

Take & Make Tiny Landscape Painting & Mini Art Show

Kits are for teens and adults (ages 13+). A limit of one kit per person.

What's in the kit?

- Instruction Sheet
- Canvas and Easel
- 2 paint brushes, flat and fine point
- Acrylic paint pots (Please note: This is NOT washable paint, but may clean up with soap and water on some hard surfaces.)

What else do I need?

- Consider protecting your work surface and clothing with paint shirt/drop cloth/newspaper.
- Disposable plate or palette to mix colors (optional).
- Disposable cup/jar for water to wash brushes. Empty food jars/containers make great paint water cups. *The cup will stain from the acrylic paint.*
- Cloth rags or paper towels for clean up - will get stained.

Instructions

Look outside, take a walk, find inspiration in the world around you.
