Re: Rapid Antigen COVID Test Kits Available at West End Libraries
Attached:

The North Olympic Library System (NOLS) is partnering with the Clallam County Department of Health & Human Services to provide FREE rapid antigen COVID testing kits to residents on the West End of Clallam County.

A self-administered antigen test is available for pick up at the library curbside window, if you have been exposed to COVID-19 or are currently experiencing symptoms of COVID-19. At-home results are available in 15 minutes. If your rapid test comes back positive for COVID-19, please report your results to www.clallam.net/coronavirus.

Do not enter the library if you are experiencing symptoms or believe you may have been exposed.

Pick up testing kits at:

- Forks Branch Library at 171 S Forks Ave. Visit the curbside window (drive-up window on the back of the building) for pick up.
- Clallam Bay Branch Library at 16990 Hwy 112, Visit the curbside window (the last window on the ramp before the entrance) for pick up.

Once you arrive at curbside, you can expect NOLS staff to ask you how many people are in your household, if you currently have COVID symptoms and if you have been exposed to COVID. **Do not return tests to library facilities or staff.**

Forks Branch

Monday through Thursday -- 10am-7pm

Friday and Saturday -- 9am-5pm

Clallam Bay Branch

Monday through Wednesday -- 10am-6pm

Thursday and Friday -- 10am-5pm
