Explore tidepools in Clallam Bay with Feiro Marine Life Center, July 15

As part of the Summer Reading Program, the North Olympic Library System (NOLS) is partnering with Feiro Marine Life Center to provide a morning of tidepool exploration. People of all ages are invited to learn about sea stars, anemones, and other treasures of the Salish Sea with educators from Feiro. The event begins at 8am on Friday, July 15, at Slip Point Lighthouse in Clallam Bay.

Participants are to meet at the lighthouse at the end of Frontier Street and should wear sturdy, nonslip shoes. Youth age 12 and under must be accompanied by an adult. Feiro Marine Life Center is located on the Port Angeles City Pier and provides local marine and watershed learning experiences.

About the Summer Reading Program

This year's theme for the Summer Reading Program is "Read Beyond the Beaten Path." NOLS will offer free art, science, and literacy activities throughout the summer centered on experiences like exploring nature, learning outdoor skills, and more.

For more information about the Summer Reading Program, visit www.nols.org/srp, call 360.417.8500, or email discover@nols.org. The Summer Reading Program is generously supported by Friends of the Library groups at all four NOLS branches.
