

Board of Trustees Special Meeting

Tuesday, May 6, 2025 5:30pm

Port Angeles Main Library

REMOTE ACCESS

If unable to join in person, members of the public may participate in the meeting via internet or phone using the instructions available prior to the meeting at www.nols.org/board-administration.

PUBLIC COMMENTS

Any person or group desiring to bring an item to the attention of the Library Board may do so by addressing the Board at meetings. Individuals having comments specifically related to agenda topics should raise their hand at the appropriate point on the agenda to indicate a wish to speak. Public comments on items not on the agenda, but within the jurisdiction of the North Olympic Library System Board of Trustees, are heard at the beginning of the meeting and at the end; individuals may choose to speak at either point. When time constraints require, the Chair may limit public remarks during meetings to less than three minutes. The Board will not discuss or take action on items raised during Public Comment, but may choose to add items to a future meeting agenda. Public comments may also be sent to: Library Board of Trustees, North Olympic Library System, 2210 South Peabody Street, Port Angeles, WA 98362 or LibraryBoard@nols.org.

LAND ACKNOWLEDGEMENT

The North Olympic Library System acknowledges that the lands on which we live and gather are the appropriated homelands of Indigenous Peoples. We want to express our deepest respect to those peoples past and present, including the [Hoh Tribe](#), [Jamestown S'Klallam Tribe](#), [Lower Elwha Klallam Tribe](#), [Makah Indian Tribe](#), [Quileute Tribe](#), [Quinault Indian Nation](#), [Port Gamble S'Klallam Tribe](#) and the [Skokomish Tribe](#), for their care of these lands throughout the generations. Let us learn more about the histories, cultures, and traditions of Indigenous Peoples. Let us strengthen relationships with sovereign tribal nations to provide an inclusive space fostering innovation and collaboration at the Library.

AGENDA

1. Call to order, roll call and introductions
2. Approval of Agenda
3. Public Comments
4. New Business
 - N.I. Approval of Contract with Dell Technologies
5. Adjournment

“Nurturing imagination, connection, and understanding,
to improve lives and strengthen community.”

NOLS Mission Statement
Adopted 11/22/16

Upcoming Board meetings

Date	Time		Location
Thursday, May 22, 2025	5:30pm	Regular Meeting	Clallam Bay
Thursday, June 26, 2025	5:30pm	Regular Meeting	Port Angeles
Thursday, August 28, 2025	5:30pm	Regular meeting	Sequim
Thursday, September 25, 2025	5:30pm	Regular meeting	Port Angeles
Thursday, October 23, 2025	5:30pm	Regular meeting	Port Angeles
Monday, November 17, 2025	5:30pm	Regular meeting	Port Angeles

Note: no regular Board meetings scheduled in July or December.

North Olympic Library Foundation meetings generally occur on the same dates as NOLS Board meetings, usually at 3pm in the Administrative conference room of the Port Angeles Main Library.

Friends of the Library meetings

Clallam Bay Friends of the Library	Second Tuesday of March, June, September, and December at 1:30pm at Clallam Bay Branch Library
Friends of the Forks Library	Varies. Check with the Forks Branch for the next date.
Port Angeles Friends of the Library	Second Tuesday of month at 10am at Port Angeles Main Library
Friends of Sequim Library	Third Tuesday in July, 9:30am at the Sequim Branch Library. Annual Meeting is held in January, date/location usually announced in December.

Note: Foundation and Friends meeting schedules can vary; please check with Library to confirm before attending.

Staff Report

Meeting Date: May 6, 2025
To: Library Board of Trustees
From: Erin Shield, Technical Services Manager
Subject: Dell Technologies approval for computer purchases

Attachment: Dell Technologies Quote 3000189269485.1

Topic/Issue:

Approval of the purchase through Dell Technologies of computers, laptops, and accompanying peripherals for installation throughout NOLS' system.

Background:

In mid-October 2025, Microsoft will no longer support Windows 10 operating system or previous Windows versions. The lack of updates, assistance, and security fixes would make NOLS more vulnerable to cybersecurity threats. All computers will need to be Windows 11 compatible after the cut-off date. Currently a huge majority of public and staff computers in NOLS' network are too old to meet the minimum requirements of Windows 11. New computers that can run Windows 11 are essential. Windows 11 will offer new features, enhanced security, and improvements to performance.

Discussion:

Many public and staff computers are nearing their end of life. All computers will need to be upgraded to Windows 11 by the end of October 2025, which will require equipment purchases and improvements. A handful of computers are new enough that they do not need to be replaced and IT has a distribution plan of where each new and repurposed computer will be used.

The project is essential to ensure the security of NOLS' staff, patrons, and resources. The computers will be implemented in phases, starting with the reopening of the Sequim Library. Plans for deployment of public and staff computers at other branches are in progress.

The new computer rollouts will also allow IT to standardize equipment, configure computers the same way, and streamline the process of integrating software. IT's infrastructure of mapping and tracking computers is being re-tooled and other changes will be made at point of deployment for ease of tracking and troubleshooting in the future. These include new naming conventions and documentation for type of equipment.

Policy Considerations:

In accordance with NOLS [Policy 5.5 Purchasing and Procurement](#), NOLS is eligible to contract with Dell through the Department of Enterprise purchasing cooperative's [contract #05820](#).

Fiscal Considerations:

The total cost for the Dell computers and equipment is \$163,045.42 including tax and shipping. A three-year limited warranty for hardware, tech support and accidental damage to equipment is included in the quote. There are several other smaller purchases that will need to be made equaling approximately \$3,000 that are not Dell products. These will be purchased separately.

Item	Cost
Computers and equipment	\$149,720.23
Estimated sales Tax	\$13,325.19
Total	\$163,045.42

The approved 2025 Capital Budget includes \$160,000 for this project. The amount budgeted was based on rough cost estimates for the amount of equipment needed and associated costs. The 2025 Capital Budget contingency, \$25,000, will be utilized to cover the \$3,045.42 of the cost that is over what was budgeted.

Recommendation:

Utilizing funds available in the NOLS Capital Budget, the Library Board of Trustees approve Dell quote number 3000189269485.1 for the purchase of computers, laptops, and related equipment.

Your quote is ready for purchase.

Complete the purchase of your personalized quote through our secure online checkout before the quote expires on **Jun. 04, 2025**.

You can download a copy of this quote during checkout.

Important Notes

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All products, pricing, and other information is based on the latest information available and is subject to change for any reason, including but not limited to tariffs imposed by government authorities. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringsspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.
