick together and keep Dr. Steenblock here? He is the first, so let's get together and keep him here so he can cut the path for other doctors to come in. If we show that we really mean what the sign says "This Town Needs Doctors" then we will get them.

Our insurance the Washington Physician Service says we have one doctor here that belongs to their group, but is one doctor enough to take care of us all? I say NO!

Just take a look around you and see how many people have moved here in the last 3 years or more. We are growing, so

we need to grow in our doctors the same as our businesses.

Dr. Steenblock is an Osteopathic Physician. That means he studied the bone structure and also the medical part of the body. In other words he has studied not only the organs but the bones of the body. So he knows more about you than just what he sees.

If you wish to look up and see just what an Osteopathic Physician is, you can find out in the "World Book Encyclopedia" in the book "O"; page 659. Maybe then you would understand more.

I will close this letter with one thought in mind. If we don't help the people who try to help us, who is going to help? Do we stand still or go forward? It is up to us the people of the Forks area. Sincerely,

Patsy R. Leavitt Box 224, Beaver, Wash.

COMMUNITY COUNCIL NEWS

Forks Community Council met March 28 in the Forks Congregational Church with 10 organizations attending and one guest, Carol Lunsford presiding.

The Disaster Committee reported they had assisted 9 people.

Willard Morgan gave a report on the Search and Rescue.

Lion's Club reported they had the fence started for the tennis court.

Mrs. Halverson reported that the 4-H had received word that John Hitchcock, Jr. had been accepted for the 4-H International Farm Youth Program.

Ginger Haberman presented the budget, which was accepted.

1972 United GoodNeighbors Chairman will be Pastor Howard Stockman.

A report was heard from Alcohol Anonymous, who are now meeting at Saint Annes Catholic Church each Friday evening.

We will receive \$970.00 from U. G. N. for 1972.

Register for kindergarten

Pre-school P. T. A. is now handling the kindergarten survey. It is necessary to have an accurate account of prospective students to plan for staff and facilities. The school board policy for entrance age is 5 years old on or before Sept. 1. If you have a child who will enter kindergarten next fall and have not been contacted, please call Margi Lamb, 374-5152, or Pat Hammell, 374-6382.

FORKS POLICE COURT

Judge Herbert Beebe presiding Charles Daniel Henry, Box 754, Forks, creating a nuisance in a public place, \$104 fine with \$75 suspended if no more like charges for one year.

Wallace Wilson Berry, Box 146, Forks, Public intoxication, creating a public nuisance, \$83 fine.

William Morris Bouchard, Box 1190, Forks, being intoxicated in a public place, \$22 forfeit.

4-H leaders meet

Forks 4 H Leaders Council met at the home of Mrs. Henry Halverson April 6, 1972 at which time plans were made for a 4H Garage Sale to be held April 28 and 29. The sale will be held in the Leffler Building next to Sears store. The proceeds are to be used to send John Hitchcock, Jr. to Latin America to an International Farm Youth Exchange, IFYE (pronounced "ifee"), for 1972.

Mrs. Ron Klahn reported the following clubs have donated money toward a bench to be placed at the Clallam

Lion's Club reported they had the fence started for the tennis court.

Mrs. Halverson reported that the 4-H had received word that John Hitchcock, Jr. had been accepted for the 4-H International Farm Youth Program.

Ginger Haberman presented the budget, which was accepted.

1972 United GoodNeighbors Chairman will be Pastor Howard Stockman.

A report was heard from Alcohol Anonymous, who are now meeting at Saint Annes Catholic Church each Friday evening.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

We will receive \$970.00 from U. G. N. for 1972.

County Fair grounds in memory of Ed Haggerty: Rein-Riders, Handy Dandy, Best is Better, Pioneer Club, and Scissors and Cups.

4-H Sunday will be May 7 and each 4-Her is asked to attend the church of his choice.

"Best is Better" club had an Easter Party for 13 children.

Mrs. Warren Paul and Mrs. Vester Sexton of the Bogachiel Garden Club held a workshop on corsages for the Handy Dandy and Eager Beaver Clubs.

PRINCE OF PEACE

The Confirmation Class went on a retreat to Ocean Park in La Push last weekend. They spent time both in study and in different activities along the beach.

The Jr. High Youth Group is planning an outing to Hurricane Ridge this coming Saturday.

The Men's Group will meet at the grade school play room April 17, at 7:30 p. m. to play volleyball.

The title of Pastor Stockman's Sermon for Sunday is "His Gift" taken from Ephesians 2:4-10.

LOU MARSH PRESENTS THE FORKS MEMORIAL LIBRARY BOOK CRITIQUE EACH DAY ON KVAC AT 9:00 A.M.

Scholarship to be awarded

Peninsula Telephone and Telegraph Company, Forks, Washington, has announced that it will award a \$250.00 Scholarship to a graduating senior of Forks High School as it has in past years.

Seniors of the Forks High School who are interested in applying for the Scholarship can obtain eligibility criteria and application from their high school Counsellor or Principal.

Mrs. L. E. Leibold installed the new officers for Forks Hospital Auxiliary April 6 at the home of Mrs. Charles Douglas. Pictured are (left to right): Mrs. George Campbell, vice president; Mrs. Ed Lewis, secretary; Mrs. Phil Jasper, treasurer; and Mrs. Fred Cline, president.

Citizen's Group To Found New Bank In Forks

A group of concerned Forks citizens has applied to the State Banking Commission for a charter to found a new bank in Forks. Preliminary surveys showed widespread dissatisfaction with the present Bank in Forks.

Armed with a deep sheath of complaints and suggestions for area financial improvements, the committee for a new Bank has requested an application kit and forms to enable the group to establish a community-oriented bank in the Town of Forks.

Capital stock pledges have been received in excess of \$200,000.00. Five organizational meetings have been informative and progressive. There will be another meeting this Friday, April 14, at 7:30 p. m. at Alder Grove Hall. A speaker from the Banking Industry will be there. Please feel free to attend.

This announcement is a news article and under no circumstance to be construed as a solicitation to sell securities.

Missionary to show films

Films and slides of the jungle-dwelling Waiwai Indians will be presented by Rod Ketchum at the Forks Assembly of God Church on Sunday, April 16, at 7 P. m.

Ketchum, a missionary to British Guiana, South America, took the pictures himself while living amongst the Waiwai Indians there.

Waiwai life would seem idyllic to many of us-- much of their time is spent hunting and fishing. Ketchum's teenage son Rex went on a three-week hunting trip with the Waiwais and the ceremonial greeting as the hunters return is shown in the film.

Everyone is welcome at this free program.

LUNCH MENU

April 17-21
MONDAY: Spaghetti with meat, buttered peas, garlic bread and buttered bread, canned fruit, milk.

TUESDAY: Home style beans, vegetable sticks, cornbread crunch with butter, chocolate pudding, milk.

WEDNESDAY: Hamburgers on buttered bun, potato salad, buttered corn, ice cream, milk.

THURSDAY: Chicken in gravy, whipped potatoes, cabbage salad, buttered bread, fruit jello, milk

FRIDAY: Chicken rice soup, grilled cheese sandwich, dessert, milk.

BUY ALL YOUR OFFICE SUPPLIES AT THE FORKS FORUM, IN THE KVAC BUILDING.

some of your best telephone friends are folks you don't see very often . . .

. . . people working behind the scenes, doing the thousand-and-one things that make it possible for you to talk to anyone, anytime, anywhere.

Because, more than machines, Peninsula Telephone and Telegraph Company is people. Business staff, linemen, installers, engineers and many others . . . people like Dee Hilt, Secretary and Special Studies Supervisor . . . people, like Dee, with but one objective: to make certain your telephone service is the best.

There's a world of unspoken dedication behind every telephone conversation.

In and Around Town

Mr. and Mrs. Bob Rosmond spent five days in Portland, where Bob attended school, while Vicki shopped and visited friends. Among them were Mr. and Mrs. Neil Macaulay. On April 6 the Rosmonds attended the Tour of Champions 1972 of the International Skating Union at the Seattle Center Colosseum.

Mrs. Jane Waters is home recuperating after undergoing surgery in Seattle. The children and the staff miss you, so hurry and get well.

Visiting Mr. and Mrs. Cliff Echols over the Easter holiday were: her grandparents, Mr. and Mrs. Andy Solberg from Port Angeles; Mr. and Mrs. J. P. Nelson and Mr. and Mrs. Marlin Cochenour from Salem, Oregon. Wednesday, after Easter, Betty's mother, Mrs. Chet Richards, came up from McCleary to visit them.

Mrs. Montana Wilson received word from her nephew, Craig Milner, that considerable damage was done to his house during the Vancouver tornado.

Visiting Mr. and Mrs. Del

Mrs. Paul Ungvall, 374-6302

Gott and Mr. and Mrs. Bob Cunell in the latter part of March were Linda's sister, Mr. and Mrs. Jim Griffin and son Jimmy. Last weekend Del's sister, Mrs. Bob Thompson and daughter Meladee from Lake Stevens, came up for a visit.

Mrs. Edith Goakey returned recently after spending three weeks with her daughter, Mrs. Helen Scharber, in Puyallup. She also went to Longview and spent a week there visiting friends.

Mr. and Mrs. Larry Holt went to Olympia where they took in the Capitol building and the Hall of Justice. On their way home the Holts stopped in Shelton to visit Larry and Kathy Barger and family. The Bargers were busy cleaning up after a big mud slide which fortunately didn't do any damage to their house.

Mr. and Mrs. Don Carte spent the Easter holidays in Spokane visiting Don's cousin, Mr. and Mrs. Mack Dilley. Over the weekend of April 9, former Forks residents, Mr. and Mrs. Hank Bigelow from Warrenton, Oregon, visited

the Cartes and other friends and also took in the bowling party.

Visiting Mrs. Jerry Matson in Beaver were Mr. and Mrs. Loren Mathews and "Rosebud" from Burien. "Rosebud" is a Wambassi tribal dog from South Africa and weighs 4, 1/2 pounds.

Happy birthday to Celia Sackett! Celia celebrated her 10th birthday April 8 and had some friends in for a taco dinner and a slumber party. Helping her celebrate were: Crystal Fuhrman, Pam Minor, Marcie Olsen, Cheryl Addleman, Marta and Starla Engeseth.

Visiting Mr. and Mrs. Jim Silves over the weekend were Mr. and Mrs. Charles Robinson from Marysville (former residents of Forks).

Rebekah News

Calawa Rebekah Lodge met in regular session on Tuesday, April 4th. A short business meeting was held and then the Initiatory Degree was given to Florence Trulson, Oral Motteler, Dinah and Dudley Maxfield. The drill team entertained with their beautiful drill. During good of the order an invitation was
