

DIGITAL COLLECTIONS TERMS AND CONDITIONS OF USE

rev. 6/2022

Reproduction of items from North Olympic Library System's (NOLS) Digital Collections may be made under the following conditions:

- Formal permission is required in advance in order to reproduce, publish, display, broadcast, digitize, or distribute the images or copies of the images, audio recordings, or video recordings.
- Users are not permitted to publish or make available online high-quality sound, video, or images, without express written permission of NOLS.
- Publication, display, or electronic dissemination of the images shall include credit to the _____ **Collection of the North Olympic Library System.**
- Digital content may not be used in additional publications except with the express written permission of the North Olympic Library System.
- All responsibility for the use of these materials, including liability for copyright infringement, is assumed by the applicant.
- One copy of any publication, brochure, advertisement, etc., using digital content from the Library collection shall be sent gratis to NOLS for its files.
- All digital items will be sent via email or data transfer.

I have read and understand the above conditions and restrictions.
