Sorting

Gather multiple small, different colored items such as Legos, Unifix cubes, marbles, buttons or any other sortable object. Sort the objects by color and again by shape. Can your child think of another way to sort them?

Pattern Art

Get creative and artistic using patterns! Take out your favorite colorful art supplies (markers, crayons, construction paper) and start building patterns. Take turns drawing shapes in different colors and making patterns with your child. Cut shapes from construction paper and take turns rearranging them into different sequences.

Songs

Something New

Sung to Twinkle, Twinkle Little Star

Red and blue, red and blue,
Mix them and find something new.
Purple like a fresh ripe plum,
Purple like a poor sore thumb.
Red and blue, red and blue,
Mix them and find something new.

Rainbow Colors

Sung to Hush Little Baby

Rainbow purple, rainbow blue
Rainbow green and yellow, too
Rainbow orange, rainbow red
Rainbow smiling overhead.
Come and count the colors
with me.

How many colors can you see?
One, two, three, down to green,
Four, five, six can be seen.
Rainbow purple, rainbow blue
Rainbow green and yellow, too.
Rainbow orange, rainbow red,
Rainbow smiling overhead.

Art Supply Song

Sung to the *Wheels on the Bus*

The paintbrush on the paper goes
swish swish swish, swish swish
swish, swish swish swish,
The paintbrush on the paper goes
swish swish swish,
All day long. (Act like you're
painting with a giant brush, or
sweeping a broom.)

Additional verses:

The pencil on the paper goes
skritch scratch skritch...
The crayon on the paper goes
scribble, scribble, scribble...
The Play-dough on the table goes
squish, squish, squish...

Early Literacy Take Home:

As you and your child read a picture book together, observe and identify colors in the pictures and talk about what kind of medium (paint, pencil, watercolor etc.) the artist may have used to create the illustrations.
