Welcome!

## NOLS News: Upcoming Library Levy Vote

On April 22, 2010 the Library Board adopted NOLS 2012, a plan to maintain existing services, to respond to community demands for more services, and to address infrastructure needs throughout the library system. This plan calls for an increase of the Library's levy from 33¢ per \$1,000 in assessed property valuation to 50¢ per \$1,000. Raising NOLS' levy rate requires passage by a majority of Clallam County voters. The election will take place on August 17, 2010. The plan is called *NOLS 2012* because if the levy passes, the additional funds would begin to be collected in 2011 and the plan would be implemented by 2012.

## Recent Volunteer Event

In early June, NOLS volunteers were honored at volunteer recognition programs, held in conjunction with the inaugural *Art in the Library* events in Sequim and Port Angeles. NOLS said thank you to all Library volunteers who help make the Library such a great community resource. Live jazz music and local art created a festive scene for the evening events. Jade plants started from the Library's jade plants were given to volunteers as a gesture of gratitude.
