# Drillers Battling

RIMBEY, Alta. (A) - Efforts continued Thursday to control gas escaping over a wide area in this farming district 75 miles southwest of Edmonton from an oil well that went wild while being drilled Two relief wells are under way to smother with water and mud the sources of the untamed gas in a gas-laden strata 8,000 feet below the surface.

The emergency holes are being most seriously affected by the uncontrolled seepage. The gas, which has gone as far as two miles through underground fissures, is coming to the surface in many

The Alberta Petroleum and Na-For that hard Clean-Up htural gas board has ordered the evacuation of persons from a 2,-1 720-acre section because of danger from the gas. The farmers return to their land daily to look

> MAYOR RESIGNS SAIGON, South Viet Nam (A) -Premier Ngo Dinh Diem's mayor of Saigon resigned Friday, complaining he had not been given enough force to wipe the rebellious Binh Xuyen soviety from the city. An uneasy truce continued, meanwhile, between the government and the "united front" of dissident sects
