PUBLIC NOTICE

NOTICE OF SALE OF FOREST PRODUCTS VALUED AT NOT MORE THAN \$5,000.00.

Notice is hereby given that on Tuesday the 26th day of December, 1972, commencing at ten o'clock in the forenoon in the Olympia Area Headquarters of the Department of Natural Resources, the following described forest products will be sold at public auction to the highest bidder.

LEGAL DESCRIPTION: The sale is composed of all trees marked with orange paint comprising approximately 21,000 board feet of cedar and 5,000 board feet of hemlock and white fir on part SE 1/4 NE 1/4 Sec. 20, Twp. 21N., Rge. 12W, W. 1/4, Jefferson County, Washington.

CASH SALE: Forest products will be sold on a cash basis. Minimum acceptable bid will be \$1,542.00. On or before December 26, 1972, at 10:00 a.m., each bidder must make a minimum deposit of \$154.20, in the form of cash, money order or certified check. Said deposit shall constitute an opening bid at the appraisal price. Upon award of this sale, the respective deposits shall be returned to the unsuccessful bidder. On the day of sale the purchaser must pay the balance between the bid deposit and the full bid price plus a \$5.00 mill of sale fee. This balance may be paid by personal check. All checks, money orders, etc., are to be made payable to the Commissioner of Public Lands.

BONDS: On the day of sale, the purchaser must also furnish a cash bond of \$200.00, in the form of cash, money order, or certified check, to guarantee compliance with all terms of the mill of sale. Any sale which has been offered, and for which no bids

are received shall not be reoffered until it has been re-advertised. If all sales cannot be offered within the specified time on the advertised date, the sale shall continue on the following day between the hours of ten o'clock a. m. and four o'clock p. m.

The State of Washington does not guarantee its published copies of the herein described forest products, and purchasers thereof shall have no recourse against either the State of Washington or the Board of Natural Resources if the actual cut does not equal such published crates.

Forest products must be removed prior to June 30, 1973. Located approximately 11 miles by road south of Forks. Accessibility via Department of Natural Resources Access.

A copy of the forest products bill of sale contract is posted at the Olympia Area Headquarters of the Department of Natural Resources. Bert L. Cole, Commissioner of Public Lands. Publish Thursday, Dec. 14, 1972, in the Forks Forum, Forks, Wa.

COMMUNITY COUNCIL

William Stephenson was elected president of the Forks Community Council when it met Nov. 9, 1972, in the fellowship hall of the Congregational Church, with 15 organizations present and 1 guest.

Other officers elected were: President Carol Lundford, thanked everyone for their help in 1972. Vice president Mrs. Henry Halverson, secretary Howard Stockman, treasurer and Carol Lundford, trustees are Rev. Art Morlin and Charles Anderson.

Howard Stockman, United Way chairman, reported they had collected \$4,930.50. Mrs. Henry Halverson reported that Santa Claus will visit the primary school Dec. 21 and hand out candy canes which are purchased by the Community Council. The Council will also send Santa \$5 to help pay for cleaning his suit.

The treasurer paid \$100 to the Forks Memorial Library, \$100 to Search and Rescue, and \$25 to the Beaver Swim Program.

The Council will receive \$970.00 from UGN for 1973.

A letter was read from the Forks Library Council asking for assistance, and the Council agreed to give them \$100.00.

Visiting was Kurt Newby who told of the bid program for this winter.

SCHOOL NEWS

The School-Indian Community Dinner which was set for December 12 has been postponed to a later date due to the weather.

The Senior Ball will be held December 21 with Sue Howell and Robin Roberts as co-chairmen. The event will be formal and open to 8th grade students and up, for couples and singles. The "Messiah Band" from Aberdeen will play, and the theme this year is "Once Upon a Time" with decorations centered around fairy tales. Decorating will begin December 8, so the old gym will be closed from then through the 21st. The royalty will be selected by class voting and will be announced during the band-treats.

CHRISTMAS TREE PERMIT

A Christmas tree permit must be obtained prior to cutting your tree on the S.J. Le-duck Ranger District of the Olympic National Forest. Permits are now available from the Forks Ranger Station Monday through Friday from 7:46 AM until 4:30 PM, or may be obtained by mail.

Cost of a permit is \$1.00 and entitles the purchaser to cut one Christmas tree of his choice. The only area on the District where tree cutting is prohibited is on Bondu Flat.

Since private and National Park land is intermingled with National Forest land, be positive of your location before cutting. Most private land owners do not allow tree cutting on their land. All National Park land is closed

ERRONEOUS RUMOR

Washington State World War II veterans are being cruelly deceived by an erroneous rumor of a special dividend on their G. I. Insurance, according to W. R. Phillips, director of the Veterans Administration regional office in Seattle.

Phillips said leaflets and pamphlets detailing the rumor as true have been distributed in many parts of the country and newspapers have unwittingly carried the story.

He said VA officials are concerned that many World War II veterans now have the false hope they are in for an insurance special dividend windfall.

"They are not," the state VA director explained. "The laws that have swept the nation usually involves accumulated dividends that are supposed to have piled up on World War II National Service Life Insurance policies—even if no premiums have been paid on the policies since the end of the war."

Phillips said the stories may stem from an action taken in 1948 when payment of a dividend on these same policies was authorized. These dividends were derived from premium overpayments of a lower than anticipated casualty rate during the war.

However, all payments of these special dividends ended years ago.

A regular 1972 dividend has been paid, only to those veterans who have G. I. Insurance policies in force. Another will be paid next year to policyholders. No application for the dividend is necessary since they are paid automatically to policyholders.

FORKS WINS IN OVERTIME

The Forks Spartans dared the elements last Saturday evening and traveled to Port Angeles for a return match with the Peninsula College I. V. %.

Sophomore, Jim Blair, proved to be the punch for the Spartan attack out-maneuvering the Pirates during the sudden death overtime period.

Blair took the tip, moved into forecourt and passed to James Innes. Innes, with no attack available, passed back to Blair who called time out. On the inbound pass to Blair from Innes, the swift sophomore guard skirted the base line on the right and out-maneuvered his defender Doug Wiley and Ken Taylor for a layup and the winning bucket.

Forks' play, as well as the I. V. %, was ragged at times with numerous turnovers committed by both teams. Again, as in Friday night's contest, the Spartan defense looked good,

making the I. V. % shoot from outside and take low percentage shots. The game started out slow as both teams had difficulty finding the range on the hoop.

About a minute into the first quarter, Ken Taylor scored a 15 footer to open the scoring, giving the Pirates a 2-0 lead. Troy Harridge increased the I. V. lead as he sunk a layin at the 6:17 mark. The Spartans, down by 4-0, took a time out at that time to regroup.

John Leppell got the Spartans on the scoreboard after 2 minutes had been played, closing the gap to 4-2.

Jeff Wittenborn tied it up at 11-4, and the Spartans had numerous opportunities to expand that lead, but poor shooting percentages from the field kept the Spartans knotted up with the I. V. %.

With 1:36 remaining in the last quarter, Larry Woody sunk a 15 footer from the left corner to give Forks a 9-point lead of 11-6.

In the closing seconds of the period, Doug Wiley scored 5 unanswered points to tie the score at the close of the period 11-11.

The game at this point looked to be a rematch of the Bnc contest the night before played before a near capacity crowd in Forks, a game that Peninsula won in overtime 48-48.

The opening of the 2nd quarter was reminiscent of the game opening stanza as both clubs had difficulty locating the hoop.

Mike Simmons, after almost two minutes were played in the second quarter, hit a free throw to give the Pirates a 12-11 lead.

Blair came back for the Spartans with a quick 5 foot jump shot knocking the teams together again.

After the I. V. % jumped to a 4 point lead in the late going of the half, Ken Olson hitting on a couple free throws, and Mike Brandberry with a set from 18 feet out, tied the game again for the 5th time at 17-17.

PIRATES WIN IN OVERTIME 49-48

The 1972-73 Forks Spartans Basketball Season got underway last Friday evening, with the Spartans five keeping the crowd on the edge of their seats to the final buzzer. The first foe to run up against the determined group of Spartans were the Peninsula College JV Pirates. Even though only 7 strong, the

run, who drove under the basket and was fouled. Not only was he fouled but his shot dropped through the cylinder giving Forks a 27-25 lead. Brandeberry's foot shot bounced off the rim, and Harridge cleared and attempted a full court pass with only seconds left. Just as the buzzer sounded for the half, Olson intercepted the pass and Forks went into the Locker Room leading 27-25.

The Pirates started early, jumping to a lead with goals by Troy Harridge and Doug Wiley. Forks, after a slow start, was able to regroup and bounce out from 6-4 at 4:07 of the opening period.

The go ahead goal came on a pass from Ken Olson to Jim Blair in the lane. John Leppell then came back with a 15 foot jumpshot from out front putting the Spartans on top 1-4.

The Pirates came back with two unanswered buckets and led 6-7 with 1:09 remaining in the season's opening quarter.

Ken Olson again put the Spartans on top with 2 of his total 13 points of the evening. The Spartans lead was once again to be short lived as Larry Woody fouled Ken Taylor as the clock showed no time remaining. Taylor calmly stepped to the line and sank both shots for a Pirate lead of 12-9 at the close of the first period.

The Pirates quickly jumped to a 15-9 lead before the Spartans once again settled back to play some serious catch up basketball.

At 6:50 of the second quarter, Mike Brandeberry squeezed between 3 Pirate defenders and put up a back handed shot from 5 feet out to bring the Spartans back to within 4.

Forks, displaying a good zone defense, had Peninsula worried at times and caused numerous miscues. Jim Blair stole a pass, passed to Ken Olson and closed the Pirate lead to 15-14.

Doug Hoekenberry then came right back for the Pirates to hold their lead. Eagenes, and first game jitters caused both clubs to commit turnovers as the 1st half was coming to a close.

Both teams were able to swap baskets before the Spartans broke their cold spell and the man-on-man defense employed by the Pirates. Olson sunk an 18 footer, bringing Forks within 3 points.

Mike Brandeberry hit at 1:33 after a missed Pine attempt, and Forks was down with the half coming to a close 25-23.

Doug Wiley then drove the distance and tied a 19 foot jumper, hit the front rim, Brandeberry rebounded, and passed to Jeff Wittenborn.

Wittenborn drove the lane, laying the ball into the hoop, tying the score at 25-25 with 26 seconds left.

Forks employed a semi-press on the inbound pass and Larry Woody fouled Doug Wiley. Wiley's fouled shot was hand off the backboard and Bill Ingers cleared the boards. Ingers hit Brandeberry on the

run, who drove under the basket and was fouled. Not only was he fouled but his shot dropped through the cylinder giving Forks a 27-25 lead. Brandeberry's foot shot bounced off the rim, and Harridge cleared and attempted a full court pass with only seconds left. Just as the buzzer sounded for the half, Olson intercepted the pass and Forks went into the Locker Room leading 27-25.

Brandeberry's foot shot bounced off the rim, and Harridge cleared and attempted a full court pass with only seconds left. Just as the buzzer sounded for the half, Olson intercepted the pass and Forks went into the Locker Room leading 27-25.

The Pirates started early, jumping to a lead with goals by Troy Harridge and Doug Wiley. Forks, after a slow start, was able to regroup and bounce out from 6-4 at 4:07 of the opening period.

The go ahead goal came on a pass from Ken Olson to Jim Blair in the lane. John Leppell then came back with a 15 foot jumpshot from out front putting the Spartans on top 1-4.

The Pirates came back with two unanswered buckets and led 6-7 with 1:09 remaining in the season's opening quarter.

Ken Olson again put the Spartans on top with 2 of his total 13 points of the evening. The Spartans lead was once again to be short lived as Larry Woody fouled Ken Taylor as the clock showed no time remaining. Taylor calmly stepped to the line and sank both shots for a Pirate lead of 12-9 at the close of the first period.

The Pirates quickly jumped to a 15-9 lead before the Spartans once again settled back to play some serious catch up basketball.

At 6:50 of the second quarter, Mike Brandeberry squeezed between 3 Pirate defenders and put up a back handed shot from 5 feet out to bring the Spartans back to within 4.

Forks, displaying a good zone defense, had Peninsula worried at times and caused numerous miscues. Jim Blair stole a pass, passed to Ken Olson and closed the Pirate lead to 15-14.

Doug Hoekenberry then came right back for the Pirates to hold their lead. Eagenes, and first game jitters caused both clubs to commit turnovers as the 1st half was coming to a close.

Both teams were able to swap baskets before the Spartans broke their cold spell and the man-on-man defense employed by the Pirates. Olson sunk an 18 footer, bringing Forks within 3 points.

Mike Brandeberry hit at 1:33 after a missed Pine attempt, and Forks was down with the half coming to a close 25-23.

Doug Wiley then drove the distance and tied a 19 foot jumper, hit the front rim, Brandeberry rebounded, and passed to Jeff Wittenborn.

Wittenborn drove the lane, laying the ball into the hoop, tying the score at 25-25 with 26 seconds left.

In and Around Town

Saw a cute little dog in a stroller outside Pay 'n' Save the other day. He was apparently baby-sitting the stroller while the owner was doing the shopping.

Mr. Newby of the Primary School is sporting a new seat through the.

Mr. & Mrs. Arvid S. Jost remained recently from a trip to Youngstown, Arizona, where they visited Betty's parents, Mr. & Mrs. Otto Peterson. While there were Betty's sisters from California and India's also arrived, and they had to make fewer mistakes against all remaining opponents.

One bit of humor from the stands Friday night may have cost the Spartans a win. Someone brought a whistle into the gym and blew it just as James Jaimie was driving for a lay-up. Jaimie stopped and was called for traveling since the officials had not made a call. Whoever that person of humor may be - feel proud - you may have won the game for Peninsula.

The Spartans and all who support this fine group of athletes, thank you.

Sunset Highlites

By Fred Jarvis

Won't be long before we'll hear the patter of heavy feet on the roof, and the wheezes and grunts of the white-whiskered old gent as he stuffs himself down the chimney. Might have a little trouble at our house, as we have no chimney. Should be some better seeing now as Dick and Darrell have worked on the alleys this week and they're in pretty good shape now.

Tuesday Afternoon: Betsy Bouds 172-476, Ollie Swearingen 169-469, Darlene Neal 155, and Chris Pitt 162-476.

Sunset: Duke Streeter 233-611, Bob West 217.

Hoot Owl: Harriet Tryon ripped out a 240-475, 100 pins over her average, and will receive a Century Patch from the W.I.R.C. Willie Crist had 191-497, and Joanne Palmer 189.

Thursday Afternoon: Billie Crist 203-613, Kathy Decker 206, Billie Bryan 501, and Rose Brooks hit a 140 with a 72 average.

Thursday Nite Women: Leta Rondeau and Colleen Brooks 193, Woody Hamby 183, and "Babblegum" Gladys Allen had a 63.

West End: Darrell 222-596, and Duke 243-697.

Friday Double: Kathy Decker 180-493, Barb Allen 187, Jerry Beebe 491, Sally Nagel 501.

Friday Nite Mixed: Jerry Beebe 187, Billie Crist 466, Mother and Esther Parris 174, George Richardson 224, John Nagel 501, Fred Jarvis 504. Nagel-Richardson won the first half.

Had the big shot at Monte Carlo and found the same groove every one else has. In other words, missed.

Olympic Travel League at Laurel: Ted Pifer 227, Vern Rondeau 568, Darrell 229-697, Fred Jarvis 216, Duke 218-575.

Sunday Nite Mixed: Glen Gooding 315, Vern Rondeau 218, Ken Middleton 214, Dick Sandrine 206-698 (his first), Leta 166 and Lora 196-531.

Forks Prairie: Jess Paris 213-592, Darrell 222-504, Fred Jarvis 219-583, Duke 207, Floyd McCoy 200. Rondeau and son won first half.

Rowers of the Week: Harriet Tryon 240 - Lou Skd 531, Duke 243-611

Parks, Randy S., Negligent driving (accident), forfeit \$65.00.

BEULAH M. HOLLAND

Funeral services for Mrs. Beulah M. Holland, age 79, were held Wednesday, Dec. 13, 1972, at 1 p. m. at the Forks Congregational Church, Rev. Ted Kingsmith officiating. Arrangements were under the direction of Ridgeview Chapel in Fort Angeles.

Mrs. Holland, a resident of Forks, passed away in Forks Sunday, December 10, 1972. She was born December 31, 1893, in Georgia, the daughter of Mr. & Mrs. Will O'Neil.

Mrs. Holland was married December 29, 1914, in Georgia to Avery Holland, who passed away in 1971. She lived in Georgia until moving to Clear Lake, Wa. in 1920 and to Clallam Co. in 1925. She lived in Forks since 1925, working in the first hospital in Forks and later in the present hospital for 12 years.

Mrs. Holland was a member of the Forks Congregational Church, Forks Prairie Grange, and Rebekah #239 IOOF and

Order of Eastern Star, Mt. Olympus Chapter #1533.

She is survived by a daughter, Mrs. Wilma Shipley of Forks; one grandchild; 2 great grandchildren; 4 brothers, Dock O'Dell of North Carolina, Clarence O'Dell of South Carolina, Garfield O'Dell of Georgia, and Joe O'Dell of Michigan; 2 sisters, Mrs. Leo Whitaker

and Mrs. Joe Babb of North Carolina.

Pallbearers were Robert Dudley, Robert Hall, Herb Beebe, Jack Orr, Clayton Graves and Joe Foke.

Illegally Registered Vehicles

OLYMPIA --According to a survey conducted in King County this summer by the Department of Motor Vehicles, as many as 50,000 of the state's 2,000,000 cars and trucks may be illegally registered costing more than \$1,500,000.
 The random select sampling of some 3,000 vehicles was conducted during a three day period and all licenses recorded were displaying 1972 tabs. The licensing information gathered was compared with the computerized records at the DMV and a list of discrepancies

Let Non-Drinkers Drive

How many times have you heard, "If you drink, don't drive?" This frequently offered but seldom heard advice offers life-saving advice. But knowing that all Washington's drivers do not heed good advice, State Patrol Chief O. C. Fureth offers a further step to insure a safe holiday for all.
 "If you intend to drink alcoholic beverages to excess, plan for a sober driver, or simply, if you drink let someone else drive," Fureth said. The Department of Motor Vehicles, the Department of Highways, the Traffic Safety Commission, and the Liquor Control Board have joined with the Washington State Patrol to attempt to convince Washington motorists to "Protect the life in their hands."

"Your protection isn't far away," continued the Patrol Chief. "Simple defensive actions can be the key to your survival. A defensive driver knows he must be seen as well as seen, so he drives with reflexes and eyesight undimmed by alcohol; and with the slightest inclement weather he turns on his headlights. He would rather be missed than missing, so he makes sure he's seen."
 Washington's traffic death toll, which had slipped ahead of last year's total in October, is now progressing on a better note. It now stands at 788, or less than last year on this date. "What better gift could you present to a loved one than your life, and what better way to end the year than on one of the lowest traffic death rates in the nation. It's in your hands," concluded Fureth.

The tread depth is down to the safety minimum of 1/16 inch or less if you see a smooth groove across two or more grooves. Appearance of these "wear bars" indicate the tire is going bald, and should be replaced.

TYEE-SAPPHO BEAVER NEWS
by Sybil Merritt

The following item was mailed in the box in front of the Forks Post Office on Sat., Nov. 25, but was placed in the wrong pigeon hole so was not received until Tuesday evening.

Mr. and Mrs. Ed Koppasick enjoyed Thanksgiving dinner at Discovery Bay Lodge and stayed all night in Sequim. On Friday they visited Mr. and Mrs. Frank Conley who had just returned from a trip through California with their son Bill in his new camper. Bill has now gone to south Vietnam where he will be employed for two years as a jet mechanic. They also visited Mr. and Mrs. Jack Zerbel at Dunderberg Terrace and found Mrs. Zerbel quite unwell, suffering from a severe anti-biotic reaction. The Cooleys returned home Friday night.

Weather conditions and physical disabilities prevented Mrs. Muntz from writing further news.

Mr. Dan Stevens of Bear Creek arrived recently in Western Samoa, where he will be working on a construction project. He will be joined in February by his wife, Alice, and by his son, Tony and daughters. His stay in the Pacific Island will be for an indefinite period.

Mr. & Mrs. A. M. Nordman went to Aberdeen Thanksgiving morning and had the holiday dinner with their son and daughter-in-law, Arvid and Virginia Nordman. Others present were the three Nordman girls, Christine, Lisa and Lorna, Virginia's parents, John (Johnny) and Belle Sandquist and Johnny's aunt, all of Aberdeen. The entire Nordman family returned home Friday.

Mr. & Mrs. Leona Proctor had Thanksgiving dinner at the home of her son Luther Proctor and family.

Mr. & Mrs. Dewey Fisk, their son and daughter-in-law, Mr. & Mrs. Gary Fisk and daughter Tracy, granddaughter Diane Rowling with her children Randy and Shalette, and George Inman went to Kalaloch Inn for a most enjoyable Thanksgiving dinner.

On Friday Frances Fisk, Clark and Tracy Fisk, and Clark and Diane Rowling with Randy and Shalette went to Bellingham and had Thanksgiving dinner on Saturday with Frances' daughter, Mrs. Gladys Lease, Diane's mother. They returned home Sunday.

Ken and Karol Smith, their dog, Luv and cat Daphne, left

Mr. & Mrs. Ed Lewis spent Thanksgiving with their son-in-law and daughter, Mr. & Mrs. George Oring in Chehalis. They spent the night at the home of their son, Joe Lewis and family in Hoquiam and returned home Friday.

Mr. & Mrs. Charles Fox and Mr. & Mrs. Jullie Baker spent Thanksgiving weekend at the Foxes property at the Lacey C Ranch at Tenison.

A. M. Nordman left on Tuesday, November 28 to attend the wedding on December 2 of Mr. Nordman's grand-niece in Los Altos, California. His son Arvid, with Virginia and their daughters, Christine, Lisa and Lorna were present, and his other son Arnold flew out from Chicago for the event.

The bride's grandmother, Mrs. Mabel O'Hara, Mrs. Nordman's

step-son, was also present, but their brother, William Mitchell of Berkeley who had planned to attend the wedding was unable to do so.

Mr. Nordman arrived home on Monday of last week and on Wednesday, December 6, he and Mrs. Nordman went to Seattle, where he underwent nasal surgery. They returned home Sunday.

Mr. & Mrs. Charles Fox and Mr. & Mrs. Jullie Baker attended the VFW District 6 meeting Saturday night, December 2, in Olympia, and on Sunday, they attended the District meeting of District 12 in Chehalis. They spent Sunday night at the home of Mrs. Baker's brother-in-law and sister, Mr. & Mrs. Joe Ford in Chehalis and returned home Monday. Both couples are members of VFW Post 9100 and the Auxiliary.

"Art's Misfit", shuffle board player, had a pre-Christmas party at the Antlers Hotel Saturday night, with fourteen players present. Christmas gifts were exchanged, and every body had a grand time.

I'm sure there must have been many more Thanksgiving parties, etc., but I was unable to contact anyone who could give me the necessary information.

DON'T MIX TIRES

Washington, D. C. --For many motorists, winter may be "just around the corner"; for others, it's already here. Whatever the situation, the "mixed-tire" performance has been compared to the effect of wearing a rubber soled shoe on one foot, a new leather sole on the other -- or a pair of ice skates of which only one is newly sharpened.

A radial tire is built in such a way that when the front wheels are turned the tires immediately assume the new direction. If the snow tires on the rear are of a different type, the risk of slipping and causing a skid is more likely.

"Mixing" does not refer to the use of different brands, or different cord materials, nor to the number of sidewall plies (such as two, four or six ply) on the same vehicle.

The Council also recommends drivers give new snow tires a "break-in" period. Speed should be held to no more than 60 miles per hour for the first 50 miles of driving.

KORF replaces KERSLAKE

V. W. (Bill) Korf, 41, will replace Ralph W. Kerslake as District 3 Engineer for the State Highway Department on January 1, 1973. Director of Highways George H. Andrews

dangerous vehicle performance which may result. Under various driving conditions requiring dependable vehicle control, especially in cornering, "mixed-tire" performance has been compared to the effect of wearing a rubber soled shoe on one foot, a new leather sole on the other -- or a pair of ice skates of which only one is newly sharpened.

A radial tire is built in such a way that when the front wheels are turned the tires immediately assume the new direction. If the snow tires on the rear are of a different type, the risk of slipping and causing a skid is more likely.

"Mixing" does not refer to the use of different brands, or different cord materials, nor to the number of sidewall plies (such as two, four or six ply) on the same vehicle.

The Council also recommends drivers give new snow tires a "break-in" period. Speed should be held to no more than 60 miles per hour for the first 50 miles of driving.

KORF replaces KERSLAKE

V. W. (Bill) Korf, 41, will replace Ralph W. Kerslake as District 3 Engineer for the State Highway Department on January 1, 1973. Director of Highways George H. Andrews

did you know?

That advances in propulsion, miniaturization of electronics and the use of antiship missiles now make it possible to combine a lethal capability with a small crew in a small boat.

That the answer to the threat of small missile ships and boats may be found in the rapidly emerging field of surface skimmers--the air-cushion vehicles and hydrofoils?

That the U.S. Navy total of 37 small warships (missile boats, torpedo boats, fast gunboats and fast patrol boats) is far behind the U.S.S.R. with 425, Red China with 100, Yugoslavia with 100 and many other nations?

EMPLOYEES HONORED

Peninsula Telephone and Telegraph Company honored sixteen employees for past service at a Service Awards Banquet held at Kallaloch Lodge on December 9, 1972. Mr. T. A. Purton, Executive Vice President of the Washington Independent Telephone Association, was the guest speaker. Mr. M. R. Hill, Company President, presented the Service Awards.

The employees honored at the banquet are as follows:

Twenty Year Service: Elizabeth Klahn, Dan Lofholm.

Ten Year Service: Jean Streeter, Don Bell, Bob Bowly, George McClintie, Bob Pellikan, Clayton Russell, Ron Shearer, Dick Wentworth, Dick Haberman.

Five Year Service: Irene Goss, Dee Hill, Bill Clancy, Wayne Haag, Ken Kluger.

Peninsula Telephone Company is an independent telephone company serving the communities of Clearwater, Clallam Bay-Cedra, Heaver, Neah Bay and Forks. The company presently employs 23 local residents and serves 3700 telephones in its five exchange areas.

RUBBER STAMPS MADE TO ORDER. CALL THE FORKS FORUM... 824-5380.

Hraska-Bonham

Judy Hraska, daughter of Mr. & Mrs. Fred Jarvis of Forks, was married November 11, 1972, in the home of her parents to Mr. Shawn Bonham, of Seattle.

The bride was given in marriage by her father during the double ring ceremony, with Rev. Jerry Clover of the Baptist Church officiating. Maid of honor was Amanda Powell of Seattle, Charles Long of Forks was best man.

Guests attending were Mrs. Charles Long, Mr. & Mrs. Charles Morris and Roxie Hanson from Seattle. The couple now reside in Forks.

SAFETY RULES UPDATED

State safety rules for logging operations have been updated including changes in the number of binders on logging trucks. Other changes have been made in such requirements as the performance specifications for radio signaling systems, additional guards, overhead protection and roll-over protection.

THE PRIMARY CORNER

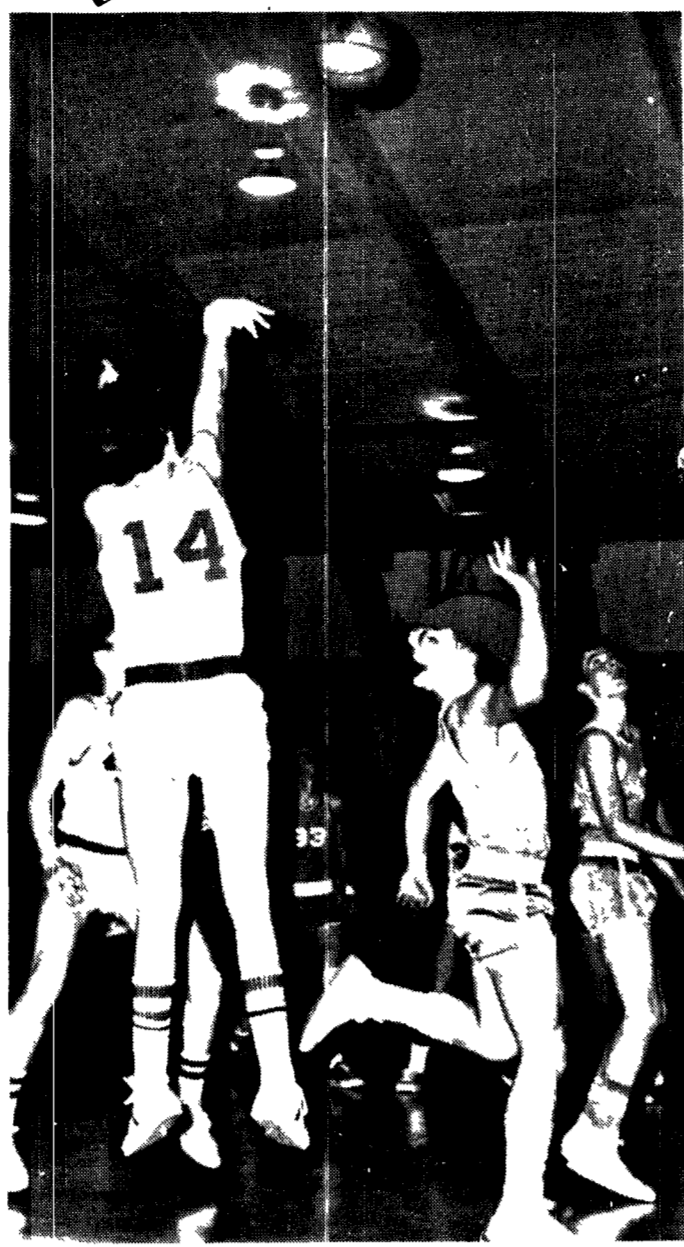

(Tang and Space Food Sticks), and dimming the space walk. The children are singing Angle bells with gusto, so it's time to Deck The Halls.

When a kindergarten parent asks his child, "What did you do at school today?" and he says, "Play", the parent may wonder if that is all he does at school.

The parents had an opportunity to find out what really happens in kindergarten when they visited the school November 20 and 21. Between 8:30 and 8:00 p.m., the kindergartners had their chance to show their parents their room, the books they made, some of their favorite activities and also introduce their friends and teachers. A short slide presentation was given to help explain the large group meetings, group times, work periods and the schedule for the day. Ron Corbell, Teacher Corp. Inten working in kindergarten, was also introduced. The teachers were pleased with the good participation, especially by the fathers, and the children were delighted with the left-over cookies for snacks.

Kindergartners are being given the VASC Hearing Test. It's administered individually to screen children for hearing difficulties. An eye test will also be given this week.

The topic for this week is the moon launch. Special activities planned are: learning space words, discussing the moon, rockets, astronauts, space mice, clothing, tasting "space foods"

Spartan Babe Lane Richards (14) scored with this jump shot to give the young Spartans an 18 to 12 half time lead over the Stampede of Stevens Junior High last Wednesday in Forks. Forks Junior High went on to win 44 to 30. by Louie Archibald

Howard-Wells

Miss Hazel Ann Wells became the bride of Jim Lee Howard in a double ring ceremony held November 25, 1972, at 3 p.m. in the Forks Congregational Church, Rev. Ted Ringmuth officiated. The bride is the daughter of Mr. & Mrs. Robert N. Wells, and the groom is the son of Mr. & Mrs. Bud E. Howard, all of Forks.

The altar was decorated with baskets of white mums, pink carnations and blue roses.

Organist was Mrs. Katie Slives. The bride was given in marriage by her father, Robert N. Wells. She wore a full length, white gown featuring pleated puffed sleeves, eight floral trim around the neckline and wrist. She wore a short, pearl flower veil and carried a blue and white bouquet. Lynn Lewis, bridesmaid, wore a blue, full length gown with short, puffed sleeves and

carried a blue and white bouquet.

The bride chose blue flared pants and a red blouse as her going-away costume for a wedding trip to Port Angeles. The couple is now at home in Forks.

CAC Award Granted

The Clallam-Jefferson County Community Action Council has received a \$1,200 grant from the Washington State Office of Economic Opportunity. The state funds will be used to supplement Federal and local funding of the Head Start program. The grant will be used in Port Angeles and Port Townsend to pay the salaries of two cooks, a 10% "fair-share" portion of the bookkeeper's salary, parent and staff training, and

THURSDAY, DECEMBER 14, 1972 a portion of parent transportation.

The CAC Head Start Program, directed by Robyn Schoeneman, consists of three classes of fifteen children each. One class is conducted at the Recreation Center in Port Townsend and two classes are held at the First Baptist Church in Port Angeles. The CAC has initiated a needs assessment to determine if additional head start classes are needed in other areas.
